

Council Approves Transfer of \$70,000 to City Funds

Transfer of \$70,000 to the unappropriated reserve of the city's budget contingency fund was approved by city commissioners at their Monday night meeting in the Plymouth City Hall.

The money replaces a loan made last April in connection with the Mill Street Urban Renewal project. The \$70,000 was part of a check for \$100,206 received from the federal government as a partial grant for its share of the Mill Street Urban Renewal Project.

In other action at the meeting, commissioners passed three amending ordinances on zoning, truck traffic and water. Authorized commissioner Arch Vallier to negotiate for a used hydraulic truck for the fire department and heard plans from a construction company for a multiple dwelling unit to be located on Plymouth Road.

THE ZONING amendment prohibits the erection of a building in a district zoned for light industrial nearer than 25 feet from the front lot line, 20 feet from a side lot line when the property abuts a residential district, 15 feet from a side lot line when abutting upon a street and 10 feet from a rear lot line.

The truck traffic ordinance, read for the first time at the Jan. 6 meeting, prohibits the

operation of commercial vehicles within the city except on the following streets — designated as through routes:

- (1) Plymouth Road from N. Mill Street to East city limits.
- (2) Northville Road from North city limits to Mill street.
- (3) Mill Street from North city limits to South city limits.
- (4) M-14 (Ann Arbor Road) from West City limits to East city limits.
- (5) Sheldon Road from C & O Railroad to Ann Arbor Trail.

AUTHORIZATION to negotiate for a used hydraulic ladder equipped fire truck was granted to commissioner Arch Vallier after the commission agreed on the impending need for the equipment.

Vallier told the group that present ladders used by the Plymouth City Fire Department are inadequate. He said there was a possibility a used unit could be obtained for a fraction of the cost of new equipment.

A new 65-foot ladder truck would cost from \$40-\$45,000, commissioners were told. Vallier said he thought a limit of \$15,000 should be set for used equipment.

He was empowered to negotiate with the City of Detroit for a piece of equipment which may be available, to advertise for a used unit in "Fire Engineering" magazine and to contact leading producers of fire fighting equipment to see if used vehicles are available.

REZONING of a 7.84 acre site located on the south side of Plymouth Road came up for discussion again at the meeting. Commissioners voted to put the matter on

the agenda again for the Feb. 3 meeting. It was tabled on Jan. 6.

Ted Jacobson of the Living Modes Construction Co. submitted a plan for the construction of 114 dwelling units on the site, adjacent to the public park, if the land is rezoned from its present C-2 classification to PR-2.

Some opposition to the plan has been voiced by homeowners in the area.

In answer to a question from commissioner George Lawt, planning consultant Charles Leman said zoning in the area in question had been reviewed in August, 1962. He said the location of two substantial business places across the street indicated a category more restrictive than C-2 should be in effect.

The PR-2 classification was recommended because it requires a 50-foot setback from the front property line, he said.

"We seriously question whether you'll ever get good single family development at this site," Leman commented.

Planning commissioner Arthur L. Shepard said the proposal was initiated by the planning commission without multiple dwelling units specifically in mind.

IN OTHER ACTION at the meeting, commissioners approved the drilling of a well by the Peake Petroleum Co. on property owned by the Wayne County Road Commission and located on the River Rouge Parkway, north of Wilcox Road.

Permission was granted the local March of Dimes unit to hold a peanut sale on Saturday, Jan. 25, but the city fathers urged that the March of Dimes become a part of the Plymouth Community fund and expressed their intent to notify both state and national March of Dimes officials.

Public works superintendent Joseph Bida reported to commissioners on a test of the city's Six Mile Road well field and a motion to approve further testing was approved.

Required by the new constitution to appoint a four-member, bi-partisan board of canvassers, the commission agreed to delay action until recommendations for appointments could be made.

Commissioners reduced the city's request to the federal government for funds to aid in the construction of a reservoir by nearly \$25,000. The reduction was brought about by a decision to build a two million gallon tank rather than a three.

The present request asks for \$119,125 as opposed to an earlier one of nearly \$244,000.

The other changes in the ordinance involve upping the turn on charge from \$1.00 to \$3.00 and revamping non-metered water rates.

Plymouthite Killed in Head-on Crash

A Plymouth woman was killed shortly after 2 o'clock Sunday morning when her car crashed head-on with another near the intersection of Ann Arbor Road and Hagberry in Plymouth Township.

Wayne County Sheriff's officers said Mrs. Inez Wick, 32, of 9005 Marlowe, Plymouth, was headed west on Ann Arbor Road when a westbound vehicle driven by David Cooper, 25, of 36622 Gilcrest, Wayne, turned in front of her.

Mrs. Wick was dead on arrival at Wayne County General Hospital. Cooper and a passenger were taken to the hospital for treatment of injuries.

A resident of Plymouth for the past nine years, she was a secretary at Annapolis Hospital, Wayne, and was a member of the Allen Heights Baptist Church.

She is survived by three children, Sondra Kay, Gayle, and Curtis, all of Plymouth; five sisters, Mrs. Veda Gidcomb, of Plymouth; Mrs. Jerry Harmon and Mrs. Wanda Hendon, of Nimmons, Ark.; Mrs. Clarence Behler, of Miss Yvonne Henson, of Wayne; and her parents, Mr. and Mrs. Leonard Henson, of Nimmons, Ark.

Funeral services will be held at Catherine Funeral Home, Northville, at 2 p.m. on Wednesday, Jan. 22. Interment will be in Rural Hill Cemetery.

City Reduces Non Resident Water Rates

A windfall in the form of a 25 per cent reduction in rates will be handed to users of Plymouth City water living outside the city limits when the amended water ordinance passed by the city commission Monday evening goes into effect on February 11.

The reduced rate would apply to Plymouth Township residents. Under the terms of the amended ordinance, users outside the corporate limits of the city will be charged at one and a half times the domestic rate instead of the previous double rate charge.

All in excess of 4,000,000 gallons will be charged at the regular rate charged users within the city limits.

The other changes in the ordinance involve upping the turn on charge from \$1.00 to \$3.00 and revamping non-metered water rates.

Set School Display For Monday

A special exhibit of teaching and learning aids will be placed on display by the professional staff of the Plymouth Community Schools on Monday evening, Jan. 27 at 8 p.m. in the library and corridors of Junior High School-East.

Included in the exhibit will be maps, charts, globes, projectors, films, records, T.V., programmed learning, library books and other materials.

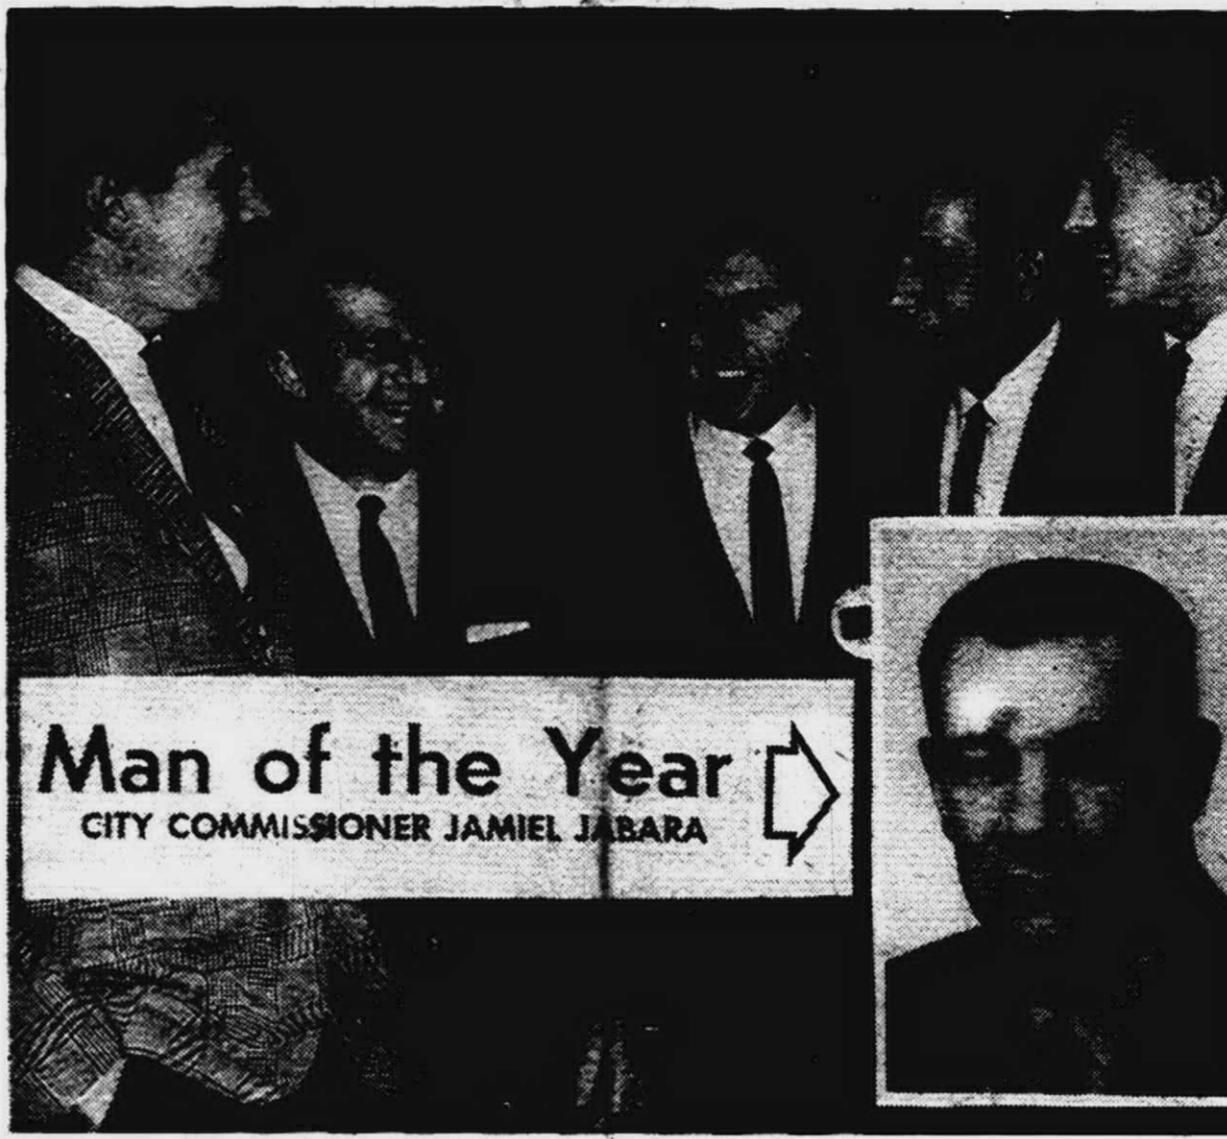

All are available to the teachers for use in the classroom. A school district spokesman urged the public to attend the display.

