

Open New Store Here

A complete remodeling and facelift is under way at the former Kroger building on Forest Ave. in downtown Plymouth as a discount retail chain prepares to occupy the 12,000 square-foot, air-conditioned building.

The Plymouth store will be the fifth retail outlet in the state of Michigan for Consumers Center, Inc. of Pontiac, according to manager Edward Eddy of Royal Oak.

With its home office in Pontiac, Consumers Center, Inc. has stores in Detroit, Adrian and Battle Creek. The local unit has set its opening for the end of April after remodeling operations are complete.

VACANT FOR some months, the building is undergoing complete interior redecorating including the installation of a new lighting system and new fixtures.

Eddy said Consumers Center will employ approximately 20 persons, all from the Plymouth Community. The firm has taken a long-term lease on the building, owned by J. G. Rucker, Jr., W. J. Rucker and J. H. Rucker of Stop & Shop Super Market, he said.

Consumers Center will carry a complete line of first quality merchandise, all discount priced. Eddy noted. Included will be wide selections of men's, ladies' and children's wear, shoes, housewares, and beauty and health aids.

Consumers Center operates on a satisfaction or money back guarantee basis, Eddy noted.

Urge Voters to Register Early

A concerted drive to register new voters was launched last week as Clerk John McEwen of Plymouth Township and City Clerk Richard Shafer proclaimed April "Register to Vote Early Month" in the Plymouth Community.

Shafer's office, located in the City Hall, will remain open until noon on Saturdays throughout the month for the drive. Clerk McEwen's office maintains Saturday office hours as a matter of course.

The two men issued a joint statement asking Plymouth Community residents if they were registered voters and, if not, urging them to register now.

"AVOID the last minute wait-in-line by registering April," they said.

McEwen's office, located in the Plymouth Township Hall, will be open from 9 a.m. to 5 p.m. Monday through Friday and from 9 a.m. to 12 noon on Saturdays. Shafer's City Hall quarters will maintain hours from 8 a.m. to 5 p.m. Monday through Friday and from 8 a.m. to 12 noon on Saturdays for the rest of the month.

In a letter to city residents, Shafer detailed his reasons for pushing early registration. He wrote: "DURING the final weeks prior to closing of the registration polls in preparation (Continued on Page 2)

The PLYMOUTH MAIL

THE MAIL IS HOME OWNED — COMPLETELY PUBLISHED IN PLYMOUTH — BY PLYMOUTHITES FOR PLYMOUTHITES

Vol. 76, No. 31

Tuesday, April 7, 1964

\$4.00 Per Year with Plymouth Address. \$5.00 Elsewhere in U.S.A.

10 Cents

A CAPACITY crowd of more than 130 persons turned out last Wednesday for the Plymouth Community Chamber of Commerce membership luncheon held at Lofy's. Above, enjoying their meal are, left to right, Ernest Henry of Plymouth Kiwanis, William Fehlig and Mrs. Boyden Muzzy of Fehlig Real Estate, Roger Corey of Perfection Laundry, Thomas C. Dorest of Fehlig Real Estate, Roy C. Bennett of M. Powell & Son, Inc., and William J. Rucker of Stop & Shop Super Market. At left, Kal Jabara and his brother James M. of Plymouth Tank and Fabricating Co., Inc. sign up for Chamber membership as table captain Joseph Near of the Plymouth Community Federal Credit Union looks on.

New Community Image Needed, Chamber Told

In a direct departure from the Chamber of Commerce luncheon speakers are apt to follow, ex-mayor and prominent businessman Harold Guenther of Plymouth threw a series of penetrating questions at a crowd of more than 130 persons last Wednesday with the admonition that they "take it up" and seek solutions.

Billed in advance as a speaker who would discuss past and future chamber achievements, Guenther told those present he would touch on the past only so he could discuss the future to a real and sensible degree.

"A few years ago," he said, "Plymouth was an isolated, agriculture-centered town with all the attendant complacency and conservatism." Today, he pointed out, some vestiges of the past remain.

IN TOWNS like Plymouth, he said, buildings are often owned by old residents, satisfied with the status-quo.

"We must work our way out of this," Guenther commented. "We need an image of the total Plymouth Community." He noted that he often seems to be singing the same song.

"It's a song that stays in my mind because this seems to be the thing to do." Referring to the Plymouth Community as a whole, Guenther said:

"WE MUST find some way of joining together. And this is not a sneaky way of getting you to join the chamber. I don't care how we do it."

Pointing out that the automobile had given mobility to the consumer, Guenther urged the creation of something that says, "This is Plymouth." Concerning community unification, he asked these questions:

"How shall we combine? How shall we submit to leadership? How shall we (Continued on Page 2)

Report Over-Subscription For Alexander Hamilton

In a letter to some 9,000 subscribers, dated April 3, the Mid-Western Investment Corporation of Plymouth reported that the sale of 1,500,000 shares of unissued Class A Common Stock of Alexander Hamilton Life Insurance Co. was completely sold out and over-subscribed by approximately 650,000 shares or approximately \$2,600,000 before selling could be stopped.

When an estimate of the over-subscription could be made, the letter noted, Alexander Hamilton Life amended its Articles of Incorporation to provide an increased number of Class A Common Shares.

Subscriptions are still coming in, according to the letter signed by E. Keith Owens, executive vice president of Mid-Western Investment and Chairman of the Board of Alexander Hamilton.

The letter means the insurance company will probably capitalize at \$8.6 million, \$2.6 million higher than the original goal of \$6 million capitalization. Reports indicate the figure would set a new high for insurance company capitalization.

Symphony to Feature "Gem" of Comic Opera

When symphony members take their seats Sunday evening, the Plymouth Community will be treated to a gem of 19th-century comic opera, sung in a new English adaptation by the Turnau Opera Players, currently on their fifth national tour.

The 8:15 p.m. performance with the symphony, under the direction of conductor Wayne Dunlap, will be the last of the orchestra's 18th season.

It will be a full-scale production with scenery, costumes and settings.

Termed scintillating, ambitious, enthusiastic and of exceptionally high caliber in reviews throughout the nation, the Turnau Opera Players originated with a group of former students of the late Professor Josef Turnau and is named in his honor.

IN EUROPE, Professor Turnau had been a leading stage director prior to the Nazis. His career in the United States was dedicated to the fostering of young operatic talent to the end that opera might become here, as in Europe, a widely enjoyed and practiced part of life.

In the summer of 1955, the company went to Pine Hill, N.Y., converted the skating rink of the recreation hall into an attractive little theater and gave 38 performances, including the world premiere of Ashley Vernon's "Grand Slam."

The group was subsequently asked to become the resident company in Woodstock, N.Y.'s Byrdcliffe Theater. Since then, the Turnau Opera Players has been dedicated to presenting opera as it is meant to be — a complete union of dramatic and musical values.

OPERA, sung in English by the players, is a very personal experience for the audience — an intimate and highly enjoyable type of musical entertainment which delights opera lovers and creates new enthusiasts.

Gioacchino Rossini's "The Barber of Seville" is a three-act, highly melodious opera of simple harmonic structure.

As the story opens, the pretty Rosina is the ward of old Dr. Bartolo, who plans (Continued on Page 2)

by actual count were received by 11 a.m. last Wednesday, just 17 hours after the Plymouth Mail hit the newsstands, by R. D. Willoughby at Willoughby's Shoe Store in response to the Want Ad he placed in last week's Plymouth Mail. Willoughby, who kept track of the calls as they came in, said he rented the house to the first person who called.

City to Examine Renewal Project

City Commissioners George Lawton and Arch Vallier, at Monday evening's City Commission meeting, volunteered to sit down with City Attorney Edward Draugelis and Urban Renewal Director (and City Manager) Albert Glasford to examine the urban renewal project schedule to try to determine if it is realistic and exactly what work has been done to meet the May 31 deadline.

Lawton, earlier in the meeting, had expressed concern that the Urban Renewal project was moving too slowly. He said it should be cleared up so that the land could be sold at the earliest possible time.

Several snags have arisen in the project. Only verbal agreement was given to several items that should have been confirmed in writing, including compensation to property owners at the rate of \$25 a room when compensation is supposed to be based on the going rate in the city.

PLYMOUTH'S rate is below this figure. Compensation by the federal government for the use of city owned machinery has not been given fully, as agreed verbally. City Attorney Edward Draugelis, however, said that at least part of these differences are negotiable.

Lawton withdrew an earlier motion that the council be instructed to work with management to expedite urban renewal in favor of having a commissioner discuss the problem with Draugelis and Glasford and continuing from there.

In other action, the Commissioners unanimously approved the motion made by Lawton that the Commission approve a Chamber of Commerce membership for the City Manager, but not for the city as such, to join.

A BID of \$12,250 made by Burger Construction was accepted for the construction of the city garage addition. Only one other bid for several thousand dollars more was presented to the Council.

The Burger Construction bid contained a bid of an additional \$468 for the use of insulating glass, thermopane, rather than regular glass. The Commission decided to wait to decide which glass to use in the building.

Dr. John Robison's bid of \$23,000 for the entire parcel of land at 896 Penniman Ave. was also accepted by the Commission.

Robison, who lives at 882 Penniman, will pay cash to

the city down to the land contract price of \$17,533.66, held by the city.

Robison now owns the land on Penniman from the corner of Harvey to the Post Office. The only other bid received was one for \$21,500 by Dr. Robison for the parcel of land, minus a triangular piece that the city would have kept.

APPROVAL was given a motion by commissioner Vallier to give permission to the Buckeye Pipeline Company to install a 12 inch underground pipeline along the eastern boundary of city-owned Riverside Cemetery in Plymouth Township, provided the company pays the city (Continued on Page 2)

City O.K.'s Amended Housing Covenant

Reversing their stand of a week ago, Plymouth city commissioners Monday night unanimously accepted an amended version of the Plymouth Human Relations Assembly's open housing covenant. City Commissioner Robert Smith, absent from last week's meeting, suggested that the commission reconsider.

Last Monday the city's governing body split 3-3 on both a motion to endorse the covenant and an amendment to it.

Absent from last night's meeting were commissioners Robert Beyer and James Hook and City Manager Albert Glasford.

THE WORDING of a portion of the covenant was amended to read:

"Therefore, if any responsible person of whatever race, religion or national origin moves to this community, we pledge that this governing body will work with him to build, improve and maintain a community which is good for all.

The covenant as presented by the Human Relations Assembly and approved by the Human Relations Commission had read:

"Therefore, we pledge this governing body to welcome to our city any responsible person . . ."

The split vote at the previous meeting occurred following a dispute over the word "welcome" in the covenant.

Cite 40 Years of Rotary Service

GREETINGS from Rotary International were delivered by Past International President Richard C. Hedke, standing, at the Plymouth Rotary 40th anniversary dinner, held Monday evening at Lofy's. Seated next to him at the speaker's table, from right to left, are Past President Harold E. Guenther, District 640 Governor Clifford Ashton of Grosse Pointe, Past President Earl C. West and Chamber of Commerce President Wendell Lent.

More than 225 persons, including heads of other Plymouth service clubs, city and township dignitaries and State and international Rotary officials, jammed Lofy's Monday evening for the 40th anniversary celebration of Plymouth Rotary.

Following the invocation by David Galin and dinner, Plymouth Rotary President Robert Beyer welcomed guests and presented general chairman Frank Henderson to the crowd.

Henderson introduced toastmaster Harold Guenther of Plymouth who recognized prominent members of the audience.

DISTRICT Governor Clifford Ashton of Grosse Pointe and the presidents of at least four other Rotary clubs were present for the festivities.

Presidents of Plymouth Kiwanis, Lions and Junior Chamber of Commerce attended the dinner meeting.

Chamber of Commerce President Wendell Lent presented Plymouth Rotary with an honorary plaque from the Chamber, in recognition of the service club's 40 years in the community.

Lion President Bruce Richardson presented Rotary Presi- (Continued on Page 2)

ENJOYING themselves at Monday evening's Plymouth Rotary 40th anniversary dinner were, left to right, Mr. and Mrs. Clifford W. Tait of 13970 Ridgewood Dr. Mr. and Mrs. Glenn Jewell of Mecosta and formerly of Plymouth, and Mr. and Mrs. Frank R. Allison of 1028 Church St.

In A Nutshell . . .

★ Unless people register immediately for adult education classes, some groups will have to be cancelled, according to Plymouth Community School District adult education director Herbert Woolweaver. Registration has been slow. The majority of classes are due to start the week of April 20, Woolweaver said.

★ The Plymouth Lions Club was granted permission at Monday's city commission meeting to solicit financial assistance on Plymouth streets for White Cane Week, May 1 and 2. Governor Romney has proclaimed the week beginning April 26 as "White Cane Week". Proceeds will be used to help the blind.

★ Named as manager of the Plymouth Secretary of State Branch office, effective Monday, was Orville Tungate, western sales manager of Seaboard World Airlines. Secretary of State James Hare named Tungate to replace Mrs. Doris Root who resigned recently. The office, located at 181 W. Liberty, will maintain the same schedule: 9 a.m. to 5 p.m. Monday through Friday and 9 a.m. to noon on Saturdays.

★ News commentator Carl Cederberg of WJBK-TV will assist Plymouth veterans groups in commemorating war dead on Memorial Day, Saturday, May 30. Cederberg will be the guest speaker at the annual program held in Kellogg Park.

★ Sundays, April 19 and June 14 have been proclaimed as "Anti-polio Sugar Cube Days" by Mayor Richard Wernette. On these two days doses of the oral polio vaccine will be distributed for a nominal charge of 50 cents in Plymouth Community Schools. The clinics will be set up in Allen, Bird, Gallimore, Smith, Starkweather and Farrand Schools from 11 a.m. until 4 p.m.

★ Re-elected as mayor of Wixom by a margin of 20 per cent was Wesley McAtee, owner of Plymouth Office Supply and Betty's Book and Card Shop. The Wixom election was held Monday.

Other Plymouthites Unharmed in Alaska

Word has been received in Plymouth that Hale Huber's wife of three months escaped the path of Anchorage's earthquake and that Eugene Gothe, brother of Walter Gothe, of Marilyn St., also was safe. Huber, son of Mrs. Michael Huber, of S. Main St., had been in Minneapolis on a business trip when the earthquake struck more than a week ago, but his wife had remained in Anchorage. Huber called his mother last week to tell her he had returned to Anchorage to find his wife unharmed and their apartment in good shape. His wife had been visiting friends outside Anchorage when the earthquake hit.

In a letter from Huber, received by his mother last Friday, Huber said quake reports had been exaggerated, although there had been a large extent of property damage in the downtown area. Huber, a sanitation engineer with the U.S. government in Anchorage, will aid in the repairing of the Anchorage hospital.

Gothe finally received word last Wednesday night that his brother, Eugene and his wife and three children of Seward, were all fine and that their house was standing, but not livable.

Gothe's mother, who lives in Iron Mountain got word by calling Civil Defense in Seward, and then called her son in Plymouth.

Symphony

(Continued from Page 1)

to marry her. To win Rosina for himself, rich Count Almaviva enlists the help of Figaro, barber and factotum of all Seville.

Many pranks and much confusion ensue. Since its premiere in Rome on Feb. 20, 1816, audiences have delighted in the amorous pursuit of the beautiful Rosina by the romantic Count and his irascible rival, the decaying Dr. Bartolo; and when these are joined by the ghoulish Don Basilio and others, the result is general mayhem.

AT THE eye of the storm stands the extraordinary Figaro, master schemer and engaging realist, ever ready to create or resolve confusion at the clink of a coin. There will be no baby-sitter service provided at Sunday's performance.

City to Examine

(Continued from Page 1) going rate for right of way access.

Vallier told commissioners he had received a letter concerning Plymouth's offer to purchase a fire truck from the city of Lansing that Lansing could not, at this time, sell the specified truck.

Commissioners unanimously approved Vallier's motion authorizing the city manager to negotiate with Canton Tractor for the purchase of a tractor and to then report back to the Commission.

CANTON Tractor originally made the second low bid for the sale of a tractor to the city.

The motion was made because the tractor supplied by the low bidder, International Tractor, proved unsatisfactory and other terms of the contract were not met. The wheels on the first tractor were crooked and mowers that the city also ordered were not sent so Plymouth cancelled this purchase order and returned the tractor.

Commissioners also instructed City Attorney Edward Draugelis to check to see if the city can be held legally liable for accidents that occur on property that it knows does not comply with city regulations.

A DISCUSSION of the Transport Container Inc. (TCI) temporary headquarters and a house owned by Frank Arlen at the corner of Rowe and Hamilton precipitated the discussion. T. C. I. is negotiating for another site for its buildings which are considered a potential fire hazard.

The city gave Arlen a July 1 deadline to either build or tear down the existing structure.

Absent from Monday evening's meeting were Commissioners Robert Beyer and James Houk and City Manager Albert Glassford.

Missionary Nurse to Speak

A Wesleyan Methodist missionary nurse and educator to Sierra Leone, West Africa, Ruth Hayward, will describe Sierra Leone and the work of the mission there at a meeting at the Wesleyan Methodist Church parsonage, 42513 Five Mile Rd., Thursday, April 9, at 7:30 p.m.

Miss Hayward has been principal of Missionary girls' school in Kamabai, Sierra Leone. She is on furlough, now, following three years service. Before being assigned abroad, she attended Marion College, Dakota Wesleyan University and the Methodist Hospital School of Nursing in Mitchell, S.D.

IN PLYMOUTH SCHOOLS:

Set String Quartet Elementary Schedule

Detroit Adventure's Excursions in Music string quartet will present their delightful and informative concert to Plymouth grade school youngsters, Monday and Tuesday, April 13 and 14.

On Monday, the string quartet will present concerts at Allen School, 10 a.m., Starkweather School, 1 p.m., and Bird School, 2 p.m.

Tuesday, concerts will be given at 10 a.m. at Gallimore School, 1 p.m. at Smith School and 2 p.m. at Farrand School. The Lutheran Day School will attend the concert at Smith School and Our Lady of Good Counsel Catholic School will attend the concert at Farrand School.

MEMBERS of the Excursions in Music String quartet explain how their instruments are made and the sounds they make to the children and answer their questions as well as giving a concert.

The Plymouth Symphony Society is sponsoring the program for grade school youngsters, third grade through sixth, in cooperation with the Plymouth Community Schools.

The first violist of the Detroit Symphony Orchestra, Nathan Gordon, coordinates the Excursions in Music program.

He has played with the Detroit Symphony since 1959; he also has been a member of the first stand NBC symphony and solo violist with the Pittsburgh Symphony. He is the founder and conductor of the Dearborn Orchestra Society and appears as a soloist with other orchestras.

GORDON teaches at Interlochen National Music Camp each summer and has been on the faculty at Chataqua Institute, Duquesne University, Pittsburgh, Pa.; Chatham, Pittsburgh; University of Indiana, University of Michigan and Wayne State University.

Gordon Staples, the violinist, has been associate concertmaster of the Detroit Symphony Orchestra for seven years.

He has studied violin since he was six years old. His solo appearances include performances with the Detroit Symphony Orchestra, New York Little Symphony, New Orleans Philharmonic, and the Vancouver Symphony.

He was concertmaster and solo violinist with the United States Navy Band, in Washington, D.C. for four years.

THE EXCURSIONS in Music quartet's cellist, is a member of the Detroit Symphony Orchestra and was staff cellist at the Cass Theater, Detroit, for five years.

Edward Kesner, principal second violin for the group, also plays jazz piano and trombone. He made his debut when he was seven years old with the Stamford (Conn.) Symphony.

He has played with the St. Louis Symphony, Baltimore Symphony and Chataqua Orchestra and has been active in community orchestras.

MEMBERS of the quartet are chosen both for their ability to play music and their ability to explain and answer children's questions. This visit by the Excursions in Music string quartet replaces the Plymouth Symphony sponsored annual trip for Plymouth children to the Detroit Symphony's Young People's Concerts.

New Community Image

(Continued from Page 1) submit to the costs? Local merchants can dream, he said, only insofar as some method of joining the community together can be found. Already, some expressions of increased unity are to be seen, he said, citing the Plymouth Fall Festival as an example.

"THE SITUATION bothers me," Guenther said. "Is it the leadership we don't have or the leadership we do have?" Guenther said he intended to drop the questions and urged those at the luncheon to take them up and seek solutions. The solution may lie in the chamber or some other way, he noted. Man must always have a dream, even if it changes from day to day. If there is no dream, he can't sell. But the dream won't last without hope.

The size of Plymouth, Guenther said, is adequate for almost any type of business venture and, further, with its homes and churches, Plymouth presents a warmth that shopping centers don't have.

"Even though you've been in business for 20 years," he concluded, "you're going to have to believe that someone else knows more than you do."

Guenther's talk was preceded by introduction of city and township dignitaries by master of ceremonies Dr. A. E. VanOrnum and the introduction of membership committee chairman Carl Pursell.

Pursell expressed satisfaction at the large turnout, terming it "a tribute to a dynamic area." The Chamber signed up 21 new members at the luncheon.

Tonnage of foreign shipping using ports in Sweden increased by 6 per cent in 1957 over 1956.

Duo harpists Ruth Dean Clark and Anne Emley from the University of Michigan provided musical entertainment.

The speaker, Earl C. Hill of Consumer Power Company, Jackson, was introduced by James Thomas of Plymouth Rotary.

Cite 40 Years

(Continued from Page 1) dent Beyer with a gift from Plymouth Lions. Also cited at the event was former high school principal Edna Allen.

ONE OF the highlights of the evening was recognition of Rotary's five remaining active charter members and their wives by Past President Earl West. They are Mr. and Mrs. Brick Champe, Mr. and Mrs. John Dayton, Mr. and Mrs. Carl Shear, Mr. and Mrs. Sidney Strong and Mr. and Mrs. Paul Wiedman.

Past International President Richard C. Hedke brought greetings and best wishes from himself and Rotary International.

This series has enjoyed a steady growth each year. Last year, also conducted in Plymouth, a high of 756 was reached on the final night. Even more are expected to attend this year's program.

North has been most successful in such cooperative efforts. He is in great demand and booked a number of years ahead.

He was born in Lawrenceburg, Tennessee in 1922, graduated from David Lipscomb College in 1941, received his B. A. degree from Abilene Christian College in 1943, and M. A. degree from the University of Illinois in 1945, and a Ph. D. degree from Louisiana State University in 1953.

He served for many years as Professor of Speech and Bible at David Lipscomb College in Nashville. Since 1952 he has served as Minister of the Madison church of Christ, Madison, Tennessee.

He serves on the staff of the Gospel Advocate, 20th Century Christian, Minister's Monthly. He is the author of the book, "You Can March for the Master" published in 1958.

He has served for 10 years as moderator of the award winning "Know Your Bible" program on Sunday afternoons, Channel 8, WSIX, T. V., Nashville.

These meetings are open to the public. No collection will be taken.

