Sen. Griffin to open GOP headquarters

The official opening of new Republican headquarters here in Plymouth will feature U.S. senator Robert Griffin this Saturday, July 9, at 10 a.m.

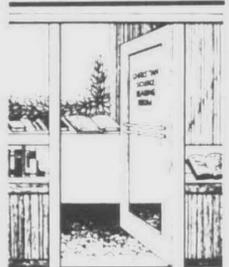

The ceremony will highlight a ribbon-cutting ceremony at the new headquarters, located on S. Main st., across from Lee Calhoun Ford.

The senator will be in Plymouth from about 9 a.m. until noon, according to Carl Hirsell, chairman of the GOP organization.

A breakfast will be held at the Mayflower Meeting House at 8:30 a.m. It will be open to the public.

Tickets for the breakfast may be purchased from the Pelson, Cynthia Eaton, Dr. R. B. Barber, Hirsell, Richard Arlen, Gene Harrison, Richard Jones, Jim McArthur and Joan Arlen.

Mr. Arlen, a sales representative for Ford Motor Co., has been appointed sen. Griffin's coordinator for the campaign. Griffin was appointed to the senate recently by Gov. George Romney to fill the vacancy.

Assessing

Township assessors of the village in Wayne County.

There's only one way to assess taxes right—and that's by assessing. Valuer said at the forum meeting.

Under a state law passed in 1957, all property is to be assessed at 50 per cent of its true cash value.

In Plymouth Township, the supervisor is the assessor.

An alternate general assessor is also being cited by the assessor's office.

LAST YEAR, state attorney general Frank J. Kelley advised the state law assessors that local assessors had adhered to the law.

As a result, Kelley's office was able to open a study of the state which the assessor has taken to perform a uniformity study.

The law took effect last January. As a result, Kelley's office was able to open a study of the state which the assessor has taken to perform a uniformity study.

Plymouth Township officials reacted to Kelley's opinion with a committee of five.

Those teachers who do have extra large classes do not think it fair when others have much lower class loads since a larger class means more planning, more work and discipline problems.

Peace Corps July 4th

think Africans generally identified with American Negroes, but that they were definitely closer to Negro Peace Corps Volunteers.

HOW DOES America look after two years away, in a completely different cultural surrounding?

Well, the peace seems a little fast, Dickerson admitted. Perhaps we are a bit too preoccupied with material comforts.

Perhaps Africans are reluctant to do this because of the developmental problems they are having in their countries.

They need so much help from so many sources, Dickerson commented. Perhaps this is why they are so reluctant to take sides between the major powers.

AFRICANS ARE making progress, the cities, according to the returned PCV, are more modern than most American cities.

Dickerson said he thinks the controversy that raged about a year ago about the difficulty PCVs have adjusting to American life had been largely discounted.

However, he said the volunteer assumes so much responsibility during his tour that it would be hard to come back to a routine 9 to 5 job with little responsibility.

Dickerson will leave Plymouth next week for another year in Sierra Leone. When he returns again, he hopes to enroll in graduate school to work on degrees in library science and African affairs.

A graduate of Plymouth High School, he received his A.B. in political science and history from Albion College.

In refinishing painted wood furniture, be sure to countersink nails that have worked outward, fill nail holes with plastic wood and sand out rough spots and areas where the grain has swollen from dampness.

Clean the piece thoroughly with a strong washing solution. After it's dry, dust and paint it. Use a hard gloss enamel, never an exterior house paint.

The painted surface of your metal furniture may be scratched and chipped. Take off all the paint. Use a paint solvent and scraping tool to bare the metal, then follow it up with steel wool to remove all rust. Next put on a metal undercoat and gloss enamel.

Speaking of Women

Antiquing we go

A common sight in this area is a woman browsing in an antique shop. More and more garages are being used as a place to refinish furniture.

At least three antique groups have sprung up in Plymouth. The oldest of these, The Plymouth Antique Club, has been in existence for ten years. It began with a group of friends who shared an interest in antiques. It remains a casual yet closely knit group. It certainly is successful, because it is filled to capacity.

The members meet for lunch and everyone takes turns planning a program. It can be something the one whose turn it is does herself or she can arrange for a speaker.

For one of their most interesting speakers of this last year they had Mrs. Roland Bonamici speak on Shaker history and sing Shaker songs. The Shakers were originally a religious community which reached its peak in the middle of the 19th century. Today there are only five Shakers living.

There still are Shaker towns in Ohio, Kentucky and Pennsylvania. Some are being restored, some are being used for things like schools, and some have simply degenerated into ghost towns.

The group has developed traditions; they always give each other a small Christmas gift which must be an antique. There are no dues, whenever they need money they raise it by auctioning off antiques among themselves.

Another type of program they find successful is to have a book report dealing with historical subjects.

Mrs. Leon Scharmen, one of the members traced the history of a family that lived in this area.

What we think of as charming antiques, Mrs. Scharmen explained, were really necessities in the drab farmhouses of early times.

An antique, she feels, isn't necessarily something valuable. It should be something that really represents old fashioned times, and something that seems to fit and be a part of one's own house.

Impressed with the success of this group, a Plymouth-Northville group has also been founded. The members of this group are avidly interested in antiques and work very hard on their monthly reports. One member tells of spending three weeks on her report.

Mrs. Thomas Lewis gave a very informative report on woodenware. Clothespins, believe it or not, were a sign of progress. Their introduction around 1850 meant that people were no longer putting clothes on bushes or the grass to dry.

Most woodenware of early times was very crude. Plates were used on both sides. One side was for the meal. When people were finished eating they turned the plates over to what was called the pie side for dessert.

People drank out of pitchers called noggins or linkards which were passed from mouth to mouth.

There were, however, dish drainers in those days. They even look much the same as the ones we use today, only made of wood.

The very newest antique group was started by Newcomers Club. It is open to any member of the club.

This past year they have mainly had speakers come in, or gone to visit different antique shops in the area.

They have discovered that Michigan was bypassed by the western movement, and so the area isn't as abundant in antiques as say Ohio.

Probably all those interested in old things would agree with Mrs. K. E. Van Antwerp of the Plymouth antique group that antiquing is a worthwhile hobby because antique furniture costs no more than new, yet after a few years it increases in value rather than decreases. And that the real fun is to find some piece with good lines and fix it up.

AAUW plans new program

The American Association of University Women has announced plans for a children's adventure series which will start in the fall.

This series is designed to appeal to children from fifth through seventh grade.

The programs they have set up are October 1 - Indian dancers from Ann Arbor October 22 - Ed Johnson and marionettes, November 5 - Jay Beck with a man in space program, November 19 - Dr. McConnell from the University of Michigan on his experiments with flatworms.

These programs will all be on Saturday afternoon from 2 to 3 p.m. at the Plymouth High School. The admission will be \$2.00 for the entire series or 75¢ at the door. The tickets will be on sale in the schools this September.

For more information call Mrs. Richard Fritz at 455-6072.

Strictly social

The George Spaniels of McKinley St. hosted a farewell cocktail party for the L. P. Gallaghers of West Ann Arbor Trail last Saturday night. About 28 of their friends and neighbors got together to honor the Gallaghers who have lived in Plymouth for five years. They are moving to Saratoga, Calif. where Mr. Gallagher who is a pilot for United Airlines will be flying out of the San Francisco air port.

The Wendell Smiths have recently returned from the National Jaycee convention in Detroit. As president of the Michigan Jaycees Wendell was host to many of the national officers. Others from Plymouth were the Roy Jacobsens and the Gary Halls. Mr. and Mrs. Carl Strom and Mr. and Mrs. Jerry Yohy were also there, with the Terry Wests and the Donald Deris. The Richard Andersons and the John Ferguson were some of those in the Plymouth contingent.