Exam Time; New Term Starts Monday

Final exams were underway for Plymouth students on Monday and Tuesday of this week as they wrapped up activities for the current semester.

There will be no school for grades seven through 12 on Wednesday and Thursday afternoons this week, according to Melvin Blunk, assistant superintendent of schools.

All schools will be closed on Friday, Jan. 24. The new semester will begin on Monday, Jan. 27.

Man of the Year
CITY COMMISSIONER JAMIEL JABARA

CITY COMMISSIONER Jamiel Jabara was named Plymouth's Man of the Year Monday evening at the annual Junior Chamber of Commerce Bosses' night banquet held at the Hillside Inn. Jabara was given the JayCees' Distinguished Service Award by President Wendell Smith. He was selected from a field of 17 candidates. In receiving the award, Jabara told JayCees and their bosses he accepted it on behalf of the other 16 candidates. He was chosen for his activities as a community leader, active churchman, city commissioner and his fairness and honesty. Above, left to right, are Detroit Tiger pitcher Hank Aguirre, Tiger Public Relations Director Neil K. "Doc" Fenkell of Plymouth and JayCees Howard Oldford, Joe Fletcher and Wendell Smith. Fenkell spoke to the group about the Tigers and introduced southpaw Aguirre. The pair fielded questions and answers from the floor.

More Names Added to Twp. Flyash Petition

New names have been added to a petition protesting the presence of flyash and soot, according to Mrs. Fred Davids, of Plymouth Rd., at the Township of Plymouth board meeting, Tuesday, Jan. 14.

The petition that already contained about 200 signatures, has now been signed by a number of persons who moved from Robinson subdivision into Garling subdivision trying to escape the flyash and soot, but discovered that they still faced the problem, Mrs. Davids said.

In earlier discussions of the problem, interpretation of township zoning ordinances should be answered by the township attorney, according to a communication from the Wayne County Attorney's office concerning smoke and trash control read at the Township of Plymouth meeting Jan. 21, but the office did say:

"... granting of a permit does not authorize the owner or occupant of a non-conforming use building to emit contaminants in the air in a greater quantity than authorized in the ordinance; 2. ... the building inspector of the township is the person authorized to administer and enforce the provisions of the ordinance; and 3. ... any ordinance duly adopted by the township under enabling law is presumed to be legal and constitutional until such time as it is challenged and proven to be illegal or unconstitutional in the courts of law."

The township attorney, Earl Demel, has not given his opinion on the ordinance because of illness, according to

Elected

Elected chairman of the Plymouth Twp. Planning commission at a meeting held Wednesday evening at the township hall was Irving Rozian of 13925 Beck Road.

Named as vice chairman was Tivadar Balogh of 49800 Joy Road. Arthur Haeske of 42350 Hammill Lane was elected Secretary.

Roy Lindsay, Supervisor of Township of Plymouth.

Lindsay said the township does have to depend on the Wayne County Health Department for help in enforcing the smoke and flyash control ordinance and that they plan to contact Detroit air pollution center for help.

THE TOWNSHIP BOARD decided by a motion to table, until the new budget is made, the request for the township to reimburse the Wayne County Library Board \$1226.85 for the Township's share of expense incurred by Plymouth in operating the Dunning-Hough Library in 1961 and 1962 which was not previously reported.

The township has paid their share, \$12,171.37, of the library expenses for 1963, according to Supervisor Lindsay. Plymouth Township and the city of Plymouth pay for the entire operation of the library.

The Township Board study committee for the fire department is to meet with the president of Local 1496, International Association of

Fire Fighters, AFL-CIO, Paul Albright, to discuss wages, hours and working conditions of the Fire Department according to the motion passed unanimously by the Board.

Also approved at Tuesday evening meeting were the salary to be paid to Fire-fighter 1, \$4800 a year (the year running from April 1 until March 31) and an additional \$150 to be paid to Captain C. L. Mass, for his temporary appointment as Officer in charge of the Fire Department.

Dick Lauterbach, reported for the fire department study committee that the Civil Service Commission wants the Township Board to set up the structure for the Fire Department so that it can prepare the exams for the various steps.

SUPERVISOR LINDSAY reported Plymouth Township has received the Fire Aid Agreement signed by six cities, Plymouth, Livonia, Garden City, Wayne, Ypsilanti and Dearborn Heights; six other townships, Romulus, Van Buren, Redford, Canton, Taylor, Nankin, and one village, Inkster. The object of this agreement is for each community to give aid to the others when needed.

Approval was given to Engineer Herald Hamill to have the Raymond Concrete Pile Co. do a total of 150 feet test drilling, on Joy Rd., at \$3.10 a foot depth to determine the depth necessary for sewers and water pipes in this area.

"NOYES FLUDE"

1,000 Expected For Symphony Concert

More than 1,000 persons are expected to turn out for the Plymouth Symphony's annual family concert, Sunday, Jan. 26, at 4 p.m. in the Plymouth High School Auditorium.

The concert, the fourth in the orchestra's 18th season,

will feature "Noyes Flude," (Noah's Flood) by Benjamin Britten; "Concerto in A Minor for Two Violins," by Vivaldi; and "Concerto in C Major," first movement, by Beethoven.

"Noyes Flude," based on a 16th century text and given a new setting by Britten, will feature soloists Blaine Ballard, assistant professor of music at Eastern Michigan University, as "Noah"; Leslie Eitzen, professional Detroit singer and wife of Lee Eitzen orchestra member, as "Mrs. Noah"; and Henry Austin, a member of the speech department at the University of Michigan.

PLYMOUTH youngsters from Plymouth Junior High-East choir and the fifth and sixth grade choruses of the elementary schools will also participate in "Noyes Flude." Mary Vallier will play "Sem"; Karen Upton, "Ham"; Tom Sippis, "Jaffeth"; Judy Bennett, "Mrs. Ham"; and Kathy Swann, "Mrs. Jaffeth." All are ninth graders, except Judy Bennett.

Two tenth graders at Plymouth High School, Robbin Wideman, son of Mr. and Mrs. Robert P. Wideman, 906 S. Harvey St., and Betsy Williams, daughter of Mr. and Mrs. Ernest B. Williams,

1919 Amherst Ct., are the soloists for "Concerto in A Minor." Both graduated to the Plymouth Symphony Orchestra two years ago from the Plymouth Junior Symphony Orchestra.

WIDEMAN and Miss Williams are also members of the Ann Arbor Youth Symphony and winners of scholarships to Interlochen Music Camp awarded yearly by the Plymouth Symphony Society. "Concerto in C Major" will feature Rhonda Bartsch, a University of Michigan freshman from Brentwood, Pa., as soloist (pianist). Miss Bartsch has won the Pittsburgh (Pa.) Concert Society Major Auditions, in 1962 and the Pittsburgh Concert Society Youth Auditions in 1961 and was runner-up in the Stillman Kelley Scholarship Auditions in 1961. She has appeared with the Pittsburgh Symphony Orchestra Young People's Concerts; as guest soloist of Dr. Marshall Bidwell, director of music at Carnegie Institute in Pittsburgh; and also as guest soloist with the Wilkinsburg (Pa.) Civic Symphony.

No admission is charged for the concert, and a Plymouth Girl Scout Troop will babysit for children over two years old.

Fisher Heads Housing Group

At an organizational meeting held Sunday at the Plymouth City Hall, Kenneth Fisher, Plymouth Public Safety Director, was elected president of the Plymouth Housing Commission.

William Silvis of Plymouth was named vice president of the commission.

The housing commission was authorized by an ordinance passed last Nov. 26 by the city commission. Mayor Richard Wernette appointed five commissioners to serve. They are:

City Clerk Richard Shafer, director-secretary; Stewart C. Oldford; Robert Webber; Wayne Nelson; Fisher and Silvis.

Plymouth Band to Play in Detroit

The 30-piece, adult, Plymouth Community Band, together with the Burroughs Corporation Men's Chorus, will travel to the St. Francis Boys' Home in Detroit for a concert Wednesday evening.

Band leader Jim Griffith said transportation for the group was arranged by the Plymouth Lions Club under the supervision of Jerry Vettefe of Plymouth.

Al Childs leads the Burroughs Chorus.

SET PEANUT SALE

Members of the Youth Fellowship of the First Methodist Church and volunteers from Junior High East will solicit funds for the March of Dimes Drive with a peanut sale this Saturday on the main streets of downtown Plymouth. Hours will be from 9 a.m. to 5 p.m.

The annual Mothers March, headed by Mrs. Roger Corey, will be held next Tuesday evening. Residents are requested to turn their porch lights on that evening to help "light the way" for the volunteers.

FEATURED SOLOISTS for the Vivaldi Concerto at next Sunday's Family Concert of the Plymouth Symphony will be these two PHS sophomores. They are, left, Betsy Williams, 15, daughter of Mr. and Mrs. Ernest Williams of 1919 Amherst Court and, right, Robin Wideman, 15, son of Mr. and Mrs. Robert Wideman of 906 S. Harvey. Both are members of the orchestra, students of associate concertmaster Nathalie Dale and former winners of the Symphony Society's scholarships to Interlochen.

Set Feb. City Hall Cornerstone Laying

Cornerstone laying ceremonies for Plymouth's new City Hall were tentatively set for Friday, Feb. 28 at 2 p.m. by a six-man cornerstone laying committee at a meeting held Friday afternoon.

The tentative program will include band music, background talks on the origin of the building project, municipal buildings of yesteryear and contents of the cornerstone box.

Former mayor Robert Sincok is expected to preside at the cornerstone laying ceremonies.

INVITATIONS will be extended to previous commissioners, state and federal legislators, present councilmen and Municipal Building Authority and administrative officials.

ANNIVERSARY

The first anniversary of Leo Calhoun Ford Sales of Plymouth is being observed this week. The Plymouth auto dealer is holding an anniversary sale in observance of his first year here.

Park Lane Subdivision Homeowners Protest Rezoning at Wednesday Hearing

In a quiet, almost restrained atmosphere, residents of Park Lane Subdivision in Plymouth Township protested the proposed rezoning of property at a public hearing held at the township hall Wednesday evening.

About 25 property owners appeared at the hearing on rezoning property located at Ann Arbor and Sheldon Roads and owned by Stewart Oldford and Sons, a Plymouth building and development firm.

The company had requested rezoning of a 323 x 272 foot portion of the property from R-1-S, Suburban Residential District, to R-3, Multiple Family Residential District. Stewart C. Oldford appeared for the company.

Later in the evening, after the close of the hearing, Oldford submitted a request for

similar rezoning of the remainder of the property.

PLANNED FOR the land, Oldford said, are two-story multiple dwelling units in multiple of four or eight with center entry halls. About 50 per cent would be two-bedroom, the remainder one-bedroom.

