Candidates for Plymouth Township's new Public Service Director post will be interviewed in executive sessions of the Plymouth Township Board of Trustees this week.

The Board reiterated their interest in the matter at a special meeting Dec. 28, when they authorized Township Supervisor John D. McEwen to contact candidates for the post.

The duties for the new man would include immediate control of the Plymouth Town-

ship Fire Department. McEwen outlined the Board's action Monday for the Mail.

"We discussed the duties and qualifications of the Public Service Director. I was authorized to contact candidates for the entire Board to interview. His first duty will be the leadership of the fire department. Then, later, I expect he will undertake a police department study, in some form."

McEwen indicated that the salary for the new post had been set at \$7500 per year.

Earlier in the year, Township officials had indicated they were seeking a retired public safety expert for the post. State Police Commissioner Frederick Davids, a resident of Plymouth Township, had offered his assistance in contacting possible candidates.

A Liquor Control Ordinance, now pending before the Board, will also be added to

the new man's duties, McEwen said.

"I expect action very soon," McEwen said. "I want to get this thing rolling."

Supervisor McEwen said two candidates had been interviewed, and that he expected whoever they got would be a retired law officer.

The developments in the Township's action on a public service director began several months ago in August

when Trustee Dick Lauterbach sought action on his report urging a joint study of police protection with the City of Plymouth and Northville.

His report had been submitted in March.

Also, in August, Township Trustee Ralph Garber spoke out in favor of a public safety director, and the Board agreed to have the Fire Administration Board draw up a list of qualifications and duties.

AT THE TIME Garber noted he would like to see a man who would spend time as an executive, rather than fighting fires.

Then, at last month's Township Board meeting, Garber lashed out at the Fire Administration Board, and called the conflict between it and the Civil Service Commission a "tempest in a teapot."

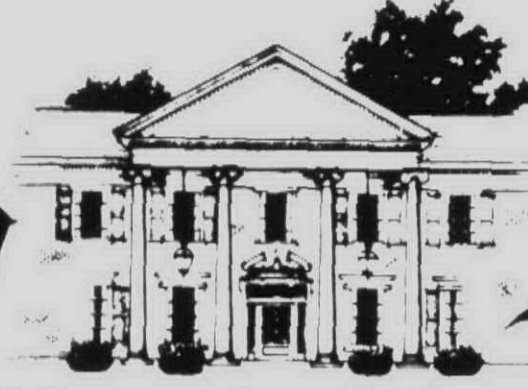

Garber has sought an end to the Fire Administration Board, but has found little

support on the Board for his views.

Meanwhile, the Fire Ad. Board and the Civil Service Commission have scheduled a joint meeting to draft a set of rules and regulations to govern the Plymouth Township Fire department, long embroiled in minor squabbles with various segments of the Township's government.

The Civil Service commission operates mainly in the area of employee relations. (Continued on Page 6)

## Girl, 12, woman, 22, assaulted in separate attacks

Two separate attacks by unknown male assailants, one on a 12-year-old girl, another on a 22-year-old woman, puzzled local law enforcement officials this week in Plymouth.

Monday morning, an unknown assailant grabbed a 7th grade Plymouth girl on her way to Junior High West near McKinley St. and Ann Arbor Trail. It was about 7:30, and still very dark out. According to City police

chief Kenneth Fisher, the girl was dragged behind a bush, and molested by the attacker, who ripped her dress.

Her name is being withheld because of her age.

A description of the attacker is very vague according to Fisher. Two other girls on the other side of the street saw a male figure dash across the street. The descriptions have a great variance; no car was seen, either, Fisher added.

THE ASSAILANT apparently got scared and ran off, according to Fisher. The victim ran to school to report the incident.

Fisher indicated he saw no connection, at this time, between the two incidents. (Continued on Page 2)

## Inter-faith dinner set for Jan. 21

A panel discussion on "The Church in the Community" will highlight the second annual Inter-Faith Dinner scheduled for Friday evening, Jan. 21, at Lofy's restaurant. Last year the dinner drew over 400 persons.

The ecumenical dinner will begin at 7 p.m. Tickets at \$2 each will be sold through the ticket chairman of the participating churches, according to the Rev. Peter D. Schweitzer, general chairman of the event.

Participants in the discussion include the Rev. Ron Phelps of Wayne County Training school, the Rev. Alfred Renaud, assistant pastor at Our Lady of Good Counsel Catholic church, Judge Thomas J. Foley, Sanford Burr and John Herb.

Subjects of discussion at the ecumenical dinner will include the reasons that the church must be involved in the life of the community.

## Vandals hit windows, take Nativity statue

Reports of vandalism of Christmas lighting and outdoor decorations in Plymouth kept City of Plymouth police busy last week.

On New Year's night, Jan. 1, the outdoor crib scene at the home of Mr. and Mrs. Dunbar Davis on the corner of McKinley St. and Ann Arbor Trail was overturned and the large statue of Mary stolen, according to Mrs. Davis. Other figures were not damaged.

Whole strings of lights and outdoor bulbs were also reported stolen in other incidents.

In other vandalism in the City over the New Year's weekend, beer bottles were thrown through a window of a home at 1426 Penniman, a (Continued on Page 2)

THREE TOWERING CROSSES of different heights shadow the new Our Lady of Good Counsel church, which is progressing on schedule at its Penniman and Arthur St. site. The crosses were erected about six weeks ago. Father Francis Byrne said Tuesday he hoped the building would be done by spring, and expects its first use will be at Easter time. Here, workmen add finishing touches on the roof of the new structure.

## PAINS IN MAINS

### Bursting water mains leave DPW frantic

The City of Plymouth's water pains were mainly in the mains this week as three water lines broke, and several service connections ruptured.

See Picture, Page 1-B

One main, near the bridge crossing over the Rouge River along Northville Road, broke late last Tuesday, was repaired, but broke again before it could be shored up permanently.

Water users along Northville Rd. were without water for several hours, and water was supplied by Plymouth Township through fire hydrants.

City DPW chief Joseph Bida attributes this main break to an old water main—one put in in 1921.

"The main broke just past an elbow," Bida said. "The dirt was washed away from it so it may have leaked for some time before it gave." About 50 water customers were without water during the main break, as DPW workers worked day and

night, including Bida, in hip-deep muck.

OTHER OLD mains in the City have broken in the past few weeks, due to the increase in pressure from the new reservoir.

Bida is quick to note that the Northville Rd. main break was not due to increased pressure—the pipes were just old. In other areas, mains have broken; two burst Sunday, one at Auburn and Blanche

## Doggone it!

Those dog-gone Plymouth Mail want ads work before they even get in the paper. That's what two local women found out early last week.

On Monday morning, Mrs. Walter J. Allan of 14100 Beck Road phoned in an ad noting that the family Pomeranian had strayed on December 26 in the vicinity of Beck Road and offering a reward for its return.

Later the same day, Mrs. Edward J. Coveleski of 12075 Beck Road called to place a classified message that she had found a

small black and white, male Pomeranian.

In two shakes of a pup's tail, the Plymouth Mail's classified manager, Betty Chobanian, put loser and finder in contact with each other.

The big Northville main was back in service at about 10 p.m. last Thursday. Service was restored Wednesday (Continued on Page 2)

The result? Happy dog. Happy people. And happy classified manager, glad to have been of service even though, doggone it, it cost us two want ads. While we can't guarantee action like that all the time, Plymouth Mail want ads do offer fast, happy results. Just call 453-5500.

## City to re-consider Byron Ave. vacation for builder Cape

Thomas Cape was before the City Commission once again requesting the vacation of a portion of Byron Ave. to complete land requirements for two of his Bryn Mawr apartments Monday night.

And the City Commission agreed to hear his case, but divided over the issue of how to go about it.

The action came at the regular meeting of the City of Plymouth's Commission.

The Commission voted 4-3 to reconsider the vacation—a vacation of the entire section denied two weeks ago after vigorous protests from the three property owners involved.

COMMISSIONERS George Hudson, James McKeon and Arch Vallier voted no on the re-consideration.

The whole issue angered Commissioner Arch Vallier, who said he didn't think it was even fair to discuss the matter without the three property owners present.

"When those three left here last week, they left thinking we took action. Now we're trying to discuss it under the subterfuge of parliamentary procedures."

The Commissioners discussed at some length how the denial could be reconsidered.

City attorney Thomas Healy ruled the matter could be reconsidered, but Vallier

challenged that ruling, stating he felt another public hearing would be needed on Cape's request for only a portion of Byron Ave.

"And, I see nothing in our ordinance that permits use of land other than that personally owned," Hudson said, also opposing the consideration of developer Cape's request.

Commissioner Robert Smith spoke in favor of new action.

"I can't see us standing in the way of developing an area that has been of no use for so long... a closing of the street would be to the good of the entire community," he said.

After about an hour's debate on parliamentary procedures, the Commission agreed to bring up the matter at a special meeting next Monday, with the three property owners present: Albert (Continued on Page 3)

## McEwen to face Forum Thursday

Plymouth Township's Supervisor, John D. McEwen, will air the Township's recently completed 701 master plan before the Businessmen's Forum this Thursday.

McEwen will speak at a noon luncheon gathering at the Mayflower Hotel to the Chamber of Commerce sponsored Forum.

The amended master plan is expected to be adopted on Saturday, Jan. 15, after the original December public hearing on the matter is reconvened.

McEwen is expected to discuss all aspects of the federally-aided master plan. He has indicated he will come equipped with visual aids, and will set aside time for questions from the floor.

The Businessmen Forum's

new committee chairman Dr. Donald Davies will welcome McEwen, and urges everyone to attend.

"This is your chance to get first-hand information about the future plans for the Township, so come out and bring a friend," said Davies.

McEwen, long standing Township official, has had the reins of the government since April, when he took over after the death of ailing Roy R. Lindsay.