Plymouth Church of Christ To Host Annual Lecture Series

The Plymouth church of Christ, 9301 Sheldon Road, is host for the second consecutive year of the annual spring series of lectures and classes conducted by West Suburban churches of Christ. Ira North is the featured speaker April 13-16. The over-all theme is "The Church on the March." Meetings are daily, 10-10:45 a.m. and 7:30-9 p.m.

Ira North

Churches participating in this year's series are Ann Arbor, Chelsea, Garden City, Livonia, Plymouth, Redford, Wayne and Ypsilanti. Whether a member of a participating congregation or not, persons are invited to attend. On "The Church on the March Through Christian Consecration." The evening subjects are "The Church on the March Through the Bible School" and "The Church on the March Through Christian Service."

Some 11 classes are planned for children through age 11 (sixth grade) throughout the evening period. Junior and Senior High School students will be in separate classes the first half of the night session and in the auditorium with the adults the last half. Capable, experienced teachers will fill all these positions. Films and other audio-visual aids will be used. The nursery will be open for all meetings.

Christianity and Communism Depicted in Film

The film, "Question 7," the story of what it means to be a Christian under Communism, will be shown in the First Presbyterian Church sanctuary, Sunday evening, April 12, at 7 p.m.

All Plymouth young people are invited to attend the film and potluck supper preceding it at 6 p.m.

Incidents depicted in "Question 7" are true. The film tells the story of how the East German school children are forced to answer a questionnaire before they are allowed to continue their education. Only those whose answers are politically reliable are chosen.

"The Best film of the year" is how the National Board of Review described "Question 7." The film has won 22 major awards. For reservations call Nancy Burley, GL 3-2872, or Jane Vallier, GL 3-7063.

Deposits of red ochre, natural paints formed by deterioration of iron ores in beds of ancient lakes, are found near Monticello, Ark.

Lake Pointe News

By Margaret Murawski — GL 3-0106

Sharon John and Chris Marshman are all admiring their new little sister, Pamela, who was born on March 27. Her parents are the Edward Marshmans of Lake-wood Dr.

The Lake Pointe Homeowners group which now boasts a paid membership of 209 held a very interesting meeting last week. Dick Lauterbach, of the Township Board, told about the recent investigation of police protection in the Township. Irving Rossen, chairman of the Township Planning Commission, delivered a fascinating speech on the different phases of the work done by the planning commission. Maurice Breen, in explaining the work of the Human Relations Commission, referred everyone to the article in The Plymouth Mail of a week ago which, he felt, described their work perfectly. Richard Bailey, president of the Homeowners, pointed out that all people who have moved in after July of 1963 are entitled to a courtesy membership good until next September. Just pick it up from your area director. The new area directors who were also elected at the meeting are: Area one - John Boeve, area two - Chuck Childs, area three - Peter Varroni, alternate Bruce Wales, area four - Robert Bartley alter-

nate Robert Shuman, area five - Dale Beauman alternate Gene Meuhlbauer.

Miss Kathy Gooch was guest of honor at a bridal shower given by Karen Rudloff last week. Kathy, who is the first of their high school crowd to be married, has set the date for her marriage to Jared Stevens in June.

Many Lake Pointers are making plans to attend the Plymouth Newcomers Luncheon Thursday at the Thunderbird. Those Lake Pointers who have worked hard arranging the luncheon are Mrs. Richard Bailey and Mrs. Jerry O'Neil who are in charge of all Newcomers' social events. Mrs. David Hart and Mrs. Maynard Moon are handling the reservations for all those who wish to attend the luncheon and hear Mr. Beitner of Beitner's Jewelry Store speak.

Recent arrivals in Lake Pointe are the John Tighes and their 11-month-old son, John, Junior. The Tighes who are both native New Yorkers moved here from Manhattan when Mr. Tighes accepted a job in marketing research with the Ford Motor Company. Although they had never been in the state of Michigan before they are both very glad they came here.

Last Monday night Mrs. David Katke was hostess to the Newcomers' Crafts group. Mrs. Dick Lauterbach arrived with Mrs. Robert Bartley and Mrs. James Thomas. Mrs. Katke showed Mrs. Jack Kelly, Mrs. Conrad Schubach and Mrs. William Keil how to make attractive candleholders from inexpensive household materials.

it is always better to have more information than needed — or can be used — than to have too little."

Local News Briefs

Mr. and Mrs. James Ross of Harding St. were hosts for cocktails Saturday evening preceding the Dance Club at Lofy's when their guests were Mr. and Mrs. Neil Davidson, Mr. and Mrs. Wendell Lent and Mr. and Mrs. Byron Becker.

Mr. and Mrs. Kenneth L. Hulsing and Mr. and Mrs. George T. Bauer plan to attend The Boston Pops Orchestra by Arthur Fiedler's King of Pops, Saturday evening in the Masonic Temple in Detroit.

Mrs. Ralph West was a luncheon hostess Wednesday to members of her planning committee for the April party for patients in C-14 in the Northville State hospital which is sponsored by the Woman's Club of Plymouth.

Mr. and Mrs. John Henderson were entertained at dinner Saturday in the home of her sister, Mrs. Jack Hamrock in Detroit.

Mr. and Mrs. James Honey, who had been visiting Mrs. May Birch in Riverside, Calif. the past month returned home Saturday evening with Mrs. Lucille Johnson, who was also visiting Mrs. Birch a month before their arrival.

James Carney returned Sunday to his studies at Western Michigan University in Kalamazoo following a vacation during Easter.

Mr. and Mrs. Gary Smock and Cindy returned Sunday from their Florida vacation.

Mr. and Mrs. Earl G. Gray, who had been vacationing in Tampa, Fla., for the past month arrived at their home on Harvey St. south Easter Sunday.

Mr. and Mrs. Melvin Michaels of this city and his sister, Mrs. Thelma Allen of Livonia were Easter dinner guests of their brother and wife, Mr. and Mrs. Raymond Michaels and family in Milford.

SAXTONS GARDEN CENTER

587 W. Ann Arbor Tr. GL 3-625Q

Presents THE PEST OF THE WEEK

Crabgrass: Now is the time for pre-emergence crabgrass killers to be applied. Crabgrass germinates in this area around April 20. Applications made after this date will reduce the percentage of control depending on the lateness of application.

Control: One application of either Zyrton, Dacthal, or Dflan (Diphenylacetoneitrile) will give excellent control throughout the coming year. Seeding should be delayed until Fall when pre-emergence crabgrass killers are used in the Spring. Crabgrass killers will kill germinating lawn seed the same as crabgrass. Zyrton has also proved effective if applied in the fall for crabgrass control the following year. When applying pre-emergence chemicals make certain other operations such as raking, fertilization, etc. are done before applying the herbicide to avoid disturbing the chemical barrier.

Gordon K. Dennis County Extension Agent, Horticulture GL 3-6000

THREE OF the Turnau Opera Players are shown here in a scene from Gioacchino Rossini's "The Barber of Seville," to be presented Sunday evening at Plymouth High School with the Plymouth Symphony under the direction of conductor Wayne Dunlap. The 19th-century opera will be sung in a new English adaptation. (See story, Page 1).

Send Biography Forms to Historical Group

Seeking detailed biographical information about Plymouth Historical Society members, biographer Karl Starkweather has mailed a questionnaire to society members with the April monthly bulletin.

Recently elected biographer for the society, Starkweather urged in a covering letter that members fill out the form fully and completely. "Though some of the asked-for comment may seem irrelevant — or even impertinent," Starkweather wrote, "there has been good reason behind everything."

Biographically speaking, it is always better to have more information than needed — or can be used — than to have too little."

In other historical society activity, the date for the annual meeting was set for Thursday, May 1 at the offices of the Plymouth Community Federal Credit Union. A pot luck dinner will precede the business meeting. Starting time is 6:30 p.m.

This Thursday, at the society's regular meeting, a representative from the Bell System will explain the NORAD national defense system to society members. He will speak to the commander of the defense system on a direct hookup. The program will begin at 7:30 p.m. at the credit union.

BEHIND THE FINE PRINT...
C. L. Finlan

\$500 fine and 90 days... This is the maximum penalty for violation of the City of Detroit "key ordinance". Autos unattended with keys inside are a serious theft problem, so the City is enforcing this law. It is a good practice even in Plymouth, to remove the keys.

Q. Should we have more insurance before investing in stocks? I am 35, married and have two children. I have \$1,000 health and welfare insurance. My salary is about \$110. per week after taxes. We have about \$6,000 in savings and \$5,000 in mutual funds and stocks. Our home is valued at \$19,500 with a mortgage of \$11,200. Do you really think I need life insurance?

A. Yes, you are under-insured to quite a degree. It seems quite obvious that you need life insurance to provide protection for your family just in case anything happens to you. Based on your own figures, what remains after paying funeral expenses, taxes, and the mortgage out of \$12,000 combined savings and insurance - a deficit - The government recommends that three times the annual income is a minimum for an insurance amount... merely as "an adjustment" fund and not to leave the family "set for life" \$10,000 of life insurance would provide a lifetime income of \$1.07 per day to your family. Call for a quotation on some term insurance as a temporary measure... which will allow you time to plan for the future.

Set New Township Budget

Unanimous approval was given last Tuesday evening to a 1964-65 budget of \$187,570 by Plymouth Township trustees at a meeting held in the Township Hall.

The projected budget is an increase of nearly \$4,000 over last year's \$183,850. Included in next year's allocations are minimum salary increases of \$300 for office personnel, the addition of a new clerk-typist at \$3,800 per year and an additional \$1,500 for legal costs.

A \$550 increase in insurance costs was projected, based on the recently approved package plan offered by the Plymouth Community Insurance Association.

While the fire department showed an overall increase, its budget was pared \$2,560 as the positions of chief and officers were eliminated for the coming year. Department maintenance and repair costs were slashed to \$500 from last year's \$1,500. Provision was made for overhauling department trucks last year.

The budget reflected an increase of \$1,000 for dust palliative on township roads and a \$1,000 increase for bond principle on the Middle Rouge Sewer project.

The township's share toward support of the Dunning-Hough library was increased to \$13,200, a rise of \$1,025. The 1964-65 budget is based, in part, upon a \$20,000 surplus in unappropriated reserves, left from last year.

DEPARTMENTS showing the largest change from a year ago include legislative and executive, up \$3,300; professional services, up \$1,500; public safety, down \$6,185; fire department, up \$1,335; and highways, up \$1,000.

The township water department submitted an estimated budget of \$185,725 and the sewer department projected a figure of \$136,500.

In other action at the Tuesday meeting, trustees officially approved the submission of a contract between Wayne County and Plymouth Township relating to proposed water and sewage disposal improvement financing.

They unanimously passed an amendment to the zoning ordinance pertaining to street definition and dwelling location and approved a request for part payment of \$16,590.68 to the contractor by Engineer Herald Hamill for installation of the Lilley Road water main, recently completed.

Cleanup and pavement replacement at the site will be completed when the weather permits.

To Honor Plymouthites At Dinner

Scheduled to be honored at a service awards dinner in Farmington Wednesday are 10 Plymouth employees of the Livonia-based Michigan Flexicore District and the Macomb-Oakland Supply Division of Price Brothers Company.

The Plymouthites are among nearly 110 employees expected to attend the company dinner. At the dinner, the firm will honor employees with five, 10, 15, 20 and 25 years of service.

Walter Kuzinski of Plymouth is scheduled to receive a 10-year service award pin. Nine others, all from Plymouth, are set to receive five-year pins. They are: Boone Bell, Edgar Warfield, Robert Marchant, Morgan Potter, Bobby Newbill, David Wallace, Walker Wallace, Bill Cranford and Woodrow Jackson.

Serving Our Country

Ronald J. Goodale, Airman 2/c Ronald J. Goodale, son of Mr. and Mrs. Howard Goodale, of 47941 Powell Rd., left April 2, for a six-month stay at Bangkok, Thailand, following a week's visit with his family.

LECTURING

A courtesy lecture and instruction course on emergency childbirth procedure is being presented by William M. Ross, D.O. of 1311 Ann Arbor Road to members of the Redford Township Fire Department.

ACCEPTING A check for \$500 from the Plymouth Rotary Foundation Friday was Schoolcraft College Dean of student affairs Lois L. Waterman. The foundation is providing five recurring \$100 grants each year to Plymouth students at Schoolcraft College. Handing Miss Waterman the check is Rotary Foundation treasurer Fred Beitner. Looking on are foundation president Earl West and Don Sutherland. It was through Sutherland's efforts that the five grants were arranged for Plymouth High School graduates attending Schoolcraft.

Set Scholarships, Grants For Plymouth Students

Plymouth students attending Schoolcraft College when it opens in August will have available to them 12 scholarships and grants from the area, provided by Plymouth Community organizations and businesses.

Last week a check for \$500 from the Plymouth Rotary Foundation was presented to Schoolcraft Dean of Student Affairs Lois L. Waterman by foundation treasurer Fred Beitner.

The funds will be used for five recurring \$100 grants, subject to review by the Plymouth Rotary Foundation. Criteria for the grants are broad and include personal attributes of the student, as well as academic potential and promise of success.

GRADUATES of Plymouth High School will be eligible and will be selected by the Schoolcraft College Scholarship Committee with one representative from the Foundation as a consultant. Other local grants and scholarships available include:

A single scholarship of \$115 from the Plymouth Branch, American Association of University Women to be awarded to a Plymouth girl. Need will be considered.

Two recurring scholarships of \$100 each from the Plymouth Kiwanis Club to one boy and one girl graduate of Plymouth High.

The Plymouth JayCee scholarship award of \$210 for the first year, a \$210 renewal for the second year and one additional \$210. With need considered the JayCee scholarship will be given to a student from the Plymouth Community School District.

A SINGLE \$100 grant-in-aid from the Plymouth Community Federal Credit Union to be given to a student in the Plymouth Community School District selected by the college scholarship committee.

Fisher's Shoes scholarship of one half tuition, recurring. Requirements include a B average.

A \$100 scholarship from Sutherland and Robson C. P. A.s available when needed by an accounting major from Plymouth.

Interested students are urged to apply in writing to Lois L. Waterman, Dean of Student Affairs and chairman of the scholarship committee.

To be eligible students must have been accepted and have taken the college counseling tests. The scholarships will be granted by May 15.

APPOINTED

Named as personnel representative for the Plymouth Hockey Association was H. DeVito, a Burroughs Corp. electrical engineer. The association is a non-profit organization dedicated to the benefit of youth in the Plymouth Community.

American Legion

Passage-Gayde Post was well represented in the American Legion Bowling Tournament held at Battle Creek this year. Attending and participating were: by teams: E. Kol, Ralph Buttermore, Loren Archer, Donald Kinghorn and LaVern Rutenbar; (2) Don Fox, Jack Stevenson, Harold Wilson, George Carr and Bill Clarke; (3) Vern Overmyer, Steve Turk, Dick Messengill, Doyle Dodd and George French; (4) Gilbert Williams, Vern Miller, Harry Taylor, Tony DiRusso and Don Barnard. Team 2 came second high in the State Tournament losing by only five pins. Congratulations are really in order for them. Fox, Stevenson, Wilson, Carr and Clarke are riding the clouds... they really are tops. Several wives also attended this event, every year this is an event no one wants to miss.

The Auxiliary will have their business meeting, Thursday, April 9, 8 p.m. at the Post Home.

Our "Penny Party" is Saturday, April 11, 8 p.m. come on out and win a bag of groceries, lots of fun... for all... try your luck and enjoy yourself.

The Post will have their business meeting Sunday, April 12th, at the Post Home. The Auxiliary will have a Rummage Sale on Saturday, April 13, from 9 a.m. to 6 p.m. at the Post Home, 388 N. Sheldon Rd. When you are cleaning that closet keep us in mind any thing you wish to donate please call Lillian Kinghorn, GL 3-3995 for any information or pick-up. Any one able to work on this project please let her know when you can assist. Let's make this a wonderful success.

Remember our dinner this month... April 25th, Saturday, at the Post Home. Our guests at this time will be representatives of B.P.E.O., Lodge and their Auxiliary the Vivians. Let's make this dinner as much a success as the last one honoring the City and Township officials.

Mesa, Ariz., was founded by Mormon settlers in 1877. They have a million-dollar temple erected there.

If you're ready to buy a car... Test the one that's No.1 in so many ways

THIS WEEK'S FEATURED CAR Rambler American 440, America's snappiest, lowest-priced convertible. #1 in comfort It's so easy to find out... come see! Rambler offers more different seating options than any other car... #1 in construction Rambler's stronger, longer-lasting, all-welded Advanced Unit Construction is free from body-bolt squeaks and rattles which plague many ordinary cars. #1 in low price as low as \$4167 per month Monthly payments based on manufacturer's suggested retail price for Rambler American 2-door sedan, model 228 (above) 1/2 down payment and a 36-month contract with normal carrying charges; all federal taxes paid. Does not include optional equipment, transportation, insurance, state and local taxes, if any. #1 in official economy Rambler American has won more officially entered economy events than any other compact. You get lowest prices, low maintenance costs. Savingest U.S. car! #1 in handling and brakes Rambler American out-turns, outparks them all. Stops safer with Double-Safety Brakes: two separate systems; if one is damaged, the other works. #1 in transmissions Rambler American offers six transmissions including Twin-Stick Floor Shift, with overdrive and Flash-O-Matic fully automatic transmission. #1 in extra-value features Plus all the other extra-value, no-cost features, Rambler gives you Deep-Dip rustproofing up to the roof, time-defying Ceramic-Armored muffler. Test The Best - GO RAMBLER

Party Punch Lines

Put punch in your next party and impress that special boy in your life with a coffee-frosted cake and sophisticated Instant Viennese Cafe au Lait. It's easy to do with instant quality coffee, a cake mix or bakery layers, and a luscious short-cut coffee frosting. Easy Coffee Frosting 1 package (3 1/4 ounces) vanilla pudding and pie filling 1/2 cup sugar Dash of salt 1 tablespoon Instant Maxwell House Coffee 1 1/2 cups milk 2 tablespoons butter Combine pudding mix, sugar, salt, instant coffee, and milk in saucepan. Add butter. Cook over medium heat, stirring constantly, until mixture comes to a full boil. Cool 10 to 15 minutes, stirring occasionally, until spreading consistency. Makes about 2 cups, enough for tops and sides of two round 8-inch layers, or top and sides of 9-inch square cake. Instant Viennese Cafe au Lait 3 tablespoons instant quality coffee 4 cups hot milk sugar and whipped cream Place instant coffee in heat-proof pitcher or carafe. Add hot milk and stir until dissolved. Sweeten to taste. Top each serving with whipped cream. Makes 6 servings.

Obituaries

Rose Mary Palmer
 Mrs. John (Rose Mary) Palmer, formerly of Plymouth, died April 3 at Mercy Hospital, Bay City. Funeral services were held at St. Boniface Church April 7.
 She is survived by her husband, John; five children, James, Margaret, Robert, John and Richard, of Bay City; her mother, Mrs. Siloway, of Grand Rapids; a brother, Ward Siloway, of New York City, and a sister, Mrs. Robert Nott, of Grand Rapids.

Mary Jane Wingard
 Mrs. Mary Jane Wingard, of 685 Starkweather, died April 3, at West Tazil Nursing Home, at the age of 94.
 Born Dec. 12, 1869, she was the daughter of Charles and Mary (Cook) Winters.
 She was a resident of Plymouth since 1901.
 Mrs. Wingard is survived by two grandsons, Edwin A. Wingard and

Bulletin Wins

For the second year in a row, the "Plymouth Elk" bulletin of the Plymouth B.P.O. Elks Lodge 1780 has been awarded first place in the Grand Lodge bulletin contest.
 A plaque will be presented to the Plymouth lodge representative in July at the Grand Lodge Convention in New York.
 P.E.R. Willard "Hank" Lorenz, editor, and E.R. Barney Jarskey received the first place award for last year's contest at the Grand Lodge Convention, held in San Francisco.

THE ALASKAN earthquake did not go unfelt in Plymouth last Tuesday as this copy of a test chart from a well at the Six Mile and Beck Road well field shows. The abrupt, sharp jog in the needle indicates where the water level dropped suddenly about one foot and recovered almost immediately. Public Works superintendent Joseph Bida said the change came about 11 a.m.

Assembly to See "Crisis In Levittown"

"Crisis in Levittown," a movie which explores both sides of the integrated housing issue, will be presented to the Plymouth community Monday evening, April 13, at 8:00 P.M. at St. Peter's Lutheran Church, Penniman at Evergreen.
 Levittown, Pennsylvania, was an all-white community until the day a Negro family moved in. Almost instantly, the town split into two clashing factions. In the film, residents of both sides express their views openly and vigorously. The movie takes no sides but simply presents both pro and con ideas for consideration.
 An open examination of the issues will be held following the film. Richard McGinn, chairman of the Housing Committee of the Plymouth Community Human Relations Assembly, will moderate the discussion. McGinn lived in an integrated neighborhood in Detroit for two years prior to moving to Plymouth.
 There is no admission charge for the film. The public is invited.
 The British treasury is again minting some gold sovereigns for circulation abroad, to combat counterfeiting.

NOTICE OF REVIEW OF SPECIAL ASSESSMENT ROLL FOR THE TOWNSHIP OF NORTHVILLE

TO THE OWNERS OF THE FOLLOWING DESCRIBED PROPERTY:

Lots numbered 141 to 167, inclusive, 177 to 186, inclusive, and Outlot "A", all in "PLYMOUTH GARDENS NO. 1," A Subdivision of Part of the East 1/2 of the Southwest 1/4 of Section 14, T. 1 S., R. 8 E., Northville Township, Wayne County, Michigan, recorded in Liber 62, Page 42, Wayne County Register of Deeds,

and also

That part of the S.W. 1/4 of Sec. 14 described as beginning at a point on the S. Section Line distant N. 84° 00' W. 757.93 ft. from the S. 1/4 Cor. of Sec. 14 and proceeding thence N. 6° 00' E. 197.60 ft.; Thence N. 84° 00' W. 397.47 ft. to the Ely shoreline of Phoenix Lake; Thence S. 1/4 along said Ely line 200 ft.; Thence S. 84° 00' E. along the S. Section Line 361.47 ft. to the point of beginning,

and also

That part of the S. W. 1/4 of Sec. 14 described as beginning at a point on the S. Section Line distant S. 89° 43' 30" W. along said line 182.93 ft.; Thence N. 0° 16' 30" 197.60 ft.; Thence N. 89° 43' 30" E. 182.93 ft.; Thence S. 0° 16' 30" E. 197.60 ft. to the point of beginning;

All of said lands being located in the southwest quarter of Section 14, T. 1 S., R. 8 E., Northville Township, Wayne County, Michigan.

