TOOT! TOOT!: The sixth biannual Plymouth Model Train Show will be held Sunday at the Plymouth Cultural Center, Farmer at Theodore. In conjunction with the model train show there will be a real locomotive and caboose available at the Chessie System Yard in Plymouth for adults and children to climb aboard. Sunday also is the same day as the Old Village Apple Festival.

TO LONDON, TO LONDON: Andrea Bracht and son David, 9, of Partridge Drive, Plymouth, have returned from England where she had the opportunity to have tea with the Lord Mayor of Plymouth, England — the city's sister city. She traveled to the British Isles to visit her brother, William Bakerman, who has lived in Cardiff, Wales, for the past two years while serving as a lay clerk at Llandoff Cathedral. Mother and son toured southern and western England and southern and mid-Wales, plus the London area (1,200 miles in a rental car for two weeks). They took with them gifts from the city of Plymouth to Plymouth, England, and spent half an hour in the council house parlor with the Lord Mayor, Councillor Bill Glanville, for afternoon tea. They also were taken on a guided tour of the council house and received a photograph of the Lord Mayor and a leather-bound book describing the city's government and municipal buildings. Upon returning home the Brachts received a personal letter acknowledging the gifts and visit. While in Plymouth, England, they also visited the Mayflower Hotel, a 13-year-old high rise.

FILLING BOOTS: Plymouth firefighters are at it again, trying to fill their boots for burn victims. The firefighters will have a "fill the boot" Oct. 10-12 at K mart, Chatham, Great Scott Supermarkets, ACO and Family Discount Drugs. Firefighters will be collecting donations for the National

School enrollment, state aid up

By Doug Funke
staff writer

Enrollment in grades K-12 in Plymouth-Canton Community Schools has increased by 213 students or 1.2 percent this fall. An unaudited count obtained Sept. 26 — the traditional fourth Friday date — turned up 6,977 students in the elementary schools, 4,156 in the middle schools and 4,418 in the high schools for a total of 15,551.

That compares to 15,338 last year. School administrators had projected that 15,445 students would enroll in K-12 this year.

This is the second year in a row that there was a slight increase after four consecutive years of decline. The district's student population peaked at 16,913 during the 1980-81 school year.

More students will result in more state aid — about \$580,000 when

adult education registrants are included, said Raymond Hoedel, associate superintendent for business.

THERE'S a flip side, though. Additional teachers — one for every 25 students, according to Norm Kee, assistant superintendent for employee relations — were hired in response to the enrollment increase. That's an additional expense.

The greatest growth appears to be

at the elementary level, fifth grade and below.

"We've experienced some growth in elementary. We're watching that," said Michael Homes, assistant superintendent for instruction.

"The best conclusion we can draw at this point is enrollment is stable. There are families with younger children coming to the community. We see some growth but small.

"While we didn't like to see enrollment drop (in the early '80s), it

wasn't drastic," Homes said. "We were able to make adjustments quite well."

Classroom overcrowding has resulted at Isbister Elementary School and some transportation problems have been reported, especially involving youngsters in a pre-kindergarten program.

Portable classrooms have been ordered and school officials, conceding the busing problem, have said they'll try to find a solution.

Opportunities abound for job seekers

By Doug Funke
staff writer

The help-wanted sign is out in Plymouth. Literally.

With summer help returning to college and cash registers apparently ringing up good volume, business owners and managers are scrambling to fill holes in their work forces.

All kinds of retail and service positions are available in restaurants, gift shops, book stores and specialty outlets around town. Most are part-time and pay the minimum wage — \$3.35 per hour.

Job seekers may not get rich but opportunities are waiting to be harvested. If you have the right stuff.

"It's hard to find people who can walk and chew gum at the same time," said Judy Freel, recently hired to manage the Cheese & Wine Barn on Forest.

She has two openings — nights during the week and days weekends. Applicants must be at least 18 years of age because alcoholic beverages are sold there.

"THEY SHOULD be outgoing, able to approach people with some ability to sell or at least educate

... the unemployment rate should be zero because everyone needs help.

them about our products," Freel said.

There hasn't exactly been a rush of applicants, she conceded. "I've got my work cut out for me."

Lou Rice, manager of Pier 1 Imports a couple of doors down Forest, said he's surprised by the number of help-wanted signs that have sprouted. He said he doesn't usually advertise job openings but has done so recently.

Rice has two jobs available, clerking at minimum wage 20-35 hours per week. He isn't expecting many career-oriented applicants.

"Basically when you have \$3.35, you want people who don't need it to support a family but need extra money or like the store," Rice said. "You have a lot of turnover. I hired someone a few weeks ago who was great but found a job with more money."

Peggy Grunwald and Darla O'Callaghan, mother and daughter who run Grunwald's House of Fudge on Forest, are looking for someone willing to learn how to make fudge.

Pay is negotiable, they say. Work hours are 10 a.m. to 6 p.m. Monday through Friday.

"They'd be our manager on that side of the production. I'd like them to be flexible enough so if we really got busy, they could come on this side and help," O'Callaghan said.

"We're trying to get this store settled so key people can leave and go on to our other property," Grunwald said of a store they're opening in Birmingham.

The number of employers looking for help hasn't escaped O'Callaghan's notice, either. "I said the

unemployment rate should be zero because everyone needs help."

ARBY'S IS among several area restaurants advertising for new blood.

"We're looking for closers, mostly, and we're looking for days, too. We could hire four or five people," said Michelle Eddy, a manager. "We

can't give 40 hours but it usually ends up more than 20."

Employees hired to work nights and clean up after closing can expect to start at \$4 per hour, she said.

"I think what's happening is a lot of kids went back to school. We lost a lot of people that way."

If none of these jobs seem appealing, check out Dino's Pizza and Taco

Bell on Main Street, Wendy's on Ann Arbor Road, and Baker's Rack on Forest. Head over to Little Professor on the Park, The Mole Hole and Fred Hill's Haberdashery on Main.

They were all looking for help last week. A good appearance, persistence and a willingness to meet employers' needs could make a difference.

7-Eleven abruptly shut

The 7-Eleven store on Main Street was quickly boarded after its final closing.

By Doug Funke

The 7-Eleven convenience store on Main Street near Ann Arbor Road, a favorite hangout of young people in the Plymouth community, was permanently closed last week, apparently with little or no notice.

The closing was attributed by manager Barb Dalton to its "bad location" and "all the problems we're having with cruising and kids."

The store was turning a profit in spite of the problems, she added.

The Southland Corp. had operated the store since taking over from a franchisee last December. The outlet initially opened in 1971.

The corporation had reached agreement to sell the Main Street property to an independent operator, said Dan Schornak, real estate representative for Southland.

HOWEVER, THE deal was suspended until an operational review determines whether future 7-Elevens in the area would be hurt by a competitor. A decision is expected within a couple of weeks, he said.

A deed restriction would be a solution to the competition problem.

"Our focus is, in fact, to expand," Schornak said. "Plymouth, we think, is an outstanding community. We feel there are good opportunities to build. We have solidly identified three opportunities in the Plymouth area."

He declined to be more specific.

Southland tries to locate all of its stores at intersections, Schornak said. The Main Street store wasn't on an intersection. "You miss functional flows of traffic and accessibility."

Dalton, who declined to say how many employees worked in Plymouth, said all could be absorbed at other 7-Elevens with no problem.

Stock was being moved to other stores last week, Dalton said.

"Not all men must go bald. Eighty percent of baldness can be prevented. We make no claim on growing hair on all heads — that would be magic. But there is no question of our being able to help most maintain their healthy hair growth and often restart hair growing on bald spots."

That's from an advertisement on page 25 of the Plymouth Red Book, published in 1939 by Caroline Dayton. The ad was run by Curly's Barber Shop at 139 Liberty Street. Curly had his photo in the ad, and sure enough he had plenty of dark, curly hair.

Plymouth had 5,500 people in 1939, the year nylon stockings first appeared on the market. In that year, the city had an assessed valuation of \$5,298,110, a tax rate of 13.50, and bonded indebtedness of \$247,213. A review of the town that appeared in the book said the city had many citizens who had achieved recognition well beyond city limits.

"Plymouth is sometimes called a city of champions. Bobbie Hitt, though still in his teens, has won three times the state horseshoe title; Phyllis Rotnour has won many state figure skating championships; the Plymouth High School Debating Team won the state championship in 1920 and has been winning Twin Valley Championships for many years since."

The article pointed out that Plymouth had four authors. J. Merle Bennett's book, "Roadside Development," had been published by the McMillan Co. in 1929, and his "Roadsides, the Front Yard of the Nation,"

had been published by the Stratford Co. in 1936.

Ruth Huston Whipple also had written two books: "Debating for High Schools," published by Ginn and Co. in 1929, and "Debate Coaching," published in 1931. Nettie Dibble had written a history of Plymouth which the Plymouth Mail published in booklet form. And many plays written by Miss Nellie Pelham had been published.

PLYMOUTH CITIZENS had made their mark in state politics.

Representative Elton R. Eaton, publisher of the "Mail," was serving his second term in the Michigan Legislature; school Superintendent George A. Smith had been a member of the Michigan State Institution Commission for 12 years under six governors; and Fred Schrader, owner of the Schrader Funeral Home, had been a member of the state Board of Embalmers for 12 years.

Dr. Luther Peck, the city health officer, had served three terms as president of the Michigan State Homeopathic Medical Society. Clara Patterson Todd had served three terms as state treasurer of the Michigan Women's Christian Temperance Union.

Hildur Carlson had been state treasurer of the Michigan Business and Professional Women's Club, and Ruth Whipple had just been elected a trustee of the Michigan Municipal League.

Case Hough of the Daisy Manufacturing Co. had served two terms as president of the National Toy Manu-

past and present
Sam Hudson

facturers of the United States. Mr. and Mrs. C.H. Bennett, also of Daisy, had been chosen as delegates from the Detroit area to the International Red Cross Congress in Japan in 1937.

HARRY C. ROBINSON, local businessman, was known all over the country as an auctioneer of unusual merit, and as a charter member of the Detroit "Old Newsboys" Goodfellow Club. Sidney D. Strong, Plymouth's second village manager, was the Scout director of this region and was close to completing his 25th year as a Boy Scout leader.

