## Snow 'fowls' up turkey golf event

BY TONY BRUSCATO **OBSERVER STAFF WRITER** 

The Plymouth Salvation Army Corps is in desperate need of turkeys to feed struggling families

Thanksgiving Day. Last Saturday's "Free Golf for a Turkey" event at the Fox Hills Golf and Banquet Center netted the Salvation Army only five turkeys because of the snowy weather.

We have 79 turkeys, and the need is for 200 by Friday," said Laurie Aren, the Plymouth Corps' director of family and community ministries. "Our Thanksgiving list is up over 100 percent from last year. We did 127 meals last year, and we're at 278 families right

"Last year we were in the same position and God just showed up,"

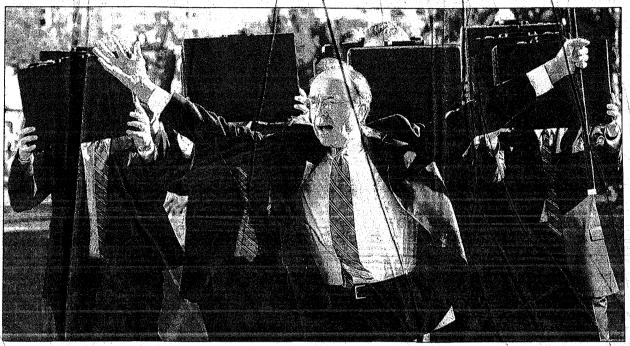

Employees of Saturn of Plymouth and Saturn of Farmington Hills are doing their part in trying to fill the need for Thanksgiving meals by providing 40 complete Thanksgiving Day meals, of which half will go to the Plymouth Salvation Army and the other half to the Salvation Army in Farmington Hills.

"We're purchasing all the mainstays of a Thanksgiving Day dinner ... turkey, stuffing, cranberry sauce, butter, rolls and a pumpkin pie," said Suzanne Hill of Saturn in Plymouth. "Our general manager, Jim Huston (of Westland) purchased all 40 turkeys. The rest of the employees are pledging money to purchase the other items.

"We just wanted to help out the community because we realize these are tough times for many people," said Hill. "It's always nice to help out, but especially in times like this."

Donations of turkeys and additional food items can be dropped off at the Salvation Army in Plymouth Township, located at 9451 S. Main.

Fred Hill and the Briefcase Drill Team, local parade favorites for years, are on their way to New York for the Macy's Thanksgiving parade.

## Drilling the Big Apple

### Briefcase team lands spot in Macy's Thanksgiving parade

BY TONY BRUSCATO OBSERVER STAFF WRITER

The Fred Hill Briefcase Drill Team started out as a lark 24 years ago, a human billboard in local parades to parody those who wear business suits.

On Thanksgiving Day the group will hit the ultimate parade "bigtime" when it marches in the 82nd annual Macy's Thanksgiving Day Parade in New York City.

Hill, a Plymouth Realtor, sent a letter to parade organizers last December. He led off the inquiry with "This is, I think, the proverbial shot in the dark. But, here goes nonetheless."

Not only did Hill receive a favorable response to his 17-member drill team, but after sending a DVD of their maneuvers the Drill Team was awarded entry into the parade that wows 3.5 million spectators and more than 50 million television viewers nationwide.

"Giddy is a good word," said Hill about how he and his colleagues felt about being one of the select few in the Macy's Parade. "It's kind of like that feeling you get when you got that first bicycle.

'There's the anticipation of what the crowd reaction will be because they've never seen us before," he said. "A little bit of nervousness ... will they get it?"

The first appearance for the

Fred Hill and the Briefcase Drill Team have been doing their thing for some 24 years.

Briefcase Drill Team was in the July 4, 1986, parade in Plymouth. The group was originally designed to be a walking advertisement for Hill's men's clothing store, Fred Hill Haberdashers. The store closed in 1992, but the drill team continues to march on. Their resume includes 20 consecutive appearances in Detroit's America's Thanksgiving Parade; appearances at the Fiesta Bowl in Tempe, Ariz., the Pro Football Hall

of Fame in Canton, Ohio, and the Indianapolis 500 parade; a commercial for Beacon Investment and a grand opening for Neiman Marcus.

Hill. who is known by his squad as "The General," calls the cadence and nearly a dozen maneuvers for the 16-member squad, each wearing the standard blue business suit, white shirt, silk red-striped tie, a red

## District eyes election shift

BY TONY BRUSCATO **OBSERVER STAFF WRITER** 

A decision by the Schoolcraft College Board of Trustees to move its elections to even years in conjunction with the November general election means the Plymouth-Canton Board of Education will have to decide by the end of the year whether it will follow spit.

Plymouth-Canton had been splitting the cost with Schoolcraft College when both had the same election cycle in odd-year May. With Schoolcraft moving to even-year November elections in 2010, the community college will save more than \$100,000. Plymouth-Canton board members will have to decide by Dec. 31 if the May 2009 election will go as scheduled — which a board subcommittee estimated to cost \$100,000 - or move to a Novemberelection cycle.

"If we went to odd November (2009), it would cost us \$84,000," said Trustee Steven Sneideman, a member of the ad hoc election committee. "If we waited until 2010, it would be cost-free because it would be on a national ballot.'

Sneideman said if the Board of Education waited until 2010 for the next election, "then it would be 3½ years between elections ... that's nearly a full term."

If the election is held in May 2009, the ballot would include four names (assuming they all seek re-election): Judy Mardigian, Barry Simescu, Tom Wysocki and John Jackson. Jackson, who was appointed to the seat vacated by Mark Slavens, is slated to seek re-election on the next scheduled election date, which at this point is in May.

