

SPRING WAS DEFINITELY in the air last Thursday evening when more than 200 women attended Le Salon a' la Mode style show, at Junior High East. The show, sponsored by the Lake Pointe Village Branch of the Women's National Farm & Garden Assn., featured spring fashions from Grahm's and hair styles from the

House of Glamour. Here, Ralph Rostow, owner of Grahm's, is shown with five of the store's professional models who were about to show some of the new spring casual fashions. Co-chairmen of the event were Mrs. Helen McCuaig and Mrs. Alva Holk. Additional photos appear on the Woman's Page.

School Board Reaffirms Faith In Pay-As-You-Go Financing

In apparent reaction to a story carried in last week's Plymouth Mail, Plymouth school board members contended that they would have more than enough space for incoming students when school opens next fall and reaffirmed their faith in the building and site sinking, or pay-as you go, method of financing.

At a special meeting held Monday evening in the offices of the Plymouth Community School district, school board president Gerald Fischer said proposed building additions would provide room for 1,130 additional pupils.

Fischer said some of the additional space would be available in September, some in February and the remainder in September of 1965.

"We are not yet at the point where the present program is still not the best program for the district," Fischer commented.

"WE ARE not at the point where expansion is greater than our ability to build," Fischer said the board stood ready to consider a change in financing method, if and when the time comes.

"When the district grows to the size where we need another high school, the size of the project will be almost certain to involve bonding," he noted that the current program will be adequate until 1969-70 when the need for a new high school will probably be felt.

Presently, the board is

considering architects for a proposed four-room addition at Allen School, a six or seven room expansion at Farrand School and an addition to Plymouth High School.

Fischer claimed that the transfer of sixth grade students to Junior High West had been a part of the school board's plan from the beginning. Agreeing with Fischer, Superintendent of Schools Russell Isbister said:

"Originally we said we were going to use junior high schools for sixth graders. We are now going to use only one, Junior High West."

ISBISTER said plans call for sixth and seventh graders in one school and eighth and ninth graders in the other.

Both Isbister and Fischer said the public had been told of the plan when it was originally proposed.

The board emphasized that the building and site sinking method was designed to meet gradual, basic growth and is not necessarily suited to cover all contingencies of major expansion.

However, contentions that fast growth has caught the board unprepared and not in a position to meet it are untrue, Fischer said.

With an approximate capacity of 5,900 students, the school system has a present population of 5,700. The board did indicate, a shortage of about 15 elementary rooms, but said available junior high space can be effectively utilized to accommodate the students.

"WE INDICATED, as part of the pay-as-you-go program, there might be temporary inconvenience," Fischer explained.

"We are not sacrificing our program, except that children might be going a mile and a half to school instead of two blocks."

Overwhelming public support has been given the pay-as-you-go program, Fischer said.

He noted that the building and site sinking fund plan was proposed following a major bond issue defeat in 1959.

In July, 1960, a five-year, five-mill program to finance needed facilities on a pay-as-you-go basis was adopted. It included two and a half million dollars worth of construction on a step by step basis, feasible only if a stable rate of growth is maintained.

The program would not be feasible in the face of "sudden, explosive growth," Fischer said. He claimed the program seemed ideally suited in terms of maximum benefits.

A SAVINGS of an estimated \$550,000 in interest costs has been realized through the pay-as-you-go plan, he pointed out.

Board members pointed to the flexibility of building and site sinking financing. Under bonding, they said, a definite program must be established and adhered to.

As evidence of flexibility, board members indicated Farrand School, not included in the original plan, but possible through savings made over the years.

When the four and a half

mill site sinking program was proposed last October, board members said, it was again made clear that the plan was designed to meet gradual, basic growth.

The reduction from five mills to four and a half was brought about by a larger tax base and the transfer of a half mill to the operating fund.

Fischer asked the status of the program today and answered his own question by pointing out that both programs were approved by an "overwhelming majority."

HE SAID the reason for the popularity was because of its economy and the fact that the district had not spent one dollar out of five for interest charges.

Completion of the second phase of construction at Junior High West will provide 450 additional spaces for sixth graders in the school system, Fischer said.

Building additions at Allen and Farrand schools and at the high school will make space for 300 additional elementary students and 180 high schoolers.

Isbister said a re-examination of the elementary situation indicates that the Gallimore addition can be postponed. Overflow from Gallimore, he said, can be absorbed at existing elementary schools, though he declined to indicate which ones.

The delay at Gallimore will permit the school district to go ahead with the proposed addition at Plymouth High School, Isbister said. He said

Dunlap Resigns to Head Schoolcraft Music Department

The appointment of two Plymouth educators, including well-known Plymouth Community Schools director of music Wayne Dunlap, to the faculty of Schoolcraft College was announced this week by college officials.

Dunlap and Gerald D. Welch, English and American History instructor at Plymouth High School, will join the community college when it opens in August of this year.

Dunlap emphasized that his position at Schoolcraft will in no way affect his status as director of the Plymouth Symphony Orchestra. He has been orchestra director since 1951.

Director of Music at Plymouth Schools since 1961, Dunlap will head up and develop the music program at Schoolcraft College.

A graduate of Texas Christian University and holder of a master of music degree from the Eastman School of Music, he served on the faculty of American Army University Centers in England and France in 1945 and 1946.

PAST president of the Michigan Civic Orchestra Association, Dunlap was the recipient of the Fulbright Award for study in Vienna, Austria in 1954 and 1955. In addition to being conductor of the Plymouth Symphony, Dunlap has served as conductor of the Grosse Pointe Symphony, the West Shore Symphony, the Saginaw Symphony and the South Oakland Symphony.

Other conducting activities for Dunlap include the Severo Ballet, Detroit; conductor of the German-American Cultural Society, Detroit; Conductor of the Detroit Women's Symphony, 1957; guest conductor

Wayne Dunlap

tor of the Grand Rapids Symphony on several occasions; conductor of the Musikalische Jugend Symphony Orchestra, Vienna, Austria; and conductor for "Once," an organization giving a yearly festival of contemporary music in Ann Arbor.

He is a former student of Pierre Monteux, Niccolai Maiko and George Szell.

Cloverdale Remodels, Expands

Work continued last week on an extensive building and remodeling program that will add 1840 square feet to Plymouth's Cloverdale Farms Dairy, 447 Forest, and nearly triple its ice cream storage capacity.

The program will see the relocation of Bluford Jewellers into two store fronts facing on Forest, according to H. O. Backhaus, Cloverdale owner.

Backhaus said the addition will up Cloverdale's storage capacity to more than 20,000 gallons of ice cream.

THE NEW area will be used for ice cream manufacturing, storage and hardening. The present Cloverdale plant facilities, used now for both ice cream and milk production, will be used solely for milk.

Construction on the project began Feb. 17 and is expected to be complete by May 1, Backhaus said. It will be followed by renovation and remodeling of the Cloverdale Dairy Store at the site.

Cloverdale Farms Dairy produced an average of 700 gallons of ice cream per day during 1963.

Housing Group To File for Federal Funds

Steps are now underway by the Plymouth Housing Commission which will lead to the filing of an application for Federal funds within the next 30 days for the construction of public housing for senior citizens in this area.

The program began moving after the city commission

Caplin is New Head Of Rotary

Clothier Carl Caplin was elected president of the Plymouth Rotary Club by the board of directors at their regular meeting last Friday.

Four new members were elected to the board by the

incoming industry, Latture said, is faced with a re-zoning battle before location in either of the townships.

"I FEEL that the boards should make available more numerous and more adequate industrial sites," he said, "or homeowners will find their taxes going out of sight."

Newly elected club officers, who will be installed next July, are president, Caplin, vice-president Arnold Johnson, secretary Frank Allison and treasurer Clifford Tait.

Former Teacher Voices Concern

Great concern with the future of the tax base in this area was expressed last week by Plymouth real estate broker and veteran of 25 years in education James Latture.

Latture voiced his concern following last week's story in The Plymouth Mail quoting persons who felt that the pay-as-you-go method of financing school building was on its way out.

He said he felt the township boards of both Plymouth and Canton Townships should re-evaluate their zoning, pointing out that less than five per cent of that portion of Canton which lies in the school district is zoned for industrial purposes.

Incoming industry, Latture said, is faced with a re-zoning battle before location in either of the townships.

"I FEEL that the boards should make available more numerous and more adequate industrial sites," he said, "or homeowners will find their taxes going out of sight."

Prepare for April Opening Of New Plant

Although production won't start until the month of April, men are hard at work preparing the former Worden Specialties plant at 15169 Northville Road for a unique industry, the first of its kind in the United States.

At that time, Specialty Coatings, Inc. will take over the facilities and launch production of a duplicating material to be used in military, aero-space projects.

Initially, the new firm's staff will number about 10, according to its president, Sam C. Sliifkin.

THE MAIN piece of equipment in the plant will be machine 30 to 40 feet long and 10 feet wide, used for ap-

(Continued on Page 8)

Latture said he felt it was the obligation of the governing bodies to provide for industrial zoning. Concerning school population, Latture indicated that he felt the problem is critical.

"We don't have the facilities or sites to put them on now," he said. If industry should leave the area, the situation would become chaotic. He said he felt the industrial tax base should be doubled.

"The Chamber of Commerce and the Industrial Development Corporation are doing the job that governmental units should do," Latture contended.

HE ADDED that there is no question of the obligation of the school board to participate in an area planning authority.

Latture said he had no objection to the concept of pay-as-you-go financing, but claimed that it had failed to keep pace.

For 25 years, he taught government in Plymouth schools and as a debate coach brought the state championship to Plymouth. Latture retired from teaching in 1956 to devote his time to the real estate business.

Plan Plymouth Office Building

Construction on a \$250,000 high-rise building in the Plymouth area may start later this year if preliminary plans by Charles P. Finlan, Plymouth insurance broker, according to schedule.

Last week, Finlan and Wah Yee, head of a Detroit architectural firm, were in Plymouth to consider two or three possible sites.

Finlan said he saw a definite need in downtown Plymouth for good office space. Yee's firm, Wah Yee Associates of Detroit, has designed buildings and centers throughout the middle west, ranging in cost up to \$1,000,000. Yee is architect for Plimeth Square apartments, now under construction on Sheldon Rd., near Ann Arbor Rd.

Construction on the building could start as early as this spring or summer, Finlan said.

KICKING OFF Girl Scout Cookie time last week were scouts Michelle Terry, daughter of Mr. and Mrs. Thomas Terry of 642 Forest Ave., and (right) Michelle Harrison, daughter of Mr. and Mrs. F. E. Harrison of 1115 Maple Ave. The prospective customer is Mrs. Gordon Poole of 475 Jener Pl. The cookie sale, which began Feb. 28, will continue through March 15 with delivery set for between Apr. 21 and May 2. The scouts are offering five kinds of cookies, chocolate and vanilla sandwich creams, four flavor shorties, savannahs, mints and Scot-teas. All are priced at 45 cents per box. All Girl Scouts will be in uniform and Brownies will be accompanied by adults when they ask for your order. The money from the cookie orders will be used primarily to support camping programs. Miss Terry is a member of Troop 274 and Miss Harrison belongs to Troop 411, Bird School.

In A Nutshell...

A new member was named to the Plymouth Township Civil Service Commission last Tuesday evening, Feb. 25, following the resignation of John J. Ort of 11705 Brownell.

James Garber of 42269 Hammill was appointed to the three-man commission for a two-year term by the other two members, Warren Worth, president and Gene Overholt, secretary.