Supervisor McEwen is on his second career; his first, a records clerk for Wayne County ended in retirement in 1959.

A member of the AMVETS, McEwen has lived in Plymouth since 1955, with his wife, Victoria.

## Fire alarm

Plymouth Township Supervisor John D. McEwen's wife Victoria had four unexpected guests for breakfast Saturday a.m. as a small fire routed their neighbors out of their house.

The family of Donald Trapp, 44505 Governor Bradford, awoke at 7:15 a.m. to find their home filled with smoke.

Plymouth Township firemen report a small blaze in a basement furnace room caused the smoke; the fire started when a hot water heater kicked on, flashed out a flame far enough to ignite a nearby dust mop. Damage was estimated at about \$650.

Mrs. McEwen fed the scared and half-asleep family.

## In a nutshell

Reservations for the Annual Chamber of Commerce banquet to be held Jan. 27 may now be made at Chamber headquarters by calling 453-1540.

The dinner will feature recognition of the C of C's 50 members and a speech by Dr. Kenneth McFarland, who is billed as America's Number One platypus. The dinner, complete with organ music, will be held in Ralph Lorenz's Mayflower Meeting Room.

Washington man, Robert Sharpe, 35, was critically injured Wednesday morning when his car crashed into safety gates and into a C & O train at the intersection of the C & O tracks, Plymouth police report. Sharpe fell to the highway, and was under the influence of alcohol.

The First Methodist Church of Plymouth is sponsoring a four-week series on the topic "Mission Calling," beginning this Sunday at 8 p.m. Supper will be served at a cost of 50¢.

City Commissioners approved several items at their regular meeting Monday night. Mayor James Mack's request that the Board of Public Works purchase a new truck for the Board of Public Works, and Gordon Robinson to the Board of Public Works, and Helen Robinson to the Board of Public Works.

The Plymouth High School Parent Council will meet Jan. 11 from 9 a.m. until 10:30 a.m. to hear reports on curriculum and trends in industrial education. The meeting will be held in Room 101 with a tour of the new industrial arts building to follow.

 Mrs. Lillian M. Bramlett, 9649 Southworth St., died Jan. 4, 1966 at Garden City Osteopathic Hospital at the age of 46. She had been ill for a year.  
 Born July 14, 1919 in Detroit, she was the daughter of John and Mary (Umpstead) Tinson of Clarkston. She had been employed by the Daisy Air Rifle Co. and had lived in Plymouth for the past 15 years. Mrs. Bramlett is survived by her

husband, Ralph, John David Lee, her father, John Tinson, two sisters, Mrs. Helen Schudlich of Clarkston and Mrs. Wesley Klocke of Northville, and one brother, Leslie Tinson of Farmington.  
 Funeral services will be held Jan. 6 at 2 p.m. at Casterline Funeral Home, Northville, with the Rev. Hugh White of the First Methodist Church, Plymouth, officiating. Burial will be in Riverside Cemetery.

## Swing your partner

Starting on Monday, Jan. 10, the Plymouth Recreation and Adult Education Department is offering a 10-week course in modern square dancing. Classes will be conducted by Burt Tobey, well known square dance caller and instructor, from 8 to 10 p.m. weekly, in Room 113 of the high school.

Modern Square Dancing should not be mistaken with the old-fashioned barn dance or the clogging tap routine of the TV professionals.

For the average family couple, it offers a stimulating hobby they can enjoy together and also furnishes them with a means of meeting folks who are fun to be with; it's the world's greatest social mixer.

There are more than three million couples who square dance regularly in clubs in the United States. So ladies, put on your low heels and coax your partner out to your first class on Jan. 10. "You'll leave with that 'great-to-be-alive' feeling that square dancing gives you, by combining a healthy atmosphere and stimulating exercise with fun," says recreation and adult education director Herb Woolweaver.

Woolweaver urges anyone interested in this class, or any other, to come this week and register at the adult education office at Plymouth High School. For information on the numerous offerings, call 453-3100.

## Two injured in car crash

Two persons were injured Friday morning, Dec. 31 in a two car crash at Five Mile and Haggerty Rd.

Mrs. Vernetta Williams, 66, of Southgate was hospitalized with minor injuries and David March, 31, of 14591 Huntington Dr., received serious injuries.

According to the Wayne County Sheriff's office, Ernest Williams, 74, and his wife, Vernetta, of Southgate were traveling on Haggerty Rd., pulled out in front of March, and March's car rammed their side.

No ticket was issued, but the sheriff's report indicated that Williams failed to yield the right of way.

night, Dec. 29, but early Thursday morning the line gave again.

Bida's department was flooded with other calls from harried residents who reported their water service lines—those going from the City's water mains into their homes—had broken. As many as 75 to 100 of such service lines may have broken.

"Most of them are just old," Bida said. "We've had a jump in pressure from about 22 pounds to about 55 or 60 pounds. Some of these older galvanized lines just won't take it."

IN EACH CASE, if the break is within the property line (sidewalk) it is up to the individual homeowner to repair it.

"The main break doesn't bother me that much," Bida said. "I just hate to see people without water."

Bida's water problems have been compounded by trouble with the huge pump that operates the Six Mile well. That has been pulled, and is in the process of being repaired, to the tune of about \$7000.

Bida indicated that he expected many of the water troubles to be over soon, and that the increased pressure would continue to act as a flushing agent, ridding old service lines of rust.

Rust would appear in Plymouth water whether or not the source was a well, or the Detroit Water Supply department, Bida feels.

"For instance, in Livonia, the pressure from Detroit sometimes hits 150 pounds," Bida commented.

for its members and the community. Flexibility in planning and sensitivity to the community's changing needs are integral parts of this year's program.

Within the scope of the program will be an all out effort to advance civic interests and to further develop a unified and active public spirit.

Under study at the present time is a proposal for a week-end Leadership Conference designed to bring community leaders together to discuss the past, the present, and the future of the community. The conference is to be held outside the community so these leaders will be able to devote full time to the activities.

LEADERS from governmental units, school, major service organizations, religious organizations and Chamber representatives will be invited to attend.

During January, a course in Practical Politics will be held under the auspices of the Chamber's Legislative Committee. The course is designed to familiarize the participants with the "party system" as well as the organization of local, state, and federal government.

While the course is of a non-partisan nature, it will encourage citizen participation in political activities. The legislative committee will also review all pending legislation and will report to the Chamber membership all issues of vital interest to them.

While there are many other facets to the 1966 Program (too many to detail), they are all pointed toward more citizen participation in community life and increasing the spirit of cooperation to assure the best social-economic climate within the community.

## To offer Family Law course

The University Center for Adult Education, in cooperation with the Plymouth Public School Adult Education Program, is offering four university level, non-credit courses in Plymouth during the winter term.

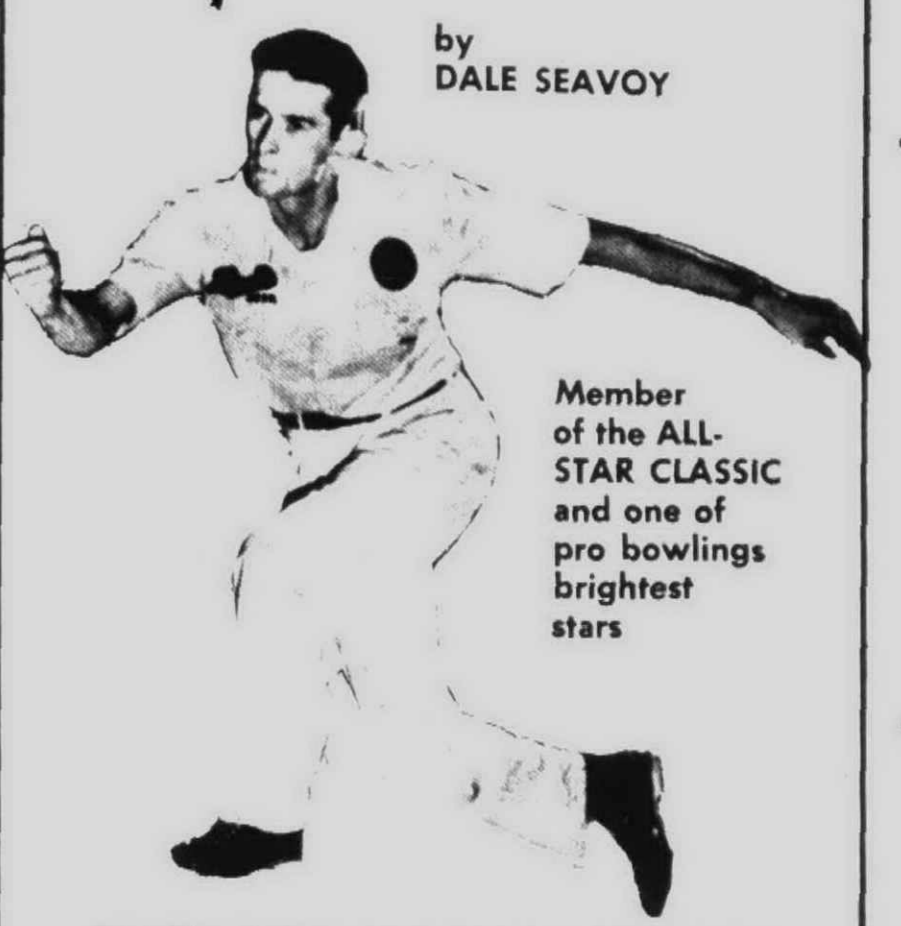

Two courses will meet from 7:30 to 9:30 p.m. at Plymouth High School. They are Oral Communication Skills, theory and practice in public speaking on Wednesdays and Business Psychology, on Thursdays. The others, Law for the Family on Tuesdays, and Meet the Artist, illustrated lectures by Michigan artists, on Fridays, will meet from 10 a.m.

to 12 noon at Dunning Hough Library. Tuition for these eight-week courses which begin the week of January 24 is \$17.