The Board of Education would also need to determine how to stagger the terms to avoid a major overhaul of the school board at one time.

"It's a delicate balance," said Gonzalez, the committee chairperson. "We have to decide if we need to have an election because we haven't had one for 30 months, or if we should save money for the district.

"Part of being elected is following the will of the people," she added. "If we're in office 30 months longer than what we were elected for, then I don't think it's the will of the people."

When last the Park Players took to the stage, they were performing the dark and foreboding Jekyll and So when Kristen Quesada was

planning the Players' next presentation, she felt it was time to turn to something a little lighter. Thus, the Players present The Musical Comedy Murders of 1940, a non-musical by John Bishop, Thursday through Saturday at the Gloria Logan Auditorium in Salem High School.

"I like to try to have variety in my selection (of plays)," said Quesada, the Park Players' director. "Although

this show is a murder mystery, it's comical and parts of it are slapstick and fun.

The play revolves around the murder of a maid named Helsa Wenzel, who lives in a mansion owned by Elsa Von Grossenkneuten in Chappaqua, N.Y., in December 1940. Guests invited to the mansion by Elsa think they're coming to audition for a play, but someone soon figures out they were all part of the creative team of a play beset by a murderer called The Stage Door Slasher." Soon, everyone figures out the identity of Helsa's murderer.

The play, first performed on Broadway April 6, 1987, is said to have been based on several 1940s

mystery movies, including The Cat and the Canary, one of Bob Hope's first films.

According to Quesada, the slapstick nature of the play presents opportunities for the 20-member cast/crew, which includes five male and five female on-stage characters. "The show has a lot of physical com-

edy, which gave us a lot of opportunity to be creative," Quesada said. "It made the rehearsal process exciting." The set itself includes such things

as revolving bookcases and secret passageways, the kinds of items the group's run crew usually doesn't get a chance to work with.

## Marchers shrug off state meet, make national finals

It's hard to think of the Plymouth-Canton Marching Band's performance at the Bands of America Grand Nationals last weekend as a comeback, but in essence, that's what it was.

P-CEP, a perennial finalist at the BOA nationals, actually came into the competition at the new Lucas Oil Stadium in Indianapolis on a low note, having finished just third in the state competition two weeks earlier.

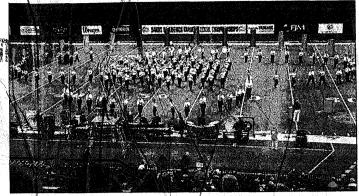

But the marchers were able to shrug off that disappointing performance to be named one of the 12 national finalists out of a 90-band field at the

national competition. "Our entire program is

deserving of this big win," exclaimed a jubilant Direction of Bands Martin Montoya, whose squad finished 11th overall. From the instructors who made last-minute changes, to the parent volunteers who added additional props just last week, to the students who gave it their all this last two weeks, setting foot on the field for a Grand National

instructors and the students with the intervening two

weeks to improve the show design, add more props, per-

fect the drill and the show's music to accomplish the feat.

The work paid off in the band's 21st appearance as a national finalist in the competition's 33-year history. The 175-member band, the only Michigan band to make the top 12, wowed the audience with the ten-minute colorful program titled "Kaleidoscope" particularly when the feathered plumes worn by all the marchers magically turned from white to a vivid spectrum of color.

"Plymouth-Canton has a long standing tradition of excellence, and coming in third at States is not typical

for this band," said Montoya, in his first season leading the band. "We had some challenges this season, but the end goal of making finals was always in sight - and they did it. I'm just so proud of these kids."

The 2008 marching band season will end with a large fund-raising event Nov. 22 at Plymouth High School. The Music Boosters are hosting a juried Holiday Arts and Crafts Ensemble from 9 a.m. to 4 p.m. Visit www.pcmb.net for more information.

pocket handkerchief and  $\neq$  of course — carrying a briefcase. Warren Musson, 52, of Plymouth Township has/been a member of the Briefcase Drill Team for about seven years and is excited about being a part of the big stage called New York

City on Thanksgiving Day. "I think it's fantastic," said

Musson, a senior vice president and head of lending for Fidelity Bank, the same kind of "suit" the Briefcase Drill Team parodies. "I think the group represents what's good in metropolitan Detroit and southeast Michigan.

"The crowd really gets into it and we really feed off the crowd," he said. "Of all the entries that go into the parade, the crowd consistently responds in a positive and energetic way to this group when it goes by."

The Briefcase Drill Team holds only one "secret" practice a year, in the downtown Plymouth parking deck the Sunday before the Thanksgiving Day parade. This year's practice (5 p.m. Sunday, all are welcome) will be followed by a second on Tuesday in New York.

"We leave here at noon, check into the Hilton New York and then we have to go to a rehearsal that night," said Hill. "We'll do exactly what we'll be doing when we get our 30-second performance on television so they know where they want to position the cameras. This parade is so finely tuned, the detail is incredible."

When asked why people enjoy the Briefcase Drill Team, Hill paused for a few seconds.

"Maybe it's as simple as we have fun and people watching us have fun, for that instant," said Hill. "They clap, they whistle, they hoot and cheer. Laughing at us and at themselves at the same time."

This is a

any given day it is impossible to figure out why the markets react the way they do.

Observer & Eccentric | Thursday, November 20, 2008

Years ago when the market was booming, many individuals began to day trade - buying and selling on a daily basis. Unfortunately, I have started to hear that because of the volatility in the markets many people are starting to do some day trading. To me, day trading is nothing more than gambling. I don't believe in "gambling" with your investment dollars.