Mr. and Mrs. James Knowles of Ridge Rd. entertained the Stanley Webers, the Richard Fritzes and the George Spaniels at a Fondue Bourguignonne dinner last Friday night.

Mr. and Mrs. Raymond Kalmbach of Deerfield Beech, Florida are visiting the families of their daughters, Mrs. Robert Ref of Livonia, Mrs. Don Melow of Plymouth, and son Mr. John Kalmbach also of Plymouth.

The Plymouth branch of AAUW had the largest delegation at workshop for all the Michigan chapters at Central Michigan University on June 30. The members from Plymouth who were there are Mrs. Richard Fritz, member of the state board, Mrs. John Haas, Mrs. Walter Hoopy, Mrs. James McKeon, Mrs. George Spaniel, Mrs. D. H. Sutherland, Mrs. David Van Hine, Mrs. Price Watts, and Mrs. G. Stanley Weber.

Mr. and Mrs. Richard Doherty and their three older children have just returned from a trip to the Sioux and Whitefish Bay Mrs. George Bratcher, Mr. Michael Bratcher, Mrs. Marguerite Evans, Sue Evans and Elsie Melow were house guests of Thomas Aston and Mr. and Mrs. Anthony Lorus in Washington, D.C. They accompanied Michael for Fort Dix, New Jersey, where he left for duty in Augsburg, Germany.

Arman William Bratcher, son of the George Brachers is at the Clark Air Force Base Hospital in the Philippines, following an operation to remove a tropical virus from his left eye.

PWP plans program

The Livonia chapter of Parents Without Partners has planned a busy program for July.

They have announced that their regular monthly meetings are held on the fourth Wednesday of every month, and new members are always welcome.

These meetings are at the United Church of Christ Nativity on Henry Road and West Chicago Roads, in Livonia at 8:30 p.m.

Wednesday July 6, there will be an executive board meeting to which all members are invited.

A dance will be held on July 8. Reservations may be made by calling Ken Dodds at GL 3-7819.

On Saturday, July 9 the Macomb chapter has invited the Livonia group to a lake ride on the Bob-Lo boat. Jerry Wackley is the co-ordinator for this affair.

The regular pinochle night is Tuesday July 12.

A coffee social will be held on Friday the 15th. Ken Dodds is again co-ordinator for this.

On Saturday July 16, Grosse Pointe has invited the group to an adult cook-out. Tom North at 882-5991 has further information about this event.

Mrs. Robert Isbister

Slack - Isbister vows exchanged

Miss Susan Yates Slack of Grand Rapids was married to Robert Leo Isbister of this city on Saturday, July 2 at 4 p.m.

The bride is the daughter of Felix Gilliam of Grand Rapids and the groom is the son of the Russell Isbisters of Plymouth.

They were married at the Second Methodist Church in Grand Rapids.

For her wedding dress the bride chose a white organza gown, with a particularly striking chantilly lace train. She carried a cascade of Amazon lilies and stephanotis.

Mrs. Inehard Olson, sister of the bride, was matron of honor. She wore an empire gown with

white lace bodice, soft silk crepe floor length skirt.

The bridesmaids were Mrs. Lois Phillips and Mrs. Lisa Hill of Jackson. They wore the same style dresses as the matron of honor. They all carried bouquets of white and pink roses.

The bridegroom, in a grey suit, J.D. Isbister of the city, Mr. Isbister, as a flower girl. She was dressed the same way as the other attendants.

A reception was held immediately following the ceremony at the Grand Rapids Elks Country Club.

After a brief wedding trip, the new Mr. and Mrs. Isbister will be living in Livonia.

This painting is an example of Mrs. Moore's work which hangs in her house. The statue is a gift from Hawaii.

Artists appear in magazine

Artists appearing through the July "Special Digest" will include an attractive picture of the Luther Burbank house at Greenfield Village.

More interesting to Plymouth people is the fact that the two artists, artist in front of the house Mrs. Bruce Moore and Mr. Donald Stobbe who take sessions at the Jay Road Studio. Mrs. Moore, of the studio, had taken her car over to Greenfield Village one day in the spring of 1965 for a class in landscape painting.

After another day's painting, Mrs. Moore took a picture of the artist painting. "We had to pose for over three hours," said Mrs. Moore in her article. She offers the photograph back to achieve a casual picture.

The woman put their heads down when they weren't supposed to and people who didn't know all the picture would see Mrs. Moore's name. The photograph was never used in the brochure it was intended for. Instead it turned up in the article "Where His-terical Art? Donk" by William S. H. Irvine in the leader's Digest.

The two artists have been taking lessons from Mrs. Sober for some time. Mrs. Moore for about nine years, and Mrs. Stobbe for eight.

The artist interested in selling their paintings, but enjoy showing pictures at Mrs. Sober's home at the Fall Festival and at private showings at the Jay Road studio.

"My paintings are all over the country," explains Mrs. Moore, "because I've given them to so many friends."

Painting is Mrs. Moore's main interest and one can see from her excellent work.

Mrs. Moore lives with her two children on Beck Road. Besides the children, Janice and Kevin are an important member of the household in Newfoundland. This breed, a rare one in the area looks something like a sheep dog. The Moores had been interested to purchase her.

Mrs. Stobbe lives in Livonia where she is a member of the DAF and takes an active part in school affairs. The Stobbes have a daughter, Barbara, and two sons, Warren and David.

Mushrooms used to create unusual salad

Mrs. Robert Thompson of Elm St. suggests a unique mushroom salad for summertime eating. Mrs. Thompson found this recipe in the paper several years ago, and experimented with variations of it until she came up with this version, which she finds the most satisfactory. Many people will remember Mrs. Thompson, who taught

second grade at 4th arrondissement in 1959 and 1960. Those days are gone now and Mrs. Thompson finds herself a clever idea of hers was to turn an old piano stool into an end table. quite busy with her two children David, who will be four in September, and John, who will be two in August.

She is interested in decorating and has spent a great deal of time refinishing old pieces that have been in her family for years. One of these interesting pieces is a little sewing table with a ruler burned right into the wood.

She enjoys playing bridge, and painting, although she hasn't done much painting since the children were born.

MARINATED MUSHROOM SALAD
1/4 cup vinegar
2 tablespoons water
1 envelope Parmesan salad dressing mix
2/3 cup salad oil
1 cup fresh mushroom caps or 2 cans (4 ounces each) mushroom caps drained
1 medium onion sliced and separated into thin rings
1 small jar of pimentos - diced
Combine vinegar and water in a jar with a tight fitting cover. Add salad dressing mix and shake well. Add salad oil and shake. Combine mushrooms, onion and pimento in a bowl. Pour in enough dressing to cover well. Refrigerate overnight.
Serve as a salad on lettuce or lightly seasoned thinly sliced tomatoes.

Mrs. Robert Thompson gets some advice from her son David about what to cook for supper.

Engagements

Miss Leith

Miss Griffith

Miss Redmond

Mr. and Mrs. Thomas H. Leith of Fifth Street, Brighton, Mich., announce the engagement of their daughter, Peggy Jean to Thomas Dale Lock.

He is the son of Mr. and Mrs. Thomas E. Lock of Junction Ave. Plymouth.

An August 20th wedding is planned.

Mr. and Mrs. George R. Griffith, of Kentfield in Detroit announce the engagement of their daughter Margaret Ann to Brian Theodore Sprague, the son of the Theodore R. Spragues of Evergreen in Plymouth.

Miss Griffith is a senior at Michigan State University where she is affiliated with Pi Beta Phi Sorority. Her fiancé, also a senior at Michigan State, is a member of Lambda Chi Alpha fraternity. No wedding date has been announced.

Mr. and Mrs. Gomer Harold Redmond of Grosse Pointe announce the engagement of their daughter Donna Jeanne to Mr. Harold Ben Corwin III of Plymouth. The engagement was announced at a cocktail party at the home of Miss Redmond's parents on Three Mile Drive.