REGISTRATION for these courses can be made in person at Plymouth High School, 650 Church, beginning Jan. 3, or by mail or in person at the Rackham Building offices of the University Center for Adult Education, 60 Farnsworth, Detroit.

For further information on these courses contact Herb Woolweaver at Plymouth High School, 453-3100. For information on all University Center courses call 831-4310.

**ORDINANCE NO. 314**

AN ORDINANCE TO ESTABLISH AND REGULATE REFUSE DISPOSAL SITES IN OR OPERATED BY THE CITY OF PLYMOUTH.

THE CITY OF PLYMOUTH ORDAINS

Section 1. Definitions

a. A refuse disposal site is defined to be a place designated by the City Manager where ashes, refuse, garbage and rubbish may be deposited.

b. An inspector is defined to be a person designated or appointed by the City Manager to have charge or control of a refuse disposal site.

Section 2. The City Manager, with the approval of the City Commission, is hereby authorized to select and locate such refuse disposal site or sites as he may deem necessary upon any land owned or leased by the City or upon land privately owned, subject to consent having first been secured by the City from the owner.

Section 3. The City Manager is hereby authorized to employ inspectors to have the care and control of such refuse disposal site or sites. Such inspectors shall be clothed with police power and duly authorized to make arrests and shall enforce the rules that are or may hereafter be promulgated for the government and control of refuse disposal sites and shall protect property of any and all kinds that may be placed thereon.

Section 4. No person, except the inspector in charge, shall at any time set fire to any part of such refuse disposal site or any materials or things thereon.

Section 5. No person shall take, remove or carry away anything deposited on such refuse disposal site nor in any other way interfere therewith, except by permission of the City Manager.

Section 6. No person shall dump or deposit any ashes, refuse, garbage or rubbish in any place in the City of Plymouth except in a refuse disposal site duly designated as such by the City Manager, as provided by Section 7.

Section 7. The City Manager, with the approval of the City Commission, is authorized to license the use of private property within the City of Plymouth as a private refuse disposal site subject to such reasonable terms and regulations as he may deem necessary for the protection of the public, which rules and regulations shall at all times be subject to revision, cancellation, alteration or amendment by the City Commission; provided, however, that any such permit shall be revocable at any time without cause and without previous notice by the City Manager or by the City Commission.

Section 8. No person shall be permitted to dump any ashes, refuse, garbage or rubbish in any such refuse disposal site without a permit issued by the City Manager, which permit shall state the time the refuse disposal site is open for use and shall be issued upon the payment of such charges as the City Commission by resolution prescribes. No motor vehicle shall be dumped or deposited at any such refuse disposal site.

Section 9. The City Manager is hereby authorized to make such rules and regulations for the proper management and use of such refuse disposal sites and notice thereof shall be given by posting same in a conspicuous place at each such refuse disposal site. Any violation of such rules and regulations shall be deemed a violation of this ordinance and punishable as such.

Section 10. Any person violating any of the provisions of this ordinance or of the rules promulgated by the City Manager shall be punished by a fine of not more than \$100.00 or by imprisonment of not more than ninety days, or both such fine and imprisonment in the discretion of the court.

Section 11. This ordinance supersedes Ordinance No. 101, which is hereby repealed.

Section 12. This ordinance shall be declared an emergency ordinance and become immediately effective.

Made, passed and adopted by the City Commission of the City of Plymouth, Michigan this 3rd day of January, 1966.

# Principle should count in street vacation

Thomas Cape, engineer and Plymouth apartment developer who has appeared before the City of Plymouth Commission on numerous occasions, was back Monday night, with a request for vacation of a portion of Byron Ave.

Two weeks ago the City denied the request for more land (Byron Ave.) — land Cape notes he needs to fill out present land density requirements for two of his Bryn Mawr apartments.

The City Commissioners voted to re-open the question, and spent an hour in parliamentary debate about what to do next.

Frankly, the problem of Thomas Cape vs. the City has had a too long and too loud airing.

All citizens are presumed to know the law. Yet Cape built apartments on land that didn't have enough density

per unit. He was thus left with two units "red tagged" by City building inspector Chuck Thompson, who refuses to allow them to be occupied until enough land is available, all in accordance with the City's multiple dwelling ordinances.

This summer Cape paved Byron Ave. without the City's permission. Later he was brought to court for allowing an apartment unit to be occupied without a final inspection OK from Thompson.

When Cape first began the project, he took out building permits for single family residences, roughing in apartments with all areas except kitchens. The number of kitchens determines in part whether a structure is multiple family or not, and Cape labeled his kitchens "lounge areas."

He insulted City employees and

City Commissioners in public meetings.

He has been told yes, then no, then yes, then maybe for what seems an interminably long time.

Clearly, he has put the City Commission up a tree, or over a barrel. The City agreed earlier this year to vacate a portion of Byron Ave. Then Cape came back for more of Byron Ave. to meet land requirements.

The three property owners across the creek from the portion of Byron Ave. protested the vacation vigorously at a public hearing two weeks ago.

A principle is involved: To what extent may an individual twist a rule and transgress laws that the

general public is expected to obey?

The City Commission has put itself in a position of being in a corner with a tag end of Byron Street to maintain, two vacant apartments, and Mr. Cape, who, at one point a few months ago, told the commission unless he got the land immediately, he was washed up.

Just for the principle of the matter, the City should retain their portion of Byron Ave., at some small cost to the taxpayer, and thwart Thomas Cape, thus showing:

Laws apply to everyone, and; A principle can be more important than a few dollars saved.

## Township needs counsel

Plymouth Township has been without the service of a regular Township Attorney for nearly one-half a year.

The situation is rapidly approaching the critical state as the lack of much-needed legal opinions sidelines action on several important issues.

Regular Township Attorney Earl Demel has been seriously ill for several months, and has been unable to appear at Township Board meetings, or to write legal opinions.

His sage, experienced and calm voice has been sorely missed.

A Wayne County Circuit Court Judge-elect, and Township resident, Thomas Foley, has handled one or two of the Township's legal questions on an interim basis. But he assumed his duties as a newly elected judge at the beginning of this year.

Several items, such as the swimming pool ordinance and three or four requests for opinions from the planning commission have been carried over for several months.

Important questions face the Township in the next few months, and sound legal opinions should be on hand for action.

The vast growth planned for in the recently completed 701 master plan for Township comprehensive development will need legal interpretation. The financing of expanded Township buildings and services alone require the services of an experienced attorney.

In years and months past, Demel provided that service, with extraordinary skill. Now, because of a severe illness, he is not available.

A full-time, interim Township attorney is needed; one who can attend the meetings, and advise the Board on the proper steps.

It's been too long now. An attorney is needed before the board, operating without legal advice, inadvertently finds itself in an untenable legal position.

### Hear Cape

(Continued from Page 1) Hubbs, Harold Stevens and Robert Gilles.

Commissioner George Lawton also favored consideration of Cape's request, asking for a long look at the City's soon-to-be-adopted new zoning law.

Cape has been before the Commission with several problems, including his paving of Byron Ave. this summer, an action then termed illegal by City Attorney Edward Draugelis.

In other action, the City fathers:

- Received an audit of the municipal court records, which indicated that everything was in order.

- Received notice of a hike in sewage disposal rates — an increase that will show up on City water bills.

- Heard a report from City Manager Richard Blodgett on discussions with Plymouth Township concerning transfer of certain water mains.

## Ecumenical dinner planned

family structure, the panel will bring up the apparent increase of juvenile problems, divorce rate, breakup of family unit, and the youth with "nothing to do." They will also discuss contributing factors to these problems and attempt to focus the church's role in contributing to the

solution of these problems.

Other topics will be discussed and, if last year's dinner is any barometer, everyone who attends will leave better informed and better acquainted with their neighbor's church, according to members of the Plymouth Ministerial Association, who are sponsoring the event.

A few words about the noble pursuit of hunting as it is practiced in Twentieth Century Michigan, the devotees of this clean and healthful sport and editorial comment by one of the Detroit area's electronic media.

Modern man, as we all know, spends most of his workaday life doing battle with horrible misgivings about his masculinity. Between Mom and the spouse — let's face it — he just ain't what he used to be.

Breadwinner, yeah. Babysitter, sure. But hairy-chested he-man? Not on your life.

Not, that is, until the leaves turn, the air grows crisp, the white stuff falleth and he ventures into the forest primeval armed with insulated clothing, a high-powered scope-equipped weapon, bourbon, a deck of cards and red, white and blue plastic chips.

Then he becomes a razzle-dazzle, rough-and-tumble deerslayer.

Much of what I say is colored by over a year's experience in the heart of Northern Michigan's recreation land where I was more or less gainfully employed by the local county seat newspaper.

My boss, who I believe almost had his head removed by a wayward shell fired one hunting season, limited his activities to venturing cautiously into a camp or two to check on the annual kill.

While he was an ardent duck hunter, he left me with the impression that he'd rather fight than hunt during deer season.

I, on the other hand, borrowed a modified 8 mm. Mauser from the local conservation officer and tried my hand at ye grande and glorious olde sporte.

But then work picked up during the season and I found myself out at odd hours of the night taking photographs of the spirit soaked remains of deer stalkers who had ended up spattered about in the crumpled interiors of their cars.

One day it was a hurried trip thirty miles to the north at 4 a.m. to preserve on film the grisly history of a head-on collision; and the following morning at 3 it was off again to snap pictures of an ill-fated fellow who had attempted a U-turn in front of a trailer truck.

With that kind of a schedule, one became too tired to lurk in the woods and stamp one's feet to keep them thawed while sneaky deer peered out at you from covering underbrush.

