

## EDITORIAL:

### We must meet our Problems locally

A comprehensive look at the proposed 3 1/4 millage increase, to be voted on next Monday, must go beyond the boundaries of The Plymouth Community School District.

Any citizen weighing his decision, to be fair, must have the perspective and foresight to broaden his horizons and extend his thinking from the local area to the state, national and international scene.

For, in a real sense, what you do as an elector of this school district has international meaning.

Few persons, having analyzed the issue, can deny its necessity. Exploding population in The Plymouth Community has forced upon us the responsibility for assuming a greater burden to provide for the education of our children.

More teachers are needed, more textbooks are necessary and the demands of modern society make it imperative that we enrich the educational opportunity offered our youth.

Our arch-competitor, The Soviet Union, enforces upon its people a high-quality, technical education. There, in direct opposition to the precepts of theoretical Communism, a chosen intellectual elite — screened for party loyalty — is given the background necessary for the USSR to make industrial and technological strides.

Behind the Far East's bamboo curtain, Red China has developed nuclear weapons. Its population, now approaching one billion in number, is having education of one sort or another provided.

But here in Plymouth, in Michigan, in America, we have chosen to do things differently.

At least, we have until now.

We have chosen to rely on the intelligence of the electorate, the property owner, to provide for the education of our people and perpetuation of our way of life. We have relied upon the conscience and sense of obligation of the individual.

Hopefully, we shall continue to do so.

Here in Plymouth, many of us are willing and eager to criticize Federal expansion into local territory. Monday, March 29 will show whether we feel a personal responsibility to assume the obligation that is ours.

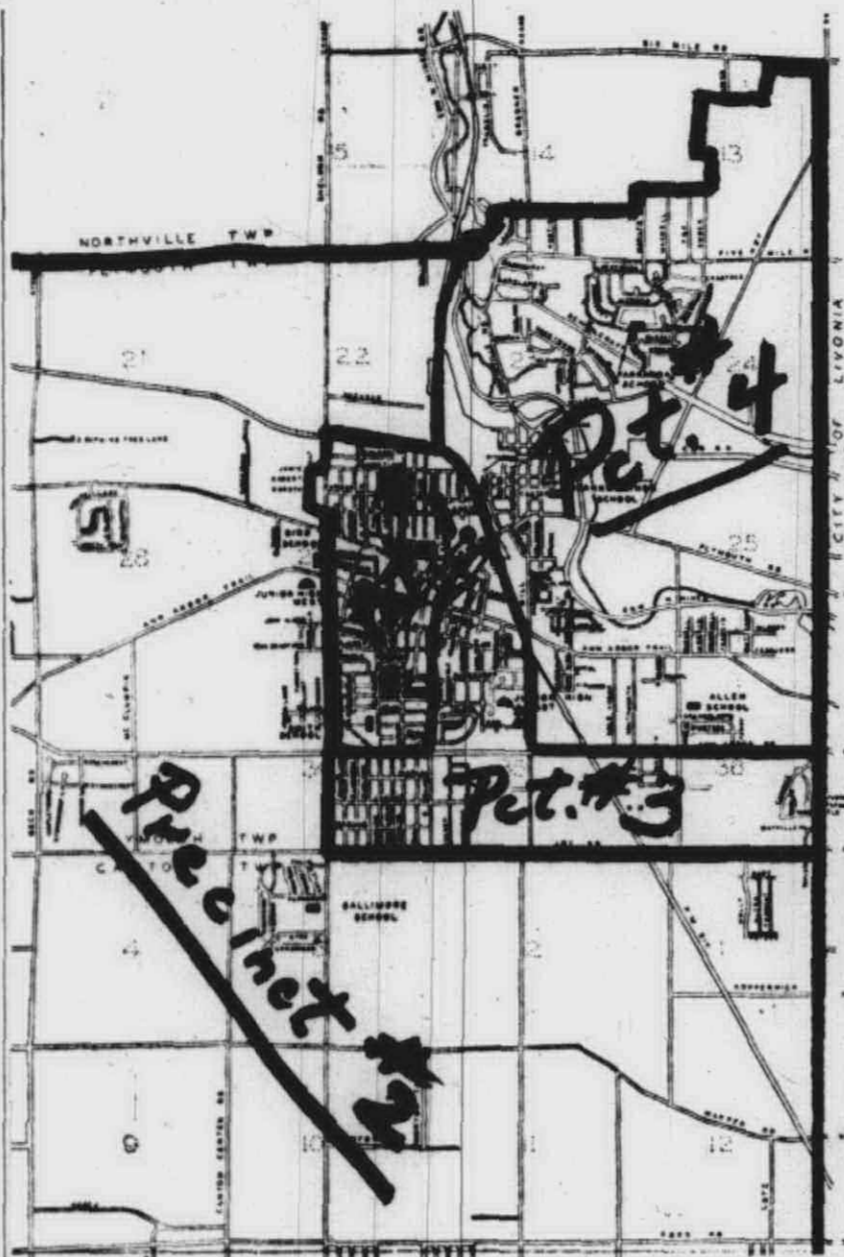

Because, if local people in Plymouth and Detroit, in Podunk and Squedunk, fail to make adequate provision for education, State and U.S. Government will.

It is for this reason that The Plymouth Mail urges passage of the millage requested by school officials. Beyond that, we urge a "yes" vote because a need exists and a vacuum must be filled.

In past weeks, this newspaper has detailed the problems that face our school district.

It now becomes the duty of everyone who owns property in this community, including The Plymouth Mail, to face up to the problems and meet them head-on at the local level.

It is our responsibility, our responsibility, to vote "yes" next Monday and unselfishly provide necessary funds to maintain quality education in The Plymouth Community.

**WHERE TO VOTE!** This map shows the three precincts in the City and part of the fourth precinct, which covers most of the area in the school district. Not shown are the parts that extend deep into Canton Township and the western section that goes into Salem Township. People in this precinct, Precinct No. 2, vote at the Gallimore School on Sheldon Road. Precinct No. 1 votes at the High School, Precinct No. 3 at the Township Hall and Precinct No. 4 at the Starkweather School (see story, this page for explanations).

## 100 Attend Sheltered Workshop

Nearly 100 people attended the JayCee sponsored Town Hall on a Sheltered Workshop for the mentally retarded held at Junior High East last Tuesday.

The group is seeking to build a workshop where local mentally retarded can be trained vocationally, guided and cared for.

Building facilities are being sought for the workshop and several buildings in the Plymouth-Livonia area are being considered.

Another meeting has been tentatively set for March 30 to set up a study committee. A permanent board of directors will be set up later on.

At least 40 individuals at the meeting expressed a desire to continue in the project and offered their services.

Basically, the workshop program gives the mentally retarded a place to be given work and a productive existence.

The annual house-to-house school census will seek those needing assistance. Questions (Continued on Page 8)

## Swim Club Systems Are "Go"

All systems are 'go' on Colony Swim Club's plans for a pool in Canton Township.

The board of directors has about \$40,000 in its coffers and will go ahead with the plans. They will meet with architects this week, and have been meeting with pool builders.

June 15 has been set as an opening day. Pool building (Continued on Page 2)

## In a Nutshell . . .

★ The City of Northville voted Monday night to allow the Detroit Water Board to use water right-of-ways through the city for a line down Sheldon Road to Five Mile Road. This will allow Plymouth Township to complete its water circuits in that area. The City of Northville OK'd permits for the project, which is expected to be started April 15. The move was called "a terrific development for that area of the Township" by Township Clerk John McEwen, Tuesday.

★ The area recreation site committee met last week and continued discussions on possible avenues of action. A tentative meeting with a representatives of the Detroit Regional Planning Commission has been set for April 8.

★ The Republican Party of Plymouth will hold coffee hours for Farrell E. Roberts, Republican candidate for the Senatorial seat from the 14th State District on March 26. One will be at the home of Mrs. Jean Barnett, 9411 Marilyn, Arbor Village, beginning at 1 p.m. followed by a second one at Mrs. Wells Smith's home at 15015 Maplewood, Lake Pointe Village, at 2:30, both located in Plymouth Township. Roberts will be available to answer questions concerning his candidacy and to discuss any issues relative to the 14th State District.

★ The bonds for the Township's sewer and water projects have been sold to the John Nuveen Co. in Chicago with 3.47% interest rate on the water bonds and a 3.46% on the sewer bonds.

# Millage Issue Vote is Slated For Next Monday, March 29

Voters will vote March 29, next Monday, for an additional 3 1/4 mills for operating expenses for the Plymouth Community Schools to use during the next two years.

The millage was made necessary, for the most part, by sheer increases in enrollment.

The burgeoning school enrollment, expected to be at 7,000 in the district next year, will require more teachers, classrooms and service personnel. And it's more of the same the year after with enrollment projected at 7,800 for the fall of '66. The millage would be

assessed over a five year period. The proposed increases for next year — \$470,000 — include money to hire additional teachers for enrollment increases, money for normal salary increments and about \$125,000 for program and capital improvements and an esti-

mated three per cent, across the board, increase for all employees of the school district.

The increases for the following year — \$438,000 — are for the same thing, except no money is slated for capital improvements.

The requested increases are based on a projected enrollment increase of 708 students next year and another 800 students the year after.

The millage issue pays only part of the estimated increases, the rest coming from increased state aid due to increased enrollment.

A breakdown of the additional \$470,000 for next year shows \$280,000 will be needed to staff and operate more classrooms — classrooms needed for more students.

Another \$56,720 covers normal built-in salary increases.

The remainder of the money — \$125,000 — would be slated for a typing program in the junior high, use of IBM data processing for scheduling students, personnel for the physical fitness program, lighting the football field at the High School, black topping the High School parking lot, improvements at Junior High West and the Farland School library.

## PLYMOUTH JAYCEES:

# Voice Support for Passage of Issue

Plymouth JayCees have voted unanimously to support the millage issue and conduct a telephone campaign for votes in the upcoming school election. The endorsement came at last Monday night's regular meeting.

The group will actively support the 3 1/4 millage request and has urged individual members to call at least 15 people, asking their support for the proposal.

The group also strongly supported the proposed salary increase for teachers, feeling it necessary for maintaining quality schools.

Superintendent of Schools Russell Isbister issued a statement Tuesday urging passage of the millage:

"THE PASSAGE of the millage is absolutely essential to maintaining a quality education program in Plymouth schools. The need has been studied carefully by a citizens advisory committee, by the staff and the board. Taking into consideration the anticipated growth and current operating cost, this is a minimum program."

## Richwine to be Local Rotary's Third Governor

At Rotary's district 640 meeting, March 19-20 in Windsor, Ont., Perry Richwine, well-known Plymouthite, was selected as the district governor nominee.

He is the third man from the Plymouth club to be elected to the post. Others were George A. Smith in the late-1940's and Frank Henderson in the mid-1950's.

Richwine will be installed June 1 at the international convention in Atlantic City, N.J. He will take office July 1.

District 640 is made up of 13 clubs in the United States and Canada.

Before being elected district governor-nominee Richwine had served as president of the Plymouth Club, governor's representative and as the Plymouth Club's representative to six international conventions.

## IN STATE MEETS:

# PHS Instrumentalists, Vocalists Win Honors

In competition held here and in Marshall, Mich., Plymouth vocal and instrumental musicians walked off with eight first division (superior) ratings on Saturday.

The Plymouth High School Choir, under the direction of Fred Nelson, received a first division rating at the District IV Choir and Glee Club Festival held at Plymouth High School.

In Marshall, at the annual State Solo and Ensemble Festival, first division ratings were awarded to Cornelia Delaney, flute solo; Don Burleson, euphonium solo; David McGuire, oboe solo; Ed Jones, tenor saxophone solo; and Norm Fischer, cello solo.

## SCHOOL PRECINCT NO. 4

Starkweather Elementary School  
550 North Holbrook  
PTA groups from all the schools have also been seeking support for the millage proposal. They have held a r d speakers from the school board and have passed out brochures explaining the issue.

Kiwanis, Rotary and Chamber of Commerce have all heard speakers from the board.

## Scattered Opposition To Millage Appears

Scattered opposition to the proposed 3 1/4 mill increase for school operating funds

shaped up last week as reports of anonymous telephone calls circulated through The Plymouth Community.

School officials said the calls were apparently designed to promote negative votes against the millage proposal.

Reports indicate that the phone will ring in a home and, when answered, a voice will say:

"Did you know that driver education teachers are paid four dollars per hour?" Then the receiver goes dead as the caller hangs up.

In other activities, apparently related to the millage proposal, school board members met Saturday morning with the man who led a successful drive to swamp an April, 1962 millage issue.

Kenneth Bisbee of 440 N. Harvey St. appeared before the board of education to protest what he felt were undue expenditures for playground supervision, elementary and secondary lunchroom supervision and athletic coaching.

BISBEE exhibited a chart of figures which he said represent (Continued on Page 2)

# Improvements to Ease Crossing Snags — C & O

A \$1.5 million program of improvements may ease rail crossing problems which have plagued The Plymouth Community, according to Chesapeake and Ohio Railroad General Attorney Edward H. Goodman.

Goodman spoke Monday evening at a Detroit-area C & O Employees' Better Service Conference held at Lofy's Restaurant.

"This Plymouth-Livonia complex is the busiest area on the entire railroad and the C & O is, at present, planning improvements which will cost \$1.5 million and which we know will ease the crossing problem," Goodman said.

Explaining the railroad's side of the grade crossing problem, Goodman told his audience that it is as troublesome and costly to the railroad as to the people in cars whose way is blocked by the train.

He emphasized that the railroad did not treat the problem lightly and was constantly working to alleviate the problem.

"Rolling warehouses" is how Goodman described the relationship of railroad box

cars to many large manufacturing plants. He said deliveries and switching are geared to the particular plant's operations so that production is kept going.

"ON OCCASIONS, railroad

operations to serve industry and to keep production going have resulted in blocking grade crossings," Goodman continued.

Increased population, automobiles and prosperity have magnified the problem,

Goodman said. As increases occur, they mean increased carloads of freight for the railroads. And, just as no community can always keep abreast of the demands of a

(Continued on Page 8)

GATHERED AROUND THE speaker's podium at the C & O Railroad Employees Better Service Conference Monday evening at Lofy's were, left to right, General Chairman Mrs. Geraldine Rorabacher, speaker Edward H. Goodman, C & O general attorney, Mrs. Richard Wernette and Mayor Wernette.

INSPECTING THE INSIDE of the old reservoir, located at the end of Reservoir Rd., off Edward Hines Dr., Saturday morning were, left to right, Acting City Manager Kenneth Fisher, City Commissioner James Houk, Department of Public Works Superintendent Joseph Bida and Mayor Richard Wernette. The men were looking at the reservoir, drained of water, to determine if it were worth patching and using.

## Roberts Close Romney Aide

**EDITOR'S NOTE:** Between now and the April 5 general election, the Plymouth Mail will carry news releases from the two candidates for State Senate in the 14th Senatorial District. Below is one from the campaign headquarters of Farrell E. Roberts, Republican hopeful.

"My election to the 14th Senatorial seat is of the utmost importance to every citizen of this district, regardless of party affiliation," said former State Senator, Farrell E. Roberts.

"At this late date, to have adequate representation, this district must have a senator who has had previous experience and 'knows the ropes,' so to speak. Three months ago has already gone by the boards as far as the 14th district is concerned, making it just that much more necessary for the vacant seat to be filled by an experienced representative," Roberts added.

A former Republican State Representative for four years and State Senator for four years, Roberts established an impressive record during his tenure.

In addition to serving as one of Governor George Romney's closest legislative advisors during the past two years, Roberts authored and

sponsored the new Court of Appeals bill and Community Mental Health Law and served as chairman of the Senate Committee on Judiciary.

According to a research analysis report issued by Lloyds Inc., of East Lansing, Roberts was credited with the passing of 8.75 bills during 1963 and with 8.02 bills during 1964, according to the report, the next highest number of bills passed by individual legislators was less than four bills.

**THE REPORT** explains that bills passed is a very good indication of the "production abilities" or "hard work" accomplished by a member.

Roberts' attendance record, too, is creditable; during 1963 he was absent only four days and missed only 33 roll calls out of 650. In 1964 he was absent only 5 days and missed only 36 roll calls out of 634.

Described by Lt. Gov. William Milliken as one of the most important tacticians and statisticians in the state, Roberts, a resident of West Bloomfield Township, formed a law partnership, Dieterle & Roberts, in 1954; was admitted to the U. S. Supreme Court and Court of Military Appeals in 1956 and has served as assistant Oakland County Prosecuting Attorney and as Justice of the Peace.

C. D. WAGNER (center), 1290 Maple Ave., was honored by the Shell Oil Company for outstanding performance as a real estate representative in Michigan. As a result of his achievements in 1964 Wagner was chosen from more than 100 employees for membership in the company's Galaxy Club, their top sales group. He is shown receiving his award and congratulations from C. A. Foster, Jr. (left), midwest marketing vice president, and N. H. Miles, Shell's Michigan division manager. Wagner has been a Shell employee for 19 years.

