

This is it! Fall Festival Will Start Thursday

The biggest event of Plymouth's year — Fall Festival — begins Thursday and continues through Sunday, Sept. 13.

Everyone is invited to participate in the festival and persons travel from miles around to see the events. More than 50,000 persons are expected to visit Plymouth during this year's festival and the Lion's, JayCees, Kiwanis and Rotary Clubs have been

asked to prepare for an increase in sales from last year.

New things will be starting each day of the festival so you can come back again and again and not see the same things.

Among events scheduled for Thursday are the automobile show from Detroit Institute of Arts, sale of cotton candy and sarsaparilla, cider, donuts, fruit cake, soft drinks and

hot dogs in addition to the Lion's Club melon, ice cream and cake social.

SELLING American flags on Thursday, Friday, Saturday and Sunday will be Boy Scout Troop 1531, one of Michigan's oldest scout troops. They will set up their stand on the edge of Kellogg Park directly across from the Kresge store.

The three by five foot flags

with two section flag poles will be sold by the scouts, and they will take orders for others.

Plan to take your family to the JayCees fish fry and Business and Professional Women's Club dessert on Friday and see Three Cities Art Club's show and sale, Plymouth Symphony League's antique show and sale and listen to the Detroit Edison Calliope as well as

vocal and instrumental groups.

Whether you like pancakes for breakfast, lunch or dinner, the Kiwanis Pancake Festival can serve you anytime from 7 a.m. until 7 p.m. While downtown don't forget the Grange's Cookie sale, Beta Sigma Phi's fudge sale or the Plymouth Garden Club's Flower Show.

More than 400 teenagers with their drums, bugles and

satin uniforms will be arriving from Michigan and Ohio for the annual Pageant of Drums, Saturday evening.

The Pageant parade starts at 6:30 p.m. on Ann Arbor Tr. at Forest Ave. and will proceed to Main St., turning north to the High School field. The Pageant will begin at 7:30 p.m.

TICKETS for the Pageant, which are one dollar for

adults and 50 cents for children under 12, will be on sale by the sponsoring VFW in Kellogg Park on Thursday, Friday and Saturday.

At the conclusion of the spectacular pageant prizes and trophies will be awarded. Trophies include the Royal Lancer, sponsored by Brae Burn, Green Hornet, sponsored by Olson Heating, Bellefontaine Angels, sponsored by Mayflower Post and Aux-

iliary, and the Maurader sponsored by Box Bar.

Other sponsors and trophies include Gimoldby Sound Co., the Vacation Land Sweetheart trophy; Township of Plymouth, the Rae-Vens and American Legion best in parade.

Early Saturday morning is the third annual Pet Show in the parking lot next to Sharrards. Entry blanks are (Continued on Page 5)

Fire Burns Township Residence

Damage was estimated at about \$6,500 Friday morning after Plymouth Township Firemen battled for 20 minutes to bring a blaze in the upper story of a house on Elmhurst St. under control.

Plymouth Township Fire Chief Barney Maas made the damage estimate after firemen extinguished flames in the Claude Root residence at 9461 Elmhurst. No one was injured in the fire.

When firefighters were summoned to the scene about 8:20 a.m., Maas said the whole upper story of the house was completely enveloped in fire and smoke.

Three pump trucks and 10 men fought the fire. Maas said one of the Root children, a small boy, admitted he was playing with matches in a bedroom upstairs.

POINTING TO the damaged roof after a fire raged through the upper story of this Plymouth Township home Friday morning, is Township Fire Chief Barney Maas. Firemen fought for 20 minutes to bring the blaze under control.

Petitions Request More Fire Protection, Pool Construction

Additional fire department protection for the city of Plymouth was referred back to the committee studying it for a further report by the City Commissioners at their meeting Tuesday, Sept. 8 in Commission chambers.

The action followed presentation of a petition signed by approximately 45 persons requesting the city commission to provide full-time paid firemen for the Spring St. fire station and a report from the Commission's fire protection committee.

Loren Goodale, of Shadywood Dr., presented the petition expressing concern that if a fire occurred on the north side of town, fire protection coming from the City Hall might be stopped by a train blocking all railroad crossings.

Director of Public Safety Kenneth Fisher told commissioners there were three volunteer firemen living on the north side and not hindered by railroad crossings.

Commissioner Arch Vallier said only one of the men both lived and worked on the north side.

Concern for fire department protection for the north side came after the City moved all full-time firemen from the Spring St. station, near Holbrook St., to the new City Hall.

Fisher explained firemen had been stationed at Spring St. because there was no room for them at the old city hall. When space was made available in the new building, Fisher said, the firemen were moved in order to have the public safety department in one building.

"THIS PART of town (north side) has been forgotten," they have no Christmas decorations and parades no longer start here, Jim Tidwell, of Starkweather St., told Commissioners. He told them he hoped they wouldn't

take the fire station away also.

In the second petition presented to the commission Tuesday evening, approximately 500 residents requested the governing body to build an outdoor swimming pool within the city limits.

Residents desire to have a pool ready by next summer, Tom Powell, of Beech St., who presented the petition, said. He added petition signers indicated a desire for a city location for the pool so

that children could walk to it.

Powell said 22,000 youngsters used Plymouth High School's swimming pool while it was open in June and July and many went home disappointed daily when they were turned

away because there was no room. He explained only 90 were admitted at anyone time.

A Colony Swim Club representative told the commission there is only one group work-

A. E. McCloy, Jr. divisional controller at the firm's Plymouth Township plant read a letter at the Tuesday meeting sent to Brashear, Brashear and Mies of Livonia, the law firm which has been handling the case for the Township.

"Our program," the letter said, "to ascertain the proper solution to our smoke and ash problem is now completed."

"WE HAVE recommended

and received approval from the Evans Board of Directors to proceed with the conversion from coal. As a matter of interest, this entire program is expected to exceed \$100,000.

"Conversion will be based on the delivery of the burners and auxiliary equipment. We estimate that the first boiler will be converted in mid-November and the second, early next year." (Continued on Page 3)

UNTRIED APPROACH:

New Firm, New Product To Start in Community

An unorthodox approach to industrial development began to bear fruit last week as members of the Plymouth Dynavoice Trust Fund met Thursday evening at the Mayflower Hotel to hear a report on the firm they helped to create.

Early this year, when it appeared that sufficient cash to launch the fledgling firm would not be available

locally, City Commissioner and Industrial Development Corporation director George Lawton suggested that local persons contribute services in lieu of money.

The Dynavoice product is a completely portable piano player which fits on the keyboard of any piano and plays from standard player-piano rolls available anywhere.

Taking up Lawton's suggestion, more than 15 Plymouth residents pitched in with a vengeance to devote their time and talents to development of the product and means to produce it.

THEY SPENT long hours performing such diverse tasks as engineering, tool making, legal work, accounting, artwork, printing, car-

entry and remodeling, and others.

Now, according to the report made Thursday evening by Dynavoice Trustee Harold Guenther, the fruit of their labors is about to become a reality.

Engineering is now complete, the new firm is housed in facilities in the former Worden Specialty plant on Northville Road and production is expected to be underway by the middle of next month. The company will provide light assembly work for senior citizens.

Pick Burroughs for \$4.9 Million in Air Force Work

Announcement of a \$976,776 government contract, granted to Burroughs Corporation by the U. S. Government, was made last week by telegram from U. S. Senators Philip A. Hart and Pat McNamara.

The telegram said the contract, for fiscal year 1965, is for 15 punch card systems for Air Force use.

"After systems are in full operation, Burroughs will receive an additional \$4,886,432 for 136 more punch card systems," the telegram said.

Work will be done in Ply-

mouth and Pasadena, Calif.

THE AIR Force selected Burroughs Corp. to provide 151 of its B-263 electronic data processing systems to replace punched card accounting machines now being used in U. S. and overseas installations by base sub-command, major air command and Air Force Headquarters managers.

The Air Force said Burroughs Corp. was selected after careful and detailed evaluation of five manufacturers "as providing equip-

ment with the greatest capability for the cost involved."

The 151 computers will be leased rather than sold to the Air Force. Lease cost, when all the systems are installed, will be approximately \$4.9 million annually. The Air Force said:

"It should be noted, however, that we expect the cost of this equipment to be more than offset by a release of punched card accounting machines and by anticipated

City Officials To Go to Annual Municipal Meet

A delegate from Plymouth will represent the City from Sept. 16-18 in Lansing at the 76th Annual Convention of the Michigan Municipal League.

Expected to attend are Mayor Richard S. Wernette, Treasurer Kenneth Way, City Manager Albert F. Glassford and City Clerk Richard Shafer.

In addition City Attorney Edward F. Draugelis and Commissioners George Lawton, Robert Smith and James Jabara are expected to attend during one day of the sessions.

GLASSFORD will preside on Thursday, Sept. 17 over a sectional meeting of city managers. He is currently President of the International City Managers' Association, Michigan Chapter.

Expected to highlight the sessions are Governor George Romney and Congressman Neil Staebler who will appear on the same platform, as well as Senator Philip A. Hart and his opponent, Mrs. Ely M. Peterson.

Election Returns Show Vallier Loses Primary

The margin of victory ranged from large to extremely small this week as final, unofficial figures rolled in from last week's primary election.

The tightest race appeared to be between candidates for the Democratic nomination for the U. S. House of Representatives in the Second Congressional District.

Figures showed Weston E. Vivian of Ann Arbor with a margin of about 70 votes over his opponent, Gerald Faye, also of Ann Arbor.

Tuesday's count saw Vivian with a total of 8,676 votes, compared to Faye's 8,606.

On the Republican side of the ticket, incumbent Congressman George Meader of Ann Arbor finished with a margin of more than 5,000 votes between him and his chief opponent, State Senate Majority Leader Stanley G. Thayer.

THE COUNT showed Meader with 21,816 votes, Thayer with 16,399 and Morenci attorney C. Ralph Kohn with 1,330. Thayer carried Plymouth and Plymouth Township by a two to one margin, but

lost in the rural areas of Lenawee and Monroe Counties.

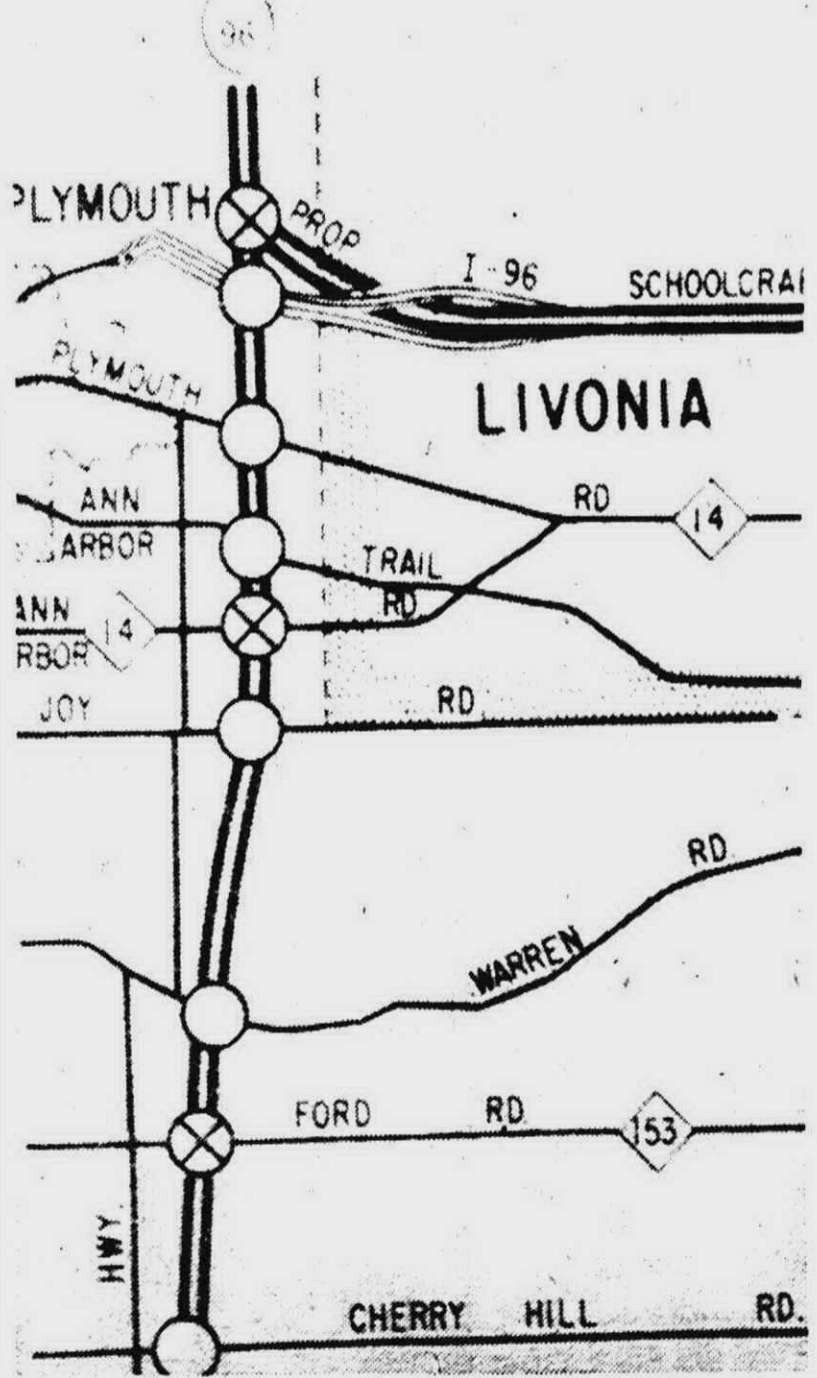

In the race for the Democratic nomination for the 14th State Senatorial District, Plymouth City Commissioner and Wayne County Supervisor A. E. Vallier, Jr. finished a poor third in a field of three in balloting in Wayne and Oakland Counties.