"I believe there will be a total of 24 living units on the 272-foot plot now under consideration," Oldford explained. He said they would be of brick veneer, frame construction.

In answer to a question about benefits to be derived to present residents of the area, Oldford told David A. Leaverton of 44428 Clare Blvd. the proposed apartment units would provide additional tax base. Oldford contended the area in question will

eventually be, in large part, zoned for multiple dwellings. Leaverton said:

"There are property owners in this room with an investment of a half million dollars in the area. I have no knowledge of multiple type dwellings which have enhanced the value of surrounding residential properties."

Harris said property owners felt the rezoning move would devalue their properties. The petition said owners rejected an attempt at "spot rezoning."

Plymouth attorney J. Rusling Cutler, speaking for the Park Lane Estates Developer, said his client was seriously opposed to spot rezoning.

"People have all bought from us in good faith," he said. "We feel, as they do, that if the property next to it is rezoned it will lower the value of their property."

the evening Irving Rozian said the rezoning proposal was entertained in light of previous proceedings which indicated possible commercial development on the northern corner of Ann Arbor Road and Sheldon.

ACTING CHAIRMAN for

commission member Arthur Haeske said:

"I doubt anyone is going to guarantee how the township will be zoned five or ten years from now. I can guarantee that things are really going to start happening in this township."

Haeske said, together with the influx of population, townships in this area are being swamped with requests for multiple zoning.

Oldford told those present at the hearing of a multiple dwelling development in Birmingham on Lasher Road which had been there for 20 years. He said surrounding homes sold for as much as \$50,000.

"Multiple dwellings are not commercial but residential," Oldford said, "a very high type residential." He added that wherever two dissimilar

items adjoin, problems arise. "Protesting the request to re-zone only a portion of the parcel owned by Stewart Oldford and Sons was Clarence J. Alandt of 44560 Ann Arbor Road.

"I'm adjoining the property very definitely," Alandt said, "and I can't understand why they don't want the entire parcel rezoned to multiple dwelling."

cause financing was available for only a portion of the property. He explained that a supplementary request to re-zone the remainder had been submitted.

Cecil L. Sharrard, a Clare Blvd. homeowner and Plymouth businessman questioned how far the R-3 zoning would go. "This can be a cancerous thing," Sharrard contended. "How much of the property would it surround?"

Acting Commission chairman Rozian told Sharrard the committee has considered northward and westward expansion. He said:

"We can give no guarantees to the future; but the area on the west has been fixed pretty well as residential."

Attorney Cutler said the group he represents feels the petition for rezoning is speculative in nature.

"We again point this up," he said. "Before a final action is taken, someone ought to submit an application for a building permit."

After explaining that the commission would reach no decision that evening, Rozian closed the public hearing with the comment that the commission would try to represent the feelings of the people in its decision.

IN OTHER ACTION at the Wednesday meeting, the planning commission:

(1) Accepted an application for rezoning 57 acres of property on the east side of Ridge Road between Powell and Ann Arbor Road from AG, agricultural, to R-1-E, country estates district. The commission will decide by its next meeting.

Named to Tip-Up-Town Court

On her first visit to Tip-Up-Town, Houghton Lake's ice-fishing carnival, last week, Mrs. John Henderson, 27 Burroughs St., was chosen a member of the Queen's court.

"It was lots of fun and quite an honor," Mrs. Henderson said. She added that she felt much more a part of Tip-Up-Town because of her participation.

After being asked Saturday afternoon if she would be a candidate for queen, Mrs. Henderson said her first concern was that she had only brought slacks with her. She said she was assured, however, that this was all right and that the other candidates were also in slacks.

THE QUEEN candidates were judged on their availability to do public relations work for Tip-Up-Town, Mrs. Henderson explained.

Sunday noon the Queen was crowned and she and her court were given trophies. She added that the Queen also received \$35 and she and the other member on the court received \$15.

For Tip-Up-Town, which is sponsored by the Chamber of Commerce, ice-fishing shanties, food booths and ice carvings are set up on the lake, Mrs. Henderson said. She added that the Queen's throne is also carved out of ice.

A parade on Saturday morning began the ice carnival, then after the candidates were chosen, Saturday afternoon, there was a press conference, dinner and a dance.

Grange Cleanings

Jesse Tritton
GL 3-6387

About 12 members of Plymouth Grange attended Plymouth at Webster Grange, Tuesday evening, January 14. Jesse Tritton showed pictures of his European trip taken last Fall.

Plymouth Grange met Thursday evening, January 16, at 8:00 p.m. The outstanding business of the evening was the conferring of the first and second degrees on four candidates by our degree team. The Community Progress Committee with Claude and Helen Eckles as co-chairmen displayed three therapy projects being made for the State Home.

A contribution was made by Plymouth Grange to the State Grange Youth Committee's "Little Red School House" program whereby funds are made available to Grange young people to help them obtain a college education.

Anyone wishing information regarding our trip to the Consumer Power Company on Tuesday, February 4, please call Martha Gates at GO 1-0372. Also each driver should report the number going in his or her car by calling the above number.

Let's all get to work on projects for our Fall Bazaar. It can only be a success if it is supported by all. Without items to sell it cannot become a reality, so let's come up with some surprises. We need both quality and quantity.

The next regular meeting of Plymouth Grange will be held at our Union Street Hall, Thursday evening, February 3, starting with our usual potluck supper at 6:30 p.m. Those members with February birthdays will find a welcome at the birthday table. The meeting will follow at 8:00 p.m. at which time the third and fourth degrees will be presented by Webster Grange degree team.

PLYMOUTH WINS AT DRYDEN

A Plymouth youngster won twice in the Dryden ski races. Ann Cunningham took first place in both the slalom and downhill competition for the 12-14 years old age division.

CITY FIREMEN:

Take Pride in Squad Truck

MASK EQUIPMENT for firefighters is checked out by full-time fireman Bill Fletcher last week. Fletcher is inside the Plymouth Fire Department's Squad No. 1 truck, recently delivered and equipped. Firemen made extensive interior modifications on the new unit.

Plymouth City firemen were pointing with pride last week to a new squad truck the department took delivery on recently. The reason? They may well have saved the City of Plymouth more than \$400 on the new equipment.

The truck, a 1964 model, one-ton panel, was furnished with the interior bare so the department could modify it to carry equipment efficiently.

Modifications included cabinet installation, the construction of racks, holders brackets and extensive wiring. Four full-time fire-fighters, together with volunteer firemen, provided the know-how and labor for the project, according to Deputy Fire Chief Charles Groth.

Groth estimated that the men spent from 80 to 90 man hours on the project.

IF YOU CONSIDER that the City might have had to hire carpenters, electricians and metal workers to do the job and figure an average wage of \$4.50 per hour, the firemen may have saved the City more than \$400.

The men worked on the new vehicle over a three-week period, Groth said. The group met, decided just what had to be done to the truck and drew up plans, he explained.

Much of the intricate woodwork and cabinetry was built by Lt. Paul Sanders of the department who owned the necessary tools and equipment.

Everyone at the station participated in the modifications, Groth said. He explained that even some materials for the project were donated by volunteer firemen.

DESIGNED AS a squad truck, Groth said the best known piece of equipment in the vehicle is probably the resuscitator, used in emergency heart attack, asthmatic attack, smoke inhalation and drowning cases where the victim experiences difficulty in breathing.

But the truck is packed with other items for virtually any task.

Included in its equipment are devices to free persons trapped or pinned in buildings or vehicles, jacks, power saws, pry bars, chains, rope, axes and even a special door opening device.

Also carried are oxygen tanks, fire fighting equipment not able to be carried on the other trucks, a short ladder, first aid equipment, a stretcher and masks for firemen to use when entering a smoke-filled building.

The unit replaces an older, outmoded one. Radio equipped, it is the most frequently used of the city's fire department equipment.

GROTH SAID THE department is always ready to answer a call, no matter how unorthodox.

"The public should know," he said, "that they can call us if they get into any kind of a jam. There's always someone on duty."

He said the department has been called upon for tasks ranging from freeing trapped children from confined spaces to opening a jammed garage door for a local housewife.

Groth urged the public to feel free to phone the fire department direct when they have a problem that they feel requires assistance.

He said the new unit is currently housed at station number two but will probably be transferred to the new city hall upon the building's completion.

Plymouth Township Minutes

OFFICIAL PROCEEDINGS TOWNSHIP OF PLYMOUTH REGULAR BOARD MEETING JANUARY 14, 1964

The meeting was called to order at 8:00 P.M. by Superintendent Lindsay. All Board members were present and approved the minutes of the December 10, 1963 meeting and \$11,237.41 in current bills.

Engineer Hamill produced preliminary plans for the water main which will run north on Mill Street from Ann Arbor Road to National Concrete Products. It was revealed that the National Concrete Products Co. has already paid their Tap-In fees. By action of the Board, the Engineer was authorized to advertise for bids to be opened at a Special Meeting to be held Tuesday, January 28, 1964, at 8:00 P.M.

A progress report on the 1964 Water and Sewage Program was made by Engineer Hamill, stating that all topography has been taken relative to the plans as developed by this Board, and he will have all necessary information on paper for Special Meeting, January 28, 1964. The Engineer was authorized to have sample borings made for the proposed 12" water sewer, costing approximately \$500.00.

The Fire Department Study Committee, consisting of Mr. Norman, Mr. Ralph Garber and Mr. Lauterbach, recommended a salary of \$4,800.00 per annum for Fire Fighter and persons present in the amount of \$1226.85 for the 1961 and 1962 Township share of the maintenance of the Plymouth Library. Clerk McEwen stated that the Township has already paid its share as budgeted for the current fiscal year and not having knowledge of this outstanding debt, no monies were allocated for this expenditure. Accordingly, he moved that it be tabled until the forthcoming budget hearings. Supported by Louis Norman, and carried.

A letter received from Paul Albright, President of Local 1496, International Association of Fire Fighters, A.L.C.I.O., requesting an audience with this Board was referred to the Fire Department Study Committee, inasmuch as Mr. Albright was not in attendance.

Supervisor Lindsay read the Prosecuting Attorney's opinion relative to the Township Air Pollution section of the Zoning Ordinance and two communications relative to the Burroughs Manufacturing Co. and Evans Products Co. he had received from the Health Department. He further stated that progress is being made to alleviate this problem. The following resolution was passed unanimously, upon a motion by Elizabeth Holmes, and supported by C. V. Sparks:

RESOLUTION HONORING

LOUIS J. NORMAN
We, the members of the Plymouth Township Board, wish, at this time, to extend our thanks and commendation for a job well done as Part-Time Acting Fire Chief during the period of July, 1962, to December, 1963.

Since 1950 he has most ably given of his time and boundless energy by serving in many capacities, and as well known for his fearless and outspoken advocacy of progressive betterments in the Township Government.