### WHAT DID YOU PAY FOR ANTIBIOTICS 25 YEARS AGO?

25 years ago you couldn't buy antibiotics at any price. Neither could you get tranquilizers, steroids, radiophosphorus, polio vaccines, nor a host of wonder drugs that are now commonplace.

That's why it isn't logical to say, "Prescriptions cost more than they used to." Most of today's drugs weren't available 25 years ago. In fact, over three quarters of the prescriptions written today, are for drugs that didn't exist ten years ago.

Today, Americans spend only one cent from every disposable dollar on drugs. This is no more than in 1939. Also, today's drugs work faster. They are more efficient. They do much to reduce your total cost of illness. That's why we say: "Today's prescription is the biggest bargain in history."

## Scattered Opposition

(Continued from Page 1)  
Presented expenses in other school systems, as compared to Plymouth, for these activities.

Claiming that expenses in three areas, alone, accounted for \$15,400 annually, Bisbee noted:

"That very definitely disturbed me. It still disturbs me." He suggested that co-curricular activities be put on a "volunteer" basis and cited a volunteer choir at the church he attends as an example.

Superintendent of Schools Russell Isbister's analysis of Bisbee's figures showed glaring inaccuracies and drew this admission from him:

"I didn't have the time, didn't take the time to go into it."

Board member Robert Uter, pointing to former head football coach John M. (Mike) Hoban as an example, said he felt teachers should be compensated for extra hours they put in.

"We must ask ourselves," he said, "are we being fair to these people?"

Noting that Bisbee was an insurance man, board member Carl Schultheiss asked him if he expected to be compensated for contacts he made during evening hours. Schultheiss argued that the same principle applied to educators for extra work.

Board President Gerald Fischer told Bisbee the board

of education was cognizant of the threat to the system that The Plymouth Community's skyrocketing growth rate represents.

"I WOULD agree wholeheartedly," Fischer said, "that we should make such improvements as we can." Fischer detailed programs within the system to improve curriculum and commented:

"We have held the line and not increased taxes, except three years ago, since 1956." Fischer said the board has maintained budgetary and fiscal control that is better than any other similar district he could think of.

"Now," Fischer pointed out, "we are at the point where an 11 per cent growth rate is hitting us." He said the request for 3 1/4 mills was necessary to "hold the line" on quality.

At the close of the meeting, according to school officials, Bisbee declined to indicate whether he was actively opposing passage of the millage proposal.

### DRIVE-IN ROBBED

About \$125 in petty cash was taken from the Burger Chef Drive-in on Main Street sometime early last Sunday. According to City police, the building was broken into. The incident is under investigation.

## Swim Club

(Continued from Page 1)  
ers have indicated that if they can get a contract by April 1, they can be ready by June 15.

A final membership meeting will be held this Thursday at Jr. High East at 8 p.m. All the present members will be there to go over final plans.

The site of the pool is approximately in the center of the school district, near Beck and Gyde Roads.

**CONTRACTS** for the bath house and decking will be let locally, as will landscaping work.

The Colony Swim Club sells a membership for \$300. Each member family gets one vote in the corporation. After April 1, the membership fee goes up to \$400.

To date, the club has drawn membership from all over the Plymouth Community.

The pool, bath house and picnic area will cost an estimated \$100,000. The land has been properly zoned by the Canton Township Board.

Tennis courts and a shuffleboard area are planned for a later date.

## PHS Instrumentalists

(Continued from Page 1)  
participating were required to perform two prepared numbers before three judges and an audience; then they proceeded to a closed-door sight-reading test. All this adds up to a comprehensive test of singer and director alike.

The annual festival is sponsored by the Michigan School Vocal Association. The District Chairman is Richard Judd of Lincoln Park. The Festival Chairman was Fred Nelson of Plymouth.

Most northern point in Labrador is Cape Chidley, on an island at the entrance to Hudson Strait.

Rich Yrltrench, Anglican Archbishop of Dublin who died in 1886, was a gifted poet and language expert.

Thermal springs at Wiesbaden in West Germany have been famous since the days of the Roman occupation.

## Fischer Urges C of C Members to Vote 'Yes'

Plymouth Community School Board President Gerald Fischer urged Chamber of Commerce members present at a special meeting this noon (Tuesday) to consider favorably the millage question that school district voters will cast ballots on Monday, March 29.

The school district has asked voters to approve a 3 1/4 mill increase in school taxes. These funds will be used to provide additional teachers, and other personnel, more instructional supplies, more transportation as well as money for operating new facilities, Fischer said.

Other expenses to be met with this increase will be possible wage and salary increases, staff and equipment expenses for program improvements and existing salary schedule increments and credit hour allowances, he added.

Since 1956, the voters have approved only one other millage increase, according to Fischer, in 1962. He also pointed out that Plymouth will still be below the median tax rate for 15 neighboring districts if the increased millage is approved.

GUESTS AT MONDAY evening's Better Service Conference for C & O Railroad Employees included left to right, Joseph Hudson and Tom Notebaert of J. L. Hudson Real Estate Co., and Mrs. Edward Goodman. The C & O and the Community was the speech given by general attorney Edward Goodman.

**Third Graders Visit TV Studio**

Mrs. Ethel Perkins' third grade class at Gallimore School traveled to television station WTVS, channel 56, March 15 to watch the taping of a program. The entire process was explained to them, Mrs. Perkins said.

Two of the students, Vivian Williams, daughter of Mr. and Mrs. Ralph Williams of Brookline St., and Ricky Eberts, son of Mr. and Mrs. Harry Eberts of Canton Center Rd., will appear on the program, "All Aboard for Reading," when it is broadcast April 28.

The children watch a television program three days a week as part of their learning experience. "Understanding Numbers" is on Mondays and the reading program is on Wednesdays and Fridays.

The program teacher Mrs. Ruth Harrell and two others from the studio told the class they would come to Gallimore the day this particular lesson is broadcast to watch it with them, Mrs. Perkins said.

Before the group left the studio Mrs. Perkins received a gold key, "key to reading," for her desk and the children were given key bookmarkers.

**ANTIQUE SHOW**

The annual Great Lakes Antique Show will be held in Detroit's Masonic Temple, Wednesday, March 31 through Saturday, April 3. The show with exhibits of 55 dealers will be open daily from noon until 10:30 p.m. (Saturday, the doors close at 9 p.m.), and admission will be one dollar.

**Presbyterian Women Set White Breakfast Program**

The 16th annual White Breakfast, a Lenten observance, sponsored by the Women's Association of the First United Presbyterian Church, will be held Wednesday, April 14 at 9:30 a.m. and will be closed at 9:30 a.m.

Dr. W. Glenn Harris, minister of the First Presbyterian Church of Birmingham, will be guest speaker.

"When Jesus Entered History" will be his topic.

W. Allen Shaffer, assistant organist and choirmaster of the Plymouth church will present a recital. Numbers will include "Fantasia in C Minor" by Bach, "Three Settings of the Passion Chorale" and "Priere" by Franck.

"Christ Went Up into the Hills" by Richard Hageman, will be sung by Mrs. James Warten, vocal soloist.

Co-chairmen for the breakfast are Mrs. Donald Urquhart and Mrs. W. E. Ackerman. Other committee members are Mrs. Lawrence Becker, dining room; Mrs. Thomas Adams, breakfast; Mrs. Coolman, decorations; Mrs. Richard Newton, tickets and publicity and Mrs. H. L. DeMeritt, restoration.

Tickets are available to all from Association Board Members or by calling Mrs. Richard Newton, 453-4707.

**Dr. W. Glenn Harris**  
The morning will begin with a program in the sanctuary, and breakfast will follow in the dining room. Doors will be open early.

**Engaged**

**Betty Hartman**  
Betty Jean Hartman's betrothal to James Richard Thomas, son of John F. Thomas of Ford Rd., and the late Mrs. Thomas, has been announced by her parents Mr. and Mrs. Walter Hartman of Pigeon, Mich.

The bride-elect graduated from LuArt Beauty Academy, Bay City, and is employed at Turney's Hair Styling Salon, Saginaw.

Mr. Thomas, a 1964 graduate of Michigan State University, is a drafting engineer for the Eaton Manufacturing Company, Vassar, Mich.

The couple will wed April 24.

**ENGAGED**

Mr. and Mrs. Albert Barnes of Ann Arbor Rd., have announced the engagement of their daughter Evelyn to Elwyn Hinderer, son of Mr. and Mrs. Clarence Hinderer of Jackson.

Miss Barnes is a senior at Plymouth High School. Her fiancé is self-employed in farming.

No wedding date has been set.

**IN BETWEEN speaking engagements in the 14th state senatorial district Mrs. George Romney and Mrs. Farrell Roberts, wife of Republican candidate for State Senator from the district stopped at Hillside Inn for lunch with several district representatives. **Rotary Anns Plan Annual Easter Lily Sale April 9-10**

Rotary Anns have scheduled their annual Easter Lily sale for Friday and Saturday, April 9 and 10.

Children from Plymouth's public and parochial schools have volunteered to sell the lilies made by handicapped persons, on Friday from 4 p.m. until 8 p.m. and Saturday from 9 a.m. until 3 p.m.

Proceeds from the sale will be donated to the Easter Seal Society of Western Wayne County.

Chairman of this year's event is Mrs. Warren Bradburn. Her co-chairman is Mrs. Carl Hopkins.

**Camp Fire Girls Mark Birthday**

In Plymouth the Happy, Helpful and Singing Blue Bird groups have decorated Davis and Lent's window and the Ma-Ha-Ta Camp Fire group has decorated Sherman Williams window in celebration of the 55th birthday of the national organization.

Also, many families attended the Wa-No-Su district birthday dinner at Roma Hall.

In other activities, the Ma-Ha-Ta (Helpful, Happy and Doing Projects) group has selected Indian names, a new Blue Bird group has been organized and meetings are being held to organize more groups.

Ma-Ha-Ta member's names are Susy Armstrong, Kan-i; Peggy Bradburn, Wa-di-tak; Martha Crumie, Ma-ku-al-a; Linda Davis, Tan-da; Michelle Dean, Ta-o-no-mi; Laura Macqueen, E-ha-wee; Val McClain, Pa-shu-ta; Debbie Mettetal, Wa-di-pa; Kathleen Meier, Ra-pa-sun-ta; Kathy Touhey, Ne-wa-ka-hi; and Stephanie Weimer, Wi-no-ta.

Guardian Mrs. William Touhey is Pe-da-ki-ya, and assistant guardian Mrs. Wayne Weimer, is Shu-ta.

The group also is designing symbols about their blue ceremonial vesta.

A new group of Blue Birds, "The Honeybee Bluebirds," has been organized by Mrs. Philip Larrabee. Group sponsor is Mrs. Fred Jackson.

Mother and daughter meetings are being held in Farland, Bird, Smith and Junior High School East to discuss the possibility of starting more groups for girls in second grade through high school.

**Irene Markham and Donald Carson Speak Wedding Vows**

On March 13, Irene Malloy Markham became the bride of Donald Wayne Carson in a candlelight ceremony performed by the Reverend R. N. Raycroft in the Church of the Nazarene.

The bride, given in marriage by her brother, Ronald Markham is the daughter of Mrs. Earl Markham and the late Mr. Markham. Her husband is the son of Mr. and Mrs. Harold Carson of Gilbert St.

A gown of peau with appliques of imported Alencon lace and seed pearls was worn by the bride. Her fingertip silk net veil was held by a crown of Alencon lace and pearls. She carried white orchids with

cascaades of stephanotis and ivy.

An apple green gown of shantastic with emerald trim was worn by matron of honor, Mrs. Blain Ashby of Plymouth. Her flowers were yellow tea roses. Bridesmaids, Mrs. James Erwin of Pontiac, Mrs. Dale Welton of Plymouth and Linda Stonerock of Wayne, wore gowns identical to the matron of honor. Their bouquets were pale yellow sweetheart roses.

Gary Carson of Plymouth, was best man for his brother. Seating guests were Dale Welton of Plymouth, Robert Yeager of Livonia, and Kenneth Mohl of Ann Arbor.

Flower girls were Laura Ann Markham and Dawn Marie Markham, nieces of the bride. They were dressed in daffodil yellow chromspun and organza with bouffant floor length skirts. Steven Carson, brother of the bridegroom, was ring bearer.

The bride's mother received guests at the Knights of Columbus Hall in a pink silk dress with matching accessories. Mrs. Carson chose a beige crepe dress with an overcoat of lace and matching accessories. Both mother's courageses were orchids.

After a trip to Puerto Rico Mr. and Mrs. Carson will live on Coolidge St.

**TREFOIL DOINGS**  
by Faye Langert

The 32 girls from the Huron Valley Girl Scout Council who are training for Roundup are divided into four patrols of eight girls each. Patrol I is known as the "Net-Alls."

The girls in this patrol are Faye Langert and Ann Whitesell from Plymouth, Jean Nevins and Margaret Rogers from Ann Arbor, Patricia Dopkowski from Brighton, Leota Kyko from New Boston, Janix Coe, who is the assistant patrol leader from Saline, and Rachel Baker, who is the patrol leader from Wayne.

In order for each girl to share in the responsibility for the operation of the patrol, each is given a certain job to do, commissary manager, equipment manager, sanitation manager, health and safety manager, recorder and transportation manager.

The theme, "Net-Alls," is derived from their demonstration which is netting. This is one of the oldest craft known to man, dating back to earliest prehistoric times.

The main materials needed for netting are a shuttle (plastic or wood), a mesh stick and nylon cord. You start the process by looping the cord around the mesh stick until it is entirely looped. With more cord wrapped around the shuttle, it is then passed behind one loop at a time and making a knot.

This process is then repeated on all the loops. When you reach the end of the mesh stick it is turned over and you begin again, always working left to right. For their demonstration they plan to make a large hammock.

Each patrol also has the responsibility of making its own flag and aprons. The insignia which is placed on the flag must also be painted on the banners for the tents.

**FRIENDS MEET**

Former Plymouthite Lewis Vargha of Seattle, Wash., met a former Plymouth High School friend Bruce Green at Boeing Aircraft in Seattle where Vargha is in economic research. Mr. Vargha and his wife and four sons recently moved to Washington from Hawaii.

**The Old Timer**

# Why All the Fuss About Voting Rights?

By Jacquie Town

As I read about incidents in Alabama and elsewhere across the nation, I can't help but pause and wonder why all the fuss? If this sounds pessimistic, it is. Unfortunately, facts bear me out in my feelings.

The papers read like a war story.

People are denied the rights of our Constitution. They are beaten and badgered and the entire nation echoes sympathy. People say "It's a terrible thing that's happening in Selma." or "No one should be denied the right to vote."

Yet these same people, or a good share of them at least, fail to exercise the right that has come so easily to them.

The lack of interest in American government is all too obvious by our voting records.

Of 4,700 registered voters in the City of Plymouth, only 711 voted in the February primary, according to City Clerk Richard Schafer.

I wonder how many of the remaining group voiced disapproval at the Selma problem. The 4,700 number indicates quite clearly that everyone in Plymouth is not registered. To be a registered voter in the City is as easy as paying your water bill. You simply enter the City Clerk's office, give you name, address, birth date, last address, and sign your name.

To vote is even simpler. All you do is sign your name and pull the levers. Less waiting time than that spent at the check-out counters of the grocery.

As Schafer pointed out, the City Hall is within a mile range of almost every resident in the city, so accessibility is not a major problem.

The people of Selma are marching 50 miles simply to express their desire to vote. A group of Farrand school parents protested the school's conditions, and yet many of them failed to vote during the last school election. They are responsible parents, interested in their children's welfare and education. I only hope they will express their responsibility at the voting machines.

Editorials in The Plymouth Mail often predict a small turnout at the polls. Most of its predictions turn out to be correct. National elections invariably draw a larger number of voters to the polls. People seem to be more concerned with the top than the bottom. Have you ever seen the bottom fall out of a cup or a glass? Then you know what happens to the top.

Two elections are coming up in very close proximity:

The millage issue comes before the school voters, both city and township, on March 29, and the City General Elections are to be held in April. How many of you could answer the questions:

Who is running for the offices? What are the qualifications these people have for the job? How do you stand on the millage issue? Have you given this increase sufficient thought and consideration?

Whether your personal answer is for or against, means very little except in the final tally of the votes. If you fail to cast a ballot, then your answer is meaningless. Perhaps it is too easy for us to vote.

Maybe if we were placed in a position where that right were jeopardized, we would be more eager to take advantage of it. How would you feel if someone knocked on your door with rifle in hand, and demanded that you go to the precinct and vote for his candidate? Not very receptive, I imagine.

And yet everytime you stay away from the polls, that's exactly what you're doing, voting for the other guy's man.