Among businessmen who placed advertisements in the Red Book was Roy Pursell, father of Carl Pursell who now represents this district in the U.S. House of Representatives.

On page 18 of the book, Roy Pursell ran his photo and described his business as advertising and merchandising counsel. He injected a bit of his political philosophy into the body of the copy which read: "Today's business problem No. 1 is distribution, and this can be remedied only by better advertising and merchandising (and not by the popular idea of taxing one group for the benefit of another group)."

Pursell had two ads in the book.

The other one showed a photo of his staff of eight employees standing in front of the Pursell Publishing Co. at 637 S. Main Street in the building where Fitness Things Inc. now is located. The ad, addressed to beauticians, told them to visit "America's largest exclusive producers of Beau-

ty Shop advertising and record systems."

LIQUOR COULD NOT be sold by the glass in Plymouth in 1939, but the Red Book listed eight establishments under the heading "Beer Gardens."

There was Charles Ashley's at 1705 Plymouth Road, the Cavalcade Inn at 2035 Northville Road, Walter E. Dann's at 34401 Plymouth Road, August Henke's also on Plymouth Road, The Hillside at 610 Plymouth Road, Moon-Lite Inn at 37604 Ann Arbor Trail, Andrew Sambrone's at 887 N. Mill Street and Bill Simpson's Cafe at 447 S. Main.

Simpson's Cafe advertised that it gave "snappy service with a smile." The Moon-Lite Inn had an orchestra and offered dancing on Friday, Saturday and Sunday. The Cavalcade Inn, which had a rather shady reputation when I arrived here in the early 1950s, was later destroyed by fire.

Andrew Sambrone's was in the Hotel Anderine near the railroad tracks in Old Village. It was destroyed by fire a few years ago. The Hillside Inn was operated in 1939 by Jake and Margaret Streng Stremich. It had grown out of the old Streng homestead and specialized in chicken, frog legs, steak and ribs.

New Dial-a-Ride vans to hit the streets today

By Sue Mason
staff writer

Local dial-a-ride passengers will get new wheels, starting today.

Nankin Transit Commission, which serves five western Wayne County communities, will put two of four new vans into service today.

At the same time, NTC executive director Charlie Hunter is looking into ways of revising the five-community minibus service to better utilize four new buses he has received from the Southeastern Michigan Transportation Authority.

Two of the buses went into service today, providing service to residents in Westland, Garden City, Canton, Inkster and Wayne.

THE BUSES are good news for NTC, which hasn't received a new bus in more than five years. But while Hunter is happy to be able to upgrade his aging fleet, he's a little disappointed.

The buses are larger than what he ordered and they aren't Michigan-made.

"I'm disappointed that they're so big, but I'm not one to look the gift horse in the mouth," Hunter said. "They're four feet longer and a foot taller than what our drivers are used to."

"We have to go up and down side

streets and these are hard to wheel around."

The new buses resemble large motor homes in body style and can carry up to 19 passengers. At 25 1/2 feet long, they are just a half foot shorter than some of the line haul buses on major SEMTA routes, said Martin Moore, NTC supervisor.

The body panels are made of aluminum and fiber glass to make them almost rust resistant. Under the hood is a 454-cubic inch engine and the bus is equipped with power steering, power brakes, dual air conditioning, wheelchair lift and locking mechanisms to handle two wheelchairs and two-way radio.

SAFETY features include padding on support poles and hand rails, three pop-out emergency windows and a rooftop escape hatch.

There also are seatbelts on one bench seat to accommodate riders who need to be strapped in, Hunter added.

"We're quite enthusiastic after not having new buses for five years," Moore said.

"It's a treat. It's like getting a Lincoln when you expected an Escort. There's lots of luxury on them."

Because the buses are larger than the rest of the bus fleet, NTC drivers have been going to another bus terminal on Saturdays for driver train-

ing. Even Moore has taken a driving course.

The new buses aren't only good news for NTC, but for two drivers who were laid off because of the deteriorating condition of some of the buses. They were recalled from layoff and rejoined NTC today.

"The buses got to the point where we had to sideline them because they were just too costly to repair," Hunter said.

"If we could trade buses in every three years, we could get the problem of maintenance out of our hair," Moore added. "Up to 60,000 miles, they're good on maintenance."

Of the buses in operation, the newest ones have been driven 97,000 miles and the older ones 172,000 miles, Moore noted.

IF THE TWO men had had their choice, they would have opted for buses similar to airport shuttle buses and they admit that the new buses will have to be filled with passengers. The large buses are going to cost

more to operate, they said.

"We may have to change the way we do business to better utilize these buses," Hunter said. "One of the big questions I hear is why do buses run around with just one passenger?"

At one time, NTC had 16 minibuses and was able to provide a park-and-ride service. Funding cutbacks forced the system to cut back service and park and ride was one of the services eliminated.

"We still do a little park and ride, but not like before," Hunter said. "I'd like to build that back up, if we could get another three or four drivers."

SEMTA provided NTC \$850,000 this fiscal year for 12 minibuses in the five-community area. The services range from the dial-a-ride program to contractual work transporting parochial school students and delivering hot lunches to homebound seniors.

NTC MINIBUSES are available for charter usage, but Hunter prefers trips closer to home such as Belle Isle.

Hunter would like to see the buses utilized for more group runs such as transporting students or under the contract with the Wayne County Association for the Retarded to take passengers to and from its Livonia workshop.

Bus services could be utilized by senior citizen housing residents who are interested in such trips as weekly shopping excursions, according to

Hunter. He noted that residents of the Garden Tower high-rise in Garden City ride NTC regularly to and from their community center.

Hunter and Moore are pleased with the progress NTC has made since 1983 when the system faced cutbacks. At that time, it had only 10 drivers and with the addition of the new buses, NTC is almost back to where it was before the reductions, they said.

"Let's face it, this really gives us hope," Moore said. "If you haven't got a bus, you haven't got a business. And finally, we're getting buses."

CHARTER TOWNSHIP OF PLYMOUTH PUBLIC HEARING NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES October 14, 1986
PLEASE TAKE NOTICE that the Board of Trustees of the Charter Township of Plymouth will hold a Public Hearing for the purpose of receiving testimony and discussing the levy of an additional millage rate for fiscal year 1987 following which the Township's tax levy for 1987 will be determined. The property tax levied for the operation of Plymouth Township was 3.9954 for fiscal 1986. Under Michigan law, this amount must be rolled back to 3.8644 mills, a reduction of 0.131 mills or 3.5 per cent unless a "TRUTH IN TAXATION" hearing is held. By permitting the tax levy to remain at 4.0 mills, the revenue for operating purposes would be \$53,429.00 more than if the levy was rolled back under the law. The millage to be levied for debt retirement purposes in fiscal 1987 will be 1.2 mills as opposed to the 1.37 levied for fiscal 1986. This will result in a total 1987 Township levy of 5.2 mills, a .1604 mill decrease from the 1986 levy of 5.3604 mills. The Board of Trustees of Plymouth Township has complete authority to establish the number of mills to be levied from within its authorized millage rate. The public hearing will be held in the Meeting Room of the Township Hall, 42350 Ann Arbor Road, Plymouth, Michigan 48170 at 7:30 p.m. on Tuesday, October 14, 1986. Telephone No. 453-3840.

Stempien stresses experience

By Teri Banas
staff writer

This is a second in a series on candidates seeking a spot on the Wayne County Circuit bench. Voters will make their selections in the Nov. 4 general election.

Gregory Stempien, a trial attorney from Northville, says experience in the law is the most important requisite for a Circuit Court judge.

Accordingly, he is running a campaign for Wayne Circuit Judge geared heavily toward pointing out his legal experience and the lack of experience of many of his opponents.

In an endorsement letter sent to members of the Michigan Bar Association, Stempien listed the experience of each of the six attorneys who are running for three circuit judge openings.

Stempien, a lawyer for 15 years, and John Murphy, an attorney with 12 years legal experience — seven as a 36th District court judge — were well ahead of the other challengers. The other candidates and years of experience are: James Rashid, six years; David Szymanski, almost four years; Sean Kavanagh, almost three years; Kathleen MacDonald, nine months.

STEMPIEN says voters should be aware of "the dangerous potential of electing a name and face without the trial background, life experience and professional learning critical to

Gregory Stempien, a trial attorney from Northville, says experience in the law is the most important requisite for a Circuit Court judge.

making informed decisions in the people's most important and serious dispute."

At present, there is no legal requirement that attorneys have minimum experience levels before filing for office. Stempien's brother, Marvin Stempien, a Wayne County Circuit judge and former state legislator, has suggested to two state legislators that they might sponsor legislation requiring minimum levels — five years for a district court judge and 10 years for a circuit judge. The legislation would have no effect on the present campaign.

A trial attorney and Northville Township resident, Stempien, 45, has collected numerous endorsements from attorneys, unions and Democrats, along with \$52,900 in cam-

paign contributions. He has not run for judicial office before.

Civic Searchlight has rated him as "qualified" and the Detroit Bar Association rated him "well qualified."

A graduate of the Detroit College of Law, Stempien has practiced law and taught it (at Lawrence Institute of Technology).

"Personally, I still look at it as a prestigious position and it's an important one in society," Stempien says of the judge's position.

STEMPIEN, who once practiced law with his brother, now shares a law office in Livonia with his wife, Jeanne Nozewski Stempien.

He describes himself as a "civil libertarian," a product of the "Ann Arbor syndrome."

"I was the generation before the Hippies."

A liberal arts undergraduate of the University of Michigan, Stempien still puts a high premium on the rights of the individual.

He is a member of the National Organization for Women, and said that about 40 percent of his case work involves defending victims of discrimination.

HE HAS defended women and men in cases of racial, age and sex discrimination. Another 30-40 percent of his practice involves representing plaintiffs in personal injury cases, he said.

Stempien has appeared in every district, state and federal court except the U.S. Supreme Court. His credentials also include work as a special assistant for state Attorney General Frank Kelley; he is currently handling three cases for that office.