PLEASE TAKE NOTICE THAT a Special Assessment Roll has been prepared and is on file in the office of the Township Clerk for public examination. Said special assessment roll has been prepared for the purpose of assessing the cost of the following described improvement to the property benefited therefrom:

Six inch (6") diameter water mains in Roberta Avenue from Bradner Road to Lakeside Drive, and in Elk Road from Bradner Road to Lakeside Drive, and in Lakeside Drive from Elk Road to the southerly end of Lakeside Drive, together with valves, hydrants and necessary accessories.

PLEASE TAKE FURTHER NOTICE that the Township Board will meet at the Township Hall, 16860 Franklin Road, in the Township at 8:00 o'clock p.m. on April 21, 1964, for the purpose of reviewing said special assessment roll and hearing any objections thereto.

Local News Briefs

Mr. and Mrs. Ernest Herrmann of Livonia were given a pleasant surprise Saturday evening in the home of their neighbor, Mr. and Mrs. Stanley Wood, honoring their twenty-fifth wedding anniversary, planned by their son-in-laws and daughters, Mr. and Mrs. Jack Freeman of East Lansing and Mr. and Mrs. William Wiseman of Northville. Both of their mothers were in attendance as her mother, Mrs. Fritz Camrath of Braunschweig, Germany, arrived Good Friday in their home and his mother, Mrs. Lina Herrmann resides with them. There were five couples who came from Windsor, Canada, and other guests from Ann Arbor, South Lyon, Frains Lake, Northville and Plymouth, numbering about thirty, who enjoyed folk songs by the Canadian guests, dancing, followed with a buffet supper and punch. Many lovely gifts were received in honor of the occasion. Mrs. Herrmann is Dr. Elmore Carney's assistant in his office in this city.

Mr. and Mrs. Ralph Cole, who have spent the past two months vacationing at Zenyhr Hills, Fla. and their son-in-law and daughter, Mr. and Mrs. James Ritchie and son, Craig, arrived home over the week-end. The Ritchie's and his two brothers, Harvey and Richard of Northville left Easter morning by plane to join their parents, Mr. and Mrs. R. Ritchie in the celebration of their father's eighty-third birthday anniversary in their home in Tampa, Fla. The two brothers returned home that evening.

WOMEN

Hootenanny Draws Near, Tickets Still Available

As Saturday, April 25 draws near, members of the Plymouth Business and Professional Women are hastily making last minute preparations for their upcoming hootenanny.

The Hootenanny, to be held April 25, beginning at 8 p.m. at the Plymouth High School auditorium, will feature several acts, including two duos from Plymouth, and a music group.

Plymouth groups scheduled to appear are We Four and the Madge.

Other groups are the Riders from Chelsea; Leslie Shunt, University of Michigan student; Joe Harrison, of Ann Arbor; Jim Scott, of Chelsea; and the Huron River Ramblers, of Ann Arbor.

Joy Road Studio Sets Art Exhibit

An exhibit of oil paintings and early American crafts of students of Joy Road Studio will be held Sunday, April 12, from 3 p.m. to 5 p.m. at the studio, 48234 Joy Road.

Guest exhibitors will be Mrs. Hugh Law, a former Plymouthite, who will show paintings of upper Michigan, and Anne Marie Nilsen, of Ann Arbor, who will exhibit her prize winning Dalmatian painting and scenes of Europe.

Exhibiting handmade pottery will be Mrs. Lewis Goddard, Mrs. Donald Ward, Mrs. Carl Schulteiss, Mrs. Charles E. Gauss, and Mrs. Robert S. Lawson.

Oil paintings of flowers, snow scenes and landscapes will be shown by Mrs. William Beiter, Mrs. Marilyn Korte, Mrs. James Hood, Mrs. Otto Buckberry and Mrs. Erna Losse.

Mrs. John Schroeder, Richard Swanson, Mrs. Neal Bowen, Mrs. Charles Master, Mrs. Dorothy Becker, Mrs. Norman Saunders, Mrs. Richard Tobin and Mrs. E. J. Readman will also exhibit their oil paintings.

Portraits of Barbara Peck and her baby and Erna Losse in her native Latvian costume will be on display by Mrs. George Hudson, Mrs. Gene Stout, Mrs. Mary Engstrom and Mrs. Arthur E. Young.

Victorian, Shaker and early American chairs have been restored with new seats of cane, fiber rush, ash splint and genuine rush and will be exhibited by Mrs. James E. Hughes, Mrs. Russell Isbister, Mrs. Joan Sackett, Mrs. Leslie Southgate, Mrs. Don Fowler, Mrs. Frank J. White and Mrs. Herman Bednar.

Registration for spring painting and crafts classes will be April 12, 13 and 14. The classes begin the week of April 20.

More than 126,000 persons daily visit Rockefeller Center in New York City.

Kappa Delta's Set Alumnae Day

The biannual State Day for Kappa Delta Alumnae will be Saturday, April 28, at the Northland Inn, beginning at 9 a.m.

The purpose of State Day is a meeting of all alumnae in the state to carry on state business and bring together Kappa Delta friends.

A coffee hour and registration is planned from 9-10 a.m. The business meeting, including the election of state officers, will be from 10-11 a.m.

Guest speaker for the luncheon meeting, noon to 3 p.m., will be the national president of Zeta Tau Alpha sorority, Mrs. Harold Kerr. "Faith and Freedom, Our Heritage," will be her topic.

Engaged

Carole Anne North

Mr. and Mrs. Marshall North, 1200 W. Maple, have announced the engagement of their daughter, Carole Anne, to Paul Heydenburg, son of Mr. and Mrs. Floyd Heydenburg, of Mount Pleasant.

Miss North is a 1959 graduate of Plymouth High School and a June 1963 graduate of Albion College. She was affiliated with Delta Gamma Sorority at Albion. Miss North is teaching fourth grade in Midland.

Her fiancé is a graduate of Central Michigan University where he was a member of Delta Sigma Phi fraternity. He is an industrial arts teacher in Midland.

A June 13 wedding is planned.

Art Club to Talk About Technique

A demonstration and discussion from Impressionism through non-objective art will be the program for the April 14 meeting of the Three Cities Art Club, at 8 p.m. in the Plymouth Community Credit Union, 500 S. Harvey St.

The meeting is open to the public; tickets are \$1 for adults and 50 cents for students.

Both artist and patron memberships are still available also. The patron membership is \$3 and entitles the member to attend all of the lectures and other activities of the club.

MAKES DEAN'S LIST

Judith Ann Bridge, daughter of Mr. and Mrs. Thomas Bridge, 11426 Eastside Dr., was named to the Dean's List for the fall semester at Anderson College, Anderson, Ind. She is a senior, majoring in elementary education.

Baby Talk

Mr. and Mrs. Bob Anderson, 125 Burroughs, have announced the birth of an 8 lb. 14 oz. son, Scott Glenn, March 23, at St. Mary's hospital, Livonia. Mrs. Anderson is the former Diana Foote, daughter of Mr. and Mrs. Ralph Foote, of Marlowe St., Plymouth. The paternal grandparents are Mr. and Mrs. William Anderson, of West Palm Beach, Fla., and formerly of Plymouth.

Mr. and Mrs. Bruce Wood, of Dearborn, have announced the birth of a 7 lb. 12 oz. daughter, Wendy Rene, March 11, at St. Mary's Hospital, Livonia. Mrs. Wood is the former Gayle Geiser, daughter of Mr. and Mrs. Harold Geiser, of Livonia. Paternal grandparents are Mr. and Mrs. O. Clifford Wood, 1274 Williams.

Modern tennis was introduced in the United States in 1874.

4-H Members to Exhibit Work in Future Shows

Plymouth area 4-H members are busily making plans to exhibit their handiwork at several shows in the near future.

Gretchen Steiner, Bruce and Betty Niemi and Steve Alexy, all members of the Plymouth Livestock 4-H club, will exhibit their leather handicrafts at the County Fair at Greenfield Village, May 14-16.

Cherry Hill 4-H club members from Plymouth chosen at the annual Northwest 4-H Achievement day, April 1, to compete in the Wayne County Dress Review, Young Miss division, May 8, at the Ford Motor Co. Central Staff Building, American Rd., at Michigan Ave. and Southfield Rd., were Susan Schmidt, daughter of Mr. and Mrs. Donald Schmidt of 7550 Lilley Rd.; Jean Hertrich, daughter of Mr. and Mrs. Joseph Hertrich of 50150 Hanford Rd.; and Lou Ann Schultz, daughter of Mr. and Mrs. Roy Schultz of 785 Lilley Rd.

Christine Siegart, daughter of Mr. and Mrs. Walter Siegart, of 14311 Shadywood; Debbie Bosman, daughter of Mr. and Mrs. E. B. Bosman of 50350 Hanford Rd.; and Carol and Caryn Eisenstein, daughters of Mr. and Mrs. George Eisenstein of 50000 Hanford Rd., will also compete in the Young Miss division of the dress review.

Competing in the Junior Miss division from the Cherry Hill 4-H Club will be Patty Bosman, daughter of Mr. and Mrs. E. B. Bosman, Sue Schultz, daughter of Mr. and Mrs. Roy Schultz; Susie Hauk, daughter of Mr. and Mrs. Ira Hauk of 48708 Warren; and Sandra Schmidt, daughter of Mr. and Mrs. Donald Schmidt of 7550 Lilley Rd.

Joyce Soth, daughter of Mr. and Mrs. Robert Soth of 41430 Warren Rd.; Carol Scheppel, daughter of Mr. and Mrs. Robert Scheppel of 3275 Lilley Rd.; and Ileen

Boyd to Speak To DG Alumnae

Community Relations Director of the Plymouth State Home and Training School, William H. Boyd, will speak at the meeting of the Farmington Alumnae Association of Delta Gamma, April 13, at 8 p.m., at the home of Mrs. Thomas Holland, 14628 Robinwood.

Boyd will also offer the alumnae association suggestions for a gift for the blind retarded children at Plymouth State Home. The money for the gift was raised last month through fund raising social events.

Each Delta Gamma is supposed to bring children's summer clothes and toys, in good condition, to give to the younger children at the Plymouth State Home.

Sixty Plus Club News

By Lizetta Brown

The next meeting of the 60 Plus Club will be held Monday, April 13th at the First Methodist Church. Doors will be open as usual so that anyone who cares to work on the many different projects underway can do so.

1959 P.H.S. Class Needs Addresses

Plymouth High School's 1959 graduating class is planning its five year reunion for late summer, and the committee desperately needs the correct addresses for members of the class.

If you have the addresses for any class members, call either Mrs. Karen Stevens Bufe, 453-4670, or Jeanette Ridley Lobbstaal, 453-2443.

Mrs. Julie Stecker Trotsky is chairman of the dinner-dance reunion.

Nursery School Seeks Members

Memberships are now open for the 1964-1965 session of the Plymouth Children's Nursery.

The nursery, located in Hough School, Warren and Haggerty Rd. is a cooperative nursery school for three to five year old children.

There are two class sessions. One is held 3 days a week, on Monday, Wednesday, and Friday; the second group meets on Tuesday and Thursday. Both classes run from 9:15 to 11:15 and are taught by trained college graduates. Mothers of the children assist the teachers in the program of free play, group experience in songs, games and music, and outdoor play on the large playground.

An orientation program is scheduled for September to acquaint all parents with the routine and purpose of the nursery school. There will also be an open house at the school next month so that prospective members may see the facilities.

A registration fee of \$5.00 is required and there is a monthly tuition fee to cover the operating costs of the school. Classes open September 23 and continue until May 28.

Registration blanks and further information may be obtained from Mrs. Fred Sigmon, GL 3-4458, or Mrs. John Jacobs, GL 3-1629.

Archaeologists have unearthed a centuries-old Maori fortress that promises to be one of the best preserved on New Zealand's North Island.

TREASURES FROM Plymouth Pantries

MRS. J. W. DULL, of 14866 Greenbriar Ct., removes her Wild Rice casserole from the oven. The casserole is this week's Plymouth Pantries recipe. Mrs. Dull suggests you serve the Wild Rice casserole with buttered peas and spiced red crab apples.

An unusual casserole recipe, using wild rice, was given to The Plymouth Mail this week by a new Plymouthite and recipe collector, Mrs. J. W. Dull, 14866 Greenbriar Ct. The Dulls moved into their home in Plymouth about a month ago, from Ypsilanti.

Mrs. Dull is still in the middle of unpacking and finding a place for all of their belongings in addition to trying to keep her four-year-old daughter, Jennifer, out of the mud where grass will soon be shooting up.

Mrs. Dull enjoys collecting recipes for specialty cooking, dishes from foreign countries and old recipes. She also is an avid bridge player.

Collecting antique, glassware, china and furniture is another one of Mrs. Dull's hobbies. She explained that her husband, with some help, refinishes the antique furniture she buys. She started her collection after seeing her mother-in-law's collection.

WILD RICE CASSEROLE
(serves 6-8 persons)

- 1 c. wild rice
- 4 c. water
- 1 tsp. salt
- 1 lb. pork sausage
- 1 can mushroom soup
- 1 (3 oz.) can mushrooms, broiled in butter
- 1/2 c. milk
- 2 Tbl. Worcestershire sauce.

Wash rice in cold water until water runs clear. Water and salt are measured in kettle and rice is cooked at boiling point for 40 min., then drained into colander. Meanwhile, pork sausage is fried and fat is removed from pan. To the sausage add undiluted mushroom soup, canned mushrooms, milk and Worcestershire sauce; stir the mixture to blend it before combining with cooked rice. Pour into deep casserole and bake at 350 degrees for 40 minutes. It may be served from the casserole at the table with, perhaps, buttered peas and spiced red crab apples.

Since the end of World War II, Sweden has become an immigrant country. About 75,000 foreigners have become Swedish citizens since that time.

Mount Holyoke College in South Hadley, Mass., opened Nov. 8, 1837.

The green turtle of the West Indies sometimes weighs 600 pounds.

Local News Briefs

Mr. and Mrs. John J. McLaren and Mr. and Mrs. J. D. McLaren returned last week from a three week's vacation in St. Petersburg, Fla. While at Taveras, Fla., they spent a few days with the J. W. Bickensstaff's and the E. J. Allison's. The Allison's returned to Plymouth on Tuesday of last week following a three months stay there.

Mrs. Harold Behler of this city and daughter, Mrs. Robert Hitt of Livonia were in Grand Rapids Tuesday of last week to attend the funeral of the former's sister-in-law, Mrs. Earl Behler who passed away on the previous Friday following a long illness.

Jay-C-Ettes Plan Program April 28

"Luncheon Is Served," a luncheon put on by the General Foods, is being sponsored by the Jay-C-Ettes, April 28, at 12:30 p.m. at the First Methodist Church.

Following lunch there will be a hat show by DeAncy Millinery.

Proceeds from the program will be used to help the Jay-Cees in their community projects.

Tickets, for \$1.50 may be obtained from Mrs. Terry West, GL 3-2509.

Mr. and Mrs. Harry Reeves will be a luncheon hostess today (Tuesday) in her home on Ann Arbor Trl. Guests will be members of her contract bridge group, Mrs. C. H. Goyer, Mrs. George A. Smith, Mrs. Austin Whipple, Mrs. Harold Stevens, Mrs. William Kaiser, Mrs. Perry Richwine, Mrs. George Burr and Mrs. Elmore Carney.

Miss Pauline Peck arrived Tuesday evening of last week from Rogers, Ark. for a few weeks stay at her home on Main St.

Mr. and Mrs. Walter Anderson and son, Robert, spent on Thursday until Easter Sunday at Sand Point in the Thumb as they usually do each year.

Mr. and Mrs. Terry West and family and Mrs. Mildred Levering were dinner guests on Easter in the home of Mr. and Mrs. Wendell Lent in their home on Hartsough.

Mr. and Mrs. Al Smith, who vacationed in Taveras, Fla., the past few months have returned home.

Mr. and Mrs. George Todd have returned from a ten-day visit with her mother, Mrs. Jack Francis in De Funiak Springs, Florida and with her sister, Mrs. Howard Holmes and family at Fort Walton Beach, Fla.

Three Millicent Martin attempts to mislead members of the staff of a British Officers Military Hospital into believing that she is a convalescent patient in a scene from Metro-Goldwyn-Mayer's "Invasion Quartet." The comedy revolves about the attempt of Bill Travers and three fellow officers to stage a private invasion of German occupied France during World War II.

Arbor-Croft News

By Betty Radcliffe — GL 3-6340

While their Michigan friends were shoveling the spring snow, Mr. and Mrs. William Quiggle, 1496 Hartsough Avenue, were enjoying a Florida vacation. Mrs. Quiggle's aunt, Mrs. Edna Davis, accompanied the Quiggles and their children, Gregg and Sharon, on their trip to Sarasota. There they visited Mr. and Mrs. A. B. Gibson. Swimming, deep sea fishing, and a day at Sebring's Grand Prix Race were some of the activities the Quiggles enjoyed in Florida.

Mrs. Eric Childs, 1493 Ross Avenue, and her sons, Michael, Jon Eric, and Peter, drove to Hamilton, Ohio, for four days during spring vacation for a visit with their family.

Miss Sally Holland of Roswell, New Mexico, was a houseguest of Jack Hudson at the home of his parents, Mr. and Mrs. Joseph L. Hudson, 1480 Hartsough Avenue. Miss Holland was here for the Easter vacation period from Michigan State University where she and Jack are students.

Mr. and Mrs. Norbert Battermann and their children, Tom, Lynn, and Dean, spent an Easter holiday in Grand Rapids visiting family and friends. Mrs. Battermann's niece, Laura Creed, from South Bend, Indiana, visited

the Battermanns at their home, 1449 Palmer Avenue, for several days during spring vacation.

Over the Easter holidays Mrs. Alma Rey of Sandusky, Ohio, visited her daughter, Mrs. Jerry Williams, 1451 Hartsough Avenue. While Mrs. Rey was here, she helped the Williams family celebrate baby Marti's first birthday on March 27.

Mr. and Mrs. Gordon Andrew, 1480 Palmer Avenue, took their family to Pennsylvania for spring vacation. They visited Mrs. Andrew's grandmother in Lemoyne and made trips to Hershey, Harrisburg, and Gettysburg. Mark Andrews, a Civil War enthusiast, was particularly interested in the visit to Gettysburg and its battlefields.

Office Gals Check Out New City Hall

LEANING OVER to inspect a makeshift heater in the new building is Margo Robson of the city clerk's office. Behind her, awaiting the verdict, are (left to right) Miss Karen West, Mrs. Grace McCallum, Mrs. Marie Welsher and Mrs. Nell Cash. The heater was sitting about where Miss Robson's desk will be located in the new building.

With spring fever gradually working its way into the systems of local residents, most persons would probably jump at the chance to steal a few minutes from work and go on an inspection tour of their brand new, soon to be completed offices.

That's just what a group of Plymouth City Hall gals did last week when a Plymouth Mail photographer "kidnaped" them, took them away from their present offices and led them through the mud and up a wobbly plank leading to the door of the new City Hall.

There, while our man lurked in the background with his camera, the girls poked through the building materials and inspected the sites of their new offices.

Dodging hurrying construction workers, the group checked progress on the building and, stopping occasionally, pointed out just where their desks and chairs would be located.

Included were Miss Karen West, Mrs. Nell Cash and Mrs. Grace McCallum of the accounting department; Mrs. Marie Welsher of the water billing department; Miss Margo Robson of the city clerk's office; Miss Carol O'Leary of the city treasurer's office and Mrs. Linnea Salow of the city manager's office.

Local News Briefs

Mrs. Virginia Woodworth Bake of Northville invited five former classmates in the Plymouth school for a luncheon Thursday in her home on Main St. west, honoring Mrs. Zerepha Blunk Kirkpatrick of Evanston, Ill., who spent the Easter week with her parents, Mr. and Mrs. Arthur Blunk in Plymouth. Other guests were Mrs. Mary Jane Hamilton Greer of Ann Arbor, Mrs. Janette Blickenstaff Allison, Mrs. Elizabeth Nichol Mather and Mrs. Roberta Chappell Blunk of this city.

The Misses Susan and Mary Hulsing and guests, Penny Kendall of La Mar, Colo., and Barbara Clapp of Danvers, Mass., returned to their studies at Wellesley College Mass. Monday of last week following a ten-day visit in the Kenneth Hulsing home on Church St.

Mr. and Mrs. Robert Frobeck and family spent Easter and the following week at the cottage of Mr. and Mrs. Edwin J. Probeck, Jr. and family on Portage Lake near Manistee. While there the children enjoyed an Easter egg hunt.

Mr. and Mrs. John W. Blicke staff, who spent the past four months in Tavaras, Florida, arrived at their home on Pennington Ave. on the week-end.

Mrs. Irving Blunk, Mrs. M. G. Blunk and the former's nephew, Charles Mather have arrived home from St. Petersburg, Fla. where the ladies have been for the past three months and Charles during the Easter holiday.

Judith Adams, daughter of Mr. and Mrs. Thomas T. Adams, 144 Woodland Place, Plymouth, Mich., has been pledged to the Beta Chi Club, one of six women's social clubs at Muskingum College, New Concord, Ohio. Miss Adams is a freshman.

Mr. and Mrs. Foster Calahan of 498 Sunset, spent several days of the Easter vacation visiting their daughters, Mrs. John Fischer of Falls Church, Virginia and Miss Elaine Calahan of Washington, D.C.

Miss Maxine Collins of Plymouth attended a dinner party in Ann Arbor recently, given by Mr. and Mrs. Herman Shelton in honor of their daughter, Janet's, recent marriage to Glen Ur, of Daytona, Fla.

Pilgrim's Progress by John Bunyan has now been translated into 147 languages.

Local Student Wins Atomic Fellowship

A science student from Plymouth is among 271 college science students throughout the nation to win U.S. Atomic Energy Commission fellowships for graduate study in nuclear science and engineering.

Lee A. Feldkamp, son of Dr. and Mrs. Lee E. Feldkamp of 1261 Linden, is one of 16 University of Michigan students selected from over 600 applicants by a special Atomic Energy Commission (AEC) board.

The fellowships were granted for the 1964-65 academic year as part of a program to increase the number of nuclear scientists and engineers to meet the nation's rapidly expanding nuclear activities.

Feldkamp selected the U-M as the school at which he will do his work. Michigan, one of 66 designated colleges and universities under the fellowship program, will also receive five additional students from other universities.

This total of 21 students ranks Michigan third among the 66 schools in number of fellowship winners who will be doing their graduate work at a particular campus.

LITTLE, five-year-old Tom Andrews of 42728 Ford Road seems a bit bewildered as his big brother Scott, 8, signs up to play in Plymouth Community Junior League Baseball this

year. Tom stands close to his dad, Robert Andrews, as national league player agent Ken Vogras fills out the forms for Scott.

INSPECTING some wooden framework in the vicinity of her new office is Mrs. Carol O'Leary of city treasurer Kenneth Way's staff. The treasurer's facilities will be situated in the central part of the main floor.

CHECKING OUT fiberglass insulation to be used in city manager Albert Glassford's office is his "gal Friday," Mrs. Linnea Salow. Their offices will be located in the end of the new building nearest the present city hall.