There are times when I wish I had wisdom beyond my years, that there was some magical phrase that would inflame everyone to the point of real interest in government. But no one has yet succeeded in fighting public apathy.

Maybe the leaders in Selma will find in a few years, that they have won the right to vote, but unfortunately, it is not exercised too often.

It won't be the first time.

TALKING AT THE A.A.U.W. luncheon Saturday afternoon at the Round Table Club are, seated left to right, guest speaker Mrs. Bette Whitely, Plymouth branch President Mrs. John Moehle and Mrs. Arthur Haar, and, standing left

to right, Mrs. Robert Webber and Mrs. Robert Gilmore. "Tax Reform in Michigan" was Mrs. Whitely's topic. She is secretary-elect of the Michigan division and chairman of the tax structure committee.

## Africa and Me

### NY Longshoremens Strike Reaches Deep into Africa

By Lon Dickerson

No one denies American labor the right to demand higher wages and better working conditions. Strikes have become, in fact, a long accepted practice.

Occasionally people have to go without newspapers or buses for a few days. No serious harm is done, however, and we get along without them. Once a settlement is reached the services are resumed and the company continues to prosper.

The economies of newly independent countries such as Sierra Leone are not that stable. Strikes are very rare. If they do occur, an outsider would be inclined to say that that was their own problem. And they are right.

But what happens when a labor strike not within their control disrupts the economy and daily lives of their people? Perhaps it just illustrates the point that, today, what happens in one corner of the world affects people in other parts of the globe.

It is my opinion, though, that another explanation is more accurate in explaining the recent dock strike in New York. The Longshoremens are an important part of the American economy. But because New York is an important international port they also affect and control a large part of world trade.

The recent strike in point is a flagrant and unwarranted disrespect for this latter role.

As a person living in a country affected by that strike I have been going for several weeks without magazines, newspapers, and other like items which are sent by ship rather than by air. Like newspapers and buses back home, being without them is something which can be accepted.

But what about the doctors who had to treat sick patients after their

medical supplies were exhausted? Such is not the case in Sierra Leone, but it could have happened in other countries.

There is at least one commodity in this country which is affected. And its absence is conspicuous every hour of the day. That commodity is wheat.

Because of its climate Sierra Leone has to import all of the wheat it consumes. Most of it is imported from the United States.

Wheat has many uses, the most important one being the making of bread. In a country where the vast majority of people live on a low standard of income, bread is as important a part of their diet as rice.

Now bread is no longer available, and the people know why.

At first bread disappeared from the stores. So people went directly to the bakeries whose supply of flour got lower and lower each day. Then one by one the bakeries began closing. There are still a handful of them open in Freetown. But their number is not sufficient to feed a metropolitan population of 128,000.

The lines of people waiting to buy bread are like what I imagine the American soup lines of the early 1930s were like. What bread is bought is at a higher price than before. And when the supply that was baked that day is exhausted, many people go home emptyhanded.

America is doing something about its race problem image. Now what is it going to do about its Longshoremens' image?

I'm not advocating that labor forfeit its right to strike. What I am suggesting is that they use more restraint when a strike would be in conflict with the national or world interest.

## Forum to Hear Michigan Rights Commissioner

Michigan Civil Rights Commission Director of Education Mrs. Rita A. Scott will speak at the April 1 Chamber of Commerce Businessmen's Forum.

"The Role of State Government in Achieving Civil Rights" will be her topic at the 12:10 luncheon meeting at Hillside Inn.

Mrs. Scott was appointed education director in September 1964. The division is responsible for the development and promotion of affirmative voluntary programs in the areas of employment, public accommodations and public schools.

Mrs. Rita Scott

PRIOR to her present position Mrs. Scott served as assistant and, later, supervisor of the Education Division of the Detroit Commission on Community Relations, and as management assistant of the Detroit Housing Commission.

A Detroit resident, Mrs. Scott holds a B.A. degree, with honors, in psychology from the University of Michigan and has done graduate studies toward a masters' degree in clinical and educational psychology at Wayne State University.

Married to Albert J. Scott, she is the mother of two boys.

### Case Dismissed

A breaking and entering charge against Richard Dahmer, 20, 1135 Starkweather was dismissed recently for lack of evidence, according to police. Dahmer had been charged with a February 14th break-in at George's Party Store.

## TREASURES FROM

# Plymouth Pantries

An excellent Lenten dish "Lobster a la King," was suggested this week by Mrs. T. I. Cook, 14830 Cherry Ln.

The Cooks, who have lived in Plymouth about a year and a half, have a five-year-old daughter, Kathleen. She is an indergartener at Farrand School.

Members of Lake Pointe Bowling League, they bowl every Friday evening.

The recipe is easy to prepare and it may be served over either toast or in pastry shells. Mrs. Cook suggests serving it with a salad and lessert.

### LOBSTER A LA KING Serves Six

- 3 lobster tails
- 1/4 C. butter
- 1/4 C. flour
- 2 C. milk
- 1 tsp. salt
- 1/2 tsp. paprika
- 2 cans (3 ozs. each) mushrooms, drained
- 1/2 C. chopped pimento
- 12 puff pastry shells

Drop frozen lobster tails into boiling, salted water. Cook two minutes, drain and drench with cold water.

Cut off thin underside membrane and remove meat from shells; cut into bite size pieces.

Melt butter in saucepan, stir in flour and milk gradual-

ly. Cook over low heat, stirring constantly until smooth and thickened. Add salt, paprika, mushrooms, pimento and lobster. Heat five minutes. Serve over hot pastry shells.

ADDING INGREDIENTS to her "Lobster A La King" is Mrs. T. H. Cook of Cherry Ln. You can serve it either in pastry shells or on toast, according to Mrs. Cook.

## Door Dates Back 25,000 Years

"I am the door: by me if any man enter, he shall be saved," said Jesus (John 10:9)—and this is only one of many mystical references to doors in the Bible. Doors, in fact, have played a key role in both history and folklore for thousands of years. From ancient gold ones to modern steel ones, they have told the story of man and his progressing civilization.

Anthropologists label the door as a child of necessity, estimating its origin more than 25,000 years ago. Some pre-historic cave dweller, tired of protecting his refuge

from wild animals, must have pushed or pulled a solid object—probably a rock—across his entrance, sealing off the outside world . . . and the door was born.

Since then, doors have been a vital component in every building design. They have been constructed of innumerable materials in all sizes and shapes from simple animal skins to the magnificent entrances of the Roman Pantheon of the Second Century A.D. They have been as light as Persian tapestries, as heavy as the immense boulders sealing the pyramids.

Religion, justice, government, business, practically every phase of man's life has been affected by the door. Martin Luther nailed his history-making 95 Theses to the church door in Wittenberg; the Jewish Passover feast evolved from the "passing over" of the ancient Hebrews' homes by the Angel of Death, their mark of security being blood of a lamb sprinkled on the door. The Rothschilds, celebrated European family of bankers, got their name from a red shield on their door in Frankfurt, Germany.

Secret doors have also played a large part in the past. Such doors, made to look like part of a wall, saved the life of many a fleeing tyrant, permitted political re-

fugees safe escape, and even contributed to extra-curricular love affairs of the more enterprising kings.

In the United States, the history of doors reflects the vital story of our young country. The charm of the simple plank doors of the colonists, stained from the weather, today still depicts the crude yet ambitious character of the early Americans. Later, through development of architectural styles common to periods in American life, such as provincial, the door revealed the vitality of the growing country.

## Canton Fires Down in '64

Canton Township's fire alarms increased in 1964, but fire losses decreased by 14%, stated Fire Chief Fred J. Korte Jr. in his annual fire report to the Canton Township Board and the State Fire Marshal.

Canton's fire loss in 1964 was \$15,707 as compared with

\$59,104 in 1963. A decrease in dwelling fires from 28 to 19 contributed to the reduction in fire losses in 1964.

The number of fire alarms responded to was 157 in 1964, as compared to 138 in 1963.

During 1964 the fire department responded to 63 grass

fires, there were 72 in 1963. Grass fires are the department's major problem in the Township and 45 of them were caused by careless burning of rubbish.

Automobile fires increased during 1964 to 17 to top the total of 7 for 1963.

### Short Stuff

In November 1943, United States Marines assaulted the island of Tarawa in the Southern Pacific.

The Kukri, traditional weapon of Gurkha troop, has a two-foot blade weighing about four pounds.

Fur of the yak, a wild ox of Tibet, is exported to western countries to make Santa Claus beards.

The Union Stockyards at St. Boniface, Man., largest in Canada, has a daily capacity of 25,000 head.

# Improvements to Ease Crossing Snags - C&O

## 100 Attend Sheltered Workshop

(Continued from Page 1) concerning the problem will be included in the survey.

Tuesday night, the group heard C. J. Nelson, Director of "New Horizons" in Birmingham. The "New Horizons" is a form of sheltered workshop.

A panel consisting of Nelson, Anna Jung, Plymouth Family Service; Norman Hill, Director of Detroit Metropolitan Advisory Committee; William Boyd, Community Relations Director, Plymouth State Home; B. Antunucci, Division of Vocational Rehabilitation and George Conover president of the Plymouth Association for Retarded Children answered pertinent questions through moderator Robert Clogg, president of the Livonia Association for Retarded Children.

SITTING TOGETHER AT THE C & O Employees Better Service Conference, Monday at Lofy's were, left to right, Plymouth City Com-

missioner A. E. Vallier, Mrs. Vallier, Mrs. James Jabara and Commissioner Jabara.

(Continued from Page 1)

rising economy, neither can the railroad.

He added all the railroad can do, just the same as the community, is to try to keep up with the demand and upgrade facilities as fast as possible.

"The railroads want to be good neighbors, but it seems as though we are being asked to serve as whipping boys," Goodman said, launching into a brief discussion of impending legislation in Lansing.

A grade crossing elimination bill requiring railroads to pay for the costs of such work in all communities over 10,000 population would cost approximately three billion dollars, of which the C & O's part alone would be 782 million dollars, according to Goodman. He said the total cost is three times the budget for the State of Michigan and the C & O's share is equal to 17 times its 1964 earnings for its entire system.

If the legislation now before the Senate and the House at Lansing is enacted there won't be any trains, freight or passenger in Michigan," Goodman said.

He said when the C & O attempted to cut passenger service between Detroit and Grand Rapids, the Public Service Commission and others opposed it because the trains were necessary.

SOME COMMUNITIES also want to restrict the speed of trains going through the community so that it would be slower than that of automobiles and trucks passing through.

Contributions the C & O has made to the Plymouth and Livonia communities, according to Goodman, include:

(1) Employing more than 100 persons at the Plymouth yard with a payroll of more than \$1 million.

(2) Locating several major industries in the area, such as Western Electric, General Motors Parts Warehouse, Wolverine Storage Company, General Foods, Ford Motor Company plant and Kroger Distribution Warehouse;

(3) Purchasing materials and supplies approximating \$2,130,000 from local industries such as Evans Products, Bathey Mfg. Co., Transport Containers, Paragon Bridge and Steel Company during 1964;

(4) Paying \$1,893,475 in property taxes to the state of Michigan which was turned over to the state's primary school system including area schools.

He said he believes the railroads and communities are tied together and thus it is to the advantage of both to work as partners. Goodman explained that most industries need railroad service and therefore before locating new plants and offices heavily weigh the availability of such service in making their decision.

THE PURPOSES of these conferences, which are held four times each year, according to General Chairman Geraldine Rorabacher of the Plymouth yard office, includes promoting better understanding between employees in different fields and trying to improve relationships between employees and shippers and also between the railroad and industries and communities in which they serve.

Among those present at the meeting were Plymouth Mayor and Mrs. Richard Wernette, City Commissioners A. E. Vallier, James Houk and James Jabara and their wives; Acting City Manager and Mrs. Ken Fisher; Assistant chief of Department of Public Safety and Mrs. Loren Johnson.

Other guests included Judge and Mrs. Harry Deyo, Rev. Henry Walch who gave the invocation; realtors Joseph Hudson and Thomas Notebaert and Plymouth Community School Board President and Mrs. Gerald Fischer. Railroad officials from Grand Rapids, Saginaw, and Cleveland and Detroit were also at the dinner meeting. "C&O and the Community" was Goodman's topic.

Done Jose Alvarez, famed Spanish sculptor, who died in 1827, was the son of a stonemason.

# SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF PLYMOUTH COMMUNITY SCHOOL DISTRICT WAYNE AND WASHTENAW COUNTIES, MICHIGAN

TO BE HELD

**MARCH 29, 1965**

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that a special election of the qualified electors of Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, will be held in said district, on Monday, March 29, 1965.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK, P.M., EASTERN STANDARD TIME.

The following proposition will be submitted to the vote of the electors qualified to vote thereon at said special election:

Shall the limitation on the total amount of taxes which may be assessed against all property in Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, be increased by three hundred twenty-five thousandths of one per cent (0.325%) (3¼ mills) of the assessed valuation, as equalized, of all property in said school district for a period of five (5) years, from 1965 to 1969, both inclusive, for the purpose of providing additional funds for operating expenses?

THE VOTING PLACES ARE AS FOLLOWS:

- PRECINCT NO. 1  
Voting Place — Plymouth High School, 650 Church Street
- PRECINCT NO. 2  
Voting Place — Gallimore Elementary School, 8375 Sheldon Road, Canton Township
- PRECINCT NO. 3  
Voting Place — Plymouth Township Hall, 42350 Ann Arbor Road
- PRECINCT NO. 4  
Voting Place — Starkweather Elementary School, 550 Holbrook Street

Each person voting on the proposition to increase the total tax rate limitation must be a citizen of the United States, have attained the age of 21 years, and have resided in the State of Michigan six months and in the School District 30 days next preceding the election.

Only persons registered as electors in the City or Township in which they reside are eligible to vote.

STATEMENT AS REQUIRED BY ACT 293 OF PUBLIC ACTS OF 1947 amending the Property Tax Limitation Act

I, Louis H. Funk, County Treasurer of Wayne County, Michigan, do hereby certify that, as of February 10, 1965, the total of all voted increases in excess of the Constitutional fifteen mill tax rate limitation and the years such increases are effective are as follows affecting the taxable property of Local Unit:

PLYMOUTH COMMUNITY SCHOOL DISTRICT, WAYNE AND WASHTENAW COUNTIES			
Portion lying in Plymouth, Canton, Northville Townships and Plymouth City Wayne County, Michigan			
Local Unit	Date of Election	Voted Increase	Years Increase Effective
County of Wayne	Apr. 4, 1955	.75 mill	1965 to 1969 inclusive
	Sept. 1, 1964	1 mill	1965 to 1969 inclusive
Township of Plymouth	Aug. 3, 1954	.6 mill	1965 to 1968 inclusive
	Mar. 28, 1956	4 mills	1965 to 1975 inclusive
	Apr. 6, 1959	.5 mill	1965 to 1978 inclusive
Township of Canton	Mar. 28, 1956	4 mills	1965 to 1975 inclusive
Northwest Wayne County Community College Dist.	June 11, 1962	1 mill	1965 to 1981 inclusive
Plymouth Community School District	Mar. 28, 1955	7 mills	1965 to 1974 inclusive
	June 30, 1962	5 mills	1965, 1966
	Nov. 25, 1963	(3.5 mills)	1965 to 1968 inclusive
		(4.5 mills)	1965 to 1969 inclusive

MAXIMUM INCREASES IN EFFECT

Year(s)	1965	1966	1967	1968	1969	1970 to 1974 inc.	1975
Mills:	27.85	27.85	22.85	22.85	18.75	12.50 each year	5.50
Years:	1976 to 1978 inc.		1979 to 1981 inc.				
Mill(s)	1.50 each year		1 each year				

Date: February 10, 1965 Signed Louis H. Funk  
Wayne County Treasurer

I, Sylvester A. Leonard, Treasurer of Washtenaw County, Michigan, hereby certify that, as of February 11, 1965, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, in any local units of government affecting the taxable property located in Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, is as follows in Washtenaw County.

By Washtenaw County:	1.25 mills, 1953 to 1972, inclusive
By Superior Township:	None
By Salem Township:	None
By the School District	7 mills, 1965 to 1974, inclusive 3.5 mills, 1964 to 1968, inclusive 4.5 mills, 1965 to 1969, inclusive 5 mills, 1965 and 1966

By Northwest Wayne County Community College District: 1 mill, 1962 to 1981, inclusive  
Sylvester A. Leonard  
Treasurer  
Washtenaw County, Michigan

This Notice is given by order of the Board of Education of Plymouth Community School District, Wayne and Washtenaw Counties, Michigan.

Esther L. Hulsing  
Secretary, Board of Education

## NOTICE TOWNSHIP OF NORTHVILLE ANNUAL MEETING

Notice is hereby given that the next ANNUAL TOWNSHIP MEETING of the residents of the Township of Northville, County of Wayne, State of Michigan, will be held on SATURDAY — APRIL 3, 1965 — 1 P.M. AT THE NORTHVILLE COMMUNITY BUILDING West Main Street, Northville, Mich. A PUBLIC HEARING will be held on the 1965-66 Budget of the Township. Copies of such budget are available for public inspection at the Township Hall.