METHOTREXATE
A new drug has appeared for the treatment of rheumatoid arthritis: methotrexate. This medication has the ability to stop the production of cells whose activity leads to the swelling and pain of rheumatoid arthritis.
Methotrexate, while capable of providing benefit, can also precipitate harm. The drug may cause cessation of the production of red blood cells, white corpuscles, and platelets. When given for a year or more, the drug, in some patients, has caused severe and irreversible liver damage.
Methotrexate is reserved for people with rheumatoid arthritis who have failed to improve on aspirin or similar drugs, augmented with gold or penicillamine. When taking methotrexate, the individual still needs a daily arthritic drug. Usually aspirin is not used, as it can increase the toxic effects of methotrexate.
While methotrexate is a new drug, it shares many of the characteristics of previous arthritis drugs: its side effects are many, and the appearance of these side effects is unpredictable. Therefore methotrexate becomes a consideration only after alternatives have failed to provide reasonable relief.

Parents and students may make reservations by calling 451-6600, ext. 219.

Kiwanis prepares book of emergency resources

In an effort to serve the Plymouth community, the Kiwanis Club of Colonial Plymouth has issued a book aimed at improving police knowledge of available emergency resources.

The booklet lists local agencies that help in cases of rape, spouse abuse, drug dependence, suicide and other crises.

"I saw a need among my own officers for such information," said Plymouth Township Police Chief Carl Berry, who also is a member of the Colonial Kiwanis. "And this booklet keeps it at their fingertips."

With the support of the club's outgoing president, Dr. Greg Ferman, project chairman Tom Caviston spearheaded the move to collect, verify and publish the booklet.

City of Plymouth Police Chief Richard Myers also was supportive of the project.

Since its inception, many other helping organizations, such as schools and counseling centers, have requested and received copies.

"We are proud to provide these booklets as still another service to the community," said Ferman, "and we will continue to make it available to anyone interested and to provide updated versions as agencies' situations change."

Single or multiple copies may be obtained by eligible organizations by contacting chairman Caviston at Caviston Insurance Agency, Plymouth.

The booklet includes: Growth location, days and times of Alcoholics Anonymous meetings; a church directory; family agency listings such as Big Brother/Big Sister, Council on Aging, Counterpoint, Family Service of Detroit-Wayne County, First Step, and other groups.

Local performers to present 'Harvey'

Local actors and actresses will show off their talents in the Spotlight Players' upcoming production of "Harvey," a comedy about a man who insists he can see a rabbit that's invisible to everyone else.

The comedy by the Wayne-Westland community group will be performed at 7:30 p.m. the next two Fridays and Saturdays, Oct. 10-11 and 17-18 in the John Glenn High School auditorium, on Marquette, west of Wayne Road.

Directing the comedy will be Tobin Hissong of Canton Township.

In the cast are Lewis Sequin of Dearborn Heights in the male lead of Elwood P. Dowd, a role made famous in a movie by Jimmy Stewart in the early 1950s; Diane Kremser of Garden City as Veta Simmons; Laurel Twichell of Redford as Myrtle May Simmons; Kevin Kozlowski of Westland as Dr. Sanderson; Russel Holderness of Canton as Dr. Chumley; Pam Fisher of Westland as Nurse Kelly; Bryan Cheever of Belleville as Mr. Wilson; Ron Hutchings of Livonia as Judge Gaffney.

Stempien tries for court seat

Continued from Page 5

The American Arbitration Association has employed him as an arbitrator for the past three years and the Wayne County Circuit Court lists him as a mediator. For the court, he serves on a three-member panel helping to settle cases and divert them from the court process.

STEMPIEN FAVORS a plan to assign judges to individual dockets, as proposed by the chief circuit court judge, Richard Kaufman. Stempien believes this would reduce long delays if a judge is responsible for cases from start to finish. Currently, the "central docket" provides for separate courtrooms to hear each step of the proceeding.

"It has accountability and gives you control over your own docket," he said.

Stempien said that civil cases have the longest delays, up to four years. He praised the system for handling criminal and family matters expeditiously.

Stempien also favors the planned merger of the circuit court and Detroit's Recorder's Court, which hears criminal cases exclusively generated from the city of Detroit.

"The fear is the black power base will be eroded because everyone has to run countywide. But I say that's unfounded and (County Executive) Bill Lucas destroyed that myth. People today are much more accustomed to voting cross-racially than they ever have been."

GM program speeds investigations

In a move to unify and simplify traffic accident analysis, General Motors will sell its own computer software program for accident reconstruction.

Alexander C. McKeen, director of engineering analysis for GM's current engineering and manufacturing services staff, said the decision follows a successful pilot test of the program last month with the Illinois State Police.

The copyrighted program, called FotoGram[®], is the first of its kind offered by GM.

Illinois troopers were first intro-

duced to FotoGram at a training session earlier this year at the GM Proving Ground in Milford.

ILLINOIS State Police Superintendent Laimutis A. Nargeleas said, "This technology allows us to examine an ordinary photograph of a traffic accident scene and extract more detailed and more precise information, thus permitting more detailed analysis."

"The Illinois State Police first utilized troopers to reconstruct traffic accidents in 1981. Presently, there are 20 trained state police accident

reconstructionists. These officers investigate over 300 fatal and serious injury traffic accidents annually. The GM FotoGram will increase the efficiency and speed of these investigations.

FotoGram draws on photographs of accident scenes to chart road and tire marks made during an accident. Accidents on most road surfaces produce distinctive marks that can be analyzed through FotoGram.

By converting these marks to mathematical reference points, FotoGram allows users to plot a car's course in an accident, and gain a bet-

ter understanding of the accident and its cause.

"THIS SYSTEM is ahead of others in the field," said McKeen.

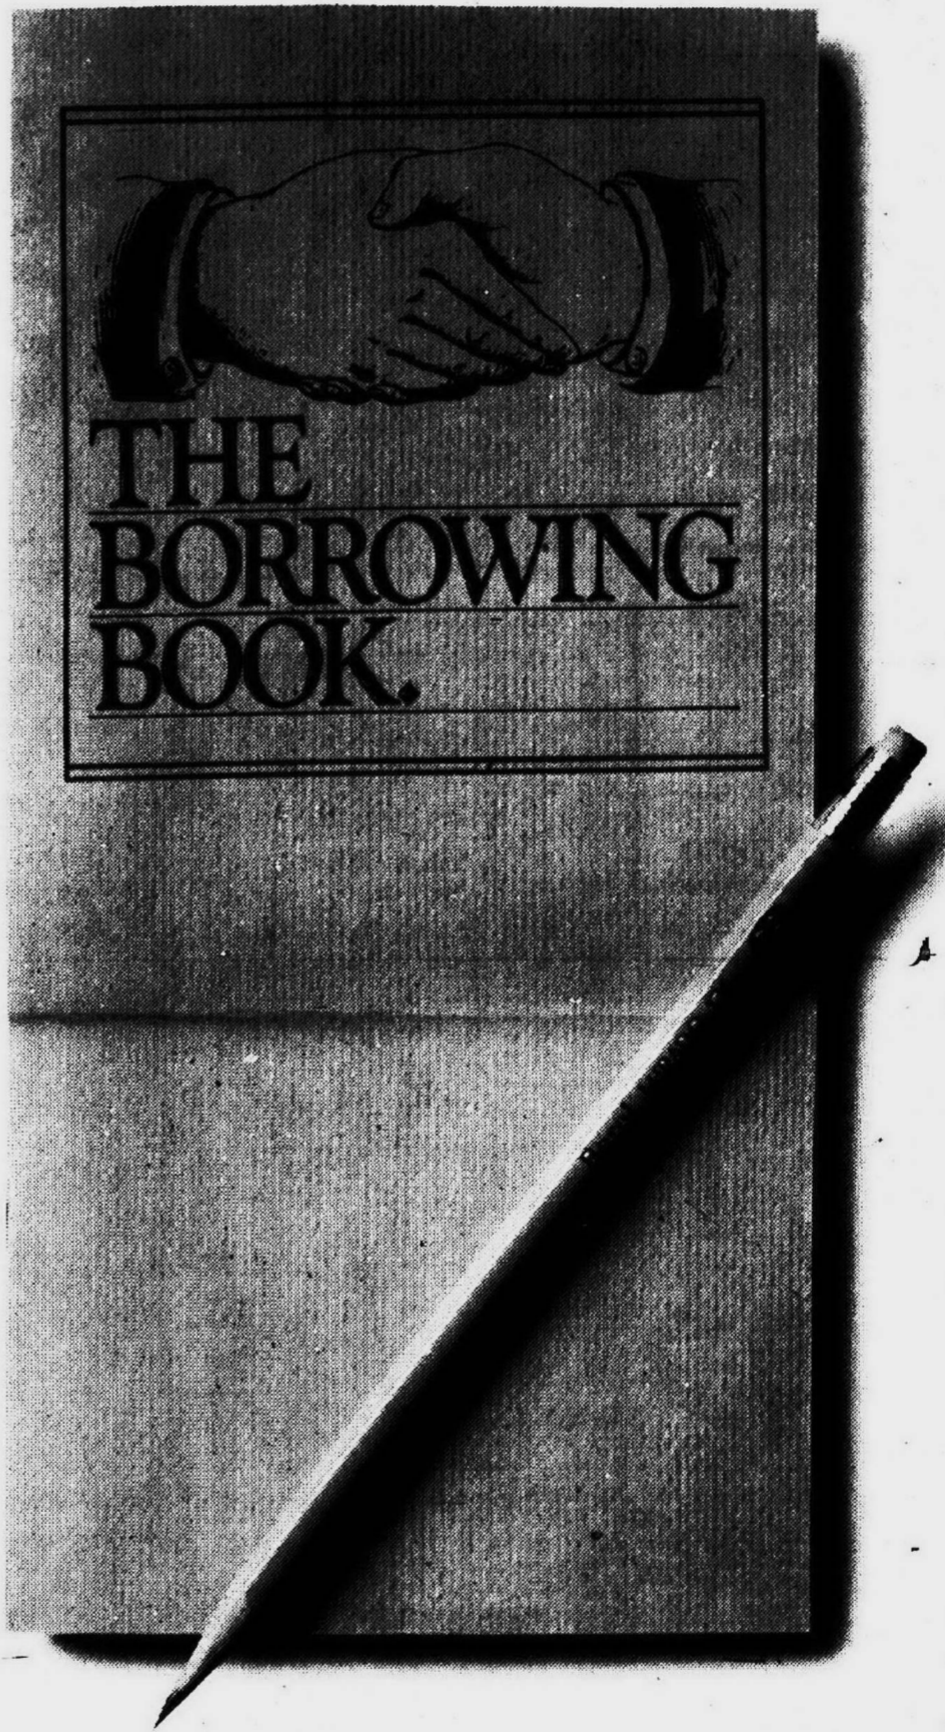

"Instead of analyzing only four photographic reference points, the program will analyze up to 10 reference points, selecting from that number those four that best display the photo field."