POINTING OUT where the desks and machines will be in the new building is Miss Karen West of the city's accounting department. Looking on are, left to right, Mrs. Nell Cash, Mrs.

Marie Welsher and Mrs. Grace McCallum. Their new location will be at the end of the new building nearest the Dunning-Hough Library.

Grange Gleanings

By Jesse Tritten — GL 3-6387

Plymouth Grange meetings will follow the meeting Thursday evening, April 2, starting with a pot-luck supper at 6:30 p.m. The Birthday table was beautifully decorated by Agnes Rollins who also supplied the birthday cake. The program which followed at 8 p.m. was supplied by six young ladies and their director, Judith E. Culler, of the Marshall Junior High School Orchestra. They presented a very fine program of string music and we are most grateful to this fine group and to Agnes Rollins who arranged for this fine musical program.

The Washtenaw - Wayne Pomona Grange will meet at Pittsfield - Union Grange Tuesday evening, April 14 at 8 p.m. Pot-luck, light refresh-

ments will follow the meeting.

The big event of the year will take place Thursday evening, April 16, at our hall on Union Street, when Plymouth Grange celebrates its 90th Anniversary. This will be an open meeting and a time when our members will be inviting their friends to help us observe this outstanding occasion. A fine program is being planned and we sincerely hope each and every member of Plymouth Grange will make an all-out effort to attend.

Charles McConnell remains in St. Mary's Hospital and Sam Spicer is in St. Joseph Hospital.

What are you doing in preparation for the Grange Bazaar to be held in the Fall?

Plymouth Rifle Team — In 10 Team League

THE FIRING line at the league match held Saturday in Plymouth. Both boys and girls fire in the league which includes ten teams. The Plymouth Junior Police are third in league standings.

PRETTY, 17-year-old Noraleen Renauer, daughter of Mr. and Mrs. Joseph C. Renauer of 1147 W. Ann Arbor Trail, draws a bead on a target at last Saturday's match. Noraleen placed fifth among 95 shooters in the league's eighth match, held March 28.

THESE THREE members of the Plymouth Junior Police Rifle team were on hand at the former K. of C. Hall behind the city hall Saturday for a league match with other teams. Pictured from left to right are Gene Wood, 16, of Garden City; Kathleen Reich, 14 of Redford and Noraleen Renauer, 17, of 1147 W. Ann Arbor Trail. Noraleen is a veteran of four years on the team.

The sharp crack of rifle fire splits the air periodically at the former Knights of Columbus Hall behind the city hall as members of the Plymouth Junior Police rifle team, sponsored by Plymouth Police, practice for league competition.

Firing in the ten-team league, Plymouth was in third place as of last week in competition that lasts from September through April and includes about nine league matches.

Included on the Plymouth team are Bill Iman, Noraleen Renauer, Tom Draper and Dick Whitebread, all of Plymouth, Kathleen Reich of Redford and Gene Wood of Garden City.

THE TEAM is coached and supervised by John Olendorf of Plymouth with assistance from National Rifle Association instructor Edward Reich of Redford.

Designed to promote junior shooting and an awareness of firearms safety the program includes these teams.

Plymouth, The Ford-Gun Club of Lincoln Park High School, Allen Park Rod and Gun, Lake Orion, two North-

west American Legion Post 190 teams — blue and gold, Allen Park High School, Detroit Sportsmen's Congress, Detroit Edison and Notre Dame High School of East Detroit.

The Plymouth team fired in the State Junior Championship Match Sunday.

Schedule Junior League Tryouts

Plymouth junior league baseball registration wound up Saturday as would-be players and their parents came to the American Legion Hall on Sheldon Road to sign up for teams that start play following a May 23 parade.

Tryouts for the two six-team leagues will be held

on two consecutive Saturdays, April 11 and 18 at 1 p.m. American League players will try out at Plymouth High School and National Leaguers will work at Junior High - East, according to league president, Joseph J. Bida.

The minor leagues will be under junior league jurisdiction this year, Bida said. Composed of boys who do not make major league teams, the minor league will be under the supervision of Max Somerville. He will be manager - co-ordinator of the minor league teams.

MAJOR LEAGUE teams include 15 boys, aged 8-13. The teams are National League: Braves, coached by Joe Gates; Cubs, coached by Duanne Becker; Dodgers, Charles Dudley; Giants, Ben Williams; Pirates, Harold Palmer and Redlegs, Cornelius VanBoven.

American League: Yankees, Bob Cosgrove; White Sox, Charles Thayer; Orioles, Tony Monte; Indians, Don

Schroeder; Red Sox, Bob Coburn and Tigers, Leonard Budnick.

As registration concluded, plans moved ahead for the three-ring Mill Brothers Circus which will play two performances on Saturday, May 9 under the sponsorship of the junior league.

Including a menagerie, horses and elephants, the three ring circus is housed in the largest remaining circus tent in the United States.

Shows will be held at 2 and 8 p.m., Bida said. Tickets are \$1.25 for adults and \$1 for children. They are available from any junior league personnel and at Davis and Lent, Duke's Barber Shop, Arbor View Standard Service and other Plymouth Community stores.

Sparkman Gets U of M Yost Award

A 22-year-old University of Michigan senior from Plymouth was named last week a recipient of the university's Yost Honor Award, established in 1940 in honor of the late Fielding H. Yost, head football coach at Michigan for 24 years and athletic director from 1921 to 1941.

Wayne Sparkman, son of Mr. and Mrs. Robert Sparkman of 8910 Marlowe, will receive a gold key upon which is superimposed a block "M" bearing the words "Yost Honor Award."

Presentation will be made at a dinner at the Anderson Room, Sections A and B in the Michigan Union at Ann Arbor on Wednesday, April 15 at 6:30 p.m.

Recipients of the award are juniors and seniors who were outstanding for their moral character, scholastic

success, intellectual capacity and achievement, leadership and participation in intercollegiate athletics.

A 1960 graduate of Plymouth High School, Sparkman is a member of Sigma Chi Fraternity and The Druce, an honorary society. Sparkman starred in the Plymouth backfield during his high school years.

Wayne Sparkman

Plymouthite Heads Winning Rifle Team

Central Michigan University's ROTC rifle team, led by team captain Bernard Curtis of Plymouth, placed second among 10 schools from Michigan and Indiana in a recent VI Army Corps tournament.

The 10-man Central team finished 30 points behind Western Michigan University, winner of the match.

Curtis, a senior, fired 268 in the tournament. The team will wind up its season on May 9 in the northwest Ohio-Southern Michigan ROTC Rifle League competition.

Award Science Foundation to Local Teacher

A math and science teacher from Plymouth Junior High School - East, Edwin B. Cavell, has been awarded a National Science Foundation scholarship to attend summer school this summer.

Cavell will attend an Institute at Michigan Technological University, Houghton, for eight weeks, beginning in June. The course is designed to stimulate the teacher's background in geology, astronomy and meteorology.

P.T.A. Prospectus

Starkweather P.T.A.

New methods of teaching mathematics in the Plymouth Schools will be discussed by a representative from the Wayne County Office of Education at the Starkweather P.T.A. meeting April 14, at 8 p.m. The meeting will be held in the multi-purpose room at the school.

THE SECRET THAT KEEPS YOUR GRASS GREEN LONGER

It's the green timed-nitrogen "prill" only in Greenfield Measured-Release Lawn Food

These remarkable green timed-nitrogen prills actually feed your lawn every day for many weeks.

That's because these nitrogen particles have a special coating that protects the nitrogen and releases it slowly and evenly as the grass needs it. They keep your grass green and healthy longer.

You don't have to wait to see results, either. Greenfield Measured-Release Lawn Food also contains uncoated nitrogen for a quick greening—as well as phosphorus and potassium in a complete 20-10-5 formula. Get a bag this week.

Expect 2,500 Plymouthites at World's Fair

Between 2,500 and 3,000 Plymouth area residents are expected to be among the more than 400,000 Michiganders who will flock to the New York World's Fair during its operation.

The estimate was made for The Plymouth Mail by Auto-Club of Michigan and office manager Robert Cain and supervisor Mrs. Wesley Kase. Mrs. Kase said from 100-125 inquiries have been received at the Plymouth office so far.

New York's biggest show of all time opens April 22, signaling the influx of tourists which will continue through October 18.

The location is the original site of the 1939-40 World's Fair at Flushing Meadows, Queens, in the center of metropolitan New York. It's nine miles east of Times Square, opposite Manhattan, six miles from John F. Kennedy International Airport (formerly Idlewild) and two miles from LaGuardia Airport.

The Fair's biggest literally staggers the imagination. It is as large as your first county fair midway looked to you but wasn't.

Imagine a grassy, tree-shaded, fountain-splashed area 17 football fields long and 17 wide. Suddenly it is filled so no corner looks empty, with buildings varying in shape from a huge egg-shell and a rectangular box to a graceful Oriental temple.

The Fair will provide a peek into future industrial and scientific miracles in everything from your home kitchen to space ship travel. It'll sell products and brag of U.S. accomplishments, offer fun and religion, food and fantasy, entertainment and education — all in liberal doses. In short, it'll sell the image of progress.

A visitor will be able to do everything from whizzing overhead on a monorail, looking down on the Fair, to scooting along in a private golf-cart-like vehicle. (Made in Michigan by Battle Creek's Clark Equipment Co.) One can eat a full 10-course meal for \$15 or make do on a hot dog or hamburger. There are 113 restaurants, ranging from snack bars to the fanciest of eateries. Featured is everything from Hongkongburger (hamburger and noodles) served from a motorized rickshaw to

a three-hour luau at the Hawaiian pavilion.

What'll it cost to see the Fair?

"The average tourist can expect to spend at least \$20 to \$22 a day," according to Jerry E. Fisher, Auto Club touring manager. This doesn't include transportation. AAA estimates the average family of four, two adults and two children, using an automobile for transportation, can expect to spend approximately \$350 for three days at the Fair.

This includes expenses both ways. Those who want to do sightseeing around New York City can expect this to cost around \$25 a day.

From Detroit, the distance to New York is 673 miles by the Ohio, Pennsylvania and New Jersey turnpikes, and by the Windsor-Buffalo-Albany route, 740 miles.

Driving time from Detroit via the United States is some 13 hours. By the Canadian route it's at least 15 hours.

Once in New York City, sleeping accommodations become the biggest daily expense. The average motel costs \$18 to \$24 daily for two persons, a hotel \$14 to \$34 for two.

Plan to spend at least another \$3.50 to \$4.50 daily for parking unless the motel offers this free, Fisher advises.

At the Fair grounds, parking will cost another \$1.50 a day. The Auto Club needs two weeks to make New York reservations, according to Fisher, adding that the prospective visitor should be ready to forward one to three nights lodging costs in advance to confirm reservations.

Mrs. Perry Campbell, of Canton Center Rd. have a new granddaughter, Jill Lynn, born to Mr. and Mrs. Ivan Campbell, of Plymouth.

Mr. and Mrs. Willard Bowman, of Ford Rd. entertained Mr. and Mrs. George Burden

Kiwanians Hear Trust Expert

Persons under the impression that boats, guns, furniture and other personal property is jointly owned had better reconsider and see to it that they have a proper will drawn in the event of death.

That's what Wilford C. Locke of the National Bank of Detroit's trust department told Plymouth Kiwanians at their meeting held Tuesday evening at Lofy's.

Locke said a will should be drawn by a competent attorney and not written on a standard form purchased at a stationery store.

POINTING out that people never plan to fail but often fail to plan, Locke outlined the benefits of a trust created to manage estates and property for the benefit of a wife and children.

A living trust, he said, is an agreement whereby, after death, certain property will be transferred or willed to a trust fund. Under a will, jointly owned

To Distribute Data On Cancer Crusade

Literature for the April Crusade for the Michigan Cancer Foundation is being distributed to every home in Plymouth and Plymouth Township by eight Boy Scout Troops and approximately 300 Girl Scouts. Local businesses are also including the material with their monthly statements.

The foundation's literature explains the film, "Time Out for Living," which has been produced by the Foundation to motivate persons to have regular physical check-ups to protect themselves against cancer.

The Plymouth branch of the Michigan Cancer Foundation, which is supported by the Plymouth Community Chest, is located at 173 N. Main St., and is open weekday afternoons.

The Fly River in Papua on the Island of New Guinea is navigable by launch for more than 500 miles.

Riverside Estates

By Florence Stephenson — 453-8918

The Hannum family, of Riverside Dr., spent Easter week-end in Chicago visiting with Mrs. Hannum's grandmother, Mrs. Philip Odgers. The Hannum family consists of Richard and Barbara and their children, Kathy and David.

Mr. and Mrs. Chuck Foster, of Lindsay Dr., and their five children, Chris, Cindy, Pat, Colleen, and Craig, had Easter Dinner with Mr. Foster's parents, Mr. and Mrs. Louis Foster, on Rocker St.

Mr. and Mrs. Lloyd Curok of Lindsay Dr., had Lloyd's parents, Mr. and Mrs. J. Curok, and sister, Mrs. Helen Roche, over to spend Easter Sunday with them.

On April 1-2 the Girl Scouts of troop number 376 had an overnight at Hilltop Lodge in Ann Arbor. The troop is led by Mrs. L. Preuss. The girls from the neighborhood attending the overnight were Cindy Foster, Loree Curok, Debbie James, Carla Saunders, and Angie Conley.

Mr. and Mrs. Ellis Hahn, of Lindsay Dr., have Mrs. Hahn's brother, Ron Brown, from Petoskey, visiting with them.

Mary K. McIntosh celebrated her second birthday on

Robert Cain, Manager

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, March 16, 1964 at 3:30 P.M.

The City Manager presented the proposed agreement between the City of Plymouth and Mr. Joseph Boshnyak for services at the Plymouth-Salem Refuse Disposal Site.

Michigan, and proceeding thence North 88° 39' 10" E. 373.89 feet to the POINT OF BEGINNING, containing 1.0889 Acres of land, more or less.

Moved by Comm. Lawton and supported by Comm. Beyer that the following covenant be enforced by the City Commission:

The City Manager presented a communication from Arnold Williams requesting permission to hold a "Pop Concert" in Kellogg Park on May 22, 1964.

Moved by Comm. Beyer and supported by Comm. Lawton that the Commission be given the Band Parents Association to hold a "Pop Concert" in Kellogg Park on May 22, 1964.

The following resolution was offered by Comm. Houk and supported by Comm. Beyer:

RESOLUTION APPROVING APPLICATION FOR PRELIMINARY LOAN FOR LOW-RENT PUBLIC HOUSING

WHEREAS, it is the policy of this locality to eliminate substandard and other inadequate housing, to prevent the spread of slums and blight, and to provide as soon as feasible the goal of a decent home in a suitable living environment for all of its citizens;

Advertisement for Pontiac cars, featuring three models: 1961, 1962, and 1963. Text includes 'The important thing about being popular is staying that way. Wide-Track Pontiac' and '3rd biggest seller by more than ever'.

Advertisement for Mohawk carpet, featuring the slogan 'MORE CARPET LUXURY AND STYLE THAN YOU EVER DREAMED OF... ONLY \$9.95 per sq. yd.' and 'NEW BEAUFORT BROADLOOM CARPET BY MOHAWK'.

Christian Science Lecture

Salem News

By Sandra Myer — GL 3-6635

A Lecture on Christian Science

Entitled **The Priceless Gift of Knowing Oneself** by **Theodore Wallach, C.S. of Winnetka, Illinois**

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts

Given **Sunday April 5, 1964**

at **4:00 P.M.**

at the **First Church of Christ Scientist**

1100 W. Ann Arbor Tr. Plymouth, Michigan

The lecturer spoke substantially as follows:

Many years ago when I was a young man, an experienced Christian Scientist said to me, "If you're not having a good time practicing Christian Science, you're not practicing Christian Science." Well, I knew I wasn't having a good time practicing Christian Science, and in fact I wasn't having a good time — period! Really, I had been admitting to myself that I was quite unhappy, and that I had plenty of reasons for being unhappy. Thinking over his remark, I found that I was practicing Christian Science, you're not practicing Christian Science, I was forced to conclude that I must be having a wrong concept of Christian Science, somewhere along the line.

One thing I was fairly sure about, I didn't have a very good opinion of myself — and I didn't have a very good opinion of some other people I knew either. Let's state it frankly: I didn't have a very good opinion of myself — and I didn't have a very good opinion of some other people I knew either. Let's state it frankly: I didn't have a very good opinion of myself — and I didn't have a very good opinion of some other people I knew either.

For instance, in the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, tells us, in a well-known passage beginning on page 475, that man is "that which has no single quality undervived from Deity." How could I square that with myself, and some other folks I knew also? I'd like to read to you a few lines on that page in answer to the question, "What is man?" "The Scriptures inform us that man is made in the image and likeness of God. Matter is not that which is made in the image of Love; he is not physical. He is the compound idea of God, including all right ideas." And farther on we read that man is "that which has no separate mind from God; that which has not a single quality undervived from Deity."

Correct Sense Needed

But I was beginning to notice more and more in reading Science and Health, that the author frequently contrasts the material sense of things and the spiritual sense, as for instance, in the statement, (p. 95): "Material sense does not see the facts of existence; but spiritual sense lifts human consciousness into eternal Truth." Constantly, Science and Health makes the point that the material sense of man is the wrong sense; the spiritual, change man, the image and likeness of God — the only man there really is — but that you have to gain the right concept of man. And so I finally began to see how and why Christian Science demands that the individual gain a spiritual concept of himself and see himself more nearly as God sees him.

The prophet Samuel was assured (I Sam. 16:7), "The Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart." The question quite naturally arises, "How, indeed, does God see man?" A partial answer may be gleaned from another prophet's statement addressed to God (Hab. 1:13), "Thou art of purer eyes than to behold evil, and canst not look on iniquity."

Vast numbers of people accept the Bible assurance that God is Love. And of course, many do this not merely because the Scriptures say so, but because they have so often witnessed the power of divine Love in their own lives — have felt the compassionate, healing, touch of God's love when facing and working

out problems. And because genuine love is inseparable from intelligence, we Christian Scientists often use the terms divine Love and divine Mind for Deity. The question, "How does God see man?" might be stated: "How does divine Mind see its own ideas; how does Love, which is 'of purer eyes than to behold evil' see the children of its own creating?" The answer is plain: God sees man as expressed in His characteristics, His own nature and qualities.

God knows man as His own undistorted reflection, and you can have this true spiritual concept of man, too. Recognition of the intimate and inseparable unity between God and His own spiritual concept or reflection, man, bring a joyous sense of freedom; for then the old, limiting notions, the defiling thoughts about man, are laid off, and man is found to be, in very fact, God's perfect child. Then it becomes clear that man's God-given nature is honorable and orderly; that his sinlessness and integrity are inherent and indestructible; that his wisdom and dominion are enduring and his genuine selfhood immortal. Science and Health sums it up: "Man is the expression of God's being" (p. 470).

Rightness of Spiritual Sense

At this point, some one of you may be saying: "Well, that all sounds very nice. But I recently had dealings with a man who proved to be very dishonest. And I have a relative who is so unkind and critical that everyone tries to avoid her. What about that?" Are these God's perfect children? And is it not true that I am often impatient, sometimes sick and sometimes sinful, full of self-condemnation, fear and uncertainty? Are we really all God's perfect children?

How well Mrs. Eddy has stated this: "Mortal mind sees what it believes as certainly as it believes, hears, and sees its own thoughts" (ibid., p. 86). Since matter, then, is but the objectification of mortal thought, its sensations must likewise exist only in the human consciousness. To illustrate, suppose you are eating a piece of luscious apple pie, and you are immensely enjoying its excellent taste — and then suddenly you woke up — well, you'd have to admit that there really wasn't any flavor at all. It was the pleasure which there wasn't an apple pie! Even so with the sensations of matter, whether they be pleasurable or painful, happy or terrifying. They are — one and all — the sensations of mortal thought.

In the course of conversations during the next few weeks, he learned that she had been much troubled and hurt by several situations which had arisen in her family; that she had harbored considerable resentment and impatience; and after this distressing physical condition appeared there had been much fear, discouragement, and morose brooding over physical symptoms. With many careful explanations and illustrations, the practitioner endeavored to lift the patient's thought above the continual contemplation of her difficulties and to grasp the deeper, truer aspects of her condition. He reminded her that "Life is Mind, the creator reflected in His creations," as stated in Science and Health (p. 331). But always, this lifting of her thought seemed only temporary, and she constantly slipped back into the depths of self-pity, resentment and discouragement. And of course, the suffering seemed very real to her.

One cold winter morning the practitioner again traveled the long distance out to her home. He found her sitting up in bed, aroused her to some genuine efforts of her own to think rightly, she persisted in painting a dismal picture of her misery and suffering.

Finally, the practitioner, determined to waken her from this needless dream, almost shouted at her, "But you're not like that!" Then, without another word, he put on his hat and coat and left. The patient was so shocked that she burst into tears. She felt that this man who had been so loving, patient and considerate — even in the face of a hostile family — had now turned against her, too.

After some time spent in tearful self-pity, she suddenly awakened to the real situation. She said emphatically, "But you're not like that!" "Well, what am I like, then?" she asked herself. And for the first time, all she had been reading in Science and Health about man's actual spiritual being, and all the practical things she had been hearing, dawned in full power in her consciousness. For almost two hours, she said later, she actually seemed to be right in the kingdom of heaven! And at the end of that time she knew definitely that she was a spirit.

Now here, to me, is just about the most interesting part of this experience. She knew of a certainty that she was healed although there wasn't the least change of sensation or evidence for many days. She dressed and took dinner with the family, although it seemed extremely difficult, and for the next few days did all she could to maintain a normal household routine. She wasn't even tempted to utter a word of complaint. She found that the old critical attitude towards her family was gone, and she was joyously certain of her healing. After several days she realized that she was almost free from the dreaded difficulty, and within another day or two that she was, indeed, completely healed — a healing which has been permanent.

Plainly, this healing came about because of the patient's startled awakening to the fact

that the evil, which had seemed so utterly a part of her being, didn't really belong to her at all; that it was just a sort of messenger brought on by her acceptance of the subtle encroachments of resentment and a false sense of herself and others.

Now to go back to the question as to whether those who express unlovely characteristics are God's perfect children. Christian Science answers by drawing a sharp line of distinction between the man of God's creating and the counterfeit sense, called a mortal. Evil of any kind no more belongs to spiritual man than the disease actually belonged to the woman I have just told you about. Evil is the expression of ignorance and ignorance is always separable from mankind. You can say of those individuals who know no better than to express these unhappy characteristics, "But you're not really like that!"

A Wrong Viewpoint

Even that which we call matter only evidences a wrong point of view. I believe that today any physical scientist will agree with the statement that matter is not at all what it appears to be, is not the solid mass it was once considered. Long ago, Mrs. Eddy wrote in Science and Health, "In proportion as matter loses to human sense all entity as man, in that proportion does man become its master" (p. 369).