Marguerite N. Young  
Northville Township Clerk

(3-23 - 3-30-65)

## Planners Deny Two Auto Wash Petitions

Petitions for two different auto wash installations were denied at last Wednesday's meeting of the Plymouth Township Planning Commission.

The first, involving a rezoning of land on Northville Road where the old Cavalcade Inn was located, was denied after hearing a recommendation from the Commission's planner W. C. Johnson. Johnson felt the land was needed for industrial use, and that the erection of an auto wash on the site would create traffic hazards because of cars lining up for the wash.

Residents near by also voiced objections. The petition was being sought by Earl Smith.

The other auto wash, requested by John Guettler, 1182 Dewey, was a coin-oper-

ated self-service type. Again, the Commission felt that construction on the particular site (on Main St. south of the Pure Oil station) would create traffic problems.

Commission member Austin Stecker felt it was a good idea but the site was too small, leaving too little room for traffic pile up.

HOWARD OLDFORD, who is part owner of a similar operation in Lansing, was in the audience and explained that he has seen as many as 25 cars backed up to use his facilities. He also said he felt his wash didn't have enough space for parking.

Following a comment from Johnson in which he explained that the site was too small, the Commission moved to deny the request.

Oldford and Sons request

for rezoning of the northwest corner of Sheldon and Ann Arbor Roads from residential to commercial was approved.

Oldfords plan to build a shopping center on the corner. As of now, all four corners there are zoned commercial.

Postiff Estates' request for rezoning of about 12 acres of land between Ann Arbor and Joy Roads was listed for public hearing. It was the third request on the part of the builders. The earlier requests sought rezoning of more acreage.

The Commission also sent to the Township Board the proposed Garden Apartment Ordinance change.

IN FINAL action, the Commission listed for public hearing a rezoning request from Richard Fritz. He is seeking rezoning of about 9 acres of land on the corner of Beck Road and Ann Arbor Trail.

The Commission then set another meeting for Monday, March 22 to handle its ever increasing load.

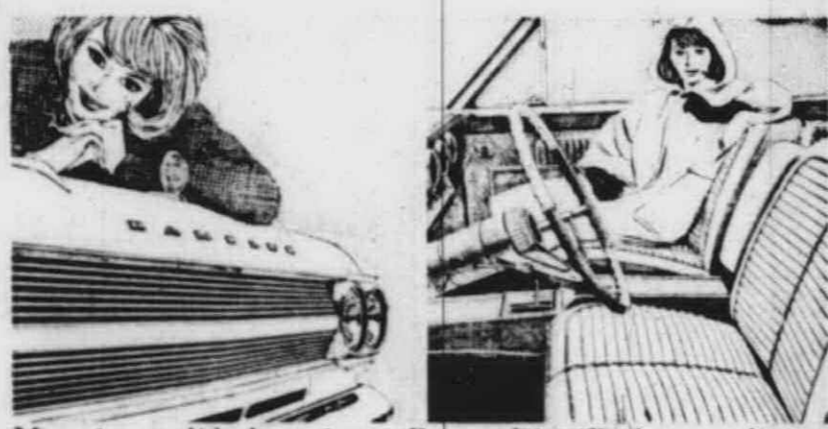

Woodbrook is on Sheldon road, between Parklane Estates and Plymouth Colony. Preliminary approval had been held up until Oldford's engineer Frank Barnes could present a plan for drainage of the land.

Twin Arbor is located north of Ann Arbor Trail. In other action, the Commission denied a rezoning request for a commercial site in Lake Pointe. The petitioner was seeking permission to erect a barbershop and professional office building between Robinwood and Huntington Drive on north side of Schoolcraft Road. Another special meeting was set for March 30 at 7:30 p.m.

Platinum, more valuable than silver, was originally found in a South American area now part of Columbia.

## Calvary Baptists Set Missionary Conference

The 20th annual Missionary conference of Calvary Baptist Church will be held March 27 through March 31.

The Rev. George Thomas, veteran missionary of the Un-evangelized Fields Mission, will be the main speaker. He has spent 25 years in Brazil

Rev. George Thomas

and is now deputy director for the mission in Canada.

Other conference speakers include the Rev. Charles Piepgrass, director of the Evangelical Fellowship, Mr. and Mrs. Victor Baker, who have recently returned from South Africa where they served under an African Evangelical Fellowship, and Mrs. Frank Downs, missionary to Jivaro Indians in Ecuador and author of the book, "Mission to the Head Hunters."

Films, such as "Children of Other Lands," "God in the Rice Potts," "What Makes a Missionary," "The Making of a Haitian Preacher," and "The Work of the Gospel in Iran," also will be shown.

A special youth service will be held Saturday. All the missionaries will take part in it.

Slated for Tuesday is a missionary prayer breakfast at 9 a.m. Piepgrass will give the devotional and a time of prayer will be held for missions and missionaries.

Sunday services will be held at 9:45 and 11 a.m. and 5:30 and 7 p.m. and week night services will be at 7:30 p.m.

The church's 1965 goal for missions is \$26,000. Last year the church gave \$22,600 to missionary causes, according to Rev. Patrick Clifford.

**Premium THRIVE**

WE GUARANTEE, WHEN YOU USE PREMIUM THRIVE—  
 You'll get the healthiest, greenest lawn you've ever grown  
 ...or we will refund all your money

Use Premium THRIVE now and we guarantee you'll have a beautiful, green carpet of grass. Your lawn will spring to life swiftly with new beauty, new health, lush green growth. Here's why:

Premium THRIVE contains 14 growth-stimulating ingredients—more grass-growing nutrients than any other lawn food. This insures thick, green, healthy grass. First, a two-stage nitrogen release sets powerful growth-boosters in motion for a quick green-up. Then there is a slow, continuous feeding release to keep your lawn at a peak of beauty for weeks. Soil takes on new stamina, lawn diseases are retarded. Grass grows so thick and healthy it chokes out pesky weeds—gives your lawn beauty you have never seen.

Results are guaranteed or your money refunded.

CANTON Township Supervisor Louis Stein (left) and Treasurer Philip Dingledey review their 701 master plan, which will come before the Canton public in a series of public hearings in April.

## 'WE'RE READY'

# Canton: Site of Next Big Building Boom?

Plymouth and Canton Townships are a study in contrasts. Plymouth Township has a bulging population, several hundred acres under development, and a handful of problems coming from growing pains.

Canton Township has a small population and is for the most raw farm land. Their immediate problems are few.

Canton Township, is, in effect, holding its breath and has been for at least three years.

Canton is waiting for the day when the bulldozers will turn the farm land into mud-filled new-home subdivisions. And, according to Township Supervisor Louis Stein, they are ready for that day.

Stein, an ex railroad contractor, is an old hand at township government and

thinks his township "is ahead of the game."

If master planning is any criteria, Canton is ahead. The final draft of their master plan was submitted by their planners Parkins, Rogers and Associates last month and comes up for a series of public hearings in April.

**PLYMOUTH TOWNSHIP**, facing severe headaches in zoning matters, has still to see the final draft of its master plan. Their plan, however, is expected to be in final form for a meeting of the Plymouth Township Planning Commission late in March.

Canton Township is ready for the fireworks that are sure to come when the master plan is up for public hearing. Meetings are scheduled for April 20, 22 and 26.

Basically, the plan calls for multiple dwellings to skirt along the new I 275 freeway on the eastern edge of the Township, with a area set aside for commercial use. Most of the general industrial use is south of Michigan avenue.

"We've stuck our neck out as far as we are going to for now," Supervisor Stein said in a recent interview. "We have 40 miles of water line and 4 miles of trunk sewer. We're ready to run sewers in on a tap charge."

Township officials indicated

they have bought sewer capacity on the River Rouge Sewer line for 30,000 by 1980, expecting 10,000 of them by 1970.

The first developer expected to be given building permits is Joseph Bloch, a Detroit developer. Permits for streets sewer and water have been issued to him already and he told township officials that he would start his 533-home Holiday Park this summer. The site is just south of the Plymouth Township line in the eastern corner of Canton. Bloch and several other developers have extensive holdings in Canton Township.

**ACCORDING** to Township treasurer Philip Dingledey, at least six big builders have been into their offices to discuss developments in Canton. They included Rose Hill, Kaufman and Broad, Durable Builders and Abe Green.

Both Dingledey and Stein figure about 60-70% of their Township is owned by developers. Many farmers in the area are renting their land.

The master plan, like the others in the area, was made possible by an enabling act in 1954 (Federal Urban Planning Assistance Program.)

The proposed plan also calls for a shopping center at the corner of Canton Center Road and Michigan Avenue. Nearby multiples are planned as buffer zones.

Both Stein and Dingledey.

## Canton Planners Come From Various Fields

The Canton Township Planning Commission has been wading through the Township's 701 master plan, getting ready to face local homeowners and developers who will be seeking building permits.

The 7-man commission is composed of:

Henry Holeyok, a representative of the Great Lakes Steel Corp. He's the Chairman.

Mrs. Pearl M. Doyle, Commission Secretary and a retired school teacher.

Grant Campbell, a masonry contractor.

Lynn Wilson, a building contractor.

Wesley Kaiser, a Detroit Edison executive.

## Marine Corps Appoints New Area Recruiter

A new Marine Corps representative, Sgt. Jim Cox, has been assigned to the Plymouth Community.

His office is located in the Veterans' Memorial Building, 173 N. Main St., and is open Monday through Friday, 8:30 a.m. to 4 p.m.

Originally from Houston, Texas, Cox has been in the Marine Corps for more than 12 years and is a veteran of the Korean conflict.

## Junior High West News and Notes

March 22 we had our Spring Concert. The audience heard selections from the seventh grade chorus directed by Knight Vernon, the seventh grade band directed by Lawrence Livingston, and the sixth grade chorus directed by Kay Swartzendruber.

The seventh graders received their report cards last Wednesday. There were happy smiles on some faces as they left school, but also some disconsolate frowns.

Seventh grade girls should watch for notices on the "Best in the West Charm School."

The Creative Writing class has just begun work on their stories for the first and second graders at Bird School.

The West Shamrock Band played at a festival March 13 in Saline. They were the only seventh grade band in class

United States Marines fought with such ferocity at Belleau Wood in 1918, that the Germans in their official reports referred to them as

We're Proud To Announce The Showing Of... Award Winning PORTRAITS

As judged last week at the convention of Professional Photographers of Michigan.

Among those accepted for exhibition were two of our Natural Oil Color Portraits, both winning special "Ribbon Awards" for fine quality, professional photography.

Mrs. Frederick B. Steiner and daughter Gretchen, of Ridge Rd., accompanied by Mrs. Steiner's mother, Mrs. Richard Everard Ypsilanti, and Mrs. Russell Magraw, Warren Rd., spent several days in New Orleans for the Mardi Gras.

Local Builder, Ralph Alloggi, and his wife, of Haggerty Rd., have returned home after a two-month absence, spent in Port De Paix, Haiti, where they had gone on an Evangelized Field Mission, Mr. Alloway to lend his help on construction and repairs on a missionary project in the mission compound. Mrs. Alloway spent her time helping the women missionaries in sewing and cooking. On their way home they spent two days in New Jersey, visiting Mrs. Alloway's sisters, Miss Myra Nell Knowlton in Edgewater and Mr. and Mrs. Lincoln Smith in Tenafly.

The Plymouth 4-H Livestock Club met Thursday evening, March 11, at the home of Mr. and Mrs. Russell Magraw for their monthly meeting. Gretchen Steiner gave the demonstration of an interesting breakfast tray for an ill child. The clothing-

Plymouth School Minutes

The regular monthly meeting of the Board of Education of Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held Monday evening, February 8, 1965, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, at 8:00 p.m.

Mr. Howell, speaking for the Farrand School parents who were in attendance and for others not present, voiced deep concern regarding the overcrowded conditions in the Farrand School and named specific improved instructional areas which are totally inadequate for good teaching. He directed questions to the Board regarding plans for the Farrand School Area. He noted also the projected population growth in the area and stated that, on an average, two children from each new home will be entering public elementary schools.

A number of questions were raised and answers given regarding the future plans of the Board to meet the population growth. Mr. Wendell Smith, Chairman of the Citizens Advisory Committee on School Finance, distributed to the Board Members copies of the Committee's Final Report. He discussed briefly the recommendations listed below:

1. Establish a Citizen's Facility Study Committee to examine in more detail the future needs of the district and develop recommendations covering at least the next five year period. 2. Develop a program for timely acquisition of sites for future schools especially a site for a second high school. The site acquisition should be accomplished within the present building and site sinking fund, if possible.

Mr. and Mrs. Elvyn French and son Dale and Mrs. Rose Smith, all of Canton Center Rd., spent last Sunday in Ypsilanti visiting the French's daughter and husband, Mr. and Mrs. Howard Shock and two children, Ronald and Ralph, to help celebrate the boys and their mother's birthdays.

Robert Glass, Jr. son of Mr. and Mrs. Robert Glass, of Beck Rd. has his right hand and arm in a cast having a fractured hand in an accident in the school gymnasium.

Mr. and Mrs. Perry Hix of Warren Rd., and Mr. and Mrs. Warren Hix of Wayne, were entertained at dinner and an evening of cards March 20, at the home of Mr. and Mrs. John Albertson, Maben Rd.

Mrs. Elvyn French of Beck Rd., was surprised March 17, by a visit of her two sisters, Mrs. Betty Shadle of Erie, and Mrs. Bessie Sondys of Toledo, and Mrs. Sondys son Gene, who is home on furlough from the Marines, in Vietnam, where he has been for several months.

Mrs. Russell Magraw of Warren Rd., was hostess for the Northwest 4-H Council meeting March 18.

Mr. Childs, a citizen in the Lake Pointe Area, expressed to the Board his appreciation for action taken to keep pace with the increased school enrollment.

Mr. Zalma, a citizen in the Lake Pointe Area, stated her strong conviction that school buildings should be located in wooded areas where children could enjoy the natural wonders.

Member Henry, Chairman of the Community Relations Committee, noted that the Committee was ready and willing to assist in interpreting the millage proposal. He agreed to establish a schedule and assign speakers to service clubs, PTA and other community groups that are interested in getting factual information about the millage proposal.

President Fischer noted that a mimeographed brochure financed from private sources explaining the millage issue will be prepared for distribution.

It was moved by Member Hulsing and seconded by Member Uter that the Board of Education of Plymouth Community School District approve and support in entirety the position taken by the Michigan Association of School Boards regarding fiscal reform with all its provisions, including the state income tax.

The motion was carried. The proposed 1965-66 budget of the Wayne County Intermediate School District submitted on January 22, 1965, was brought to the Board's attention. The Board determined that they were in agreement with and would support the budget as submitted providing the allocated millage was not decreased for the constitution school districts within the County.

The meeting adjourned at 10:22 o'clock p.m. Respectfully submitted, Esther L. Hulsing, Secretary Board of Education

V.F.W. Auxiliary

By Claudette Krumm

On April 7, Mayflower Auxiliary 6695 will be holding its annual "Luncheon Served" at noon. The price of the tickets is one dollar. For tickets call Mrs. James McKindles, GL 3-7036, or any auxiliary member.

Remember April 21 is the rummage sale. If you have things to be picked up call Mrs. Charles Skoglund, GA 7-9491.

Remember, too, that at the April 6 meeting we will be holding the elections for next year's officers. It is the right, obligation, and duty of each member to let her vote count. If you don't vote, then you are letting the auxiliary down, just as you would let the city, county, state, or National election candidates down for not voting in those type of elections.

Now, while you are thinking of it, sit down and write a letter to the two Michigan Senators on the important bills. Replies are needed by Legislative Chairman Mrs. William Cadaret, and the time grows short, so do it now. The two bills are H. R. 181, an amendment to Section 32 of title 38, United States Code, and H. R. 190-an amendment to Section 73 of Title 38, United States Code. Now is the time to write, so do it right now.

Two talks were given at our last meeting on women's rights, elections, etc., by Mrs. Gordon Edie and Richard Shafer.

At the last meeting the fourth district delegates and alternates were elected. Those elected were Dolly

Bouterse, Mrs. Charles Skoglund, Mrs. William Fletcher, Mrs. Jack Olsvater, Mrs. Oscar Luttermoser, Mrs. Duan Johnson, Mrs. Eileen Williams, Mrs. Barbara Lockett. The alternates are Mrs. Dorothy O'Reilly, Mrs. Jo Merritt, Mrs. Howard Town, Mrs. Shirley Leslie, Mrs. A. Drake, Mrs. Hal Young, Mrs. Bob Smith, and Mrs. Eddi Olson.

The Marine Corps Band is the only military force which cannot be transferred from the Washington, D.C. area without the express permission of the President.