"With these photographs and the data they generate, investigators can produce a two-dimensional plan view or map of road conditions and vehicle movement faster, simpler,

and more accurately than through conventional means," he said. The program also can reduce or enlarge the scale of accident data for easier map and model reconstruction.

The program will accept photographs from any clear negative. It works on IBM or IBM-compatible personal computers. "With these tools, our engineers can complete in a day what it took more than a week to accomplish through accident reports and conventional analysis," McKeen said.

The Ultimate Truth In Lending.

To anyone who's never done it before, applying for a loan can be a bewildering experience.

All those questions, calculations and telephone calls make borrowing seem so confusing.

Actually, it's quite simple. Even logical. And to prove that point, First of America Bank is offering The Borrowing Book, a straightforward explanation

of how loan officers make up their minds.

In it you'll find the questions bankers ask when you apply for a loan. You'll read about the importance of debt-to-income ratios and credit reports.

And you'll learn about the wealth of loans available from First of America Bank. Everything from car and boat loans to private lines of credit and bank credit cards.

For personal loans and the whole story behind them, come to your nearby First of America Bank office and get The Borrowing Book free.

The plot isn't much, but it could have a very happy ending.

McNamara coalition launches ballot drive

By Teri Banas
staff writer

A coalition of business, labor and government officials has launched a 30-day campaign to battle public apathy and encourage a yes vote on Proposal D to eliminate the office of Wayne County drain commissioner.

Led by county executive nominee

Ed McNamara, the so-called Citizens for County Reform listed among its backers the Greater Detroit Chamber of Commerce, New Detroit, The Metropolitan League of Women Voters and the Metropolitan Detroit AFL-CIO.

McNamara last week called on the proposition's passage on Nov. 3 and described it as "the last item

toward total reform in the county.

"The office is a totally archaic function, totally without checks and balances," he said.

COMMISSIONER Milton Mack, D-Wayne, who drafted the proposal and was responsible for its approval before the Wayne County Board of Commissioners last spring, also criticized the office for having "literally, no limits on taxation or spending."

He added that McNamara's leadership has created an "opportunity to have the proposal adopted." Under the proposal, the functions of the drain commissioner's office would be absorbed by the county's public service department. Mack estimated that the cost of drain clean-up projects could be reduced by up to 75 percent if the proposal is adopted.

In the past year the office has been under intense scrutiny and criticism for a number of practices, including failure to obtain competitive bids for drain projects, failure to

keep accounting records for up to six years and failure to hold public hearings in proper fashion on assessments.

As a result, commissioners earlier this year suspended indefinitely assessment costs against residents in two western Wayne communities where assessments were suspect.

On the average, county auditors found the office charged residents \$100,000 per mile for drain work while the same work is averaging \$30,000 per mile in other counties.

The activities of the drain office affects about 25 percent of the county, mostly in western Wayne townships and downriver communities.

The new coalition's chief challenge will be get voters countywide interested in the reform, spokesmen said.

ACCORDING to McNamara campaign staff, a poll McNamara conducted five months ago showed that 50 percent of voters countywide had no opinion on the issue while 25 per-

cent were in favor of eliminating the office of drain commissioner and 25 percent were against it.

Chamber of commerce officials said last week they viewed the proposal as a pro-business measure, one that would encourage development in areas currently stymied by poor drainage and poor road systems.

AFL-CIO chief Tom Turner, standing alongside McNamara last week, said the measure would have significant impact in depressed, rural areas. He said the proposal would "encourage more work at lower costs" and add jobs for economic development.

He spoke of the union's own Gomper-Randolph investment program for spurring economic development when he said projects in Sumpter Township were hampered by poor drainage.

"Unfortunately, it's the rural townships that can least afford this foolishness," added McNamara of the office's practices.

TURNER SAID the AFL-CIO would encourage union members to support the proposal. McNamara workers said that other select groups would be contacted by mail.

McNamara said more controls over costs could be best obtained by a system of checks and balances which includes the county commission reviewing proposed contracts.

Drain Commissioner Charles Youngblood tried to prevent the proposal from appearing on the Nov. 3 ballot but the courts have ordered that the proposal should appear on the ballot.

In the recent past, citizens groups have filed lawsuits against the drain office for unjust costs. In 1982 the state Supreme Court ruled in favor of one group of residents from downriver and western Wayne County and awarded them one half million dollars.

A second lawsuit by citizens is now being prepared.

St. Mary, Ford sign service pact

By Teri Banas
staff writer

St. Mary Hospital and the Henry Ford Hospital group have reached an agreement that would result in more patient referrals to the Detroit-based hospital while providing for future joint projects.

In exchange, St. Mary officials said the "letter of agreement" would allow Ford physicians from highly specialized medical fields to serve as on-site consultants at the community hospital in Livonia.

"I look at this as a win-win situation for both hospitals," said Sister Mary Modesta, president of St. Mary Hospital.

"It's a network agreement. We're been working with the HMO (Health Medical Organization) plan at Henry Ford and want to get more involved in the services they provide," she added.

Sister Modesta suggested two fields as likely areas for implementing the new pact. They included neonatal care and "high risk" mothers as well as neurosurgery.

"One of our main goals is to provide care and services for patients that are HAP (Health Alliance Plan) patients. This provides a community hospital for HAP (patients)," she added.

FORD HOSPITAL spokesman Al Case said the arrangement could "open up some clinical relationships between physicians on both staffs. St. Mary could become an important location for a HAP provider network," he said.

In this area, Ford operates satellite clinics in Dearborn and Plymouth. HAP operates the Oakcreek Center in Livonia and the Newberry Center at Six Mile.

"For patients, it could mean a more cohesive continuum of care," Case added.

Sister Modesta predicted the future would bring more mutually-satisfying network agreements like this one.

"The time has come that hospitals are going to have to work closely with preferred hospitals," she said.

ACCIDENT investigations typically have been done by hand with little or no computer assistance. Accident investigators don't always have time to take detailed notes often the key to understanding the events leading

to multiple or complicated accidents.

If an accident occurred at a busy intersection, traffic can quickly erase evidence of the accident, as can highway construction or road repair," McKeen said.

FotoGram first developed by

General Motors Research Laboratories in 1975 has been used and refined for the past 11 years by GM engineers in analyzing accident data. GM will sell FotoGram to individuals for \$100 or will issue groups of 11 or more a site license at a special rate.

10,000 balloons publicize lupus

More than 10,000 balloons will be launched at several locations throughout Michigan during the month of October to observe Lupus Awareness Month.

Each balloon will represent someone in Michigan who has a little-known illness called systemic lupus

erythematosus (SLE) or lupus for short.

Lupus can range from a very mild disorder to a serious, disabling life-threatening illness.

The Michigan Lupus Foundation

will sponsor an awareness and screening day on Oct. 25 from 10 a.m. to 4 p.m. in the community room of Northland Center, Greenfield at Eight Mile roads in Southfield.

Conservation club to hold sighting days

Western Wayne County Conservation Association will hold its annual sighting-in days starting on Saturday, Nov. 14. The public may sight in their rifles and shotguns, in anticipation of the upcoming big game seasons.

Rifles will be limited to centerfire calibers only, and shotguns may zero in with slugs only. Since it will be legal to hunt with handguns in the southern half of the lower peninsula for the first time this year, the club's board of directors has decided to allow sighting in of those handguns with which hunters may legally take game in this area. Handguns will be sighted in on weekends only, at 50 yards only and under carefully controlled conditions.

Minor adjustments to firearms and scopes can be made at the range by qualified individuals who will be there to assist. A \$5 fee includes targets, benches, sandbags, the use of spotting scopes, etc.

WWCCA is at 6700 Napier Road in Plymouth Township between Five Mile and North Territorial, off the M-14 expressway (approximately 3 miles west of the Beck Road exit). The ranges will be open daily from 10 a.m. to 4 p.m. Further information may be obtained by calling the club house at (313) 453-9843.

OCTOBER OPALS RING IN FALL

October's birthstone was considered by the Romans to be a symbol of hope, an apt attribute for a gem with a rainbow locked inside of it. Shown here surrounded by diamonds, and set in 14k yellow gold, \$925. From our dazzling opal collection.

SAVVY DINING

Salmon Dijon Vegetable Salad

- 1 can (15-12 oz.) or 2 cans (7-12 or 7-3.4 oz., each) Alaska salmon
- 2 cups sugar snap peas or Chinese pea pods
- 1 small zucchini (1-inch diameter)
- 1 small yellow summer squash (1-inch diameter)
- 1 cup small mushrooms, quartered
- 1/2 cup bottled lite Dijon vinaigrette dressing
- 2 to 3 green onion tops, cut in thin diagonal strips (optional)
- Lettuce leaves (optional)

Drain salmon, reserving 1/4 cup liquid and return to can. Steam snap peas, zucchini, squash in boiling water about 10 seconds or until bright green. Cool in ice water immediately, drain. Cut zucchini and squash in 1/4-inch slices. Blanch 15 seconds or until bright in color. Cool in ice water immediately, drain. Combine peas, squash and mushrooms. Pour lite Dijon vinaigrette dressing over vegetables, marinate 30 minutes to 1 hour. Drain reserved dressing. Combine salmon, vegetables and optional green onions, gently toss. Arrange on lettuce if desired. Serve with reserved dressing. Makes 4 to 6 servings.

Minted Pear Compote

- 1 can (16 oz.) pear halves
- 2 cups honeydew melon balls
- 6 mint sprigs, cut into very thin strips
- 3 tablespoons lime juice
- 1 cup fresh berries in season
- Mint sprigs

Drain pears and halves, reserving liquid. Combine pears, melon balls, 1/2 cup liquid and lime juice. Pour over pears and melon, marinate 30 minutes. Add berries and mint sprigs. Combine with fruit sprigs. Makes 4 to 6 servings.