There are people who make money on day trading, however, it's similar to saying that buying lottery tickets is a good investment because there are many winners. Studies show the majority of people who get involved in day trading lose a substantial portion of their

money. The reality is only a few gamblers actually make money, the same can be said for day trading.

There is no doubt that investors are apprehensive and concerned about their portfolios. However, investors should resist the temptation to get involved with either investments or investment strategies that are gimmicky. In today's market, there are many hustlers who are pouncing on investors, encouraging them to move money in order to take advantage of the current market conditions. My advice is be extremely cautious.

It is important during volatile times that investors do not make rash and emotional decisions. After all, the market conditions today may not

be the same market conditions just a few months down the road.

If I told you back in July when gas was more than \$4.50 a gallon that in just a few months you'd be paying under \$2 a gallon, most would have said that's impossible. Experts were predicting \$5. No one predicted that gas prices would plummet. Market and economic conditions in today's world change rapidly and that is why investors need to be cautious.

We have been through numerous financial crises in our country's history and have always worked our way through them. Whether it was difficult times after the start of World War II when our country was losing the war, the housing market was crum-

bling and the federal government was incurring massive debt to fund the war, or the stock market crash of 1987, the markets and our economy have always rebounded over a relatively short period of time. I am a believer in the American economy — not out of blind pride - but based

upon the facts.

During this crisis many experts seem to suggest that our economy will go through an extremely difficult period like the Japanese did just a few years ago. Although there are similarities, it is important to recognize that our form of capitalism and our economy is unlike that of Japan. The U.S. economy is not only the largest economy in the world, it is the most flexible and this remains one

## Holiday season brings out heart of donors

It's worth noting the Plymouth Salvation Army Corps kicked off its annual Red Kettle Campaign - the corps' biggest fund-raiser and key financial provider - on Monday.

Of course, the Salvation Army isn't the only group helping the needy during the upcoming holiday season. Rotary, Kiwanis, Goodfellows, Lions and a variety of other organizations are doing their best to make sure the less fortunate are able to enjoy a nice holiday.

The Salvation Army campaign is noteworthy for a couple of reasons. First, it is perhaps the most recognizable fund-raiser out there, what with volunteers standing next to the big red kettles, drawing donors in with the rhythmic notes of the golden bells.

Less obvious is the more important note the kettle campaign is sounding this year: One of desperate need in an oppressive economy. In an area so dependent not just on the Big Three auto companies, but on ancillary suppliers as well, the struggles of the industry are hitting hard.

Here's a fact: A good number of the people in our area (the Salvation Army covers Plymouth, Canton, Northville and Belleville) who have in the past made significant donations to the Salvation Army are now the ones coming through the door needing significant help from the Salvation Army.

That's how much the need in our community has increased. That's how pivotal drives such as the Red Kettle Campaign can be. Programs like this — and any of the other drives, fund-raisers and campaigns run by countless civic, church, school and neighborhood organizations — are literally life-savers.

The Salvation Army has set a lofty goal for their campaign - \$235,000, up from the \$206,000 they raised a year ago. Teresa Moriarty, the volunteer coordinator for the Plymouth Salvation Army, says she's concerned about the need for volunteer bell ringers. Weekends are pretty well taken care of, but midweek ringers are still needed (go to www.ringbells.org or call (734) 453-5464 to volunteer). Volunteering is another way of helping — not just the Salvation Army but all the other groups, as well - if you don't think you can afford to drop some cash in the

Moriarty, however, notes times of economic downturn, of financial hardship, often bring out the best in donors. When they can feel something of the pinch themselves, people tend to be more giving.

Moriarty has history on her side, and so she won't be surprised when the Salvation Army tops its goal.

Given the generosity of this community, of course, nei-

### Banish the gloom with bright shopping venues

The forecasts are gloomy, and it's not the unseasonably cold weather that economists are talking about.

Rather, they're gritting their teeth at the prospect of a lean holiday shopping season. So lean will it be, they're predicting, that sales could be in the negative column, meaning a decrease in sales from previous years.

That's where suburban shoppers come in. Let's face it: We're all feeling the pinch of higher utility bills and stagnant wages, so where we spend our dollars this season is more important than ever.

After all, it's the trickle down effect. The state economy needs tax revenue from healthy retail sales, and to stay in business — and employ thousands of us during the season

— retailers need your business. There's no need, however, for suburban shoppers to grit their teeth this holiday season. There are plenty of reasons to shop locally that go well beyond keeping the local econo-

my healthy. There's nothing like seeing a purchase up close and personal, whether it be to check out the right color for a sweater, or to make sure the features on Wii and Guitar Hero are

what you expected. Besides, when you shop in your hometown, there are no pricey shipping and handling charges that buyers encounter online. Those two items don't exactly put you in a holiday

Shopping close to home, though, offers a perfect chance to get in the holiday spirit. Shoppers, and the youngsters who tag along, often thrill to the child-sized train rides at

the Oakland Mall in Troy and Laurel Park Place in Livonia. Shopping locally also gives buyers a chance to check out boutique stores in downtown districts, like Birmingham, or that exceptional handmade gift at, say, a library gift shop.

Holiday festivals, such as at the one Dec. 6 at Willow Creek Shopping Plaza in Canton, and like the Lagniappe on Dec. 1, with the Big Bright Light Show in Rochester, give

buyers just a little something extra with their purchases.

Everyone loves a bargain, and forecasters predict there will be plenty of those to warm up to this holiday season. So buy locally and make this season merry and bright for all.