The bride elect attended Western Michigan University. Mr. Corwin attended Wabash College in Indiana, and is now attending Wayne State University.

Mrs. William A. Porter

Miss Battle weds William A. Porter

Miss Kathleen Battle of this city became the bride of William A. Porter of Grosse Pointe on Saturday, June 18 at the First Presbyterian Church in Plymouth at 11:30 a.m. Given in marriage by her father, the bride wore a nylon organza dress embroidered with Pearls in a flower design.

The bride's sister, Jacqueline Upton, was the matron of honor. Bridesmaids were Kristen Asling of Connecticut and Claudia McElhane of New York.

They wore floor length yellow dresses embroidered with miniature green and yellow flowers.

The best man was Stuart Porter, the groom's brother. A reception was held at the Hillside Inn immediately after the ceremony.

For their wedding trip the bride and groom will be spending three weeks in Cape Cod. When they return they will be living in Detroit.

The bride and groom are both graduates of Albion college. The groom attends Wayne State University Law School and works as a law clerk in the AAA Legal department.

The new Mrs. Porter will be teaching French at Clarenceville High School in Livonia this fall.

Class holds 35th reunion

The Plymouth High School Class of 1931 held their 35th reunion Saturday, June 25 at the Thunderbird Inn.

Forty three people attended this event. Special guests were Miss Gertrude Fiegel and Mr. and Mrs. Carvel Bentley former teachers and class sponsors.

A corner of the room was reserved for mementos and pictures. Marion Hadley Rich and Norma Savery Schmemman displayed oil paintings.

Arbutus Williams Munch brought some of her original needlepoint to show.

After reading of letters from absent members and group singing, the guests enjoyed an evening of dancing.

Teen dance

Plymouth teenagers are invited to an ALSAC dance on Saturday July 9 from 7 to 9 p.m. to be held at the Polish Legion American Veterans Hall on Plymouth Rd. in Livonia.

There will be two bands the MC5 and a surprise band.

ALSAC stands for aiding Lukemia stricken children and was started by Danny Thomas. The money goes to St. Jude's Hospital in Memphis, Tenn.

A group of Livonia teenagers got together to raise money for this project.

For more information call Diane Gustin at 464-1434.

Mrs. Daniel Earle

Miss Richard is June bride

On Friday evening, June 24, Nancy Ellen Richard became the bride of Daniel William Earle at a candlelight ceremony in Our Lady of Good Council Church, Plymouth. The bride is the daughter of Mr. and Mrs. Bruce Richard of Ivanhoe Drive and the groom is the son of Mr. and Mrs. Willard Earle of Merriman Road, Romulus.

The bride who was given in marriage by her father, wore a gown of white lace and shantung. The train of lace fell from the empire waist line. A rose of shantung and lace held her shoulder length veil of silk illusion in place. She carried a cascade bouquet of phalaenopsis orchids and stephanotis ivy.

Maid of honor was Miss Janelle Smith of Plymouth. Bridesmaids were the grooms sister Miss Mary Ann Earle of Ypsilanti, Miss Cynthia McLaren of Plymouth and Miss Faith Judson of Ann Arbor. The girls were all gowned alike in pistachio green linen. The gowns were floor length and fashioned with emoire waists. They wore matching greenhead pieces. Their bouquets were yellow roses and white daisies. Jack Slater of Romulus served

the groom as best man. The ushers were David Richard, brother of the bride, Bill Wallis and Michael Zaher of Romulus. The brides mother wore yellow pure silk shantung sheath with matching jacket and accessories.

Mrs. Earle the mother of the groom wore a one piece dress of embroidered marquisette over silk in a sky blue. She wore matching accessories. Both mothers wore corsages of Phalaenopsis orchids of ivory color.

Following the ceremony there was a reception at the Mayflower Meeting House for a hundred and eighty guests. A five tier wedding cake was topped with a miniature bouquet of yellow and white daisies. The tables were decorated with white daisies and yellow and white mums.

The bride and groom left on a honeymoon trip to Washington, D.C. For going away the bride chose a blue two piece dress of linen with bone accessories. She carried a leather and needlepoint bag given and made by her aunt. The young couple will make their home in Adrian, Michigan.

- Q. What is the name of this cut of meat?
A. Beef top round steak.
Q. Where does it come from? How is it identified?
A. It comes from the hindquarter of beef known as the "round." This is a boneless piece of meat with a very narrow edging of fat around one side. Beef top round can be distinguished from the bottom round because it is one muscle as compared with the bottom round which has two muscles. The top round occasionally does have a small piece of the sirloin tip muscle, as shown in the illustration, since this cut lies next to the sirloin section.
Q. How is it prepared?
A. By braising. This means browning the meat in a small amount of lard or drippings, then adding a small amount of liquid.

SPECIAL MEETING PLYMOUTH TOWNSHIP BOARD OF TRUSTEES JUNE 9, 1966

Supervisor McEwen called the meeting to order at 7:35 p.m. All members were present.

This Special Meeting was called by the Board of Trustees for the purpose of discussion on several items that are on the agenda and to hear a discussion on assessments and taxation by Mr. Morley from the Bureau of Taxation.

Communications
The members had a letter from Helen Richardson, Clerk, requesting approval to hire an additional clerk to make telephone calls regarding unlicensed dogs, voting registrations to type and changes of registration. It was moved by R. Garber, supported by L. Norman that an additional \$100. be appropriated for election expense and \$100. be appropriated from the dog license funds to hire an additional clerk for a period not to exceed the amount of money designated for this work. Carried unanimously.

Communication No. 2 was from the Fred E. Greenspan Bldg. Co. requesting the Township D.P.W. to proceed to clean up the sewer systems in Lake Pointe Village Subdivisions in order that they could be released from the bond posted with the Township Board. H. Hamill was present and presented a letter to the Board, written by the Lake Pointe Improvement and Development Co. regarding the cleaning of sanitary sewers in Lake Pointe Village Subdivisions No. 3, 4, 5, 6 and 7. In the letter, he stated that the Weissman Contracting Corporation has proposed to do this work on a time basis. The estimated cost is as follows:

For flushing 20,000 lin. ft. @ \$ 3,000.00
For repair of manholes and misc. - lump sum 1,000.00
Total Estimated Cost \$ 4,000.00

A lengthy discussion was held and mention made as to whether any problem would arise in the other Lake Pointe subdivisions at a later date. It was moved by E. Holmes, supported by D. Lauterbach to table this item until it is determined that Mr. Greenspan contracts with the Weissman Constr. Co.

Mr. Morley, Acting Director of the Bureau of Taxation, was present to give a presentation on assessments and taxation. He spoke on the impact of taxes and how they come about, how we go about ascertaining the value of a specific piece of property and how no piece of land is identical, even if it appears to be like another piece. He spoke about the effect of the assessment being placed on the roll and how, basically, the equalization should be on the Township level. Much discussion was made on the basis for land values and this is dependent on the demand for a specific piece of property. Mr. Morley spoke on two reasons why equalization should be at the state level; No. 1 being that school aid as a common standard for even distribution and No. 2 being that State Exemptions are based on the State equalized value. A new State Equalized value is arrived at each year. He further stated that Public

Act # 409, House Bill #2209 in the State Constitution says that property shall not exceed 50% of the property value. In previous years, the County equalized at 40%. The question was asked "What is the true cash value?" The answer being "what an average buyer would pay for this sort of home." Questions were asked of those present in the audience, primarily "why should we reassess and how will it affect us in the Township." Mr. Morley stated that according to the State Constitution, we must bring our assessments up to the State equalized figure, but in doing this, it often means a stormy Board of Review and in some cases, the Supervisor being the Assessor of the Township, does not get reelected in the ensuing election. He further stated that it would be impossible to get reassessed before next year and this would come on the 1968 tax roll and then pick up the buildings and personals in the following year. At 10:00 p.m., Supervisor McEwen thanked Mr. Morley for coming to the meeting and for his very informative talk and recessed the meeting for 15 minutes at 10:05 p.m.