CASUAL ALFRESCO EATING

Alaska Salmonburgers

- 1 can (15-12 oz.) or 2 cans (7-12 or 7-3.4 oz., each) Alaska salmon
- 1 cup fine dry bread crumbs, divided
- 1/3 cup bottled lite creamy Dijon dressing
- 2 tablespoons chopped green onions
- 1 egg, beaten
- 1/8 teaspoon pepper
- 6 toasted hamburger buns
- Lettuce
- Tomato slices
- Bottled lite creamy Dijon dressing

Drain salmon, reserving 1/4 cup liquid. Make 1. Combine salmon, 3/4 cup bread crumbs, lite creamy Dijon dressing, green onions, reserved salmon liquid, egg and pepper, mix well. Shape into 6 patties. Coat with remaining bread crumbs. Pan grill in lightly oiled skillet over medium heat about 5 minutes or until golden brown on both sides. Serve on toasted buns with lettuce and tomato and additional lite creamy Dijon dressing. Makes 6 servings.

Marinated Pear Salad

- 1 can (16 oz.) pear halves
- 1/2 cup bottled lite Italian dressing
- 3 cups torn fresh spinach
- 1 cup watercress sprigs
- 1/2 cup each thinly sliced sweet white onion and green pepper
- 1 small tomato, cut in small chunks

Drain pears and halves. Pour lite Italian dressing over pears, marinate about 30 minutes. Combine spinach, watercress, onion, green pepper and tomato, toss. Remove pears from dressing, reserve dressing. Arrange pears on salad, serve with reserved dressing. Makes 4 to 6 servings.

Make It Lite 'n Easy

These days it's easy to transform convenient foods into culinary delights that taste great and are good for you. In fact, menus now offer more choices for light, healthy eating. Today's cooks are also looking for easy-to-prepare suggestions suitable for casual dining or more elegant entertaining.

The "Savvy Dining" menu (pictured) features Salmon Dijon Vegetable Salad and Minted Pear Compote, perfect for an impromptu gathering. Salmon Dijon Vegetable Salad combines a selection of garden-fresh vegetables—summer squash, onions, mushrooms and Chinese pea pods—with Alaska canned salmon, marinated in lite Dijon vinaigrette dressing for an appealing main dish salad. Alaska canned salmon is ideal for today's lifestyles as it offers convenience, versatility and great flavor as well as good nutrition.

The perfect finale to this light meal is Minted Pear Compote, a refreshing ensemble of canned pears, honeydew melon balls, fresh berries and mint. The delicate flavor and coloring of canned pears makes them an ideal recipe ingredient. They're perfectly ripened, peeled and ready to enjoy right from the can or in a variety of recipes.

The "Casual Alfresco Eating" menu is designed for meals that demand quick-to-prepare foods. Alaska Salmonburgers top this menu with a tasty combination of lite creamy Dijon dressing, canned Alaska salmon and green onions. Quickly assembled and pan-grilled, these salmonburgers offer a new approach to the ordinary fare of burgers. For flavor variety, they rely on bottled dressing for seasoning. The creamy Dijon dressing features the distinctive taste of Dijon mustard, because it's a lite dressing it has less oil and as few as half the calories of its regular dressing counterparts.

For a nutritious mealtime accompaniment, serve Marinated Pear Salad alongside the Alaska Salmonburgers. A bed of vibrant green spinach and other fresh vegetables serve as the base for this cooling salad, seasoned by a marinade of bottled lite Italian dressing with the perfect blend of herbs and spices. Juicy canned pears crown the salad and the result is a real palate pleaser.

Geared to today's lifestyles, these recipes are quick, easy and flavorful because of the ingredients and the way they're combined. That should appeal to the contemporary diner looking for lighter meals and foods with a flair.

These tasty hoagies are a spicy treat.

Spicy beef gives zing to hot Hunan hoagies

HOT HUNAN HOAGIES
 2 lbs. beef top round steak, cut 1 inch thick
 3 cloves garlic, mashed
 1/2 cup each dry sherry and soy sauce
 1/4 cup vegetable oil
 1 tsp. grated fresh ginger relish
 8 hoagie rolls

Place beef round steak in plastic bag or utility dish. Combine garlic, sherry, soy sauce, oil and ginger, pour over steak. Cover dish and marinate in refrigerator 4 to 8 hours, turning at least once.

Meanwhile prepare relish. Remove steak from marinade and place on rack in broiler pan so surface of meat is 4 inches from heat; reserve marinade. Broil 16 to 20 minutes, turning once and basting with reserved marinade. Let stand 5 minutes.

Meanwhile split hoagie rolls and toast under broiler. Carve steak diagonally across the grain into thin slices. Place beef in hoagie rolls, top with relish and serve. 8 servings.

1/2 tsp. soy sauce
 1/4 tsp. sugar
 1/2 tsp. hot pepper sauce
 1/2 cup each sliced green onions, chopped mushrooms, chopped green pepper and chopped red pepper

Combine vegetable oil, sesame oil, vinegar, soy sauce, sugar and hot pepper sauce. Add green onions, mushrooms and peppers. Let stand 30 minutes. Yield About 1 1/4 cups.

BEEF RAGOUT COUNTRY STYLE
 2 lb. boneless beef chuck eye roast, cut into 1 1/4-inch cubes
 2 tbsp. olive oil
 3 large onions, each cut into 8 pieces
 4 large cloves garlic, crushed
 1 can (28 oz.) tomatoes, drained and quartered
 5 tbsp. chopped parsley, divided
 1 tsp. dried thyme leaves
 1/4 tsp. each salt and pepper
 1 cup red Burgundy wine
 1 cup beef broth
 1/2 lb. mushrooms, quartered
 1 can (6 oz.) pitted ripe olives, drained
 hot cooked noodles
 parsley

Trim excess fat from boneless beef chuck cubes. Brown cubes in

hot oil in Dutch oven over high heat (in 2 batches, if necessary). Add onions and brown lightly, add garlic. Stir in tomatoes, 3 tablespoons parsley, thyme, salt and pepper.

Add wine and beef broth to just cover, bring to a boil. Reduce heat, cover and simmer 1 hour. Add mushrooms, cover and simmer 1 to 1 1/2 hours, or until beef is tender.

If desired, simmer uncovered last 10 minutes to reduce liquid. Add olives and heat through, stir in remaining parsley. Serve beef ragout with hot cooked noodles. Garnish with parsley. 4 to 6 servings.

Feta-Cini brings old world to new

America is a melting pot not only of people, but also of cuisines. This country adopts the dishes of the world — pizza, tacos, stir-fry — and makes them uniquely its own.

Two Americanized foods that came from across the sea are joined in an elegant little supper that's easy and economical. Feta-Cini combines the tangy flavor of feta cheese with the subtle taste of pasta.

The base of this dish is colorful spinach fettucini. Topping it is a creamy white sauce, seasoned with feta, to which has been added chicken strips, red pepper and black olives. A sprinkling of crumbled feta makes an appropriate garnish as well as contributing extra nuggets of flavor.

Feta, which was originally made in Greece from sheep's or goat's milk, is cured in brine and has a characteristic tangy taste.

Feta was popularized in the well-known Greek salad, and now cooks are finding it also adds zip to bland foods such as pasta, potatoes and eggs.

Of course, pasta also has become increasingly popular in recent years. There seems no end to the variety of shapes, flavors and colors which inspire creativity in the kitchen.

Now both foods are brought together in a superbly American dish, Feta-Cini.

FETA-CINI
 1/2 cup red or green pepper strips
 3 tbsp. margarine
 3 tbsp. flour
 2 cups milk
 1 cup (6 oz.) crumbled feta cheese
 1 cup chicken chunks
 1/4 cup pitted ripe olive slices
 8 oz. spinach fettucini, cooked, drained

Saute peppers in margarine; blend in flour. Gradually add milk; cook, stirring constantly until thickened. Add 1/2 cup cheese, chicken and olives; Heat thoroughly, stirring occasionally. Spoon cheese mixture over fettucini.

4 to 6 servings.

East meets west in tasty spinach salad

EAST MEETS WEST SPINACH SALAD

1 1/2 cups water
 1 tbsp. butter or margarine
 1 pkg. (4.7 ounces) commercial oriental rice with vegetables with beef flavor
 1 jar (7 oz.) roasted red peppers, drained sliced 1/4-inch thick
 1 1/4 cups sliced mushrooms
 1/2 cup sliced green onions
 2 cups torn spinach leaves, lightly packed
 2 hard-cooked eggs, quartered
 4 slices bacon, cooked crisp and crumbled

Combine water, butter and contents of rice and seasoning packets in medium saucepan. Bring to a boil. Cover tightly and simmer 20 to 25 minutes or until all water is absorbed. Transfer to large bowl. Add 3 tablespoons salad dressing or enough to coat rice lightly but thoroughly. Add peppers, mushrooms and green onions; toss lightly. Cover. Refrigerate until thoroughly chilled. Just before serving, stir in spinach. Add additional dressing if mixture seems too dry. Garnish with eggs and bacon. Serve immediately. Makes 5 to 6 servings.

Splendor

Trails showcase season

By Julie Brown
staff writer

AT FIRST glance and from a distance, the leaves seem to look just about the same.

A closer look, however, reveals a variety of differences. Shape, size and color help tell the story of each leaf.

For those who are interested in learning about fall's leaves, the Matthaei Botanical Gardens will offer leaf walks along the nature trails at the gardens. The walks will be led by docents, who are teaching volunteers at the gardens.

Leaf walks are planned for: 4-5:30 p.m. Monday through Friday, Oct. 6-10; 10-11:30 a.m. Saturday and Sunday, Oct. 11-12; and 4-5:30 p.m. Monday through Thursday, Oct. 13-16.

"We've had lots of calls" on the fall leaf walks, according to Marian Gotshall, receptionist at the University of Michigan's botanical gardens. Gotshall is a Plymouth resident.

The calls have come from school and Scout groups, she said, as well as from individuals.