What, then, is this so-called substance which appears as a physical body, which appears as a structural, organic entity called material man? It is mortal thought looking at its own materialistic misconceptions, its own mortally-mental objectifications. One might say that the only matter there, is exists in the material in which we see it. In other words, the matter is not in the object, but in the viewpoint.

How well Mrs. Eddy has stated this: "Mortal mind sees what it believes as certainly as it believes, hears, and sees its own thoughts" (ibid., p. 86). Since matter, then, is but the objectification of mortal thought, its sensations must likewise exist only in the human consciousness. To illustrate, suppose you are eating a piece of luscious apple pie, and you are immensely enjoying its excellent taste — and then suddenly you woke up — well, you'd have to admit that there really wasn't any flavor at all. It was the pleasure which there wasn't an apple pie! Even so with the sensations of matter, whether they be pleasurable or painful, happy or terrifying. They are — one and all — the sensations of mortal thought.

There is much carefully documented evidence in the biographical material available concerning the details of Mrs. Eddy's life, and you are, in fact, welcome to read, borrow or purchase books containing these interesting accounts at the Christian Science Reading Room of this Church, or at any Christian Science Reading Room in your vicinity.

These books cover fully the essential points of Mrs. Eddy's background, childhood and education. They give us intimate pictures of her early life, with illness, loneliness and frustration, as well as the remarkable — and often difficult — experiences which led to her discovery of Christian Science. They reveal her overriding sense of spiritual duty, and the revelation of God, until the full light of the revelation of spiritual existence finally broke through the dark clouds of human sense.

The Most Godlike Man

What was Jesus' concept of man? Jesus of Nazareth, who has often been referred to as "the most Godlike man," spoke of himself as the Son of man, and also, the Son of God. Certainly Jesus knew the truth about man, and he identified himself so completely with the fact of man's unity with God, that he could even say, "I and my Father are one" (John 10:30) — that is, in total agreement. Thus he acknowledged himself as the Son of God. But he also compassionately took up the problems of human existence, illustrating that the Son of man had power to triumph over human limitations, mortal hatred, disease, and even death itself. And he insisted that all men could know and utilize this power of Truth as he did.

The relation between the "Son of man" and the "Son of God" illustrates the relationship between the human sense of man and the eternal spiritual status of man as divine idea. Jesus was the human man, whereas Christ is the absolute ideal of God, which Jesus evidenced so consistently that he came to be known as Jesus the Christ, or Christ Jesus.

Jesus knew what was in man, and he told us plainly. He said (Luke 17:21), "The Kingdom of God is within you," as much as say: Divine peace and harmony reign in your true, spiritual consciousness. He saw this with such penetrating clarity that every claim of disease, ignorance, malice, materiality,

false law was compelled to yield to the consciousness of the individual seeking help, thus bringing healing.

Christian Science is reinstating this Christly way of healing, is reinstating primitive Christianity and its vital element of healing which has been so neglected through the long centuries. This healing is not brought about by mere belief or blind faith in the power of God, but by exercising that acute spiritual understanding which the Master employed.

Mrs. Eddy clearly discerned: "It is neither Science nor Truth which acts through belief. This healing is not brought about by mere belief or blind faith in the power of God, but by exercising that acute spiritual understanding which the Master employed." Mrs. Eddy clearly discerned: "It is neither Science nor Truth which acts through belief. This healing is not brought about by mere belief or blind faith in the power of God, but by exercising that acute spiritual understanding which the Master employed."

In her book "No and Yes," Mrs. Eddy gives another explanation of prayer: "True prayer is not asking God for love; it is learning to love, and to include all mankind in one affection. Prayer is the utilization of the love wherewith He loves us. Prayer begets an awakened desire to be and do good. It makes new and scientific discoveries of God, of His goodness and power. It shows us more clearly than we saw before, what we already have and are; and most of all, it shows us what God is" (p. 39).

Discoverer and Founder

What manner of woman was Mary Baker Eddy, the Discoverer and Founder of Christian Science? The manner of woman would be likely to utter this noble statement about prayer? It is a revealing statement, well illustrating the character of its author, for she did indeed "include all mankind in one affection." It was her prayerful attitude which made possible the scientific discoveries of God, of His goodness and power, showing us "more clearly than we saw before, what we already have and are; and most of all" showing "us what God is."

There is much carefully documented evidence in the biographical material available concerning the details of Mrs. Eddy's life, and you are, in fact, welcome to read, borrow or purchase books containing these interesting accounts at the Christian Science Reading Room of this Church, or at any Christian Science Reading Room in your vicinity.

These books cover fully the essential points of Mrs. Eddy's background, childhood and education. They give us intimate pictures of her early life, with illness, loneliness and frustration, as well as the remarkable — and often difficult — experiences which led to her discovery of Christian Science. They reveal her overriding sense of spiritual duty, and the revelation of God, until the full light of the revelation of spiritual existence finally broke through the dark clouds of human sense.

But to the sincere Christian Scientist, the true measure of Mrs. Eddy's greatness, and the scope of her accomplishments, is seen in this: First of all, he finds how much — how very much — is required of him in the way of breaking loose from, and overcoming, long-held material beliefs in order to prove even a degree of the all-might of divine Spirit. The one who beholds Mrs. Eddy's outstanding achievements along this line, he knows from his own experience how greatly she triumphed over the claims of materiality. For only in this way could she have become the revelation of the real being.

Application to Business

A few years ago a friend of mine was an executive in a large manufacturing plant which had been having considerable trouble with labor unions. There had been strikes and threats of strikes, with resultant wage increases and other benefits which the management sometimes felt exceeded the bounds of justice. And now further demands by the union officials presented a crucial situation. Bargaining had gone on over a period of weeks, with the pressure rising and present negotiations increasing. The part of both management and employee representatives. The day came for a final meeting, a final showdown, between the opposing sides, my friend holding a key position in the management. He knew that he had been allowing anxiety, resentment and a great sense of pressure to gain quite a hold upon his thought. He was a sincere Christian Scientist and prayed earnestly that those negative atti-

tudes might be cast out; that he, and all others involved, might be seen clearly as God-governed ideas.

During the conference, there were increasingly angry words and accusations on the part of both groups. Suddenly my friend was impelled to ask himself, "What are you really doing here? Are you awake to the truth about this?" He was turned in thought away from the human picture before him to an awareness of God's presence, the presence of the all-controlling Mind and Love.

In preparation for this meeting my friend had given much consideration to the several helpful synonyms for God presented in Science and Health. While the words "Mind" and "Love" meant much to him, the terms "Principle" and "Spirit" stood out as having special application. Now he began to see more clearly that since God is one divine Spirit, this Spirit must be reflected by man, and expressed humanly, in all concerned to the spirit of fair play, the spirit of true consideration, even the spirit of genuine brotherhood. Likewise, he saw that divine Principle, fount and enforcer of all law and order, must be reflected by man and expressed humanly in honesty, in orderly and lawful activity, in upright actions and dealings with others.

The sound of angry voices faded into second place in his consciousness as a great sense of peace, the spiritual sense, came over him. He was startled from this kind of thinking by hearing the person who had seemed most stubborn quietly remark, "All right, gentlemen; we'll have to admit you have been quite fair in these matters." And the whole affair was concluded peacefully in short order.

So much of what is done in business today is dominated by fear — fear that we will not get all that is rightfully coming to us, fear of the other fellow's injustice or unfairness, fear of competition, fear of being out-thought by the other man, thinking, fear for the future and lack of security. All of these fears amount to an accumulation of the merciless pressures so evident in the business world today.

By the use of the spiritual sense, which is the ability to turn from the human picture to the sense of pressure, as my friend did, and see God controlling His own ideas. You can't put pressure on an idea of God, for an idea is subject to the control of the Mind in which it exists. So it is our own acceptance or rejection of a false viewpoint which troubles or frees us. Do you recall the old adage, "All this water in the seven seas can't sink a ship unless it gets inside of it." When we see the spiritual sense control His own ideas we shall find that we possess the spiritual freedom to think and act courageously, that we can prove our continuing security as a child of God, and find ever-increasing capacity for sound wisdom and judgment.

Home and Environment

Much of what I have said about business applies equally to the home. In fact, we all know just too well that the thoughts of home and business. Many a business failure has been directly traceable to an inharmonious home; and it is equally true that success in the business world is often due to the wonderful, supporting love in the home. Likewise, the mental atmosphere of the home has much to do with sickness and health.

Of the many inconsistencies of the human mind, few seem more unreasonable than the apparent inability or unwillingness of those in some families to see the ones who are actually nearest and dearest to them in their true, spiritual nature — to separate the human shortcomings from the individual.

The mother of a little four-year-old boy called him Tommy — and by the way, this is a true story — had often explained to him that because he was really the child of God, only good belonged to him; that when he was naughty, that wasn't the real Tommy at all.

Well, it so happened that one day when Mother was busily working upstairs, little Tommy seemed determined to get into all kinds of mischief. After many warnings, his exasperated mother finally told him in no uncertain terms that he was a very naughty boy, gave him a less than gentle push, and sent him downstairs with the harsh reminder, "And that's not the real Tommy!" Little Tommy was quite hurt; not used to such rough treatment from his dear mother. As he went downstairs, one step at a time, he sobbed, "A that's not the real Mommy either. That's not the real Mommy!" And so when we sometimes feel hurt by the thoughtlessness or willfulness of one close to us, can't we just say to ourselves, "That's not the real Tommy, or Mommy, or Daddy or sister, or Mother?" And then let's be sure to remind ourselves what the "real" Tommy or Mommy or Daddy or sister actually is like! What warmth of tender understanding and joy comes into the home as spiritual vision replaces harsh suspicion and criticism! How true the statement, "We think in secret and it comes to

pass. Environment is but our looking-glass." All the way through, we see that our environment, whether in business, in the home, or in the world at large, is shaped by our basic attitude towards man, himself. After all, every city, state or country is but an aggregate of individuals, and no individual or group of individuals is beyond the reach of the ever-present divine Love and intelligence. It is our privilege to know that because the real man is susceptible only to true thoughts which come from God, he is not at the mercy of carnal suggestions. In fact, it is well to remember that man does not have a suggestible mind, cannot be misled by suggestions of hatred or other forms of untruth which claim to hold entire nations in bondage. Our sure and prayerful knowing that each idea of God is subject to the divine Mind alone tends to lift this burden of untruth from the human mind and bring that freedom from oppressive fears for which all people long. So it all goes back to our conception of man.

"Citizens of the world, accept the glorious liberty of the children of God," and be free! This is your divine right! We read in the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 227), which I have been quoting from. And this book shows us how to attain the liberty for which we all long — freedom from enslaving habits, from disease and the fear of disease, from discordant environments and relationships. It opens wide the door to the dominion which God has given man, and enables one to live up to the visions of spiritual rightness it describes.

Christian Science Textbook

I urge you to read this great book with deep sincerity and thoroughness, for large numbers of people have been healed and helped in innumerable ways by its careful reading. You will find that it is truly a key to the Scriptures, making the Book of books come alive in your understanding, enabling you to demonstrate the profound spiritual truths of the Bible. Consistent study of this textbook unquestionably spiritualizes the thought of the reader, lifting one from mere human trust in God to a conscious awareness of the intimate and inseparable unity which exists between God and man. The thoughtful, daily reading of Science and Health makes clear and keeps clear the distinction between material sense, which claims man to be a physical, structural, organic, material mortal, and spiritual sense, which reveals him as the noblest work of God, the divine conception of divine Mind, and governed by divine law alone.

Such correct thinking sets aside human self-aggrandizement and self-condemnation, self-accusation and self-deprecation, self-will, self-justification and self-deception, and through careful self-examination and self-knowledge leads to true self-appreciation, self-respect, and self-consecration to good. It is thus that we come to a knowledge of man's true being.

Mrs. Eddy says in "Miscellaneous Writings" (p. 185), "Self-renunciation of the material man, and the acknowledgment and achievement of his spiritual identity as the child of God, is Science that opens the very flood-gates of heaven; whence good flows in every avenue of being, cleansing, mortals of all uncleanness, destroying all suffering, and demonstrating the true image and likeness." Mrs. Eddy continues, "The spiritualization of our sense of man opens the gates of paradise that the so-called material senses would close, and reveals man infinitely blessed, upright, pure, and free."

My friends, this is the truth about man, and the truth about man is the truth about you.

Monthly Workers Conference will be held April 12 at the Federated Church with various guest speakers participating on topics relating to young people.

Mr. and Mrs. John Van Aken of Salem Rd. attended the funeral of Mrs. Van Aken's aunt, Mrs. Julia Lautner of Detroit, which was held in Traverse City on March 28. They returned home the next day.

Mr. and Mrs. Charles Raymond of Dickerson Rd. left Saturday, March 28 to visit his sister, Mrs. Elizabeth Venneman, who has been in Sunshine Hospital in Grand Rapids since November for tests. They spent the night with his brother, Mr. and Mrs. Ellsworth Raymond, in Lowell and returned home on Sunday.

Mr. and Mrs. Roy Scheppele of Brookline Rd. on Easter. It was the senior Scheppele's 42nd wedding anniversary and their grandson, Bobby's 13th birthday. Also present were a granddaughter, Margaret, from Michigan State University, a daughter, Jane, and several grandchildren.

Mr. and Mrs. Paul Griffith and family of Six Mile Rd. left March 26 for Jackson, Kentucky, to visit both their parents. They returned home Easter Sunday.

Mr. and Mrs. Kenneth Clinansmith of Curtis Rd. had a dinner guest for Easter Sunday, Miss Martina Burnham of Ann Arbor.

Mr. and Mrs. Gordon Parham and their two sons of Salem Rd. dined at the Mayflower Hotel on Easter Sunday. With them were friends, Mr. and Mrs. Walter Heldt of Grosse Ile.

Mr. and Mrs. Harold Johnson of North Territorial Rd. had Miss Norma Clinansmith of Curtis Rd. for Easter breakfast.

Mr. and Mrs. Ford Schriener of South Lyon had dinner guests March 30, Mr. and Mrs. Kenneth Clinansmith of Curtis Rd.

Mr. Gordon Parham of Salem Rd. spent one day last week in Toronto where he judged at the Canadian National Sportsman's Exposition.

Bruce Conant, son of Mr. and Mrs. Herbert Conant of Napier Rd., spent part of his Easter vacation making maple syrup. Using his grandfather's equipment, he tapped about twenty trees, then boiled it for several hours. His parents took him back to Michigan State after Easter.

A Gospel Team from the Moody Bible Institute in Chicago, consisting of three women and two men, a trio of singers, a song leader and a guest speaker, were present at the Salem Federated Church April 3.

Mr. and Mrs. Frank Davis of Brookville Rd. entertained their family for Easter dinner; present were Mrs. Davis' mother, Mrs. Francis Walls of Belleville, Mr. and Mrs. Charles Walls and family of Belleville, a sister, Mr. and Mrs. Louise Sackett of Plymouth.

Mr. and Mrs. George Carmickle and family of Curtis Rd. spent Easter afternoon at the home of Mr. Carmickle's uncle, Mr. Arthur Carmickle of Plymouth. Also present were Mr. and Mrs. Wayne Carmickle and family, and Mr. and Mrs. Arthur Carmickle, Jr. and family. The children all participated in an Easter egg hunt.

Mr. and Mrs. Adolph Trapp of Six Mile Rd. attended Senior Citizens' Meeting last week, which was held at the Masonic Temple in Plymouth. Mrs. Trapp was on the refreshment committee.

Mrs. Dennis Gibson of South Lyon, daughter of Mr. and Mrs. Frank Davis of Brookville Rd., was honored with a bridal shower on April 3, given by Mrs. Davis' sister, Mrs. Wilma Payeur of Ann Arbor.

Mr. and Mrs. William Wassenaar and sons Randy and Kent of Salem Rd. and Mrs. Wassenaar's mother, Mrs. Letha Wassenaar of Plymouth, spent Easter week-end in Battle Creek visiting relatives.

The Christian Fellowship Class of the Federated Church will be going to the Far Eastern Gospel Crusade in Detroit on April 13 to enjoy an oriental dinner.

The Salem Farmer's Club met April 1 for potluck dinner at the home of Mr. and Mrs. Earl Roberts of Club Rd. Mr. Norman Brown, the 4-H agent of Washtenaw County, was present as guest speaker. Colored slides were shown and Mrs. Brown spoke on his work previous to being a 4-H agent. He has lived with the upper class of young people, trying to improve conditions in Japan, Formosa, the Philippine Islands, and Thailand. The next meeting will be held at Mr. and Mrs. Joseph Zvirikovski at 7:00 p.m.

Randy Wassenaar, son of Mr. and Mrs. William Wassenaar of Salem Rd., celebrated his eighth birthday on March 26.

The Moonlight Club met April 2 at the home of Mrs. Helen Leggett of Seven Mile Rd.

Mr. and Mrs. George Carmickle and family of Curtis Rd. spent Easter afternoon at the home of Mr. Carmickle's uncle, Mr. Arthur Carmickle of Plymouth. Also present were Mr. and Mrs. Wayne Carmickle and family, and Mr. and Mrs. Arthur Carmickle, Jr. and family. The children all participated in an Easter egg hunt.

Mr. and Mrs. Adolph Trapp of Six Mile Rd. attended Senior Citizens' Meeting last week, which was held at the Masonic Temple in Plymouth. Mrs. Trapp was on the refreshment committee.

Mr. and Mrs. George Carmickle and family of Curtis Rd. spent Easter afternoon at the home of Mr. Carmickle's uncle, Mr. Arthur Carmickle of Plymouth. Also present were Mr. and Mrs. Wayne Carmickle and family, and Mr. and Mrs. Arthur Carmickle, Jr. and family. The children all participated in an Easter egg hunt.

Mr. and Mrs. Adolph Trapp of Six Mile Rd. attended Senior Citizens' Meeting last week, which was held at the Masonic Temple in Plymouth. Mrs. Trapp was on the refreshment committee.

in this quiet place...

a book may be read that can help you to find yourself

You may have passed by this quiet place many times—but have never entered it. Yet here in this peaceful room, ready for you to read, is a book that has enabled many to find their true identity—to really know themselves, to discover the certainty and the continuity of their being. It can do this for you.

The place is the Christian Science Reading Room; the book, Science and Health with Key to the Scriptures by Mary Baker Eddy.

Stop at a Christian Science Reading Room soon; read the Bible and Science and Health in the quiet, undisturbed atmosphere provided for you. Borrow this book, free of charge. Or buy it for yourself. Library Edition \$4. Paperback Edition \$1.95.

Township of Plymouth
County of Wayne, Michigan
Minutes of a Special Public Hearing Meeting of the Township Board of the Township of Plymouth, County of Wayne, Michigan, held at the Township Hall in said Township on Tuesday, the 31st day of March, 1964, at 8:00 o'clock p.m., Eastern Standard Time.

PRESENT: Trustees Roy R. Lindsay, John D. McEwen, Elizabeth Holmes, C. V. Sparks, Louis Norman, Ralph Garber, Dick Lauterbach.
ABSENT: Trustees NONE.

The following preamble and resolution were offered by Trustee Ralph Garber and supported by Trustee Louis Norman:

WHEREAS, there exists an imperative need to acquire in the Township of Plymouth, as a part of the Wayne County Metropolitan Water Supply System, additional water distribution facilities consisting principally of additional water mains, as hereinafter in the Contract more particularly set forth; and

WHEREAS, preliminary plans and estimate of cost of said additional water improvements have been prepared by Herald F. Hamill, consulting engineer of Plymouth, Michigan, which said preliminary plans and estimate of cost have been reviewed by this Board; and

WHEREAS, this Board has determined that it is necessary for the public health to acquire said additional water improvements in accordance with said preliminary plans and estimate of cost; and

WHEREAS, Sections 5(a), 5(b) and 5(c) of Act 342, Public Acts of Michigan, 1939, as amended, authorize the Board of Water Commissioners of the County of Wayne, as the agency for the County, to acquire, operate and maintain the system with all the powers and duties conferred upon each agency by statute; and

WHEREAS, this Board determines it to be in the best interest of the Township to acquire said additional water improvements, and to finance the cost thereof in accordance with the provisions of Sections 5(a), 5(b) and 5(c) of Act 342, Public Acts of Michigan, 1939, as amended; and

WHEREAS, a contract between the Township of Plymouth and the Board of County Road Commissioners of the County of Wayne, acting for and on behalf of the County of Wayne, providing for the acquisition, construction and financing of said additional water improvements and such matters as are deemed necessary thereto, has been prepared;

NOW, THEREFORE, BE IT RESOLVED THAT:
1. The Township Board of the Township of Plymouth hereby determines it to be necessary to acquire the additional water improvements described in the Contract hereinafter set forth.

2. This Board deems it to be in the best interest of the Township to finance the cost of such additional water improvements in accordance with the provisions of Sections 5(a), 5(b) and 5(c) of Act 342, Public Acts of Michigan, 1939, as amended.

3. The Township Board hereby approves the preliminary plans and estimate of cost of said additional water improvements prepared by Herald F. Hamill, consulting engineer, Plymouth, Michigan.