Our fundamental purposes are to enhance the lives of our readers, nurture the hometowns we serve and contribute to the business success of our customers.

#### **Economic stimulus**

Our economy is in shambles. Our credit, housing and insurance industries have imploded, the auto industry is teetering, stock values and consumer confidence are very low as equity in homes and value in 401(k)s has evaporated.

Our elected leaders are debating how to right the ship, who should get bailed out and who shouldn't. While some are racing to the bailout cookie jar, one way or the other we will all pay.

Roughly one in 10 jobs in America is auto industry-related. The domestic auto industry is vital to our economy as well as to our national defense. Does arsenal of democracy ring a bell? There seems to be a consensus that our dependence upon foreign oil is detrimental to both our economy and our national security interests and that our economy needs another stimulus package to jolt us out of this deepening recession.

Money to bail out failing auto companies alone won't make anyone buy their product which will only delay their demise if they can't quickly build and sell vehicles. Cash rebate checks to taxpayers would be used to pay down debt or for savings so the bang for the buck would be minimal.

Suggestion — An economic stimulus plan which includes a fast track provision that would provide a federal voucher (e.g. \$10G each) for the down payment on the purchase of a new domestically produced vehicle that gets say at least 24 mpg. I picked that number because each of

the Big Three produces numerous vehicles in that mileage range. This plan would use federal tax dollars to boost sagging demand by putting money directly into the hands of consumers that could only be used for the purchase of a new domestically produced medium to high mileage vehicle. It would leave market forces intact. Producers would still compete with each other, explore mergers and other avenues to become more efficient but it would immediately put Americans back to work by cranking up a vital U.S. industry.

A nice side benefit would be the gradual reduction in gasoline demand as it would reward the purchase of more fuel efficient vehicles. An industry bailout is giving away fish dinners. This plan would provide a fishing pole to the industry. If the incentive vouchers had to be repeated somewhere down the road the mileage criteria could be increased giving the industry time to get higher mileage vehicles to market.

A larger stimulus package will probably have to include investment in our nation's crumbling infrastructure, too.

#### Against new charter school

A new charter school in Canton concerns me for reasons other than traffic or property value. First, in a beleaguered economy, the last thing Plymouth-Canton Community Schools need is to lose several hundred students to a charter school. PCCS has survived hard times because of growth, but the school board still faces major cuts each year. The state has not raised the per-pupil funding to meet rising costs.

#### **LETTERS**

The second difficulty I see is that public tax money is funding a "target audience" school. Charter schools receive the same per-pupil allowance from the state as public schools, but do not have a public board nor require open meetings. I have no issue with private schools of any stripe, but I do take issue with this school, unless all private schools in the district can also receive public monies.

#### Canton

To Bob J. Harden (letter "Don't profit from education," Nov. 13): You have a right to be against charter schools. You have a right to be against this particular proposed charter school. You also have a right to be against for-profit learning institutions.

Insinuation is insulting

You really cross the line by insinuating Muslims who teach are insulting our troops in Iraq and Afghanistan. You seem to be implying that this proposed school will be funding terrorism and the Iraq insurgency. Your comments are not only ridiculous, they are also insulting to the growing Arab-American community here in Canton.

### Make schools diabetic safe

For children with diabetes, managing their condition is a full-time job. Their daily tasks include monitoring their blood sugar levels several times and often taking multiple insulin shots. For these children, proper management of their condition is not a choice, it's an absolute necessity. Keeping blood sugar levels under control enables kids to live healthier and more productive lives at school and at play and to avoid health complications.

Unfortunately, students with diabetes are often left with no assistance in caring for their condition at school. This is why it's so important for the Michigan Legislature to pass House Bill 6555, prompted by the American Diabetes Association's Safe at School Campaign and supported by the Michigan Diabetes Outreach Network, National Kidney Foundation of Michigan, and Juvenile Diabetes Research Foundation. The legislation will allow diabetic students to bring necessary personal equipment to school to monitor their condition during class or school-related activities.

The legislation will also ensure that schools have personnel to assist with daily and emergency diabetes care tasks. All too often, a single nurse is assigned to cover as many as 10 schools. Even when schools have a full-time nurse, they are not always available, especially during field trips and extracurricular activities. By training school personnel to perform diabetes care tasks, students will safely get help when a nurse is not present.

I am going to contact my state representative and state senator and encourage them to support the Safe at School Campaign. I hope you will do the same.

## Republicans and Democrats Charter school praise Milliken's leadership

BY HUGH GALLAGHER OBSERVER STAFF WRITER

Tuesday night at Livonia's Laurel Manor was like a high school reunion for politicians and political journalists.

They had come to honor William Milliken, Michigan's longest-serving governor, who has come to symbolize civility, bipartisanship and devotion to public service.

Milliken, 86, who served from 1969 to 1982, was honored by the Michigan Political History Society. Previous honorees were longtime Attorney General Frank Kelley, former House Co-Speaker Paul Hillegonds and former Gov. James Blanchard.

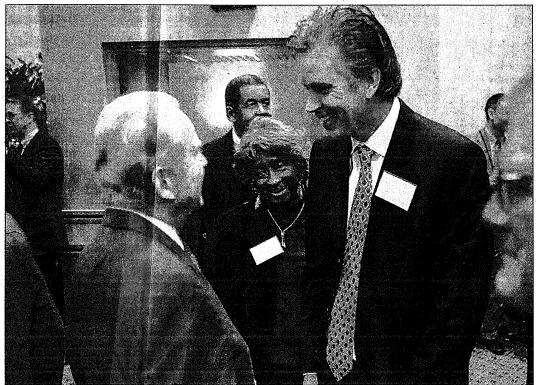

Politicians and journalists from the Milliken era exchanged handshakes, hugs and laughs as they caught up on lost time and reminisced about their days in Lansing. The formal presentations combined some mild roasting with heartfelt tributes to the man admired as much for his demeanor as his progressive Republican politics.