The Board reconvened at 10:20 p.m.
Township Hall Addition
Mr. Norman presented plans of the addition and the specifications for the Board to look over and discuss. The motion was made by L. Norman, supported by H. Richardson, to authorize the architect to advertise for bids on June 30, 1966 at 4:00 p.m. Carried unanimously.

Some discussion was held by the Board Members as to what had taken place regarding the Mangogna property on Ann Arbor Road at previous meeting. Supervisor, McEwen read some excerpts from previous minutes, but no action was taken until their attorney makes his presentation at the regular meeting.

Much discussion was held on the water and sewer debt service rates for the Glenview Subdivision and an opinion was read by the Clerk, written by the Township Attorney, Ralph W. Cole, this being that the Township should charge the lesser rate for Sewer Debt Service (\$200.00). This item was tabled until the regular meeting.

The Attorney, Ralph W. Cole, and members of the Board felt that the agreement between the Township of Plymouth and Ford Motor Company for the installation of sanitary and storm sewers to their plant site at the northwest corner of Sheldon Road and the Chesapeake and Ohio Railway needed some revisions. The Attorney agreed to look this over and have it ready to present to the Board with the necessary changes at the regular meeting on June 14, 1966.

It was moved by E. Holmes, supported by D. Lauterbach, that the meeting be adjourned. Carried unanimously.

The Supervisor adjourned the meeting at 12:35 a.m.
Approved: John D. McEwen, Supervisor
Respectfully Submitted: Helen Richardson, Clerk

REGULAR MEETING PLYMOUTH TOWNSHIP BOARD OF TRUSTEES JUNE 14, 1966

The Supervisor called the meeting to order at 8:02 p.m. All members were present.

The minutes of the regular meeting of May 10, 1966 were accepted as written on the motion of G. Overholt, supported by H. Richardson. Carried unanimously.

The minutes of the special meeting of May 19, 1966 were read by the Clerk. It was moved by R. Garber, supported by L. Norman that the minutes be accepted as read. Carried unanimously.

G. Overholt moved that the minutes of the special meeting of May 24, 1966 be approved as written, with one exception; this exception being to strike the word "concluded" from the motion on ITEM NO. IV - No. 2 (re: Mangogna property.) The motion was supported by R. Garber and carried unanimously.

The minutes of the special meeting of the June 9, 1966 were read by the Clerk. It was moved by D. Lauterbach, supported by G. Overholt that the minutes of this meeting be approved as read. Carried unanimously.

The Supervisor gave a summary of the list of bills amounting to a grand total of \$13,444.27.

E. Holmes moved the bills be approved. The motion was supported by D. Lauterbach. Carried unanimously.

A letter was read by the Clerk from Herald Hamill, Engineer, stating his recommendation for the acceptance of bids on Tramp Hollow storm sewer. The engineer's recommendation was Rocco Ferrera & Company, 30105 W. Eight Mile Road, Livonia, Mich.; the amount of this bid being \$43,215.00 and 30 days to complete. A motion was made by E. Holmes that we accept the Engineer's recommendation relative to the Tramp Hollow storm contract. The motion was supported by L. Norman and carried unanimously.

A letter was read by the Clerk from H. Hamill, Engineer, stating his recommendation for acceptance of bids on 1600 ft. of 16" water main along the south side of Five Mile Road, from Sheldon Road, easterly. Mr. Hamill recommended Farino Excavating Company, 17011 Raupp Road, Melvindale, Michigan. L. Norman moved that we accept the recommendation of Engineer, Herald Hamill of the Farino Excavating Co. in the amount of \$28,370.00 and the time of completion 15 days. The motion was supported by G. Overholt and was carried unanimously.

The next item on the agenda was the Awarding of Bids. It was suggested by G. Overholt that the Awarding of Bids on the Tramp Hollow storm sewer be set aside until the contract with the Ford Motor Co. was discussed which was coming up later on the agenda. This was agreeable with the Board members.

A motion was made by R. Garber that the award of bids on 1600' of 16" water main on the south side of Five Mile Rd. be awarded to the Farino Excavating Co., 17011 Raupp Road, Melvindale, Mich. according with the recommendations in the amount of \$28,370.00 and the time of completion being 15 days. The motion was supported by D. Lauterbach. Carried unanimously.

E. Holmes moved that a resolution be adopted requesting that the Wayne County Road Commission add this portion of 1600' of 16" water main to the Township of Plymouth W-214 Contract with them, supported by D. Lauterbach. Carried unanimously. Communications

The letter of resignation of Tivadar Balogh from the Planning Commission was read by the Clerk. Dick Lauterbach moved that we accept Mr. Balogh's resignation and that we send a letter to him thanking him for his past services. G. Overholt supported the motion. Carried unanimously.

TABLED AND ADJOURNED BUSINESS
Sewer on Haggerty Road (North of Joy to Koch's property line)

Mr. Hamill stated the construction cost of this project was approximately \$62,000.00 and that he has the rights-of-way. It was moved by R. Garber supported by L. Norman that Mr. Hamill be authorized to advertise for bids and that we accept his recommendation to go to manhole No. 6. Carried unanimously. Sewer on Schoolcraft Road (Approx. 1400' betw. Robinwood and Huntington Drive)

It was moved by L. Norman and supported by H. Richardson that the Engineer, Mr. Hamill, be authorized to advertise for bids. Carried unanimously. Extension of Township sewer from 40651 Five Mile to 40805 Five Mile

Frank Rock, 40651 Five Mile Rd. said that he felt that he should not be taxed for the 150 ft. frontage of his property because of the extension of the sewer going through to accommodate other people, since he was not asking for this service. Mrs. Massarello, 40735 Five Mile Road, complained about the open sewers, stating there were three open sewers in front of one home. She stated that something should be done about them. The Supervisor stated these matters should be handled at a later date. A motion was made by R. Garber, supported by E. Holmes that the Engineer be authorized to advertise for bids to be opened at the next regular meeting, and that three separate proposals be considered and a combination "low total" be decided upon. Carried unanimously.

The Supervisor stated the estimated cost of the combined three projects was \$110,000.00.

Draugelis and Ashton

The Clerk read a communication from Mr. and Mrs. Delbert A. Stainbrook, 47590 Ann Arbor Rd., Plymouth Mich., asking that the request for rezoning to "commercial" on this property be denied, stating their reasons for taking this stand. Mr. Draugelis, Attorney representing the Mangos', made a plea in their behalf, giving the background of the rezoning and the reasons why he felt the property should be rezoned. A lengthy discussion followed between the members of the Board and Mr. Draugelis. Mr. Draugelis said he thought the property had once been zoned commercial some years back when Mr. Perry Richwine's father was the owner. Mr. Garber said he could never remember the property being zoned as such and felt it was more likely zoned Agricultural. Mrs. Mango was present in the audience and she stated that Mr. Richwine told them that his father obtained a building permit in 1949 on said property for commercial zoning. However, he could not seem to find the permit or any written proof of such. A motion was made by R. Garber, supported by L. Norman, that this matter be adjourned until the next regular meeting as it should be given further study. Carried unanimously. Mr. Draugelis said this was perfectly agreeable with the Mangos' and himself, as this would allow them more time to again talk to Mr. Richwine and try to come up with some concrete evidence of this property once being zoned as commercial property, as he felt this was a very crucial point in the matter.

Glenview Homeowners Association
Mr. Garber requested that the resolution regarding Glenview Subdivision be read. The Clerk read the resolution, which read as follows:

RESOLVED: That the Township Board of the Township of Plymouth, at its meeting held on June 14, 1966, having determined that the sewer and water debt service be eliminated in the Glenview Subdivision for those lots that were included in the original plat, except lots 1 through 7 on North Territorial Road which about the water line and will pay the debt service charge financed and paid for by the Township of Plymouth.