In order that Louis Norman's service as Part-Time Acting Fire Chief may be permanently recorded in the records of the Township and as an expression of the esteem and respect in which we hold our colleague, this Board of Trustees does hereby

RESOLVE, that this 14th day of January, 1964, this resolution be spread upon the journal of a 14 month's proceedings and a copy be presented to Louis Norman as a memento of his public service career.

AYES: R. Lindsay, J. D. Mc-

Ewen, E. Holmes, C. V. Sparks, R. Garber, D. Lauterbach.
NAYS: None.
Upon a recommendation by Elizabeth Holmes, Treasurer, a resolution to waive the 4% penalty on 1963 Property Taxes from January 19 to February 28, 1964, inclusive was made by John D. McEwen, supported by Louis Norman, and carried.
This concluded the agenda for the evening and persons present discussed pertinent problems which were all taken under consideration. Dick Lauterbach gave a brief verbal report on the Police Study Committee.
It was moved by Elizabeth Holmes, supported by Ralph Garber, that the meeting be adjourned. The meeting was adjourned at 9:12 P.M.
Respectfully submitted,
John D. McEwen, Clerk
APPROVED: Roy L. Lindsay.

Name Directors, Declare Dividends at Evans Products

A Plymouth executive was named a director of Evans Products Co. in action taken by the company board last week, in Portland, Oregon.

James J. Conway, vice president and head of Evans' transportation division at Plymouth and Lawrence M. Flahive, head of the company's plywood division of Corona, California, were both named directors.

The two men replace Robert B. Evans of Grosse Pointe, Mich. and Fred Smith of Pittsburgh, Pa., both of whom resigned.

Conway is a graduate of the University of Pennsylvania Wharton School and is a CPA in both Pennsylvania and Michigan.

IN OTHER ACTION, the board announced the resumption of dividend payments, the first since June, 1960.

Dividends of 10 cents per share in cash and four per cent in stock were declared by the board.

The cash dividend is payable Feb. 28 to stockholders of record on Feb. 14. The stock dividend is payable March 13 to stockholders of record on Feb. 17.

Plymouth Teens to See U.N., Washington

Washington D.C. and New York will be the destinations of three Plymouth teenagers when they leave Jan. 25 to attend the United Nations - Washington Peace Seminar, sponsored by the Methodist Church.

The Plymouthites, part of a group of 140 from Michigan, are Maryjane Gretzinger, 17, daughter of Mr. and Mrs. James Gretzinger, 390 Adams St.; Lou Ann Sockow, 17, daughter of Mr. and Mrs. Clifford Sockow, 678 N. Harvey St.; and Randy Munshaw, 17, son of Mr. and Mrs. Carroll Munshaw, 555 Byron. They are seniors at Plymouth High School.

The group will participate in a United Nations meeting at which civil rights will be discussed.

While in Washington, the group will meet with their senator, visit Congress, Arlington Cemetery, the White House, Department of Defense and the Russian Embassy.

Welton House, the Plymouth Methodist Church youth adviser will accompany the group.

They will return Feb. 1.

Five Mexican Students to Return Home

Five Mexican students, who have been spending their "summer vacation" in Plymouth attending school and staying with Plymouth families will return to Mexico at the end of January.

The project is part of the Youth for Understanding Teen-Agers Exchange Program sponsored by the Michigan Council of Churches, Ann Arbor.

There has been a wonderful feeling of mutual good will and understanding between our two countries and the individual families as a result of this exchange of visits," said Mrs. Carl Rogers, chairman of the international relations committee of the Detroit Archdiocesan Council of Catholic Women, who assisted in placing the students in Catholic homes.

More than 400 students are taking part in the program this year, in comparison with the twenty students involved when the first group arrived five years ago.

waived from January 19, 1964 until February 29, 1964 inclusively, according to a resolution passed by the Township Board. This is done every year.

A request for street lights on both sides of Schoolcraft Rd. in Lake Pointe was given to the Board by a member of the Lake Pointe Homeowners Association. The construction company could possibly erect lights and decorative gates but would want the Township to assume the responsibility for the electricity and maintenance, according to the member of the Homeowner's Association.

Supervisor Lindsay said regular street lights light a greater area and are more practical for maintenance reasons. He explained that Detroit Edison Co. takes care of regular street lights for the Township for a flat rate.

Lindsay said the Board is going to try to include more money in their next budget to install more street lights in the Township.

The Board also supported a motion calling for bids for a new water line from along Lilley Rd. and calling a regular meeting of the township board on January 28.

Former PHS Swimmer Helps Set Record

A new dual meet UAL swimming record was notched on January 11 at Ohio State University by former Plymouth High School tank man Dick Michaels, 19, son of Mr. and Mrs. Mel H. Michaels of 575 Arthur, Plymouth, and his teammates.

Michaels and three others on OSU's 400-medley relay team set the record of 3:46.7, three tenths off the old record, in a meet with Illinois at Ohio State.

A 1962 graduate of PHS, Michaels took three varsity letters in swimming and others in other sports, according to his mother, Mrs. Mel H. Michaels. He was named All-American two years in a row, 1961 and 1962.

At the Illinois meet, he swam the 200-yard backstroke on exhibition in 2:06.2 in contrast to the official team swimmers time of 2:12 that day.

T-Birds Beat Wayne, Monday

The Plymouth T-Bird Bantam hockey team defeated Wayne Monday night at Garden City 5-0. The victory increased their league lead to four points over the second place Garden City Maple Leafs.

Goal getters in Monday night's game were Joe Herter, 2, John Campbell, 2, and Mark Strautz. It weather permits, a full schedule is planned for the local rink Thursday, Friday and Saturday evenings.

The league's leading goal tender is the T-Bird's Tom Elias. Tom has the fewest goals scored against him of any league goal tender. He has given up just 10 goals in six games.

TO THOSE LIVING IN THE COMMUNITIES SERVED BY DETROIT EDISON

As you grow and prosper, so do we. The nature of our business makes us very much a part of the 67-cities, 76 villages, 214 townships and 258 other communities that make up Southeastern Michigan.

It is mutually advantageous for us to encourage farmers to follow good agricultural practices, for example. Electrically driven machinery, so vital in combating the cost-price squeeze, is fast turning farms into food factories and there is much to learn in the process. The successful farmer of the future will be the one who best knows how to evaluate and use these "wired hands."

In behalf of business, we're constantly searching for new and improved ways to put versatile electric energy to work. This helps make our recommendations to our industrial and commercial customers more valuable and meaningful.

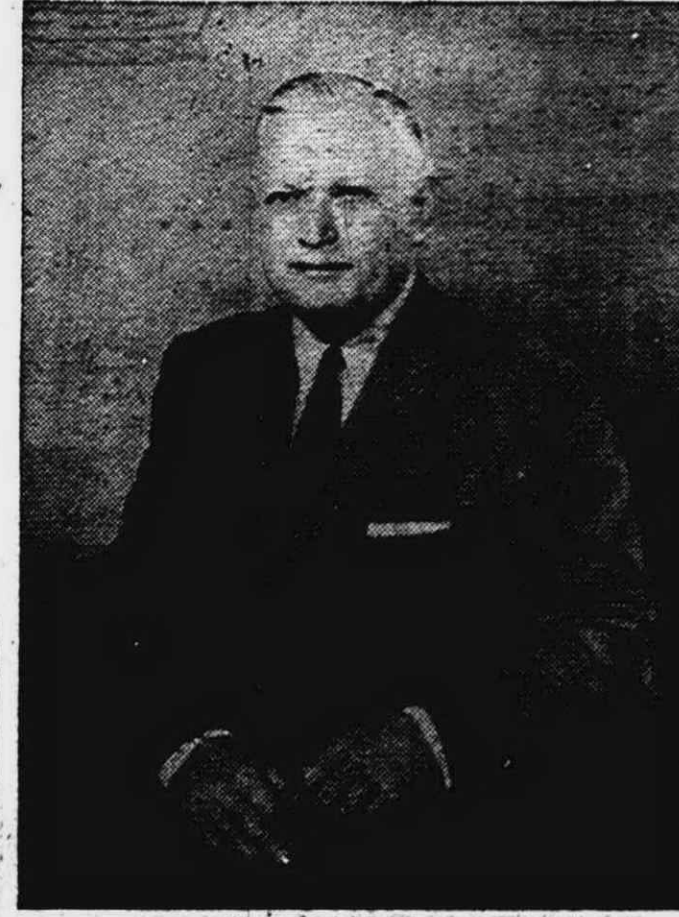

To aid in bringing new business enterprises into this area is another goal of ours. We help firms in search of new locations to find the best sites. Of greater long-range importance, we help communities make themselves more attractive to industrial newcomers. One way of doing so is by assisting in the research and work which lead to community planning and to the establishment of industrial development committees.

As you grow and prosper, so do we. We seek always to be staunch and enthusiastic boosters of the area and the people we serve.

Sincerely,

Walker L. Cisler

With 72 members present the 60 Plus Club of the First Methodist Church held the first meeting of the 1964 season on Monday, Jan. 13. Fifty cancer pads and numerous bandages were made during the morning session. Dinner was served at noon followed by the regular business meeting.

The entertainment part of the program was in charge of W. D. Brown, who introduced two senior high school students, Miss Made Arjay and Miss Susan Williams, whose singing of folk songs and playing of the banjo and guitar was a delight to all the members. Accompanied by Miss Williams on the guitar Mr. Brown sang a number entitled Stranger on the Shore.

TOWNSHIP OF PLYMOUTH ADVERTISEMENT

Sealed proposals will be received by the Township of Plymouth, Michigan, as Owner, until 8:00 p.m., Eastern Standard Time, on Tuesday, January 28, 1964, at the Township Hall, 42350 Ann Arbor Road, Plymouth, Michigan, and then publicly opened and read, for the construction of water mains and appurtenances along the easterly side of Lilley Road (Mill Street) from Ann Arbor Road (M-14) northerly.

The principal quantities comprise approximately:

1750 lin. ft. — 12" dia. water main
2 each — 12" gate and well
3 each — 6" fire hydrants
1 each — 4" blowoff

Plans and specifications may be examined at the Plymouth Township Hall. Copies may be obtained at the office of Herald F. Hamill, Consulting Engineer, 292 S. Main Street, Plymouth, Michigan, by making a deposit of \$10.00 for each set, which will be refunded upon their use in a bona fide proposal or upon their return in good condition prior to the time set for opening bids.

Each proposal shall be accompanied by a Certified Check in the amount of 5% or more of the amount of the bid, payable to the Owner, as security for the acceptance of the contract. A Bid Bond in the Michigan Standard Form, issued by an approved Surety Company, may be furnished in lieu of a Certified Check.

No bidder may withdraw his proposal within 30 days after the date set for the opening thereof.

The right is reserved by the Owner to reject any or all proposals, either in whole or in part, and to waive any irregularities therein.