The walks are designed to help people with assigned leaf collection projects.

"Very often, they have projects, leaf identification projects," said Canton's Marie Gentz, one of the docents at the gardens.

THOSE ON the fall leaf walks will be allowed to pick up leaves that have fallen, she said; collecting is not allowed at other times in the gardens.

Those participating in the walks should not expect to collect their full quota of leaves at the gardens. Exotic specimen leaves will not be available.

"We hope we get a good turnout for those," Gentz said of the leaf walks.

March through the end of June is a particularly busy season at the gardens, Gentz has found. Things slow down a bit in the early fall, but then pick up again.

The Canton resident is looking forward to conducting the leaf walks.

"I definitely am," Gentz is among those taking an outdoor training class for docents at the gardens. The class meets Monday mornings.

During the walks, Gentz and the other docents hope to help participants learn to identify trees by their leaves. Identification by other methods — such as bark or bugs — is also a part of the learning for those visiting the gardens.

Docents also teach about plant history, bits of folklore, plant habitat and food chains, "how everything out there works together," Gentz said.

Young children enjoy their visits to the Matthaei Botanical Gardens,

Gentz has found.

"I think they do." Senior citizen groups and garden club members are also among the regular visitors to the gardens.

CHILDREN FROM city backgrounds particularly enjoy their visits, according to Plymouth resident Gotshall.

"They're just amazed." Walking along the nature trails is a new and exciting experience for the youngsters.

In addition to the leaf walks this month, a session is planned for 1-4 p.m. Saturday, Oct. 11, in the auditorium at the gardens. During that session, help will be available for those who wish to verify their leaf identifications.

Those who need help identifying leaves they have collected will also be assisted during the Saturday, Oct. 11, session. Displays of leaves will be set up during the session; no collecting leaf walks will occur that afternoon.

There is no fee for the fall leaf walks. Reservations are not required for the walks or for the Saturday, Oct. 11, afternoon session.

Participants should dress appropriately for the weather; the leaf walks will be held rain or shine.

GARDEN SUNDIAL

The Friends of the Matthaei Botanical Gardens will dedicate a sundial in the center of the Medicinal Gardens, 2:30-4 p.m. Sunday, Oct. 5. The sundial is a memorial to Jane LaRue, former collections botanist at the gardens, who died of a brain tumor in August 1983. The sundial was created by Professor Jon Rush of the University of Michigan School of Art. LaRue was a member of the gardens' staff for 12 years. Her husband, Bob, and daughter, Suzy Wood, have continued to be active supporters of the gardens. The Matthaei Botanical Gardens are at 1800 N. Dixboro Road, Ann Arbor.

PANHELLENIC

Plymouth-Canton Panhellenic will hold its bi-annual meeting Monday, Oct. 6, at the Hillside Inn in Plymouth. The salad luncheon will begin at noon in the Beacon Room. For reservations, call Ellen Truesdell, 453-0632, by Friday, Oct. 3.

LEAF WALKS

Leaf walks along the trails at the Matthaei Botanical Gardens are planned for 4-5:30 p.m. Oct. 6-10, 10-11:30 a.m. Oct. 11-12, and 4-5:30 p.m. Oct. 13-16. The walks are guided and are designed to assist students and Scout groups with assigned leaf collection projects. Leaf identification and limited collecting will be emphasized. Those who wish to verify their identifications or need help identifying leaves may come to the gardens' auditorium from 1-4 p.m., Saturday, Oct. 11. There is no fee for these events and reservations are not required. The guides also conduct indoor and outdoor group tours. Outdoor tours are available Tuesday-Friday and some Saturdays during October-November. Tour reservations must be made at least three weeks in advance. There is no charge. Hour-long conservatory tours require reservations at least three weeks in advance. There is no charge for the tour, but a conservatory admission fee is required. For reservations or additional information, call 763-7060. The Matthaei Botanical Gardens are at 1800 N. Dixboro Road, Ann Arbor.

Talking about Death with Children

An exceptional Audio-Visual program, "Talking About Death With Children", was developed by Dr. Earl Grollman to lend youngsters to a healthy understanding of death. We find this sensitively portrayed message effective with children as young as three.

It also provides an excellent guide for adults not only in what to tell children about death but how to tell them and what they can be expected to comprehend.

For viewing of this or any other part of our Audio Visual library by your family, classroom or seminar, please feel free to call.

Falcon 'D' spoils Rock homecoming

photos by BILL BRESLER/staff photographer

Plymouth Salem football coach Tom Moshimer knew what it would take to win Friday's game with Farmington.

"Whoever got the break was going to win the game," he said. "We knew it was going to be decided that way."

Unfortunately for Moshimer's Rocks, it was Farmington that got the break. The Falcons' Joe Johnston created the only real scoring opportunity in the game for either team by stealing a Salem pass and returning it 50 yards to the Rock 11 in the third quarter.

Several plays later, Eric Green dove in from 2 yards out on a fourth-down-and-one play, and the Falcon defense did the rest in a 6-0 victory at Salem's CEP field.

The win kept Farmington in the race for the Western Lakes Activities Association (WLAA) Lakes Division title. The Falcons are 2-1 and tied with Livonia Stevenson, Westland John Glenn and North Farmington. Farmington is now 2-3 overall and riding a two-game winning streak.

For Salem, the loss ended any hopes of winning the Lakes Division title. They are now 1-4 overall and 1-2 in the division.

Salem had three good scoring opportunities in Friday's game, and all three ended with mistakes. A fumble killed one drive; Johnston's theft of Steve Holt's pass stopped another; and the third finished with a penalty that negated Leonard Bove's 50-yard run to the Farmington 14.

Any hopes for establishing some kind of offensive consistency for either squad were thwarted by the weather. "Our field was unbeliev-

able," said Moshimer after days of rain flooded the field. "It was like a pond out there."

Salem's offense was more productive — in yardage — than Farmington's. The Rocks gained 127 yards rushing and 11 passing. Holt was three of seven for 11 yards, with one interception, and Jerry Sumner rushed for 53 yards on five attempts.

Farmington got 34 yards passing and 43 rushing, with quarterback Drew MacDougall completing three of six for 34 yards and one interception.

N. FARMINGTON 29, W.L. CENTRAL 12: Scott Selzer blasted for three first-half touchdowns as North Farmington rolled to a 27-0 halftime lead and coasted to an easy victory at Walled Lake Central Friday.

North is now one of four teams at 2-1 in the WLAA's Lakes Division. And that pleases coach Jim O'Leary.

"That leaves us in pretty good shape, according to the playoff format," he said. "Let me put it this way: If everyone wins the rest of the way, we'd win it."

According to the WLAA playoff system, a tie for first by more than two teams is broken by combining opponents' records. And so far, North has played the toughest schedule.

Central wasn't one of those tough ones. The Vikings actually outgained North, 183 yards to 152, but those figures were deceptive. As O'Leary said, "Statistics are for losers."

The Raiders capitalized on four interceptions — by Joe Sturtz, Andy

Avery, Matt Suchecki and Craig Barany — and a fumble recovery. The also got a solid, two-quarter performance from Selzer, who gained 87 yards on 15 attempts and scored on runs of 7, 2 and 3 yards.

The team didn't really need him after that. His first half TD, combined with Matt Suchecki's 70-yard punt return in the second quarter, put North in command. Quarterback Scott Simon hit five of seven passes for 25 yards. The only other Raider points came on a fourth-quarter safety.

Jerry Sumner grinds out some tough yardage for Salem Friday.

Andy Gee (No. 89) and Farmington's Joe Johnston leap for a pass. Johnston picked it off and set up the winning score Friday night.

Canton fumbles pave the way for Pats' 1st victory

By Chris McCosky
staff writer

How fitting: The game ended with a fumble.

In the rain and slop (that's starting to become redundant in regards to high school football), Livonia Franklin and Plymouth Canton made enough turnovers to open a pastry shop Saturday.

But in the end it was Franklin who ate the cake, slipping away with a 14-7 overtime victory in front of an enthusiastic Homecoming Day crowd. It was Franklin's first victory this season and Canton's third straight loss.

"We finally did it," said Franklin coach Armand Vigna. "For once we didn't self-destruct."

No. Canton did. The Chiefs turned the ball over to Franklin eight times — six times on fumbles (four in the second half), twice on pass interceptions. Plus, the Chiefs had a bad snap on a punt that led to Franklin's first score.

"We did all right," said a subdued Canton coach Bob Khoenle. "We just didn't get the job done when we had to. It really hurts to lose a game like this."

AFTER A scoreless first half, the punt teams put some life into the soggy affair in the third quarter.

On a fourth-and-9 from their own 30, Chiefs punter Dave Mroczka watched helplessly as the snap from center sailed over his head. He fell on it at the 8. Two plays later, Mark Kerpet ran it into the end zone from the 6. Michael Patzsch added the extra point and Franklin led 7-0.

The Canton punt team atoned on its next opportunity. Mroczka punted the ball to the Franklin 30. The ball was fumbled. John Migyanka scooped the ball up at the 26 and rambled into the end zone. Mike Gray's extra point kick tied the score.

From that point on Canton gave Franklin one opportunity after another to win the game.

Opportunity No. 1: Canton fumbled a punt and Franklin's Chris Parenti recovered at the Canton 45. Franklin's offense couldn't move the ball.

Opportunity No. 2: Canton fumbled

football

bled the ball on its own 23. Franklin's Patzsch missed a 37-yard field goal attempt.

WE MOVE into the fourth quarter.

Opportunity No. 3: Canton fumbled its first play after the missed field goal. Franklin's Kevin Donaldson recovered at the 19. Canton's defense sacked Franklin quarterback Chris Popp twice for a total of 20 yards in losses.

Opportunity No. 4: Kerpet intercepted Steve Genyk's pass at the Franklin 26. Franklin is stopped at midfield.

Opportunity No. 5: Parenti recovers another Canton fumble. This one on the Canton 35 with 30 seconds left in regulation. Franklin moved to the Canton 18 with 22 seconds left. But Canton nose tackle Scott Browne made a game-saving sack. Patzsch missed a 46-yard attempt.

FINALLY, IN its first possession of the overtime period, Franklin took advantage. Mark Kerpet ran it home from the 5 and Patzsch kicked the extra point.