4. The Township Board does hereby approve the following Contract for the acquisition, construction and financing of said additional water improvements:

CONTRACT
THIS CONTRACT, made and entered into this 31st day of March, A.D., 1964, by and between the BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, Michigan, a public body corporate, acting for and on behalf of the County of Wayne, Michigan, party of the first part, hereinafter referred to as the "BOARD," and the TOWNSHIP OF PLYMOUTH, a municipal corporation in the County of Wayne, Michigan, hereinafter referred to as the "TOWNSHIP";

WITNESSETH: WHEREAS, the County of Wayne, Michigan, by resolution of its Board of Supervisors duly adopted on October 9, 1939, adopted the provisions of Act 342, Public Acts of Michigan, 1939, as amended, and pursuant to said resolution and to a prior resolution adopted on October 18, 1938, the BOARD, as the

duly designated agency of the County, has constructed an extensive system of water distribution mains, extensions, storage tanks and other distribution equipment and facilities in connection therewith, through which it has been receiving water purchased by contract from the Water Supply System of the City of Detroit, transporting it through said mains and lines, and selling it to various cities, villages and townships in the County of Wayne, pursuant to contracts with said governmental units; said water distribution mains and other facilities being designed as the Wayne County Metropolitan Water Supply System (hereinafter, for brevity, referred to as the "County System"); and

WHEREAS, the BOARD and the City of Detroit, by its Board of Water Commissioners, have under date of August 3, 1959, entered into a contract and agreement whereby in the interests of unified management and operation of all water supply and distribution facilities in the Detroit Metropolitan Area, the management and operation of the County System has been taken over by the Board of Water Commissioners of the City of Detroit, the BOARD, however, retaining jurisdiction over the County System for the purpose of financing necessary improvements and extensions thereto under the provisions of Act 342, Public Acts of Michigan, 1939, as amended. That said contract and agreement was duly approved by the Board of Supervisors of the County of Wayne and the Common Council of the City of Detroit. The water through the system mains of the County System is now supplied through contract by user municipalities directly with the City of Detroit, by its Board of Water Commissioners, rather than by contract with the BOARD as was formerly the case, although title to the County System remains with the BOARD as the agency of the County; and

WHEREAS, the TOWNSHIP and the City of Detroit, by its Board of Water Commissioners, have, on June 21, 1960, entered into a contract for the supplying of water from the Water Supply System of the County System to the TOWNSHIP through the mains and facilities of the County System, which contract assures an adequate supply of water for a period of not less than thirty-five (35) years from the date thereof; and

WHEREAS, Sections 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended, provide an additional and alternative method of financing water improvements authorized by said Act independent of other means provided in said Act, by the terms of which the BOARD and the TOWNSHIP are authorized to construct, construction and financing of necessary water improvements authorized by said Act, and the County, pursuant to appropriate action by its Board of Supervisors, is then authorized to issue bonds to provide funds therefor, secured primarily by the contractual pledge of the full faith and credit of the TOWNSHIP and secondarily by the full faith and credit pledge of the County, if authorized by resolution of its Board of Supervisors; and

WHEREAS, pursuant to the authorization provided in said Act 342 and the above-referred to resolutions, the County Board of Supervisors, through the BOARD as its duly designated agency, and pursuant to contract with the TOWNSHIP has heretofore constructed certain improvements and additions to the County System located in the TOWNSHIP, which improvements were and are vitally necessary to preserve and protect the public health, and which said improvements and additions were financed by the issuance of bonds, designated "Wayne County Metropolitan Water Supply System Bonds (Plymouth Township Section)" dated as of January 1, 1961, and in the aggregate principal amount of \$1,100,000.00, which said bonds were secured and payable primarily out of contract payments pledged by the TOWNSHIP, and secondarily by the full faith and credit pledge of the County of Wayne, all as authorized by the provisions of said Act 342; and

WHEREAS, to preserve and protect the public health, safety and welfare of the present and future residents of the TOWNSHIP, which will be for the benefit of the general health, safety and welfare of the entire County of Wayne, there exists an imperative and urgent need for additional water distribution mains and appurtenances in the TOWNSHIP to make available to its citizens and residents an adequate supply of filtered water, which said additional water distribution mains shall be located as follows:

Along Sheldon Road from the existing main at the north line of Parklane Estates Subdivision, northerly, to North Territorial Road;

Along North Territorial Road from Sheldon Road, westerly, to McClumpha Road;

Along West Ann Arbor Trail from Sheldon Road, westerly, to McClumpha Road;

Along McClumpha Road from Ann Arbor Road, northerly, to West Ann Arbor Trail;

Along Dunn Court from North Territorial Road, southerly, approximately 1050 lin. ft.

Along Canton Center Road, between Joy Road and Ann Arbor Road, together with necessary fire hydrants and other appurtenances and facilities connected therewith.

A blueprint plan showing in detail said water improvements is on file in the offices of the BOARD; and

WHEREAS, the BOARD has caused plans, specifications and estimates of cost of said proposed additional water distribution mains and facilities to be prepared by Herald F. Hamill, consulting engineer of Plymouth, Michigan (hereinafter in this Contract referred to as the "consulting engineer"), which estimates of cost, including contingencies, engineering, legal and financial expenses, is in the sum of Three Hundred Fifty Thousand (\$350,000.00) Dollars (which said estimate of cost is hereinafter referred to as the "estimated cost"); and

WHEREAS, the execution of this Contract has been authorized by resolution of the Township Board of the Township of Plymouth, Michigan, on March 31, 1964, which said resolution has been published in a newspaper of general circulation in the TOWNSHIP, and more than thirty (30) days have elapsed since such publication and no petition for referendum concerning said resolution or this Contract has been filed with the Township Clerk of said TOWNSHIP;

NOW, THEREFORE, in consideration of the premises and the covenants of each other, the parties hereto agree as follows:

1. The BOARD and the TOWNSHIP hereby approve and confirm the additional water distribution mains and appurtenances to be acquired and constructed as set forth in the preamble to this Contract, and agree that the same shall be acquired and constructed in the manner provided by and pursuant to this Contract. The BOARD and the TOWNSHIP further hereby approve and confirm the preliminary plans for said additional water distribution mains and appurtenances prepared by the consulting engineer and the estimated cost thereof in the sum of \$350,000.00, as set forth in the preamble to this Contract, including all surveys, plans, specifications, acquisition of property for rights-of-way, including consequential and abutting damages, if any, and interest on awards, physical construction necessary to acquire and construct the same and confirmed in Section 1 of this Contract, the acquisition of all materials necessary to acquire and construct said water improvements and engineering, supervision, administrative, legal and financing expenses necessary in connection with the acquisition and construction of said water improvements and the financing thereof.

2. The TOWNSHIP shall acquire all necessary property for rights-of-way for the PROJECT TO BE FINANCED, and consents and agrees to the use of any of its lands and public property or such PROJECT TO BE FINANCED.

3. The BOARD will acquire and construct the additional water distribution mains and appurtenances approved and confirmed in Section 1 of this Contract and for that purpose will take bids for the acquisition and construction of such improvements prior to the time that any bonds are issued for the purpose of financing the cost of said improvements. The BOARD shall in no event enter into any final contract or contracts for the construction and acquisition of said improvements where such contract price or prices will be such as to cause the actual total cost of the PROJECT TO BE FINANCED to exceed the estimated cost, as set forth in the preamble to this Contract, unless the TOWNSHIP by resolution of its Township Board, approves such increased total cost and agrees to pay the excess over the estimated cost, either in cash, or by specifically authorizing the maximum principle amount of bonds to be issued as provided in Sections 6 and 7 of this Contract, to be increased to an amount which will provide sufficient funds to meet said increased total cost. The additional water improvements shall be ac-

quired and constructed by the BOARD in accordance with the plans and specifications therefore based on the preliminary plans approved by this Contract. Provided, that certificates for minor variations from said plans and specifications may be made without the approval of the TOWNSHIP if such variations shall not materially affect said plans and specifications. All matters relating to engineering plans and specifications and the making and letting of final construction contracts for the water improvements specified in Section 1 of this Contract shall be in the exclusive control of the BOARD. All inspection and the approval of work and materials, thereunder, and all construction supervision, shall be done by the TOWNSHIP, who shall cause payments to contractors to be executed in the manner and at the times required by the construction contracts, which such certificates shall be presented to the BOARD by the TOWNSHIP and the BOARD shall make the payments required to be made pursuant to any certificate filed with it by the TOWNSHIP on the basis of the certificate alone and shall not be required to make any determination or investigation as to whether the work has actually been done or the materials supplied.

4. Upon completion of the additional water improvements specified in Section 1 of this Contract, the TOWNSHIP shall operate and maintain said improvements at its sole expense. The TOWNSHIP shall be obligated to continue to pay for all water furnished pursuant to the provisions of the water supply contract with the City of Detroit referred to in the preamble hereof. The TOWNSHIP shall have all the rights specified in either Act 342, Public Acts of Michigan, 1939, as amended, or Act 94, Public Acts of Michigan, 1933, as amended, or any other applicable law, relative to making charges or rates to users of said additional water improvements.

5. To carry out and accomplish the PROJECT TO BE FINANCED, in accordance with the provisions of Act 342, Public Acts of Michigan, 1939, as amended, the BOARD shall take the following steps:

(a) The BOARD shall immediately take all steps necessary to take bids for and into and execute final construction contracts for the acquisition and construction of the additional water improvements specified in Section 1 of this Contract in accordance with the plans and specifications therefore based on the preliminary plans approved by this Contract. Said final construction contracts shall specify a completion date of the additional water improvements.

(b) The BOARD will require and procure from the contractor or contractors undertaking the actual construction and acquisition of the additional water improvements, necessary and proper bonds to guarantee the performance of the construction contract or contracts, and such labor and material bonds as may be required by law, in such amount and such forms as may be approved by the BOARD.

(c) The BOARD will submit to the Board of Supervisors of the County of Wayne, an ordinance or resolution, providing for the issuance of bonds in the aggregate principal amount of not exceeding \$350,000.00 (except as authorized pursuant to Section 4 of this Contract) said bonds to mature serially over a period of years not exceeding forty (40), as may be agreed by the TOWNSHIP, which bonds will be secured primarily by the payments required to be made by the TOWNSHIP pursuant to this Contract, and secondarily if approved by a majority of the members-elect of the Board of Supervisors, by the full faith and credit of the County of Wayne. After due adoption of the bond ordinance or resolution, the BOARD will take all necessary legal procedure to effectuate the sale and delivery of the bonds.

(d) The BOARD, upon receipt of the proceeds of sale of the bonds, will comply with all provisions and requirements provided for in the ordinance or resolution authorizing issuance of the bonds and this Contract relative to the disposition and use of the proceeds of sale of the bonds.

6. The entire cost of the PROJECT TO BE FINANCED shall be charged to and paid by the TOWNSHIP and at the times hereinafter set forth. Immediately upon the issuance of the bonds of the County of Wayne hereinbefore referred to, the BOARD shall notify the TOWNSHIP, by written communication addressed to its

Township Treasurer, of the schedule of payments of principal and interest thereon. The TOWNSHIP consents and agrees that, not less than thirty (30) days prior to the due date of any principal or interest payments thereon, it will remit to the BOARD sufficient funds to meet said payments in full. From time to time as the BOARD is billed by the paying agent or agents for the bonds to be issued for their services as paying agent or registering bonds, and as other costs and expenses accrue to the BOARD from handling of the payments made by the TOWNSHIP, the BOARD shall notify the TOWNSHIP of the amount of such paying agency fees and other costs and expenses, and the TOWNSHIP shall, within thirty (30) days from the date of such notification, remit to the BOARD sufficient funds to meet such paying agency fees and other costs and expenses.

7. The TOWNSHIP, pursuant to the authorization of Section 5(a) of Act 342, Public Acts of Michigan, 1939, as amended, hereby authorizes plus the additional bonds to be issued. Any such supplemental contract shall in all respects comply with the requirements of Act 342, Public Acts of Michigan, 1939, as amended, and shall contain a provision which provides that any increases in the annual payments shall be made in the manner and at the times specified in this Contract. In lieu of said supplemental contract, the TOWNSHIP may pay over to the BOARD sufficient moneys to complete the PROJECTS TO BE FINANCED.

8. After completion of the PROJECT TO BE FINANCED, and payments of all costs thereof, any surplus remaining on or proceeds of sale of the bonds shall be used by the BOARD for either of the following purposes at the option of, and upon request made by resolution of the TOWNSHIP Board, to wit:

(a) For additional water improvements in the TOWNSHIP subject to the approval of the BOARD; or (b) credited by the BOARD to the next payment due the BOARD by the TOWNSHIP hereunder.

9. All contracts for connection to the additional water improvements herein authorized, whether such connections are made during construction or after the water improvements are placed in operation, shall be made by the TOWNSHIP subject to approval of the BOARD. The actual cost of such connections shall be paid by the TOWNSHIP except to the extent that the costs of such connections are included in the plans and specifications approved by this Contract or any contract supplemental thereto.

10. The obligations and undertakings of each of the parties to this Contract shall be conditioned on the successful issuance and sale of bonds pursuant to Act 342, Public Acts of Michigan, 1939, as amended, and if for any reason whatsoever said bonds are not issued and sold within two years from the date of this Contract, this Contract, except for payment of preliminary expenses and ownership of engineering data, shall be considered void and of no force and effect. In the event that said bonds are not issued and sold, all preliminary legal and engineering costs shall be paid by the TOWNSHIP and the TOWNSHIP shall have ownership, possession and use of all plans and specifications, surveys and other engineering data and materials prepared.

11. In the event the TOWNSHIP shall fail for any reason to pay to the BOARD at the times specified in the schedule of payments, the BOARD shall require the TOWNSHIP to immediately notify, in writing, both the County Treasurer of the County of Wayne and the governing body of the TOWNSHIP of such default and the amount thereof, and if such default is not corrected within ten (10) days after such notification, the County Treasurer or other official charged with the disbursement of funds to the TOWNSHIP derived from the State sales tax levy as provided by law and payable to said TOWNSHIP pursuant to Section 10, Article 4 of the Michigan Constitution of 1963, shall specifically authorized by the TOWNSHIP to withhold sufficient funds to make up any such default or deficiency from said State sales tax levy then on hand or to be received by the TOWNSHIP, and which are payable to the TOWNSHIP, and to pay said sums so withheld to the BOARD to apply on the obligations of the TOWNSHIP as herein set forth. Any such moneys so withheld and paid shall be considered to have been paid to the TOWNSHIP, the purpose of this provision being solely to voluntarily authorize the use of such funds owing to the TOWNSHIP to meet past due obligations of the TOWNSHIP due under the provisions of this Contract. In addition to the foregoing, the BOARD shall have all other rights and remedies provided for in the ordinance or resolution authorizing issuance of the bonds and this Contract to make payments in the manner and at the times required by this Contract.

12. It is specifically recognized by the TOWNSHIP that the payments pursuant to the terms of Section 7 of this Contract are to be pledged for and used to pay the principal and interest of the bonds to be issued by the

County, as provided by this Contract and authorized by law, and the TOWNSHIP covenants and agrees that it will make its required payments to the BOARD promptly and at the times herein specified, without regard to whether the PROJECT TO BE FINANCED is actually completed or placed in operation.

13. If the proceeds of the sale of the bonds to be issued by the County are for any reason insufficient to complete the PROJECT TO BE FINANCED, the BOARD and the TOWNSHIP shall execute a supplemental contract making provision for the issuance of additional bonds in an aggregate principal amount sufficient to complete the PROJECT TO BE FINANCED, and increasing the proportionate annual payments required to be made by the TOWNSHIP in an amount so that the total payments required to be made, as increased, will be sufficient to meet the annual principal and interest requirements of the bonds herein authorized plus the additional bonds to be issued. Any such supplemental contract shall in all respects comply with the requirements of Act 342, Public Acts of Michigan, 1939, as amended, and shall contain a provision which provides that any increases in the annual payments shall be made in the manner and at the times specified in this Contract. In lieu of said supplemental contract, the TOWNSHIP may pay over to the BOARD sufficient moneys to complete the PROJECTS TO BE FINANCED.

14. After completion of the PROJECT TO BE FINANCED, and payments of all costs thereof, any surplus remaining on or proceeds of sale of the bonds shall be used by the BOARD for either of the following purposes at the option of, and upon request made by resolution of the TOWNSHIP Board, to wit:

(a) For additional water improvements in the TOWNSHIP subject to the approval of the BOARD; or (b) credited by the BOARD to the next payment due the BOARD by the TOWNSHIP hereunder.

15. All contracts for connection to the additional water improvements herein authorized, whether such connections are made during construction or after the water improvements are placed in operation, shall be made by the TOWNSHIP subject to approval of the BOARD. The actual cost of such connections shall be paid by the TOWNSHIP except to the extent that the costs of such connections are included in the plans and specifications approved by this Contract or any contract supplemental thereto.

16. The obligations and undertakings of each of the parties to this Contract shall be conditioned on the successful issuance and sale of bonds pursuant to Act 342, Public Acts of Michigan, 1939, as amended, and if for any reason whatsoever said bonds are not issued and sold within two years from the date of this Contract, this Contract, except for payment of preliminary expenses and ownership of engineering data, shall be considered void and of no force and effect. In the event that said bonds are not issued and sold, all preliminary legal and engineering costs shall be paid by the TOWNSHIP and the TOWNSHIP shall have ownership, possession and use of all plans and specifications, surveys and other engineering data and materials prepared.

17. The additional water improvements acquired and constructed in accordance with the provisions of this Contract shall be a part of the County System. The TOWNSHIP shall at all times maintain the additional water improvements to be acquired and constructed hereunder. If at any time during the term of this Contract the TOWNSHIP refuses or neglects to properly repair or maintain any of the facilities required to be maintained by it hereunder, the BOARD shall in writing order the TOWNSHIP to perform all necessary items of repair and maintenance, and in case of non-compliance with such order within thirty (30) days, the BOARD may proceed with such work and the TOWNSHIP agrees to reimburse the BOARD for any expenses incurred thereby.

18. The BOARD and the TOWNSHIP each recognize that the holders from time to time of the bonds issued by the County under the provisions of Section 5(c) of Act 342, Public Acts of Michigan, 1939, as amended, to finance the cost of the PROJECT TO BE FINANCED will have contractual rights in this Contract and it is therefore covenanted and agreed by each of them that as long as any of said bonds shall remain outstanding and unpaid, the provisions of this Contract shall not be subject to any alteration or revision which would in any manner affect either the security of the bonds or the prompt payment of principal or interest thereon. The TOWNSHIP and the BOARD further covenant and agree that they will each

comply with their respective duties and obligations under the terms of this Contract promptly at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way impair the said bonds, the security thereof, or the prompt payment of principal and interest thereon. It is hereby declared that the terms of this Contract, insofar as they pertain to the security of the said bonds, shall be deemed to be for the benefit of the holders of said bonds.

WHEREAS, the Township Board has determined that it is necessary for the public health to acquire said additional sewer improvements in accordance with said preliminary plans and estimate of cost; and

WHEREAS, Sections 5(a), 5(b) and 5(c) of Act 342, Public Acts of Michigan, 1939, as amended, authorize the execution of contracts between municipal corporations and the proper county agency providing for the acquisition, construction and financing of sewer improvements; and

WHEREAS, the County of Wayne, acting by and through its Board of Supervisors, and in accordance with Act 342, Public Acts of Michigan, 1939, as amended, by resolution of its Board of Supervisors on October 9, 1939, and by Ordinance No. 200 duly adopted on September 29, 1962, authorized and directed that there be established a system of sewerage disposal improvements and services to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System, and did designate the Board of County Road Commissioners of the County of Wayne, as the agency for the County to acquire, operate, maintain and improve the System with the proviso that duties conferred upon such agency by statute; and

WHEREAS, the Township Board determines it to be in the best interest of the Township to acquire said additional sewer improvements and to finance the cost thereof in accordance with the provisions of Sections 5(a), 5(b) and 5(c) of Act 342, Public Acts of Michigan, 1939, as amended; and

WHEREAS, a contract between the Township of Plymouth and the Board of County Road Commissioners of the County of Wayne, acting for and on behalf of the County of Wayne, providing for the acquisition, construction and financing of said additional sewer improvements, and such matters as are deemed necessary thereto, has been prepared;

NOW, THEREFORE, BE IT RESOLVED THAT:
1. The Township Board of the Township of Plymouth hereby determines it to be necessary for the public health and safety to acquire the additional sewer extensions and improvements set forth in the Contract herein provided as a part of this resolution.

2. The Township Board deems it to be in the best interest of the Township to finance the cost of such improvements in accordance with the provisions of Sections 5(a), 5(b) and 5(c) of Act 342, Public Acts of Michigan, 1939, as amended. Said officials shall not execute said agreement until the same is approved by a majority of the electors of the Township of Plymouth voting thereon in accordance with the provisions of Section 5(b) of Act 342, Public Acts of Michigan, 1939, as amended.

3. The Township Board hereby approves the preliminary plans and estimate of cost of said improvements prepared by Herald F. Hamill, registered engineer of Plymouth, Michigan, which said preliminary plans and estimate of cost were approved by the Township Board of the County of Wayne, Michigan, acting for and on behalf of the County of Wayne, Michigan, party of the first part, hereinafter referred to as the "BOARD," and the TOWNSHIP OF PLYMOUTH, a municipal corporation in the County of Wayne, Michigan, hereinafter referred to as the "TOWNSHIP";

WITNESSETH: WHEREAS, the County of Wayne, Michigan, acting by and through its Board of Supervisors and in accordance with Act 342, Public Acts of Michigan, 1939, as amended (hereinafter referred to as "Act 342"), did by resolution duly adopted by a majority vote of its members-elect on October 9, 1939, and by Ordinance No. 200 duly adopted on September 29, 1962, authorize and direct that there be established a system of sewerage disposal improvements and services, to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System (hereinafter referred to as the "County System"), and did designate the BOARD as the agency for the County to operate and maintain such system with all the powers and duties conferred upon such agency by statute; and

WHEREAS, said Ordinance No. 200 specifically provides, in part, as follows, to wit:

"Section 10. To provide necessary improvements, additions and extensions to the System, and the financing thereof, the Board is authorized to prepare plans, specifications and estimates of cost of said improvements, and to submit necessary resolutions or ordinances, resolutions or other documents necessary to the issuance of any of the type of bonds or notes authorized by the provisions of Act 342, Public Acts of 1939, as

amended, and to that end is authorized to make and execute contracts, agreements or other documents relating thereto as authorized by the provisions of said Act; Provided, However, that before any bonds or notes are issued or sold, the proceedings authorizing the issuance or sale shall be formally approved by resolution or ordinance of the Board of Supervisors of the County of Wayne in manner provided by said Act."