Signed

JOHN D. McEWEN, Clerk

Local Druggist Honored at Business Meet

A citation for his efforts in establishing Free Enterprise Day was given to Robert Beyer, owner of Beyer Rexall Drugs of Plymouth.

Presented by a representative of the Small Business Administration, the award was given at a dinner attended by leading Rexall drug store owners. The dinner closed an intensive one-day series of meetings during which the Rexall Drug Company's 1964 marketing, advertising and sales plans were outlined.

In 1963, Free Enterprise Day was established by Rexall druggists as an annual national event and will be celebrated the first Monday in October of each year. It is devoted to commemorating the American way of business life and the American economic system.

FAT OVERWEIGHT

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat in 7 days or your money back. No strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum. ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ODRINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX costs \$3.00 and is sold on this GUARANTEE: If not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. ODRINEX is sold with this guarantee by:

Obituary

Beth Ellen Ebersole
 The three year old daughter of Mr. and Mrs. Clare Ebersole, of Livonia, Beth Ellen, died Jan. 14.
 Born Oct. 27, 1960, she is also survived by two brothers, Thomas and Douglas, of Livonia; and grandparents, Mrs. Madys Suttin, of Plymouth, and Mr. and Mrs. Ralph Durcy, of Reading, Mich.
 Funeral services were held Jan. 17, and burial was at Riverside Cemetery.

CAN STILL REGISTER
 Persons can still register or adult education classes here in Plymouth, according to adult education director Herb Woolweaver. Some classes have been closed, Woolweaver said, but registration is still possible for others. He said enrollment appears to be down for courses this term. Those interested in registering may call the adult education office at GL 3-3100.

Packaging Bills Introduced by Sen. Dzendzel

Two "consumer protection" bills have been introduced in the Michigan legislature by 18th district State Senator Raymond D. Dzendzel (D) of Detroit.

The first, Senate Bill No. 1009, would require packagers of meat or meat products to show on the package the date the meat was prepared. The bill would not apply to glassed or canned goods. Selling or advertising meat, fish or poultry other than by weight determined at the same time of sale on a scale properly sealed in accordance with law would be judged a misdemeanor under Senate bill No. 1010.

Excepted, under the latter bill, would be goods sold in the wrapper or container in which it was received by the retailer.

Sen. Dzendzel said he hoped to see the legislation enacted into law in the current session of the legislature.

EFFECTIVE FEBRUARY 1, 1964

Dear Customer:

This is to notify you that the Standard Oil Company has canceled my lease which would have been in effect for ten years. Therefore, I will be unable to serve you from this location at Main and Mill after February 1, 1964. It is with deep regret that I leave Standard Oil but under the circumstances they have left me no other choice. I will be moving next door to the Pure Oil station which is being operated by my brother Dick and which we are purchasing.

The move to Pure Oil will offer you better facilities and quality Pure Oil products guaranteed by both the Pure Oil Company and us personally. I therefore, cordially invite you, my customer and friend to visit us at our new location, 413 N. Main corner of Starkweather, to enjoy continued friendly and courteous service.

Very truly yours,
DENIS A. SCHWARZ

It's A Fact
Cleopatra's Needle in Central Park, New York City, is believed to be the oldest outdoor statue in the United States, according to Collier's Encyclopedia. The 69-foot statue, originally erected at Heliopolis, Egypt, more than 3,300 years ago, was brought to the United States in 1880.
More than 4,000 University of Michigan students studied foreign languages last year in the U-M language laboratories.
The University of Michigan has more contracts with the National Aeronautics and Space Administration than any other school.

Proclaim Boy Scout, Dental Health Weeks

Two proclamations were issued this week by Richard H. Wernette, mayor of the City of Plymouth.

The mayor proclaimed the week of Feb. 2-8 Children's dental health week and the week of Feb. 7-13 Boy Scout Week.

Mayor Wernette urged all citizens to observe both weeks. Concerning Boy Scout Week, the mayor wrote:

"I do urge citizens to recognize the patriotic service being performed for our community by volunteer Scout leaders; to express their appreciation to the religious bodies, school organizations, veterans associations, fraternal groups and service clubs who sponsor our Cub Scout Packs, Boy Scout Troops and Explorer units, and help the City of Plymouth to be represented adequately at the great national Scout Jamboree this summer."

Advice is not disliked because it is advice; but because so few people know how to give it. —Leigh Hunt

CLIMB RIGHT IN! Plymouth's Deputy Fire Chief Charles Groth is about to get inside the department's new squad truck, equipped with resuscitator equipment and countless other items used in varied squad activities. Read how fire-

men modified the new vehicle for department use and the many functions the unit serves on Page 2. Groth urged the public to call on the department in any emergency.

News from Jr. High East

Many things have happened since before the holidays, in our school.

Our Latin Club has been very active. Before Christmas, they voted in favor of joining the Junior Classical League (JCL). In order to do this, the members had to submit dues. They could also purchase a pin, which most of the members did. On December 18th, a Saturnalia play was given. This is a Latin holiday corresponding in time to our Christmas. It was a tribute to the god Saturn. On this day, the slaves of the Roman household were considered free and gifts were frequently exchanged.

The cast made their own costumes and learned their parts in Latin. The performers were Anne Wood, Cheryl Drennan, Clark Chapman, they voted in favor of joining the Junior Classical League (JCL). In order to do this, the members had to submit dues. They could also purchase a pin, which most of the members did. On December 18th, a Saturnalia play was given. A thank you is extended to all those who helped make the Bazaar a success. It would not have been possible without your help.

At the Jan. 21 meeting, there will be a demonstration on artificial respiration.

Many stuffed toys and other items were taken to the Plymouth State Home. Two pairs of crutches were also taken out to the home. Any one having leg braces, crutches, etc. is asked to call Pat Dunlap at GL 3-0448, and she will be very happy to pick them up and take them out to the state home.

Belated get well wishes are wished to Pat Jones (Harvey and Mary's daughter), Jean Olson, Gary Krumm (Bud and Betty's boy), and to Madelyn Hartford.

Happy birthdays are wished to Ed and Mary Holdsworth, and a belated happy birthday to Howard Dunlap.

The children's Christmas party was a huge success. There was a great turnout, and I am sure everyone had a really good time.

Remember, if you know of any birthdays or anniversaries of Post or Auxiliary members of Mayflower Post No. 6695 be sure and call Claudette Krumm, at GL 3-7406.

Plymouth City Minutes

Monday, January 6, 1964

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, January 6, 1964 at 7:30 P.M.

PRESENT: Comms. Houk, Jabara, Lawton, Smith, Vallier and Mayor Wernette.

ABSENT: Comm. Beyer. (Comm. Beyer arrived at 9:10 P.M.)

Moved by Comm. Houk and supported by Comm. Vallier that the minutes of the regular meeting of December 16 and the special meeting of December 23, 1964 be approved as written.

Carried unanimously.

Moved by Comm. Lawton and supported by Comm. Vallier that the City postpone action with regard to the Reiman property until March 1, 1964, and that a progress report be made to the City Council on or before that date.

Carried unanimously.

The Mayor opened the hearing on the proposed rezoning of certain lots on the north and south side of Plymouth Road, east on N. Holbrook Street to the Park, on C2 (Commercial Business District) and R-1 (One Family Residential District) to PR-2 (Modified Professional Residential District) and PR-1 (Professional Residential District). Mr. Kenneth Way, Mr. Raymond Sieber and Mrs. Harvard Norgrove spoke in support of the rezoning. Mrs. Mildred Bondie, Administratrix of the Pfeiffer Estate, advised that a purchaser was interested in the property proposed to be rezoned and which she administers, for multiple dwelling purposes. After all interested parties had been given an opportunity to be heard, the Mayor declared the hearing closed.

Moved by Comm. Smith and supported by Comm. Vallier that the proposed ordinance to amend Ordinance No. 182, Zoning Ordinance, rezoning property as outlined above, be tabled indefinitely.

Carried unanimously.

The Mayor opened the hearing on the proposed revising of Section 10.09 of Ordinance No. 182, Zoning Ordinance, to provide for the reduction and/or elimination of side-yards in M-1 Districts. After all interested parties had been given an opportunity to be heard, the Mayor declared the hearing closed.

The Clerk read a proposed ordinance to amend Ordinance No. 182, Zoning Ordinance, revising Section 10.09 of said ordinance.

Moved by Comm. Lawton and supported by Comm. Jabara that the proposed ordinance to amend Ordinance No. 182, Zoning Ordinance, be passed its first reading.

Carried unanimously.

Mr. Phil Hampton of Johnson & Anderson, Consulting Engineers, was present and outlined the proposed types and sizes of reservoir needed to supplement the city's water supply, advising that a 2 million gallon reservoir would be sufficient in size to accommodate the city's future needs. The Water Study Committee, together with the City Attorney and Mr. Hampton, was requested to draft a proposed offer to purchase water and forward it to the Detroit Water Board, with a copy to Mayor Cavanaugh.

The City Manager presented a tabulation of bids for the Urban Renewal Storm Sewer installation, recommending the bid of A & J Constructing Company, 26105 Fenkel Avenue, Detroit, Michigan, in the amount of \$6,496.00. The City Manager advised that the Housing & Home Finance Agency had no objections to awarding the contract to the A & J Constructing Company.

Moved by Comm. Vallier and supported by Comm. Houk that the city accept the bid of A & J Constructing Company, in the amount of \$6,496.00, for the construction of a storm sewer in the Hill, Street Urban Renewal Project, Mich. R-20, and that approval be given, not to exceed the following estimated costs:

A & J Construction Co.	\$6,496.00
Plans	218.30
Staking	154.42
Inspection	194.88
Contingencies, 5%	969.00
Railroad Inspection	60.00
for a total project cost of	\$7,565.60.

Carried unanimously.

The matter of the purchase of a new accounting machine was discussed.

Moved by Comm. Lawton and supported by Comm. Smith that the city purchase a new Burroughs Typing automatic accounting machine, wired for but not equipped with punch tape attachment, at a cost of \$8,570.00, plus the necessary supplies, said funds to be appropriated from the Budget Contingency Fund.

Moved by Comm. Jabara and supported by Comm. Houk that the above motion be amended to include the purchase of the punch tape attachment.

The vote on the amendment was as follows:

YES: Comms. Jabara and Mayor Wernette.

NO: Comms. Beyer, Houk, Lawton, Smith and Vallier.

Motion failed.

The vote was then taken on the original motion.

YES: Comms. Houk, Jabara, Lawton, Smith, Vallier and Mayor Wernette.

NO: Comm. Beyer.

Motion carried.

The City Manager presented a communication from Robert Henry relative to the condition of the "Back Wash" from his water conditioner. The communication was ordered accepted and filed.

The City Manager presented a communication from the Michigan Municipal League requesting the appointment of a legislative contact man.

Moved by Comm. Houk and supported by Comm. Vallier that Albert

Glassford be appointed the legislative contact man for the Michigan Municipal League.