Canton, alas, fumbled its first snap in the overtime.

"It was a game of luck, really," Vigna said. "The rain has really killed the field. Trying to play on it was just terrible. It was just a matter of getting the lucky breaks."

The yardage statistics reflect the difficult playing surface. Franklin amassed 93 total yards (67 rushing and 26 passing). Canton mustered 83 total yards (54 rushing and 9 passing).

"We talked about what might happen if we would have lost this game," Vigna said. "If we lost, we easily could have been looking at an 0-9 season. And with some of the talent we have on this team, that would really be a shame."

Canton is 2-3 on the season, 0-3 in the Western Lakes Western Division. Franklin is 1-2 in the division.

Stevenson, Salem keep pace

RANDY BORST/staff photographer

Pat Frederick has been one of Canton's top point producers this season. The Chiefs played Northville to a 1-1 tie last Wednesday.

Superior talent took a back seat to the weather last week in soccer games played throughout Observerland, thanks to monsoon-like rains.

Not that the better teams didn't win. But with field conditions ranging from sloppy to swampy, luck often substituted for talent.

On Friday, Livonia Stevenson blanked visiting North Farmington 2-0. The victory kept the Spartans unbeaten overall (12-0-2) and in the Western Lakes Activities Association (8-0-2).

"Boy, it's unbelievable," said Stevenson coach Pete Scerri. "The field is just terrible. The middle is strictly mud, no grass at all."

The Spartans prevailed, though, getting a goal in the first half from Lars Richters, with Bob Dimitriou assisting.

They increased their lead to 2-0 in the second half when the North sweeper tried to clear the ball back to his keeper. The ball stuck in the mud, and Ray Barnes swept in and punched it past Raider keeper Craig Nome. Richters was credited with an assist.

"They really did (play good defense), for what they could do," said North coach Cathy Cole. "Stevenson was lucky, especially on that second goal."

Spartan keeper Jeff Benick earned the shutout. Derek Williford and Kurt Will provided solid defense in front.

On Wednesday, Stevenson shut out visiting Farmington 7-0. The Spartans rolled to a 5-0 halftime lead.

Eric Schwedt and Richters each scored twice, with Richters adding two assists. Barnes, Ray Galea and Bill Madden had one goal apiece. Benick was in goal for the shutout, as Stevenson outshot Farmington (3-6-3), 25-4.

SALEM 5, W.L. CENTRAL 0: Plymouth Salem scored all five of its goals in the opening half and coasted to victory Wednesday at Walled Lake Central.

Dennis Reynolds had a goal and an assist, and Andy Sharma, Randy Balconi, Mike Zaretti and Doug Fauer also scored. Keepers Dave O'Malley and Don Koontz combined for Salem's fourth shutout, as the Rocks (8-3-1 overall, 6-3-1 in the WLAA) outshot Central 30-8.

CANTON 1, NORTHVILLE 1: Northville led 1-0 at the half and outshot Plymouth Canton 14-6 Wednesday at Northville, but the Mustangs couldn't beat the Chiefs.

With three minutes left in the game, Jerry Staszal popped one into the net,

soccer

with Scott Morgan assisting, to earn Canton a tie. That left the Chiefs with a 3-3-1 WLAA mark and a 3-5-3 overall record.

CHURCHILL 5, FRANKLIN 1: Livonia Churchill solidified its No. 1 state ranking with a dominating win at Livonia Franklin Wednesday.

"The kids are playing good defense," said coach John Neff. "They're playing confidently, and they're trying not to look ahead."

The Chargers led 2-0 at the half on goals by Steve Galindo and Torin Gniwek. Pete Alexander assisted on both.

Chris Oxley, Khaled Zeidan and Alexander added goals in the second half. Brian O'Leary, Keith Archambault and Galindo assisted.

Franklin (4-5-3) ruined the shutout with a goal with 15 seconds left.

On Friday, Churchill blasted Walled Lake Western 12-2 at Walled Lake Central. Ten Chargers reached the goal-scoring column, with Danny Diehl and Zeidan getting two apiece.

Single-goal scorers were Jim Chendes, Gniwek, Brad Mase, Bob Nicholas, O'Leary, Oxley, David Rea and Brian Thomas.

The victory boosted Churchill's record to 12-0.

GARDEN CITY 6, ALLEN PARK 0: Brian Schwartz poured in four goals, and Jim Crosby and Tim Horvath added single scores to lead the Cougars lopsided win at West Junior High Thursday. Mike Risha was in goal for the shutout.

On Wednesday, Garden City blanked Redford Union 9-0. Gene Boyce scored four goals to pace the Cougars. Kevin Adkins contributed two, and Jason Bruce and Jeff Sexton added one apiece. Another goal was scored by an RU defender.

Notre Dame's Chris Pagano got the game's first goal at the two-minute mark, and two minutes later teammate Rich Benacquisto made it 2-0.

The Shamrocks, now 6-3-4, were flat. Two players missed the game because of red cards they received in a loss to Birmingham Brother Rice. CC had its chances but banged two shots off the goalpost. The Shamrocks outshot Notre Dame 11-9.

Salem, Canton romp in WLAA

By Chris McCosky
staff writer

What the North Farmington girls basketball team had to do if it was going to upset Observerland's No. 1-ranked Plymouth Salem Thursday night was play a perfect game. North Farmington, alas, did not play a perfect game. Salem won 58-24.

"What can I say? They are just a great basketball team," said North coach Greg Capling. "I thought we played hard, we just missed a lot of easy shots. But we do that every game. And let's face it, they play great defense."

North Farmington trailed 14-4 after one quarter. In that quarter, the Raiders missed four of the six shots they took — three of them were layups. They also made eight turnovers in the quarter (20 in the game).

From that point, Salem proceeded to run North out of its own gym. "Against Salem, you cannot afford to miss those kinds of shots," Capling said. "You have to take advantage of every opportunity. If you don't, you're in trouble."

TO SALEM'S credit, it didn't take the Raiders long to get going. The Rocks played their usual brand of in-your-face man-to-man defense and pressed the Raiders full court for the better part of three quarters.

"I really liked the way our kids worked through this game," Salem coach Fred Thomann said. "We didn't screw around with it. We got control of the game, and we kept it going."

Dena Head led the Salem scoring with 19 points. She also pulled down eight rebounds. Jessica Handley had her perimeter game in order, pumping in 18 points from long-range. Sophomore Jill Estey

girls basketball

added eight points and six assists to the cause.

For North (3-4 in the Western Lakes, 3-5 overall), Robyn Weatherford scored eight points.

Salem unbeaten in the league (6-0) and 8-1 on the season.

CANTON 64, HARRISON 2: That's no typo. Winless Farmington Harrison scored its only basket midway through the second quarter.

Tory Barger (14 points) and Penny Piggott (10) led Plymouth Canton. The Chiefs are 4-2 in the Western Lakes, 5-4 overall.

STEVENSON 64, FARMINGTON 45: Livonia Stevenson's pressing defense debilitated Farmington Thursday and helped the Spartans win their first Western Lakes game.

Sue Zatoraki led the Spartans with 18 points. Denise Vince added 12.

Stacy Swanderski scored 21 points and grabbed 10 rebounds for Farmington (0-6, 0-9). Becky Philip scored 14 points and pulled down 12 rebounds. Karen Jenkins grabbed nine rebounds.

Stevenson is 3-6 overall.

MERCY 67, BORGESS 23: Senior guard Yvette Malson exploded for 28 points and found time to dish out eight assists Thursday to lead Farmington Hills Mercy in this Catholic League contest.

Jennifer Slosar added 10 points. Mercy is 1-1 in the Catholic League, 5-3 overall. Bishop Borgess falls to 0-2, 2-5.

Canton swimmers roll; N'ville staggers Salem

The Plymouth Canton swim team continued its undefeated ways Thursday knocking off Western Lakes foe Westland John Glenn, 109-62.

The highlight of the meet was the diving performance of Lisa DeJong. Not only did she beat the area's premier diver, Jamie Koester, her 233.7 points bettered a seven-year-old Canton record (held by Chris Wennerberg, 214.6).

Freshman Cassie Cummins and senior Julie Cox each won two events for the Chiefs. Cummins won the 200-yard freestyle (2:04.8) and the 100 backstroke (1:05.16). Cox took both the 200 individual medley (2:18.04) and the 100 breaststroke (1:11.78).

Canton also won both relays. Michelle Stackpole, Cox, Amy Schmitz and Danielle Dickinson won the 200 medley relay (2:04.5). Sarah Schmitz,

Amy Schmitz, Kellie Adamczak and Cummins won the 400 freestyle relay in 4:10.1.

Canton is 3-0.

PLYMOUTH SALEM received a jolt from a vastly improved Northville team Thursday, losing 94-78.

The Rocks won just two events: Tina Aquino won diving (184.85) and Heather Bunch, Erin Olson, Shannon Murphy and Sue Bonnett teamed to win the 200 medley relay (2:04.0).

Tracy Meszaros took second in both the 200 free (2:07.7) and the 500 free (5:54.5). Cindy Elliott was second in the 50 free (27.2) and Murphy was second in the 100 butterfly (1:05.7).

Sherri Thompson paced Northville with wins in the 200 free (2:04.1) and 100 backstroke (1:08.3). Salem is 2-2.

Rocks shoot for league title

Livonia Churchill will put its Western Lakes Activities Association golf championship on the line Tuesday at Kensington Golf Course.

The Chargers, unbeaten in dual matches this season and champions of the Western Division, face a difficult challenge this season. Plymouth Salem, North Farmington and Farmington share the Lakes Division title this season with identical 4-1 records. Walled Lake Western, runners-up in the Western, should also be in the hunt.

"Churchill is definitely the favor-

ite," said Salem golf coach Rick Wilson. "They are undefeated and the defending conference champs. Plus, they have probably the strongest player in the league, and they are coming off a runner-up finish in the state from last year."

Dean Kobane, a senior, was the leading force in Churchill's state title run a year ago and has been equally impressive this season.

Other top individuals include Salem's Mike Granger, North Farmington's Chris Bayer and Mark Taylor, Walled Lake Western's Denny

golf

Sikkila, Walled Lake Central's Magnus Lundblad and Farmington's John Borbi and Bob Curtis.