So I made it my business to spend the season, in large part, talking to Conservation Department officials, riding through the forest with them at midnight in search of huntsmen who had lost track of time and discussing the concept of the antlerless deer permit.

Now, for the most part, the local citizenry looked askance at any-deer hunting.

"It will deplete the herd," they commented.

"It ain't fair," they said.

And the inference was that no red-blooded American boy would take a shot at a female or under-aged deer.

Many of the red and black-checkered sportsmen said they felt the same way. It didn't matter to them that does and fawns and, for that matter, elegant bucks would starve to death over the long winter from lack of forage.

They couldn't see that the area was overgrazed and they pointed with hoary pride to the aged adage of "survival of the fittest" as conclusive proof that the Conservation Department's control policies were foolish and ill-conceived.

Now WXYZ-TV, sister station to Detroit's radio purveyor of cultural nausea, has joined the hue and cry of the uninformed and the self-styled hunting Hercules.

Their ultra-prolific PR department is heralding the fact that the enlightened boob tube has "joined forces with hunters across the state, and the general public, in calling for the State Conservation Department to suspend the 10-year policy of issuing permits to kill antlerless deer."

One John F. Pival, president of the station, took to the airwaves to note that "thousands of hunters in all parts of Michigan, and the populace of the northern deer herd areas, are convinced the deer population has been depleted by the controlled any-deer policies."

Gee, that's neat. I think it's swell that a communications executive says, "It's time for those experts in Lansing to realize they're supposed to be serving the people of the state. If the people want it that way... doe hunting should be stopped."

Obviously, if one drives the freeways, it becomes apparent that the people of the state think the 70 mile an hour speed limit is a big bunch of baloney; and, since they want it that way, maybe it's time for those experts in the Highway Department to recommend that we abandon all speed limits and dissolve the State Police.

Frankly, a lot of my friends think television programming is for the birds.

Maybe certain experts should listen to them for a change, too.

Mr. and Mrs. Dennis M. Wilson

### Joyce Hagerman wears silk organza for marriage

Wearing a floor length gown of silk organza, Joyce Lee Hagerman became the bride of Dennis M. Wilson Saturday evening, Dec. 4, in a double ring ceremony. The 7 o'clock ceremony was performed by the Rev. Henry J. Walch in the First United Presbyterian Church.

The bride is the daughter of Mr. and Mrs. Ross Hagerman of Huntington Drive. Parents of the bridegroom are Mr. and Mrs. Monroe Wilson of Newnan, Ga.

The bride was given in marriage by her father. Her gown was detailed with lace and pearl trim and the silk organza train was held by a double sash in back. Her colonial bouquet was of white

### Park-Woods Wanderings

Dr. and Mrs. Frederick B. Foust of Woodland Pl. had house guests for Christmas weekend. Dr. Foust's parents, Mr. and Mrs. Floyd Foust of Bryan, Ohio, and Mrs. Foust's father, Fred H. Livermore of Ann Arbor, were on hand to help hang stockings and open packages.

The John Conns of Elm St. needed a list to keep track of the various comings and goings. In addition to their perpetual open house for their four daughters, they entertained house guests. For Christmas, Mr. Conn's father, George F. Conn, Sr. and his brother and family, the George F. Conns Jr.s., and their four children journeyed up from Dunkirk, Ohio. On the Monday following Christmas, their nephew, Thomas Murray, flew in from Marblehead, Mass.

Mr. and Mrs. Rudy Fox, Andrew, Carl and Margaret, are sporting Christmas tans — gifts from the Florida sunshine. The Foxes left on Dec. 22 for a Christmas visit with Mrs. Fox's parents, Mr. and Mrs. Carl Sturzenegger of Ft. Lauderdale, Fla.

There was no lull after the storm for Mrs. John Jacobs, who, weather permitting, returned from a New Year's week-end ski outing in time to be hostess to Plymouth Panhellenic in her home on Linden on Jan. 3. Co-hostesses were Mrs. J. B. Bates and Mrs. John Hopkins.

It would seem that with the Christmas holidays, taking exams at Schoolcraft College and preparing to move out of the city would be enough for one person to handle. But not so with Mrs. Harry Wiley of Carol St. Besides doing all these last week, she welcomed exchange student German Ott from Montivideo, Uruguay as a part of their family for the next six months. German, 16, will attend school in Fremont where the Wileys are moving this week.

### Garden club to see African flowers

"Therapy in Africa" will be the topic of guest speaker, Mrs. A. E. Van Ornum, at the regular meeting of the Michigan division of the National Farm and Garden Association on Monday, Jan. 10. The meeting will be held at the home of Mrs. Charles Westover, 1406 W. Maple.

Mrs. Van Ornum, who visited Africa last summer, will show slides of flowers and shrubs which she photographed in Liberia and also discuss the culture of the Africans.

Tea hostess Mrs. Dale Dauderman will be assisted by Mrs. Byron Becker, Mrs. Leo Crane, Mrs. Walter Roberts, Mrs. Russell Roe, and Mrs. Woodrow Ross.

### Baby talk

Mr. and Mrs. Edward Soleau of Northville, formerly of Plymouth, have announced the birth of an 8 lb. daughter, Annette Cherie, on Dec. 19 in St. Mary Hospital, Livonia. Grandparents are Mr. and Mrs. Benjamin Soleau and Mr. and Mrs. Joseph Nagy, both of Plymouth.

Mr. and Mrs. Arthur Anderson of Ross St. have announced the birth of a 9 lb., 4 oz. son, Scott Arthur, born Dec. 20 at Martin Place Hospital, Detroit. The Andersons also have a daughter, Kelly, 2½.

Mr. and Mrs. Ronald Frederick Hesse of Northville have announced the birth of a 6 lb. son, Ronald James, at 12:50 a.m. Jan. 1, 1966, in Ridgewood Hospital. Young Ronald was the first baby born in Ridgewood for 1966. Mrs. Hesse is the former Rosemary Steele. Grandparents are Mr. and Mrs. Ronald Frank Hesse of Warren Rd. and Mr. and Mrs. James Steele of S. Harvey St.

### Engaged

Hollis Jean Haynes Mr. and Mrs. Chester H. Haynes of Simpson St. have announced the engagement of their daughter, Hollis Jean, to Ronald Paul Oselka.

The prospective bridegroom is the son of Mr. and Mrs. Paul F. Oselka of New Buffalo.

The bride-elect is a 1962 graduate of Plymouth High School and a senior at the University of Michigan. She is affiliated with Delta Gamma sorority.

Her fiancé is a graduate of Michigan State University and will be a 1966 graduate of the University of Michigan Law school. He is a member of Phi Kappa Tau fraternity.

A May wedding is planned.

### MSU student returns from Venezuela

Earl Threadgould, son of Mr. and Mrs. Earl Threadgould Sr. of Michigan Ave., recently returned from a six month's trip to Venezuela as an International Farm Youth Exchange student under the sponsorship of the National 4-H Foundation in Washington, D.C.

While in Venezuela Earl lived with six different host families and visited an agricultural college. Since his return he has appeared on the television program, "Country Living," on the Howard Heath Program (Ann Arbor), on WWJ radio and has been guest speaker at several club meetings where he showed slides and gave a talk of his visit.

Any group interested in having him as a speaker may call the Wayne County Agricultural Extension Office, PA 1-6500. Threadgould will be available on weekends only as he is currently continuing his studies in his senior year at Michigan State.

### Install officers in Rosary Society

New officers will be installed and a guest speaker is slated at the regular meeting of the Rosary Society of Our Lady of Good Counsel Church on Wednesday evening, Jan. 5.

A member of the JayCee's will tell the ladies of the progress of the Sheltered Workshop for mentally retarded adults.

Receiving the gavel from Mrs. Richard Doherty will be Mrs. Bernard McMahon, the new president.

Other officers are Mrs. Robert McVoy, first vice president; Mrs. James Schomberger, second vice president; Mrs. James Parks, secretary; and Mrs. John Herb, treasurer.

Mr. and Mrs. Thomas Dolan

### Reveal marriage of Thomas Dolan in Italy

Lucia Vitale of Florence, Italy, and Thomas Dolan were married July 21, 1965.

The bridegroom's parents are Mr. and Mrs. Frank Dolan of Chubb Rd.

The couple were married in St. Maria Catholic Church in Compo, Italy with the bride's mother, Mrs. Nellie Vitale of Naples, in attendance.

The bridegroom attended South Lyon High School and

enlisted in the U. S. Navy six years ago.

### PLYMOUTH PANTRIES Try this festive salad Sunday

MRS. FRANK BRIGGS of Palmer St. is mixing up her Best Cranberry Salad which is good for any festive dinner, she says.

While cranberries are in season, it's always nice to find different ways to use them. Mrs. Frank Briggs of Palmer St. suggests her Best Cranberry Salad for any festive dinner.

The Briggs moved to Plymouth three years ago when Mr. Briggs was transferred from Cleveland, Ohio by the Ford Motor Co. Before that they traveled with the U.S. Navy for five years.

Mrs. Briggs is a member of the Plymouth Cooperative Nursery where her son, Brian, 4, attends classes. A member of the Ex-Newcomer's Club, she is also chairman of the Gourmet group of the New-comers and a member of a couples gourmet club.

She says she enjoys reading, cooking and an occasional

game of bridge.

Her cranberry salad can be made very pretty with the garnish she suggests.

**BEST CRANBERRY SALAD**

- 4 C. fresh cranberries
- 2 C. sugar
- 2 C. red grapes
- 1 buffet can pineapple tidbits, drained
- 1 C. heavy cream, whipped (sweeten, if desired)

Put cranberries through grinder (coarse blade). Sprinkle with sugar and let drain overnight. (Use juice for fruit drink.) Cut grapes in half and remove seeds. Peel, if desired. Add grapes, pineapple and nuts to well-drained cranberry mixture. Fold in whipped cream. Garnish with pineapple rings cut in half and a whole grape to make a flower design. Serves 6.