"Bill Milliken represents civility in government and he was in fact the most civil of individuals, he would listen to both sides," said former U.S. Rep. Joe Schwarz prior to the presentation. "He was decisive but never offensive, all the things that people today should strive to be.'

That theme was struck time and again by the evening's speakers and demonstrated in Milliken's response.

"It is so good to be here in this room with all of you. I have been deeply moved by your friendship and the words spoken tonight," Milliken said.

Democrat Frank Kelley, 85, Michigan's attorney general from 1961 to 1998, began the evening's tributes. He said he and Milliken came from different backgrounds but were both inspired by their fathers to become public servants. Kelley praised Milliken's polit-

ical courage.

"He actually led a battle to raise Michigan's taxes that all economists agreed were needed at the time," Kelley said. "He raised taxes, that takes courage and if you don't believe me, ask Andy Dillon." But Kelley, too, spotlighted

Milliken's personality. "He was always even-handed and a perfect gentleman in

relations with others, and he trusted the opposition party and treated the opposition with fairness," Kelley said. Former Republican Party chairman William

McLaughlin called Milliken "the best candidate in the nation to work with on the Republican side," especially in 1974 in the midst of the Watergate scandal.

David Baker Lewis spoke about the special relationship between Milliken and Detroit Mayor Coleman Young. He said there was a common wisdom that Republican governors and Democratic big city mayors would always be

"William Milliken shattered that stereotype as he did many others," Lewis said. "Relations with the city were the best they could have been. The governor and mayor were known as the odd couple and not because they were at odds.'

Former Milliken aides Keith Molin, Joyce Braithwaite-Brickley and Bill Rustem offered their views of the man who has come to symbolize moderate Republicanism in Michigan.

Rustem said Milliken was a Republican of another era, in the heritage of Abraham Lincoln, Theodore Roosevelt and Dwight Eisenhower.

Milliken was in strong voice, belying his years, and offered some strong views on today's political landscape.

He praised the Michigan Political History Society, which was formed 15 years ago to preserve Michigan's political history.

'The society's efforts are helping foster a greater understanding and perspective on what has happened in the past and what is happening now in the field of public policy," he

He said he is impressed by how Obama ran his campaign and the deliberate approach he is taking in forming his administration.

"I believe he will be a president who will see beyond pure partisanship and appeal to our highest natures," he said. "As a Republican, I am glad we have made this incredible move at this time in our history.'

Milliken attended the dinner with his wife Helen.

## hearing delayed

BY TIFFANY L. PARKS **OBSERVER STAFF WRITER** 

Those wanting to speak for or against the arrival of a new charter school in Canton will have to wait a while longer.

Nawal Hamadeh, the founder, superintendent and CEO of Hamadeh **Educational Services** Inc., requested that the company's special land use request be removed from Monday's Canton Planning Commission agenda.

A new date has not been set for the hearing, which was postponed once before.

"I thought we had everything but the township needed more information," Hamadeh said. "We are working on it."

In a township staff report to the Dearborn Heightsbased school system, **Canton Community Planner** Jeff Goulet said officials raised questions over "outstanding issues" such as traffic and storm water.

The item was removed from Monday's agenda in order for the company to

better address those issues before coming before the commission.

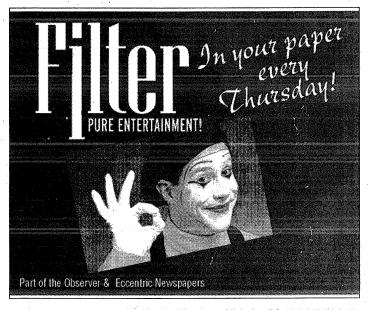

"They don't want to have to come back twice," Goulet said, adding that school officials will contact the township once they are prepared to proceed. "Whey they feel they are ready, we will re-advertise (the land use request)."

Hamadeh Educational Services educates 2,000 students in three facilities and is looking to relocate its Detroit school to the township.

The proposed 77,420square-foot building would sit on Saltz Road between Beck and Ridge and would accommodate 750 students.

Homeowners in the two subdivisions that would border the school, Vintage Valley and Antique Forest, have questioned what impact the school would have on property values, traffic and funding for the Plymouth-Canton school district.

## Michigan Eye Doctor Helps Legally Blind

Dr. Sheldon Smith fits special glasses to help those with macular degeneration and other eye conditions keep reading and driving.

By Elena Lombardi

Most of us take things like reading, watching TV or playing cards for granted. But poor vision from conditions like macular degeneration, glaucoma, diabetes or cataracts makes these tasks difficult or even impossible. When people have insufficient vision to do the things they want to do, they have low vision.

Today Michigan Optometrist Dr. Sheldon Smith has the answers many of these people have been seeking. Dr. Smith, a Low Vision Specialist, helps people with these types of eye diseases see better. A Fellow of the International Academy of Low Vision Specialists, Dr. Smith is one of a select group of doctors serving the visually impaired.

"People don't know there are experienced doctors who can help them with specialized low vision care," says Dr. Smith. "Many people hear from their own doctors that nothing can be done for their eye disease, but there are ways to improve vision" says Dr. Smith. "I devise special glasses to help patients meet their various visual goals.