Co-operative teacher preparation will come up for discussion Tuesday night at a meeting of the five school systems in the Schoolcraft College district. Plymouth Superintendent of Schools Rus-

sell Isbister and two or three board members are expected to attend the meeting in Northville.

Nearly 40 firemen from two communities participated in training activities Saturday that saw a house located at 160 W. Ann Arbor Trail burned. The house was the former Rachael Reiman property, acquired by the city in the Mill Street urban renewal project. Miss Reiman purchased a home in Garden City. Deputy fire chief Charles Groth said a crew of 18 trainees from Northville's fire department were pres-

ent and a similar number of Plymouth firefighters participated.

Four Plymouthites will spend most of their Easter vacation from the University of Michigan on tour with the Michigan band. Members of the 110 man band from Plymouth are Kay Berryman, 15153 Northville Rd., George Berryman, 15153 Northville Rd., Leroy Lane, 46501 W. Ann Arbor Tr., and Larry Livingston, 529 Jener St. All are students in the School of Music at Michigan. The band will leave Ann Arbor Wednesday, Mar. 18 by bus and return Mar. 26.

City Planners Protest Rezoning Statements

Protests were heard Monday evening from two city planning commissioners when they appeared at the city commission meeting to voice opposition to statements made two weeks ago when the governing body voted to rezone lots 271 and 272 on Plymouth Rd. from C-2, commercial business district, to PR-12, modified professional residential district.

Planning commissioner George Hudson said that he had first voted in favor of PR-2 zoning at the site because the 50-foot setback involved would present a more pleasing approach to the city.

However, he said, when the matter was returned to the planning commission, indications were that the three lots to the west of lots 271 and 272 would be put to a different use.

"There was no advantage to require a 50-foot setback on the lots in question," he said, "where there would be no setback on the lots to the west."

"It would provide a mere jog in usage and would be of no advantage to the city."

"IT WAS on that basis that I voted no," Hudson said based on what he has seen in the past, odds are better than even that the land will not be used for what is proposed. George Bauer of the plan-

ning commission protested what had been said at the commission's meeting of two weeks ago.

"I think it is poor taste to be ashamed of what is said," he commented. "I don't feel the commission should lower itself by going by other opinions given out of context."

"Sometimes," Bauer said, "we vote against other people rather than for a principle and sometimes that overshadows our judgement."

IN ANSWER to a question from commissioner Arch Valier, Bauer said he had not

Junior High West News and Notes
By Barbara Boer and Tim Robinson

Congratulations are due to Penny Wise of the 7-10's. Her art work won one of 100 ribbons in the Jr. division of Scholastic Art awards. There were 5,000 entries in the contest held at Crowley's in Detroit. Penny's painting was done in opaque water colors and it will be sent to the national contest in New York.

The new cafeteria opened last week at Jr. High West. The kitchen and band room are scheduled to open this week.

Plans are being made for the 6th grade camping program for the last week in April. Seven 6th grade groups High West received a first division rating at the District Music Festival at Willow Run. Members are J. D. Warren, piano, Barbara Boer, violin and Jim Robinson, cello.

Give Awards At Pack 781 Ceremonies

Awards were presented to Cub Scouts of Pack 781. Our Lady of Good Counsel Church, and a licensed jump master for the Parachuting Club of America spoke and showed films at the Annual Blue and Gold Banquet, held Sunday at the church.

Richard J. Goode, the speaker, is a member of All American Sport Parachuting Club of Detroit and Chuting Angels Sporting Parachuting Club and is a veteran of more than 100 sport parachuting free falls.

Becoming Boy Scouts were Gary Warner, Michael Campeau, Duane Olds and Bob Farnwald.

Michael LeFevre, Brian Murphy and Gary Boyce received their Weblo Patches the last step in Cub Scouts before becoming Boy Scouts.

Joseph Gray and Paul Collins were made Denners. Kevin Krenthelmer, Michael Sharard and Tom Penrice were made Assistant Denners. These are the only positions of responsibility in the cub pack.

Receiving Wolf badges were Robert Harris, Michael Maloney, Michael McMahon, Bruce Fogg, Steve Schlotz and Richard McKeon. Mark Urban, Kevin Krenthelmer and Donald Davies also received their Wolf badges.

John Dobeel was awarded his Bear badge. Michael LeFevre and Brian Murphy received their Lion badges.

Gold arrows, awarded to Cub Scouts fulfilling ten additional qualifications after earning their badges, were presented to Joseph Gray, Robert Harris, Michael Maloney, Bruce Fogg and Steven Schlotz. Also receiving the Gold arrow were Richard McKeon, Mark Urban, Donald Davies and Mark Dolingowski.

Receiving silver arrows, awarded upon fulfillment of 10 or more qualifications, were Stephen Klepack, Robert Harris, Bruce Fogg, Richard McKeon, Donald Davies and Mark Dolingowski.

John Alandt received his recruiter badge for bringing one boy into the pack.

Robert Harris received a one year service star. Tom Penrice and Daniel Penrice received the "Parvuli Dei" award.

Cub Master is Joseph Shannon; assistant cub masters are Cecil Sharard and Norman Kellman.

The beginning is the most important part of the work. —Plato

CHECKING over some garments in a downtown Kalamazoo department store are Richard Morrison, son of Mr. and Mrs. Kenneth Morrison of 1045 Linden Ave., and Janet Seiler of Albion. Both Morrison and Miss Seiler, students in the School of Business at Western Michigan University, received cooperative retailing scholarships worth \$250 each to cover tuition and fees. Each semester two W. M. U. students receive the scholarships which are granted on the basis of need, scholastic ability, good character, a pleasing personality and an interest in retailing as a career. Both Morrison and Miss Seiler are retailing majors. Last summer Morrison worked at a large clothing store in Jackson. During his high school days, Morrison was employed at Plymouth's Davis and Lent Men's store, where he got his basic training in retailing.

Training School Students Hear Band Concert

Students at the Wayne County Training School, located between Plymouth and Northville, were treated to a band concert Tuesday morning, Feb. 25 by the Jane Adams Junior High School Band of Royal Oak.

Band leader Patrick Pugh had members demonstrate their instruments between selections during the concert held in the school gymnasium.

Included in the program by the 125-piece band was "The Teddy Bear Picnic", which the students especially enjoyed, according to a school spokesman.

Q: I recently had a camera taken from my car and was told by my agent that my package policy did not cover the claim. I thought theft was covered under a package policy!

A: You apparently have the "standard form" policy. This excludes theft from automobiles unless the car is locked and there are visible signs of forcible entry.

Q: I am an under 25 driver and my father will not let me drive his car because I am listed only on my mother's car. Do I have to be listed on both cars in order to drive them?

A: If you are the only under 25 driver in the family then you should only be charged once under one car. You can, however, drive both cars. (Note to Dad... we trust our answer will not cause you too much grief.)

Q: When should I contact my agent?

A: Keep your agent up to date. Naturally, in the event of a claim; if you change your address; if you purchase another car; if there is a change in the status of those who drive your car; should you change the purpose of your driving—from pleasure to business or vice versa. Any one of these considerations might easily effect an adjustment in your insurance rates, but only if you notify your insurance agent. Many motorists fail to do so and as a result lose refunds they are entitled to.

Girl Scouts To Celebrate Scout Week

A tea, several potluck dinners and an inter-troop get-together have been planned by Plymouth Girl Scout and Brownie troops to celebrate Girl Scout Week, Mar. 8-14.

The theme of the 52nd birthday celebration is "Girl Scouting—A Promise in Action."

Seven Junior Troops, 231, 268, 298, 346, 367, 626 and 411, and the Senior troop, 274 will have an inter-troop get-together Mar. 9 at 3:30 p.m. at Bird School.

Each troop will contribute to the program of games, songs and ceremonies honoring the founder of Girl Scouts, Juliet Low. The girls will contribute pennies to the World Friendship Fund.

ON MAR. 10, from 3:30 p.m. until 5 p.m., at Junior High School East, 11 Brownie Troops, numbering 250 girls, will celebrate Girl Scout week with a tea. The troops will donate colorful window decorations, candy, Easter egg dyes and hard-boiled eggs for their Easter service project at Plymouth State Home and Training School.

Mayor Richard Wernette has proclaimed Mar. 8-14 as Girl Scout Week and asks Plymouthites to give their continued interest, co-operation and support to Girl Scouting.

Junior Troop 269 are planning a family potluck supper at Gallimore School, Mar. 10, at 5:30 p.m. The girls will present a program following dinner.

On Mar. 12 at Junior High School East the six Cadet troops and the Senior troop will hold a potluck supper. The girls will present a program on international scouting.

BROWNIE scouts are girls in second and third grades; Junior Scouts are in fourth through six grades, and Cadet Scouts are in seventh through ninth grades. Senior Scouts are high school students.

This year there are nearly 700 girls in Girl Scouts in Plymouth, an increase of approximately 1/2 over last year, according to Mrs. Wayne Rubey, Plymouth neighborhood chairman for the Huron Valley Girl Scout Council.

Mayor Richard Wernette has proclaimed Mar. 8-14 as Girl Scout Week and asks Plymouthites to give their continued interest, co-operation and support to Girl Scouting.

Set Training Programs for Den Mothers

Training programs for Cub Scout Den Mothers, a Den chief's conference and Webelos Den leader training sessions have been planned for March.

Special training for fulfilling the responsibilities of Den Mothers in Cub Scouting will begin Wednesday, March 4 and meet every Wednesday through March 25, from 7:30 until 9:30 p.m. at Wilson Elementary School, 1225 S. Wildwood, Wayne.

The course is open to any untrained Den Mother and registration fee, to be paid at the first meeting, is \$1.50. Women attending should bring scissors, pencil and two tuna fish cans.

A Den chief's conference and Webelos Den leader training will be held Saturday, March 7 from 9 a.m. until 4 p.m. at Cherry Hill Junior-Senior High School, 128500 Avondale, Inkster. Present and prospective chiefs and their cub masters are invited to participate; registration fee is 75 cents. Persons attending should bring a pocket knife, pencil and box lunch; beverages will be provided.

Crowd Attends Awards Dinner, Derby Races

A crowd, estimated at 250, attended Cub Scout Pack 1533's Blue and Gold dinner, awards and derby races, on Feb. 22.

Winners of the annual derbies were Bradley Coker, for the eight year olds, Allen Carpenter, for the nine year olds, and Curtis Powell, for the 10 year olds.

Awards were also presented to the Cubs during the meeting. The Silver Arrow was awarded to Curtis Powell, and Gold Arrows and Bear badges were given to John Wheeler and Gary Blasingame.

Also receiving Bear badges were Keith McArthur and David White. The Lion badge was awarded to Edward Landau.

Arthur Gardell received a Recruiter badge.

Victor Wheeler, in addition to receiving the Webelos award as a Cub Scout, was awarded his Boy Scout Tenderfoot badge. His Cub Scout neckerchief was exchanged for a Boy Scout one.

Randy Meek was inducted into the troop and a ladies Cub Scout lapel pin was given to Miss Mildred Fields, principal of Starkweather School, in appreciation of her support of Scouting.

Committee Needs Addresses for P.H.S. Class of '54

The committee for the Class of 1954's reunion, planned for June 27, at Knights of Columbus Hall, on Fair St., starting at 6:30 p.m., is still looking for the addresses of some of their class members.

Addresses are still needed for the following 1954 graduates: Judy Bays, Joyce Campbell, Louella Caron, Tony Cousino and Rose Grixit.