### Gala parties usher in New Year

The New Year just couldn't be ushered in without a party or two — and Plymouth had its share of gala events during the past week.

The Chet Clums of Carol St. entertained at two parties last week. On Dec. 29 about 20 guests gathered at the Clums for an open house. Again on New Year's Eve about 12 persons ushered in 1966 with a dinner at the Clums.

Mr. and Mrs. Charles Hornbrook, Barbara Ann, Scott and Sue from Montague, Mich. had their second Christmas on New Year's weekend at the home of Mr. and Mrs. Carl Hartwick on Clemons Drive. Mrs. Hornbrook is the former Mary Lou Hartwick. The Hartwicks entertained 22 guests at a buffet dinner at their home on Saturday, Jan. 1.

A progressive cocktail party was held on Dec. 29 starting at the home of Mr. and Mrs. Joseph George on Evergreen St., progressing to the Ted Sprague home on Beech St., the Joseph Voss home on Beech St. and ending at the Bernard Schmitz home on Beech for coffee.

Another party on New Year's Eve took place at the Nagel Post home on Byron St. Guests for dinner and bridge included Mr. and Mrs. Thomas Notebaert, Mr. and Mrs. George Kenyon, and Mr. and Mrs. Jack Hoffman.

And who would think it possible to grill steaks outdoors on New Year's Eve? That's just what Mr. and Mrs. Jack Cassini and Mr. and Mrs. Harry Wiley of Carol St. did when they found every restaurant in the area filled to capacity.

With no snow in the north country the John Jacobs of Elm St. and the Fred Rogers of Clare Blvd. had to cancel their skiing weekend and instead got together a group of friends to usher in the New Year at a party.

Hosts at still another New Year's Eve party were Mr. and Mrs. Ben Williams of Beech St. who entertained about 30 guests at their home.

MR. AND MRS. ROBERT McVOY of 15320 Lakeside Dr. believe in becoming vitally involved in the community in which they live. After being Plymouth residents for just three months, Mrs. McVoy is first vice president of the Rosary Society at Our Lady of Good Counsel church and a member of the hospitality committee of Farrand PTA. She is interested in the Plymouth Symphony League and both McVoy's are avid tennis and golf fans. As district sales manager for Lehn and Fink Products, which handles sundry drug store items, Mr. McVoy moved his family to Plymouth from Grand Rapids. They like the quaintness of Plymouth and the friendliness of its people, says Mrs. McVoy. Shown above are Mr. McVoy, in the background, Mrs. McVoy, right, holding James Patrick, 1, and Michelle, 5, front right. On the left is Robert, 7, and Kevin, 3.

### Need volunteers to address 1966 Easter Seal envelopes

The Easter Seal Society of Western Wayne County is ready to welcome any number of volunteers interested in addressing envelopes for the 1966 Easter Seal Appeal which runs from March 1 - April 10, 1966.

Mrs. Jane Devereaux, executive secretary, points out that the preparation of the mail appeal offers opportunities for many clerical volunteer workers.

"Persons interested in either typing or hand-addressing are needed," she said. "Some people welcome the opportunity to come to the Center to work with other volunteers, and at the same time to see a part of the service program in operation. Others who cannot be away from their homes for a day or half a day prefer to pick up the material at the Center and work at home."

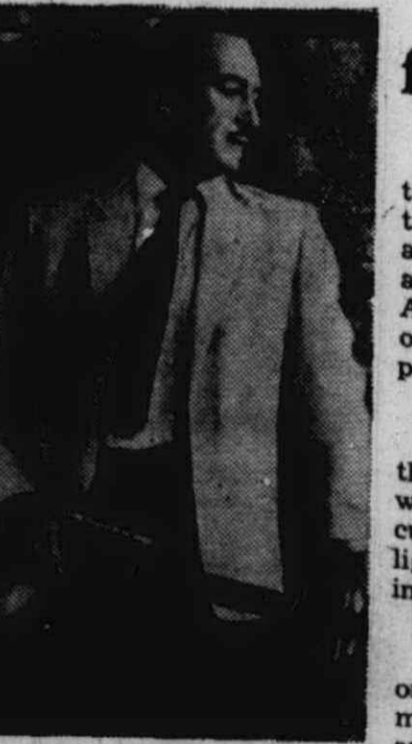

The local appeal finances year-around classes and clubs for crippled children, teenagers and adults; information and referral services to help individuals to find and to use effectively special services which exist in the community; an equipment loan closet and assistance with special individual problems for which no other community resource exists. Last year the Society served 522 children and adults, disabled from over one hundred causes, including many for whom new medical research findings as to causation and treatment have come too late.

The local Society is an affiliate of the Michigan Society for Crippled Children and Adults and the National Society for Crippled Children and Adults.

Volunteers may reach the Society by calling PA 2-3055 between 8:30 a.m. - 4:30 p.m. weekdays or by visiting the Center at 2545 Hyde Park Drive, near Middlebelt and Michigan, Inkster.

### LOUISVILLE VISITORS

Mr. and Mrs. Godber Jackson of Amelia St. traveled to Louisville, Ky. for a Christmas visit with their daughter and her family, Mr. and Mrs. Glenn Schroeder. Mrs. Schroeder is the former Margaret Jackson.

David Niven plays the most adventure-filled role of his career as Dr. Jason Love. British espionage agent in MGM's spine-chilling thriller, "Where the Spies Are," which runs Jan. 5 through 11 at the Penn Theatre. Nightly showings begin at 7 and 9:05 with Sunday showings at 5, 7 and 9:05.

### Girl Scouts make plans for outings

Plymouth Girl Scouts will take part in the demonstrations of outdoor equipment and plans for summer outings at an afternoon session at Arborland near Ann Arbor on Jan. 8 from 1:30 to 4:30 p.m.

Seventh grade girls and up through grandmothers are welcome to come to the discussion of comfortable and lightweight hiking and camping equipment.

Those attending will be in on preliminary plans for monthly walking excursions and future trips, and will hear people who have taken pack trips recently.

Nancy Kemp, Huron Valley Girl Scout, who attended National All-States Encampment in North Carolina last summer, will be on hand.

All who like to "pick-up-and-put-'em-down," out-of-doors strollers, sprinters and climbers are welcome.

## Plymouth Hi-lites

by Judi King

Christmas and Santa Claus and vacation have come and gone. The trees are down, the ornaments put away for another year.

The alumni have returned to their respective schools. Kellogg Park is back to normal.

Term papers, book reports, and 100 word themes are finished — hopefully.

And the New Year — the vintage year — of 1966 has come!

With an effect as chilling as the outcome of the Rose Bowl, seniors are reminded that College Boards are to be held once again this Saturday, Jan. 8. Countdown (?) has also started for — the final exams, Jan. 28 and 27!

Several dances will be held this month. On Jan. 7, the Future Teachers will sponsor the dance, the Spanish Club on Jan. 21, and the Fireman's Association after the games on Jan. 14, 22, and 28.

Two guidance meetings will be held for parents within the next two months — on Jan. 11 for the parents of the juniors and on Feb. 8 for the parents of the sophomores. Parents will be given a chance to ask counselors any questions they might have about the curriculum and the college future.

### ON LEAVE

Pvt. David R. Evans, 17, son of Mr. and Mrs. Clyde O. Evans of Elmhurst St., visited his family over the Christmas holidays. He returned to Ft. Benning, Ga.

### 60-PLUS CLUB

The first meeting of the new year for the 60-plus Club will be held Jan. 10, with the usual pot luck dinner being served at noon at the First Methodist Church.

The doors of the church will open at 10 for the men to roll bandages and the women to sew cancer pads.

# Kamego will conduct political action class

John Kamego, Plymouth manager of Michigan Bell Telephone Company, will coordinate and conduct the non-partisan political action course which begins Jan. 18 in Plymouth.

Kamego has conducted similar courses for telephone employees. He has been active in community affairs, serving as general chairman of the recent Plymouth Community Fund drive.

The course has been arranged by the Plymouth Community Chamber of Commerce in response to numerous requests. It is completely non-partisan and leaders from both major political parties will participate in the discussions.

**THE MEETINGS** will be held each Tuesday evening at 7 p.m. at the Plymouth Chamber of Commerce offices, 455 South Main Street. The course will consist of eight sessions. The enrollment fee is four dollars which covers the cost of booklets and other materials furnished; a single enrollment covers both husband and wife.

The Chamber is making the course available to all members of the community. Anyone wishing to enroll may call GL 3-1540. Those interested, who have not yet enrolled, are

urged to call this week so that sufficient course materials can be made available for the first session, Jan. 18.