WHEREAS, pursuant to the authorization provided in said Act 342 and the above ordinance and resolutions, the County of Wayne, through the BOARD as its duly designated agency, and pursuant to the necessary contracts with the TOWNSHIP has heretofore constructed certain improvements and additions to the County System located in the TOWNSHIP, which improvements and additions were and are vitally necessary to preserve and protect the public health, and which said improvements and additions were financed by the issuance of bonds, designated "Wayne County Metropolitan Sewerage and Sewage Disposal System Bonds (Plymouth Township Section)" in the aggregate principal amount of \$790,000.00, which said bonds were secured and payable primarily by contract payments pledged by the TOWNSHIP, and secondarily by the full faith and credit pledge of the County of Wayne; and as authorized by the provisions of said Act 342; and

WHEREAS, because of the growth and development of the area in the County of Wayne located in the TOWNSHIP for industrial, commercial and residential purposes an imperative need has developed and does now exist for further sanitary sewerage in order to provide for the disposal of sewage from said developing area. That by reason of the lack of major intercepter sewers of sufficient capacity to transport sewage from such area after development and building up of such area, the State Department of Health had heretofore refused to issue permits for the construction of sewer in said area, and the growth and development of the area has heretofore been arrested and stopped by reason thereof; and

WHEREAS, in order to provide the intercepter sewer necessary to service the area in the Township known as the Rouge Valley District, so that sewage emanating from said area may be collected and transported for treatment to the sewage disposal facilities of the City of Detroit, the County of Wayne, Michigan, Department of Public Works is in the process of constructing said necessary facilities pursuant to the provisions of Act 185, Public Acts of Michigan, 1957, as amended, and contract therefore entered into with the municipalities served by said intercepter sewers, including the TOWNSHIP, which said contract is dated as of August 10, 1961, by the terms of which said contract the TOWNSHIP has purchased additional c.f.s. capacity sufficient to provide for its estimated ultimate population and has agreed to pay its share of the principal and interest on bonds issued to pay the cost thereof, which share is specified in the contract as 2.548% thereof, the principal amount of bonds present being \$1,000,000.00, maturing over a period of forty (40) years, from 1966 to 2001, inclusive; and

WHEREAS, to utilize the capacity in the intercepter of the Rouge Valley District so purchased by the TOWNSHIP, and to provide for and protect the public health, it is vitally necessary that additional sewerage be immediately constructed for the area in the developing areas of the TOWNSHIP, the State Department of Health having removed the ban on construction of additional sewers in said area by reason of provisions being made for the financing and construction of interceptors in the Rouge Valley District; and

WHEREAS, said additional sanitary sewer and appurtenances thereto will be located as follows, to wit:

Along Rucker Avenue, between Joy Road and Ann Arbor Road;

Along Morrison Avenue, between Joy Road and Main Avenue;

Along Marlin Avenue, between Morrison Avenue and Rucker Avenue;

Along Haggerty Road, between Ann Arbor Road and Ann Arbor Trail;

Along Micol Avenue, between Haggerty Road and west line of Burger Sub;

Along Burger Avenue, between Micol Avenue and Ann Arbor Trail;

Along Ann Arbor Trail, between Haggerty Road and Gold Arbor Avenue;

Along North Harbor Road, between private Right of Way, between Hamill Avenue and Five Mile Road;

(Continued on Page 5)

THIS CONTRACT, made and entered into this 31st day of March, A.D., 1964, by and between the BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, Michigan, a public body corporate, acting for and on behalf of the County of Wayne, Michigan, party of the first part, hereinafter referred to as the "BOARD," and the TOWNSHIP OF PLYMOUTH, a municipal corporation in the County of Wayne, Michigan, hereinafter referred to as the "TOWNSHIP";

WITNESSETH: WHEREAS, the County of Wayne, Michigan, acting by and through its Board of Supervisors and in accordance with Act 342, Public Acts of Michigan, 1939, as amended (hereinafter referred to as "Act 342"), did by resolution duly adopted by a majority vote of its members-elect on October 9, 1939, and by Ordinance No. 200 duly adopted on September 29, 1962, authorize and direct that there be established a system of sewerage disposal improvements and services, to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System (hereinafter referred to as the "County System"), and did designate the BOARD as the agency for the County to operate and maintain such system with all the powers and duties conferred upon such agency by statute; and

WHEREAS, said Ordinance No. 200 specifically provides, in part, as follows, to wit:

"Section 10. To provide necessary improvements, additions and extensions to the System, and the financing thereof, the Board is authorized to prepare plans, specifications and estimates of cost of said improvements, and to submit necessary resolutions or ordinances, resolutions or other documents necessary to the issuance of any of the type of bonds or notes authorized by the provisions of Act 342, Public Acts of 1939, as

amended, and to that end is authorized to make and execute contracts, agreements or other documents relating thereto as authorized by the provisions of said Act; Provided, However, that before any bonds or notes are issued or sold, the proceedings authorizing the issuance or sale shall be formally approved by resolution or ordinance of the Board of Supervisors of the County of Wayne in manner provided by said Act."

WHEREAS, pursuant to the authorization provided in said Act 342 and the above ordinance and resolutions, the County of Wayne, through the BOARD as its duly designated agency, and pursuant to the necessary contracts with the TOWNSHIP has heretofore constructed certain improvements and additions to the County System located in the TOWNSHIP, which improvements and additions were and are vitally necessary to preserve and protect the public health, and which said improvements and additions were financed by the issuance of bonds, designated "Wayne County Metropolitan Sewerage and Sewage Disposal System Bonds (Plymouth Township Section)" in the aggregate principal amount of \$790,000.00, which said bonds were secured and payable primarily by contract payments pledged by the TOWNSHIP, and secondarily by the full faith and credit pledge of the County of Wayne; and as authorized by the provisions of said Act 342; and

WHEREAS, because of the growth and development of the area in the County of Wayne located in the TOWNSHIP for industrial, commercial and residential purposes an imperative need has developed and does now exist for further sanitary sewerage in order to provide for the disposal of sewage from said developing area. That by reason of the lack of major intercepter sewers of sufficient capacity to transport sewage from such area after development and building up of such area, the State Department of Health had heretofore refused to issue permits for the construction of sewer in said area, and the growth and development of the area has heretofore been arrested and stopped by reason thereof; and

WHEREAS, in order to provide the intercepter sewer necessary to service the area in the Township known as the Rouge Valley District, so that sewage emanating from said area may be collected and transported for treatment to the sewage disposal facilities of the City of Detroit, the County of Wayne, Michigan, Department of Public Works is in the process of constructing said necessary facilities pursuant to the provisions of Act 185, Public Acts of Michigan, 1957, as amended, and contract therefore entered into with the municipalities served by said intercepter sewers, including the TOWNSHIP, which said contract is dated as of August 10, 1961, by the terms of which said contract the TOWNSHIP has purchased additional c.f.s. capacity sufficient to provide for its estimated ultimate population and has agreed to pay its share of the principal and interest on bonds issued to pay the cost thereof, which share is specified in the contract as 2.548% thereof, the principal amount of bonds present being \$1,000,000.00, maturing over a period of forty (40) years, from 1966 to 2001, inclusive; and

WHEREAS, to utilize the capacity in the intercepter of the Rouge Valley District so purchased by the TOWNSHIP, and to provide for and protect the public health, it is vitally necessary that additional sewerage be immediately constructed for the area in the developing areas of the TOWNSHIP, the State Department of Health having removed the ban on construction of additional sewers in said area by reason of provisions being made for the financing and construction of interceptors in the Rouge Valley District; and

WHEREAS, said additional sanitary sewer and appurtenances thereto will be located as follows, to wit:

Along Rucker Avenue, between Joy Road and Ann Arbor Road;

Along Morrison Avenue, between Joy Road and Main Avenue;

Legal Notices: From the Entire Plymouth Community

Along Canton Center Road, between Joy Road and Ann Arbor Road;

Along Dunn Court, between Tonquish Creek and North Territorial Road;

Along Tonquish Creek, between Sheldon Road and North Territorial Road;

Along North Territorial Road, between Tonquish Creek and McClumpha Road;

Along Joy Road, between Haggerty Road and Tonquish Creek;

Along Tonquish Creek, between Joy Road and Ann Arbor Road;

Along Schoolcraft Road, between Robinson Avenue and Bradner Road;

Along Bradner Road, between Schoolcraft Road and Five Mile Road;

Along Finch Street, between Schoolcraft Road and Lakeland Avenue;

Along Lakeland Avenue, between Bradner Road and the east line of Finch Subdivision, together with necessary appearances thereto.

A blueprint plan showing in detail said sewer improvements to be in the offices of the BOARD;

WHEREAS, the BOARD has caused preliminary plans and estimate of cost of said proposed sewer improvements to be prepared by Herold F. Hamill, registered engineer of Plymouth, Michigan (hereinafter in this Contract called "consulting engineer"), which said estimate of cost is in the sum of Eight Hundred Fifty Thousand (\$850,000.00) Dollars (which said estimate of cost is hereinafter referred to in this Contract as "estimated cost");

WHEREAS, said sewer improvements constitute and will be additions to the County System, and it is the determination and judgment of the BOARD and the TOWNSHIP that said sewer improvements should be financed and constructed pursuant to the provisions of Act 342, Public Acts of Michigan, 1939, as amended, and Ordinance No. 200 hereinafter referred to, all of said sewer improvements being vitally necessary to preserve and protect the public health; and

WHEREAS, the execution of this Contract has been authorized by resolution of the Township Board of the Township of Plymouth on March 31, 1964, which said resolution has been published in a newspaper of general circulation in the TOWNSHIP, and more than thirty (30) days have elapsed since such publication and no petition for rescission of this Contract has been filed with the Township Clerk of said TOWNSHIP;

NOW, THEREFORE, in consideration of the premises and the covenants of each other, the parties hereto agree as follows:

The BOARD and the TOWNSHIP hereby approve and confirm the sewer improvements to be acquired and constructed as set forth

in the preamble of this Contract, and agree that the same shall be acquired and constructed in the manner provided by and pursuant to this Contract. The BOARD and the TOWNSHIP further hereby approve and confirm the preliminary plans for said sewer improvements prepared by the consulting engineer and the estimated cost as set forth in the preamble hereto. The acquisition and construction of the sewer improvements herein approved are hereinafter in this Contract referred to as PROJECT TO BE FINANCED.

2. THE PROJECT TO BE FINANCED and the estimated cost thereof in the sum of Eight Hundred Fifty Thousand (\$850,000.00) Dollars, as set forth in the preamble to this Contract, includes all surveys, plans, specifications, acquisition of property for rights-of-way, including consequential and abutting damages, if any, and interest on awards, physical construction necessary to acquire and construct the sewer improvements approved and confirmed in Section 1 of this Contract, the acquisition of all materials necessary to acquire and construct said sewer improvements and engineering supervision, administrative, legal and financing expenses necessary in connection with the acquisition and construction of said sewer improvements and the financing thereof.

3. The BOARD will acquire and construct the sewer improvements as provided and confirmed in Section 1 of this Contract and for that purpose will take bids for the acquisition and construction of improvements prior to the time that any bonds are issued for the purpose of financing the cost of said improvements. The BOARD shall in no event enter into any final contract for the construction and acquisition of said improvements where the contract price or prices will be such as to cause the actual total cost of the PROJECT TO BE FINANCED to exceed the estimated cost, as set forth in the preamble to this Contract, unless the TOWNSHIP, by resolution of its Board, approves said increased total cost and agrees to pay the excess over the estimated cost, either in cash, or by specifically authorizing the maximum principal amount of bonds to be issued as provided in Sections 5 and 6 of this Contract.

4. To be increased to an amount which will provide sufficient funds to meet said increased total cost. The sewer improvements shall be acquired and constructed by the BOARD in accordance with the plans and specifications therefore based on preliminary plans approved by this Contract. However, that minor variations from said plans and specifications may be made without the approval of the TOWNSHIP if such variations shall not materially affect said plans and specifications. All matters relating to engineering plans and specifications, together with the making and letting of final construction contracts, for the sewer improvements specified in Section 1 of this Contract shall be in the exclusive control of the BOARD. All acquisition of rights-of-way, inspection and the approval of work and materials thereunder and all construction supervision shall be done by the TOWNSHIP, who shall cause certificates for required payments to contractors to be executed in the manner and at the times required by the construction contracts which such certificates shall be presented to the BOARD by the TOWNSHIP and the BOARD shall

make the payments required to be made. The BOARD shall be entitled to make any payment required to be made pursuant to any certificate filed with it by the TOWNSHIP on the basis of the certificate and shall not be required to make any determination or investigation as to whether the work has actually been done or the materials supplied.

4. Upon completion of the sewer improvements specified in the preamble and approved in Section 1 of this Contract, the TOWNSHIP shall operate and maintain said improvements at its sole expense. The sanitary sewers to be transported through the interceptors of the Rouge Valley Sewage Disposal System, as set forth and provided in the Contract with the County of Wayne, through its Department of Public Works, referred to in the preamble hereto, and disposed of and treated through the treatment facilities of the City of Detroit as provided in said Contract. Under the provisions of said Contract the TOWNSHIP is obligated to pay the sewage disposal rate established for said service from time to time by the Board of Public Works of the County of Wayne, and to charge for such service shall be established by the BOARD, and the sole obligation of the TOWNSHIP in such respect is to pay the sewage disposal rate as established from time to time by the Board of Public Works or its successor in accordance with the provisions of said Contract.

5. To carry out and accomplish the PROJECT TO BE FINANCED, in accordance with the provisions of Act 342, Public Acts of Michigan, 1939, as amended, the BOARD shall take the following steps:

(a) The BOARD shall immediately take all steps necessary to take bids for and enter into and execute final construction contracts for the acquisition and construction of the sewer improvements specified in the preamble and approved in Section 1 of this Contract in accordance with the plans and specifications therefore based on the preliminary plans approved by this Contract. Said final construction contracts shall specify a completion date of the sewer improvements

(b) The BOARD will require and procure from the contractor or contractors undertaking the actual construction and acquisition of the sewer improvements, necessary and proper bonds to guarantee the performance of the contract or contracts, and such labor and material bonds as may be required by law, in such amount and such forms as may be approved by the BOARD.

(c) The BOARD will submit to the Board of Supervisors of the County of Wayne, an ordinance or resolution, providing for the issuance of bonds in the aggregate principal amount of not exceeding \$850,000.00 (except as authorized pursuant to Section 3 of this Contract), said bonds to mature serially as authorized by law over a period of years, not exceeding

forty (40), as may be agreed upon by the TOWNSHIP, which bonds will be secured primarily by the payments required to be made by the TOWNSHIP pursuant to this Contract, and secondarily, if approved by a majority of the members-elect of the Board of Supervisors, by the full faith and credit of the County of Wayne. After due adoption of the bond ordinance or resolution, the BOARD will take all necessary legal procedures and steps necessary to effectuate the sale and delivery of said bonds.

(d) The BOARD, upon receipt of the proceeds of sale of the bonds, will comply with all provisions and requirements provided for in the ordinance or resolution authorizing issuance of the bonds and this Contract relative to the disposition and use of the proceeds of sale of the bonds.

6. The entire cost of the PROJECT TO BE FINANCED shall be charged to and paid by the TOWNSHIP to the BOARD in the manner and at the times hereinafter set forth. Immediately upon the issuance of the bonds of the County of Wayne hereinafter referred to, the BOARD shall notify the TOWNSHIP by written communication addressed to the Township Treasurer, of the schedule of payments of principal of and interest hereon. The TOWNSHIP covenants and agrees that not less than thirty (30) days prior to the due date of any principal or interest payments thereon, it will remit to the BOARD sufficient funds to meet said payments in full. From time to time as the BOARD is billed by the saying agent or agents for the bonds to be issued for their services as paying agent, or registering bonds, and as other costs and expenses accrued to the BOARD from handling of the payments made by the TOWNSHIP, the BOARD shall notify the TOWNSHIP of the amount of such payments and other costs and expenses, and the TOWNSHIP shall, within thirty (30) days from such notification, remit to the BOARD sufficient funds to meet such paying agency and other costs and expenses.

7. The TOWNSHIP, pursuant to the authorization of Section 5(a) of Act 342, Public Acts of Michigan, 1939, as amended, irrevocably pledges its full faith and credit for the prompt and timely payment of its obligations expressed in this Contract, and shall each year, commencing with the year 1964, levy a tax in an amount which, taking into consideration estimated deficiencies in tax collections, will be sufficient to pay its obligations under this Contract becoming due before the time of the following year's tax collections. Such tax levy, under the provisions of Section 6, Article IX, of the Michigan Constitution of 1963, shall be without limitation as to rate or amount, being for the purpose of meeting contract obligations in anticipation of which bonds are issued. Nothing herein contained shall be construed to prevent the TOWNSHIP from using any, or any combination of, the methods provided in Section 5(a) of Act 342, Public Acts of Michigan, 1939, as amended, for the

purpose of providing the funds necessary to meet its obligations under this Contract, and if, at the time of making such annual tax levy there shall be other funds on hand earmarked and set aside for the payment of said Contract obligations becoming due prior to the next tax collection period, then the annual tax levy may be reduced by such amount.

8. The TOWNSHIP may pay in advance any of the payments required to be made by this Contract, in which event the BOARD shall credit the TOWNSHIP with such advance payments on future due payments to the extent of such advance payment.

9. The TOWNSHIP may pay additional moneys over and above any of the payments specified in this Contract with the written request that said additional funds be used to call bonds for redemption prior to maturity, in which event the BOARD shall be obligated to apply and use said moneys for such purpose. Such moneys shall not be credited as advance payments under the provisions of Section 8 of this Contract.

10. In the event the TOWNSHIP shall fail for any reason to pay to the BOARD at the times specified, the amounts required to be paid by the provisions of this Contract, the BOARD shall immediately notify, in writing, the County Treasurer of the County of Wayne, or such other official charged with the disbursement to the TOWNSHIP of funds derived from the State sales tax levy, and the Township Treasurer of such default, and if such default is not corrected within ten (10) days after such notification, the County Treasurer or such other official charged with disbursements to the TOWNSHIP of funds derived from the State sales tax levy under the law and payable to the TOWNSHIP pursuant to Section 10, Article IX, of the Michigan Constitution of 1963, is by these presents specifically authorized by the TOWNSHIP to withhold funds to the maximum amount necessary to cure said default, derived from such sales tax levy and payable to the TOWNSHIP, and to pay said moneys so withheld to the BOARD to apply on the obligations of the TOWNSHIP as herein set forth. Any such moneys so withheld and paid shall be considered to have been paid to the TOWNSHIP with the meaning of the Michigan Constitution of 1963, the purpose of this provision being solely to voluntarily authorize the use of said funds owing to the TOWNSHIP to meet any and all obligations of the TOWNSHIP under the provisions of this Contract. In addition to the foregoing, the BOARD shall have all other rights and remedies provided by law to enforce the obligations of the TOWNSHIP to make its payments in the manner and at the times required by this Contract.

11. It is specifically recognized by the TOWNSHIP that the payments required to be made by this Contract are to be pledged for and used to pay to, principal of and interest on the bonds to be issued by the County, as provided by this Contract and authorized by

law, and the TOWNSHIP covenants and agrees that it will make its required payments to the BOARD promptly and at the times herein specified, without regard to whether the PROJECT TO BE FINANCED is actually completed or placed in operation.

12. If the proceeds of the sale of the bonds to be issued by the County are for any reason insufficient to complete the PROJECT TO BE FINANCED, the BOARD and the TOWNSHIP shall execute a supplemental contract making provision for the issuance of additional bonds in an aggregate principal amount sufficient to complete the PROJECT TO BE FINANCED, and increasing the proportionate annual payments required to be made by the TOWNSHIP in an amount so that the total payments required to be made, as increased, will be sufficient to meet the annual principal and interest requirements on the bonds herein authorized plus the additional bonds to be issued. Any such supplemental contract, whether entered into before or after bonds are issued, shall in all respects comply with the requirements of Act 342, Public Acts of Michigan, 1939, as amended, and shall contain a provision that any increases in the annual payments shall be made in the manner and at the times specified in this Contract. In lieu of said supplemental contract, the TOWNSHIP may pay over to the BOARD sufficient moneys to complete the PROJECT TO BE FINANCED.

13. After completion of the PROJECT TO BE FINANCED and payment of all costs thereof, any surplus remaining from the proceeds of sale of bonds shall be used by the BOARD for either of the following purposes at the option of the Township Board, to wit: (a) for additional sewer and sewage disposal facilities in the TOWNSHIP subject to approval of the BOARD, or (b) credited by the BOARD towards the next payments due to the BOARD by the TOWNSHIP hereunder.

14. All contracts for connection to the sewer improvements, whether such connections are made during construction or after the sewer improvements are placed in operation, shall be made by the TOWNSHIP. The actual costs of such connections shall be paid by the TOWNSHIP except to the extent that the costs of such connections are included in the cost of the PROJECT TO BE FINANCED.

15. The obligations and undertakings of each of the parties to this Contract shall be conditioned on the successful issuance and sale of bonds pursuant to Act 342, Public Acts of Michigan, 1939, as amended, and if for any reason whatsoever said bonds are not issued and sold within two years from the date of this Contract, this Contract, except for payment of preliminary expenses and ownership of engineering data, shall be considered void and of no force and effect. In the event that said bonds are not issued and sold, all preliminary legal and engineering costs shall be paid by the TOWNSHIP and the TOWNSHIP shall have ownership, possession and use of all plans and specifications, surveys and other engineering data and materials prepared.

16. The sewer improvements acquired and constructed in accordance with the provisions of this Contract shall be a part of the County System. The TOWNSHIP shall all times maintain the sewer improvements to be acquired and constructed hereunder. If at any time during the term of this Contract the TOWNSHIP refuses or neglects to properly repair or maintain any of the facilities required to be maintained by it hereunder, the BOARD shall in writing order the TOWNSHIP to perform all necessary items of repair and maintenance, and in case of non-compliance with such order within thirty (30) days, the BOARD may proceed with such work and the TOWNSHIP agrees to reimburse the BOARD for any expenses incurred thereby.

17. The BOARD and the CITY each recognize that the holders from time to time of the bonds issued by the County under the provisions of Section 5(c) of Act 342, Public Acts of Michigan, 1939, as amended, to finance the cost of the PROJECT TO BE FINANCED, will have contractual rights in this Contract and it is therefore covenanted and agreed by each of them that so long as any of said bonds shall remain outstanding and unpaid, the provisions of this Contract shall not be subject to any alteration or revision which would in any manner materially affect either the security of the bonds or the prompt payment of principal or interest thereon. The TOWNSHIP and the BOARD further covenant and agree that they will each comply with their respective duties and obligations under the terms of this Contract promptly at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way impair the said bonds, the security therefor, or the prompt payment of principal and interest thereon. It is hereby declared that the terms of this Contract, insofar as they pertain to the security of any such bonds, shall be deemed to be for the benefit of the holders of said bonds.

18. This Contract shall remain in full force and effect for a period of forty (40) years from the date hereof, or until such lesser time as the bonds issued by the County are paid in full. At such time within said forty-year term as all of said bonds are paid or Contract may be altered or changed by consent of the parties hereto or may be terminated by such consent. In any event, the obligation of the TOWNSHIP to make the payments required by Section 8 of this Contract shall be terminated at such time as all of said bonds are paid in full.

19. The TOWNSHIP shall defend, indemnify and save harmless the BOARD from and against any and all claims of any nature whatsoever, including damage to property of the BOARD or injury to or death of employees or agents of the BOARD, arising out of the construction, operation and/or maintenance of the PROJECT TO BE FINANCED.

20. This Contract shall inure to the benefit of and be binding upon the respective parties hereto, their successors and assigns.

21. A copy of this resolution shall be published in The Plymouth Mail, of Plymouth, Michigan, a newspaper of general circulation within the Township, within ten (10) days from the adoption of this resolution.

22. The Supervisor and the Township Clerk of the Township of Plymouth are authorized to execute the Contract approved by this resolution upon the expiration of thirty (30) days from the date of publication of this resolution; unless, under the provisions of Section 5(b) of Act 342, Public Acts of Michigan, 1939, as amended, said execution is stayed by reason of the necessity of prior approval of said Contract by the qualified electors of the Township.

7. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

ATTENTION: Residents Of Salem Township

The Salem Township Fire Ordinance requires that a fire permit be obtained before burning any grass or brush when ground is not snow-covered. Permits can be obtained without charge by calling your fire chief, Charles Raymor, at FI 9-1741, or if you are unable to reach him, by calling the fire department at FI 9-1155.

A fire permit is not required to burn trash in a container with a cover. However, if the fire is allowed to escape from the container all cost to the township for the suppression of said fire shall be billed to the party responsible.