THE BIBLE SUNDAY 9:45 A.M. SPEAKS TO YOU CKLW - 800KC

Come to Church Sunday

BALANCE It is said of a certain friend of ours that he went off the deep end. Strange expression, that! It can mean that a person had a mental breakdown, or that he became a sort of fanatic; or it can mean simply that he got too interested in one thing to the exclusion of other important matters.

And the very fact that our generation has coined such an idiom is indicative of the fact that we see such tragedy every day. One of the vital contributions of religion to life is its gift of balance. The knowledge of God helps a man see all else in its proper perspective. In a day when millions are caught in turbulent crosscurrents, faith points to the true center of existence... worship steadies the mind and heart!

Table with columns for Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday and church names like Our Lady of Good Counsel, The Evangelical Lutheran Church, etc.

Mr. and Mrs. Gary Crawford and Mr. and Mrs. Thomas Taylor. During their stay the three couples went shopping and sightseeing in the Plymouth area. Mr. and Mrs. Taylor and Mr. Crawford were members of the Braun's wedding party two years ago.

Mrs. William Bevier, 40718 Pinetree Rd., attended a get-together of the Newcomer's afternoon bridge group. The gathering was held March 18, in the home of Mrs. Donald Stacy, 9009 Rocker.

Judy Laitinen, 40585 Pinetree Rd., 12-year-old daughter of Mr. and Mrs. Edsel Laitinen, traveled to Saline, Mich. on March 13 with the other members of the Junior High West Band. This was the first time she had participated in the school's annual Spring Festival. Judy, who is in the sixth grade, plays the clarinet in the seventh grade band.

Mr. and Mrs. Clayton Greenleaf, 40418 Pinetree, were hosts for a family reunion dinner party in their home March 13. Attending the affair were Mr. Greenleaf's sisters and brother-in-law, Mrs. Frank Stancoto and her children, Dawn Marie and Paul, of Chelmsford, Mass., and Mr. and Mrs. Santa Caruso, and their family, Vincenta, Tina, Renee, and Reuel, of Dearborn Heights.

Jim Humphries had an emergency appendectomy at St. Joseph Mercy Hospital in Ann Arbor on March 9. Jim is the son of Mr. and Mrs. Milt Humphries of 1415 Ross Ave.

People You Know

Daniel S. Parker, Jr., son of Mr. and Mrs. Daniel Parker of Spring St., celebrated his fourth birthday and his uncle, Clayton Kops, Jr., his 17th birthday at a luncheon birthday party at the Parkers' March 12. Other guests included Kenneth Kops and several cousins.

Claire Kops, daughter of Mr. and Mrs. Clayton L. Kops of W. Ann Arbor Tr., was confirmed at Our Lady of Good Counsel Church, March 20. Her sponsor was Susan Ray of Dearborn.

Morgan Williams of Russet Ln., and Harry W. Taylor of Livonia, visited Clearwater, Fla., recently.

Gary Stobbe, who attends the University of Tennessee, is home for his spring vacation with his parents, Mr. and Mrs. Walt Stobbe of Maple Ave.

A large group of Arbor-Croft couples attended the Newcomers Bowling Party which was held on March 20 at the Plymouth Bowl.

Two girls on Palmer Ave. celebrated birthdays on March 14. Patti McKinley invited five friends to her seventh birthday party at her home, 1261 Palmer, and Nancy Surratt of 1301 Palmer, celebrated her fifth birthday with a party at her home.

Several bridge clubs met in Arbor-Croft last week. The Newcomers bridge group met for luncheon on March 16 at the home of Mrs. William Kennedy, 1465 Palmer. On Tuesday Mrs. Robert Davis of 1432 Hartsough, was hostess to an evening group at her home. Thursday evening another neighborhood group met at the home of Mrs. Eric Childs, 1439 Ross.

Mrs. Fred Feekart of 1221 Palmer, is recovering from pneumonia which has kept her confined for several weeks.

Mary Paul was home from Michigan State for the weekend. Mary is the daughter of Mr. and Mrs. Wilbur Paul, 1479 Ross Ave.

Mrs. Edsel Laitinen, 40585 Pinetree Rd., was selected as chairman of the cookie sales this year for Girl Scout Troop 269. Mrs. Laitinen's daughter, Judy, and Charmaine Schmidt, daughter of Mr. and Mrs. Rudy Schmidt, 40434 Pinetree Rd., took orders for the cookies among Salem Square residents. Delivery to the homes will be made sometime during April.

Mrs. Gerald R. Stevens, 40562 Pinetree Rd., attended a meeting of the Fortune Hunter's Investment Club on March 16. The hostess for this month's meeting was Mrs. Kenneth Ives, 895 William St. Mrs. Gordon Chapin, 15214

Lakewood, was elected vice-president of the group during the evening, and two new applicants were received as voting members of the organization. They are: Mrs. Leonty Lototzky, 15036 Lakewood; and Mrs. James Dysinger, 276 N. Harvey. Mrs. Gordon Andrews, 1480 Palmer, and Mrs. Gordon Eddy, 810 Beech Ct., attended the meeting as guests, and prospective members. The next gathering will be held on April 20, in the home of Mrs. Clemens Kromer, 9322 Mapletree Dr.

The weekend of March 13-14, Mr. and Mrs. Richard B. Braun, entertained two couples from their hometown of Toledo. Their house guests

PLYMOUTH HIGH NOTES

By Sharon Olin

Water Waves PHS girls' swim club will participate in a stunt competition at the downtown branch of the YWCA on March 28. All contestants must be registered with Amateur Athletic Union. The club will also travel to Ann Arbor on Thursday, April 1, to watch a water show put on by the University of Michigan. Mrs. James Watts, the club's advisor, will accompany the girls to both places.

Revolutions in Medicine was the topic discussed by Doctor Ross from the University of Michigan, at an all-school assembly on March 16. Dr. Ross presented his talk with the help of student volunteers.

Students interested in knowing their ACT scores may pick them up any time in the guidance office.

With spring officially here, according to the calendar, boys have been signing up for baseball. Interested boys should see Mr. Bryan Boring in room 312 immediately.

There will be an open house at Mercy College in Detroit on Tuesday, Wednesday, and Thursday, April 6-8. Anyone interested in going is invited. If there are any questions, Mr. Hoben of the guidance department will answer them.

Several students were initiated into Quill & Scroll last Thursday night. President Carol Otwell '65 presided over the initiation and David Good, a post-graduate journalism student at the U of M, was the speaker. The initiation took place in the auditorium with Randy Williams '66, Mary Theeke '66, Judi King '66, Kaye Perish '65, Joann Skeba '66, Margaret Rudloff '66, Pat Hart '66, and Dave Jones '66 being initiated.

Others were Janet Marshall '66, Rob Wilson '65, Al Rehner '65, Judy Overmyer '65, Sandi Zart '65, Sherada Erdelye '66, Mary Ann Sincoc '66, Julie Gardner '66, Chris Arnison '65, Sue Hudson '65, and Kay Osborn '65.

## Pennant Every Spring - Doc

Doug Johnson

DOC FENKELL chats with Ron Gill at last Thursday's Sports-A-Rama series. A drawing was held and Doc presented a bat to Ron. Gary Buckberry, Tim VanWagner, Steve Fortney and Mike Densmore all won autographed baseballs.

The baseball season is here and Plymouthite Neal (Doc) Fenkell was on hand last Thursday before the JayCees sparsely attended Sports-A-Rama crowd to tell us about Motown's Tiger lineup.

Doc's weighty and wordy title (Director of Operations for the Detroit Tiger TV Network) belies his easy going nature, as does his polish and meticulous dress before a crowd.

But when he starts speaking, his natural humaneness comes out and you immediately like the guy.

Here's the lineup the Tigers will use as they go into the regular season, according to Doc.

He sees Norm Cash at first base, naturally. Without a smile, he said Thursday:

"If he could hit .285, drive in 110 runs and hit 45 homers we'd be in good shape." The audience laughed, because it's not all that easy, as Doc knows.

Jerry Lumpe will play second, with Dick McAuliffe ("quite a few errors last year") at short. Eithler Don Wert or Jake Wood will be at third base.

Al Kaline had a "mediocre year last year", Doc thinks and should be back to normal in right field. Billy Bruton is "39 going on 60" and will play center field. Left is wide open, Doc says, and may go to Gates Brown.

Pitchers? — Joe Sparma, Micky Lolich, Dave Wickersham and Hank Aguirre.

Winning the pennant? "I've won a pennant every year in the spring — the club hasn't done as well," says Doc wryly.

After Doc went over the Tiger lineup he limbered up some of his stories. One of his best came when he explained the big money draft of a youngster.

It used to be, he said, you could sit down in the kitchen with his parents and give him a check for \$500, sign him up and ship him off to practice. No more.

Today, you meet the parents, a doctor, a lawyer, his coaches and a business manager. The kid's in the family room watching TV. The mother is crying because you're taking her only son away. Then, Doc says, they "come up with a price of \$65,000 and you shudder because the kid's got two left feet. If a kid can throw the ball across the room he thinks he can get \$50,000."

Stories about Yogi Berra are the bread and butter of sports writing and Doc had some.

One related about Yogi went this way: A eager reporter came up to the great stubby Yankee and asked him why his average was so low this year. "I dunno," replied the catcher. "They must be taken somethin' out for social security."

Yep, Doc's a great guy and he knows the all about the Grand Old American pastime.

The Tigers have had the trouble and will have more this year, undoubtedly. Rumor has it during a recent losing season, Tiger administrators were particularly low about the club's progress. As one top man reportedly put it:

"I remember one stretch when we lost 8 games in 8 days. The ninth day it rained and I tossed a victory party."

A final fling around the basketball trail . . . Michigan lost in the final game.

Now, my theory is that the Big Ten is so tough by the time you reach a tournament final you're beat. Worn Out. Bedraggled.

I'm serious. Michigan played Minnesota, Illinois, Iowa, Ohio State, Indiana — just in regular season play. This is not to mention St. John's in Christmas tourney play. Even weak sister conference foe Michigan-State gave them a run for their money. When do you rest; take a breather, coast. You don't. Not in the Big Ten. Anyway, it's just a theory. A safe one I'd guess, because there are not too many UCLA fans per square mile in this area.

Lofton, Green's River Rouge team cried all the way to the title again Saturday, winning a fifth straight. How do they do it?

A combination of ability to stay in Class 'B', one of the best basketball minds in the state, unusual talent and a training program that reaches into the fifth grade. That means River Rouge kids shoot basketball before they learn to tie their shoes. Well, almost.

# HEAT IS ON: Northville Opens March 26

Let it rain, let it snow, let it get cold or warm, Northville Downs is ready for any eventuality as officials prepare for the earliest opening of harness racing in Michigan history Friday night (March 26).

With an 18-night Spring meeting to start the state's racing season, the 'Downs is ready for its 22nd year under unusual conditions.

For the first time Northville will have a heating system to make all patrons feel they are enjoying the races in mid-summer temperatures. For the first time the pacers and trotters will be testing the track in late March instead of late June as has been the Northville

custom for most of the past 20 years. And there'll be new faces on the roster because many of the longtime members of the Northville official family are unable to shake loose from assignments that will keep them busy well beyond the April 15 closing date.

Perhaps the most talked-of improvement is the installation of 360 heating units in the upper and lower grandstand areas that will provide a constant temperature of 70 degrees for spectators.

Nearly 150 other heating units are in the barn areas. The ultrared ray electric lamps are the most modern, designed for an operation where the spectators sit in a

grandstand that is glass enclosed on the ends but open on the front towards the track.

New faces on the roster of the official family for the early meeting are:

Frank Meharg, normally state steward, will serve as Presiding Judge in the absence of Loyal German, who is busy with similar duties in the east. Meharg's spot will be filled by his co-state steward Clay Hulett.

Norm Lamkin, well-known in Toledo and Jackson for his clever race calling, will fill in for Jack Riggs who is still in Florida.

Elwood McMurray, who subbed for the ailing Dave Hoyer last year, has taken over the post. Hoyer died of cancer last summer.

Louis Carlo has been named assistant to Racing Secretary Harry Peterson, filling the shoes of Ken Marshall who is busy at Pompano Park.

More than 700 standard-breds are on the grounds many were shipped in from the west coast tracks at Bay Meadows, Sanita Anita and Phoenix.

The summer season of 39 nights is from June 21 - Aug. 4.

## Assoc. Spring To Match Gifts To Education

EDITOR'S NOTE: Associated Spring's B-G-R Division operates plants in Plymouth and Ann Arbor.

Associated Spring Corporation announced a Matching Educational Gifts Program under which the company will make a contribution in an amount equal to any contribution by an employee to educational institutions in the United States.

Any permanent hourly or salaried ASC employee is eligible to participate. Employees do not have to be attend or be an alumnus of the educational institution receiving the gift. ASC matching funds will be provided up to a maximum of \$200 per employee per calendar year.

In a letter to employees announcing the plan Wallace Barnes, ASC president, explained the purpose of the plan. He wrote:

"We all know that tuition alone does not cover the entire cost of operating a college or university. Such institutions must look elsewhere for financial assistance so that they can continue to provide top quality education to the youth of our country."

Educational institutions must be listed in the Higher Education Directory of the U.S. Office of Education as recognized colleges or universities, must be located in the United States or its territories, and must have tax-exempt status.

Full details of the plan and necessary forms are included in a brochure available at ASC division personnel offices.

Four medals of honor were awarded for heroism to United States Marines in the fighting for the Island of Tarawa.

## Canton Township Minutes

A regular meeting of the board of the Charter Township of Canton, County of Wayne, State of Michigan was held on Tuesday, March 9, 1965 at 8:00 p.m.

Meeting called to order by Supervisor Stein.

Members present: Stein, Flodin, Dingledey, Palmer, Truesdell and Hix.

Members absent: Schultz.

A motion was made by Palmer and supported by Hix and unanimously carried that the minutes of the regular meeting held on Tuesday, February 10, 1965 be approved as read.

A motion was made by Truesdell and supported by Hix and unanimously carried that the Treasurer's report be approved as presented.

A motion was made by Palmer and supported by Truesdell and unanimously carried that the Canton Township board approve the payment of fifty dollars (\$50.00) to the Plymouth Community Human Relations Commission as the Charter Township's share of the expenses of Dr. Kaufman to

the Annual Convention American Orthopsychiatric Assn.

A motion was made by Dingledey and supported by Palmer and unanimously carried that the board approve the request from Joseph LaCruze, Jr. & Marilyn A. LaCruze for transfer of ownership of 1964 Class C licensed business with Dance-Entertainment Permit located at 43711 Michigan Ave., Belleville, Michigan, Canton Township, Wayne County, from Stuart A. Furione & Thaddeus J. Lach.

A motion was made by Hix and supported by Truesdell and unanimously carried that payment be made to Edwin M. Orr Inc. in the amount of \$123.70 for engineering services on the Lilley and Ford Rds. meter pit.

A motion was made by Flodin and supported by Hix and unanimously carried that the township board table the request of the Planning Commission to appoint a recreation commission.

A motion was made by Flodin and supported by Palmer and unanimously carried that the township board request the State of Michigan Liquor Control Commission to return the liquor license of George L. Noble to the jurisdiction of the Charter Township of Canton.

A motion was made by Truesdell and supported by Hix and unanimously carried that the township board approve the purchase of miscellaneous equipment for the Fire Department in the amount of \$263.30.

A motion was made by Hix and supported by Truesdell and unanimously carried that the bills in the amount of \$3,475.55 be paid.

A motion was made by Dingledey and supported by Flodin and carried that the meeting be adjourned.

JOHN W. FLODIN, Clerk  
LOUIS STEIN, Supervisor

# Trackmen Limber up for Huron Relays March 27

Plymouth's Track team, the first spring sport to begin regular concentrated practice, will enter the Huron Relays on March 27 at Bowen Fieldhouse on the campus of Eastern Michigan University in Ypsilanti.

Preliminaries for the event begin at 1 p.m., with finals starting at 6 p.m.

The invitational event has been a tradition for several years. The early season workout draws competition from all over the state, and even some from out of state, including Toledo and Cleveland.

About 20 Plymouth boys will participate.

It is the roughest kind of competition, bringing in the top track talent. Plymouth has been going for the last four years.

Track practice began last week at Plymouth High School gymnasium, under the tutelage of veteran track coach Keith Baughman. Baughman has coached here for 14 years, 2 as a reserve coach, 12 as a varsity coach.

Baughman said Friday he had about 70 out for track. The nucleus of his team will be 12 returning lettermen and about 15 men up from last year's reserve team.

They have been practicing indoors, preparing for the first meet (a triangular) of the regular season on April 6 with Dearborn and Franklin at Franklin. Meets start at 4 p.m.

Baughman has had his men running and limbering up winter-soft muscles.