Vallier, with a total vote of 2,345, finished behind Livonia candidates James McCarthy with 5,964 and Joseph Mulaney with 3,086.

In the Republican race, Livonia publisher Paul M. Chandler led the field with 7,360 votes. Finishing behind him were Paul A. Kern of Orchard Lake with 3,487, Fitzhugh Prescott of Farmington with 2,887, Carl Wagenschutz of Livonia with 2,639 and George Westlund of Farmington with 2,108.

Leading Wayne County by a wide margin, Chandler received 4,422 votes to 2,000 for Wagenschutz, the next highest candidate. However, in Oakland County, the margin was narrower with the Livonian leading Kern by slight-

THIS IS THE route that proposed I-275 is scheduled to take through the Plymouth Community. It is expected to run straight north through Plymouth Township between Haggerty Road and the eastern Township border. Interchanges are set for construction at Ann Arbor Road and just north of Schoolcraft Road where proposed I-96 will intersect.

Hearing Set On I-275

A public hearing has been set for Sept. 21 to discuss details of the proposed route of I-275 which will cut north through Plymouth Township along the Haggerty Road corridor.

Maps and sketches of the freeway will be on display at the meeting scheduled for 8 p.m. in the Wayne Memorial High School Auditorium on Glenwood Rd. in Wayne.

I-275, which will serve as a west belt superhighway for the Detroit area, will extend from I-75 near Monroe north to I-96 northwest of Detroit, according to State Highway commissioner John C. Mackie.

Total cost of the 30-mile-long freeway is estimated at \$62 million. The cost of the freeway in Wayne County will be approximately \$37.9 million.

Persons interested in learning details of the freeway and its economic effect on Western Wayne County are urged to attend the hearing, which will be conducted by Public Hearings Director John W. Knecht, Jr.

City DPW Activities

By Sup't. Joseph Bida

The past week found Public Works personnel repairing an eight-inch broken water main at Sheldon Road and Maple St. and repairing a 3/4" water line break at Maple and Harding Streets. Work was continued on Coolidge Street — getting it ready for gravel. Parks and play areas were also worked on, mowed and cleaned. Two large dead trees were cut down at the entrance of Riverside Cemetery and the grass was mowed and trimmed and low graves were filled with black dirt.

The grate at S. Harvey between Penniman Avenue and Ann Arbor Trail was cleaned off. This grate is to protect limbs and debris from getting into the big storm drain. Grading of Auburn and Burroughs Playgrounds was completed. This is being done to make preparation of ice skating ponds in the winter easier. One large willow tree was cut down at Coolidge and Burroughs and several trees on the Urban Renewal Project were cut down and stumps removed.

Many complaints have been received about no water. Small water lines are being replaced with larger ones throughout the city. Many of these lines have been in for many years and on some of the records are not very clear. However, the contractor is doing a good job with the plans he has to work with.

We are sorry for any inconvenience that has been brought to anyone and do hope that you will bear with us for a few days until the project can be cleared. Also, if possible, the contractor will notify people if he knows that there will be a water turn off. However, with mains that were installed in the early 1900's and with additions to the system throughout the years some of this information did not get put on maps.

ing for a swimming pool in Plymouth, not two. He said the Swim Club would want a pool for the children at this time and later, if necessary, would take care of the adults.

Powell said a pool would probably cost between \$100,000 and \$125,000.

The Commission's pool committee will study possibilities of either a public pool within the city or of using the old Beck Rd. reservoir.

A MOTION providing two work stations for work training program in the city government regardless of whether or not the state provides financial aid for the program was approved unanimously by the commission.

Previously an amendment limiting the number of work stations to two instead of five called for in the original motion was opposed by Commissioner Robert Smith and Mayor Richard Wernette.

Commissioner George Lawton said that although he approved of the project he felt that the city should alter the program to fit its own needs should the state refuse financial aid.

Youngsters who enrolled in the program who would be school dropouts according to state requirements would be placed in the Department of Public Works. They would receive academic training from the school in addition to their work for the city.

In other action the commission tabled a resolution vacating parts of an alley and Lena and Goldsmith Streets for further study, and approved the first reading on amendments to ordinances which would provide for off-street parking in front yards in M-2, general industrial districts, and rezoning lot 816 on Hamilton St., adjacent to West Trail Nursing Home from R-2, two family residential to PR-1, professional residential.

At the public hearing on the resolution vacating the alley and parts of Lena and Goldsmith Streets, Elton Knapp, of Pacific Ave., appeared to speak against closing Goldsmith St. He said trucks in the area are continually applying their air brakes to avoid hitting children.

BY CLOSING Goldsmith, DPW Superintendent Joseph Bida said, the department would have more area for storage because the city owns the land on either side of the street.

Mrs. Henry Johnson, of Maple Ave., appeared at the hearing on the zoning change from residential to professional on the Hamilton St. lot. She expressed concern both that her taxes would increase because of it and she would be bounded on two sides by parking lot.

She explained apartment parking borders the rear of her lot and with the expansion of West Trail Nursing Home planned if the change is approved, she would also have to look at parking on one side of her lot.

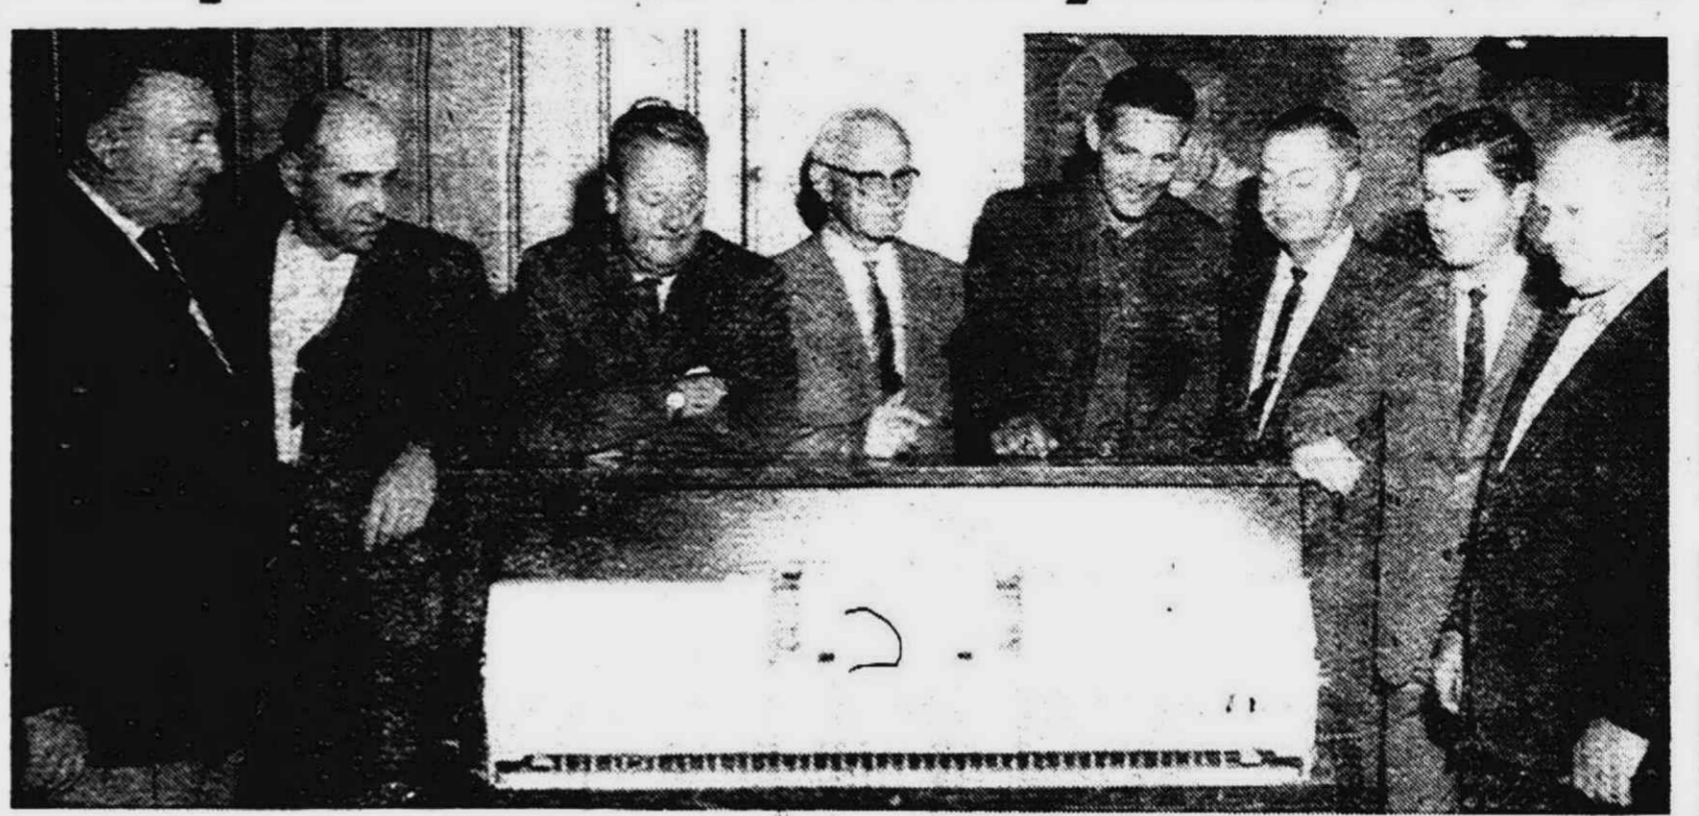

Commissioners told her even without the zoning change she might face the additional parking.

Also, commissioners granted a tree removal contract for \$2,240 to Heath Tree Service, discussed parking regulations in the central parking lot, and heard a brief report from Johnson and Anderson representative Philip Lehmann who said the test borings for the water reservoir, were made in the wrong location and the reservoir, itself was placed correctly. Commissioners also granted a six month extension for the advertising sign for Plymouth Place apartments to the Campbell Sign Co.

ly over 300 votes, 2,938 to 2,606.

IN THE RACE for State Representative in the 36th district of which Plymouth and Plymouth Township are a part, ex-mayor James Tierney of Garden City took the nomination with a 2,246 total. Next in line was attorney Charles Lowe of Garden City with 1,574.

Plymouthite Maurice Breen, while carrying his home territory, finished last with 250 votes in district-wide balloting.

On the Republican side, Plymouth attorney W. Wallace Green, unopposed, finished with a total of 1,881 votes. County Proposition No. One, to levy an additional mill to meet county operating expenses, passed 17,180 to 143,297 in Wayne County voting. The proposition was by a substantial margin in Plymouth and Plymouth Township.

A MESSAGE TO REPUBLICANS

from CONGRESSMAN GEORGE MEADER

TO MY FELLOW PRIMARY CANDIDATES:
My sympathetic understanding. Having lost twice in Republican primaries, I have experienced the disappointment of defeat. The best antidote I know for this disease is redoubled devotion to the common cause which unites us all — the Republican Party.