A few safety rules to be followed if you have a permit are as follows:

1. Confine your burning to early morning or late evening
2. Never start a fire when the wind is blowing
3. Have enough help on hand to control the fire
4. Have water and brooms handy
5. NEVER LEAVE A FIRE UNTIL IT IS OUT!

SALEM TOWNSHIP FIRE CHIEF
CHARLES RAYMOR

TOWNSHIP OF PLYMOUTH ORDINANCE NO. XIV-R

AN ORDINANCE TO AMEND ORDINANCE NO. 14, KNOWN AS THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH.

THE TOWNSHIP OF PLYMOUTH ORDAINS:

PART I. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and hereby is amended by amending Section 1.54 of Article I, to read as follows:

Section 1.54 STREET. A public thoroughfare or way affording a principal means of access to abutting property, for the purpose of this Ordinance, sixty (60) feet or more in width.

PART II. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and hereby is amended by amending Section 3.21 of Article III, to read as follows:

Section 3.21 DWELLING LOCATION. Every dwelling shall be located on a lot having a width of not less than sixty (60) feet at the front or rear building line whichever is less. All lots shall abut upon a dedicated and improved street of not less than sixty (60) feet in width.

All roadway and turn-arounds shall meet the minimum road specifications as established by the Wayne County Road Commission.

No building permit shall be issued for any building or structure located in any position which might circumvent the continuation or extension of any existing or proposed street, or the widening of any street right-of-way to its ultimate required width.

No stub end of a street right-of-way shall serve as the required sixty (60) foot frontage for any lot.

PART III. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and hereby is amended by amending Section 20.02 of Article II, to read as follows:

Section 20.02 PERMIT REQUIRED. No building or part thereof shall be hereafter erected, altered, moved or repaired, (excluding normal maintenance and repair) shall be the same be used for a new purpose, nor shall any change or enlargement be made in the use of such building or part thereof, unless a ZONING PERMIT for such erecting, altering, moving, repairing, new purpose, change or enlargement is first issued by the Building Inspector. Such ZONING PERMIT shall be required in addition to any other permit required under other provisions of this Ordinance.

NO ZONING PERMIT shall be issued for any building under the terms of this Ordinance before:

(a) The Building Inspector shall have inspected and verified the existence of a well or water supply, and

(b) The Building Inspector shall have approved the plans for the disposal system and the location and distance of the building (residential, commercial, industrial or assembly) from the well and the disposal system.

(c) The Planning Commission shall have approved any use or regulation regarding use, which shall, in the opinion of the Building Inspector, necessitate interpretation or evaluation of the regulations within the spirit and intent of the Ordinance.

Any ZONING PERMIT issued under the provisions of this Ordinance shall be valid only for a period of six (6) months following the date of the issuance thereof.

PART IV. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART V. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.

PART VI. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184, Public Acts of Michigan, 1943, at a Special Meeting, duly called and held on the 31st day of March, A.D., 1964, and ordered to be given publication in the manner prescribed by law.

Our advertising manager, Don Derr, says he has lost all confidence in Michigan Bell's information service. Having changed his phone number because of many early morning calls for a former plumber's service which got him out of bed, he couldn't remember his own number. Asking information for help, she told him there was no one by that name listed and he replied there had to be because it was his own number he was inquiring about.

Further searching by information still revealed he had no phone and that upset him so much he drove home, just to make sure he did have a phone and on it he called information for his number, only to learn from her that he still didn't have a phone???

Plymouth Plating's Frank Henderson says he was reminiscing about things mentioned in my column about life back in the early 30's with former Plymouthite Jack Taylor, now of Rochester. Taylor told him of a double date he had had with Floyd Kehrl and two girls from Ann Arbor.

The event was a formal dance which brought the two local Lotharios to the University town all dressed up in their first tuxedos and proudly displaying Mr. Kehrl's flashy new Ford.

In front of the sorority house, Mr. Taylor stepped from the car into a freshly filled telephone pole excavation which couldn't be seen because of freshly fallen snow. Mired up to his hips he needed assistance from Mr. Kehrl to get back on his feet and, according to Mr. Taylor, the "dress occasion" ended in a very muddy mess, he said.

The good ladies of the Methodist Church, through the Rev. Hugh White's weekly bulletin, point-up the tribulations of the publishing business. A recent cook book project brought to light the human element of error experienced by those in the trade, so to speak, when the Church bulletin noted the following corrections to be made in the newly published book:

- Page 31 Cheese Strata: This should be baked in uncovered dish.
Page 73 Hungarian Crisscross Cake: Should be 1/2 pint sour cream.
Page 76 Chocolate Pixies: 2 c. sugar and 4 eggs should be added to the list of ingredients.
Page 88 Divinity: Should be 1/2 c. water
Cookbooks are still available and you can get them from Mrs. Eugene Jordan, GL 3-7437; or at the Church House, says the bulletin.

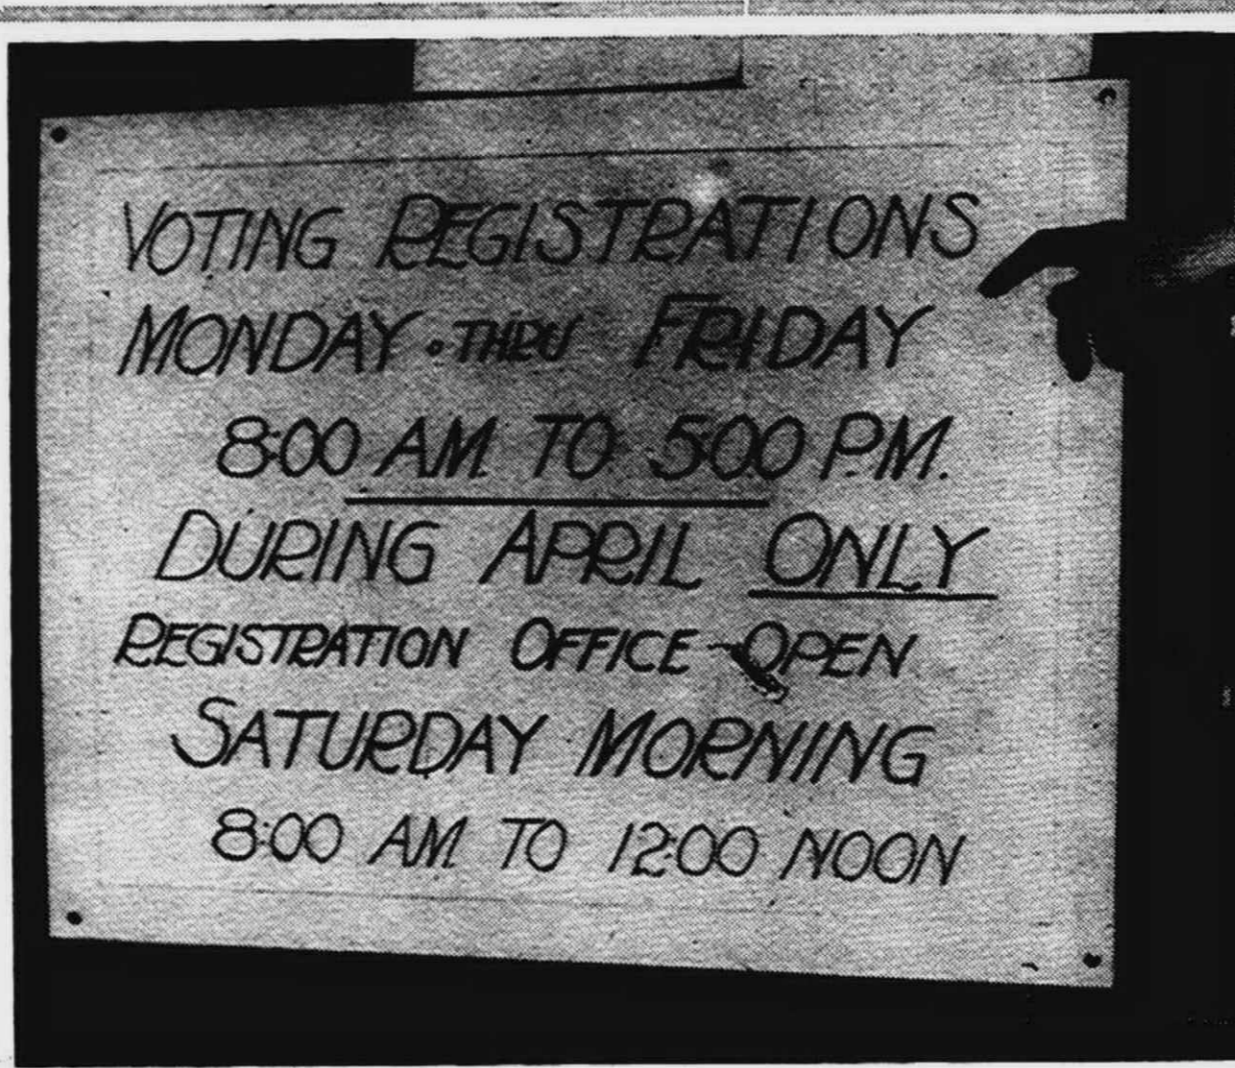

The best April Fool joke we heard last Wednesday wasn't a joke after all. Pat Finlan walked in Carl Caplin's store and told him his awning was on fire. Bystanders Hugh Jarvis and Randy Eaton joined Mrs. David Agnew and Mr. Caplin in laughing at Finlan's try at an April Fool's joke. Finlan then tried alerting the Mayflower's Station Lorenz to the fire but he, too, laughed at the joke.

About five minutes later, however, Hotel manager Ralph Lorenz, son Staton, Carl Shear, Jarvis, Eaton and Caplin were all busy with brooms and what-have-you beating out the flames of a fire that was fast consuming the awning.

Lucky Horace Grimes who lives on Northville road did the family shopping last weekend. When he got home he found he had lost a twenty dollar bill along the way. His last stop was at a Northville laundry so he picked up the phone to ask if they might have found a twenty dollar bill, by any chance. As he talked, a lady customer who had just walked in the door bent over and picked up the bill which she promptly exhibited to the girl on the phone. Result . . . Mr. Grimes got back his lost twenty.

The Liberty street jokesters, headed by barber Donald Gray, were having fun at the bowling alley with young Bill Ruehr who was taking his first airplane ride last weekend. Gray, teaming up with Don Zander and George Alvis, convinced Ruehr that it was essential on boarding the plane that he insist the stewardess give him a parachute before he took a seat. Needless to say, they are anxiously awaiting his return today from Washington, D.C. to find how he came out in getting a chute from the stewardess.

PHOTORIAL A PICTURE IS WORTH A THOUSAND WORDS

The Good Old Days . . . TAKEN FROM THE FILES OF THE PLYMOUTH MAIL

10 YEARS AGO

A collision last Saturday night in Livonia caused injury to Mrs. Jean Latture, 986 Harding, wife of local teacher and real estate dealer James Latture . . .

The local Red Cross drive has gone \$325 over its \$1000 goal, announced campaign chairman Mrs. Walter Beglinger, with late contributions still being tabulated. The drive which was brought to a successful close yesterday began in Plymouth on March 24 . . .

Norbert Lofy of Arbor-Lill announced Monday that he had purchased the entire interest of Lee Butler in the operation of the restaurant, bar and bowling alley of the business located on the corner of Lilley and Ann Arbor roads . . .

Mrs. Leslie Daniel was elected to fill the office of president of the Woman's club at the annual meeting held in the Presbyterian church last Friday afternoon.

Plymouth township board members approved their 1964-65 budget at the annual public meeting Monday afternoon, a budget which allows about \$1,000 more than the past fiscal year's . . .

In one of the loveliest of early spring weddings, Saturday, April 3, Violette McCarty and Edward Dely repeated their nuptial vows, in a ceremony at the First Presbyterian church, Plymouth . . .

An 11-year-old cerebral palsy victim from Plymouth will receive a gardening award over radio station WJR as the week's outstanding gardener. The little boy is Johnny Conant, son of Mr. and Mrs. Herbert Conant of 5683 Napier road . . .

Fifteen friends of Tom and Bill Bloxson, twin sons of Mr. and Mrs. John Bloxson of North Territorial road, gathered last Saturday night at the Bloxson home to help them celebrate their nineteenth birthday . . .

Airman Second Class Russell Maxwell and his buddy, Gerald Warock of Lockborne Air Force base, Columbus, Ohio, spent the weekend with Russell's parents, Mr. and Mrs. John Maxwell of Joy road . . .

Miss Ruth Eriksson, principal of the Smith school was initiated into Kappa chapter of Delta Gamma, national honor society for women teachers, at Haven Hill on Friday of last week . . .

Mr. and Mrs. Hugh Cash of Harding street announce the arrival of a six pound 11 ounce son, Craig Wayne, born at University hospital, Ann Arbor on Thursday, March 11 . . .

Plymouth's foremost bowler, Bob Hitt, turned in some remarkable bowling last week at the national ABC tournament in Seattle, Washington. Bob rolled a big 659 score in the team event to pace his squad into third place with a 2950 score . . .

25 YEARS AGO

Mrs. Sidney D. Strong, Mrs. Dwight Randall, Mrs. Robert Leary and Mrs. Merle Bennett were delegates from the Sarah Ann Cochrane chapter to the state conference of the D.A.R. held in Saginaw's Hotel Bancroft . . .

Nine hundred and one voters in Plymouth Monday selected L. E. Wilson, Warren J. Worth and George H. Robinson to serve as members of the city commission during the next two years. Wilson led the ticket with 437 votes and was followed by Worth with 436 votes and Robinson with 426. F. R. Hobbis polled 384 votes, Henry J. Fisher, 285 votes and Harold Anderson, 247 . . .

Residents of Plymouth township honored Supervisor Charles H. Rathburn Jr., by returning him to office for the 14th consecutive time without any contest. He led the township ticket with 137 votes . . .

Betty Ann Mastick entertained the junior state board children of the American Revolution at a luncheon meeting Saturday . . .

Mr. and Mrs. Frank Dunn and daughter, Maurine, are now residing on Ann street, occupying the house recently vacated by Mr. and Mrs. John Johnson. Harry Williams of Detroit, who purchased the Dunn property on North Territorial road two years ago, plans to move to Plymouth in the near future.

Plymouth Corners, C.A.R., will meet with Edward Strong Saturday morning, April 8, at 10:00 o'clock. The business meeting will be followed by the planting of a tree in Central park . . .

On Wednesday evening of last week the following girls, members of the Daisy basketball team, who won the championship this year, were entertained at a party in the Archer home on Roe street: Dorothy Bassett, Carol Hammond, Frances Williams, Ann Kalmbach, Betty Housley, Marian Van Amberg, Stella Pedersen, Aileen Archer and Lone Kreeger . . .

50 YEARS AGO

The churches of Plymouth have designated Sunday, April 26 to observe the go-to-church Sunday movement in Plymouth. Everybody in town will be given an invitation to attend the church of their choice on that day . . .

Born, Saturday, April 11th, a daughter, to Mr. and Mrs. John Kuhn . . .

Wm. Sutherland has sold two very desirable lots on South Main street to Frank Palmer. Mr. Palmer expects to move his house on to one of the lots . . .

The free delivery of mail in this village is now practically assured to take effect July 1st, if certain requirements exacted by the postal department are complied with, and there is every reason to believe that they will be . . .

Geo Corton is learning the bakery business at Geo. Taylor's . . .

Charles Greenlaw has purchased the Markham property on Main street . . .

Mrs. H. C. Robinson and Miss Rose Hawthorn entertained the Bridge club last Tuesday afternoon . . .

Morris and Fletcher Campbell returned to the U. of M. Monday, after spending the Easter vacation at home . . .

W. J. Burrows is improving the appearance of his home on Penniman avenue by the addition of a fine large porch . . .

Wm. Sutherland has just finished putting out 25,000 cabbage plants; . . .

Roy Fisher has returned to the Saginaw Seminary after a week's vacation at home . . .

Mrs. O. F. Beyer and Miss Amelia Gayde entertained the Family Pedro Club at the former's home last Tuesday evening . . .

Autos were lively on Plymouth road Tuesday. So also was the dust. Time the oil wagon was started . . .

Elk Officers Installed at Sunday Rites

Installed as exalted ruler of the Plymouth Elks Lodge 1780 at ceremonies held Sunday afternoon at the Elks Temple at 41700 Ann Arbor Road was William A. Roberts.

Roberts was installed by past exalted ruler Harvey Shaw. Other officers installed were:

Edmund Roginski, esteemed leading knight; Harry Taylor, esteemed loyal knight; John Diacono, esteemed lecturing knight; Harold "Red" Wilson, secretary and P. E. R. Ray Creith, treasurer.

Others installed included Art Berry, esquire; Earl Rickard, chaplain; Merwyn Williams, inner guard; Vince Simometti, tiler; Charles Huebler, trustee chairman; William Swadling, trustee, two years; Kenneth Harman, trustee, three years; Max Nicol, trustee, four years and P. E. R. Wayne "Bill" Cline, trustee, five years.

Following installation rites, a buffet luncheon was served.

CORRECTION

Because The Plymouth Mail was given erroneous information, the picture of the Rev. Paul R. Dotson appearing in last week's issue carried the information that Rev. Dotson would speak at the Evangelical Lutheran Church of the Epiphany, 41390 Five Mile Road on Saturday, April 18. In fact, Rev. Dotson will appear at the church tomorrow, Wednesday, April 8.

Plymouth Plane Owner Wins \$5,000 Case

A \$5,000 judgment was won last week by Alan D. Finney, owner of the Finney Aviation Co. at Plymouth's Mettetal Airport, when Circuit Judge Edward S. Piggins decided in Finney's favor against the owners of a Detroit bar.

The bar was accused of serving alcoholic drinks to an intoxicated man who later took an airplane from Mettetal for a joy ride. The aircraft was wrecked when he landed without putting the wheels down. The judgment was awarded to Finney and the Ohio Casualty Insurance Co., which insured the Piper Comanche owned by Finney.

THE SUIT was brought against James Kelly Sr., James Jr. and Martin Kelley, owners of Kelly's Kastle, at 2255-61 Waterman and the United States Fidelity and Guaranty Co.

Finney charged that Bruce Besse of 445 Auburn, Plymouth was intoxicated when he was served more drinks at Kelly's bar on May 19, 1961, after which he took the plane from Mettetal without permission and went for a 20-minute joy ride.

Business Briefs

SALES INCREASE

Western Electric's earnings for 1963 totaled \$140,500,000 compared to \$135,200,000 for 1962, but the per cent per dollar of sales remained the same at 4.9 per cent, according to the company's annual report. Total sales for the company increased 2.6 per cent to \$2,835,000,000 for 1963; sales to the Bell System increased 5.8 per cent while sales to the Bell System increased 5.8 per cent while sales to the United States government decreased. Western Electric is the manufacturing and supply unit for the Bell System. The company paid out almost \$1,200,000,000 for goods and services. During 1963 Western Electric began manufacturing several new communications products, including two types of electronic switching systems and the new Touch-Tone telephone.

FUNDS INCREASE

Total capital funds of The Detroit Bank and Trust increased \$5,019,503 to \$100,324,913 for the first quarter of 1964 in comparison with the first quarter of 1963, according to an announcement made by chairman, Raymond T. Perring and president, Charles H. Hewitt. Total deposits increased to \$1,071,236,130 from \$983,124,163 and total loans were \$607,926,643 compared to \$486,632,622. Net operating earnings for the first quarter were \$2,404,455; which was equal to \$1.25 a share, the same as last year's first quarter.

The offspring of a single pair of rabbits could total 13,718,000 in three years.

A New Image and Some Questions

Speaking to members and prospective members at last Wednesday's Chamber of Commerce membership luncheon, ex-mayor Harold Guenther of Plymouth called for a new image of the Plymouth Community.

"We need an image of the total Plymouth Community," he told those present — at the same time noting that he always seems to be singing the same song.

We know how Guenther feels. The Plymouth Mail has been hammering away for the same sort of change in community philosophy, a change that's slow in assuming reality.

Guenther pointed out the almost total metamorphosis that the Plymouth Community has undergone in recent years: From an isolated country area with an agriculturally based economy and all the attendant complacency and conservatism, to a reasonably sophisticated, urbane community.

He noted the increased mobility the automobile has brought to local consumers. Calling for vision and dreams and hopes among Plymouth Community businessmen, Guenther said:

"Let's create something here that says, 'This is Plymouth!' " Rather than offering pat answers to those at the luncheon, Guenther proposed some thought provoking, and troublesome questions.

How shall we combine? he asked. How shall we submit to leadership? How shall we submit to the cost? Some method of joining together must be found, according to the ex-mayor. He said the situation bothers him.

It bothers us too. Guenther dropped his questions in the laps of his listeners with the admonition that they "take it up;" and the almost utter quiet that characterized the question and answer period following indicated that perhaps a few of them were taking it up.

We hope so. In fact, we hope the entire Plymouth Community will take it up and wrestle with the questions that face us now. Like Guenther, this newspaper cannot offer any formula, any panacea for instant success.

But we do call for serious thought on the part of local residents. Ultimately, it will lead to answers — answers we can't afford to wait for too long.

LETTERS TO THE EDITOR

To the Editor: I read with interest The Plymouth Mail's report of the City Commission study and vote on the open housing covenant.

Any reflection on the non-passage of this resolution should not lie with the commission. They have been elected to reflect the will of the community and Plymouth definitely at this time would not welcome members of minority groups as neighbors.

To merely pass a hollow resolution to reflect their own feelings . . . or possibly to exert their leadership . . . would not be following the function they have been elected for.

Reflection does lie in the leadership in the community that has allowed Plymouth to remain far behind in a world that has been drawn much closer together. The loss has been and possibly will be Plymouth's . . . bringing up children in an inbred community that has not been enriched with contributions other races can contribute to their life. These children will not be as well equipped as average to face a world that is not this segregated. There is a lack of education and suspicion of other denominations of the same church.

The leadership in Plymouth should take active steps to give a more rounded foundation to mold our lives. Unfortunately, well-meaning resolutions will not do this.

Ralph Rostow

O. L. G. C. 6th grade class 1151 William Street March 31, 1964 Plymouth, Michigan Dear Mr. Eaton,

On behalf of the sixth grade of Our Lady of Good Counsel and myself I have written this letter to show our appreciation for being able to see the Plymouth Mail office. We would also like to thank Mr. Derr for explaining the tour so well.

Yours truly, Patrick Smith 6th grade class O. L. G. C. Plymouth, Michigan

Dear JC's Thank you for the Easter candy and eggs. I had a good time. I didn't mind the mud it was fun.

Allison Cook 6 yrs old

Dear JC's, I want to tell you how much I enjoyed the Easter egg hunt. I didn't care about the mud. My shoes were a mess. But it was easy to clean my shoes. I hit the jack-pot, with candy and Easter eggs. And I thank you so much for doing all this for all the children.

Yours truly, Karen Cook