Also on the missing list are Laura Hatch, Mike Hershey, Jerleen Hollifield, Beverly Kehrer, Carleen McCollum, Theresa McCarthy, and Nelson Rose. Addresses for Hugh Norris, Nancy Schaal, Lloyd Smith and James VanWagoner are needed.

If you know where any of the people can be found, call Mrs. Bryan Kidston, GL 3-8340, or Mrs. George Hunter, GL 3-2395.

COMMISSIONER Samuel Hepburn will speak at the annual dinner meeting of the Salvation Army advisory board, to be held at Loly's on Monday, March 7 at 7 p.m. Commissioner Hepburn took command of the Salvation Army's Central Territory with headquarters in Chicago, on April 5, 1962. As commander he is in charge of all Salvation Army religious and social welfare activities in the 11 north central states. Commissioned a lieutenant in the Salvation Army in July, 1919, commissioner Hepburn became the youngest divisional commander in the eastern territory when he was named leader of the Western New York Division. In 1947 he became field secretary for the eastern territory. Five years later he was named chief secretary for the western territory with headquarters in San Francisco. In 1957 he became commander of the western territory and served in that post until his appointment as central territory commander. Tickets for the dinner are now on sale by all members of The Salvation Army Advisory Board, at Willoughby's Shoe Store and at the Salvation Army Office, 290 Fairground St. Tickets are \$3.50. They may be reserved by calling GL 3-5464.

Christian Union Director Will Speak Here

Speaker at the 20th annual missionary conference at Calvary Baptist Church, 496 W. Ann Arbor Tr., Mar. 4-8 will be a member of the International Executive Council of the Bible Christian Union and Director of the Bible Christian Union in Canada.

A native of Wales, Rev. W. Elwyn Davies has served in Canada since 1953 and has traveled throughout North America and Europe. He served in the Armed Forces during World War II. After the war, he and his wife became missionaries of the Bible Christian Union in Holland, until coming to Canada.

Davies also frequently ministers in Bible schools and Inter-Varsity Christian Fellowship gatherings in Canada and the United States. Meetings during the missionary conference will be 7:30 p.m. week nights and 11 a.m. and 7 p.m. Sunday.

City, Township Officials Hear State Senator at Legion Series

Plymouth city and township officials, and American Legion and Auxiliary officials were guests of the Passage-Gayde Post No. 391 and Auxiliary at the kick-off banquet of the newly created "Why Are We" series, Saturday evening, Feb. 23.

State Senator Kent Lundgren, who served as state commander of the American Legion in 1954-55 was the principal speaker of the evening.

Following a brief review of the origin, intent and aims of the Legion, the world's largest veterans organization, Lundgren re-emphasized the Legion's stand for a strong military defense. He added that in addition to the sometimes assumed militaristic image of the Legion, the Legion and Auxiliary are one of the largest contributors to child welfare work for all children in need in the United States.

Lundgren said the junior baseball program, Americanism program and many other programs sponsored by the American Legion play a vital part in the upbringing of the nation's youth.

Deep concern was expressed by Lundgren that today's Americans place too much cynicism in showing their patriotism, in view of the fact that the United States was founded and created on these principles.

In concluding his address, he suggested that parents shouldn't hesitate to teach their children the basic principles of Americanism and the values of family ties.

FOUR citations, as expression of thanks for cooperation and understanding during the twenty years existence of the local Post, were presented by Commander Ernest Koi and president Lillian Kinghorn to: (1) City Manager Albert Glassford for city officials,

accepted by City Clerk Richard Shafer;

(2) Mayor Richard Wernette for his office and city commission, accepted by Wernette;

(3) Township supervisor Roy Lindsay for his office and township officials, accepted by Lindsay; and

(4) City director of public safety Kenneth Fisher and his staff, accepted by city treasurer Kenneth Way.

American Legion and Auxiliary officials attending the program were national executive committeeman William Clarahan, of Detroit; state Auxiliary president Edna Clarahan, of Detroit; state commander Oscar Hammond,

of Northville, and 17th district commander and president John Steimel and Mrs. Howard Wright, both of Northville.

The next program in the "Why Are We" series four year schedule will be April 25. Guests will be the Elks Club and Vivians of Plymouth.

The Girl Scouts will be the guest organization in May.

Bennett Wilcox Dies at Age of 61

H. Bennett Wilcox, formerly of Plymouth, died last Thursday in Harper Hospital, following a heart attack, at the age of 61.

Born July 18, 1902, in Plymouth, he was the son of Nellie L. and Clinton L. Wilcox.

A graduate of Plymouth High School, he married Marian Kiely in Saginaw on June 29, 1929.

Member of the First United Presbyterian Church of Plymouth, Mr. Wilcox had been employed by the J. L. Hudson Co., Detroit, for 35 years as assistant manager of the bureau of adjustment.

In addition to his widow, Marian, he is survived by a daughter, Mrs. Arthur Callahan, of Garden City; a son, H. Bennett Wilcox, Jr., of Kalamazoo; a sister, Mrs. Kenneth Harrison, of Plymouth, and six grandchildren.

Funeral services were held last Saturday in Harper-Muligan Funeral Home, Highland Park, and interment was in Riverside Cemetery.

HAS YOUR CONGRESSMAN TURNED MEDICINE MAN??

Those of us who lived in the early part of this century remember the medicine man. With his tall hat and perhaps a monkey at his side, he concocted some of the most palatable — and useless recipes known. His potions were good for everyone regardless of his ailment, and if it didn't taste too good, you could always use it to polish the old family piano.

Today, it appears, we have a new kind of medicine man. He is the POLITICAL MEDICINE MAN and his cures are guaranteed not only to relieve you of your suffering, but to make it painless so far as your pocketbook is concerned. It's the same old gimmick in a new cloak. A new brand of governmental antibiotic, easy to get through the Social Security needle, and guaranteed to get your vote, even if it doesn't cure you.

The present administration in Washington is flooding the country with pamphlets, brochures, and speeches, which are misleading, and full of distortions and partial truths about the current medical concoction prescribed by "Doctor" King of California and "Doctor" Anderson of New Mexico. Your Congressman is being urged to turn "Medicine Man" and support House Bill No. 3920 (the King-Anderson Bill). What you aren't told about this Bill is that —

- It would cover less than one-quarter (25%) of the total yearly health care costs of the average aged person.
- You pay the first \$20.00 of outpatient diagnostic service.
- Your doctor's services are not provided for.
- The wage earner will pay for the medical care of the well-to-do.

And finally, the main reason for this proposed piece of legislation is not really a sincere concern for medical care, but your vote.

If you believe the King-Anderson Bill is "bad medicine", write your Congressman and ask him to oppose H. R. 3920.

This bill is admittedly only the first step toward the eventual socialization of the entire medical profession.

AT A DINNER CEREMONY at Lofy's Feb. 25 six front line foremen of Dunn Steel Products Division of the Townsend Company were awarded certificates for completing a six-week course, "Supervisors in Training". Certificate winners, pictured with the assistant division director of Institute of Labor and Industrial Relations, a joint institute of the University of Michigan and Wayne State University, William R. D. Martin, are (left to right) Clifford Depew, Herbert Rora-

bacher, Harold Swan, Martin, James Frederick, William Mott and William Herter. The six-week course designated by the Institute of Labor and Industrial Relations, co-operating with Dunn Steel, gave the supervisors the latest techniques in training and guiding their subordinates. The purpose of the course is to bring to the participants the benefits of proven management techniques.

No Township Route For Freeway Yet

In spite of rumors to the contrary, no definite route has been established for the proposed I-275 freeway through Plymouth Township, according to a State highway department official.

In a telephone interview with The Plymouth Mail, Irv Ruben, executive assistant to the highway commissioner, said definite statements will be forthcoming within the next several months.

I-275 will connect with the -75 freeway, north of Monroe, and will proceed westward and northerly to intersect with I-96 at about the same place that I-696 intersects now, Ruben said.

"The route might possibly follow the Haggerty Rd. corridor," he told The Mail. Assuming a route, roughly parallel to Haggerty, the freeway could cross Plymouth Road somewhere in the vicinity of the Burroughs Corp. plant.

Asked about an M-14 freeway, Ruben said nothing definite has been planned. He said the highway department is thinking in terms of a freeway in the Schoolcraft corridor, serving the City of Livonia.

The corridor designation would put the route almost anywhere in the area serving Schoolcraft Rd.

"We see no present means of financing it (an M-14 freeway) in any of the present programs," Ruben said. "We have generalized route loca-

tion studies, but there is no point in discussing them."

The farthest point west of such a project would be lightly beyond the western outskirts of Livonia, Ruben said.

Request Section 31 Rezoning

A formal request to rezone a section 31 of Plymouth Township was submitted by the Ten Mile Lake Building Company to the Plymouth Township Planning Commission at a special meeting held last Wednesday, Feb. 26 in the township hall.

The building firm has proposed a subdivision including 396 half-acre lots and a 120 acre artificial lake at the site.

After discussion of the feasibility of the project and water and sewer facilities at the site, Chairman Irving Rozain appointed Russell Ash, engineer Herald Hamill and planner W. C. Johnson to study the proposed lake project. The matter was tabled for further study.

A THREE-man committee was named at the meeting to work with nearby municipalities on development of Eckles Road, a section line road. W. C. Koch, Carl Hartwick and Tivador Balogh were appointed to serve on the committee by Rozain and Johnson was named an ex-officio member.

The appointments came up after Rozain reported on a meeting held with Livonia, Northville Twp., and the Wayne Co. Road Commission on extending Eckles Road. At the meeting, Rozain said, discussion centered around the most desirable type of road to be built along a section line.

Planning commission members discussed whether or not private drives should be allowed to enter a section line road. Johnson suggested the feasibility of leaving Section Line roads undeveloped and placing money in escrow as property is developed for paving at a later date.

IN OTHER business at the meeting, planners authorized the building inspector to issue zoning and building permits for sites located at 11650 McClumpha Road, in the north-east quarter of section 23, 19 acres on Robinson Ave., adjacent to Lake Pointe Subdivision No. 5, and in the west half of the west half of section 29.

Commissioners heard a letter road affirming that no changes have been made in the approved preliminary plans for Lake Pointe Subdivision No. 7.

The commission acknowledged acceptance of the preliminary plan of Arbor Village No. 3, submitted by Plymouth builder and developer Loren Gould. The plan includes 15 acres adjoining existing Arbor Village No. 2.

Engineer Herald Hamill presented a preliminary layout of the proposed sewer system following the low lying land along the Tonquish drainage basin.

Concerning the question of whether the township should plan an open recreational parkway along the creek with access roads and public facilities, property owner Ralph Garber expressed concern about his property if such a parkway is developed along the creek.

Planning consultant Johnson was asked to study the question of a parkway developed further by chairman Rozain.

PANCAKES, COMIN' up! That's the way it was the other night as scouts from Troop 863, Farrand School, practiced for their pancake supper to be held on Saturday, March 14 from 4 to 8 p.m. in the school gymnasium. Shown from left to right, are assistant Scoutmaster Ross Glynar; his son, Eric, 11; scoutmaster Don Bosker; David McCrumb, 12; Don Bosker, Jr., 11; and Randy Krieg, 12. All of the boys hold the rank of tenderfoot. The dinner, proceeds of which will be used to buy tents and camping equipment, will feature all the pancakes, sausage and applesauce you can eat. Tickets are \$1.25 for adults, 60 cents for children or \$3.75 for a family. They are available by phoning committee chairman Howard Whipple at 453-0889 and will be sold at the door.

Sheriff Would Charge Township \$50,000 for Extra Service

Plymouth Township would have to shell out more than \$50,000 each year if it contracted for additional police protection from the Wayne County Sheriff's Department.