TO SUPPORTERS OF THESE CANDIDATES:
Your splendid efforts in behalf of your candidates in our traditional political contest evokes only my respect and admiration for your good citizenship. The party team needs your zeal and enthusiasm for total victory.

TO MY SUPPORTERS:
Heartfelt appreciation for your dedication and your deeds in my behalf. I shall do my best to deserve your display of confidence.

TO ALL REPUBLICANS:
Rally behind our standard bearers, Senator Goldwater and Governor Romney, in advancing Republican principles of individual liberty, equality of opportunity and treatment for all citizens, free competitive enterprise, strengthening state and local governments and combating powerful paternalistic centralized government.

All Republicans can dedicate their diligence to the basic Republican philosophy pronounced by Abraham Lincoln: "The legitimate object of Government is to do for a community of people whatever they need to have done, but cannot do at all, or cannot so well do for themselves, in their separate and individual capacities. In all that the people can individually do as well for themselves, government ought not to interfere."

Evans Promises

(Continued from Page 1)

"We appreciate the Township's and the County's cooperation in the solution of this problem."

At the meeting, McCloy emphasized to trustees that present Evans management has only been in control about a year. During this time, he said, studies have been underway to eliminate the smoke problem.

He said Evans has a sincere interest in the community and noted that the \$100,000 expenditure would go for a non-productive item. Gas equipment, ordered this week, is expected to be installed by Nov. 15, McCloy said.

"BY NEXT summer the problem will be licked," he predicted. "It's worse in the summer."

Taking issue with this portion of McCloy's remarks was Mrs. Fred Davids who has led the effort to force the Township to enforce its smoke abatement ordinance.

"It's certainly not worse in the summer," she said. "You come to my house in the winter and I'll show you." At the request of Township Trustee Richard Lauterbach, Mrs. Davids' husband commented on the Evans move.

"We're glad to hear it," he said. "It's a step in the right direction." Davids said he hoped Evans found gas to be efficient enough so they won't have to change to oil-fired equipment.

"We appreciate the efforts made here," Davids said. It's partly due to them that Livonia has embarked upon formulation of a smoke abatement ordinance, he pointed out.

Trustees voted to adjourn consideration of the smoke problem until their November meeting when they requested another report from Evans Products.

Other action taken at the Tuesday evening meeting will be carried in next week's Plymouth Mail.

Insurance Firms

been granted by the Small Business Administration for use in the D.S.I. project. Purchase of debentures by the two insurance firms, together with smaller amounts, virtually assure complete sale of \$35,000 worth of the notes at \$100 each.

The debentures will pay six per cent per year and return 10 per cent of the principal annually.

COMMENTING on Alexander Hamilton's investment committee's decision to approve purchase of the debentures, Charles Bruce, president of the company, said:

"It's a good, solid investment. We believe in it or we wouldn't do it. The investment committee believes in it 100 per cent."

Bruce said the committee was impressed with the setup at D.S.I., terming it "as solid as the Rock of Gibraltar."

One of Alexander Hamilton's primary premises, he said, is that funds should be invested within the State of Michigan.

"We were very happy to invest in our own state," he said, "and even more so, in our own community." Of the \$29 billion worth of life insurance on the lives of Michigan residents, Bruce noted, \$27 billion is invested outside the state.

This money, he pointed out, is invested out of the State of Michigan at the rate of 90 cents per dollar. Alexander Hamilton, Bruce said, is investing its funds within Michigan and has placed \$700,000 in Michigan Federal Savings and Loan Association's throughout the state.

Alexander Hamilton's operation has mushroomed since its beginning earlier this year. At the present time, the firm employs over 35 in its Plymouth office and expects to have a staff of more than 45 by the end of the year.

The firm recently purchased the building next door to its Pennington Avenue headquarters, presently housing Furniture Outlet, Inc. Furniture Outlet will move to a location in Northville and the insurance company will expand into the building here in Plymouth.

PAYING TRIBUTE to Plymouth's confidence in Alexander Hamilton in the early stages of its organization, Bruce said the company was pleased to have an opportunity to reciprocate by investing on a local basis.

"The town has been loyal and helpful," Bruce commented as he cited the efforts of local persons to get Alexander Hamilton started here.

Man Made Light in its Glory at World's Fair

They flicked a switch in 1893, and the World's Columbian Exposition in Chicago blazed with light. Just 14 years after Edison developed the incandescent light bulb, it was the first time electric lighting had ever been used so lavishly.

Ever since that exposition world's fairs have traditionally seen the introduction of new light sources, lighting techniques and equipment.

At the 1964-65 New York World's Fair, man-made lighting in its greatest glory is transforming the entire fair-ground nightly. As the lights blink on each evening, the Fair takes on an exciting new personality. The World's Fair at night is a "must" for every visitor.

The New York Fair surpasses every previous world's fair in lighting innovations. It's a showcase for the application of nearly a dozen new lamp types, many of which will be important in our homes, streets and highways, factories, institutions, offices and other commercial buildings long after the fair has run its two-year course.

The glorious rainbows of colored lights at the Fair are created by an entirely new technique. It produces colors that are more intense and highly saturated than ever before possible.

The secret of the improved colored light lies in the use of dichroic filters, designed to transmit light of one color wavelength and to reflect all other colors. These unique filters transmit up to 50 per cent more visible radiation than do conventional glass color coatings.

Some of the lights operate as programmed on electronic tape, creating a variety of patterns and color combinations, and some give the illusion that the dome is rotating.

At one exhibit an extravaganza involving colored lighting, water, music, and fireworks entrances thousands of fairgoers nightly.

Color is a distinctive feature of World's Fair street lighting, too. Along the miles of walkways and boulevards, there are 1842 lights, — each one a group of luminous pastel cubes atop a metal pole. Color combinations help fairgoers identify the various areas in which the grounds are separated.

Virtually every World's Fair exhibitor has found a way to capitalize on the drama of light.

Lighting effects run the gamut from the subtle — the shrine-like setting for Michelangelo's Pieta — to the spectacular — the Tower of Light's 12-billion-candlepower beam of light that pierces the night sky over Flushing Meadow.

Lighting is also employed as an integral part of architecture as never before at a world's fair.

Outstanding examples include what may be the world's largest luminous ceiling, at the New York State pavilion, and the world's largest luminous walls, at the massive Federal Pavilion of the U.S. Government.

It's the most spectacular World's Fair ever, and it's also the brightest — thanks to electric light.

Mrs. Housel and her husband had a silhouette studio in the Grand Hotel at Mackinac Island this past summer.

PLEMOUTH'S FALL FESTIVAL
CELEBRATION this has skyrocketed in eight years from a local service club barbecue attended by fewer than 100 persons to a four-day series of events that drew more than 50,000 last year. It will get underway in western Wayne County this month.
 And residence of Plymouth and Plymouth Township, the two communities involved, are the first to agree that the Plymouth Community Fall Festival, scheduled for Sept. 10-13, is a staple of what has happened in their area in the years since the Plymouth Rotary Club held its first chicken barbecue.
 Plans for the year's four-day event include an ice cream and social, a fish fry, a pancake dinner, a chicken barbecue, an antique show, and a parade of floats featuring distinguished marching bands.
 Other activities will include barber-shop quartets, street singers, German bands, acrobats, performances by the Plymouth community band and even a wheel challenge. Local residents will take part in a heard casting contest and a Coy-Nettes costume event. Business plans.

Flodin Wins Canton Race For Clerk

In the only contest in the Canton Township primary election Sept. 1, John Flodin won the Democratic nomination for township clerk. He will be unopposed in the November election.
 Flodin received 307 votes while his opponent George Bradley received 72.
 A total of 706 persons from the township went to the polls.
 Seeking election to other township offices in the November election will be Louis Stein, Republican, for Supervisor; Phillip Dingledey, Democrat, for Treasurer; Henry Rupert, Democrat, and incumbents Perry Hix and Richard Palmer, Republicans, for Trustees positions.
 Democrats Lawrence Baron and Samuel E. Grady and Republican Wilfred Gerald Cather are running for re-election as constables.
 Michigan holds the national record for milk production with 42,805 pounds of milk in 365 days, a record still unequalled after a decade.

Presbyterians Name Miss Yocum To Church Post

A new director of Christian education, Doris Yocum, has been appointed by the First United Presbyterian Church, Miss Yocum, who began her new duties Sept. 1, will become a commissioned church worker at a special commissioning service to be held on Christian Education Sunday, Sept. 27 at the 11 a.m. worship service. Professor of Christian Education at McCormick Seminary will be the guest minister at the service, and a reception will follow in the church dining room.
 A recent graduate of McCormick Theological Seminary, she will work with the church school, seventh grade and intermediate youth fellowships, adult education and all phases of Christian educational ministry of the church.
 Miss Yocum taught school in the Iowa school system for 18 years prior to her seminary training.
 Her office is located in the church and she is living at 346 Blunk St.

Former Publisher Returns to Hospital
 Former Plymouth Mail publisher Sterling Eaton returned to the hospital Tuesday after spending the Labor Day weekend at home. Eaton has been undergoing treatment at the University of Michigan Hospital in Ann Arbor. Mrs. Eaton said her husband had responded well to treatment with a new medicine, chemical. This-Tepa-Doctors have said surgery may be delayed or averted if Eaton responds favorably to the treatments.
 During the past two weeks the former publisher has received numerous blood transfusions. He was scheduled for further tests upon his return to the hospital Tuesday.

 available at the Recreation Department, Chamber of Commerce and Plymouth Mail.
 Dogs will be judged at 9 a.m. and their categories will be grooming, behavior and friendliness. At 10 a.m. unusual pets will be judged. At 10 a.m. all cats will be shown and judged on grooming, cutest and best behaved.
 Ribbons will be given for first, second and third in each class.
 Three veterinarians, Dr. Clifford McClumpha, Dr. Marian Weberlein and Dr. Andrew Kalmus will be the judges.
 An accomplished silhouette artist with a nationwide reputation Mrs. Dale O.

Housel, will be stationed at Sherwin-Williams Paint Store on both Saturday and Sunday from 9 a.m. until 5 p.m. as part of Festival activities.
 Mrs. Housel, who has been practicing the almost lost art of silhouette making since 1947, had a studio at the Grand Hotel, Mackinac Island, last summer. Mrs. Kenneth Thorpe, of 302 W. Spring St., saw Mrs. Housel at Mackinac Island and arranged for her appearance in Plymouth.
 The artist donates part of her funds to schools and churches. Mrs. Housel signs her silhouettes "Kaye Housel."
IN ADDITION to Rotary's Chicken Barbecue on Sunday, the DAR will be selling candy and flags, Rotary Anns will be selling items made by

handicapped individuals and the Newcomers will be selling fudge and souvenir stationery.
 Plymouth Theater Guild, who will have a booth set up for all four days of the Festival, will award five pairs of season tickets for their productions on Sunday at 5:30 p.m. All you have to do is sign your name at their booth and you may receive one of the sets.
 This year's schedule of plays includes "Anniversary Waltz" Oct. 22-24; "Harvey" Dec. 3-5, and "The Moon is Blue" Mar. 4-6.
 A one-act play also will be presented by the Theater Guild Sunday afternoon.
 The Festival is packed with many more fun-filled activities so be sure to plan your weekend so you can participate in them.
 (Editor's note: See the schedule of events published in The Plymouth Mail on Page 8 for exact times and places of all Fall Festival events).

A BOOST, of sorts, was given Plymouth's Fall Festival last week when this article, written by a Plymouth Mail staffer, appeared in the Automobile Club of Michigan's Motor News Magazine. The magazine goes into more than 50,000 homes. A limited number of copies are available at the offices of The Plymouth Mail for interested persons.

Thornton Details Festival History for Businessmen

Approximately 50,000 persons are expected in Plymouth during the Fall Festival, Festival Chairman James Thornton told businessmen at the monthly Chamber of Commerce Businessmen's Forum luncheon, Sept. 3 at Hillside Inn.
 He explained that many people will be in town discovering it and what it has to offer, although not all of them will be buying. The Lions Club is planning to serve 2,500 desserts Thursday evening, while the Jay-Cees are planning to serve 5,000 fish dinners Friday.
 Kiwanis Club is prepared to serve pancakes to 3,000 persons, and Rotarians are cooking enough chicken for 15,000, Thornton said.
 This is the first year the Fall Festival has had any authority for what it did. Thornton told his audience explaining that at the end of last year the framework was laid for an independent board. Six persons were selected to serve on the Fall Festival Board so that three year terms would be staggered.
 Elected to the first board were William Sempliner, Mrs. Marshall North, Edward Sawush, Wendell Smith and Margaret Wilson and Thornton.