It was moved by E. Holmes, supported by G. Overholt that the resolution be adopted as submitted. Carried unanimously.

Mr. Henry Gottwald, 46745 Betty Hill, requested clarification on waer debt service. Mrs. Holmes explained this was a charge of \$3.00 per front footage to pay for the water mains which are installed for water service, but in this case, the Glenview homeowners were not paying this fee. They are being charged for the tap fee only. Mr. C. W. Myers of 46805 Betty Hill asked for an explanation of sewer debt. Mr. Hamill gave an explanation of this. Mr. Myers asked if this was new. Mrs. Holmes answered "no"; that it was established in 1957. Mr. Myers challenged Mr. Hamill's statements, saying he believed him to be incorrect. Mr. Gottwald asked if an adjustment would be made because of the reversed decision. Mrs. Holmes assured him that there would be. More discussion followed and it was the decision of the Board that Mr. Allard of Allard Construction Company erred in making connections to the water mains and coming within three feet in some cases, and the Supervisor said that he would contact Mr. Allard and find out in how many instances this occurred. Mr. Garber made a motion stating that all the people who have residence in Glen-

view Subdivision and have not complied with the Ordinance relative to tap in fees, be notified that it is necessary to apply for a sewer connection and a plumbing permit for the inspection of the connection. The motion was supported by H. Richardson and carried unanimously. E. Holmes moved that we send a letter to the residents notifying them that if they are connected to the sewer and are using it without making application; they are subject to prosecution and must make this known to us within 30 days. The motion was supported by G. Overholt and carried unanimously.

Mr. Gustafson thanked the Board, in behalf of the Glenview homeowners, for all their efforts and time concerning this matter. Harlan Hickerson

This concerns a request by Mr. Hickerson for a "Nuisance Tax" to be passed regarding junk yards. A request was made for the attorney's opinion as to the legality of this matter. Mr. Cole stated that this is illegal and consequently the matter was dissolved.

Elizabeth Holmes

Mrs. Holmes had sent a letter of resignation as manager of the water and sewer department. This was tabled for further study at the May 10th meeting. H. Richardson moved that the letter of resignation be put aside until budget time next year. D. Lauterbach supported the motion. Carried unanimously. Robert Wedler

Some discussion was held pertaining to this matter. The final decision of the Board was that the matter was already settled as Mr. Wedler's request had been turned down by the Board and Mr. Wedler would not be able to make application again until a year from the date of the original petition which was July 21, 1965.

NEW BUSINESS AND PERTINENT COMMUNICATIONS

Richard Groth - Firefighter I
The Supervisor recommended the employment of Richard Groth, 844 Ross St., Plymouth, Mich., as Firefighter I, Mr. Groth was the No. 1 man in the Civil Service examination. It was moved by R. Garber, supported by D. Lauterbach, that we accept the recommendation of the Supervisor and employ Mr. Groth, his employment beginning July 1, 1966. Carried unanimously.

Martin Schomberger
It was moved by L. Norman, supported by G. Overholt that Martin Schomberger be allowed \$100.00 expenses to attend the Annual Convention of the Michigan Justices of the Peace Association on June 23, 24 and 25th, 1966 at the Park Place Motor Inn in Traverse City. Carried unanimously.

Helen Richardson
The Clerk read a communication requesting an additional phone for the Clerk's office. It was moved by R. Garber, supported by H. Richardson that we have an extension telephone installed in the Clerk's office. G. Overholt abstained from voting. Motion carried.

Board of Supervisors
This regards an amendment of Section 22.03 - Planning Commission fees. The Supervisor recommended the doubling of the fees for the Planning Commission. A motion was made by G. Overholt, supported by L. Norman that Planning Commission fees for rezoning and Public Hearings be changed from \$25.00 to \$50.00 each and the fee be applicable to all new applications subsequent to July 1, 1966. Carried unanimously. C. L. Maas

The communication from Captain Maas requesting additional help in setting up voting machines, in which he recommended Phil Truesdell, was read by the Clerk. It was moved by Louis Norman, supported by Helen Richardson, that the additional help in setting up voting machines, Phil Truesdell be allowed. Carried unanimously.

Ford Motor Company Contract

At this time, the Award of Bids on "Tramp Hollow" storm sewer was again brought up. This item was on the agenda earlier in the evening and was tabled until the Ford Mtr. Co. Contract was discussed. It was moved by D. Lauterbach that the "Award of Bids" on the Tramp Hollow storm sewer be granted to Rocco Ferrera and Company, 30105 W. Eight Mile Road, Livonia, Michigan; the amount of the bid being \$43,215.00 and 30 days to complete per Engineer, H. Hamill's recommendation. The motion was supported by E. Holmes and carried unanimously. William Burr

It was moved by R. Garber, supported by D. Lauterbach that Mr. William Burr, the Public Service Director, be authorized to advertise for bids for the purchase of a panel truck for Fire Dept. use on the specifications set forth, to be opened at the next regular meeting. Carried unanimously. Herald Hamill

Mr. Hamill recommended the extension of time to complete the sewer contract S-216 to July 15, 1966. (Gargaro Contract). It was moved by E. Holmes, supported by H. Richardson that we accept approval of the Engineer's recommendation and allow the extension of time to complete the sewer contract S-216 to July 15, 1966. Carried unanimously.

It was requested by the Moscone Excavating Co. that the time to complete the water contract W-214 be extended to June 30, 1966. It was recommended by the Engineer, that the extension of time not be granted. It was moved by E. Holmes, supported by L. Norman that the extension of time to complete the water contract to June 30, 1966 be denied and that the Moscone Excavating Co. be declared in default of the contract as of June 14, 1966 and that the Wayne County Road Commission be notified of the action of this Board. Carried unanimously.

Carl Pursell - Jr. Chamber of Commerce
A communication was received from the Plymouth Community Chamber of Commerce asking Plymouth Township to contribute \$50.00 towards the July 4th celebration. It was moved by L. Norman, supported by D. Lauterbach, that we approve the request of \$50.00 as a contribution towards the July 4th celebration, to the Plymouth Community Chamber of Commerce. Carried unanimously.

REPORTS AND RESOLUTIONS

It was moved by R. Garber, supported by E. Holmes, that the Resolution requesting the Dept. of Conservation to withhold from auction sale the State acquired properties in our municipality and enable the owner of such to apply for a reconveyance under the provisions of Section 131 C, Act 206, Public Acts of 1893, as amended, be approved. Carried unanimously.

Resolution: C. Veach Sparks

The following resolution was read by the Clerk:
WHEREAS, C. Veach Sparks, better known as "Sparky" among his friends and fellow co-workers, was a member of the Plymouth Township Board of Trustees for eight consecutive years, during which time he gave active leadership and aid in developing a growing Township, and

WHEREAS, he actively participated as the Township Board of Trustees' representative on the Planning Commission and on the Plymouth Industrial Planning Commission; strengthening the governmental leadership of this area, and

WHEREAS, because of his effectiveness and capabilities, on May 1, 1965, he was appointed to the position of Township Clerk for Plymouth Township in which position he demonstrated his ability to service the public, and

WHEREAS, we, the Township Board of Trustees, and his many friends now wish to pay tribute to "Sparky" who chose to retire on April 30, 1966, be

RESOLVED, by the Plymouth Township Board of Trustees, this 14th day of June 1966, that C. Veach Sparks' public service to the people of Plymouth Township represented by nine years, be officially recognized on behalf of his many friends by spreading in length upon the minutes of this days proceedings, this resolution as a lasting tribute to C. Veach Sparks, and be it further

RESOLVED that a suitably engrossed copy of this resolution be transmitted to C. Veach Sparks.