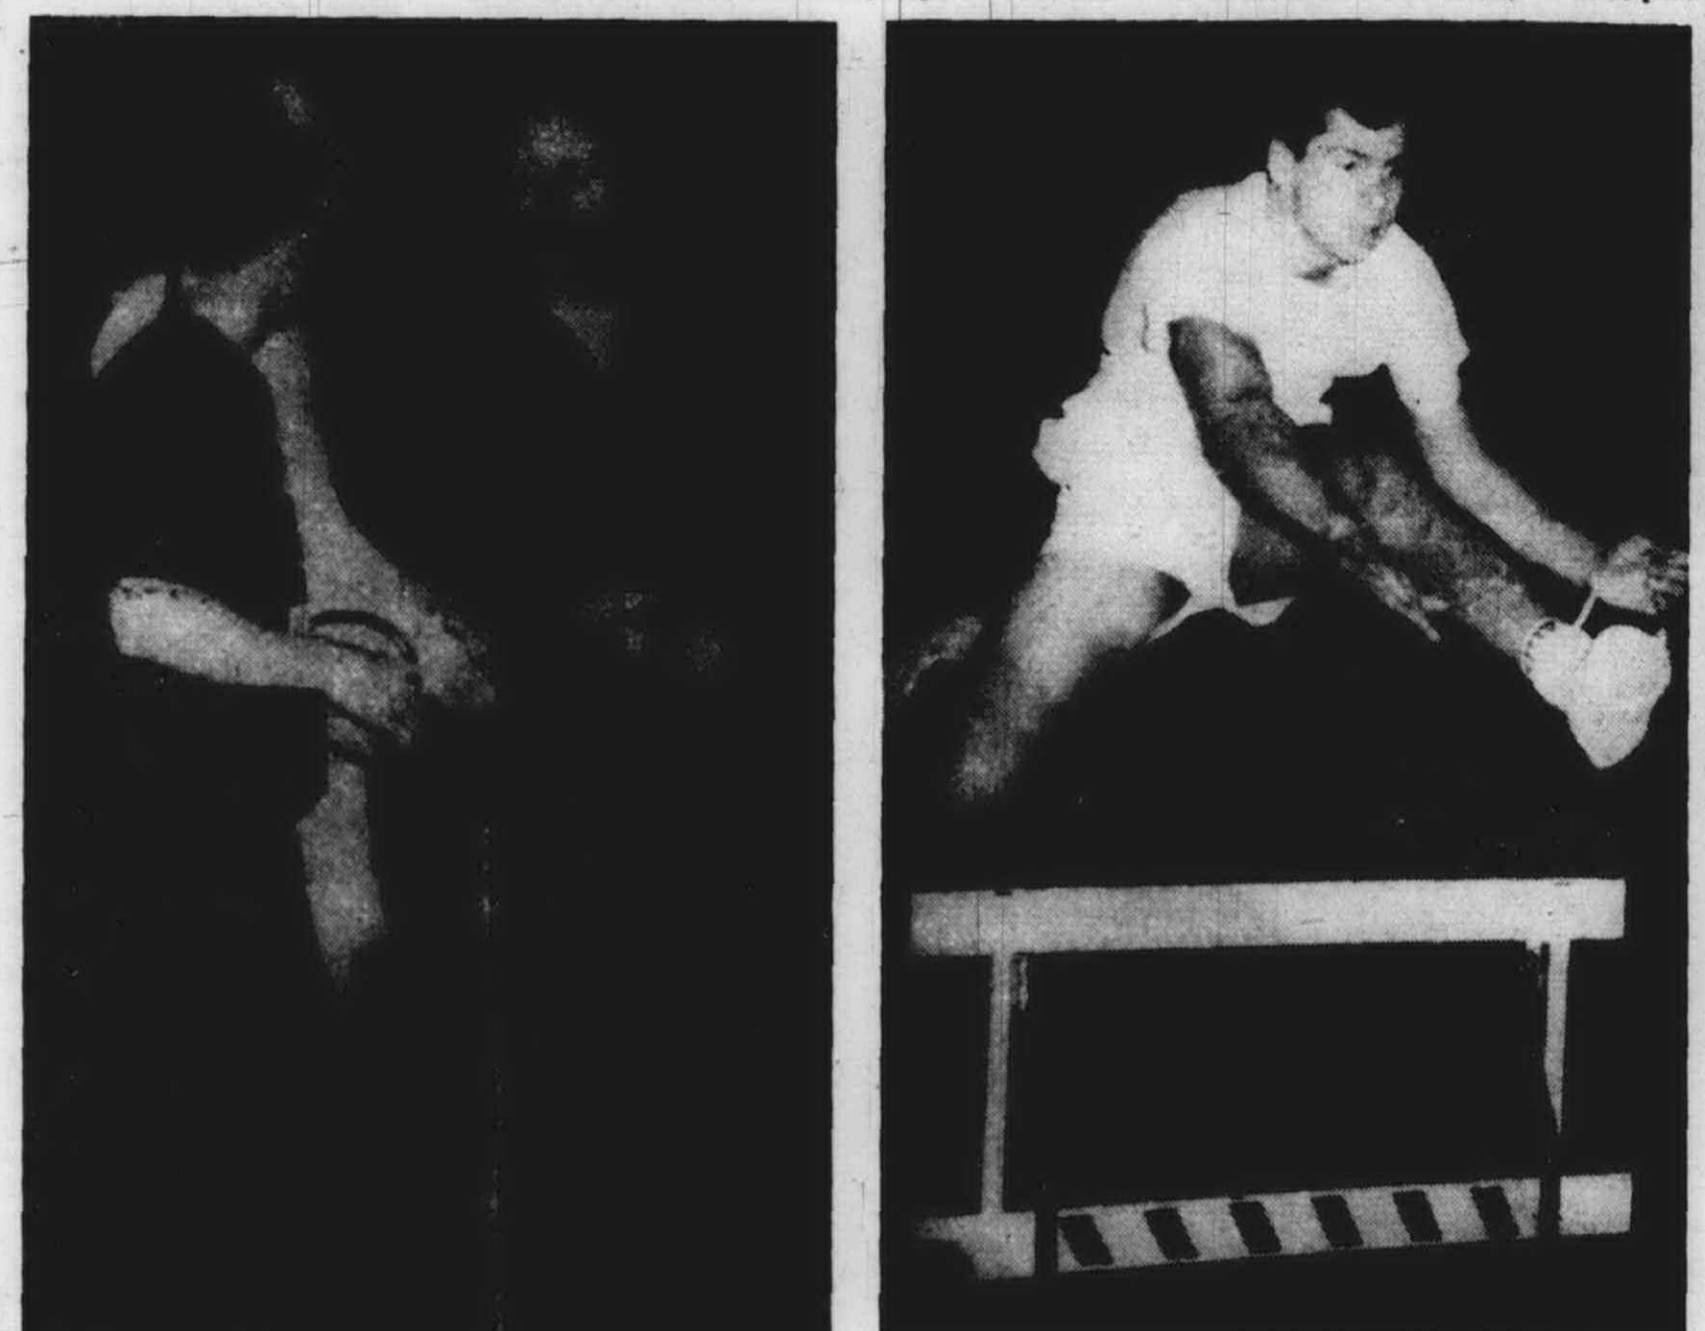

Plymouth placed in the middle of the league last year, and with some work this

year, may improve on that record. Baughman emphasizes that it is too early for predictions, however.

RETURNING lettermen in-

clude: Dennis Tonkovich — sprints; Dan Johnson — hurdles; Frank Dorset — mile; Bill Kane — sprints; Garry Grady — sprints, broad jump; John Bates — 1/2 mile;

Dave Jordan — sprints; Grant Fischer — pole vault; Jim Scharmen — hurdles, high jump; Mike Bentley — mile; Dave Dirlam — 1/4 mile; Pat Brady — shot put.

LEAPING Ron Pennington practices the low hurdle event in the gym while outside winter rages on. He and other track hopefuls will test their skills in an opener against Franklin and Dearborn at Franklin April 6.

NORMAN FISCHER tries out his low hurdle form in early track season practice in the high school gym. The team has been working out in preparation for the Huron Relays March 27 at Eastern Michigan in Ypsilanti.

## Set Field Trials For Irish Setters

Mr. and Mrs. Edward McIvor, 40367 Ford Rd., Plymouth, veteran Irish Setter enthusiasts announce the Irish Setter Club of Michigan's Spring Field Trial will take place April 10 and 11 at the Silo Course, Highland Recreation Area.

Closing date for entries is April 6 and the drawing is set for 9 p.m. that night. The "Open Limited All-Age" stake is open to all A.K.C. registry-able pointing breeds; all others are for Irish Setters only.

The judges will be Mr. Frank Sypula, of Inkster, and Mr. Doug Scratch, of Ferndale.

"Dual courses will be run if necessary," Mr. McIvor said, "and because the trial is limited to 80 entries, we urge you to post your entries early." Further details can be obtained by calling the McIvor residence at GL 3-2986.

Retired Lt. General Lewis B. (Chesty) Puller received more combat decorations than any Marine in history.

## Hey, Ref!

Plymouth High School's Athletic Director, John Sandmann, hit the tournament trail last week.

He was in Lansing and refereed the two Class 'A' games, Southfield vs. Benton Harbor, and Saginaw vs. Benton Harbor. The Harbor beat Southfield to win the state championship.

TRACK COACH Keith Baughman talks with a pair of unidentified trackmen as his team limbers up its muscles in preparation for the spring season.

## Plymouth Township Minutes

PLYMOUTH TOWNSHIP BOARD OF TRUSTEES  
MARCH 9, 1965

Supervisor Lindsay called the meeting to order at 8:02 p.m. with all members being present.

A motion by C. V. Sparks, supported by E. Holmes, that the minutes of the meeting of February 9, 1965, be approved as distributed was carried unanimously. Bills amounting to \$14,958.96 were approved upon a motion by Ralph Garber, supported by L. Norman, and carried.

All items listed under General Communications were discussed, received and filed.

The final report of the Police Study Committee was submitted by Dick Lauterbach, Chairman. The study considered only the financial costs and size of a Police

Force necessary to properly protect the Township area. It did not consider administrative costs nor recommend the Township consider a Police Department of its own. After considerable discussion it was moved by E. Holmes, supported by C. V. Sparks, that the committee be commended on this report and to accept it for study and evaluation or the time being until a committee may be appointed to meet with other municipalities. Carried unanimously.

Plans submitted by Township Engineer H. Hamill for the proposed water main on Haggerty Road between Ann Arbor Road and Jay Road, showing the estimated cost to be approximately \$27,000 were approved upon a motion by E. Holmes, supported by John D. McEwen, and carried.

Also plans for water main on Ann Arbor Road from Haggerty to Terry, costing approximately \$17,000, were approved upon a motion by E. Holmes, supported by John D. McEwen.

Considerable discussion was held on a proposed extension of water mains east of Five Mile to Haggerty Road and south on Haggerty for the purpose of servicing Lake Pointe Subdivision No. 9 and the Catholic school site with the entire project costing approximately \$70,000. As the need for water in this vicinity is not immediate at this time it was moved by L. Norman, supported by R. Garber, that the installation of a 16" water main between Ivywood and Amber Court be installed on the east side of Haggerty Road so as to properly service Lake Pointe Subdivision No. 9. Carried.

With the reduction of the cost of the previous installation discussion was held relative to a water installation across the northern portion of the Township. It was moved by John D. McEwen, supported by L. Norman, that the Engineer be authorized to submit a study, including costs, of such a project commencing from Northville Road, under the Rouge River and C. & O. Railroad up to the Five Mile and Sheldon Road area and present them at the next regular meeting of the Board. Carried unanimously.

The Plymouth Township Water Main Project, W-214, bid tabulation

was presented by the Wayne County Road Commission and upon recommendation of the Township Engineer the Board approved the low bidder, Mascone Excavating Company, in the amount of \$213,900.00, upon the motion of E. Holmes, supported by D. Lauterbach, and carried.

The Plymouth Sanitary Sewer Project, S-216, bid tabulation was submitted by the Wayne County Road Commission and upon motion by Ralph Garber, supported by Dick Lauterbach, that the low bidder being Don Gargaro Company, incorporated with an amount of \$735,250.00, be approved as recommended by the Township Engineer. Carried unanimously.

It was moved by J. D. McEwen, supported by C. V. Sparks, that Lake Pointe Subdivision No. 9 improvement plans be approved in accordance with the recommendation of the Township Engineer, carried.

### Air Force Plans Buddy Flight

A "buddy flight" is being organized by local Air Force Recruiter TSGT Jack Bunch in honor of the late state senator-elect Paul Chandler.

A buddy flight he explained, may consist of two men or as many as 60 and the group remains together through the six weeks basic training program at Lackland Air Force Base, San Antonio, Tex.

Enlistment will be about July 4, but processing and qualifying must be completed by June 1.

For further information call the Air Force recruiting office, 6228 Middlebelt Rd., Garden City, 425-5858.

Improvement plans were approved upon a motion by E. Holmes, supported by Dick Lauterbach, and carried unanimously.

A request from the Human Relations Committee, not to exceed \$50.00, for partial expenses to send Dr. Paul Kaufman to the annual convention of the American Ortho-psychiatric Association in New York was denied by motion of C. V. Sparks, supported by E. Holmes, on the grounds that this is not considered a proper Township expenditure. Carried unanimously.

The proprietor of the Plymouth Bowl submitted petitions consisting of 964 names of bowlers requesting the Board to rescind their previous action and permit the servicing of refreshments on the concession tables. After considerable discussion the Board on this matter and the petitions being examined it was moved by Ralph Garber, supported by D. Lauterbach, that the petitions be denied and that the Board not change its previous action. Carried unanimously.

An expenditure of \$282.50 was approved for services rendered by nine (9) firemen who were on standby duty on February 25 and 26 by direction of Supervisor Lindsay to assure the Township of ready fire protection during this heavy storm.

Captain Maas's request to attend the Fire Department Instructors Conference in Memphis, Tennessee from March 23 thru 26 was approved with expenditures not to exceed \$130.00.

Membership in the Southwestern Michigan Fire Chiefs Association and cost per meeting not to exceed \$25.00 per annum was approved upon a request from Captain Maas.

A Resolution from the Township Clerk recommending the Board approve the dedication of water and sanitary sewer systems installed in Lake Pointe Subdivision No. 7 was unanimously approved.

A Resolution from the Township Treasurer requesting the authorization to transfer Tax Collection Funds in the amount of \$85,896.58 each was approved unanimously.

Petitions were presented from the residents of the Plymouth Colony Subdivision requesting the Town-

ship Board to negotiate with the City of Plymouth so that they may be recipients of the Township Water Service. It was moved by L. Norman, supported by D. Lauterbach, that the Supervisor make such arrangements with the City of Plymouth officials sometime after April 5, 1965. Carried unanimously.

Discussion relative to the payment of the Fire Administration Board members for their services was tabled for further study and recommendation.

A Resolution commending the Wayne County Road Commission, Highway Department, was unanimously approved for the expedient and efficient manner in which they cleared off the Township Roads during the recent storm of February 25 and 26, 1965.

Supervisor Roy Lindsay announced that he has appointed Mr. John Welsher, 654 Sheldon Road to the Planning Commission to replace Bruce Kolak who recently resigned. It was moved by J. D. McEwen, supported by L. Norman, that the Supervisor's appointment be approved. Carried unanimously.

Discussion was held on the 1965-66 Township Budget with the results being that the Board will meet in Executive Sessions commencing Monday, March 22 having as many meetings as necessary so that the Public Hearing thereon may be had on Tuesday, March 30, 1965.

Supervisor Lindsay adjourned the meeting at 11:25 p.m. upon a motion by Ralph Garber, supported by C. V. Sparks.

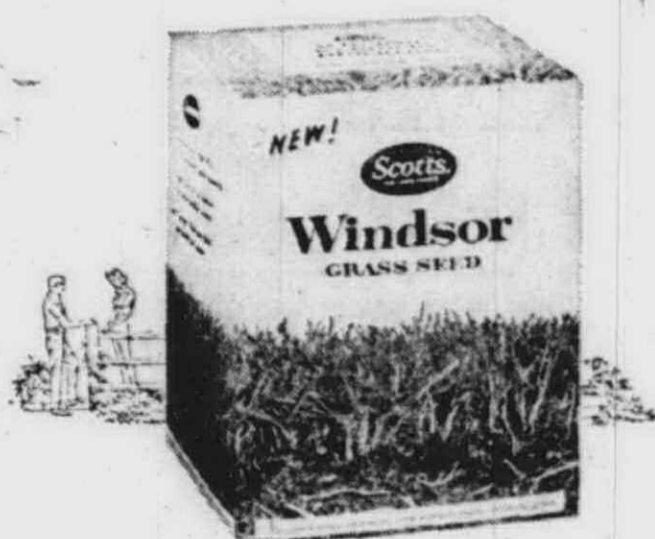

Did last year's drouth wreck your lawn?

Then seed it now

Early seeding means earlier germination. Gives seedlings maximum time to mature and develop sturdy root systems before the arrival of hot weather and heavy weed competition.