NORMALLY, THE Kensington course plays long (there are six par-4 holes longer than 400 yards) with minimal hazard areas. But the rains of the last three weeks could pose

some problems.

"Usually it's very long, but straightforward," Wilson said. "There aren't that many traps or trouble areas. There are trees but they are sparse, not dense. We played out there a week ago, and the rough was real high then. I can't imagine what it will be like now after these rains. If the course is wet, it's going to be tough."

The first group will go off at 9 a.m. Tuesday.

— Chris McCosky

No. 1 Falcons survive Salem

The Plymouth Salem boys cross country team gave No. 1-ranked Farmington all it wanted Thursday at Oakland Community College.

Farmington escaped with a narrow 25-34 win.

Chris Inch won an exciting individual battle with Salem's Bill Atwell. Inch crossed in 16:17, Atwell in 16:34.

Farmington's Brandon London placed third (17:03), followed by Salem's Kevin Jones (17:15) and Doug Vergari (17:24).

Farmington (5-0) finished out of the top 10: Matt Walter (17:32), Ron Smedley (17:33), Rob Holloway (17:39), Ken Dunneback (17:47) and Steve Quenneville (18:03).

The Rocks (3-3) placed eighth at the Ann Arbor Pioneer Invitational last Saturday. Atwell placed eighth (16:38), Jones 24th (17:09) and Vergari 27th (17:17).

THE FARMINGTON girls had an easier time, beating Salem 18-49.

Bonnie Stecker (20:46), Jennifer Kiel (20:50) and Nicole Jelley (20:52) placed 1-2-3 for the unbeaten Falcons.

Salem's Shannon Donnelly placed fourth (21:19) and Farmington's Leslie Martin was fifth (21:24). After Salem's Lisa Mickey (21:27) the rest of the pack were Falcons: Judy McKeever (21:32), Anna Quenneville (21:39), Margaret Martin (21:55) and

cross country

Julie Trunk (22:11). Farmington is 5-0.

PLYMOUTH CANTON'S boys and girls teams stayed unbeaten in Western Lakes surving a pair of close races with Livonia Franklin.

The boys won 27-29, the girls 26-30.

Jay Swiecki won the individual boys race for Canton with a 17:28.

But the race wasn't won until Al Byrnes (17:58) and Dean Juergens (17:57) crossed in fourth and fifth place.

The time difference between Swiecki and the 10th-place runner was under one minute.

Canton's Matt Hall (18:17), Kirk Roessler (18:18) and Bart Hall (18:19) placed eighth, ninth and 10th.

Lori Penland won the girls race for Canton with a 20:57. Cindy Spessard placed fourth (22:03), Sherry Furgurski sixth (22:19), Angie Miller seventh (22:59), Jenny Kincer eighth (23:08) and Michelle Young 10th (23:39).

Both Canton teams are 6-1 overall and 3-0 in the Western Lakes.

John Glenn gets back on win track

Mike Hammon tree hauled in a pair of Steve Hawley touchdown passes to trigger Westland John Glenn's 24-12 win over visiting Livonia Stevenson Friday.

The win kept Glenn in the thick of the WLAA Lakes Division race at 2-1. The Rockets are 4-1 overall. Stevenson is also 2-1 in the Lakes Division and is 3-2 overall.

Glenn struck first on Brian Wolf's 2-yard run in the second quarter. The first of three successful placements by Tony Svaluto made it 7-0.

Later in the quarter, the Rockets went up 14-0 on a 24-yard Hawley-to-Hammon tree pass. The Spartans cut that to 14-6 before halftime.

Hawley's 20-yard TD toss to Hammon tree and a 24-yard Svaluto field goal in the third quarter upped

Glenn's lead to 24-6.

Stevenson moved the ball, outgaining the Rockets 252-171, but the Spartans had trouble maintaining possession. Quarterback Pete Marzoni connected on 11 of 26 passes for 152 yards, but he threw four interceptions. Glenn's Doug Strehl, Mark Bauschat, Greg Bates and Hammon tree each pilfered one. Stevenson also lost a fumble.

Hawley hit five of eight tosses for 86 yards, with one interception. Four of those completions went to Hammon tree, good for 76 yards. Wolf was the leading Rocket rusher with 54 yards on 24 attempts.

LUTH. WEST 14, CVILLE 6: Livonia Clarenceville contained Harper Woods Lutheran West running back Greg

football

Harris pretty well Friday night, except for two plays.

Unfortunately, that's all it took for West to reap the victory. Harris took a pair of long touchdown runs, racing 65 yards in the second quarter and icing the victory with an 85-yarder with 1:40 left to play.

"Nobody could catch him once he broke through," said Clarenceville coach Ralph Weddle, whose Trojans dipped to 3-2 overall and 2-2 in the Metro Conference, the same as West's record.

Still, Clarenceville had its chances to

pull this one out. Quarterback Gregg Buell dashed 6 yards for a touchdown in the opening quarter, but the extra point attempt failed, leaving it at 6-0.

Harris' first TD tied it, and West quarterback Oscar Ford scrambled in for a two-point conversion to make it 8-6.

On the last play of the first half, Buell raced 35 yards to the 1-yard line, where he was stopped. Time ran out before the Trojans could run another play. Two other Trojan drives ended with interceptions.

Buell had an off night, completing just five of 15 tosses for 111 yards, with two interceptions. He rushed for 80 yards on nine carries. Bill Butera finished with 77 yards rushing on 17 attempts.

Noseguard Sean McLerhan and linebacker Bob Lynn anchored the defense with 15 and 12 tackles, respectively.

Rocks seek 2nd WLAA net crown

Lisa Belsky has not lost a match in Western Lake play this season. She and her Plymouth Salem tennis team will try to defend their championship Tuesday and Wednesday at Walled Lake Central.

For the first time, the Western Lakes Activities Association girls tennis match will not be played at Plymouth-Canton's Centennial Educational Park courts.

"We told the athletic directors that we didn't want to play this tournament at bad courts," said Livonia Stevenson coach George Croll. "There are holes in the nets and cracks on the court out there."

This year, the conference tournament will be played Tuesday and Wednesday in Walled Lake.

The Western Division (Plymouth Canton, Walled Lake Western, Northville, Livonia Churchill, Farmington Harrison and Livonia Franklin) will determine its champions beginning at 9 a.m. Tuesday at Walled

Lake Western. The Lakes Division (Plymouth Salem, Walled Lake Central, North Farmington, Westland John Glenn, Livonia Stevenson and Farmington) will determine its champions beginning at 9 a.m. Tuesday at Walled Lake Central.

Winners will meet at 3:30 p.m. Wednesday at Walled Lake Central to determine the overall conference champion.

DEFENDING CHAMP Plymouth Salem again appears to be the team to beat. The Rocks, champions of the Lakes Division, are undefeated in dual matches and possess the most potent 1-2 singles combination in the league. Anita Toth and Lisa Belsky

have yet to lose a conference match this season.

"Salem doesn't have it locked, by any means," said Croll. "They are awfully good, but so are Plymouth Canton, Northville, Livonia Churchill and Stevenson."

Northville is unbeaten in the Western Division. Canton and Churchill are one step back. Because of last week's rains, several dual matches have to be made up.

"It should be a very interesting tournament," Croll said.

The Western Lakes conference champion is determined both by dual meet records and the conference tournament. Both are weighted 50-50.

We're Talking About Mental Health

At Catherine McAuley Health Center we are moving to a position of leadership in the treatment of mental and emotional problems. Our vision of mental health is becoming a reality with the opening of the new Mercywood Health Building.

Come share this new vision with us by attending a free public lecture at the new Mercywood:

"Depression and Suicide"

Discussion of the growing problem of suicide in all age groups, including teenagers and young adults. The talk will include the connection between depression and suicide.

Does suicide run in families? What are the theories of contagion? Also includes the impact of a completed suicide on family members.

Speaker: Jay Callahan, M.S.W., M.A.
Date: Wednesday, October 8
Time: Lecture, 7:00 PM Tour And Refreshments, 8:00 PM
Location: Cafeteria, Mercywood Health Building on Catherine McAuley Health Center's Huron River Drive Campus

For further information please call the Department of Community Relations at 572-4000.

Would a prestigious optical store like NuVision resort to gimmicks like coupons during their Fall Sale?

(Couldn't hurt.)

There are those who consider it a bit undignified to offer quality eyewear at a discount price.

In most cases, the people who feel this way are the people who sell eyeglasses or contact lenses. Not the people who buy them.

After all, most people in the market for designer frames welcome the opportunity to save as much as \$40 on their next pair of glasses. They don't mind taking scissors in hand in order to pay \$20 less for a pair of daily wear soft or extended wear contact lenses.

But, if the prospect of clipping coupons out of a newspaper strikes you as a bit unseemly, feel free to continue paying too much for the latest innovations in eye care. The rest of us will be holding these coupons in our hot little hands and heading to NuVision before the big Fall Sale ends Nov. 22.

\$40 off frames
priced \$99.01 and up. Choose from select fashion frames. Good only with prescription lens purchase. Expires 11/22/86.

\$30 off frames

Sisters of Mercy Serving our community Since 1911

"The St. Joe staff is outstanding."

Dr. Alexander Gotz

Dr. Alexander Gotz, MD, Medical Consultant for Amicare Home Health Services, has been associated with St. Joseph Mercy Hospital for almost forty years. The contributions of physicians like Dr. Gotz have played an important role in the growth of the Catherine McAuley Health Center.

"The major strength of any hospital is the quality of the services given to the patients," states Dr. Gotz. "Excellence depends on the professional contributions of physicians, nurses and support services. But it also depends on a deep personal caring for the patient."

"Professional competence alone is not enough. You have to have the human element," adds Dr. Gotz. "The St. Joe staff is outstanding. And we have been able to instill this into the next generation of professionals training here."

Since 1911, when the Sisters of Mercy were invited to this community, Catherine McAuley Health Center has evolved into a comprehensive health care center touching the lives of tens of thousands of families each year. We invite you to join us as we celebrate 75 years of health care service to the community.

For more information on the health care services of Catherine McAuley Health Center, please call 572-4000. For a physician referral, please call 572-5500.