A motion was made by D. Lauterbach, supported by L. Norman that the Resolution to C. Veach Sparks be adopted and that a suitable engrossed copy of this resolution be transmitted to Mr. Sparks. Carried unanimously.

This completed the business for the evening and a motion was made by R. Garber, supported by G. Overholt that the meeting be adjourned. Carried unanimously.

Supervisor, McEwen, adjourned the meeting at 11:40 p.m.

Approved: John D. McEwen, Supervisor
Respectfully Submitted: Helen Richardson, Clerk

The following preamble and resolution were offered by Member Flodin and supported by Member Truesdell:

WHEREAS, the Township Board of the Charter Township of Canton, County of Wayne, Michigan, deems it advisable and necessary for the public health, safety and welfare of the Charter Township and its inhabitants to acquire and construct the following described water mains:

IN	FROM	TO
Marlowe	Ford	655 ft. South
Elmhurst	Ford	2450 ft. South
Brookline	Gordon	700 ft. South

AND WHEREAS, a petition requesting the same containing sufficient valid signatures for sufficient property has been filed with the Township and after auditing same said petition is determined to be sufficient;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Township Board hereby determines to proceed with the acquisition and construction of said water mains pursuant to Act 188, Public Acts of Michigan, 1954, as amended, and it is tentatively determined that said petition is sufficient.

2. Edwin Orr, a registered engineer, hereby is ordered to prepare plans showing the improvement, the location thereof and estimates of the cost thereof.

3. Said engineer, when the plans and estimates are completed, is ordered to file the same with the Township Board.

4. All resolutions and parts of this resolution insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

AYES: Members Dingeldey, Flodin, Truesdell, Schultz, Palmer and Hix.

NAYS: Members None.

RESOLUTION DECLARED ADOPTED.

The following preamble and resolution were offered by Member Hix and supported by Member Palmer.

WHEREAS, petitions have been filed with the Township Board of the Charter Township of Canton, Wayne County, Michigan, pursuant to Act 188, Public Acts of Michigan, 1954, as amended, signed by the record owners of not less than fifty-one per cent (51%) of the total land area in the assessment district as set forth in said petitions, requesting construction of water mains more particularly hereinafter described:

AND WHEREAS, the Township Board has caused to be prepared by the registered engineer plans showing the improvement and location thereof and an estimate of the cost thereof;

AND WHEREAS, the same has been received by the Township Board;

AND WHEREAS, the Township Board desires to proceed further with the improvement;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The plans showing the improvement and location thereof and the estimate of cost thereof be filed with the Township Clerk and be available for public examination.

2. The Township Board tentatively determines the petition to be satisfactory.

3. The Township Board tentatively declares its intention to construct the following described water mains:

IN	FROM	TO
Marlowe	Ford	655 ft. South
Elmhurst	Ford	2450 ft. South
Brookline	Gordon	700 ft. South

4. There is hereby tentatively designated a special assessment district against which the cost of said improvement is to be assessed, consisting of each lot and parcel of land abutting the following streets;

ON	FROM	TO

8. All resolutions and all parts of this resolution be and the same hereby are rescinded.

AYES: Members Dingeldey, Flodin, Truesdell, Schultz, Palmer and Hix.

NAYS: Members None.

RESOLUTION DECLARED ADOPTED.

Resolution by Truesdell Supported by Hix.

WHEREAS, under Section 131C of Act 206, Public Acts of 1893, as amended, the owners are permitted to further redeem properties of which the State becomes the owner on May 3, 1966.

WHEREAS, the municipalities in which the properties are located must approve the application of the owner to pay the 1965 and prior years' taxes, and,

WHEREAS, the convenience of the taxpaying public demands that the information be obtained and arrangements to pay said taxes be accomplished in one office,

NOW, THEREFORE, BE IT RESOLVED:

1. That, Louis H. Funk, Wayne County Treasurer, is, by this resolution, authorized to act as representative and agent of the Charter Township of Canton for the purpose of approving the application of the property owners to pay the 1965 and prior years' taxes and accept the necessary monies, the same to be forwarded to Lansing, Michigan by him.

2. That the County Treasurer is further authorized by Charter Township of Canton to request of the Department of Conservation, Lands Division, the withholding of properties from the auction sale until October 31, 1966, provided that sufficient monies are deposited with the County Treasurer to effect redemption.

3. That the County Treasurer is to periodically report to Forest Trustcell the properties withheld by him and that this Board (Truesdell) is in turn to confirm said withholdings of the County Treasurer with notice of same to the Department of Conservation, Lands Division.

4. That a copy of this resolution be mailed to the Department of Conservation, Lands Division, Lansing, Michigan.

Carried by the following vote:

YEAS: 6 NAYS: 0 ABSENT: 1

A motion was made by Hix and supported by Schultz and carried that the meeting be adjourned.

Carrier of the week

Dennis Grimes, who hopes to be a professional baseball player, is this week's Carrier of the Week.

Each week, Mail circulation manager Fred Wright selects a carrier who has shown a high degree of responsibility to his job to be honored.

"These carriers are small businessmen, turning over their newspapers to the customer for a small profit. A route helps develop responsibility, a business sense and tact when meeting people", Wright explains.

Dennis, son of Mr. and Mrs. Lawrence Grimes, 450 W. Ann Arbor Trail, is 13 and attends Junior High West. Hobbies include model cars; in sports he likes to play football and baseball.

"I wish I could be good enough to become a professional baseball player," he says.

He is also a Boy Scout, and enjoys outdoor activities.

His route covers W. Ann Arbor Trail, Maple, Fairground, Fair, Virginia, Hamilton and Deer Streets.

Serving our Country

Ronald Tisch
Seaman Recruit Ronald J. Tisch, 19, USN, son of Mr. and Mrs. Rayner E. Tisch of 382 Arthur St., has completed seven weeks of Navy basic training at the Naval Training Center.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian to sailor, he was taught and supervised by experienced Navy petty officers. He learned the basic skills of seamanship, as well as survival techniques, military drill and other basic subjects.

Upon completion of his recruit training, he was assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires, and the needs of the Navy.

Miss Kachmarchik in social work summer study

Miss Mary Lou Kachmarchik, 424 Ann, is among 28 participants in a Summer Institute for Social Workers being sponsored by the Wayne State University School of Social Work on the WSU campus Monday, June 27 through Friday, July 1.

Theme for the Institute is "Use of the Group Work Method in Social Work Practice."

Miss Kachmarchik is employed at the Hawthorn Center, Northville, as a social case worker in the Day Care Hospital.

Leaders are Dr. Grace Ganter and Dr. Margaret Yeakel, both associate professors at the School of Social Welfare, State University of New York, at Buffalo.

The Institute is being coordinated by Professor Diane Richardson of the WSU School of Social Work.

New Books

"The Doctor is Sick"

"The Doctor is Sick" by Anthony Burgess is an amusing and witty novel about a lecturer in linguistics who escapes from the hospital before an operation.

"How Children Fail" by John Holt consists of reflections from a teacher's journal on the learning process and ways to meet children's failure to learn.

"Fun with American History" by Elmer R. Churchill is a collection of games, puzzles, and quizzes about all aspects of American history and geography.

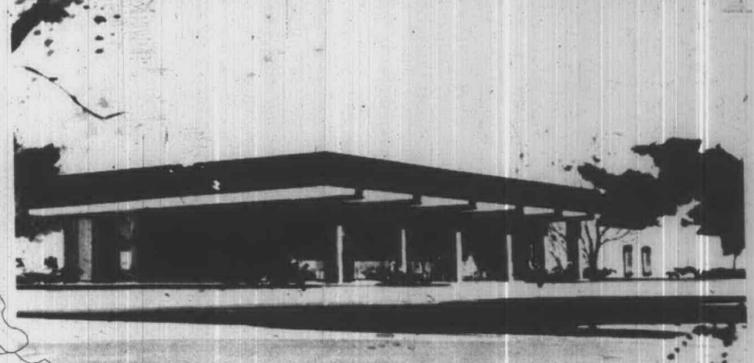

"The Blackboard Cavalier," a novel by John Morressy, satirizes educational institutions and the contemporary American scene through the character of Ernie Quinn, a young high school teacher.