Carried unanimously.

The City Manager presented a communication from Robert Dejaney complaining of the public nuisance in Kellogg Park during the Christmas season.

Moved by Comm. Vallier and supported by Comm. Jabara that he communicate be received and filed.

Carried unanimously.

The City Manager presented a communication from Jerome O'Neill expressing his appreciation of the cooperation given him by the Commission while employed by The Plymouth Mail. The communication was ordered accepted and filed.

The City Manager presented a communication from the Liquor Control Commission advising that unless objections to renewing current licenses for consumption on the premises are received by it, the licenses will automatically be renewed. The communication was ordered accepted and filed.

The City Manager presented a communication from the Board of Building Appeals requesting that consideration be given to adopting minimum requirements for multiple housing units to supplement the B.O.C.A. Code.

The following resolution was offered by Comm. Smith and supported by Comm. Beyer:

Resolved, that the following minimum requirements for multiple housing units to supplement the B.O.C.A. Code be adopted:

MINIMUM REQUIREMENTS FOR MULTIPLE HOUSING UNITS TO SUPPLEMENT B. O. C. A. CODE

Mothers March Chairman Polio Patient 12 Years Ago

The March of Dimes is a very personal institution to this year's co-chairman of the Plymouth March of Dimes Drive and the chairman of the Mother's March of Dimes. Almost twelve years ago, in August 1952, Mrs. Roger Corey, chairman of this year's Mother's March, contracted polio. She was a freshman student in nursing at Michigan State University and had come to Plymouth for a weekend when she became ill. Her parents, Mr. and Mrs. J. R. Witwer, chairman of this year's March of Dimes drive, were at their cottage in northern Michigan at the time.

Mrs. Corey, at that time Mary Ann Witwer, had both polio and spinal polio; her throat was paralyzed and she had a tracheotomy to keep her breathing, the upper left quadrant of her trunk and her hips and legs were paralyzed, according to Mrs. Witwer.

Mrs. Corey was in critical condition for twelve days, and the doctors did not know if she would live. Mrs. Witwer related. Later they did not know whether she would ever talk or walk again. Mrs. Witwer continued.

"The miraculous recovery" Mrs. Corey made, her mother contributed to her will to get better and her good attitude while she was ill. While she was in the hospital, the stu-

Ex-Newcomers Plan Luncheon

A luncheon is planned for Wednesday, Jan. 29 at 12:30 p.m. by the Ex-Newcomers Club, at the Elks Club, 33825 Plymouth Rd.

The program will be a mystery surprise for the members.

Mrs. Philip Angelina Vitale is chairman for the year, and her co-chairman is Mrs. Michael Perish.

Hostesses for the luncheon are Mrs. Charles T. Holly, GL 3-7154, and Mrs. Leander Rae, GL 3-2278.

In more than 41 years of supplying care and treatment, the National Society for Crippled Children and Adults and its 1,375 Easter Seal affiliates have helped millions of the nation's physically disabled along the road to rehabilitation.

The wedding is planned for August 29 in Plymouth.

April Corey, Paul Dobbs Wed

APRIL K. COREY, daughter of Mr. and Mrs. Kenneth Corey, of 46735 W. Ann Arbor Tr., became the bride of Paul T. Dobbs of Royal Oak, in an afternoon ceremony in St. John's Episcopal Church on Saturday, Dec. 28.

An afternoon ceremony in St. John's Episcopal Church on Saturday, Dec. 28, united in marriage Miss April Kay Corey, daughter of Mr. and Mrs. Kenneth Corey, of 46735 W. Ann Arbor Rd., and Paul T. Dobbs of Royal Oak.

Given in marriage by her father, the bride wore a street length gown of white brocade, fashioned with a scooped neckline and long sleeves which came to point on her wrist. A rose of matching material accented the waistline at the back. A crown of pearls and rhinestones secured in place her shoulder length veil. She carried a bouquet of white carnations, stephanotis and variegated holly.

Attending as matron of honor was Mrs. Frank Tesar, of Kalamazoo, who wore a street length frock of deep green velvet and carried a bouquet of red carnations and variegated holly.

Jesse Cundiff, of Detroit, served the bridegroom as best man and Robert Maurice, of Southfield, and Tony Raisigel, of Detroit, seated the guests.

The reception was held in the church parish hall following the ceremony for approximately 100 guests.

The couple will make their home in Detroit, where the new Mrs. Dobbs is a senior at Wayne State University. Mr. Dobbs is a graduate of Albion College and has done post graduate work at Michigan State University.

A. G. Taylors Wed 50 Years

A Plymouth couple will celebrate their fiftieth wedding anniversary January 26. Mr. and Mrs. A. G. Taylor were married in Essex, Canada in 1914. They moved to Plymouth in 1929, and they live at 356 Ann St. now.

Mr. Taylor owned a jewelry store on S. Main, but the building has since been torn down and replaced by Fisher's Shoe Store. Mrs. Taylor retired about a year ago from Ford Motor Co. in Ypsilanti.

Time past and time present, both, may pain us, but time improved is eloquent in God's praise. —Mary Baker Eddy

Erland Bridges Mark 50 Years

A Plymouth couple will celebrate their fiftieth wedding anniversary with an Open House at the V.F.W., Sunday, Jan. 26 from 2 until 6 p.m.

Mr. and Mrs. Erland Bridges, 845 Hartsough, were married Jan. 28, 1914, in Detroit. They moved to Plymouth in 1920; Bridge was employed by the Wayne County Road Commission until his retirement in 1960.

Mrs. Bridge is a member of the local Navy Mother's Club.

The Bridges are members of the First Methodist Church, Garden City.

Mr. and Mrs. Bridge have five children: Mrs. Earl C. Foster, Jr., 47680 W. Ann Arbor Tr.; Mrs. B. B. Finley, 41171 Micol Dr.; Mrs. Alvin Collins, 546 Roe St.; Doris Kottke, of Lake Orion; and Earl, of Garden City. The couple also has 12 grandchildren and 11 great-grandchildren.

Dist. 1 Garden Clubs Will Meet Thurs., Jan. 30

District I of the Federated Garden Clubs of Michigan will hold their mid-year meeting on Thursday, Jan. 30, at the Women's City Club, it was announced by the Director, Mrs. Keith B. Willoughby of Farmington.

The morning session is scheduled for 9:30 a.m. with seven state chairmen presenting the program, "Pillars for Program Planning," and the Charles W. Warren Co. showing slides of the recent Flower Show and Table Setting Exhibition at their store.

After luncheon, Mrs. John W. Knight, Jr., of Cuyahoga Falls, Ohio, well-known throughout the Middle East as a lecturer and writer in flower arranging, will give a creative demonstration, "New Dimension in Design," showing the a b s t r a c t influence in flower arranging. Reservations for the day may be made to Mrs. Oris OptHolt, Farmington.

Both sessions of this meeting will provide many delightful, exciting and adaptable ideas for programming monthly meetings for garden clubs.

Selling 100 License Tabs Per Day Here

Nearly 100 license plate tabs are being sold daily at the Plymouth Branch of the Secretary of State's office, about the same as in past years, according to Mrs. Doris Root, office manager.

She said the deadline for getting new license plate tabs for 1964 is Feb. 29; and the local office branch located at 187 W. Liberty St. will be open until 9 p.m. that evening.

Mrs. Root warned, however, that as the deadline approaches people will be standing in lines and the office will be selling 1200 tabs or more each day.

New license plates are issued once every three years and dated tabs are issued in the other years. New license plates will be issued in 1965.

If license plates are bent or rusted, Mrs. Root said, the Secretary of State's office will replace them for \$1.00 if the old plates are brought to the office.

The Secretary of State's office is open Monday through Friday from 9 a.m. until 5 p.m., and Saturdays from 9 a.m. until noon.

Linda Staton, Don Roberts Repeat Vows

In a candlelight ceremony in the Redford Presbyterian Church on Dec. 21, Linda Staton, daughter of Mr. and Mrs. Clarence B. Staton, of Amherst Ct., became the bride of Don E. Roberts, son of Mr. and Mrs. Earl Roberts, of Chubb Rd.

Given in marriage by her father, the bride wore a floor length gown of Alencon lace. Her portrait neckline was trimmed with sequins and pearls. A crown of seed pearls secured in place her fingertip illusion veil. She carried a bouquet of white roses.

Suzanne Miller, of Plymouth, attended the bride as maid of honor and Sue Hayskar, of Plymouth, Kay Robertts, of Salem, sister of the bridegroom, and Edith Chapel, of Detroit, were bridesmaids.

They wore turquoise peau de soie gowns with matching crowns and carried white muflis with attached corsage bouquets.

Bill Schutler, of Detroit, cousin of the bridegroom, served as best man and Don Staton, of New Haven, and Lynn R. Staton, of Detroit, brothers of the bride, and Henry Dolan, of Northville, were ushers.

A reception was held in the Fellowship Hall following the ceremony.

For her daughter's wedding, Mrs. Staton chose a taupe brown brocade frock and Mrs. Roberts chose a pink lame dress.

The couple are making their home in Northville.

Hustling Cagers Edge Belleville 58-57

Patience and hard work paid off for the Rocks Varsity Cagers against Belleville last week as they squeaked out a 58-57 victory.

Plymouth rallied from behind several times during the ball game to get into a slim lead only to see it vanish against a hot shooting Belleville five.

It appeared the Rocks were on their way to another loss when the first period ended with Belleville leading 17-11.

The hard work mentioned earlier came into play at this point and the Rocks whittled away at Belleville's lead until at the end of the half Plymouth was leading by a very slim one point edge.

Belleville fought back to take away the lead and it looked as though Plymouth was running out of gas when the third quarter ended with the Rocks trailing 49-44.

Plymouth's defense led by Gary Grady, who grabbed 4 important rebounds in the last period, held Belleville to only 8 points in the last 8 minutes of play. Meanwhile the Rocks dumped in 14 to end up on top 58-57.

Coach Charlie Ketterer saw his squad tie the game up with about 3 minutes left in the fourth quarter and had them go into a ball control type offense which forced Belleville to come out after the ball.

The strategy worked and Grady was fouled giving him a free throw. He dropped in the shot and was given a bonus free throw which he almost made to put the Rocks ahead 57-55.

Belleville came back and tried to tie it up but missed, giving Plymouth control again. The Rocks continued to stall, hoping to hang on to their slim lead. Dick Egloff was then fouled as Belleville was becoming desperate. He added a point giving the Cagers a 3 point edge.

With only seconds remaining Belleville had the ball but couldn't score. With one second left time was called and both coaches mapped out their plans.

Belleville had the ball under

the basket and set up an out of bounds pattern in hopes of being fouled while shooting. Ketterer was taking no chances and had his boys stand with their hands behind their backs as Belleville dumped in the last two points of the game, still ending up one point shy of Plymouth's 58 points.