Twp. Firemen Host Tri-County Aid Society
 Hosting 50 members of the Tri-County Mutual Aid Society last Thursday was the Plymouth Township Fire Department.
 The meeting, held at the Plymouth Township Hall, was attended by personnel from fire departments in Wayne, Washtenaw and Oakland County.
 Guest speaker at the event was Consumers Power representative John Brennan of Plymouth. Brennan was accompanied by Warren Bowers.
 The "powder puffs," wives of Plymouth Township firemen, served refreshments following the program, according to Fire Chief Barney Maas.
People You Know
 Mr. and Mrs. John W. Blickestaff who have spent the summer in their home on Base Lake returned home Tuesday accompanied by their granddaughter, Jill Allison, who had been visiting them.
 Mrs. Walter Sumner visited her friends, Mr. and Mrs. Hoyt Hollister in Sombra, Ont., on the St. Clair River, from Saturday until Tuesday evening.
 Mr. and Mrs. Carl Hartwick of Clemons Dr., their niece, Judy Ann Burgett, of Northville Rd., and Patricia Hyatt, of Detroit, spent the Labor Day weekend at Glenn Lake near Traverse City, where they joined the Hartwick's daughter and family who were camping there.

 The City of Plymouth, Michigan has for sale and development a parcel of land in the PLYMOUTH INDUSTRIAL PARK described as follows:
 Commencing at the West 1/4 corner of Section 25, T. 1 S., R. 8 E., City of Plymouth, Wayne County, Michigan, and proceeding thence S. 88° 21' 00" E., a distance of 80.00 feet; thence S. 1° 39' 00" W., parallel to the West line of said Section 25, a distance of 724.86 feet; thence S. 89° 51' 50" E. 400.14 feet, thence N. 1° 39' 00" E., 739.95 feet; thence S. 88° 39' 10" E., 30 feet to the East line of Industrial Drive, for a POINT OF BEGINNING; thence N. 1° 42' 48" E., 473.67 feet to the centerline of Plymouth Road; thence S. 73° 17' 40" E., along said centerline, 383.74 feet; thence S. 1° 20' 50" W., along the West line of property owned by the R.C.A. Corporation, 372.04 feet; thence N. 88° 39' 10" W., 373.08 feet to the POINT OF BEGINNING, except the Northernly 60 feet thereof, containing 3.0758 Acres of land, more or less.
 The above described land being subject, however, to the following reservation:
 The City of Plymouth reserves the Easterly fifteen (15) feet of land as an easement for sewers, water mains and other public utilities.
 The City will entertain offers to purchase said land at a price of not less than \$6,500 per acre. The said land is zoned for M-1 (Light Industrial) and the City reserves the right to specify the type of industry which may be established, the location, type of buildings, location of streets, sewer and utilities. The City also reserves the right to specify the time within which construction of buildings and other improvements upon such land shall be completed.
 Any offer to purchase shall set forth the intended use of said land and the proposed development and improvements of same.
 Such offer to purchase will be received on or before 8:00 p.m., E.S.T., Monday, September 14, 1964 at the office of the City Clerk.
 The City specifically reserves the right to reject any and all bids and offers to purchase the aforesaid land.

IN GIVING the origin of the present Fall Festival, Thornton explained, Rotary Club decided on a chicken barbecue as a fund raising project about eight years ago. The Club's Board believed in the project even when it was not making much money and members wanted to abandon it. They thought others could use the idea, also, Thornton said.
 Three years ago, Margaret Willson was asked to organize a Fall Festival around the barbecue. Thornton said, adding he also became involved in the project. Kiwanis Club was asked to move its pancake supper into the Fall Festival. Lions Club was asked to provide a dessert and the Jay-Cees were requested to have a fish fry. Thornton said. Other organizations volunteered booths, entertainment and other activities.
New to the festival this year are the Detroit Institute of Art's mobile art exhibit donated by a local Chrysler dealer and sponsored by Three Cities Art Club and the Plymouth Garden Club Flower Show. Thornton said. He added he hopes eventually shows can be judged and prizes awarded.
 The estimated \$45,000 income for the Festival comes from business and professional groups (\$22,000), industry (\$600), Service clubs (\$1400)

Schoolcraft To Seek North Central Link

At the Schoolcraft College Board of Trustees meeting, Sept. 1, trustees authorized college President Eric Bradner to take the steps necessary for the school to become a candidate for membership in the North Central Association of Colleges and Secondary Schools.

They also voted to file the one mill tax levy on the Lapham School District if it votes on Sept. 14 to annex to the Plymouth Community School District and, therefore, automatically, to the College District. Trustees received bids from three landscape architects to beautify the campus.

Listing as a candidate for membership in North Central Association indicates to the college profession that Schoolcraft College is seeking accreditation. With the application the college will submit to a status study containing a complete statement of college purpose, a discussion of problems the school faces, types of data to be used in preparing a self-study report and information on organiza-

tion of the college for the report.

North Central will also conduct a diagnostic examination of the college which will probably be done this fall.

The college hopes to attain accreditation from North Central Association by 1968. In the meantime, students doing satisfactory work at the college are assured admission to other colleges without loss of credit.

Meanwhile the trustees have request Michigan Commission on College Accreditation to visit the campus this fall. They expect to apply for accreditation at that time.

If Lapham School District voters approve the annexation, the college trustees must file the tax levy the next day.

At its Sept. 16 meeting, the board of trustees will receive preliminary plans for the Campus Center and Technical buildings. It is expected construction on these will begin in late winter or early spring.

Ice cold orange soup is the most refreshing summer menu item imaginable. Fresh-frozen Florida orange juice concentrate gives this consommé its irresistible color and flavor.

The handy little 6-ounce can — so easy to store and so convenient to use for breakfast juice, in summer punches, salad dressings and ice cream sauces — is a treasure store of valuable vitamin C required daily by children and adults alike to maintain glowing good health. Summer's outdoor activities, as well as the heat itself, deplete our energy reserves, and the natural vitamin C contained in frozen Florida orange juice concentrate, a wholly pure product, gives a quick refreshing pickup.

The Scandinavian countries of the north and tropical countries, too, are known for their cold soup specialties, and citrus juices flavor some of the best. This recipe for chilled orange consommé is so easy, and it's sure to delight and surprise your family and friends.

Jellied Orange Soup

- 1 can (6 ounces) frozen Florida orange juice concentrate
- 1 envelope unflavored gelatine
- 2 tablespoons lime juice

Reconstitute orange juice concentrate according to label directions. Sprinkle gelatine on 1/2 cup of the concentrate in saucepan to soften. Place over low heat, stirring constantly, until gelatine is dissolved. Remove from heat; stir in remaining orange juice concentrate and lime juice. Pour into an 8-inch square pan; chill until firm. To serve, spoon into serving dishes or whip with a fork. Serve with lime slices and mint. YIELD: 4 to 6 servings.

High Honors Earned by Local Insurance Men

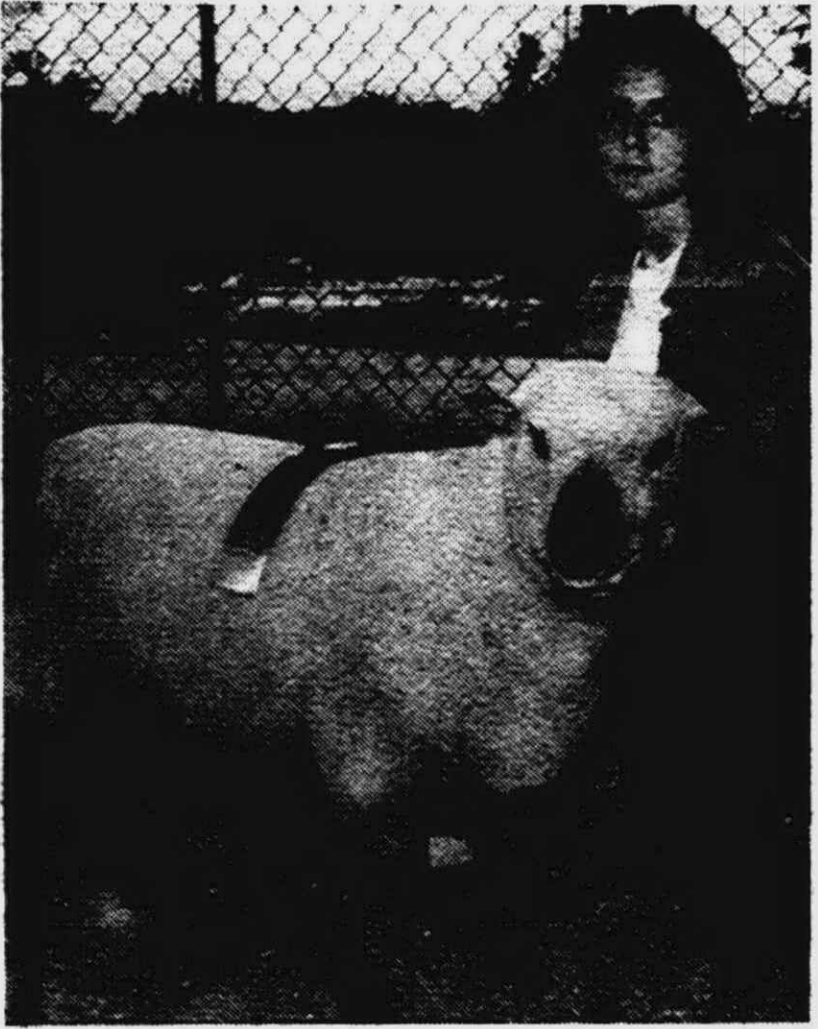

Three Plymouth insurance men were named last week as having earned the high honor of qualifying for Woodmen Accident and Life Company's top sales production club.

Fabe Mirto, "J." C. Hanna and Jerry Walsh of Plymouth were honored at the company's convention held Aug. 26-29 at Mackinac Island, Mich.

Their outstanding production performance from Aug. 1, 1962 to July 31, 1964 in the sale of life, health, accident, hospital and group insurance entitle them to membership in the President's Club.

THE FABE A. Mirto Agency of the Woodmen Accident and Life Insurance Co., at 1005 W. Ann Arbor Trail was honored early this year for its record in skyrocketing from a beginning in 1951 to the company's number one agency of 55 throughout the country.

The agency won the highly regarded President's Trophy for 1963, awarded on the basis of production, quality of business and new manpower objectives.

TOP WINNER in the senior girls division of the sheep showmanship contest held during the annual State 4-H Show in East Lansing, Aug. 31-Sept. 3, was Becky Leeman, 17-year-old daughter of Mr. and Mrs. Harold Leeman, of Plymouth Rd. There were more than 5,000 exhibits and over 1,200 livestock projects at this year's show held on the Michigan State University campus.

Grange Gleanings

Jesse Tritten
GL 3-6387

Plymouth Grange met Thursday evening, Sept. 3, starting with a pot-luck supper. Those having September birthdays found a welcome at the Birthday table. We had as our guests 10 Lenawee County Grangers. The meeting followed at 8 p.m. Our Charter was draped in memory of Arthur Johnson and James Farquhar. Paul Nisbett, from Lenawee County, was installing officer and with the assistance of other Lenawee County Grangers conducted an installation service.

Retiring Master, Jesse Tritten, who has served as Master of Plymouth Grange for the past eight years, wishes to thank all who have helped him to successfully carry on the various activities of our Grange. He pledges his services to the new Master, Fay Brown, and asks that all members give our new Master full cooperation so the progress of Plymouth Grange may continue.

Ruth Gardner underwent surgery at Woman's Hospital in Ann Arbor last week. John Gillis is in St. Mary Hospital.

Grange ladies are busy mixing up those good cookies. Sugar Cookies, Molasses Cookies, Oatmeal-Raisin and Oatmeal-Chocolate Chip will be on sale Saturday and Sunday, starting at 10:30 a.m. at the Cookie Booth in the driveway between the Federal Savings and Loan and Melody House. Get yours early.