Patients often end up using weak, clumsy hand-held magnifiers trying to see. Conversely, Dr. Smith prescribes hands-free devices that are easier to use. "We use the same telescopic devices surgeons use during operations," says Dr. Smith. "That's how powerful and convenient they are."

Special prismatic reading glasses and microscopes help make reading a little easier. Telescopic glasses primarily focus on distance objects like TV, passing neighbors or scenery. Telescopes can also be adapted to closer tasks like playing cards or computers. "Telescopes can even help people meet the driver vision requirement," Dr. Smith explained. Michigan is one of 46 states that allow bioptic telescopic glasses for driving.

Mr. Don Liptak, age 74 of Livonia, Michigan saw Dr. Smith last January. Don had macular degeneration and was on strong chemotherapy for leukemia. Don had 20/ 60 vision and sought help with reading,

driving and the computer. The doctor prescribed a system of three low vision aids that addressed all of Don's objectives.

"These are better for the computer than anything else I've tried," Don said. "Last week I went out in my '66 Mustang convertible and the glasses helped me see things far away. It's hard losing your independence but these glasses make my

Many activities require their own unique device, such as reading and driving. The extent of each system varies as people have differing visual ability and range of interests. Special reading glasses start at \$600 and most custom telescopes cost from \$1800 to \$2500. Interest free financing is available.

"Each patient has a unique amount of vision and their own goals," says Smith, "so I help patients do what matters most to them. We train patients to use their remaining vision and their devices to meet the challenges of daily living. Also safeguarding present vision levels is crucial. Sun filters and nutritional supplements can improve vision and prevent further sight

# Thumbs up to real grass, great catches and banning the '3'

Ed Wright, editor . (734) 953-2108 . ewright@hometownlife.com

o one asked, but here are a few between-seasons observations I thought I'd throw at you. Unfortunately, I can't guarantee you they'll all be spirals...

It's puzzling to read all the recent comments on MLive. com that rip on the fact a few of this weekend's MHSAA semifinal football games will be played on real grass at Lansing Everett High School instead of artificial turf.

Wright I could understand the whining if it was the MHSAA miniature golf tournament, an event

that would require a smooth, pure surface. But we're talking about *football* for crying out loud — a sport that was made great by guys like Bronko Nagurski, Joe Schmidt and Dick Butkus, warriors who toiled on ripped-up fields of sod that would have made Everett's plush turf look like a fairway at the Augusta National Golf Course.

Give me the real stuff any day and the muddier, the merrier.

■Hats off to the organizers of the Kim Renzi Freshmen Volleyball Tournament, which raised over \$4,000 last month for the family of Kim Renzi, and to the members of the Salem volleyball program, which organized a fund-raiser at the Box Bar that raised over \$1,600 for the same cause.

Renzi, the Plymouth freshmen volleyball coach, has been valiantly battling metastatic melanoma since she was diagnosed with the horrible disease back in September.

The way the community has supported the Renzis over the past few months is truly inspirational.

It's time to alter the three-point shot in high school basketball. Instead of rewarding three points to the teams that bury 19-foot-plus jumpers, let's get rid of the arc completely and give three points to a team if it executes a perfect back-door, give-and-go or pick-and-roll layup.

The closer you get to the basket, the tougher it is to score, so let's change the rules accordingly.

BY ED WRIGHT OBSERVER STAFF WRITER

You don't need pads or tackling to learn many of the important lessons the storied game of football has to offer.

Close to 550 Plymouth and Canton youngsters learned that fact the fun way this fall when they participated in the local version of the Michigan Youth Flag Football League, which capped its 2008 season with a state championship tournament this past weekend at Walled Lake Northern High School.

Decked out in the jerseys of NFL franchises, 53 teams in four age groups — ranging from a kindergarten/first-grade division to a sixth-seventh-eighth grade league — played a noncontact version of the sport during a seven-week, eight-game regular season that stretched

from mid-September to early-November.

"The first thing we wanted the players to learn was how to work as a team," said Canton resident Jonathan Mehl, who served as co-coach of the 2nd/3rd grade Bears along with Plymouth resident Bryson Horgarth. "From Day 1, we taught them that they're not 10 individuals, they're one team, which is so important in football.

"A lot of the kids had played baseball before, but not football. While you're together as a team in baseball, the players are doing their own thing. In football, we tried to teach them that everybody has to do their job on every play for the team to succeed. It was a great learning experience for the kids — and a

## Bair peaking at ideal time

BY ED WRIGHT OBSERVER STAFF WRITER

The hundreds upon thousands upon — who knows, millions? — of strokes Emily Bair has used to propel her body through the water in the Salem High School pool the past four years will pay off handsomely beginning this afternoon.

For the first time in her fouryear career at Salem, Bair is a multiple individual qualifier in the Division 1 state swimming meet that begins today at Eastern Michigan University — and the man who knows best says no one deserves the career-closing achievements more than Bair.

"Emily is a super young lady," said Salem coach Chuck Olson. "She's always been a good swimmer, but the past couple of years she's taken it more seriously and it has shown in her results. She's always done well on our relay teams, but

this year she qualified for the state meet in the 100 butterfly and the 200 individual, which is quite an accomplishment.

"Emily has done as well as she has because she's always been a good practice swimmer. She never takes a practice off."

#### Successful start

Bair began swimming competitively in the seventh grade at Discovery Middle School. The following summer she joined the Plymouth-Canton Cruisers and she's been swimming year-round ever since.

"I love the camaraderie with my teammates and I just love being in the water," she said.
"Even though I swim yearround, I've never gotten sick of
it. I enjoy practice because it's
different every day."