"Practical Home Repair for Women" by Bruce Cassidy con-

At Dunning Hough

tains a chapter on what to do in common household emergencies and information on tools, air conditioning, floor maintenance and repair, types of paints and use and care of brushes and rollers.

"Sisters and Brothers," a novel by Janet Stevenson, is set in the post Civil War Period and concerns a white woman who goes South to meet her two Negro nephews.

AN ANGULAR bronze tern metal roof and solar bronze glass windows providing full exposure of the public banking area are features of the new branch of the Detroit Bank and Trust planned for Plymouth Township. The 4,000-square-foot branch will be located at Ann Arbor and Lilley Roads. Marvin Alperin and Associates, Detroit, are the architects. Construction will start in late summer.

SEE THE MAN WHO CAN SAVE YOU THE MOST YOUR CHEVROLET DEALER

Left to right: Corvair Monza Sport Coupe, Chevy II Nova 4-Door Sedan, Chevelle Malibu Sport Coupe and Chevrolet Impala Convertible. Each comes with an outside rearview mirror and seven other standard features for your added safety. Always check your mirror before you pass.

That's the beauty of buying America's most popular make of car—especially right now when summer savings are extra tempting. It just makes sense that you're going to save in a big way by seeing the man who's doing business in a big way. So go see what your Chevrolet dealer can save you right now on a luxurious new Chevrolet, racy Chevelle, Chevy II or sporty Corvair. This year's cars by Chevrolet are the most. And right now—so are the savings.

This "fish story" is true!

Consumers Power Company's primary function is producing and distributing dependable electricity and natural gas at the lowest possible rates. But our interest in Michigan's conservation and recreation programs covers many years.

At our Tippy and Hodenpyl Dams on the Manistee and Muskegon rivers, are 10 recreational areas that we make available to the public.

And in the Croton and Hardy Dams area near

Newago, Consumers Power provides a recreational location which also is open for public use.

Company land along the Au Sable river likewise has been carefully preserved, so that its natural beauty may be enjoyed by thousands of sportsmen and others who love the outdoors.

Consumers Power Company and its employees—all 10,000 of them—are working constantly to keep Michigan the best NATURALLY!

Bands and bikes, politicians and people make a parade

THE BOOM of ancient rifles punctuates the clamor of the parade as a Civil War marching unit passes by.

GREETING THE CROWD at the July 4th parade are ex-Governor G. Mennen Williams, center, and from left, Carl Pursell, Republican State senate candidate; James Tierney, Demo-

crat and 14th State Representative; Earl Demel, attorney and candidate for the State senate on the Democratic ticket, and U. S. Congressman Weston E. Vivian.

A VINTAGE BUICK was part of the parade. Antique cars always form a part of the July 4th line of march.

FLOATS, like this one from the American Association of University Women, make up the parade.

DECORATED bicycles with kids of all ages ride past with gaily colored crepe paper flying.

George Meader waves to the crowd. He is seeking to regain his Second District U. S. Congressional seat.

What's your eye-cue on water sports?

Water sports are an important part of fun in the sun for activity-minded women this summer.

Whether it's boating, water skiing, swimming, skin and scuba diving or surfing, there seems to be something for every interest.

All of these aquatic activities have a common denominator that can spoil your pretty complexion: overexposure to bright sunlight. You know the sun's rays can cause painful or disabling burn, but the fact that eyes are also susceptible is not so apparent.

Too much exposure to brilliant sunlight can produce swelling and harsh lines around the eyes, while glare conditions cause eye strain and headaches.

Civilized cook-out aids replace cave-man way

Just because outdoor cooking and entertaining is still done in much the same fashion as when it was invented by cave-dwellers doesn't mean you can't improve upon it. One pleasant way to add civilization to patio or terrace dining is to use portable electric appliances as a supplement or substitute for live coals.

By setting up a buffet near an electrical outlet or extension, you can use portable electric aluminum skillets and griddles to achieve much more predictable cooking temperatures than are supplied by the more primitive heat sources normally used for barbecues. Another plus is the way these

units keep food at just the right serving temperatures as long as you want, even in cool breezes.

Now that portable electric skillets and griddles are available with easy-cleaning non-stick finishes, after-party cleanup time is considerably reduced.

You'll save more steps by plugging in your automatic coffeemaker outside, too.

To launch your outdoor entertaining season with a sure success, this recipe for Shrimp-Ham Fried Rice is guaranteed to have everyone from cave men to astronauts coming back for more. (See below.)

ELEGANT ORIENTAL FEAST OUTDOORS, cooked and kept hot on portable electric appliances. Ham-Shrimp Fried Rice is served with egg rolls, tea, fruit and rice cookies. Non-stick coating on the aluminum cookers makes clean-up an easy job.

Shrimp-Ham Fried Rice
4 tablespoons cooking oil
2 cups diced onion
1/2 cup diced Chinese water chestnuts
1 cup diced mushrooms
1/2 cup diced green pepper
1 teaspoon salt
1/2 teaspoon pepper
3 eggs, beaten
5 cups cooked rice
1 cup diced cooked shrimp
1 cup diced boiled ham
4 scallions, finely chopped
1/4 cup soy sauce

Heat oil in aluminum electric skillet set at 375°F. Add onions, chestnuts, mushrooms, green pepper, salt and pepper. Cook

and stir for 4 minutes. Stir in eggs and cook until eggs are set, about 1 minute. Add rice, shrimp, ham, mix well and cook, stirring constantly, 4 minutes. Stir in scallions and soy sauce. Serves 6.

To round out the menu, serve egg rolls (the frozen kind are easy to warm on your electric grill or skillet), pineapple and kumquat tidbits spiked with toothpicks onto a whole pineapple, fortune cookies, ice cream, and hot tea prepared in your large aluminum party percolator by removing the coffee basket, heating water and adding tea bags to steep.

Leathernecks bound for the Pacific will receive more training when they report to the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling, and civic action based on experience gained in Vietnam.

Plymouth pair train in Marines

Marine Private David J. Cook, son of Mr. and Mrs. Earl Cook of 679 N. Harvey St., and private Jeffrey H. Griswold, son of Mr. and Mrs. C. H. Griswold, 1314 Beech St. have completed individual combat training at Camp Pendleton, Calif. The four-week course included over 200 hours of instruction under simulated combat conditions, covering squad tactics, guerrilla warfare, day and night combat, patrolling, and the use of infantry weapons.

Their next stop is four weeks of basic specialist training in their military occupational field. Marines to be assigned to infantry units will be taught infantry sub-specialties, such as the machine gun, grenade launching, rifle or mortar. Marines to be assigned to highly technical specialties will be sent to military technical schools for their specialist training.

Leathernecks bound for the Pacific will receive more training when they report to the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling, and civic action based on experience gained in Vietnam.

Scotts attend Motor Coach convention

A family from Plymouth, Mr. and Mrs. Wayne Scott, 51215 Hanford Rd. will be at the 3rd national convention of the Family Motor Coach Association, Inc. in Glenwood, Minnesota, July 8, 9, and 10.

Indications are that this convention will be the largest gathering of motor coaches in the history of the world.

JUNIOR FOOTBALL was promoted at the annual July 4th parade as a float with several prospective Plymouth Community Junior League Football players dressed in uniforms passed by. A loud speaker announced details of the new league, which was formed this spring and will begin play this fall.