Family Service

What Is It? What Does It Offer To The Community

By Anna Jung

Family Service opened its doors in Plymouth in February, 1964, just seven months ago. To date, 122 families have applied to the agency for service.

The requests for service have come from many sections of the community, from the city and the township; and from many segments of the population, business and professional as well as laborers and unemployed. The old, the young, and the middle-aged have called for help. Services requested have ranged from calls for financial help, for house-keeping service, for temporary care of an invalid, for marriage counseling, for help in coping with behavior problems of adolescent or younger children, to requests for help in dealing with many kinds and degrees of psychological problems affecting an individual or a family.

Some families have called for help at a time of crisis and when the crisis passed they have not felt the need to explore the causative factors that led to the crisis. Some of these families will call again at another crisis point in their lives. Some families are using long-term and intensive treatment to alleviate long-standing, chronic psychological stress which has caused or contributed to a breakdown in family relationship.

From the above paragraphs it appears that this community has readily availed itself of the services of this social agency, which was established through the cooperative efforts of Family Service of Ann Arbor and the Board of Directors of the Plymouth Community Fund. Financial support comes primarily from the Community Fund, augmented by fees from clients.

Many families have contacted the agency on their own initiative, having learned of its existence from local newspaper publicity. Other families have been referred by doctors, attorneys, or school personnel. Why, then, ask what is Family Service?

In spite of the extensive publicity, locally and nationally, about family service agencies, a great deal of confusion exists in the minds of many people as to the nature, the purposes, and the functions of these social agencies.

The word "service" in the titles of most family agencies seems to be the prime culprit contributing to this confusion. Some clients equate the word "service" with housework, for some reason, and they assume that

the agency provides housekeeping service at little or no cost to the client! Some agencies use the word "society" in the title and this compounds the confusion; some people have interpreted this to mean a "social club" where they could meet people and make friends.

Some clients think of the family agency as a source of authority which can be utilized to punish a misbehaving child or a recalcitrant spouse. No, the family service agency does not provide any of these functions.

In order to clear up some of the misconceptions about family service agencies, and to make it possible for this community to utilize the resources of Family Service most adequately and effectively, I have agreed to write a series of articles describing the work of the family agency caseworker. The word "caseworker" is, itself, a stumbling block to understanding the nature of the service provided by that professional person.

Clients often ask, "Are you a psychologist?" or "What is the difference between a psychiatrist, a psychologist, and a caseworker?" Other questions often directed to the caseworker imply an assumption that understanding of a client's problem and help in solving problems can come only from a person who has experienced similar problems. Thus, the unmarried caseworker is often asked, "How can you help me with my marriage problems if you aren't married?"

It seems in order, therefore, to answer some of these questions in public print. Included in the series will be articles describing the educational requirements for the Master of Social Work degree; discussion of social conditions which breed social and psychological problems; and case examples to illustrate the kinds of problems that clients bring to family agencies and how the caseworker helps the client to deal with the stressful situation.

Case material will be drawn from a broad background of experience and will include hypothetical situations tailored to illustrate a particular point. Under no circumstances will case material from the Plymouth community be used: However, since human problems know no social, educational, or geographical boundaries, it is likely that the reader will "see himself" in a case now and then. Questions or suggestions of topics of general interest may be submitted by readers.

Three Cities Art Club Members to Exhibit At Festival

Do you want a new painting for your living room? Do you enjoy looking at art exhibits? Then the annual art exhibit and sale sponsored by Three Cities Art Club held in conjunction with Fall Festival, Sept. 10-13 is for you. Detroit Institute of Art's artmobile will be in Kellogg Park, staffed by Three Cities members, on Thursday, Friday and Saturday from 11 a.m. and on Sunday from 11 a.m. until 3 p.m. American paintings from the Institute of Art's permanent collection will be displayed.

Demonstrations also have been planned by members for the four days. Beverly Shankweiler, a painter from Wayne will do caricatures Friday from 9-9 p.m. Saturday from 10:30 a.m. until noon Linda Edgerton of Northville, will demonstrate aspects of jewelry making. Spinning yarn from wool will be shown by Kate Edgerton, also of Northville, at 1 and 3 p.m. Saturday, at 1 and 3 p.m. Sunday. Herig of Plymouth, will demonstrate the creation of collages and discuss assembling bits of paper, wood and scraps.

Kate Edgerton will weave the yarn she makes on Saturday, from 2-3 p.m. Sunday. She will demonstrate several methods of weaving. Serigraphy and the art of printing will be demonstrated by Franklin York, a commercial artist from Plymouth, on Sunday at 1 and 3 p.m. Marie Bonamici, of Plymouth, will provide folkings throughout Sunday afternoon. Paintings, prints, pottery, sculpture and jewelry produced by more than 40 members of the Three Cities Art Club will be on display and for sale and artists will discuss the processes.

Late afternoon classes are especially designed for women interested in beginning their college career, in fulfilling requirements for teacher certification, or in updating their major fields. Local school teachers may also find these offerings convenient.

Madonna College Classes to Begin Monday, Sept. 21

Madonna College, a fully accredited liberal arts college for women, located on Schoolcraft and Levan Rds., will open its academic year Monday, Sept. 21. With the construction of residence halls, dining facilities, and academic building, Madonna has expanded its facilities. It offers programs to all who wish to obtain a college education on a full time or a part time basis. For the full time student, a great number of courses are available during the day. For the part time student, a varied program in both the day and the late afternoon classes is offered.

Friendship Club Plans Free Dance

A free dance is scheduled for Friday, Sept. 11, at 8 p.m. at Patungill School, Ann Arbor, by the Ann Arbor Friendship Club. All unmarried persons, 39 through 64-years-old, are invited to attend the dance. The Pat Deloughary Band will furnish the music. Card parties, cookouts, theater parties and bowling are being planned by the Friendship Club which is sponsored by the Ann Arbor Recreation Department. For further information call NO 5-0228 or NO 3-5762.

At the weekly duplicate bridge held at the Plymouth Bridge Club on Friday, Sept. 4, the following were winners:

NORTH-SOUTH

1. Bill Tullis and Earl Demel.
2. Sue Fuller and Stella Fitzpatrick.
3. Mr. and Mrs. James McCormick.
4. Esther Scheppele and Liz Augustine.

EAST-WEST

1. Ike Sarason and Vic Ross.
2. Mr. and Mrs. Wagner.
3. Erna and Mary Wiltzie.
4. Otto and Irene Mortens.

Weekly duplicate bridge is held each Friday at 8 p.m. at the Colonial Professional Building located at 729 West Ann Arbor Tr. For further information call director Bill Tullis, GA 2-7848, or Margaret Armstrong, KE 5-4465.

DAR to Hold Regional Meeting

Daughters of the American Revolution (DAR) will hold their regional meeting Thursday, Sept. 17, at 10:30 a.m., at Fairlane, Henry Ford's estate, 4901 Evergreen, Dearborn. The new state regent Mrs. James V. Zeder and board members will be introduced to members. State chairmen will also be there to answer questions. A luncheon will be served at 12:30 p.m. For reservations, members of the Sarah Ann Cochran chapter should call Mrs. Charles Fraser, VE 8-6210, or Mrs. Milton Hopkins, GA 2-0542.

Delta Gammas to Meet Sept. 14

Getting into the swing of a new year of philanthropic projects, general business and a little fun will be the Delta Gamma Farmington Alumnae Association Monday, Sept. 14, at 8 p.m. in the home of Mrs. Randolph Webster, 33521 Rayburn, Livonia. All Delta Gammas in Plymouth, Livonia, Redford, Northville, Novi, and Farmington are urged to attend. This meeting will include a discussion of programs for the year and the national project, Sight Conservation and Aid to the Blind, which, in the last year, included Adams School in Livonia, and the Plymouth State Home and Training School.

Plan Hootenany For September 18

A hootenany for all persons interested in Wallace Green's campaign for state representative has been set for Friday, Sept. 18, at 7 p.m., in Hines Park at the corner of Northville Rd. and Hines Dr. Several hootenany groups will be there to lead the singing.

Handicapped Make Items for Sale in Rotary Anns Booth

As part of their philanthropic work Plymouth Rotary Anns will set up a Fall Festival booth to sell items made by handicapped persons in Wayne County. The booth, featuring homemade Christmas cards, crocheted tablecloths and bedspreads, and souvenirs of Fall Festival will be located in Kellogg Park, Sunday, Sept. 13. Persons making the items place the prices on them and receive all proceeds from their sale. The workers are sponsored by the Easter Seal Society of Western Wayne County and are a project of the Plymouth Rotary Anns. The souvenir ashtrays will feature either the town crier or the Rotary Seal. Orders will be taken for some items such as the crocheted tablecloths and bedspreads and will be delivered later.

Garden Club Slates Meeting, Sept. 14

At the Sept. 14 meeting of the Plymouth branch of the Women's division of the National Farm and Garden Clubs, Mrs. Henry Jensen will tell members about her experience at Higgins Lake Conservation School this summer. The garden club sent Mrs. Jensen, a teacher, to the school. Tea chairman for the 1 p.m. meeting in Mrs. Walter Gemperline's home at 47447 N. Territorial Rd., is Mrs. Clayton Leroue. Assisting her will be Mrs. John Stuyvenberg, Jr., Mrs. Ralph Garber, Mrs. Donald Burleson, Mrs. Thomas Nicols, Mrs. Rex Hoffman, Mrs. Byron Champion and Mrs. Lawrence Becker.

60 Plus Club Sets First Meeting

The 60 Plus Club of the First Methodist Church will resume their monthly meetings Monday, Sept. 14. A potluck dinner at noon will precede the business session. Each member is to bring a dish to pass and their table service.

STUDIES IN ALASKA

Bruce Conant, son of Mr. and Mrs. Herbert Conant, of 5683 Napier Rd., left Sept. 6 for Fairbanks, Alaska, where he will enter the University of Alaska as a sophomore. He is majoring in fishing and wildlife. Conant attended Michigan State University this past year.

Newcomers Set Events for September

Plymouth Newcomers Club is starting the fall season with a bang — they will have a luncheon meeting and a party in addition to manning a Fall Festival booth during the month of September. First on the agenda will be the monthly meeting, Thursday, Sept. 10 in the Mayflower Hotel beginning with a hospitality hour from noon until 12:30. Members will sell fudge and souvenir stationery during Fall Festival activities on Sunday, Sept. 13 from 10 a.m. until 7 p.m. An old-fashioned German potluck garden party at the home of Mr. and Mrs. Donald Bosker, 15142 Lakewood Dr., has been planned for Saturday, Sept. 19 at 7:30 p.m. for newcomers and their husbands. In case of rain, the party will be held at the home of Mr. and Mrs. Peter Varroni, 15236 Lakewood Dr. For reservations, which are limited to 40 couples, call Mrs. Darwin Diehl (A to M), 453-6694, or Mrs. Taylor Trask (N to Z), 453-4308. For further information on the party call Mrs. Thomas Lewis, 453-5362, Mrs. Don Bosker, 453-5125, or Mrs. Peter Varroni, 453-9441. Slated for Thursday, Oct. 1 is a fashion show-luncheon at Meadowbrook Country Club. Tickets will be \$2.85 and are available from any board member.

SAMPLING some of the delicious fudge Newcomers will sell in their Fall Festival booth in Kellogg Park Sunday, Sept. 13, from 10 a.m. until 7 p.m. are, left to right, Mrs. James Hothem, Newcomers vice-president, of Betty Hill Rd.; Mrs. Robert Bartley, chairman of the booth, of Greenbrook Ln., and Mrs. Dick Lauterbach, of Greenbrook Ln. The women will be wearing old-fashioned aprons and bows in their hair when they sell the fudge and stationery from Dunning-Hough Library.

Registration for full time students is scheduled for Sept. 18, and for part-time and adult education for Sept. 16 at 4 and 6:30 p.m. in the Commons Room of the new residence halls. For further information write or call the Registrar JA 7-3300 or KE 3-1400. Those interested in the Adult Education Program call the Art Instructor, GA 1-9865.