In answer to a letter of inquiry from Township Supervisor Roy Lindsay, Inspector Dan D. Martin of the sheriff's department estimated costs of the additional service at \$50,261.50.

Martin's reply was made public at a meeting of the township's Police Protection Study Committee, held last Tuesday evening, Feb. 25 at the township hall.

On Jan. 28, Lindsay wrote the sheriff's department asking for detailed information on present service, the number of cars now on patrol and how certain types of calls would now be handled. He wrote:

"WHAT KIND of an agreement could be worked out for extra police protection in co-operation with the Wayne County Sheriff's Department for this extra protection?" In his reply, Martin commented:

"In reply to questions regarding extra protection

and cost, we feel if the township would much higher if you maintained your own Police Department, for there are many other costs involved." Martin detailed costs for seven-day, 24-hour service with one car and one patrolman on duty during the day shift and one car and two patrolmen on the afternoon and midnight shifts.

He noted that the estimate was based on a five-day work week, with two days off and two additional patrolmen available for relief, vacation and sick leave.

These are the costs as Martin outlined them:

Police car	\$1850
Maintenance, repairs, gas and oil	\$1950
Insignia for car	\$25
Radio for car	\$825
Siren for car	\$200
One resuscitator	\$32
Two spotlights	\$100
One fire extinguisher	\$30
One first aid kit	\$20
One rotating light	\$55
Seven salaries	\$43,456
Seven uniforms	\$1,080.10
Seven pistols	\$420
One shotgun	\$70
Seven hand cuffs	\$106.75
Seven sets of badges	\$41.65
Total	\$50,261.50

The agreement, Martin wrote, would also provide the services of the identification bureau, detective bureau, racket squad, radio service, record room, traffic division and full police coverage.

At the present time, the sheriff's department assigns one man and one vehicle to district one during the day shift.

DISTRICT one includes all of Northville and Plymouth Townships and part of Canton.

In addition, one vehicle and one man are assigned to patrol the parks in the area, presumably along Hines Drive.

On the afternoon and night shifts, two cars are assigned to the district. The number of men in each car is increased to two after 3 p.m. each day.

According to Martin's letter there is at least one car on duty in the district seven days a week, 24-hours a day. The two vehicles on duty will normally assist each other, but they can summon more help from other districts if needed.

DURING 1963, the sheriff's department policed 232 traffic accidents in Plymouth Township. These included

four fatalities, 140 property damage accidents and 88 personal injury accidents, involving 146 injured persons.

The department handled 1,633 calls of all types in the township during last year.

The Police Protection Study Committee was appointed and charged to return a report with or without recommendations to the township board, according to committee secretary Dick Lauterbach.

Lauterbach said the committee would devote itself to three main areas of study:

• The formation of a separate township police department and the costs of establishment and operation. The cost would be broken down to individual cost per taxpayer.

• The possibility of contracting for additional service from the Wayne County Sheriff's Department.

• A working agreement with the City of Plymouth for joint police protection.

Included on the committee in addition to Lauterbach are first ward residents Maurice Breen and Patrick Nolan, third ward residents Joseph Fletcher and Martin Stiglich and fourth ward resident Paul Dwyer.

TOWNSHIP auto dealer Clarence DuCharme has been asked to represent business on the committee.

Resource personnel include township resident Fred Javids, Captain, Michigan State Police Department, and township board member Ralph Garber, retired assistant prosecuting attorney of Wayne County.

City Manager Albert Glassford and Department of Public Safety Director Kenneth Fisher are expected to be contacted when the question of a joint city-township department comes up for discussion.

David was expected to present to the committee Tuesday evening the estimated cost of setting up a separate police department within the township. However, he was unable to attend the meeting.

The Junior bridge club will gather Thursday at the home of Mrs. Lisle Alexander on Mill St. for a dessert luncheon with Mrs. John Paul Morrow of Mullet Lake the guest of honor and Mrs. Charles Garlett as co-hostess.

On Sunday, March 8, Mr. and Mrs. Clifford Manwaring will be dinner hosts to Col. and Mrs. Willard Lemon and family of Royal Oak and Mr. and Mrs. Herthel Millroy of Sylvania, Ohio, in their home on Auburn St.

The previous fund-raising high was \$280,000—achieved last year by the six-county Michigan organization.

The final figure, announced at a final report meeting by Earl G. Ward, vice president-purchasing of Ford Motor Company and general chairman of the 1964 drive, exceeded the goal of \$275,000 by \$26,000.

The 1964 Fund Campaign ended Tuesday, Feb. 20.

Engineer Herald Hamill presented a preliminary layout of the proposed sewer system following the low lying land along the Tonquish drainage basin.

Concerning the question of whether the township should plan an open recreational parkway along the creek with access roads and public facilities, property owner Ralph Garber expressed concern about his property if such a parkway is developed along the creek.

Planning consultant Johnson was asked to study the question of a parkway developed further by chairman Rozain.

Management Change At Local Plant

A new corporation took over the reins of Fabricated Products, Inc., located at 322 Hamilton St., effective Monday, according to John Schultz, factory manager of the plant.

To be known as Storage Products, Inc., the new firm will continue to produce the same products at the plant, including metal utility buildings and outdoor storage sheds in eight sizes ranging from five by three feet to 10 by three feet.

Schultz said Fabricated Products has been purchased by Thomas H. Hannigan of Chicago. Hannigan has been marketing most of the firm's output to department stores and mail order catalog houses.

Fabricated Products, with plants in Fenton, Mt. Clemens and Detroit, had decided to eliminate the Plymouth plant from their operation, Schultz said.

The firm also produces lightweight parts boxes for factories and shops.

The service has placed 463 persons in jobs with 426 em-

ployees. It has an estimated \$14,000 per week is earned by employees placed by the organization.

He said the figure included only full time jobs and was based on a minimum wage of \$1.25 for a 40-hour week. Most of the wages paid are higher.

Of the 463 positions filled, 253 are permanent. The service has directed 693 registrants to 1100 job interviews. Since July, 553 openings have been registered at the placement service.

Name That Tune

Got a favorite tune? The Plymouth High School band would like to know about it for its Friday, May 22 concert to be held in the city's portable band shell, in conjunction with Michigan Week.

James R. Griffith, director of the band, said the concert will consist of "pop" tunes. He issued a call for Plymouthites to submit their favorite melodies for consideration.

The band will try to perform as many as possible. Requests should be sent to James R. Griffith, in care of Plymouth High School. They should arrive no later than Mar. 27 so the band will have opportunity to practice.

RETURN HOME

Mr. and Mrs. W. H. McCowan arrived home Monday from a week's visit with relatives in Birmingham, Ala., Roswell, Ga. and Rockwood, Tenn.

VISIT MEXICO

Mr. and Mrs. John Guettler, of Dewey St., returned last weekend from a two-week vacation in Tucson, Ariz., and Mexico City.

Million Dollar Contract Goes To Burroughs

A \$1,005,345 negotiated, fixed-price contract was awarded yesterday to Burroughs Corporation, according to a telegram from Congressman Martha W. Griffiths.

The contract is for 48 ground-air-ground data terminal-air-ground data units for use on marine tactical data system equipment.

A Burroughs spokesman told The Plymouth Mail the work probably would be done at the company's Military Electronic Components Division on Tireman Ave. in Detroit.

O.E.S. Highlights

Plymouth Chapter, O.E.S. No. 115, will hold a "Fish Fry" on March 14 at the Masonic Temple from 5 p.m. to 8 p.m. Tickets are \$1.50 for adults, 75 cents for children and are available from Chairman Margaret Bures, GL 3-4069, or O.E.S. officers. It would be very much appreciated if tickets were purchased before March 14.

The special meeting of March 19 will be a dinner and reception honoring Mrs. Gladys Colgan, Grand Representative of California in Michigan. Dinner will be at 6:30 p.m. and reservations may be made by calling GA 1-3682.

City Planners Protest

(Continued from Page One) planning commission member James Warren said he had cast a yes vote on the matter because he felt C-2 zoning on Plymouth Road led the way open for less desirable development.

City commissioner James Jabara noted that the disagreement probably would not have come about if the matter hadn't been sent back to the planning commission for reconsideration.

In an earlier report by county supervisor Arch Vallier, commission members were told that the disparity in tax assessments which has received publicity in the daily papers recently is being taken care of.

"I can assure you that a good portion of this \$127 million will be on the tax rolls," Vallier said.

HE NOTED that assessors are reporting increased estimates from some corporations.

Progress on the city's reservoir and water improvement program is on schedule, according to a report given by city manager Albert Glassford.

Glassford told commissioners that reports from Johnson and Anderson Engineering show preliminary field work and preliminary design on the sewer project is 85 per cent complete. The final design is about 15 per cent done.

On the reservoir project, preliminary field work and design are about 70 per cent complete. Final plans are 10 per cent finished.

Last week's testing of the Six Mile Well Field was highly successful, according to reports given by Superintendent of Public Works Joseph Bida.

BIDA said in the 72-hour period 9,795,000 gallons of water was pumped. Based on recovery of observation and pump wells, Bida noted, there need not be any concern about either the quantity or the quality of water.

The hardness of the water tested at 395 - 400 parts per million. Iron was slightly less than one part per million.

provide control of timing. The installation of an expansion controller in the light was suggested by public safety director Kenneth Fisher.

Fisher also suggested that the corner be widened to permit traffic to flow when vehicles in one lane are stopped for turns.

Commissioners moved to send lighting recommendations for the area of the new city hall back to the architect, the city manager, Detroit Edison and the building authority for consultation.

Edison had recommended the installation of five 20,000 lumen mercury vapor lamps. Commissioners decided ways should be sought to provide lighting more in keeping with the Early American theme of the city hall and library.

ELM TREE spraying will be undertaken by the City of Plymouth this spring, according to a recommendation from Public Works Superintendent Joseph Bida.

He suggested that the spraying program be started this spring and next fall bids would be taken for the following year to have spraying done on a contract basis.

Cameron Lodge of 1103 N. Mill St. told commissioners he thought it was unfair to condemn trees on private property when trees on adjacent county-owned property were permitted to go uncut.

The commission directed supervisor Arch Vallier to see about control of Dutch Elm disease on county-owned property.

IN OTHER action at the meeting, the commissioner gained permission to the Mayflower Post to hold a Memorial Day parade, authorized the Rotary Anns to hold their annual lily sale on March 20 and 21, and granted permission to the Junior Baseball league to hold a circus at the city's industrial park on May 9.

The city fathers approved color selections at the new city hall, gave formal approval to letters from the commission of Detroit and Lansing bidding on fire trucks, authorized the advertisement of bids for property at 896 Penniman and authorized city manager Albert Glassford to advertise for bids for the city garage addition.

Commissioners authorized bids of not less than \$6,000 for property in the industrial park adjacent to Kaiser-Jeep.

A resolution was adopted supporting boundary commission legislation currently before the State Legislature and passage was completed on the amendment re-zoning lots 271 and 272 on Plymouth Rd.

Commissioners passed the amendment on a 5-2 vote with commissioners Vallier and Smith casting nay votes. Extended sick leave was granted Officer Calvin C. Brown of the Plymouth Police Department.

Proceedings at the Monday evening meeting were members of the Plymouth Kiwanis Key Club.

School Board

(Continued from Page One)
The Gallimore overflow would be taken care of by realignment of attendance districts.

FISCHER said that all indications do not point to a larger than anticipated student increase in September. He said the largest increase to date was in 1955-56 when 349 students were added to the system.