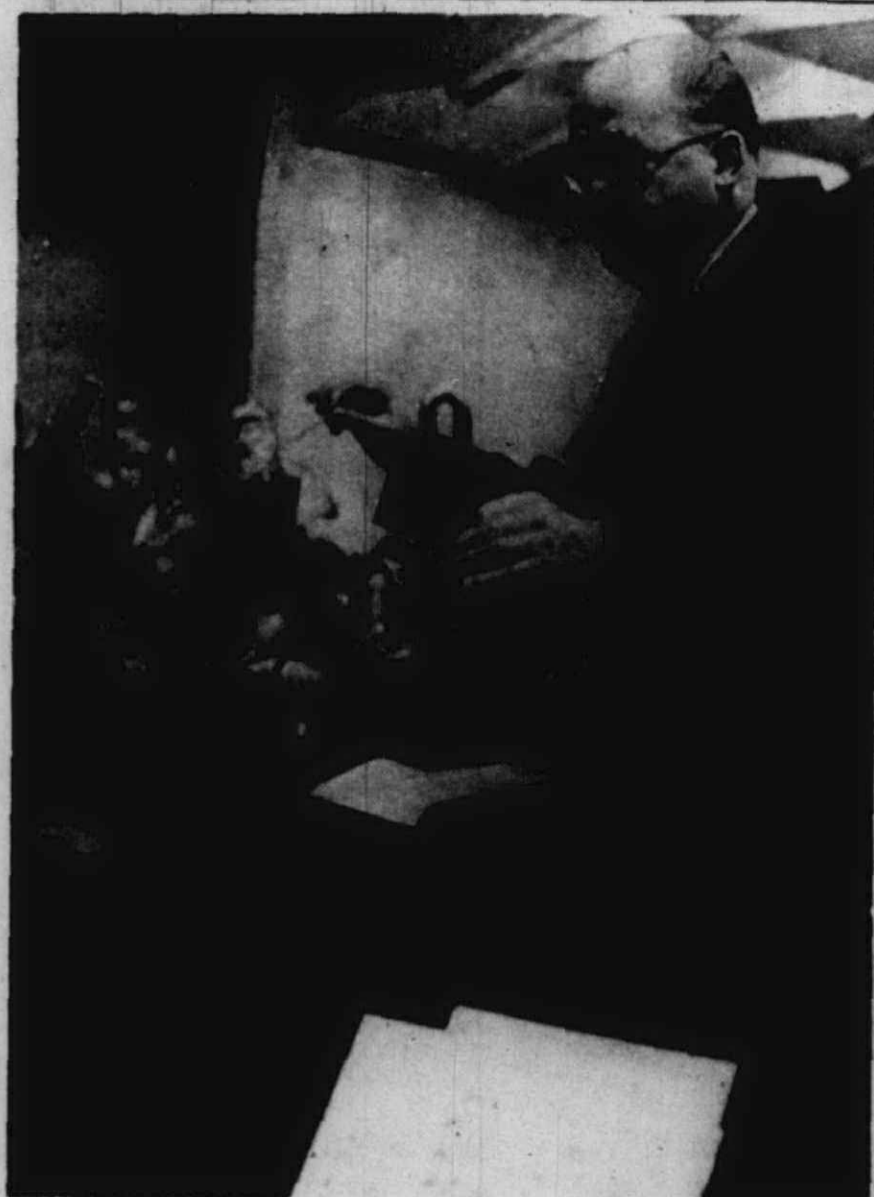

The course will review the organization structure of city, county, state and national government and study the political process through which leaders are elected. Those completing the course can expect to be more effective and knowledgeable citizens, according to Chamber officials.

... working to sell MICHIGAN 365 days each year!

In the next five years, Michigan will need about 100,000 new jobs each year, just to sustain population growth. The key to creating these new jobs is industrial expansion. And Consumers Power Company's Area Development department is working constantly to help existing industry and bring new industry to this area. One phase of this effort is to advertise regularly for new industry in national publications like The Wall Street Journal and Business Week. These topical advertisements, shown above, reach over 1 million readers. Helping provide the jobs we'll be needing tomorrow is part of our obligation to serve the people of Michigan. It's another nice thing about having Consumers Power as your neighbor.

## Consumer's Power to spend \$134 million in '66

Consumers Power Company will invest a record \$134,000,000 during 1966 on construction and expansion projects designed to meet the growing needs of the electric and gas customers it serves in 67 of the 83 counties in Michigan's Lower Peninsula.

The company invested \$100,000,000 during 1965 on such projects.

A. H. Aymond, chairman of the board, and James H. Campbell, president of the company, made the announcement.

Highlights of the 1966 program include the investment of \$75,000,000 in electric projects, \$51,000,000 in gas projects, and \$7,000,000 in office buildings and additions to existing office, service, fleet and warehouse facilities.

Electric projects include the continuing construction of two generating facilities. The largest, a 385,000-kilowatt addition to the James H. Camp-

bell steam-electric plant at Port Sheldon, west of Grand Rapids, is scheduled for completion in March, 1967. A 70,000-kilowatt power peaking plant, for use in emergencies and at times of highest power demand on the system, is being installed at Gaylord. This will be completed in June, 1966.

**MAJOR HIGH** voltage transmission system projects include construction of large substations south of Flint and just east of Grand Rapids, to strengthen the bulk power supply to these areas.

The company's gas distribution department will continue to grow at a rate considerably above the average growth of gas distributing companies in general. This will require additional supplies of natural gas from the Southwestern states for the company's customers.

During 1966, the company expects to add 20,000 new electric customers to its lines, and more than 38,000 new gas customers. The company now serves just over 950,000 electric customers, and 670,000 natural gas customers.

## GOP plans Lincoln dinner

Plans for a Lincoln Day Banquet and 1966 Campaign Kick-Off were formulated at last Wednesday evening's meeting of the Plymouth-Northville Township Republican Party.

Initial plans include a low-cost "Michigan" dinner to be held Feb. 10 at the Plymouth Mayflower Meeting House with high-ranking Republican leaders on hand to discuss the coming election year.

In other action by the 15-man board of directors a policy committee was established, a vice chairman and secretary were elected and three new board members were appointed.

Purpose of the policy committee is to enable members to meet on short notice when events—local, state or national—affect the Republican party in the community and draft position statements on behalf of the local G.O.P.

**MEMBERS** of the committee are Carl Purcell, of Sheldon Rd.; Cynthia Eaton, N. Territorial Rd.; Ed Johanson, Turkey Run, and Dr. Ray Barber, Harding St. E. O. Bud Weber and Mrs. Robert Arlen, both of Northville Township, will act in the same capacity on issues pertaining to that area.

Appointments included Cynthia Eaton as vice chairman, E. O. Bud Weber as executive

secretary and Vic Pelson, of Marilyn St.; Richard Arlen, Hartsough St., and John Tripp, of Burroughs were elected to the board of directors.

Chairman Carl Purcell announced that the Organizational Table for the 1966 Campaign has been approved and that directors have been named. They are: John Tripp, City of Plymouth; Vic Pelson, Plymouth Township, and E. O. Bud Weber, Northville Township.

Other items discussed included word from State Senator Farrell Roberts that the Apportionment Commission agrees to disagree and the apportionment problem will revert to the Supreme Court for settlement. Also discussed was the relationship of the local Republican party to City of Plymouth and Plymouth Township governments.

Special guest speaker at the meeting was Plymouth Mail General Manager Dave Wiley, who discussed the newspaper's role in relation to political affiliation.

**THE FEBRUARY** meeting—to be held on Thursday, Feb. 24, at 8 p.m. at the Plymouth Community-Federal Credit Union—will be an open meeting. Guest speaker George Lemble, of Ann Arbor.

### Obituaries

### City of Plymouth minutes

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, December 20, 1965, at 7:30 p.m.

**PRESENT:** Comms. Hudson, Jabara, Lawton, McKeon, Smith, Vallier and Mayor Houk.

**ABSENT:** None.

Moved by Comm. Lawton and supported by Comm. Jabara that the minutes of the regular meeting of December 6, 1965 be approved as written. Carried unanimously.

The Clerk presented bills in the amount of \$153,047.78.

Moved by Comm. Vallier and supported by Comm. Lawton that the bills, in the amount of \$153,047.78, as audited by the auditing committee, be allowed and warrants drawn. Carried unanimously.

The Clerk presented the following reports for the month of November: Assessor-Treasurer, Building Safety, D.P.W., Fire, Health, Municipal Court, Police, Survey, Treasurer and Budget Summary.

Moved by Comm. Smith and supported by Comm. Jabara that the above reports be accepted and placed on file. Carried unanimously.

The Clerk presented a communication from Ned Casner tendering his resignation from the Human Relations Commission, effective January 1, 1966.

Moved by Comm. Jabara and supported by Comm. Hudson that the resignation from Ned Casner be accepted, with regrets, and that a Certificate of Appreciation be issued to him. Carried unanimously.

Mayor Houk advised he had contacted the Ministerial Society requesting its recommendation for a new appointment, and also that Fr. Renaud, Chairman of the Human Relations Commission, requests the City Commission to attend its meeting to be held on January 19, 1966 at 8:30 p.m.

Rev. Arnold Kehrl and Mr. Ezra Rotnour expressed their views objecting to the discontinuance of the sidewalk snow removal service.

The City Manager distributed a communication from Vilcan-Leman & Associates with regard to parking, density and open space requirements for multiple family dwellings. The communication was accepted for study.

The City Manager presented a report from Police Chief Fisher advising that no complaints have been received from citizens relating to the taxicab service since the cab licenses were issued to the Mayflower Cab Co. and the Checker Cab Co.

Moved by Comm. Lawton and supported by Comm. Jabara that the Clerk be authorized to issue four taxicab licenses each to the Mayflower Cab Co. and the Checker Cab Co. Carried unanimously.

The City Manager presented a tabulation of bids for parking meters, recommending the bid of R. E. Reed for 150 Duncan meters, at a cost of \$33.50 each, less 5% in 60 days.

Moved by Comm. Vallier that the bid of R. E. Reed for 150 Duncan meters be accepted and that meters be installed around Kellogg Park. The motion failed for lack of a second.

It being 8:00 p.m., the Mayor opened the hearing on vacating the balance of Byron Street from the existing vacated street to McKinley Avenue. J. Rusing Cutler, representing Mr. Thomas Cape, spoke in favor of the vacating and advised that a right-of-way would be given to the adjoining property owners for use of the vacated street.

Messrs. Albert Hubbs, Harold Stevens and Robert Gillis, adjacent property owners, voiced their opinion opposing the vacating. Comm. Smith was excused at 8:16 p.m.

The City Manager was authorized to purchase 150 Duncan parking meters, plus the number required to be installed around Kellogg Park less those on the west side of Ann Arbor Trail from Deer Street to Elizabeth Street, from R. E. Reed, at a cost of \$33.50 each, less 5% in 60 days, provided the bid of Mr. Reed is as good a buy as the bid from the supplies, the Duncan Parking Meter Corp. Carried unanimously.