Rita Petrowsky Weds Ronald Alexander in August 16 Rites

In an Aug. 16 double ring ceremony in Wayne's St. John's Lutheran Church, Rita Petrowsky, daughter of Mr. and Mrs. George Petrowsky, of Wayne, became the bride of Ronald Alexander, son of Mr. and Mrs. Horace Alexander, of Garden City. Given in marriage by her father the bride wore a floor-length gown covered with French Chantilly lace in a floral design. The bodice of the dress featured a straight neckline and long sleeves. She carried a bouquet of two dozen white roses cascaded around a white orchid. Mrs. Gordon Prieskorn came from Tacoma, Wash. to be her sister's matron of honor. Bridesmaids were Mrs. Harold Petrowsky, of Detroit, and Kathleen Pichan, of New Boston. The bride's niece, Rebecca Henning, of New Ulm, Minn., was flower girl. Best man for the bridegroom was Reter Lowry. Seating guests were Richard Kleibr and Bill Sarti, of Detroit, Harold Petrowsky, the bride's brother and James Becker, the bride's nephew, of Adrian. The bride's mother chose an aqua embroidered crystal dress for her daughter's wedding and the bridegroom's mother wore a blue flowered chiffon dress with lace trim. Both wore yellow rose corsages. Following a reception at the bride's home, the couple left for a ten day wedding trip to northern Michigan and parts of Wisconsin. Mr. and Mrs. Alexander are living with her parents in Wayne until the middle of September when they will move to Livonia. Mrs. Alexander taught school in Sparta, Wis. for two years. Her husband is a rental representative for Hertz-Rent-A-Car at Willow Run and Metropolitan Airports.

Plymouth AAUW To Join in Women Voters Campaign
The Plymouth Branch of the American Association of University Women has been called upon to participate in a campaign Sept. 12-19 to help more women prepare to vote. Mrs. John Moehle, branch president, has announced.
"Women Voters Week," suggested by the League of Women Voters and officially proclaimed by President Lyndon Johnson, has been endorsed by both major political parties, the President's Commission on Registration and Voting Participation and the American Heritage Foundation.
"The AAUW shares the concern of the League of Women Voters lest numbers of women fail to use their franchise. It applauds the designation by President Johnson... in which the League's slogan of 'Each One Reach One' will be a spur to all thinking women." AAUW President Dr. Blanche H. Dow, of Nevada, Mo. said in a statement to the more than 1500 AAUW branches.
Dr. Dow pointed out that the President's Commission on Registration and Voting Participation reported voting among women is approximately ten per cent lower than among men.

AAUW Sets Meeting Slates Membership Drive During Sept.
Problems confronting youth in the Plymouth Community will be the subject of Plymouth High School Assistant Principal John M. Hoben's talk at the first meeting of the AAUW (American Association of University Women) Thursday, Sept. 17, at 7:30 p.m.
AAUW is conducting a membership drive and will climax activities with a coffee social hour preceding the Sept. 17 meeting in Junior High School East's multi-purpose room.
Women in Northville, Livonia and Plymouth areas are eligible for membership in the Plymouth branch if they hold degrees from one of 46 American colleges and universities approved by the national organization, according to Mrs. Robert Messerly, membership chairman.
Michigan schools on the approved list include both Eastern and Western Michigan Universities, Wayne State University, University of Detroit, Adrian College, Albion College, Alma College and Central Michigan University, University of Michigan, Michigan State University, Northern Michigan University, Hope College, Kalamazoo College, and Marygrove are other approved Michigan schools.
If you are interested in joining AAUW call Mrs. Robert Messerly, GL 3-3805, for additional information.

Miss Carolyn Scott, daughter of Mr. and Mrs. William B. Scott, who had spent the summer at Cape Cod, Mass., working at a resort with some of her classmates from the University of Michigan, left Sunday for her junior year at the university and will reside at the Chi Omega sorority house.

Mrs. H. R. Penhale, of Roosevelt Ave., was a luncheon hostess Wednesday entertaining the following members of the Priscilla Sewing group, Mrs. John Van Hoy, Mrs. Clyde Upton, Mrs. Carleton R. Lewis and Mrs. Irving Blunk.

Bonnie and Judy Vickstrom of Redford were week-end guests of their grandparents, Mr. and Mrs. Charles Vicksstrom on Dunn Ct.

Mr. and Mrs. Howard Montague, of Kalamazoo, spent the weekend with her mother, Mrs. Gladys Robinson on Elizabeth St.

A missionary from Natal, South Africa, Charlotte L. Payne, was the guest of Mr. and Mrs. Arvid E. Burden and daughters Allison and Arville, of Northern St., from Monday through Thursday of last week. Miss Payne was a college roommate of Mrs. Burden.

TREASURES FROM **Plymouth Pantries**

ENJOYING the last of their summer vacations from school, seven-year-old Paul Bosker (left), and his brother 12-year-old Don (right), eagerly wait for their mother, Mrs. Don Bosker, of Lakewood Dr., to cut some of her "Old-fashioned Maryland Coffee Cake." The Boskers have lived in Plymouth about one and a half years.

A good dessert or breakfast roll, "Old-fashioned Maryland Coffee Cake," was suggested by Mrs. Donald Bosker, of Lakewood Dr.
After visiting friends in Plymouth and discovering they liked the community, Mr. and Mrs. Bosker and family moved from Livonia about one and a half year ago.
Mrs. Bosker is co-social chairman of Plymouth newcomers and both Boskers sponsor the young people's group at Epiphany Lutheran Church.
They have three children, Pamela Ann, 14-years-old, Don, 12, and Paul, seven.
Getting her new house in order, gardening, sewing and baking are among Mrs. Bosker's hobbies. She makes some clothing for herself and her daughter and used to sew for her sons when they were younger.
"Old-fashioned Maryland Coffee Cake" is a recipe of Mrs. Bosker's southern grandmother. The recipe makes two eight or nine inch cakes. Mrs. Bosker explained they are supposed to be thin.
By adding a scoop of ice-cream to the cake you can serve it to your family for dessert. Mrs. Bosker suggests making a double recipe and then freezing some of them — she adds that a double recipe makes five cakes rather than four.
Apples or blueberries may be added to the recipe to vary it.

OLD-FASHIONED MARYLAND CINNAMON COFFEE CAKE

1 rounded Tbs. shortening
1 C. sugar
1 dash salt
1 egg
2 C. flour
2 tsp. baking powder
3/4-1 C. milk
1 tsp. vanilla
1/4 tsp. nutmeg
1/2 C. melted butter
Sugar
Cinnamon

Cream together shortening, sugar and salt. Beat in one egg and then pour in alternately flour, baking powder and milk. Add vanilla and nutmeg.
Grease and flour two eight or nine inch pans. Pour batter and bake in 350 degree oven for about 15 minutes. Top should be solid but not brown on top.
Remove from oven and pour over the cakes 1/2 C. melted butter and cinnamon and sugar to taste. Return to oven and bake five to seven minutes longer.
Sprinkle confectioners sugar over the tops of cakes when done.
For apple variation place sliced apples on the top before putting in the oven for the first time and then continue with the rest of directions.
When using blueberries, add them to cake mix before placing batter in cake pan and then continue with rest of directions, omitting cinnamon and sugar.

Michael Campeau Wins Trophy

A surprise visit from two staff members of Camp Sancta Maria at Gaylord brought Michael Campeau, son of Mr. and Mrs. Gary Campeau, of 900 Fairground St., the Junior Honor Camper Trophy for the year.

The trophy is one of five awarded at the end of the camp season on the basis of merit points, awards for athletics and counselor's recommendations.

Charles Sears, who is studying at St. John's Seminary, Northville, and Mike Callahan, from Sacred Heart Seminary, Detroit, presented the trophy to 11-year-old Michael.

The sharpest sting of adversity it borrows from our own impatience.

In the shade I will believe what in the sun I lived.

Plymouth Township Minutes

It was moved by Mr. Lauterbach, supported by Mr. Garber that the meeting be adjourned.

Supervisor Lansday adjourned the meeting at 4:25 p.m., stating that here would be a special meeting called on Wednesday, September 16, 1964 at 7:30 p.m. for the purpose of awarding the contract.

Approved. Respectfully submitted, Roy R. Lansday Supervisor

All members of the Board were present with the exception of Louis Norman who was on vacation.

At the request of the National Concrete Products it was stated that they had leased their new building and the tenants are desirous of moving in by September 15, 1964.

It was moved by Mr. Garber, supported by C. V. Sparks that the Township be authorized to advertise for bids to install approximately 1,100 feet of 12" sewer north from the existing 12" sewer County No. 9074 to the National Concrete Products property.

Approved. Respectfully submitted, Roy R. Lansday Supervisor

4-School Battle For Rocks Friday

The 1964 Plymouth football team will be unveiled for the first time at 7 p.m. Friday when the Rocks meet Bedford, Berkley and Taylor Center in a round robin scrimmage.

Each team will play one quarter of offense and one quarter of defense against each of the other schools. The contest was originally scheduled for Saturday evening, but the field was pre-

empted by the Fall Festival's Pageant of Drums entertainment, which will be held on the high school athletic field Saturday night at 7:30 p.m.

This will be the first competition against other schools and ought to be the first real indication of how weak Plymouth's line is. Head Coach John M. Hoben has some real concern about this year's line.

He is blessed, however, with an experienced backfield, which could contain the best halfback in the state, Gary Grady. Two senior quarterbacks, John Daniel and Terry Cosgrove provide some depth at that position, while halfbacks Gary Grady (Captain of this year's squad) and Roger Tobey offer running power to spare. Both of these lads are also seniors.

Three junior fullbacks, Curt Irish, Larry Warnumende and Rick Jones back up Tobey and Grady. Irish is a halfback converted to fullback and can play either position, while Rick Jones sat out most of last year with a broken ankle. Larry Warnumende is a twin brother of Jerry, a candidate for end on this year's team.

Other backfield hopefuls include junior halfback Jon Adams, senior halfback Bill

Plippen and sophomore halfback Dick Micol.

In the line the candidates are not so familiar except at end. Four seniors, David Tidwell, Jim Lake, Gary Watson and Gary Fuelling, lead the parade with Larry Warnumende, a junior, not far away in the battle for starting assignments.

At tackle, which the Plymouth coaching staff views as its most serious problem this year, three lightweight seniors and two lightweight juniors appear to have the inside track. Junior Steve Stribley (165) is a converted line-backer and end. Others are seniors Bill Cummings (170), John Burgner (165) and Hal Watson (165). Pat Brady (170) is another junior candidate for tackle.

Charlie Price, a converted fullback, and Paul Densmore, a defensive guard of last season, are two experienced seniors in line for starting guard spots. They are being pushed by juniors Torb Guenther and Roger Smith.

Two seniors and one junior give the Rocks some strength at center. Rick Barron and Phil Hruska, both seniors, and junior Bill Ward are expected to lead Plymouth at this position.

HERMON WHITE, 11846 Riverside, was one of 300 Michigan applicants selected by data-processing machines to receive licenses for the state of Michigan's Dec. 5-13 elk hunting season.

SCRIMMAGE ACTION — like this will be available Friday night, when Plymouth, Redford, Taylor Center and Berkley meet each other on the Plymouth high school field.

The Sporting Thing

By Bill Nelson

Dick Egloff, an all-state end from last year and Dick Schryer, a throwing quarterback from last year, were the backdrop last Saturday for the Plymouth football team's Saturday morning scrimmage.

The two were lazily lobbing a football back and forth, while this year's prospects huffed and puffed under the direction of the Plymouth Coaching staff. Egloff was the best in the state at his position and is off to Arizona State for college and Schryer, who can heave the football well, is off to the University of Michigan where he is a hot baseball prospect as a pitcher and hitter.

Head football coach John M. Hoben observed the two and said, "You ought to be interviewing them." He has this way of lavishing credit on past performers, while lamenting over present prospects.

"I'm really concerned about this year's squad," he says. "I don't see a team on the schedule that we can handle easily and we have to come up with some brand new linemen." He observed that what he had to choose from was a very lightweight group.

(Incidentally, while Hoben struggles with his line problem, two local lads are regular tackles at St. Thomas in Ann Arbor and both weigh in at over 200 pounds).

This clearly puts the pressure on his affable line coach, John McFall, who has been with him every year in Plymouth. McFall, of course, is also the coach of Plymouth's championship swimming teams. He has a way of getting the most there is from his charges, and in that fact may lie the hidden strength of a line that on paper, at most, look inexperienced.

Plymouth is well stocked at the end position and enjoying a good year with experienced backfield talent two deep in every position.

Hoben says, "Gary Grady (the Captain 'this year') may be the best halfback in the state," and then adds, "It's too bad that we don't have something up front to show the way for him."