Assistant Superintendent of Schools Melvin Blunk said the district is projecting an increase of 350-400 students for next fall.

In summary, Fischer said the board's program is healthy. "Facilities planning is in sounder shape than ever. In three years," he predicted, "the 2.8 mills of debt retirement will be discontinued. This would not be the case if we had been bonding." He said that one bond proposal on top of another could increase millage as high as 10 and a half mills in a short time.

"We do recognize that we may very well have problems with the operating fund," Fischer said. He said when a half mill was drawn from facilities in October, the board indicated that it would simply maintain the operating program and would not support expansion.

DURING the next two months, he noted, the board will determine needs for the coming year. They will take into consideration resources, including the tax base and state aid, and decide whether they are sufficient.

If not, he said, the board would determine a proposal to be presented to the public at the June school election.

"Determination must await information being developed in the next two months," Fischer concluded.

AT THE SENIOR CITIZENS potluck luncheon, Thursday, Feb. 27, at the Masonic Temple, chatting before lunch are (above, left to right) John Gilles, president of Senior Citizens; Russell Isbister, superintendent of Plymouth Community School District; David Galin, of Schrader's Home Furnishings; and Mrs. Fred Hines, Senior Citizen. Plymouth businessmen were special guests at the luncheon. Senior citizens visiting are (below, left to right) Mrs. James Farquhar, 40977 Schoolcraft Rd.; Leo Hughes, 880 S. Mill St.; Mrs. Leo Hughes; and Mrs. Lucilla Keefer, 792 Forest Ave. More than 100 attended the luncheon.

Welch of 197 Amelia, received an associate of arts degree from Henry Ford Community College; a bachelor of arts from Eastern Michigan University and a Master's Degree in History from the University of Denver.

A LEAP YEAR DAY birthday child, Karen Brockwell, daughter of Mr. and Mrs. Darrell Brockwell, 1218 Gold Arbor, celebrated her second birthday with a party for 20 of her friends Saturday, Feb. 29. Miss Brockwell was born eight years ago on Feb. 29 so this year she had her second real birthday; she usually celebrates her birthday Feb. 28. When told that her youngest sister is as old as she is, Miss Brockwell becomes slightly upset, according to her mother. She has two brothers and two sisters and is a second grader at Our Lady of Good Counsel School.

more than 700 new members and a total of more than \$250,000 in savings on deposit.

As of Dec. 31, 1963, the credit union had \$1,616,653.85 in total assets and showed an income of \$164,161.30 for the year.

Savings in interest to members over finance company rates totaled \$163,000. The credit union received \$36,000 in family income from payroll, paid more than \$4,000 in taxes to local, state and federal governments and purchased \$30,000 in goods and services locally.

Dividends totaled \$45,000. Over \$2,000,000 in life insurance was provided to members at no direct cost.

DURING the year, the credit union supported economic development through time and loans, members were told at the meeting. It completely supported the community band, provided facilities for youth employment and provided meeting space for more than 5,000 persons in 1963.

plying special treatments to film.

Slikin said the firm's first product will be a distant relative of photographic film in that it is a duplicating material but does not involve the use of silver compounds.

The material is based on a light-sensitive "diaz" compound. It will be of extreme interest for subcontractors and prime contractors who use large numbers of complicated drawings, or duplicate originals.

Composition of the material permits many design changes without going back to original drawings, Slikin said. The alterations may be made directly on the film.

Oddly enough, Slikin noted, the product is based on American ideas, but its most rapid growth has been abroad—a phenomenon expected to change now that Specialty Coatings has entered the picture.

Mrs. Penney Pays Pennies For Mink Stole

On Washington's Birthday, Feb. 22, Mrs. Avery Penney, 48222 Powell Rd., suffered a sprained thumb and a bruised arm, but won an autumn haze mink stole in the scuffle.

It all came about, according to Mrs. Penney, because she wanted to buy a skirt while she and her husband and son were shopping in the Gem store in Detroit. In honor of Washington's birthday, the store was giving away stereo record players and a mink stole to the person who reached the man holding the hatchet first.

She said she was about to buy a skirt when the store announced that one of its employees was holding up a hatchet for the mink stole—the man was standing in the women's apparel department and Mrs. Penney's husband and son, Terry, ran to grab the hatchet; her husband reached it first.

Then, Mrs. Penney related, the women mobbed them; they thought that Penney was the employee holding the hatchet for them to grab, and Mrs. Penney was telling them he was her husband and had won the mink stole.

Mrs. Penney did have to pay for the stole, however — it cost her 22 cents plus two cents federal tax and one cent state tax.

Housing Group

sion approved the housing commission's recommendation to retain the firm of Harley, Ellington, Dowin and Stinton, Inc., architects and engineers, of Detroit to assist in the development of low-rent apartment residences for low-income elderly persons in Plymouth.

Jack D. Cronk of the Detroit firm will head up the project and act in an advisory capacity to the housing commission. Cronk was housing director of the Townsend Tower project in Dearborn.

IF FEDERAL funds are approved, they would cover the full costs of building the residence. Upon approval, the housing commission would select a site, determine building specifications and establish rules governing the selection of occupants, according to housing commission president Kenneth Fisher.

Federal regulations require that occupants be aged 62 or older. Fisher issued a call for indications of interest by persons 60 or older, since occupancy would not be possible for two years. Questionnaires are available at the city hall and have been provided to the Plymouth World War I Veterans and the \$0 Plus Club. The commission will be glad to supply other groups with the form, Fisher said.

CHEVELLE! by CHEVROLET—a great highway performer

Chevelle balanced performance is best!
Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.

Chevelle lets you choose Powerglide*, 4-speed manual* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options. Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer! **CHEVROLET**

Almost 300 Attend Comedy Play "Never Too Late" Friday Evening

Plymouth was resplendent in its finery when close to 300 local residents attended the Plymouth Symphony League's Theater Party at the Fisher Theater last Friday evening.

Arriving in parties of two, four, six, eight and on up, local residents found it difficult to take their seats immediately upon arriving at the theater, as there were countless numbers of familiar faces to acknowledge and friends to greet.

Prior to arriving at the Fisher to see William Bendix and Nancy Carroll star in the Broadway situation comedy hit, "Never Too Late," many couples met at nearby restaurants for a gala dinner.

Chairman for the fourth annual Theater Party, sponsored by the Allegro group of the Symphony League, was Mrs. John Pulker. Committee members who helped with planning of the Theater Party included Mrs. Charles Childs, Mrs. James Jabara and Mrs. Tom Kelly.

Proceeds will be used to help defray expenses of the Plymouth Symphony.

'Son of Flubber' - Hilarious Fun

Moyiegers who rolled in the aisles at the zany antics, "The Absent-Minded Professor" will be in for another hilarious surprise with "Son of Flubber." This film features a mad, mythical foot contest with players in whose suits inflate (like the pigskin itself) and send the athletes floating down the field for touchdown after touchdown.

In this hilarious sequel to

Miss Olson everything from a mink coat to a million dollar check if her husband will sign over the flubber rights to private industry. The visitors are ready to startle the world with such earthshattering products as flubber heels, flubber floors and a flubbermobile - to name but a few.

This hilarious comedy will be shown at the Penn Theater March 8-10.

TREASURES FROM Plymouth Pantries

MRS. YVON LITALIEN of 433 Provincetown Ln., prepares her delicious Lobster and Mushroom Casserole for her family's dinner. The recipe she suggested to The Plymouth Mail can be made with lobster, crab or tuna, depending on your preference.

A lobster and mushroom casserole that would be especially tasty for a Lenten menu and can be dressed up or down depending on the circumstances, was given to The Plymouth Mail this week by Mrs. Yvon Litalien, 433 Provincetown Lane, Plymouth, originally from Quebec.

If you are having guests for dinner use lobster or crab in the recipe, but if you fixing it for your family you might prefer to use tuna.

Mrs. Litalien's five children, two girls and three boys, ages 14 years to 16 months, prefer the casserole made with tuna. Tuna is also the least expensive seafood to use.

Natives of Quebec, the Litalien children have grown up speaking both French and English. In their home only French is spoken, and the Litaliens' youngest son, 16 month old, Marc, knows no English; he speaks a few words of French, such as Mama and Papa.

The Litalien family occasionally holds its own family concerts. Mrs. Litalien has studied piano and enjoys playing; her husband plays both piano and clarinet, and two of their boys play the clarinet. They enjoy classical music, two of their favorite composers being Mozart and Schumann.

DG Alumnae Plan Benefit Parties

Three Plymouth alumnae of Delta Gamma sorority, from the Farmington Association, are planning fund raising social events to be held during March to benefit the blind retarded children at Plymouth State Home and Training School, Sheldon at Five Mile Rd.

Mrs. Thomas Holland, Mrs. Arthur Larson and Mrs. Robert Voreck are the Plymouth women giving parties. All members of the Farmington Association of Delta Gamma alumnae will give benefit bridge parties or coffee or teas for the project.

Proceeds from the benefits will be donated to the 50 blind children at Plymouth State Home.

Mrs. Hondorp Will Host Garden Club

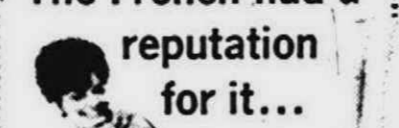

Members of the Plymouth Branch of Womens National Farm & Garden Assn. will meet at 1 p.m. Monday, March 9 at the home of Mrs. Gerald Hondorp, at 1317 Park Pl. for their monthly meeting.

Speaker for the afternoon will be Leon Theisen, owner of Theisen Florists, Dearborn, who will discuss "Dish Gardens."

Tea chairman for the afternoon will be Mrs. Edwin Rice. She will be assisted by Mrs. Leo Crane, Mrs. Kenneth Wilske, Mrs. Leo Kubik, Mrs. George Rowland, Mrs. Arthur Mills, Mrs. George Merryweather, Mrs. Walter Roberts and Mrs. Gordon Champion.

Through the courtesy of the Fleet Publishing Company, of New York, I was presented, recently, with a copy of former Plymouthite Russell Kirk's new book, "Confessions of a Bohemian Tory." The book arrived at a most timely moment during my convalescence and I took many sidelong glances at the same, but because the title failed to awaken a particular interest in my wandering mind it was frequently shoved aside.

Last week, however, in thumbing through the pages my eye quickened to the mention of Plymouth and Mecosta, Michigan and I started to read. Never have I been so pleasantly surprised and as pleased as I was with the total content of this youthful Plymouthite's effort and, believe me, I can recommend it most highly.

The publisher uses these words to describe the book. "Brilliant color marks Kirk's writing in his selections on travel. His studies bring to life the customs and legends of the inhabitants of the lands he mentions, and add great dimension to the readers understanding of them."

"The basic and solidly founded personal philosophy of Russell Kirk relates all the essays, despite the great diversity of subject and locale. All express his deep concern for the future of the world and its people."

Mr. Kirk grew up in Plymouth and graduated from Plymouth High School. He has two aunts and uncles, Mr. and Mrs. Frank Pierce and Mr. and Mrs. Clifford Tait who are residents of Plymouth. Presently Mr. Kirk headquarters, when home, at Mecosta where he occupies the second floor of his aunt Norma Johnson's residence. Though he has a fireproof home of his own in Mecosta and a cottage at a nearby lake he seemingly prefers the apartment to his other dwellings. Incidentally, his own fireproof home there is filled with books and thousands of interesting items he has collected in his world travels.