The City Manager presented an offer, dated December 14, 1965, from the J. and H. Trucking Company to operate the City's refuse disposal site in Salem Township for a period of 90 days, commencing January 8, 1966, or as soon thereafter as enabling ordinance is effective, recommending it be allowed to do so.

Moved by Comm. McKeon and supported by Comm. Vallier that J. and H. Trucking Company be allowed to operate the refuse disposal site for a period of 90 days, as outlined in its letter of December 14, 1965 and recommended by the City Manager. Carried unanimously.

The City Manager was requested to investigate and report relative to incinerators.

The City Manager advised that a savings could be realized on the City's liability and fire insurance by carrying the City's workmen's compensation insurance through the assigned risk plan, and recommended that the City take advantage of the savings.

Moved by Comm. Jabara and supported by Comm. McKeon that the City carry its workmen's compensation insurance through the assigned risk plan, as recommended by the City Manager. Carried unanimously.

The City Manager presented a report relative to City Water Services in Plymouth Township.

Moved by Comm. Vallier and supported by Comm. Lawton that the City Manager forward the information relative to mains and bending to Plymouth Township and advise that the Commission is willing to listen to any fair and reasonable offer for the transfer of the water services, but that it be emphasized that the City's bonds need to be protected. Carried unanimously.

Moved by Comm. Jabara and supported by Comm. Hudson that the 1965-1966 Annual Audit be accepted and placed on file. Carried unanimously.

A proposed Refuse Disposal Site Ordinance was read.

Moved by Comm. Lawton and supported by Comm. McKeon that the proposed Refuse Disposal Ordinance be passed its first reading. Carried unanimously.

Moved by Comm. Vallier and supported by Comm. Lawton that the regular meetings of the City Commission be held on January 10 and January 24, 1966, and then revert to the first and third Monday beginning in February.

Comm. Vallier requested that his motion be withdrawn, and since there were no objections, the motion was withdrawn.

Moved by Comm. Hudson and supported by Comm. Jabara that a Certificate of Appreciation be issued to Harry N. Deyo upon the termination of his term as Municipal Judge. Carried unanimously.

Moved by Comm. Lawton and supported by Comm. Vallier that the meeting be adjourned. Carried unanimously.

Time of adjournment was 10:00 p.m.

### Seek funds for scholarship

The Plymouth Assembly for Equal Opportunity is beginning its Scholarship Fund Drive.

The purpose of the project is to raise money to send a Negro boy or girl from the Metropolitan Detroit area to Schoolcraft College; the money will pay for tuition, books, and fees for a period of two years. The college will administer the scholarship and assist in the selection of a candidate.

The criteria will be need and merit.

If possible, the student will live with a local family and commute with other students from Plymouth. To help pay for these costs, a work-study program may be possible.

Private citizens, the Ministerial Association, individual church groups, and local businesses are contributing toward a goal of \$1,000.

Send contributions to Ron Smith, 870 Penniman.

**DECEMBER 14, 1965**  
 Supervisor McEwen called the meeting to order at 8:03 p.m. with all members being present.  
 Supervisor McEwen called for the reading of the minutes of the Regular Meeting of November 9, 1965. The Clerk stated that the item referring to approval of sewer and water plans for Lake Pointe Apartments should have the apartments designated "F. G. H." "J. K. L." and "M. N. O." to correspond with their identity on the plans. Also, that the list of bills designating the amount of \$308.00 being paid to Herald Hamill should have read Ken Evans for work in D.P.W. On motion of Elizabeth Holmes, supported by Ralph Garber, that the minutes be approved as distributed and corrections noted. Carried unanimously.  
 The minutes of an Executive Session held on November 10, 1965, were read and were unanimously approved on the motion of Ralph Garber, supported by Gene Overholt.  
 The minutes of a Special Meeting held on December 1, 1965, were read and were approved on motion of Gene Overholt, supported by Elizabeth Holmes, and carried unanimously.  
 This list of added bills and those sent out with the agenda amounting to \$39,509.89 were submitted. The Supervisor requested if there were any questions on the list of bills. Mrs. Holmes inquired about the bill for Plectron Corporation concerning the replacement of the receiver destroyed in the house fire in the home of firefighter James Gignac. She was informed that the insurance check for \$125.00 had been received covering the loss within \$25.88. Moved by Ralph Garber, supported by Gene Overholt, that the bills in the amount of \$39,509.89 be approved and warrants drawn. Carried unanimously.  
 On the motion of Dick Lauterbach, supported by Elizabeth Holmes, that the expenses for registration, food, lodging, and mileage, incurred by any members of the Plymouth Township Board for

attending the annual meeting of the Michigan Township Association, be held in Lansing, Michigan, on January 12, 13, and 14, 1966, be paid by Plymouth Township upon presenting receipts and expense voucher to the Clerk. Meals not to exceed \$1.00 for breakfast, \$2.00 for lunch, \$3.00 for dinner, room \$10.00 and mileage \$0.10 per mile as per schedule established at Board meeting of December 8, 1964. Carried unanimously.  
 Opinions submitted by Goetz & Goetz & Foley Re: Rezoning of NE corner of Ann Arbor Road and Haggerty Road from R1 to P.O. was in the affirmative. Act 184, Public Acts of 1963, is silent on the question of time restrictions requiring action by the Township Board after receipt of proposed amendments. On the motion of Elizabeth Holmes, supported by C. Veach Sparks, that the NE corner of Ann Arbor Road and Haggerty Road be rezoned from R1 (One Family Residential) to P.O. (Professional Offices) carried unanimously.  
 Petition of Frank and Julia Mangogna for rezoning from R1E, Country Estates to C2, Commercial. The request of Mrs. Mangogna that the Township Board rezone their property after a denial of rezoning by the Plymouth Township Planning Commission on September 15, 1965, received a negative answer: Ordinance 14, Section 22.02 requires an applicant to wait one year before applying for rezoning after denial. After considerable discussion by the Board members of Mrs. Mangogna, Mr. Foley stated that all legal requirements were fulfilled in the adoption of Ordinance No. 14 and the only way to remove the recommending Ordinance, and that the applicants recourse is to amend the Ordinance, and that the applicants recourse is in a court of law. The applicant stated that was her present intention.  
 Mr. Foley stated that he would have a report on the legal interpretation of the Swimming Pool Ordinance before December 31, 1965.  
 On the motion of Dick Lauterbach, supported by Gene Overholt, a typographical error in the annual increase in fireman's pay of \$150.00 from the sixth year to seventh year be corrected to read \$50.00 to the \$100.00 increase from the seventh year to eighth year to read \$5,000.00.  
 Motion by Dick Lauterbach, supported by Gene Overholt, that Captain C. L. Maas be paid \$77.50 less withholding and social security which will take care of the error up until January 1, 1966, and his pay be tabulated on the corrected basis from this point forward. Carried unanimously.  
 Engineer Hamill reported that the cost of approximately 1,500 feet of 18" diameter sewer at 18" depth is estimated at \$36,000.00 and for the total distance between Ann Arbor Road and Joy Road (approximately 3300') would be \$59,000.00. Motion by Elizabeth Holmes, supported by Louis Norman, that the Board be authorized to draw plans for 15" sewer from Ann Arbor Road to Joy Road (approximately 2600'). Carried unanimously.  
 On the motion of Dick Lauterbach, supported by Ralph Garber, that Elizabeth Holmes write a letter to the Spartan Corporation and Plymouth Area Planning Commission informing them that sewer facilities will be available on Haggerty Road, between Ann Arbor Road and Joy Road in time for their construction. Carried unanimously.  
 Members of the Township Board after reviewing and discussing the Rules and Regulations for the Township Fire Department, very highly commended the Board for a job well done. After considerable discussion it was moved by Elizabeth Holmes, supported by Ralph Garber, that the Fire Administration Board and the Civil Service Commission meet together and compile a final draft of these Rules and Regulations and present them to the Plymouth Township Board. Carried unanimously.  
 The 1965 amendments to the National Electrical Code was approved and adopted by motion by C. Veach Sparks, supported by Louis Norman. Carried unanimously.  
 Communication from Mr. Gottwald was read requesting permission to sign agreement, under protest, to connect to sewer and water facilities in Glenview Subdivision. After discussion of this request it was the opinion that to grant permission it would change the agreement for these facilities. On a motion by Dick Lauterbach, supported by Ralph Garber, that the request for permission to sign under protest be denied. Carried unanimously.  
 Also, a motion by Ralph Garber, supported by Dick Lauterbach, that Mr. Henry Gottwald apply for permit for sewer within 10 days after receipt of letter notifying him of the Board's action and that he sign agreement for water within 10 days after the water is available. Carried unanimously.  
 Communication from Mrs. Holmes, requesting clarification of the motion made at the meeting of September 14, 1965, of the Township Board, relative to transfer of \$50,000.00 from the Reserve Fund reserves to the construction fund.  
 On the motion of Ralph Garber, supported by Dick Lauterbach, that we give specific authorization to Elizabeth Holmes, Treasurer, to cash the certificates reserved for Pump and Main replacement in the amount of \$55,000.00 and to transfer \$50,000.00 from the Water Reserve Fund to the Water Construction Fund. These funds to be replaced when Debt Reserve monies are available. Carried unanimously.  
 Elizabeth Holmes submitted a letter requesting approval of expenses to attend seminar at U. of M. on March 8, 10, and 11, 1966, not to exceed \$100.00. This is a seminar on the Water Works Management and registration is limited to the first 100 people. Motion by C. Veach Sparks, supported by Dick Lauterbach, that approval of expenses be granted. Carried unanimously.  
 Approval was needed for charges for recording easements for Water and Sewer Programs W-214 and S-216 and on motion of Elizabeth Holmes, supported by Louis Norman, that the cost of \$136.74 for recording easements be charged at the rate of 50% to W-214 and 50% to S-216.  
 Mr. Garber suggested that the 701 Land Use Program would initiate the need for property purchases for Township use and this should be studied at the Special Meeting of December 28, 1965.  
 There being no further business, a motion was made by Ralph Garber, supported by Elizabeth Holmes, that the meeting be adjourned.  
 Supervisor McEwen adjourned the meeting at 11:15 p.m.