In Measure for Measure, Act IV William Shakespeare said, "They say best men are moulded out of faults. And, for the most, become much more the better for being a little bad."

The task that is coaching may have never been put more succinctly.

This is no mean schedule that Plymouth plays in fact, many of the players go on to college stardom. Steve Juday is a case in point. For almost four years, he gave Plymouth fits with his performances for Northville. He's slated to be the number one quarterback for powerful Michigan State this fall.

Swim Club Calls For Fall Practice

The first fall practice for the Plymouth Swim Club is scheduled for 6 p.m. Sept. 14. There are categories of competition for boys and girls 15 and under, 12 and under and ten and under.

The only requirement is that the youngsters already know how to swim, according to Paul Cummings who made the announcement today.

A meeting for parents of the swimmers is scheduled for 8:30 in room 101 of the High School on Sept. 23. Herb Woolweaver, John McFall and Cummings, all members of the Plymouth Recreation staff, will meet with the parents.

The course runs Monday, Tuesday and Saturday for

eight weeks. Monday and Tuesday sessions will be held at 6 p.m., while Saturday practices will be at 10:30 a.m. The fee for the course is ten dollars.

Two Aces

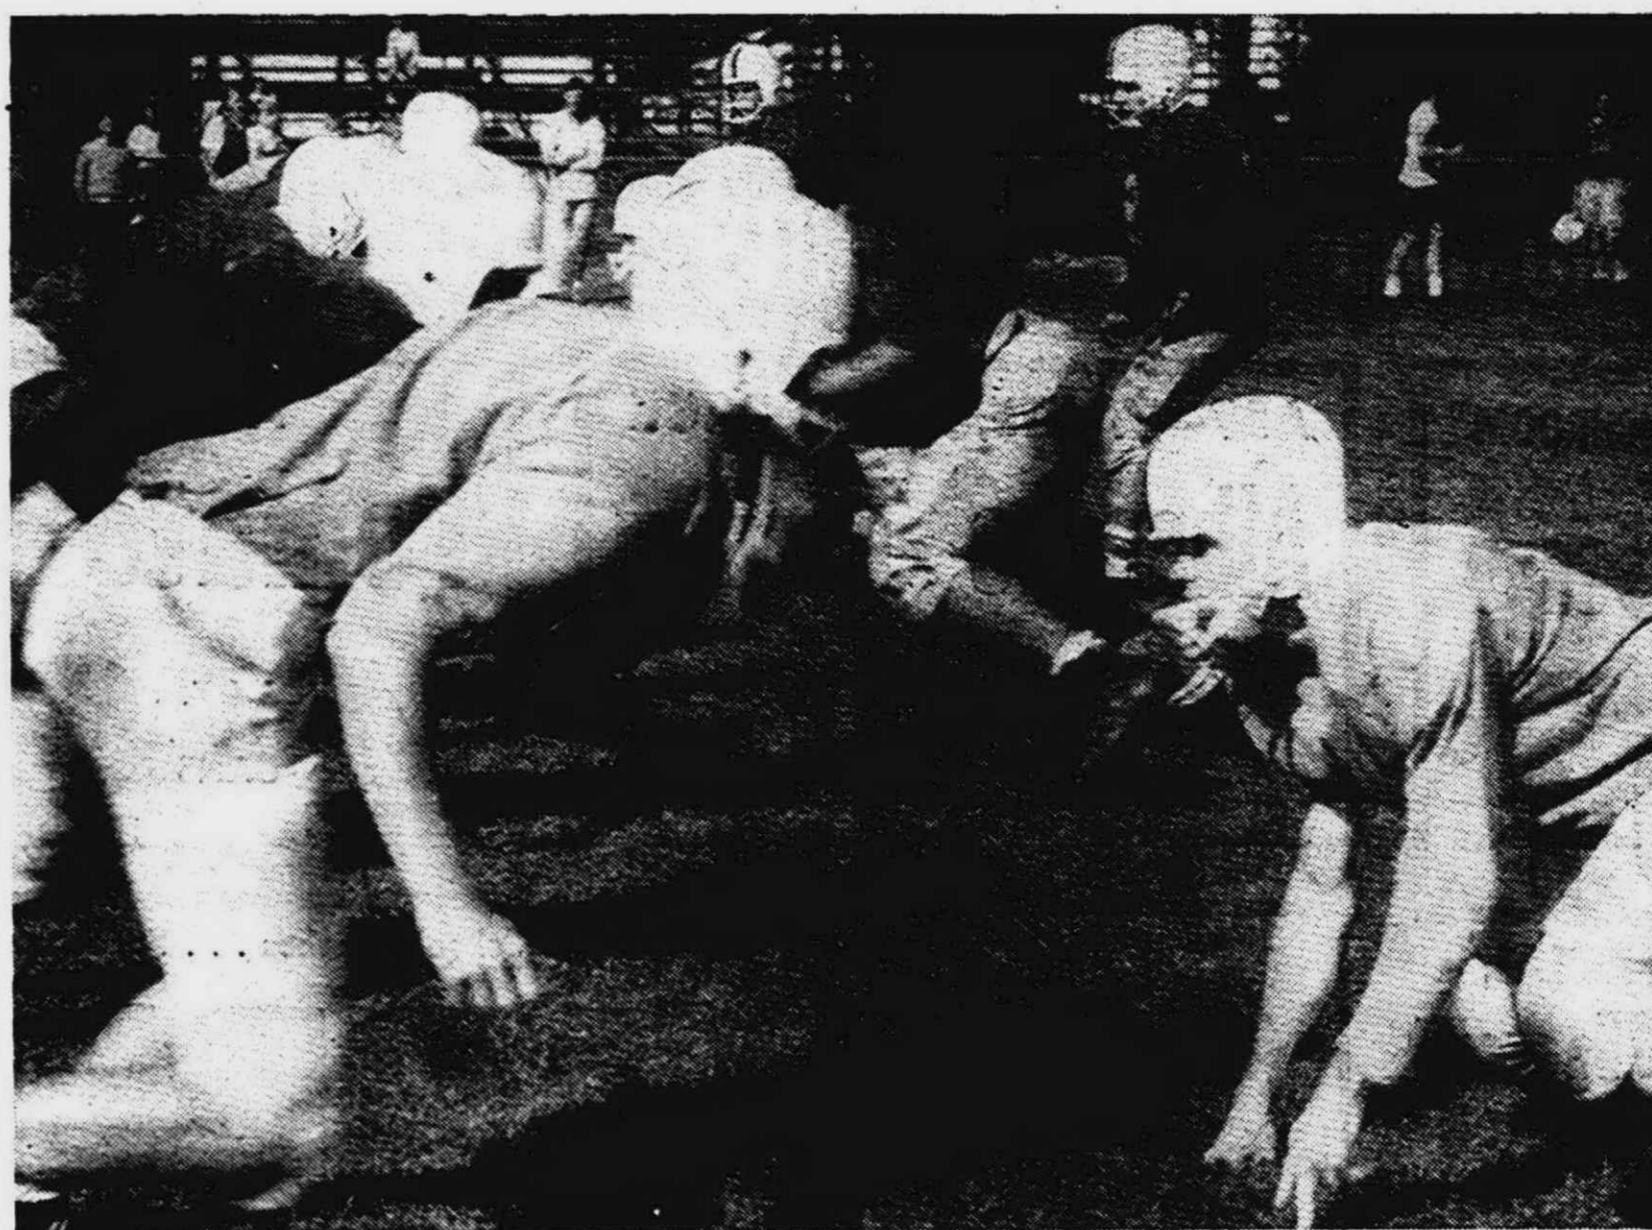

Two aces were shot over the water and at Salem Hills Golf Course on the hole considered by experts to be the most difficult at the links. Golfersaced the 205-yard, number three hole on Saturday and Sunday. On Saturday, William J. Davis of Detroit blasted a hole-in-one on number three. His feat was duplicated on Sunday by another Detroit golfer, James McGuickin.

Lake Pointe News

By Nancy C. Bartley — 453-8457

The Leonard Dobies family, of Greenbrook Ln., recently entertained Mrs. Dobies' sister Mrs. Don Koonec and children Diane, Valerie, Doug and Patti from Greenfield, Ind. Mrs. Koonec is originally from the Detroit area so she enjoyed the week's stay visiting with relatives and friends.

Mr. and Mrs. Edward Marshman and children Sharon, John, Chris, and Pamela spent one week of their vacation in Northern Ontario at the Sparrow Lake Lodge. The Marshmans returned to their home on Lakewood Dr. and the three older children are preparing to start the new school year.

Rick Baron, of Russet Ln., and Hal Watson, of Huntington Dr., spent a week of their summer vacation with Jeff Thomas, a former Plymouth resident who now lives in Atlanta, Ga. Both Rick and

Hal will be seniors at Plymouth High School and are varsity football players.

Recent arrivals to Lakepointe are the American (Rico) Bianchis and their three children Ricky, 10, Dawn 7, and Mark 19 months. The two older children will attend Farrand School this September. The Bianchis are a native Ohio couple and moved here from Beria, Ohio, a suburb of Cleveland, and are now residing on Greenbriar Ln. Mr. Bianchi is employed with the Ford Motor Company. Mr. and Mrs. Bianchi were active in Beria community activities.

Mr. and Mrs. Dick Lauterbach and daughters Beth Ann and Carrie, of Greenbrook Ln., spent two weeks vacationing on Lake Higgins in northern Michigan. They enjoyed boating, water skiing and evening camp fires to get

acquainted with other vacationers.

Ricky Emens, of Greenbriar Ln., celebrated his sixth birthday Wednesday, Aug. 26. Attending the party were David Foote, Derik Wheaton, Jerry Link, Ronnie Atkinson, Eddie Pariseau, Paul Slack and Randy Emens. Bruce Hudliff was unable to attend as he was bowling with his Cub Scout Troop 862.

Mr. and Mrs. Arland Harris and children Linda, 15, and Phillip, five, from Louisville, Ky., have moved into their new home on Greenbriar Ln. Mr. Harris is employed by the Ford Motor Company.

"It's a small world," so Mr. and Mrs. Tom Lemble and family Janet, Kathy, Mary and Karen, of Russett Ln., are saying after meeting their neighbors of Greenbrook Ln. Mr. and Mrs. Jack Kreig and boys Robbie, Ronnie, and Ike at the foot of the Washington Monument in Washington, D.C. Both families visited many spots of interest while in Washington.

The Lakepointe mixed bowling league will start its 1964-65 season at the Plymouth Bowl on Friday, September 11 starting at 7:20 p.m. Any resident of Lake

pointe who would like to join this league as a substitute bowler please call John Lewks, 453-4872, or Mrs. Pete Varroni, 453-9441.

Mr. and Mrs. Herman Maier and their three children Janet, four-years-old, Stephen 13, and John, seven, have just moved into their new home on Greenbriar Ln. The Maier family moved to Lakepointe from Ann Arbor. Mr. Maier is employed by B & K Hydraulic Co. in Livonia.

One of the most friendly ways to meet newcomers to an area is to have a morning coffee hour. Mrs. James Thomas, of Greenbriar Ln., invited her new neighbors Mrs. George Nelson, Mrs. D. Harris, Mrs. Herman Maier, and Mrs. Rico Bianchi. Also there to welcome the new residents were Mrs. Don Reid, Mrs. Howard, Mrs. Stanley Malin, Mrs. A. Reynolds and Mrs. James Wright.

With the annual membership drive for the Lakepointe Homeowners Association almost completed, members are reminded to attend the family picnic Saturday, Sept. 12, starting at 3 p.m. at Gungolly Mill on Edward Hines Parkway. Social chairman

Mrs. Fred King said that all food arrangements are completed and the menu includes hot dogs, sloppy joes, baked beans, potato chips, ice cream, coffee, beer and soft drinks. Serving will begin at 4 p.m. Assisting Mrs. Fred King are Mrs. Larry Spagnola and Mrs. Donald Dugger. Members are reminded by President Dick Bailey to bring their membership card and register in order to be eligible for the door prizes to be given away at 5 p.m. The secretary for the association Doris Lemble stated that anyone that has not joined can obtain their membership at the picnic. In case of rain the alternate site will be the Pavilion on Wilcox Lake.

TOASTMASTERS SET MEETING

On September 14, 1964 at 7:00 p.m. at Hillside Inn, the local club of Toastmasters International will hold the first meeting of the new season. The club, open only to men, is dedicated to improving public speaking abilities by actual practice. Visitors are cordially invited to observe the proceedings. For information call Bill Dilworth at GA 2-9223.