Grady was high for the Rocks with 13 points, followed by Doug Sutherland with 12, and Cal Luibrand with 10.

Plymouth's win coupled with Bentley's and Redford Union's losses left the Rocks in a three way tie for second. Trenton and Allen Park are tied for first with identical 3-1 records. Belleville is last with 0-4 record.

This Friday night the Rocks will try to take advantage of the fact that 6'7" center Bill Bolin is lost to Bentley because of a broken foot.

The game will be played at Bentley and even with the Bulldog's loss it should turn out to be a well-fought battle.

only one second remaining and Belleville has the ball under their own basket. Ketterer elected to give Belleville two points and preserve Plymouth's win, 58-57.

Hawks - V.F.W. Hockey Victors

The Plymouth Blackhawks defeated Dearborn Heights 10-1, Monday, January 13 to retain their first place position in the Garden City Juvenile League.

Skip Otwell led Plymouth by scoring 3 goals. Terry Cosgrove and Clark Raven each contributed 2 goals to help out the Hawk's cause along with Don Gavigan, Dale Tonkovich and Jim McKinnies who each scored one.

Dave Troutman and Dennis Tonkovich split the goalie duties.

The V.F.W. Pee Wee team won two games last week as they downed Russ' Boys and Wayne.

Dave Palmer was the big gun in the first win as he scored three goals. Bill Hudson and Pat Herter each scored a goal to back Palmer.

In the second game goalie Chuck Wibby was the star as he scored a shutout against Wayne. Pat Cosgrove scored 2 goals and Chuck Prochazka, Gary Herter and Mike O'Brien finished out the scoring with one goal apiece.

Coach Charlie Ketterer saw his squad tie the game up with about 3 minutes left in the fourth quarter and had them go into a ball control type offense which forced Belleville to come out after the ball.

The strategy worked and Grady was fouled giving him a free throw. He dropped in the shot and was given a bonus free throw which he almost made to put the Rocks ahead 57-55.

Belleville came back and tried to tie it up but missed, giving Plymouth control again. The Rocks continued to stall, hoping to hang on to their slim lead. Dick Egloff was then fouled as Belleville was becoming desperate. He added a point giving the Cagers a 3 point edge.

With only seconds remaining Belleville had the ball but couldn't score. With one second left time was called and both coaches mapped out their plans.

Belleville had the ball under

COACH CHARLIE KETTERER is giving some very important instructions to his varsity cagers during last Friday's game with Belleville. At this point the Rocks lead by three points with only one second remaining and Belleville has the ball under their own basket. Ketterer elected to give Belleville two points and preserve Plymouth's win, 58-57.

Junior High Swim Team Wins 45-34

The Junior High swimming team, coached by Jim Stevens, had their first meet of the season last Wednesday and started off on the right foot by beating Belleville 45-34.

The meet was close all the way and after Plymouth lost the 100 yard medley by disqualification it was up to the 100 yard freestyle relay team to preserve the victory for the Junior High team.

Bruce Gould, Jim Bachelder, Tim Robinson and Brian Smith came through by defeating their opponents by 5 seconds.

Other winners for Plymouth were Tom Bowman in the 50 yard butterfly, John Norman in the 100 yard freestyle, and Tom Bowman again in the 100 yard individual medley.

This Wednesday the squad, composed of 7, 8, and 9 graders, will meet Thurston at 4:30 in the High School pool.

ROYAL MIDGETS LOSE

The Plymouth Royal midget hockey team lost a heart breaker to Garden City 3-0 in a game played last Wednesday night at Garden City. Coach Al Kolak said the Royals both outskated and outshot Garden City 30-19 but were turned back every time by the efforts of the Garden City goalie, Lee Brenaman, new at goalie for the Royals, played a terrific game, according to the coach.

This is woman's hour, in all the good tendencies, charities, and reforms of today.

Tankers Drop Belleville For Sixth Straight Win

The Plymouth Swimmers had an easy time at Belleville as they swamped their host 77-20.

Coach John McFall didn't expect much competition against Belleville and was not surprised by the overwhelming score.

Plymouth was in control from the first race on and were never seriously threatened.

Co-captain Jim Beglinger had a good night as he smashed two of the Belleville pool records. The first was set in the 200 yard free style with a time of 1:59.4. John Breed placed second, behind Beglinger.

The second record was set later in the meet in the 400 yard free style. The Rock co-captain swam the 16 laps in 4:25.9 seconds.

This victory kept Plymouth in first place in the league as they have won all six of their meets.

This Thursday evening the

swimmers will meet Bentley here, with the intentions of continuing on as league leaders.

The results of the Belleville meet were as follows:

200 yard medley relay - Olson, Eder, Malbecof, Drennen; 1:55.5.

200 yard free style - Beglinger; 1:59.4. Breed.

50 yard free style - Berry; 24.0.

200 yard individual medley - Collins; 2:30. Bowman (third).

Diving - Quinn, Herter. 100 yard butterfly - Malbecof; 1:03.3. Wernette. 100 yard free style - Blunk; 55.8. Knapp. 100 yard back stroke - Olson; 1:03.8.

400 yard free style - Beglinger; 4:25.9. Decker. 200 yard free style relay - Burke, Blunk, Norman, Berry; 1:35.8. 100 yard breast stroke - Norman; 1:15.5.

CHEVY II by Chevrolet

You don't need a big car to get big performance. Not any more. You'll quickly see why when you check the '64 Chevy II. There are two new higher performance optional-at-extra-cost engines for you to pick from. One is Chevrolet's strapping 195-hp Turbo-Fire V8. The other is a new chrome-trimmed 155-hp Turbo-Thrift Six.

If you've got a mountain to climb or a truck to pass, these are the engines that can leave either one safely behind you. In fact, this new Chevy II packs a wallop everywhere but in your wallet.

New brakes match this power, too. Bigger, to dissipate heat faster. Self-adjusting, to save you money. Other easy-care features include Delcotron generator and a fully aluminum muffler.

Chevy II is smartly styled outside, comfortable inside. There are a lot of models to choose from. A lot of extra-cost accessories to customize it just about any way you'd like. And a whole lot of fun to look forward to. At a very low cost. Test drive Chevy II at your Chevrolet dealer's soon. You'll like it!

ALL AMERICAN swimmer Dick Gretzinger of Plymouth sits with his three teammates after they set an MSU record of 3:14.4 in the 400-yard freestyle relay last year. Above are, left to right, Spartan swimming coach Charles MacCaffree, J. Mattson, Gretzinger, W. Wood and M. Wood. Gretzinger is the only one of the quartet remaining on the MSU team. The others, all seniors, have graduated.

Plymouthite Dick Gretzinger Named All-American Collegiate Swimmer

THIS ALL-AMERICAN collegiate swimming team certificate was awarded to Plymouthite Richard Gretzinger and three of his teammates at Michigan State University in East Lansing. Gretzinger won another certificate for his performance in the 400-yard individual medley.

Junior Rock Swimmers Set Up Big Tidal Wave

Sunk isn't the word for what the JayVee swimmers did to Livonia - Franklin last Wednesday. Plymouth breezed to the 81-23 victory by capturing every first place and with some very good times posted. Besides winning all the first places the Junior Rocks took 6 of the 8 available second spots which boils down to the fact that only three Franklin swimmers crossed the finish line ahead of a Plymouth swimmer. Bob Shirey, Bob Wolfram, Gary Bohl, Tom Bordine, Pat Brady and Dave Cook all were singled out by coach Tom Workman as having turned in good times. The meet results were as follows: 200 yd. medley relay - John Skinner, Jim Eder, Tim Wernette, Bordine; 2:08.6. 200 yd. freestyle - Chuck Olson; 2:20. Gary Bohl, 50 yd., freestyle-Russ Crosby; 26.4. Dave Cook, 200 yd. individual medley - Mike Bentley; 2:52.8. Diving - Cook; Dick Lorenz, 100 yd. butterfly-Wernette; 1:07.7. Wolfram (third), 100 yd. freestyle - Olson; 1:01.2. Crosby, 100 yd. back stroke - Shirey; 1:15.9. Skinner, 400 yd. free style - Bohl; 5:27.6. Bentley (third), 100 yd. breast stroke - Eder; 1:21.8. John Bates, 200 yd. free style relay - Lorenz, Shirey, Wolfram, Bordine; 1:57.2.

Frosh Drop Game 33-28

The Plymouth Freshmen basketball team traveled to Northville last Friday afternoon to try and avenge their defeat from the previous meeting. Northville had other ideas and downed the Frosh 33-28. It was the Mustangs seventh win of the season against only one defeat. Plymouth had only played three games compared with seven for Northville and the extra experience made the difference. Although the freshmen stayed close throughout the game, they were never able to gain the lead. Ron Lowe led Plymouth scorers with 11 points. Next week the ninth graders will play host to Belleville at Junior High - East.

Held Monday Night Badminton Class

All interested adults are urged to attend badminton classes which are held every Monday evening from 7:30-10:00 at Junior High - East. The weekly sessions provide instruction and an opportunity to compete against other persons in the class. Jim Stevens, who directs and instructs the class, stated that the program would run for 14 weeks for a 5 dollar fee including instruction. You may sign up for the class at the recreation office in the High School or at your first meeting.

A Michigan State University junior from Plymouth is expected to continue to make his mark in the collegiate swimming world after a year that saw him win two All-American certificates and nail down a tie for the 19th position in world standings in the 200 meter individual medley. Richard E. (Dick) Gretzinger, 20, son of Mr. and Mrs. James A. Gretzinger of 390 Adams St., has been termed "probably MSU's top all-around performer" by the Michigan State News, the university's student newspaper.

"He's capable of good showings in the 100, 200, 500 and butterfly events," a News swimming story said. NOBODY IN Plymouth should be surprised at Gretzinger's college performance. During his time at PHS, he won four letters in swimming, two in golf and was awarded the athletic key of the year when he graduated in 1961.

One of five All-Americans on the PHS team that year, Gretzinger helped to lead the Rocks to the 1961 state swimming championship.

He was awarded college All-American certificates last year for his showing in the 400 individual medley and the 400 yd. freestyle relay. Lansing's daily newspaper, The State Journal, referred to Gretzinger recently as "State's ace utility man, a versatile swimmer who can be used in almost any spot."

DURING THE past year, Gretzinger earned mention in "Swimming World" magazine's listing of the top 25 best United States 1963 long course swimmers and the top 20 world best times.

In U.S. competition, he was named 11th in the 200 meter butterfly with a time of 2:18.6; 13th in the 400 meter individual medley with 5:11.5; 18th in the 200 meter individual medley with 2:24.5 and 14th in the 800 meter relay as the Spartan swam the course in 8:50.6.

Gretzinger got his world mark by swimming the 200 meter individual medley in 2:24.5 at Philadelphia last July. In August, his mark was tied by another swimmer at Oak Park.