Swimming is in the Bair family's genes. Her dad, Derek, qualified to compete in the 100 butterfly at the 1976 U.S. Olympics Trials. He also swam one year in college before

hanging up his goggles.

Bair was voted a team captain prior to the season and it's a role she's handled as well as her in-the-water role.

"Emily is a good captain because she relates well to the very good swimmers and just as well to the novices," said Olson. "She's a very good organizer and she does a lot of things to build team unity. She gets things done and she does it with a smile on her face. She's just a nice young lady."

the Wildcats' program.

In addition, Falcusan was recently named a Salem Scholar-Athlete Award winner, which is presented to student-athletes with gradepoint averages of 3.5 or higher.

"We are excited to have Jansan as a member of the UNH volleyball team," said Hirschinger.

## Salem icers possess the talent to score loads of goals

Firepower shouldn't be a problem for Salem's hockey team this

A surplus of players who know how to put the puck into the back of the net should make the Rocks solid contenders in the inaugural season of the Kensington Lakes Activities Association's South Division, which also includes Canton, Plymouth, Livonia Churchill and Livonia Franklin.

"We have a lot of depth at forward, so we moved a few of our forPREP HOCKEY PREVIEW

wards back to defense because we were a little short on defense," said Salem coach Ryan Ossenmacher. "Offensively, we should be strong. We have skilled skaters at key positions. We have a lot of guys playing defense for the first time, but their speed should help make up for any mistakes they make early in the season."

The captain's role will be filled by Dave Russell, who served as an alternate captain last season. The four-year varsity player has grown with the program — both literally and figuratively.

"His freshman year, he was a little undersized, so he took his lumps," said Ossenmacher. "But he's improved his game every year and he's grown a lot, too. The strides Dave have made in the past four years are incredible."

Serving as alternate captains will be Ryan Blakey and Nick Gennety, a junior and senior, respectively.

We moved Ryan back from forward to defense," Ossenmacher said. "He's probably one of our two or three fastest skaters, so he'll help us back there.

"Nick is a four-year player who was chosen to play in the Michigan Developmental Hockey League this past summer. He played all summer against most of the best high school players in Michigan, so that definitely helped him."

Sam Ott, the Rocks' leading goal-scorer last season, returns to engineer the team's scoring attack. Ott scored close to 20 goals as a junior. "We're expecting a lot out of Sam again this season," said Ossenmacher. "He's surrounded

by better players this year, which nould make him a better player."

Two new-comers — first-year uniors Mario Macari and Josh Jarvela — will play key roles for the Rocks, in Ossenmacher's estimation. "Those are two guys that will give us incredible forward depth,"

The goal-tending duties will be shared by first-year senior Adam Powers, who played Junior-A last season, and junior Eric Fiorentino, who earned several starts last year as a sophomore.

"Adam is incredibly athletic,"

Ossenmacher said. "He's as good of a puck handler as we have on the

team. He's very quick. "Eric is long and lanky who played well positionally last year. I told them both that we'll ride the

hot hand early in the season." Ossenmacher said the KLAA

South should be formidable. "From top to bottom, it's probably in the top two or three divisions

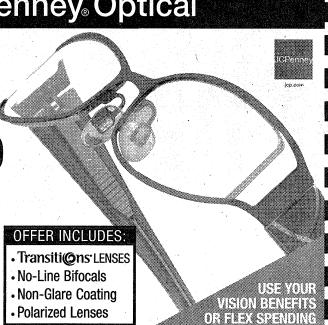

in the state," he said. Salem opens its 2008 slate Friday night with an 8:30 p.m. home game against Bloomfield Hills United.

## London's third-period barrage sinks Whalers

Justin Taylor and Akim Aliu scored two power play goals each as the London Knights built a 3-2 lead after forty minutes of play and pulled away from the Plymouth Whalers with three unanswered goals in the third period to defeat the Whalers, 6-2, in an Ontario Hockey League game played before Saturday a sellout crowd of 4,102 at Compuware Arena. London improves to 16-5-0-1

Plymouth is now 7-12-2-0.

Kale Kerbashian and Tucker Hunter also scored for London. Vern Cooper (6th) and Josh Bemis (1st) replied for Plymouth.

London never trailed in the game, taking a 2-0 lead in the first period on goals by Taylor (10th of the season, scoring in tight quarters in front of the Plymouth net at 6:58) and Aliu (third of the year at 19:40, finishing

off an excellent solo rush).

Plymouth cut the London lead to 2-1 on Cooper's goal at 1:22 of the second period when he played Jordon O'Neill's high shot off the glass behind the London net and scored from the lower rim of the right circle. Kerbasian scored the eventual gamewinner at 4:26 on a shot from the slot.

Plymouth cut the London lead to 3-2 at 8:25 of the period on Josh Bemis'

shot from the right point.

The key moments in the game came at the start of the third period. London came into the period with a 5-on-3 advantage and cashed in, receiving two more power plays goals from Aliu (hard shot from the left wing at 0:37) and Taylor at 3:24.

Tucker Hunter closed the scoring with his first goal of the season at 9:35. In all, London went 4-for-9 on the

power play, while the Whalers went 1-for-7. London outshot Plymouth,

## All-Observer harriers are best in the long run

SARA KROLL, JR., LIV. CHURCHILL: The three-time All-Area selection capped on outstanding junior year with a school-record 5,000-meter time of 17:53.5 en route to an seventh-place finish at the Division 1 state meet.