Another aunt and uncle of Mr. Kirk are Mr. and Mrs. Glenn Jewell, former Plymouthites who operated Jewell Cleaners here for many years before selling the business to Clifford Tait. Mr. Jewell is presently supervisor of Mecosta county and devotes one half his time between the duties of his office and the other half testing the trout streams in that area.

I am not sure whether Mayor Wesley McAtee has this book available in our local book store, but if he hasn't I hope he will get an ample supply and I commend it to you as a choice addition to your library. In fact, it might be an idea to have a Plymouth-Kirk Day and give proper recognition to this talented writer and reserve an opportunity for the guest to autograph copies of the book for local people who would care to secure a copy.

A very official letter arrived in our office Monday from the U. S. Department of State. On opening it we found a personal invitation to attend a State Department Regional Foreign Policy Conference to be held in Milwaukee on March 21st.

Small world, indeed, when, after examining the total content of the letter, we noted that the personal invitation was extended to us by none other than Walt W. Rostow, brother of our own Ralph Rostow of Graham's Ladies Apparel store over on Ann Arbor Trail.

W. W. Rostow is the State Department's Counselor and Chairman of the Policy Planning Council.

According to Doris Root, manager of the Michigan Secretary of State license division on Liberty street, new records in sales were set last Friday and Saturday, the last days to secure 1964 plates.

Some 5,000 additional plates were allocated the office this year over last and the surplus was tapped on the weekend. Monday saw a line of some 20 people waiting to get their new plates before getting violation tickets at a cost of \$2.00 each to start the new licensing year.

Letters To The Editor

Dear Editor: I believe a very special thank you is in order this week, to the Plymouth Theatre Guild from the Childrens Play Group of the Plymouth branch of the American Association of University Women. The Theatre Guild which we've always found friendly and co-operative came through again this year when we presented Hansel and Gretel. Merlin Heft was most willing to let us use the Guild's audio equipment while Bob Wall made a special trip to the school on dress rehearsal night to repair a piece of electrical equipment. Bob Luchetti did a superb job of making-up our "characters" and of course we always look forward to Jake Rumpf's appearance and good sound advice at our rehearsals. We also appreciate the Guild's relatively new interest in producing childrens plays as we are most anxious for the children of our community to receive more exposure to live drama.

Suggestions For More Tax Base

A former Plymouth teacher, presently a real estate broker, has come up with a suggestion to improve the overall tax base, particularly as it pertains to the Plymouth Community School District.

In light of financial problems which seem to be besetting the school district at the present time, we think the suggestion has some merit.

Plymouth realtor James Latture points out that a definite lack of property zoned for industrial development exists in both Plymouth and Canton Townships.

In Canton, he says, less than five per cent of available land in the Plymouth School District is zoned for manufacturing use, with the remainder set aside for residential.

And this presents a problem. If an industrialist comes to this area and wishes to locate either in Plymouth or Canton Townships, he's got a fight on his hands at the start.

He must battle to have land rezoned for industrial use. All this points to a need for action from the boards of the two townships.

Latture has suggested that the governing bodies make available more numerous and more adequate industrial sites. If they do, he contends, attracting and locating incoming industry will be made an easier task.

And, quite obviously, more industry would mean more tax base and, eventually, more funds for school district operation.

The Plymouth Mail thinks it would be fitting for the governing bodies of both Canton and Plymouth Township to consider zoning more land for industry.

It might help clear up a number of problems.

Veterans of Foreign Wars

A Fourth District Memorial luncheon at Veterans hospital in Ann Arbor March 9.

Do you have your tickets reserved for the Luncheon to be held at our post on Sunday, March 8th at 3 o'clock. This tribute is paid to all deceased veterans. We invite the public and hope to see our members turn out.

Refreshments will be served by the auxiliary to the fourth district. We would again like to remind you of the two films to be shown from the Michigan Cancer society at our March 17, meeting. Cancer chairman Ann Totten said she would like to remind you to collect rummage, as her committee will have the rummage sale April 22.

A donation has been sent to the Veterans of Foreign Wars cancer research fund. We have given a dollar per member each year and we also have our own cancer insurance.

A belated birthday wish goes to one of our shut-in members, Helen Smith. We heard about the nice open house held for her at West Trail, by members who attended. Get well wishes to Winnie Cantarel, at this time it was reported she is still in the Garden City hospital.

We would like to extend our sympathy to the family of Marcus McGraw, who was a post member. Some may not realize his daughter is Mary Bettis, an auxiliary member living in Lansing.

Hospital chairman Delores Shaw, needs help for the

tended the Fourth District Linen party in Dearborn. Members, you may not realize it but in just one month we will have our election of officers. Think about this and be prepared on that night. It takes the whole membership to make a good Auxiliary not just a few. Mark it on your calendar April 7th, 8 p.m.

Three Sixth-Graders Hope to Visit "The Beatles"

Memo to Liverpool, England: If three young Plymouth girls are any indication, you better get ready for an onslaught of young American tourists who will cross the waters to get a glimpse of their latest "idols," the Beatles.

And if Donna Arnold, daughter of Mr. and Mrs. Carl Arnold, Wendy Bida, daughter of Mr. and Mrs. Joseph Bida, and Kathy Brennan, daughter of Mr. and Mrs. Larry Brennan, get their wish, they're bound to be among the youngest fans to visit Liverpool.

The three sixth-grade students from Junior High East arrived at the Travel Centre last Tuesday to inquire of Kurt Thrun the exact amount each would need to raise to make the trip.

The three were seemingly undaunted by the estimated price of \$500 which would include plane fare, hotel and food costs and some left over for "extras." The travel agency owner told the girls that the Travel Centre would make arrangements for them to see the Beatles

and would take care of all tour costs in Liverpool.

When they left the Travel Centre, the three, each carefully clutching a map of England with the City of Liverpool encircled, were busy discussing ways they could raise the required amount by late summer.

Among the "jobs" that they're anxious to find are baby-sitting, weed-pulling, message-running and Wendy says she's willing to take-in ironing. And, of course, they are open to any and all suggestions.

These three young entrepreneurs, who think Paul is the cutest, but like the way all of the Beatles sing and the way they wear their hair, are very serious about the intended trip and are disgusted with their friends who show skepticism about the fulfillment of their trip to Liverpool.

But, they do need work, so if you have any errands to be run, weeds to be pulled, ironing, or need a baby-sitter, call Donna at GL 3-9345; Wendy at 453-0409, or Kathy at GL 3-5649.

DISCUSSING THEIR PLANNED trip to Liverpool to see "The Beatles" with Kurt Thrun, of the Travel Centre, are, left to right, Kathy Brennan, daughter of Mr. and Mrs. Larry Brennan; Wendy Bida, daughter of Mr. and Mrs. Joseph Bida, and Donna Arnold, daughter of Mr. and Mrs. Carl Arnold.

Local News Briefs

Mrs. Helen Farwell arrived home Sunday by plane from Arizona, where she visited Mr. and Mrs. William Arscott in Mesa, former Plymouthites, and visited relatives in Tucson, the past two weeks.

Those who know Mr. Arscott will be glad to learn that he is in the best of health now.

Mr. and Mrs. Peter Ralph Miller were in St. Johns Monday afternoon to attend the confirmation ceremony of their niece, Judy Haske in the St. Joseph Catholic church with Mrs. Miller as sponsor. Later a supper was held in the home of her sister, Mrs. German Haske in that city.

Mrs. Jack Stevenson of Detroit was given a complete surprise Saturday evening by about fifteen couples in honor of her birthday at the invitation of Mr. Stevenson. Mrs. Stevenson is supervisor of the bookkeeping department of the Insta-loan office of the Plymouth Branch of the National Bank of Detroit, and the guests were employees with their husbands or wives. Games and dancing were held in the recreation room with a buffet supper later.

Mr. and Mrs. Samuel Davis of Southport St. and son, Sammy of New York City, joined other members of the family at a supper party in the home of their son-in-law and daughter, Mr. and Mrs. Robert Labbe and family in Jara-n City Friday evening. On Sunday evening Sammy, who had been here for nearly three weeks while his brother, Harold Davis, of Garden City, was in the University hospital in Ann Arbor, left by plane to return to New York.

Mr. and Mrs. E. H. Levering, II and little son, E. H. Levering, III, who have been visiting his mother, Mrs. Mildred D. Levering on Jener St. plan to leave Thursday to make their home in Prospect Heights, a suburb of Chicago, Ill. Mr. Levering is the Central Regional Sales manager for the Helene Curtis Industries.

Mr. and Mrs. Charles Nelson of Blunk St. returned Friday evening after spending the past two weeks in Florida, dividing their time between St. Petersburg and visiting relatives in Bradenton. On their return trip while staying overnight in Bowling Green, Ohio, they found three inches of snow had fallen in the night and more was predicted.

Mrs. Carleton Lewis was hostess Thursday afternoon at a dessert luncheon with the following members of the Priscilla Club being guests: Mrs. Fred Thomas, Mrs. R. A. Kirkpatrick, Mrs. John G. Van Hoy and Mrs. H. R. Penhale.

Dr. and Mrs. Elmore Carney, who had been vacationing for a month in Mexico, visiting various cities including Tampico, Veracruz and Tehuantepec, returned home early last week.

Mrs. Joseph Tracy of Church St. re-entered the St. Joseph hospital in Ann Arbor for more surgery.

Mrs. David Mather of Park Place was hostess Friday evening to members of her contract bridge group composed of Mrs. Frank Allison, Mrs. David Wood, Mrs. John Gaffield, Mrs. Ray Davel, Mrs. Charles Wolfe, Mrs. Marvin Terry and Mrs. Don Rank.

Mr. and Mrs. John Henderson of this city and their brother-in-law, Mr. Harry Sargent of Detroit were entertained at dinner Monday evening in the home of Mr. and Mrs. John Henderson on Burroughs Ave. in celebration of his mother's birthday anniversary.

Mrs. Robert Kenyon was hostess at a bridge luncheon in her home at 11697 Brownell last Wednesday. Attending the luncheon were Mrs. Leo Herter, Mrs. Robert Lidgard, Mrs. Robert Dickman, Mrs. B. Whittaker, Mrs. Joseph Fulton, Mrs. John Fulton, Mrs. John McFolda, Mrs. John Hoffman and Mrs. John Ward of Plymouth; Mrs. Robert Cunningham, of Wayne, and Mrs. Gerald Simons and Mrs. Irb Brown, of Livonia.

Mrs. Edna Kelley of Marshalltown, Iowa, sister of Rev. G. I. Friday, arrived in time for the funeral of her sister-in-law, Mrs. Lorena Friday held Tuesday of last week. Mrs. Kelley will remain for several weeks with her brother.

Mr. and Mrs. Loren Gould and two sons, Bruce and Terry, left Friday for a few weeks vacation at Pompano Beach in Florida.

The following ladies, members of a pinocle club, will be the guests on Wednesday evening, March 2, of Mrs. Robert Summelle in Detroit. Mrs. Wendell Lent, Mrs. Robert Dirlan, Mrs. Noel Spowers, Mrs. Hugh Cash, Mrs. Harold Yackley, Mrs. Craig Dewily, Mrs. Martin Strain and Mrs. Frank Hokenson.

Speaking of Pipes

Mrs. John Moehle Prefers Meerschaum

While a first glance at Mrs. John Moehle might not suggest an unusual avocation, her colonial home at 1279 Ann Arbor Trail would seem to indicate an interest in antiques.

A closer look, however, shows that an unusual variety of antiques takes priority over others with Mrs. Moehle.