See us this week for the Scotts seed blend that's right for you. Dollar for dollar you can't beat Scotts.

WINDSOR — the amazing new grass that needs less water . . . \$4.95

## CHEVELLE by Chevrolet

No other car of its size offers more

• 4 protective steel inner fenders

- keyless locking doors
- separate body and frame units
- a battery-saving Delcotron generator
- a four-position ignition switch
- a Full Coil suspension system
- curved side windows
- a 9-step acrylic lacquer finish
- flush-and-dry rocker panels
- self-adjusting brakes
- bonded brake linings

Chevelle Malibu Sport Coupe

No matter how you look at it, this car makes a lot of sense.

If you're interested in value (and who isn't), the eleven features above give you a good idea why more intermediate-size car buyers are thinking Chevelle.

If you're looking for a wide power choice, Chevelle starts out with a standard 120-hp Six, an ideal city performer. After that you may order from a variety of engines that turn it into an even greater highway performer. Room? Large door openings. Wide

curved side windows for extra shoulder room. Great front and rear leg room. Those four, five or six passengers have it made. And so do you. Chevelle may seat like a big car but it handles like a smaller car.

Comfort? Thick wall-to-wall carpeting in Malibu models. Foam-cushioned seats. Easy-to-read instrument panel. The whole interior looks like those in cars costing far more.

Come on down to our showroom and take a drive soon. Chevelle begins to make even more sense after you've gone a couple of miles.

# Plymouth Among Schools Upgrading Vocational Ed.

(This is the third in a series of five articles on "Vocational Education — Its Importance and Value for All Youth" as prepared by the Wayne County Intermediate School District.)

Can anything be done to meet the existing need of 80 percent of the students in most Wayne County school districts that do not complete a college education?

If school district residents let their school administrators and school board members know of their intense interest in the area of vocational education, steps can be taken to benefit the post-high school youth's education.

Citizens in the Southgate School District, Plymouth Community School District, and the Van Buren School District (Belleville) of Wayne County have shown

active concern during the past two years.

How did these interested citizens go about translating their desires into specific improvements in the secondary level of education in their local districts?

A study of the needs for vocational education in the community was made cooperatively by community leaders and school administrators. The community surveys followed these steps:

- Survey the interests of high school students and their parents for the occupational training they would like to see offered at the school.
- Contact the business and industrial leaders of the area to determine the training needed to prepare trained workers for the job opportunities offered there.
- Determine the population and industrial trends in the community.
- Evaluate the present school facilities and equipment in terms of needed vocational education classes.
- Determine the number of students at the high school who enter college and the number who graduate from college.
- Make a study to determine the number of students who drop out from school during one calendar year.

Southgate High School completed their study in 1964. Plans are now going forward to build an addition to the high school to house the added vocational education program. Courses which will be included are auto mechanics, welding, drafting and wood construction.

The Plymouth High School study involved school staff members, school administrators, board of education members, community leaders and consultants. A new addition is now under construction. It is aimed to house training in the fields of drafting, welding and auto mechanics.

Community leaders, a board member, administrators, department heads, and the Wayne County consultant completed a study last spring at Belleville High School. Reports were made on Business Education, Industrial Occupations in the community, Home Economics, Cooperative Training, a follow-up of graduates and recommendations for developing vocational education.

An immediate step taken after the project was completed was to change a one hour class in machine shop to a full three hour vocational class in this subject. Other vocational classes will be added by next year.

**YOUNG STARS Brandon de Wilde and Linda Evans add excitement and romance to Walt Disney's "Those Calloways." Also starring in the technicolor Buena Vista release are Brian Keith and Vera Miles. The film will be shown at the Penn Theatre March 24-30.**

## Lake Pointe News

By Marion Beaudry 453-8039

Pat Shonteff, daughter of Mr. and Mrs. Harry Shonteff, 14859 Lakewood, graduated March 11 from the Shapiro School of Nursing, Sinai Hospital. She has decided to continue working at Sinai Hospital.

Paula Peck, nine-year-old daughter of Mr. and Mrs. John Peck, 15131 Robinwood, made her confirmation on March 19 at Our Lady of Good Counsel Church. Mrs. John Peck served as sponsor for Kelley Diamond of 15159 Robinwood, at the same event.

Lake Pointe Mixed Bowling news for Friday, March 12: Bud Molnar of 9711 Adams, bowled the high game plus the high series, a 201 and a 565. Mrs. Ted Marshman, 15117 Lakewood, took both for the women with a 183 and a 474.

Couples from the Newcomers Club had a Bowling Party at the Plymouth Bowl on March 20.

Mr. and Mrs. Michael Del Busso, residents of 14750 Robinwood for five months, had open house in their home on March 14 for the following people from Plymouth: Mr. and Mrs. Vince Simonetti, 15131 Robinwood Dr., were hosts to two couples in their home the weekend of March 13. The guests, all from St. Clair Shores, were Mr. and Mrs. D. Ricardi and Mr. and Mrs. O. Forth.

## American Legion Auxiliary News

Attention: Auxiliary members — The meeting of March 17 was cancelled because of weather so the meeting will be Wednesday, March 24 at 8 p.m. at the Post Home.

The 46th birthday of the American Legion was celebrated March 14 at the Post Home with a potluck dinner and initiation of new Post and Unit members. Initiation officers were C. Oscar Hammond of the 17th District ritual team and Marion Behnke of the 17th District past presidents. George Barber, Lewis Dye, Kenneth Keith, Howard McLellan, James McKensie, Gerald Olsen, Ross Snow and Morris Thomas were initiated into the Post. The Auxiliary initiated the following Corrine Clark, Evelyn Johnson, Mary Stein, Joyce Stein (Junior Member) Jeanette Thomas, and Madeline Wilson.

Past Department Commander C. Oscar Hammond presented Vito Simonetti with a 35 year pin and Past Department Chaplain Lena Hammond presented Emily Mosher with a 20 year pin. Several other members received year pins as well.

Post Commander Gilbert Williams presented Vern Miller and Ernest Koi with Past Commander cards and Unit President Marcella Drake presented Marion Kot and Lillian Kinghorn with Past President cards.

The 29th Michigan American Legion Bowling Tournament starts March 6 and continues through March 28 and will be held at the Clinton Gable Lanes in Mt. Clemens. The Passage-Gayde Post is sending several teams this year. They bowl on March 27 and 28.

**Mayflower VFW Sets Anniversary Dinner Dance**

Mayflower Post V.F.W. is planning a 19th anniversary dinner-dance at the Post Home, Saturday, April 10. Guests of honor will be all past commanders and presidents. General chairman of the evening is Duane Johnson.

Family style dinner at 7 p.m. will be preceded by a social hour beginning at 6 p.m.

For reservations call Ed Kopsenski, GL 3-0528, or Lou Dely, GL 3-0151.

**Henrietta Burch Goes to D. C. With Farm Bureau**

Miss Henrietta Burch of Plymouth, was one of two representatives from Wayne County who went with a group of 47 Michigan Farm Bureau members to Washington, D. C. to meet and talk with Congressmen, on March 14.

Miss Burch also was recently elected chairman of the Wayne County Farm Bureau Women.

In addition to meeting with representatives the four day trip included a visit to the U.S. Farm Bureau office.

During World War II, 205,000 Marine recruits were trained at the Marine Corps recruit depot, Parris Island, South Carolina.

Aztec were the founders of the pre-Hispanic civilization of Mexico.

**SAXTONS**

Simplicity Manufacturing Co., well known manufacturer of quality power lawn and garden equipment for over 25 years, has appointed Saxtons Garden Center 587 W. Ann Arbor Trail, Plymouth as franchised dealer for the Simplicity line. Saxton's has been in operation 37 years.

Among the products featured in the line are the nine horsepower Landlord and six horsepower Broadmoor Riding Tractors with all-season attachments.

Saxton's announces that these Simplicity products are now on display in their store.

## Please don't publish it

**EDITORS' NOTE:** This editorial appeared in the Feb. 4 issue of The Lapeer County Press and contains quotes from the Arenac County Independent in Standish, Mich. It is pertinent to every area that has a newspaper — including The Plymouth Community.

Every newspaper worth the name is regularly forced to say "sorry" to well-intentioned but misguided citizens who ask that legitimate news not be published because "it might hurt" someone or some institution or some project.

Recently several Imlay City school teachers petitioned that their principal be fired. It was suggested that this unusual happening not be reported because "everybody in town knows about it anyway" so why hurt the school's image throughout the county. (This suggestion came from some "interested citizens": it did not come from any school official.)

In the first place, everybody did not know about the petition. But that's not the point. The point is that the teachers and the principal are employees of the public. The public has a right — even a duty — to be informed as to what it is getting for its tax money. The 22 citizens who attended last week's School Board meeting heard the facts. Other citizens shouldn't be denied these facts because they weren't to expect to read them in their newspaper. One

of a newspaper's chief functions should be to keep a sharp eye on all public money and public employees.

Another example: Recently a township official told us that "the boys on the board" would just as soon the public didn't find out what they had paid for a piece of equipment. In other words, don't tell the taxpayer what is happening to his money. Such blatant requests to suppress the news are almost too ridiculous to bother answering.

As we said, every worthwhile newspaper has the same problem. Here's what the Arenac County Independent said in an editorial last week:

"If we've heard it once we've heard it a thousand times: 'Please don't report that. It will weaken the chances for the project'... or weaken 'the city's position'... or weaken something in favor of the 'good guys'... our side.

"And surely you, the newspaper that stands for onward and upward for the community, would not want to do anything to hurt the good guys... our side. Of course we wouldn't."

"However, how we get in a bind... why our consciences nag at us... is because nine times out of ten what some well-meaning, civic-conscious, progress-promoting individual doesn't want us to report is the truth... that's all, nothing but the truth... 'It can keep you awake nights.'"

## Rights Spokesman Differs With City Manager Fisher

**Dear Editor:** I was interested in reading an account in your February 19 edition of remarks made by Plymouth Director of Safety Kenneth Fisher and Deputy Inspector Richard M. Novak of the Wayne County Sheriff's Department before the Plymouth Assembly of Equal Opportunity. The forthright statements of these two law enforcement officials in upholding the principle of equal protection of the law for all citizens certainly is to be commended.

I also subscribe wholeheartedly to Mr. Fisher's reported position that "police are only as good as people want them." I have always maintained that as citizens we get the kind of law enforcement we demand and are willing to support.

There are several statements in the article, however, attributed to Mr. Fisher which do not appear to adequately reflect this Commission's position.

The Michigan Civil Rights Commission has not advocated the establishment of "citizens review board of all police action." It did, however, circulate an advisory memorandum last September to some 95 Michigan communities which recommended:

- (1). An unequivocal statement by the mayor and police chief respecting the right of all citizens to equal protection under the law;
- (2). Consideration of the establishment of an effective review procedure;
- (3). The recruitment and promotion of qualified persons to the police force, including representatives from minority groups;
- (4). In-service training program in intergroup relations for police personnel;
- (5). Establishment of neighborhood police-community relations programs.

neighborhood police-community relations programs.

**MR. FISHER** further quoted as disagreeing with the Commission's "claims of police brutality." The Commission has not charged the police with police brutality. The Commission has received some 75 complaints from individual citizens who have alleged that their civil rights have been violated by police officers and that these violations have occurred by reason of the citizen's race, religion or ancestry. This is the basis of all complaints received by the Civil Rights Commission involving the police.

No other type of conduct or violation involving police officers has come within the constitutional jurisdiction of the Commission. This jurisdiction has been upheld by the Michigan State Attorney General. It should also be added that the Civil Rights Commission does not interfere with the police in the performance of their duty to apprehend criminals and prosecute them.

Finally, Mr. Fisher is quoted as saying "we never see a statement about how many of these cases are thrown out because of a lack of evidence." The Commission has been very careful to state publicly on a number of occasions that it has an equal responsibility to those accused of discrimination as to those who are charging that their civil rights are being violated.

In its very first public announcement of the disposition of four complaints against a Detroit Police Department, the Commission on October 27, 1964, stated that two complaints were dismissed on the basis of lack of evidence to support the charges of discrimination and two were satisfactorily adjusted after a

finding of probable cause. I have said repeatedly in public statements that in approximately two-thirds of all complaints of discrimination brought to the Commission, there is a finding of no probable cause and that this ratio of dismissals appears to apply as well to complaints against police officers.

**I HAVE ALSO** stated publicly on numerous occasions that experience has demonstrated that enforcement only of constitutional and legal prohibitions against discrimination is not, of itself, sufficient to achieve full and equal opportunity and participation in the life of our state by all of its citizens.

What is required is affirmative, voluntary actions by all of the institutions of our communities as well as government. The programs of the Commission are designed to give support and assistance to such voluntary affirmative efforts. In this connection, staff members of the Commission have consulted with law enforcement authorities throughout the State to work cooperatively toward the furtherance of such programs.

Within the past few weeks, the Michigan Police Chief Associations has appointed a Committee on Community Relations, chaired by Niles Chief of Police Arthur Pears to work cooperatively with the Commission in furtherance of educational programs to promote the goal of effective and vigorous law enforcement equally applied to all citizens without regard to race, religion or ancestry. Sincerely yours, Burton I. Gordin, Executive Director, Michigan Civil Rights Commission

## Should be Proud Of Teenagers

29594 Westfield Livonia, Michigan March 12, 1965

**Dear Editor:** Please publish this letter so all will know how good and wonderful our teenagers are. To the Parents and Citizens of Plymouth.

You can and should be proud of your teenagers. I have taught in your Senior High and both Junior Highs in the Physical Education departments.

Your youngsters are cooperative, friendly, and respectful. This was indeed an enriching experience. My thanks to all of you. Sincerely, Nancy Christian, A Substitute Teacher

**ANOTHER TIMPANI** was presented to the Plymouth Symphony by the Symphony League at the March 14 concert. Admiring the instrument are, left to right, conductor Wayne Dunlap, Paul Miller of Milford, who plays the timpani, and Mrs. Roger Zerby of Russett Ln., who made the presentation for the Symphony League.

## LETTERS:

# Judge Deyo Argues Validity Of Plymouth Municipal Court

**EDITOR'S NOTE:** After studying Wayne County Circuit Judge Joseph G. Rashid's decision last week in connection with the eligibility of City Attorney Edward F. Draugelis for municipal judge, incumbent City Judge Harry N. Deyo drafted this communication to the city commission. In it, Judge Deyo argues that Plymouth's municipal court is, in fact, a legally constituted court. If Judge Rashid's decision is accepted, it raises a question about the validity of the city court.

March 18, 1965  
City Commission  
City of Plymouth  
Gentlemen:

Writer has no desire to add confusion to the chaos existing relative to the status of the Municipal Court for the City of Plymouth, Michigan, or the contest for the office of Municipal Judge. It does appear that some statement should be made concerning the current situation for the information of the public.

I have read with interest the publicity concerning the judicial contest and I am personally disturbed by some of the rumors which have come to my attention. Months ago after studying the Michigan Constitution of 1963, which provided that no person 70 years of age may be elected or appointed to a judicial office, I concluded that said constitution barred me from running for election. You may be aware that a Circuit Court Judge in Oakland County ruled that said provision did not apply to courts not of record, while on the other hand a Wayne County Circuit Judge ruled that said age limitation did apply to such courts.

It may be said that there are a number of Municipal Judges who believe the said bar does not apply to Municipal Courts. As you know I observed the provisions of the constitution and did not undertake to be a candidate.

**WHEN THE** question of the eligibility of one of the present candidates was first raised I will admit that I was consulted by telephone in regard to the matter and asked my opinion. These requests did not come from any of the three candidates for nomination. At this point it might be well to mention a so-called anonymous letter received, I believe, by the Plymouth Mail, which letter is said to have raised the question of the eligibility of one of the candidates. It has been mentioned to me several times that I am supposed to have been the author of that letter.

I wish to state emphatically that I had no part in the drafting of any such letter, that I do not know the contents thereof, do not know who authored or mailed the same and that if I had wished to participate in attacking or supporting a candidate I would have done so openly, as I do not operate under cover or in violation of statutes, the charter or the ethics of my profession. I resent the mentioned rumor.

While I have very decided opinions in regard to the legal and other aspects of the mentioned matter insofar as candidate eligibility is concern-

ed, I am greatly disturbed by the reaction to the opinion of the Circuit Judge in Draugelis v. Richard Shafer, et al., No. 41766. It appears that this Opinion is deemed to question the validity or the existence of the Municipal Court of this city.

**I DO NOT** agree with either the Opinion or the conclusions drawn by some from the decision in said case. I have not seen the pleadings in the mentioned case, although I have seen Brief filed in behalf of Defendant City Clerk and Plymouth Election Commission. This Brief argues that the candidate Draugelis is not qualified, but in seeking to solve the question of which names should appear on the election ballot concludes that the names of Draugelis and Cutler should appear thereon.