Longshots leave 'Downs fans breathless July 4

The July 4 celebration may have ended for most people early Monday evening when they started back to their homes from lakes and summer resorts but no celebration anywhere will match that at Northville Downs where three tremendous bombs were fired in the opening three races of the holiday card.

For those who love longshots, it was the greatest celebration in the 'Downs 23-year history - one that they won't soon forget.

And when the fireworks were over by the fourth race, the crowd of more than 5,000 had seen the mutuel board flash the prices for the biggest daily double payoff of the state's harness racing season, second highest at the 'Downs and three boxcar prices of \$45, \$53 and \$53.80. The daily double paid \$607.20.

The big blast started in the opening race when Pick's Choice, a six-year-old making his first start of the year, romped home in 2:09.4 and rewarded his backers with \$45 to start the big double.

Lord McKinney, a two-year-old who showed one win in three previous starts, was much the best of the eight starters in the second and sped home free by a wide margin in 2:07.4 and paid \$53. That combination of a \$45 and a \$53 winner resulted in a daily double that was second at Northville only to the record high of \$768 on June 30, 1951. There were 37 lucky tickets

holders and each will have an opportunity to check in to the International Revenue Department - each ticket was over the \$602 figure, at which winners are required to make identification and sign IRS reports.

The crowd hadn't recovered from the shock of the two long ones until Horrell's Bertha, a five-year-old mare, trotted under the wire to win by a long head in the third at better than 25-1 odds for a \$53.60 mutuel.

Optimists trim Giants in opening stanza

The Plymouth Optimists still can show the Connie Mack American League how to play ball.

The Optimists shutout the Giants 6-0, behind the brilliant pitching of Dan Camp, who struck out 12.

The locals opened the game up in the first stanza, ripping the Giants pitcher with a single from Rick Dyer and a big hit from Mike Clinkhammer, who drove in two runs. Not satisfied, the Optimists scored once more as Dave Prochazka singled.

Later in the game another run scored when Clinkhammer was hit by a pitch.

In a second game, the Opti-

mists lost 2-1 to Redford Earl Morrall as Ron Boyne gave up only two hits. Mike Riley from Redford got both hits off of Boyne, as a walk, a double, a steal and an error gave them the game.

The Elks lost to Big Boy of S. Redford 15-1 last week. The Big Boy team is undefeated.

In 'F' league play, the Plymouth Jaycees ripped the Training School Phillies 7-2, University Litho took Ely Ollers 12-2 and DiPonio edged the Northville Orioles 5-4.

Other scores were Bill's Market 2, Casterline Braves 1; Ollers 8, Orioles 6; Bill's Market 8, DiPonio 2.

Another game ended in a 13-13 deadlock as dark came and the Jaycees and Casterline Braves couldn't break the tie.

Fisher's Shoes is the team to beat in 'E' ball as last week they took apart the Northville Plumbers 24-2 and University Litho 17-1.

Other games saw Plymouth lose 7-5 to the Training School, Litho beat Bloom's Insurance 2-0 and General Filters top DiPonio 13-7.

On June 29, Filters beat the Training School 9-3, and Northville Plumbers beat DiPonio 10-6.

SCHOOLS OUT

Watch Out

Michigan motorists killed or injured 19,687 children in traffic in 1964.

95 per cent of children were killed while playing — not going to or from school.

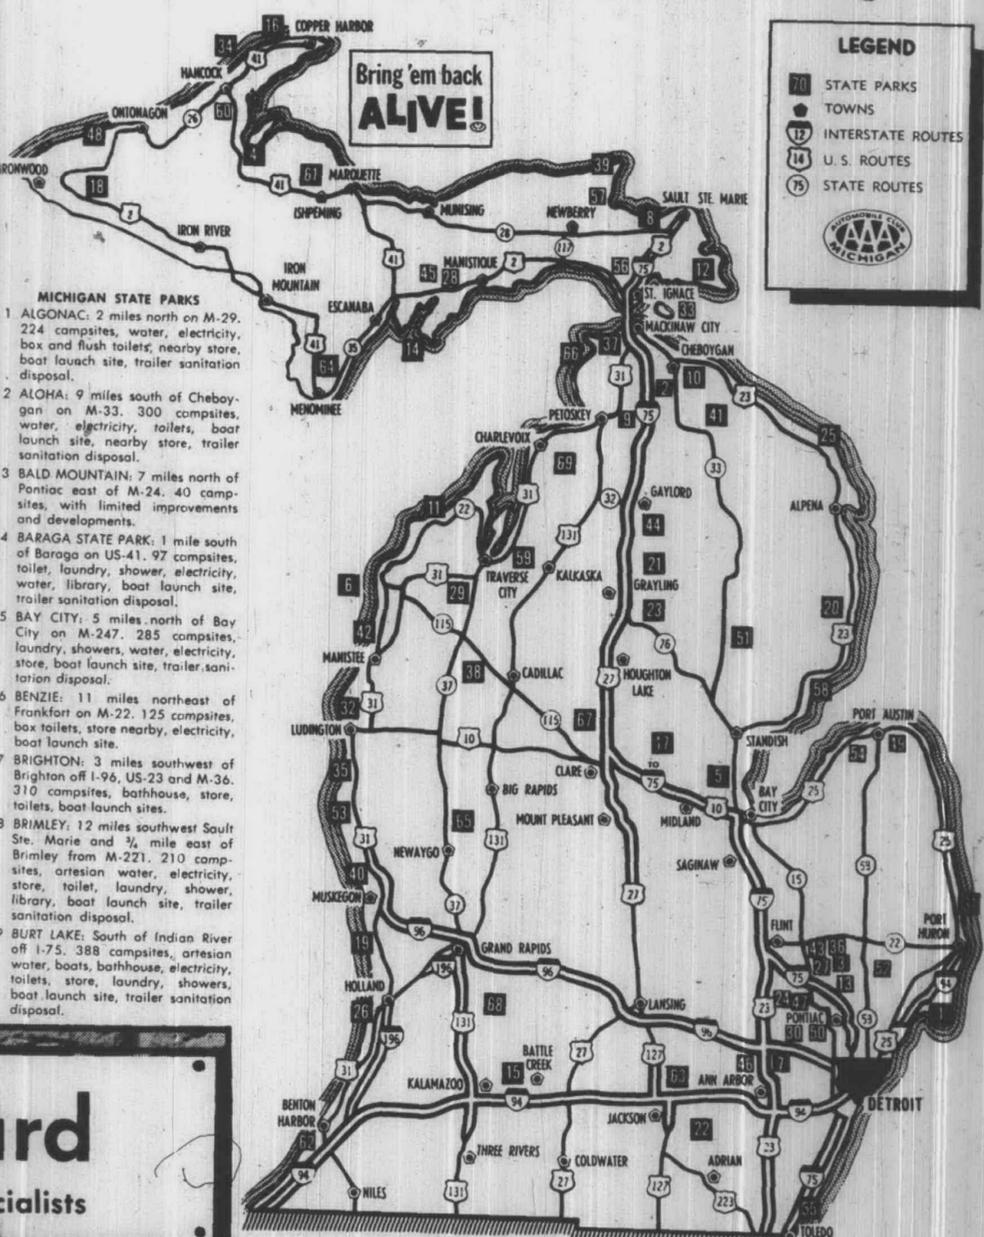

65 per cent of children were hit darting into the street, often from behind parked cars.

The majority of accidents to children occur on residential streets — a few blocks from home!

WHEN YOU DRIVE... WATCH OUT FOR KIDS!

Data prepared by Michigan State Police for the 20th annual WATCH OUT FOR KIDS safety campaign of Michigan oil companies.

Tips from the STOP & SHOP CHEF Questions & Answers

In soft-cooking eggs by coddling rather than simmering, what time adjustment is necessary?

To coddle eggs (steeping them in the shells in hot water off the heat), allow twice the time required to cook eggs in simmering water.