 CLERK C. Veach Sparks

**ORDINANCE NO. 14.06 '65**  
 AN ORDINANCE TO AMEND THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH BY AMENDING THE ZONING MAP.  
 THE TOWNSHIP OF PLYMOUTH ORDAINS:  
 PART I. That the Township Zoning Ordinance is hereby amended by amending the Zoning Map, by changing those areas indicated on the Amending Zoning Map No. 24, attached hereto and made a part of this Ordinance.  
 PART II. Section 2.04 is hereby amended by the addition of the following paragraph to read as follows:  
 The areas comprising the zoning districts, the boundaries of said districts, as heretofore established and adopted, are hereby amended as shown and provided on the Map attached hereto and marked Amendment No. 24, to the Zoning Map of the Township of Plymouth, which Map is hereto attached and made a part of this Ordinance, and any part of the Zoning Map of the Township of Plymouth as now established, which conflicted with said Amendment No. 24, of the Zoning Map, is hereby expressly void and of no force and effect.  
 PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.  
 PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.  
 PART V. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184, of the Public Acts of Michigan, 1943, at a meeting duly called and held on the 28th day of December, A.D., 1965, and ordered to be given publication in the manner prescribed by law.

**by Betty Dolan FI. 9-3255**  
 Mr. and Mrs. Edwin Earehart and family attended a Christmas breakfast at the home of Mrs. Earehart's parents, Mr. and Mrs. Wayne K. Shontz in Detroit. They returned home and had dinner with Mr. Earehart's mother, Mrs. Albert Earehart. Later in the evening they visited Mrs. Earehart's aunt, Mrs. Jack Shelvey for Christmas supper in Berkley.

Mr. and Mrs. John Lazor entertained her parents, Mr. and Mrs. George Ileana of Detroit for the Christmas holidays. For Christmas dinner she also entertained her brother and his wife, Mr. and Mrs. Roman Elone also of Detroit.

Mr. and Mrs. Frank Dolan and family spent Sunday in Sylvania, Ohio with her sister and husband, Mr. and Mrs. Paul Krauss.

Guests of Mr. and Mrs. Don Lanning of West Seven Mile Rd. were their son and daughter-in-law, Mr. and Mrs. Don Lanning, Jr. on Christmas Day.

Houseguest of Mr. and Mrs. Don Lanning was Miss Carol James, a missionary intern from the Salem Federated Church who spent the month of December with them. During January she will be staying with Mrs. C. F. Grimes of Six Mile Rd.

**Close earns trip to Miami for his family**  
 John Close, 14496 Robinwood, has been named "Salesman of the Year" by Howard and Smith, Inc., educational equipment makers.  
 As a result, Close, his wife Joyce, and children Gary, Sandy, Tom, and Laurie spent the New Year's holidays in Miami, Florida for a week of fun on the company.  
 Close was a member of the staff of the Plymouth Community Schools for several years before joining Howard and Smith, Inc. in the spring of 1964.  
 He is active in Plymouth civic affairs including the presidency of the Optimist Club this year.

This completed the regular agenda items and Supervisor McEwen requested if anyone had anything to be discussed.  
 Supervisor McEwen requested that sewer plans be made for the Industrial Park on Sheldon, north of C. & O. Railroad.  
 Also, storm sewer for NW part of Township was discussed and Mr. Foley reported that Federal Funds for this project might be available in the next five years.

Mr. Garber suggested that the 701 Land Use Program would initiate the need for property purchases for Township use and this should be studied at the Special Meeting of December 28, 1965.  
 There being no further business, a motion was made by Ralph Garber, supported by Elizabeth Holmes, that the meeting be adjourned.  
 Supervisor McEwen adjourned the meeting at 11:15 p.m.

## It's Our Golden Anniversary

On June 28, 1916, nineteen men formed what was to become the Automobile Club of Michigan. The goals they set for the Club were:

"To promote and foster the healthy growth of the automobile industry; to secure the adoption and enforcement of reasonable and useful traffic ordinances and motor vehicle laws; to promote the establishment and construction of permanent highways for traffic; to interest automobile owners and drivers in the principles of 'Safety First' as applied to automobile traffic; to promote touring and to obtain and furnish touring information and the necessary sign-boarding of public highways; and to co-operate in any work which may tend to benefit the automobile driver, user, owner, manufacturer, and the automobile industry in general."

Your Club has worked hard for these goals and it has achieved many of them. One proof of this is that your Club has grown from its nineteen founders to more than 700,000 members.

You are invited to join in the Golden Anniversary Celebration by displaying the new 50th Anniversary Emblem on your car. Pick yours up today at any of the 57 Auto Club offices.

## WINTER WOES by Pinson

Oh, sad were the woes of Salesman Blue,  
On a trip, with a cold, he was getting the flu,  
And although he was freezin',  
He got home in good season,  
His tire chains pulled him right through.

### PREVENT THOSE WINTER DRIVING WOES

The Safe Winter Driving League presents this tip for safer winter driving from the National Safety Council: "For severe snow and ice conditions, tests show that reinforced tire chains provide four to five times as much traction as regular tires without chains." Assure your ability to get through regardless of the weather—always carry chains and be prepared for winter's worst storms.

# Wally Taber safari films set for Jan. 11 in PHS gym

Adventure fans may want to abandon Hitchcock to enjoy a rare thriller next week when Ebb Warren of the Wally Taber Safari Shows screens his new film, "Trans-Canada Safari" and "Tanganyika Trophies" at Plymouth High School, Jan. 11.

Show time is at 8 p.m., with admission at the door set at \$1.50 for adults and \$1 for students.

Advance tickets are 25 cents cheaper and may be purchased at Davis and Lent's or the Trading Post.

The show is being sponsored by the Plymouth Jaycees.

FOUR YEARS in the making, "Trans-Canada Safari" features high spots of Canadian hunting and fishing,

from the sparkling salmon streams of the Gaspé Peninsula to the mountain wilderness of the Yukon Territory. Climaxed by a big game hunt in the "land of the midnight sun" made famous by Jack London, this fast-moving film program dramatically displays fantastic fishing for five-pound speckled trout in the white rapids of Gods river in Manitoba and an amazing hunt for Stone sheep and mountain caribou in the spectacular Cassiar mountains of British Columbia.

Few sportsmen-photographers are better qualified to present a film coverage of our northern neighbor-country and its offering to sportsmen than Warren. He shot his first

moose in Ontario before he was 21 years old. He was one of the first two parties to explore the fabulous goose shooting on James Bay some 30 years ago.

He was one of the first to fly into the barrenlands of south-central Newfoundland for trophy woodland caribou. He caught monster salmon in the brawling rivers of Quebec, gunned the stubble fields of Saskatchewan for sharp-tail and hunkies, bagged grizzlies, sheep, goats and moose in the Canadian Rockies.

The action shots of 25-pound salmon staging their display of aerial acrobatics and spectacular leaps when taken on a tiny fly are alone

worth the price of admission," said Dave Paddock, show chairman.

Additionally, Warren's film rendition of safari life with young Pat Hemingway, whose illustrious father wrote "Snows of Kilimanjaro" and other African novels, makes for an unforgettable evening's entertainment.

"We do everything from bake bread on the open campfire to blister a lion with rifle and camera," Warren admitted. "We lucked into Africa's so-called Big Five—rhino, elephant, buffalo, lion and leopard—not just once, but twice! Further, we bagged them with both rifle and camera, a feat seldom accomplished and possibly never previously filmed in living color."

## Icemen drop five more as dismal season looms

Plymouth Hockey Association teams continued to have trouble breaking into the win column this week as the local icemen dropped five games.

Dec. 28 the Trading Post was blanked 1-0 by Dearborn Heights. On the same night, a Heights team edged University Litho 4-3, with Pat Cosgrove getting two goals and Dave Palmer one for the losing cause.

In other games, Wilson Engineering Midgets lost 4-2 to a Dearborn Heights team, and

the VFW PeeWees were shut out 4-0. In the Wilson game Butch Shelly netted one goal and Pat Williams another.

Only one game was on tap Sunday, Jan. 2, as Russ's Boys (Squirrels) lost to Garden City 5-1, as Bill Prochazka scored the lone Plymouth goal.

THIS WEEK'S schedule sees the Juveniles and the Midgets, as well as the Pee Wees and the Bantams, facing Nankin teams.

TWO TROPHIES bagged by Ebb Warren with his camera and gun. Warren will present two of his movies, part of the Wally Taber Safari Show, Jan. 11 at PHS, under the sponsorship of the Plymouth Jaycees, beginning at 8 p.m. The two movies, "Trans-Canada Safari" and "Tanganyika Trophies," are in color.

### Next week

The Plymouth Rock schedule for next week looks like this:

The varsity swimmers tangle with Trenton here, at 4 p.m.

The Rock cagers meet Trenton there, with the JV game beginning at 6:30 p.m.

In other action, the Eighth and Ninth grade basketball teams open Jan. 6, here, with Farmington East.

### YMCA news

The YMCA sponsored a skiing trip for the Junior High boys Dec. 27 to Mount Holly, which is near Fenton.

All the boys learned how to climb a hill, how to "snow plow," and how to ski.

All except the two youngest boys advanced to the intermediate slope, according to YMCA counselor Tony Monte. Monte notes ruefully that it was his first time on skis.

"I didn't make it to the intermediate slope," Cal Jabara and Eugene Crosby also acted as chaperones.