She collects pipes — and not just any old pipe either. Intricately carved with amber stems, meerschaum pipes are Mrs. Moehle's hobby. Her collection includes pipes and cigarette and cigar holders made of briar, leather, porcelain, china and even a corn cob pipe, but meerschaums predominate.

Made from a white, clay-like material found primarily in Asia Minor, meerschaum pipes turn yellowish and eventually brown as they are smoked, Mrs. Moehle explained.

MANY OF the pipes in her collection have a soft yellowish tinge to them, and some are darker, though they have not been smoked since Mrs. Moehle bought them.

Precautions must be taken with meerschaum. Because they must be kept in a humid atmosphere, Mrs. Moehle keeps a glass of water in the case where her pipes are displayed.

In addition, meerschaum should always be handled with a chamois cloth to prevent them from acquiring a greasy cast.

When a meerschaum pipe is new it can only be smoked a few minutes at any one time, so that it will heat and color evenly. Care also must be taken so that the carving does not burn.

The most common patterns on the pipes, made in the 1800's, are horses and stags. Mrs. Moehle's collection includes carvings of children, women, and famous men. The handcarved pipes come primarily from Germany, Austria and England.

HOLDING one of the rare, old meerschaum pipes she collects is Mrs. John W. Moehle of 1279 Ann Arbor Trail, Plymouth. Mrs. Moehle doesn't smoke the pipes—just collects them. In the case next to Mrs. Moehle are more of her collection.

A STRIP TEASE artist of the 1870's, Anna Held, is the subject of one of the pipes. She, in risque dress, is near the bowl of the pipe. Even the ruffles around the neckline of her dress are intricately carved.

A cigar and cigarette holder set portrays a boy in a sled, throwing a snowball, with a dog pulling the sled. On a woman, subject of an

other of the pipes, even mesh stockings have been carved, in addition to all of her facial features.

Several water pipes are also included in Mrs. Moehle's collection.

About 25 years ago, on her first trip to New York City, Mrs. Moehle said, she wandered through Chinatown asking for opium pipes, and the clerks would walk away from

her and not return. Finally she realized that she should not be asking for "opium" pipes so when she entered another shop she asked if they had any pipes, and immediately was shown a water pipe which she bought.

THREE people could smoke the water pipe Mrs. Moehle has on display on her mantle. The base of the pipe, where the water is placed, is Czechoslovakian glass; topped by fittings made of German silver (which is more easily bent and shaped than regular silver) where the tobacco is placed. Three tubes run off for people to smoke.

"We've tried to smoke this one but without much success," Mrs. Moehle explained. She said it probably has some leaks in it. The pipe is about 100 years old.

An elephant's head pipe, complete with tusks, carved from wood is part of the collection. Mrs. Moehle explained that it was probably made during a political convention.

"I thought you needed a new dress," her husband comments occasionally when she comes home with a new pipe, Mrs. Moehle said. She explained that her father and grandfather collected pipes, and when her father gave up smoking a number of years ago he divided the collection between her and her sister.

SINCE THEN she has bought another collection in addition to buying individual pipes. She has her best pipes in a glass case in her living room plus two drawers packed full in her dining room.

Because there are a few books about pipes, Mrs. Moehle said, most of her knowledge comes from talking with people.

"To find these pipes you have to be a junk dealer at heart," Mrs. Moehle comments. She finds many of her pipes in second hand furniture stores and antique shops.

Local Student Girl Injured In Sled Crash

A 12-year-old Our Lady of Good Counsel student was listed as doing well Monday and is expected to be released from Wayne County General Hospital on Wednesday after a Saturday accident that ripped a five-inch gash in her leg.

Sandra Evans, daughter of Mr. and Mrs. Harold Evans of Livonia, was rushed to the hospital shortly after 3 p.m. Saturday afternoon. Her father is plant manager of Plymouth's Enterline Photo Finishing.

Overholt, daughter of Mr. and Mrs. Gene R. Overholt of 11896 Brownell, when the accident occurred.

He said she was headed down a steep hill on Edward Hines Drive, near Hagedry, when she saw her sled was about to hit a tree.

The sled boards drove into the upper part of her thigh, tearing a five-inch gash at the point of entry and a three-inch cut on the other side.

Fortunately, Evans said, the boards did not damage the bone or muscle in the girl's leg.

Reserve Tankers Win to End with 9-1 Season Mark

Winning became a habit for the JayVee swimmers after they lost their opening meet to Trenton and last Wednesday they ended their season with their ninth win in a row by downing Bentley 62-43.

The last time the JayVees met Bentley they won by the same score and were expecting a much-tougher meet this time.

With Coach Tom Workman home in bed with strep throat, the reserve tankers showed the power they have been using all year to take 6 of the 11 first places and the victory.

The medley relay team of John Skinner, John Bates, Tom Wernet and Pat Brady, opened up the meet with a win in the time of 2:03 flat.

Chuck Olson then won the 200 yard free style in 2:17.3 with Gary Bohl finishing third to give the Rocks a good lead to work on.

Diving was Plymouth's event as Dave Cook and Dick Lorenz finished 1, 2.

Wernet and Bob Wolfram added more points by taking the top two places in the butterfly. Wernet's winning time was 1:08.5.

Russ Crosby took the 100 yard free style in 1:01 with Bohl finishing third.

The backstroke proved to be a pleasant surprise as Skinner swam his best time of the year to win the race in 1:11.9. He knocked off 3 seconds from his previous best time of 1:14.8. Bob Shirey finished third in the race.

Other place-getters for the Junior Rocks were second place finishers, Crosby, Jeff Gustafson, Olson and the free style relay team of Shirey, Wolfram, Brady and Lorenz. Third place finishers were Cook, Mike Bentley and Bates.

Skinner, Gustafson and Bates all improved on their times in this meet.

With three-quarters of the varsity swimming team being lost by graduation, the strong reserve swimming squad will have many gaps to fill for next year.

Shirey and Gustafson have already been brought up to the varsity and may possibly swim in the league meet if their qualifying times warrant it.

Swim Finals Begin Friday

The Suburban Six Swimming League Meet will be held this Friday and Saturday at the Belleville pool. The meet is used to determine the swimming champ of the league.

Starting at three p.m. on Friday the Rocks will be in there trying to defend their league crown which they have won 7 of the 8 times Plymouth has competed.

The 400 yard free style and the diving preliminaries will be held Friday afternoon and the rest of the prelims will be held Saturday starting at 1:00. The finals for all events will be run off Saturday evening starting at 8:00.

Each team is allowed up to 4 entrants in each event and one relay squad for each of the two relays.

Plymouth and Trenton are considered to be the favorites with the final decision wide open between the two teams.

Rocks Draw Garden City In Tourney

Plymouth drew a tough opponent in Garden City and will have to hustle if it wants to stay in the District Tournament at Livonia-Franklin.

The game will be played Wednesday, March 4, at 8:30, following the Robichard-Franklin game at 6:30.

The winner of Plymouth's game will play Inkster, Friday, March 6.

The winner of the Franklin game will play Bentley on Friday and the final game will be played on Saturday.

NOTICE OF PUBLIC HEARING

VACATION OF ALLEY

City of Plymouth, Mich.

Notice is hereby given that on Monday, March 16, 1964, at 8:00 p.m., a public hearing will be held by the City Commission in the Commission Chamber of the City Hall upon the question of whether or not the following alley will be vacated:

A public alley, between Deer Street and Kellogg Street, from Wing Street southerly to the south boundary line of Reiser and Stellwagen Subdivision, lying in two subdivisions. The northerly portion being 12 feet in width and being contained in Assessor's Plymouth Plat No. 20, and the southerly portion being 18 feet in width and being contained in Reiser and Stellwagen Subdivision; further described as lying between Lots 762, 765, 780 and 782 of said Assessor's Plymouth Plat No. 20, and also lying between Lots 12 to 19, both inclusive of said Reiser and Stellwagen Subdivision, on the westerly side of the alley and between Lot 20 to 26, both inclusive, of said Reiser and Stellwagen Subdivision, on the easterly side of the alley. The total length of this portion of the public alley under consideration being 577.06 feet, measured along the westerly side of the alley.

All interested parties will be given ample opportunity to participate in the hearing and, at the close of the hearing, the comments and suggestions of those citizens participating will be considered by the City Commission before making a decision.

Auto-Crat Wins Again

The JayCees played one of their best games of the season as they met defending champ Cloverdale last Wednesday evening but were unable to take the lead in the closing minutes and lost 37-29.

Bill Ruehr was high for the winners with 8 points, followed by Tom Ferguson with 7. Dan Rowland was high for the losers with 12 points for the losers with Jim Dyer collecting 7.

Auto-Crat continued to lead the Men's League by dropping Sharrard-Jarvis 64-43.

Dave Raver was high for the winners with 18 and Jim Dart had 15. The losers were led by Dave Travis with 12 and Dick Bearup with 6.

Suburban Six Final

Plymouth tried to help out Allen Park but Trenton had other ideas so Bentley became the Suburban Six Champion by way of the back door.

In order for Allen Park to share the crown, the Rocks had to defeat Bentley, which they did, 59-50, but Allen Park had to beat Trenton, which they didn't. Instead they lost 63-59, so Bentley ended up on top all by themselves.

Redford Union moved into a tie with Plymouth for third on their 68-58 win over Belleville.

Class D, E Cage Scores

The Commodores moved up to tie for first place in the Class E basketball race by winning a forfeit over the 65R's.

The Wolverines stayed on top in the Class D race by edging out the Good Guys 23-21, in a close basketball game last Thursday night.

The Good Guys went into an early 7-4 lead but an 11 point burst in the third period gave the winners a lead they never lost.

Singleton was high for the victors with 9 points while Glenn Soleau led the losers with 14.

The boys play their last games this week.

Rocks Topple League Champs, 59-50

The Rock Cagers showed they had upset on their minds from the opening minutes of last Friday's game with league champion Bentley and went into a lead they never lost, and won, 59-50.

Most games are team efforts and this one was no different but without a certain sharp-shooting guard by the name of Gary Grady, the story just could have been much different. Grady, who has been top performer all year, saved the game as he sank 10 free throws in the last quarter to keep Plymouth's slim lead intact.

The Rocks led through the whole game but were always in constant danger of losing it as Bentley used a persistent, half court press which, with a few mistakes on Plymouth's team, could have resulted in 3 or 4 quick baskets.

PLYMOUTH did throw a few away but always calmed down soon enough to prevent any major uprising on Bentley's part.

Coach Charlie Ketterer employed a zone defense which proved to be very effective as it kept the Bulldogs shooting from outside and upset their usually potent scoring. Bentley only made 17 of 63 shots with most baskets being made from outside or on a fast break.

Plymouth made one less from the floor, as they hit 16 for 47, but its percentage was much higher.

The difference in the game came from the foul shooting because the Rocks hit almost 80 per cent of the shots with a 27-34 mark. Bentley's percentage was also high but they only made 16 out of 24.

THE BULLDOGS pressing defense caused them to foul which gave Plymouth 10 more free throws than Bentley. The Rock's ability to sink the free shows made the difference.

In all, Plymouth made 16 free throws in the last quarter with Grady making 10, Doug Sutherland 4, and Captain Cui Luibrand sinking 2.

Grady led the Rock scoring with 21 points and Luibrand had 14.

The victory over Bentley gave Plymouth a 5-5 mark in league play going into the district tournament at Franklin.

Box Score	FG	F	T
Luibrand	5	4	14
Kisabeth	3	0	4
Nelson	2	0	4
Egloff	1	0	2
Grady	5	11	21
Sutherland	0	6	6
Kuisel	0	1	1
Hannula	0	5	5

Swimmers Win One, Lose One

The Rock Varsity swimmers ended their regular season by defeating Bentley, 61-14 on Thursday and then were edged out by Thurston, 56-49.