Arbor-Croft News

By Betty Radcliffe — GL 3-6340

Arbor-Croft neighbors welcome the James Surratt family to their new home at 1301 Palmer Ave. The Surratt children are Carole, 9, Linda, 7, Nancy, 4, and Susan, 1. Mr. Surratt is personnel manager for the Detroit division of the Kroger Company. The Surratts who formerly lived in Livonia for six years, were transferred here from Toledo.

Mr. and Mrs. Ted Dolengowski of 1461 Palmer Avenue enjoyed several days in Kalamazoo visiting friends.

They also had a family vacation at a cottage on Bear Lake near Grayling.

Mr. and Mrs. George Jackson and their son vacationed at a cottage on Houghton Lake for two weeks. The Jacksons live at 1448 Palmer Ave.

Mr. and Mrs. Robert Boshoven, 1341 Palmer, and their four children spent several days in Cedar Point, O., last week. The children visited the amusement park on Lake Erie which has been described as a miniature Disneyland.

Mr. and Mrs. George Johnson, 1417 Palmer, had as their week-end guests, Mr. and Mrs. Arthur Radke and son from Milwaukee, Wis.

The Phillip Kelley family, of 1427 Ross Ave., spent most of the summer at their cottage on Island Lake near Gladwin.

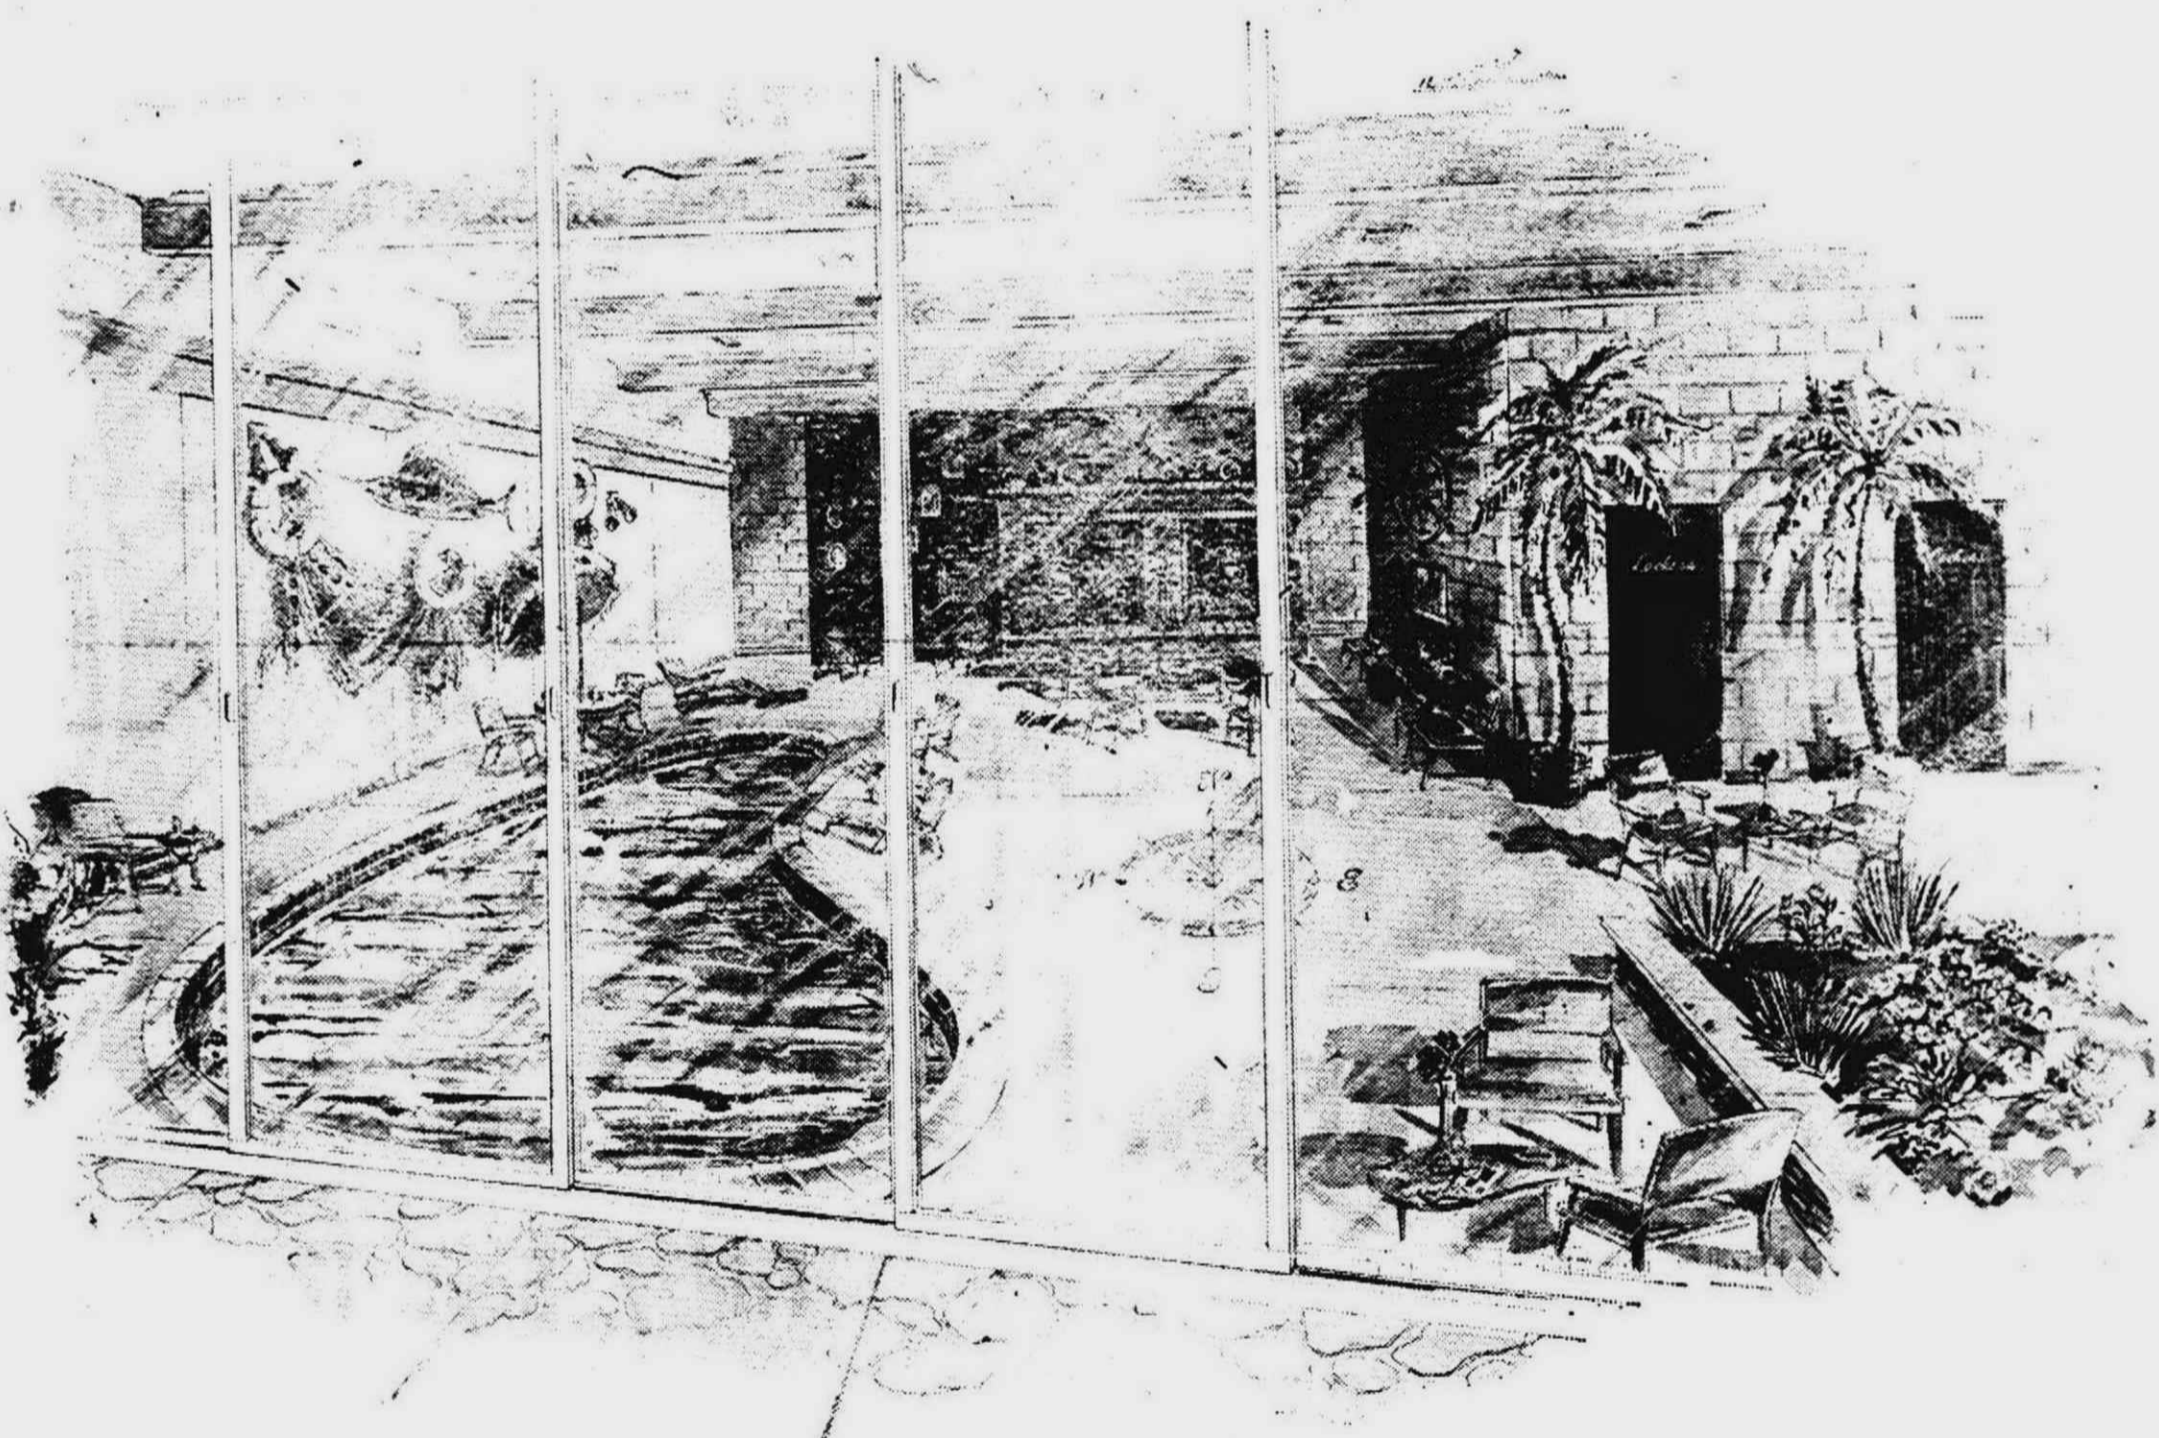

Mr. and Mrs. Eric Childs and Mr. and Mrs. John Egan were co-hosts at a steak fry for the couples who were the first residents of Arbor-Croft. Included were the Norbert Battermanns, Donald Bidwells, Gordon Andrews, George Johnsons, William Kennedys, Ted Dolengowskis, Boyden Muzzys, and Edward Burkardts.

Join us, we'll be swimming year 'round, snow or sunshine, at Brookdale Club's indoor pool, or lounging in swimsuits beside the fireplace, near the pool. Sunshine will find us on the balcony over the stream, toasting. When thoroughly relaxed, we'll join the group in the upper level Family Room, around the grand piano, then dance a bit, read a while, play some bridge, meet new people, and later enjoy the comforts of our apartment; one bedroom, carpeting, drapes, washer and dryer in the bathroom, stream view, and all appliances, including a built-in vacuum system, shopping a two minute walk. All this for \$140.00, including heat. Furnished units at \$167.00. 31831 Grand River, Farmington. Thomas A. Duke, George A. Duke, Jr. 474-7284.