The Circuit Court held that the 5-year residency requirement in the City Charter does not apply, with which holding I disagree for reasons hereinafter set forth.

It is interesting to note that if one of the candidates had observed the provisions of the charter re eligibility there would be only two candidates and no primary election would have been required. It may be here remarked that our courts have often said that there is no property right in regard to public office. It has also been stated that voters may not be disenfranchised by acts of others parties.

**Returning to said Opinion,** briefly as possible, it is noted that the Court referred to the old Charter of the City of Plymouth adopted in 1932 and proceeds from there to the present City Charter adopted in 1951, undertaking to show that inasmuch as these charters refer to Justice Court statutes the present court is apparently a Justice Court and not a Municipal Court.

The right of Home Rule granted cities by the Constitution of 1908 and the current Constitution of 1963 has always been liberally construed by the Supreme Court of this state. What has been overlooked in the mentioned Opinion is that in the City Charter of 1932 there was a residence requirement of three years for the Municipal Judge, that said charter was approved by the Governor, after examination by the Attorney General, and was duly adopted by the voters of the City of Plymouth.

**THE OPINION** also overlooks the fact that the charter adopted by the electors in 1951 was a completely new instrument drawn by a Charter Commission, examined by the Attorney General and approved by the Governor. Inasmuch as Section 28 of the Home Rule Act (Sec. 5.2107 M.S.A.) then required that a judge or justice must be a resident of the city for five years the said charter very properly required the same qualification, because under the rules of statutory construction five years residence would be deemed to be the minimum requirement.

It will be noted that the 1951 charter has now been in force about fourteen years and that the electors of this city have not seen fit to change the charter require-

ment of five years residence. Section 3 of the Home Rule Act (Sec. 5.2073 M.S.A.) sets forth mandatory charter provisions. The pertinent part of said section reads as follows: "Each city charter provide: (d) For the qualifications, duties and compensation of its officers;"

It is obvious that the force and effect of the above was not considered. As you know the City Charter has requirements touching on the eligibility of members of the City Commission and other officers and nowhere in the Home Rule Act are these qualifications detailed, specified or enumerated.

At page 4 of Brief of Defendants Richard Shafer, Plymouth City Clerk and Plymouth Election Commission, their counsel very properly called the attention of the court to the so-called Uniform Municipal Court Act, same being Act 5, P.A. 1956 as amended (Sections 27.3937 M.S.A.) (1) et sequi. Section 8 of said Act (Sec. 27.3937 M.S.A.) (8) is controlling in regard to the main question considered by the Court, but apparently was given no weight.

**MENTION OF** the aforesaid Municipal Court Act draws attention to the question of whether our city has a Municipal Court. Various persons are raising this question and if the Court's Opinion is correct it is a most serious one.

Fortunately, although counsel did not mention the same apparently, and the Court made no mention of the fact, this city did adopt Ordinance No. 255 on July 20, 1959, adopting the provisions of said Act No. 5, P.A. 1956, as amended.

In June, 1959 Nandino Perlongo, then Municipal Judge, presented to writer several questions in regard to the court. Following careful research and a lengthy written opinion the writer, then City Attorney, drafted Ordinance No. 255 and same was duly adopted.

**The adoption of said ordinance** which has not been repealed makes the reasoning in said Opinion not applicable to the question involved in the above litigation and it also insures the valid existence of the Municipal Court of the City of Plymouth.

I mention the above because I have been informed that it is necessary to adopt an Ordinance to insure the existence of the court. The

work and the expense thereof is entirely unnecessary by reason of the above mentioned ordinance. Copy of said ordinance is attached, hereto.

By reason of a candidate's announcement that if elected he would adopt written rules for the operation of our Municipal Court, which of course has the effect of questioning the efficiency and competency of the Court, said item should be clarified.

The Legislature adopted a Revised Judicature Act effective January 1, 1963. Also, as you know, the people adopted a new State Constitution. Both of these actions have resulted in great uncertainty, both as to our courts and the procedures therein. Complicating the situation is the fact that Circuit Courts are supposed to have supervisory control of Municipal Courts and the Supreme Court of the state has supervisory control of all courts.

The Wayne County Municipal Judges Association months ago drafted written rules for civil cases and criminal cases in Municipal Courts. These rules have been submitted to the Circuit Court but have not yet been approved by the court.

**FURTHER** complicating the situation is the fact that the Supreme Court of Michigan has published voluminous court rules, which are being continually amended. These rules in my opinion affect the practice in some respects in all courts subordinate to the Supreme Court.

**Under the circumstances** this court will not adopt rules until same are approved by the court having supervisory control. In addition, drafting, printing and publishing rules which may be outdated before same could be distributed appears ill-advised and a waste of the taxpayers' money. Therefore, I recommend against such action until the situation becomes less fluid.

Believing that certain of the above mentioned matters raising inferences in regard to writer should be publicly answered and feeling that our citizens should be assured that we do have a court, I am supplying a copy hereof to our city newspaper.

I mean no disrespect to your body inasmuch as I consider this communication deals with a public matter and feel certain that it will receive attention.

Very truly yours,  
Harry N. Deyo,  
Municipal Judge

I, for one, committed

to Madison Avenue.

## The Grim Pilgrim

By DAVE WILEY

On the heels of the wordy harangue that emanated from this corner last week about the municipal court muddle, came a telephone call from City Attorney Edward F. Draugelis.

He wanted a word with the writer.

During the course of our conversation, the city attorney made a couple of points which — in fairness to him — I should repeat.

So I will.

First of all, a factual inaccuracy.

"Draugelis," I wrote last week, "... as a member of the city elections commission, apparently felt free to interpret his own eligibility and certify his own election."

I was wrong.

**Draugelis did not act** as an elections commissioner following the primary balloting. Further, as he pointed out, the elections commission performs only a "ministerial action," while the board of canvassers serves the legal function of certifying elections.

On that point, my sincere apology.

The candidate for the local tribunal also covered other areas. He commented on a letter sent to The Plymouth Mail in which he wrote:

"I have advised both Mr. Cutler and Mr. Manwaring, my opponents, of this and to their credit as lawyers, they are not the ones who have raised this issue."

And, generally, except for the factual discrepancy about the elections commission and clarification about Draugelis's personal morality, I feel the same.

In a lighter vein.

Ask any kid in a Plymouth pool hall what the raunchiest radio station in Detroit is and, invariably, you'll get a constant answer.

It bears the distinction of having the loudest, grossest DJ's, the noisiest commercials and the most tasteless programming in the metropolitan area.

Like Trix, its primary aim is for kids.

These less-than-ecstatic comments have been brought on by the would-be public relations department operated by our electronic friends.

Don't get me wrong. I carry no ill feeling toward the dimly lit world of public relations.

It matters little to me that they clutter up my mailbox with hundreds of unsolicited items each week.

If they want to grind out mimeographed copies of their programming schedule, that's fine and dandy. My wastebasket is near, my letter opener is sharp and the lad who empties the trash is strong and healthy.

I do however, object to getting their birth announcements.

Neither I, nor the readers, I trust, care if the director of sales marketing and promotion became a proud papa on St. Patrick's Day — particularly since his name is Greenberg, not Mullins.

And I am not enthused to open the morning's mail and discover that the director of public affairs (whatever THAT is) has become a daddy.

Perhaps, unlike "The New Yorker" magazine, the station is designed for little old ladies in Dubuque.

But I doubt it.

The unfortunate network that owns the Detroit outlet is probably blissfully unaware of the drive its P.R. guys are turning out.

They should be exiled to Madison Avenue.

the faux-pas of publicly letting off steam.

**Columnist Polls Area  
On Negro Question**

**By Mike Ross**

Lately, it seems, Selma, Alabama, has headed the top of every newspaper and every news broadcast until it has become sickening. Hardly a single person, at one time or another over the past week, hasn't turned the radio on only to reach right over and turn it off because he was tired of hearing "Selma, today was . . ."

Residents of the north listen, read, and shake their heads in protest to what is happening; but, at the same time, the thought never crosses their mind that it could just as easily happen north of the Mason-Dixon Line.

Plymouth is an exceptional town. Surrounding us are communities that have, for years, integrated their neighborhoods, schools, subdivisions and stores. Some have had difficulty, others very little. Plymouth, of late, has not been faced with the problem of integration, but the inevitability of it is there.

What will happen when the first Negro family moves into Plymouth? What will the reaction of the people be like when they find out that their children will be attending the same school as a Negro child?

It's impossible to say for sure since it has never been tried.

But one can make some educated guesses by asking residents how they would feel if a Negro family moved into town, one or two were attending the same school as their child, or if a Negro family moved next door.

The city of Plymouth always has been, and probably always will be, divided into definite sections. The people with the most money move here, the least money there, the people with Southern backgrounds another section, the people with Eastern backgrounds still another.

And, I found, the reactions to the above questions had remarkable similarity within one specific section, and drastic variances between sections. The first group of answers were all from adults in the northern part of town.

"I wouldn't let a kid o'mine be in the same school buildin' with some damn Nig! If one moved in next door to me I can tell ya one thing, one of us would go and quick."

"I don't have no kids, but if I did, not one o'them would be caught in the same class with a coon, I'd see to that. One wouldn't move next door. I'd stand in my front lawn with my .22 and blast the hell out o'them before they got to the front door."

One dissenter out of 11 remarked, "I wouldn't do a thing. They've as much right to live in the same neighborhood and go to the same school as my kid. I don't like some of the

things they've done, but our race is far from lily white.

Taking another neighborhood, I moved to an area around Sheldon Road.

"Negroes are going to be accepted completely someday anyway. I think they're pushing it a mite, but if one has enough money to move in this neighborhood he's welcome to in my book."

"I think it would take awhile for me to learn to live next door to one, but if they were nice, clean people, I'd be happy to make friends with them."

As a rule, I found, the teens were far more ready to accept Negroes than their parents. The "section" responses were far less in evidence in this age bracket.

"Negroes are people. They're living, breathing, thinking human beings that have as much right to civil liberties as we have!"

"They're a different color. So what? That makes so much difference. Adults are blind. They tell us to grow up and have good, wholesome ideals. What are we supposed to do? Look away as we beat up a Negro who's done nothing?"

Some felt as strongly as their parents, "Damn Nigs. I wouldn't spit on one. You can talk, but you haven't lived with 'em. You haven't seen the horror, what they've done."

I asked him what they'd done, what is the horror? "What do ya mean?" I asked him what he meant by the phrase he'd used. "Aww, they cause trouble. What are ya askin' me for? It's none o'yer damn business."

Maybe it was none of my business. But if it wasn't, I have no idea whose it is. The responsibility of this problem doesn't belong simply to one person. It belongs to every human being that has the pride and right to call himself an American.

For myself, it seems like the problem could be compared with a radio manufacturer. The parts in each radio are identical, only the color of the case is different. There are an equal amount of "lemons" in the green batch as in the yellow, white as in the black.

But what about you? Would you let a Negro live next door, or would you stand there, pass judgement and condemn the man without knowing him? Or would you just forget, turn your back, and run as far from the situation as you could get?

If you're big enough of a person, you'll try, you'll give them the half chance they need.

How big are you?

**FIVE OF THE SEVEN** members of the Michigan Youth Symphony from Plymouth practicing their parts are, seated left to right, Barbara Jones, Joanne Thom and Roberta VanMeter, and standing left to right, Robin Wideman and David McGuire.

**Plymouth Students Play in Michigan Youth Symphony**

Seven Plymouth students are members of the Michigan Youth Symphony sponsored by the University of Michigan Extension Service in cooperation with the School of Music.

They are Roberta Van Meter, daughter of Mr. and Mrs. Robert Van Meter of Ridgewood Dr.; Robin Wideman, son of Mr. and Mrs. Robert Wideman of Harvey St.; Cheryl Drennan, daughter of Mr. and Mrs. Howard Drennan of Provincetown Ln.; and Joanne Thom, daughter of Mr. and Mrs. Joseph Thom of Ann Arbor Rd.

**Salvation Army Slates Annual Meeting, March 29**

The Salvation Army Advisory Board's annual dinner meeting will be Monday, March 29 at 7 p.m. at Lofy's.

Guest speaker will be Brigadier Robert McMahon, superintendent of the Salvation Army's Eventide Home, Detroit. He has been a Salvation Army officer for 37 years, serving in posts in Indiana, Jackson, Bay City and Saginaw.

**NOTICE OF PUBLIC HEARING ON A PROPOSED AMENDMENT TO THE PLYMOUTH TOWNSHIP ZONING ORDINANCE WAYNE COUNTY, MICHIGAN**

NOTICE IS HEREBY GIVEN that a Public Hearing on a Proposed Amendment to the Map of the Zoning Ordinance for the Township of Plymouth will be held on April 21, 1965, at 8:00 o'clock p.m. Eastern Standard Time at the Plymouth Township Hall, located at 42350 Ann Arbor Road.

The Planning Commission has received a petition to rezone from R-1-E, Country Estates District, to an R-1-H, Country Home District, Items 32D and 32E of the N. E. 1/4 of Section 32, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan. Containing an area of about 8.5 acres, located on the south side of Ann Arbor Trail west of Beck Road.

NOTICE IS FURTHER GIVEN that the proposed Amendment to the Map may be examined at the Township Hall at 42350 Ann Arbor Road, from 9:00 a.m. to 5:00 p.m. each day Monday through Friday and on Saturday morning until the date of the Public Hearing.

PLYMOUTH TOWNSHIP PLANNING COMMISSION  
Maurice Breen, Secretary  
Date of Public Hearing:  
April 21, 1965  
(3-23 - 4-13-65)

Northern St., Barbara Jones, daughter of Mr. and Mrs. Robert Jones of Priscilla Ln., and David McGuire, son of Mr. and Mrs. Otis McGuire of Palmer St. They were recommended for the orchestra after attending National Music Camp, Interlochen.

These students will play in a symphony concert at Wayne High School on April 4. They also have played in performances in Adrian and Flint and have another concert scheduled for May 9 in Lincoln Park.

Proceeds from tickets sold are used to provide scholarships for orchestra members to Interlochen.

**TOWNSHIP OF CANTON SPECIAL NON-PARTISAN ELECTION**

NOTICE IS HEREBY GIVEN, That a Township Special Nonpartisan Election will be held in the Charter Township of Canton, State of Michigan.

**MONDAY, APRIL 5, 1965**

For the Purpose of voting on the following office:  
to fill a vacancy in the Circuit Court, Third Judicial Circuit.

Notice Relative to Opening and Closing of the Polls.

Election Law, Act 116 P.A. 1954, Section 720.

On the day of any election the polls shall be opened at 7:00 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock of said day of election.

JOHN W. FLODIN,  
Clerk  
(3-23 - 3-30-65)

**City DPW Activities**

By Joseph Bida, Sup'l.

Last week found the Public Works Department busy with three funerals at Riverside Cemetery, also handling the last 2 inch snow fall. Approximately 197 tons of salt were used to clear this away. Catch basins were cleaned on Main Street and North Harvey St. A fire hydrant was hit and damaged at N. Mill and E. Pearl; this was replaced with a new hydrant. A broken 6 inch water main was repaired on Plymouth Road across from the Hillside Inn. Barrels were cleaned and painted and prepared to place in the parks and at the playgrounds and in the downtown area. A sanitary sewer was dug up at 1408 Penniman Avenue; also one at 365 Maple Avenue. All streets were cold patched throughout the whole city by three D.P.W. crews using a total of approximately 150 tons of Blacrete.

I would like to thank the citizens of the city for the cooperation they have given in the change of rubbish pick up locations. The alley pick ups will still be picked up at the curb until further notice, on the regular days. Cardboard boxes cannot be used as permanent type containers. They will be hauled away. The Public Works Department will start putting tags on improper containers. These tags will mean that there has been a violation and the next time these containers are out they will be picked up. So if the people do not want these things thrown away they should not be put out with the rubbish. Thirty gallon containers or smaller can be used, with covers. Bushel baskets or containers equivalent will be permitted for leaves or tin cans but this will be to a minimum. We are trying to pick up refuse so it will not be necessary for people to use 55 gallon drums to burn refuse in. It has been brought to our attention that people are burning garbage in the refuse barrels. This should STOP immediately. This is not only unsanitary but makes it very unpleasant for our neighbors.

The City Commission has backed our clean up program and there will be more in the paper about "Clean Up, Paint Up, Fix Up Week" in May. We are going to urge all citizens of Plymouth to cooperate in this venture to make it our first and best "Clean Up, Paint Up, Fix Up Week." I might add that this will be in conjunction with the week before Michigan Week when visiting dignitaries will be visiting our city. The Public Works Department will also do some cleaning up in the parks and on various land that the city owns. All we ask is that the people cooperate and make May, the week of May 10th, a clean week for the City of Plymouth.

The total strength of the Marine Corps was recently increased from 190,000 to 193,000 officers and enlisted men.

**CALVARY BAPTIST**