Gretzinger and his teammates set both the IM Pool Record and the MSU record for the 400 yard freestyle relay last year with a time of 3:14.4.

His parents told a Mail reporter Sunday that their son was reluctant to talk about his achievements. They did confide one of his ambitions, however. He'd like to swim for the U.S. Olympic team.

Gretzinger is majoring in physical education at MSU.

JayVee's Tromp Belleville 77-47

The JayVee squad had an easy time Friday night as they disposed of Belleville with no trouble. Belleville started out with a pressing zone defense which in the past few games has been giving Plymouth teams a rough time. It didn't seem to bother them Friday as John Hannula broke up the game with driving layups down the middle and fine passing to his forwards who were free most of the time under the basket. Coach Dick Bearup didn't waste much time substituting as he started sending in the second and third teams as early as the second quarter. He didn't have much to worry about because the Junior Rocks had built up a 20 point cushion. The subs continued piling up the points and when the

third period ended Plymouth led 65-36. Bearup then emptied the bench sending in a total of 20 players throughout the contest. The Junior Rocks scored well from the floor as they hit on 50% of their shots. Their free shooting average

Blackhawks Win One, Lose One

The Plymouth Blackhawks senior hockey team won one and lost one in competition during the past week, taking a Thursday game from Jackson and dropping a Sunday contest to Ypsilanti.

In the Thursday game, the Hawks won 7-1 on goals by Dennis Hanks, Leo Wendt, Richard Sharland and Roy Stewart. Wendt, Sharland and

also ended up around the 50% mark which points out how deadly they were shooting. Hannula piled up 23 points to lead both teams in scoring and he probably set up half the other scores with his unassisted passing. Jim Bruff and Jill Way both scored 8 with Chuck Masten right behind with 7.

Stewart each scored twice. Sunday, the Ypsilanti team downed the Hawks 5-3. The three goals were scored by Dennis Hanks and Al Kolak. Kolak scored two, with assists from Hanks and Fisher. Hanks scored the other goal with an assist from Kolak.

Both games were played in the evening at Garden City.

This week the JayVees will tangle with an unusually tough Bentley squad.

Cloverdale and Auto-Crat Winners In Rec. League

Cloverdale downed a rejuvenated JayCee team last Wednesday evening by a score of 44-37. Cloverdale had built up an early lead and the JayCees kept closing the gap in the last half of play, but were unable to overtake the winners. Ken Knipschild and Tony Monte were high with 18 and 14 points for Cloverdale while Dan Evans and Jim Nyer led the losers with 10 and 7 points.

The second game between Sharrard - Jarvis and Auto-Crat Mfg. ended with a 54-21 win for Auto-Crat.

Sharrard - Jarvis were never able to show any of-

ensive punch and Auto-Crat just continued a steady scoring pace to emerge as the victors. Dave Racer was high man for Auto-Crat with 17 points followed by Dan Stremick with 10.

Tom Workman was again scoring leader for the losers as he dumped in 6 points with John Howe close behind scoring 5.

A SALUTE TO PLYMOUTH'S DYNAMIC JUNIOR CHAMBER OF COMMERCE (THE "JAYCEES")

Dedicated to civic betterment and youth, the Plymouth Jaycees for many years have bolstered our community through an ever-increasing program of activities and events.

Current Jaycee projects include: Driving Safety, Police Protection, Town Hall Meetings, Teenage Rodeo, Junior Golf, Junior Tennis, Junior Hockey, Summer Dances, Retail Business Survey, Wayne County Training School Christmas Theater Party, the Fall Festival and Christmas Parade. The increasingly successful July Fourth activities and the landmark Plymouth Community Welcome Signs.

Simultaneously, the Jaycees provide an important outlet for young men (under the age of 35) to participate in, and lend their talents to, their community's needs in a highly productive manner. It is as much through the Jaycees, from its beginning in room 32 of the Hotel Mayflower, as any service club or fraternal organization that Plymouth gained the vital and intelligent leadership to carry it steadily forward and to enable it to grow and prosper.

Plymouth salutes its Jaycees.

For the benefit of the many people who didn't call to find out where my column was last week I'll just tell them the same thing we told those who called . . . our good friend Charley Westover bedded us down with our fifth straight virus attack in twice as many weeks.

When those efficient surgeons over at the University Hospital told me early in the winter that my resistance might be at a low ebb as the result of surgery and cobalt treatments they certainly knew what they were talking about because there hasn't been a "bug" of any kind that has passed through Plymouth that I've missed . . . and I can say this honestly, too, because I haven't been outside of Plymouth for many a moon.

In the midst of my continuing discomfort Uncle Sam made his alarming report regarding the effects of cigarette smoking and its very possible connection to cancer . . . all kinds of cancer that is, too.

I haven't stopped smoking and don't intend to because there isn't much more damage that this particular weed can do to me. But, there is a point here which is well worth mentioning. In my own case, my family witnessed the kind of suffering one goes through with this sort of affliction. They watched me battle for several weeks the recovery from serious surgery, where I had a fifty-fifty chance of living or dying, yet knowing cigarettes might have been a contributory factor to my ailment I haven't noticed any of them curtailing their normal tobacco consumption.

This isn't true only in their case. There are many others who witnessed closely my battle during the last two years and at this writing they too are seemingly unaffected by the warning of the Public Health Service.

I don't know just what it will take to alert people to their responsibility in this regard. Certainly not legislation because the Prohibition Act proved people will procure those things they have a desire for even though it was commonly known that much of the bootleg liquor on the market in those days could cause blindness and in many cases even death. In spite of this there was no dearth of any of the many alcoholic beverages and no reduction in consumption. Legislation and restriction in the case of cigarettes would probably bring about the same results.

It seems to me that about the only way to bring about any effective control of such a situation is to place the responsibility directly in the hands of the parents. Education on the home level at an early age could be the most effective. Perhaps schools and Churches could help but it will take the untiring efforts of the mothers and fathers of this country if any successful control can become a reality.

Judd Arnett in his column titled, "If I Were In Charge," appearing in last week's Free Press noted that if he were running the government, any non-smoking athlete, or sports announcer, who pretended to be smoking for the benefit of a television commercial, would be given a month's special duty in the operating room of a hospital where cancer patients are being treated.

This isn't a bad idea and perhaps more exposure of the public to some of the ordeals these patients suffer in the treatments might do more to frighten people away from possible contributory things such as smoking.

Perhaps I can best wind this up by quoting from a conversation I had with Doctor Westover on Tuesday. I had just remarked that if I was again threatened with surgery, such as I had before, with seven days of no water or food and tubes connected to all parts of your body, I questioned if I would undergo it no matter what the consequences. "Yes you would," he said, if it could prolong your life, but I hope I never have to experience such a thing myself."

That pretty well sums it up and when you light your next cigarette or watch your youngster do the same, visualize if you will, the possible end result, which I can say, is most unpleasant whether you live or die.

Our good friend and neighbor James F. O'Neil of Livonia has announced his candidacy for the United States Senate next fall. Although Jim has never impressed me as an out and out politician I am not surprised at his political ambitions. I first became acquainted with Mr. O'Neil when he was making his unsuccessful bid for our capable Martha Griffith's Congressional seat in Washington.

Since that time I have been frequently in contact with him on other matters and found him to be one of the few dedicated citizens who is just plain interested in good, economical government. He has no particular axe to grind but is determined to place his services at the disposal of his fellowmen in the hope that he can contribute something constructive to our present mode of life.

He may be handicapped by not having all the dollars he will need for so big an undertaking as a Statewide Senate race but before the votes are counted, by his sheer determination and courage, the people of Michigan will know he wants the job, . . . and you know, he would probably make a real fine Senator, too.

REV. DAVID F. ROMBERG of St. Paul, Minnesota, will assume the pastorate, early in February, of the Lutheran Church of the Risen Christ, here. The congregation is a mission of the English District of the Lutheran Church-Missouri Synod. The District Mission Board has purchased a building site in Plymouth Township, west of the city on the corner of McClumpha and Ann Arbor Roads. The congregation will continue to worship for the present at its temporary chapel at 41233 E. Ann Arbor Trail.

Charity is indeed a noble and beautiful virtue, grateful to man and approved by God. But charity must be built on justice.

—Henry George

Starting the week of Jan. 10, the Special English class will take turns reading children's stories to the kindergarten, first and second grade classes at Bird School. The students are writing their own stories. Three students will read their stories each day.

There has been progress in the "People to People" program. Mr. Sypniewski's 7th period class recently received a letter from St. Louis stating that they were in contact with a school in France to exchange letters, pictures, etc. Everyone in Mr. Sypniewski's class will receive a mail French dictionary to be used when writing to the school in France. Miss Gibson will translate the letters from the French students. The class has saved \$27.00 toward costs involved in the "People to People" program.

All of the students here are anxiously awaiting the half days of school on Jan. 22-23. There will be no school on Friday, Jan. 24.

Two new wings recently opened at Jr. High West. C wing opened in December. The only classes in that wing at the present time is home economics and one 6th grade. D wing opened this month. The shop classes is in there.

On Friday, Jan. 17, there will be an after school party from 3-5 p.m. at Jr. High West. There is basketball and volleyball for the boys and dancing for the girls.

The Junior High swimming team will stage a meet against Belleville today. There are boys from both junior nights on the team.

stalled and the cafeteria will seat 300 students.

Mrs. Watts is encouraging all girls to join the G.A.A. It meets after school every Tuesday. Mr. Harding wishes to inform the boys of the after-school hardball program starting in the early part of spring. The Girls Glee Club is also looking for new members.

Several general music students will start a beginning band class next semester. They recently took adaptability tests.

The Jr. High Swim Team won their first swimming meet last week by a score of 45-34.

WIDE ACCEPTANCE

Virtual nation-wide building code approval has been received for Allied Chemical's Barrett Division's non-combustible rigid vinyl building panels. About 130 key cities across the country approved the panels which have an Underwriters' Laboratories flame spread rating of 25, which is generally interpreted as non-combustible.

Too much cannot be done towards guarding and guiding well the germinating and inclining thought of childhood.

Local Democrats To Discuss Test Ban Treaty

Plymouth and Northville Democratic clubs will discuss the nuclear test ban treaty at a joint meeting to be held at the Plymouth Community Credit Union on Friday, Jan. 24 at 8 p.m.

One of a series of meetings set up by the program committee of the 17th district Democratic organization, the program was postponed from Nov. 22 because of the assassination of President John F. Kennedy.

Taking the form of a panel discussion, the program's topic is the "Nuclear Test Ban Treaty: Its Scientific Background and Current Progress."

MODERATOR will be Joseph Crafton, 17th district program chairman and lecturer on business and government at the Dearborn Branch of the University of Michigan. Other panelists will be:

Professor John M. Denoyer, research geophysicist at the U of M's Institute of Science

and Technology; Harold Hart-Club. A social hour will follow the meeting. The public is invited to attend.