In the Bentley meet the medley relay team started out toward the victory as they won with a time of 48.7. The team was composed of Dan Olson, Dave Agnew, Jim Beglinger and Dick Berry.

Plymouth dominated the diving, with John Herter and Burt Quinn finishing 1, 2.

CO-CAPTAIN Beglinger won the butterfly in 59.8 with Rick Malbecou finishing third.

In the backstroke Olson was the winner with John Bowman placing third. Olson's time was 1:02.

The Rocks other co-captain Tom Blunk contributed to the last league victory of the year by winning the 400 yard free style race in a time of 4:26.5. Dan Decker placed third in the race for Plymouth.

PLYMOUTH'S strong free style relay team ended the meet on a high note as their time of 34.7 set a new Bentley Pool record. Berry, Burke, Drennan and Jim Norman made up the record setting team.

Other point getters in the meet were, Jeff Hoffman, Bob Knapp, Alan Saxton and Dave Agnew.

At Thurston, the Rocks posted some good times but were unable to defeat the team from South Redford.

Jim Beglinger turned in his two best times of the year in the events that he won Saturday night. He started out by winning the individual medley in 2:12.2 and then added a 4:21.5 clocking in the 400 yard free style to cap an excellent year as one of the Rocks co-captains and best swimmers.

OTHER WINNERS for the Plymouth team were Jim Norman in 200 yard free style with a time of 2:01, Dick Berry in the 50 yard free style with a time of 23.8 and the free style relay team won in 36.5. The squad was made up of Burke, Jim Mattison, Saxton and Drennan.

Second place finishers for the Rocks were, Blunk, Herter, Norman and Olson.

Those taking a third place were, Burke, Malbecou, Berry, Blunk and Doug Jaskierney.

With Thursday's win and Saturdays loss the Rocks ended the year with an excellent 12 won, 3 lost record in dual meets.

This Friday the Rocks begin their battle for the league championship. Details are elsewhere on this page.

JayVee Cagers Drop Decision To Bulldogs

The JayVee cagers tried to drop a strong Bentley squad but were unable to hold the Bulldogs' Tow Swift down and ended up on the short end of a 55-44 ball game.

The Rocks had intentions of dropping the Bulldogs as they did in their first encounter but, with John Hannula playing varsity, were unable to get a good offense rolling.

The first quarter saw the teams play to a 6-6 tie as defense prevailed. The second period proved to be more potent for the offensive game and Plymouth led at halftime 23-20. The major reason for this was that the Rocks held down Swift and only allowed him a few points. But he began driving in the third period and sparked a 23 point scoring spree to put the Bulldogs ahead 43-32 as the Rocks were only able to score 9 points. Plymouth stayed with Bentley from then on but were unable to gain on the 11 point spread that Bentley had built up.

Bob McCall led the Junior Rocks in scoring by hitting 4 from the floor and 3 from the free throw line to score a total of 11 points. Jim Bruff was next in line with 7.

The Rock quintet still ended up with an excellent 11-4 overall season record which is one of the best seasons the JayVees have had in recent years.

Hawks League Champs Again

The Juvenile Blackhawks from Plymouth lost out in the Outdoor State Championships but defeated Garden City, 3-0, to win the league championship for the second straight year.

The Hawks lost a heart-breaker to Dearborn in the State Play-offs. The Hawks were leading 1-0 with a minute and a half remaining but two freak goals in that short time gave Dearborn the game, 2-1.

Terry Cosgrove scored the Hawks lone goal.

In the Garden City game it was the Hawks all the way with goals by Randy Sharland, Skip Otwell and Brad Miller, who was assisted by Bob Crowther.

Tuesday, March 3, is Trophy Night at the Garden City rink at the corner of Cherry Hill and Merriman and the Hawks will receive their trophy after a couple of short exhibition games which will start at 7:00.

Junior High Cagers Split

The Freshmen had trouble in the beginning of their game at Cherry Hill but warmed up in the second quarter and went on to win, 31-22.

The Fresh could only score 2 points in the first period but Cherry Hill was as bad and only scored 2 themselves. The second quarter was different as the ninth graders outscored Cherry Hill 13-4 to lead at half time, 15-6.

Plymouth held on to their lead and was never seriously threatened in the second half.

John Davis was high man with 7 points followed by Dalton Williams and Steve Hulce with 6 points apiece.

The eighth graders were not as fortunate but did manage to hold down a team that had beaten them by 31 points and stayed within eight points for most of the game but finally lost 35-20.

The next meeting of Plymouth Grange will be held this week Thursday evening, March 5, starting with the annual pot-luck supper at 6:30 p.m. at which time March birthdays will be acknowledged. The business meeting will follow at 8 p.m. The program following the business meeting will be in charge of Dr. Ralph Pino and will concern a timely health subject. Health, being a most important personal commodity to all of us, is a program no Grange member will want to miss.

Remember this is the week of the Plymouth Grange Rummage Sale. All contributions for this sale should be in by Thursday evening, March 5. The hall will be open at 4 p.m. on Thursday. Anyone having items to contribute for this sale, but being unable to bring them to the hall, may have them picked up by calling Louise Gillis at GL 3-3113 or Eve Farquhar at GL 3-5255. Your contributions can make this our best sale yet. Rummage Sale hours will be 1 p.m. to 6 p.m. on Friday, March 6, and 9 a.m. to 6 p.m. on Saturday, March 7.

Washtenaw - Wayne - Pontonara Grange will meet at Pittsfield - Union Grange, Tuesday evening, March 10. Light refreshments, pot-luck, will be served following the meeting.

Mollie Tracy returned to St. Joseph Hospital on March 2, for surgery on the hip she had the misfortune to break last winter. Our cards will help to cheer Sister Mollie. Our Master, Jesse Tritten, and wife, Louise, attended a Recognition Dinner for Stanley M. Powell, a member of the Michigan State Grange Executive Committee, at the Kellogg Center in East Lansing, Feb. 25. This dinner was arranged by the Michigan State Farm Bureau and honored Mr. Powell for 43 years of service to that organization and marked his retirement from his duties with the State Farm Bureau.

Mr. Powell has indeed built up an enviable record of service to Agriculture and to better government in Michigan. Ten members of the Michigan State Grange joined in honoring Mr. Powell. Tributes were paid, personally, to the guest of honor by Governor Romney, Charles Figy, former commissioner of Agriculture for Michigan, Milton Grinnell, Editor, Michigan Farmer, and a number of other outstanding persons from Agriculture and from related industries.

TREFOIL DOINGS
By Shirley Scout

Nine Junior Girl Scout Troops met at the Gallimore School on Feb. 18 for a Thinking Day Program. Participating in the meeting were troops: 255, 260, 269, 272, 304, 375, 391, 203, and 482.

On March 10 Brownie Troop number 338 and Junior Troop number 269 will gather with their parents and families for a potluck supper. They will meet at the Gallimore school to celebrate Girl Scout Birthday Week. Included in the program will be the investiture of 7 girls into troop 269.

The patrols of both troops are planning the various parts of the program.

On Feb. 24 the members of Junior Girl Scout Troop number 411, patrol 3 presented the girls "Hansel and Gretel." The girls are currently working on their drama badge and were pleased to present their latest work to the other troop members and their leaders, Mrs. Shirley Harrison and Mrs. Janet Luce.

The troop meeting and play were held at the home of Mrs. Joan Wehmeyer.

All Plymouth Girl Scouts will be taking cookie orders from Feb. 23 through March 15. They will be delivered between April 22 and May 2.

85 YEARS YOUNG

Mrs. Martha Héft, mother of Mrs. William C. Hartmann, celebrated her 85th birthday last Friday. Throughout the day friends, neighbors and relatives dropped in to visit and offer their congratulations. The day was climaxed with a family dinner party at the home of the William Hartmann's. Present were her brother and wife, Mr. and Mrs. W. A. Schonschack, of Wyandotte; grandchildren, Mr. and Mrs. M. G.raham LaRe, Martha, Mary and Richard, and Mr. and Mrs. William C. Hartmann, III, William and Mary Catherine, all of Livonia.

Oilman Speaks To Kiwanians

"Oil and Gas Business" was the topic of conversation by Ralph Dodds as guest speaker at the local Kiwanis Club meeting last Tuesday evening. Dodds has been working in the Plymouth area for the past six months acquiring gas and oil leases for Peake Petroleum Co.

Peake Petroleum is a subsidiary of the Chesapeake & Ohio Railroad, having their home office in Charleston, W. Va.

John Schroeder was the guest of Kiwanis member Max Allen.

On March 10, the Plymouth Kiwanis Club will celebrate its third anniversary of meeting at Lofy's Arbor-Lil.

Lake Pointe News

An impressive crowd heard Dr. Warren Ketchum of the University of Michigan speak at the Farrand PTA last week. Ketchum spoke about reading ability in children, stressing the fact that much of the child's ability depends on the parent. The PTA has also started plans for their annual Flower Festival which this year will be combined with an ice cream social. The co-chairmen are Mrs. Warren Dusbiber and Mrs. Floyd Peterson who would be glad to hear from anyone who would like to help out.

Mrs. Robert Shuman, Mrs. Maurice Breen, and Mrs. Richard Lauterbach were some of the Jay-C-Ettes from Lake Pointe who met at the home of Mrs. Joseph Fletcher to help plan how they are going to serve dinner to the five to six hundred people the Jay-Cees are expecting to have at their bowling tournament on March 14. According to Mrs. James Garber, president of the organization, their main purpose is to support all the Jay-Cee projects. This time it means preparing and serving Sloppy Joes. While they were listening to the plans Mrs. Barry Coutts, Mrs. Robert Wilson, Mrs. Douglas Blunk, and Mrs. Robert Peterson were busy sewing on cancer pads, another project the Jay-C-Ettes are working on.

The Robert Klimes had the Newcomers dance group at their house last Thursday night. The group which is made up mostly of Lake Pointers was organized by the Richard Lurains. It includes several couples such as the Henry Pauls, and the Robert Petersons who have taken lessons before along with couples who have never done any dancing at all. Mrs. Elaine Winkler is teaching the James Swindlers, the Robert Bartleys, the David Zarts, and the Irwins the basic steps of all the common dances before moving on to the more intricate ones. Also in the group are the Michael Del Bussos who are building a house in Lake Pointe.

According to Donald Bosker, scoutmaster, there are still tickets available for the boy scout pancake supper on March 14. The troop is planning to use the profits to buy tents for their outings. For tickets call Mr. Bosker at 453-5125 or Mrs. Howard Whipple at 453-0889.

Among the plans Mrs. Fred King and her committee, Mrs. Mary Spagnola, and Mrs. Donald Dugger have made for the Homeowners Spring Dance is a buffet supper to be served from ten to twelve p.m. The committee feels they were fortunate to be able to reserve the Farm Cupboard lounge everyone to buy their

ELECTRIC HEAT HELPS KEEP YOUR WHOLE HOUSE CLEANER!

Customers say with electric heat, you won't have to dust under beds, wash walls or clean draperies nearly as often. Why? Electric heat is flameless. Dust-laden outside air, in the quantities necessary to support a fire, is not drawn into your home. And because it is flameless, there's no soot. No fumes.

You get more out of life electrically. And Edison's new low All-Electric Living Rate gives you more reason than ever to consider electric heat. Before you buy, build or modernize, talk to an Electric Heating Contractor or Edison about electric heat.