Kroll also took firsts at the regional (17:58.3), Kensington Conference (18:43), KLAA South Division and Wayne County (18:01.7) meets. She also took seconds at the West Bloomfield (18:45) and Jackson (18:07.3) invitationals, as well as a third at Michigan State (18;16).

Sara took herself to a new level this year, she set high goals for herself and did what she need to do to achieve them," Churchill coach Sue Tatro said of the KLAA Scholar Athlete and team MVP. "She has all the qualities of an elite runner: work ethic, competitive drive, intelligence, talent and passion.

"She peaked at the right time and ran her best race at the state meet where she broke her own school record. It's an absolute joy coaching Sara, and I'm looking forward to watching her continue in her leadership role next season."

Calka, a four-time All-Stater, was also the Brighton regional champion (17:47.8), as well as KLAA Central Division and Livonia Public Schools Invitational champion. She was also runner-up in the Kensington Conference

She is a three-time regional champion and owns the school record for the fastest 5K time.

"Courtney is a very dedicated cross country runner," Stevenson coach Nancy Gavoor said. "She is willing to give nights out with her friends, staying up late, holding a job and eating well - to become a great runner. She is focused on winning and tries to win every race enters.'

Calka is being recruited by EMU, Michigan and Cal Poly-San Luis Obispo.

AMANDA SOUTHWÊLL, JR., LIV. CHURCHILL: The second-time All-Area selection recorded the fifth fastest time in Charger history with an All-State performance (14th) with a time of 18:24.1 at the Division 1 finals.

Southwell also took third at the LPS meet, fourth in the regional (19:09.8), ninth at the Kensington Conference meet.

"Amanda is by far one of the most talented athletes I've had the pleasure of coaching," Tatro said. "She is a natural runner who loves to race. It was an inspiration watching her run her best race at the state meet. I think she has come to the realization that she could take her running to amazing levels in the future. I'm looking forward to watching her continue

to excel at this new level." MEGAN MCPHERSON, SOPH., LIV. FRANKLIN: The 10th-grader just missed All-State honors at the

The Bears flag football team practiced under the lights at the Canton Sports Center earlier this month.

fun one."

#### Football lite

Each week included one practice - usually on a Monday or Thursday - and one Sunday afternoon game for all 53 teams. The practices were fast-paced and packed with skills-enhancing drills and exercises, Mehl said.

"At practice, we stressed the fundamentals," Mehl said. "We'd do stretches at the beginning of practice and then work on basic things like hand-offs, passing the ball, catching the ball, grabbing flags. It was fun to watch the kids progress as the season went along.

One of the premises of the league is that every kid plays 50 percent of every game. Since we had 10 players, we took that a step further and divided the team into two

teams of five that played together the entire season."

#### Preferred positions

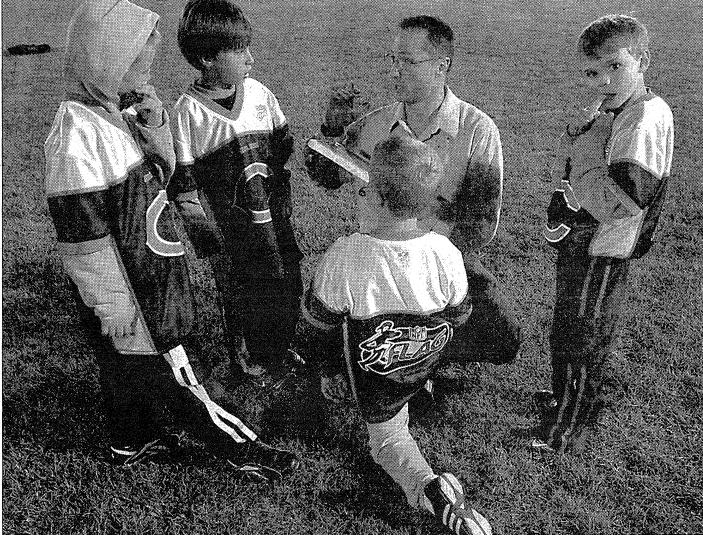

Horgarth said the league helps kids find out what their gridiron niche may be before they advance to the more serious tackle version of the sport.

"Since my son (Tyler, 7) was 3, we've been playing catch with a football," said Horgarth, of Plymouth. "We've probably thrown a ball back and forth 5,000 times. His arm has gotten so strong that he can probably throw it 35 feet accurately, which is pretty good for a second-grader, so I'm thinking he may be a quarterback.

"Well, once we started playing in this league, he found out that he likes defense best and that he'd rather be a linebacker than a quarterback."

Horgarth said he wouldn't hesitate to recommend the league to anyone who wants to find out if their child truly loves the sport.

"Without a doubt," he said.

Coach Jonathan Mehl goes over a play with Brock Nagy, Nicholas Ontko, Tyler Horgarth and Joshua Snyder.

"It's nice because it's only one practice and one game per week, unlike tackle football, which is four or five practices a week and then a game.

"It's a great way of getting the kids' feet wet at such a young age so they can find

out if they like the sport. The injury risk is a lot lower, too, than tackle football."

### Ex-Cat Olech plays well in two Madonna losses Kim Olech (Plymouth) chipped in with 11 Northwood University hit the century mark

Tuesday with a 106-70 non-conference women's basketball triumph over visiting Madonna University.

The Timberwolves, picked to finish second in the GLIAC-South, improved to 2-0 as Jodi Ostergren and Megan Starnes led the way with 28 and 26 points, respectively. The two also combined for 16 rebounds.

Sarah Glowacki added 19 points and seven assists, while Rachel Church and Karli LeRoy added 13 and 11 points, respectively.

Northwood, which lost an exhibition game in the final minutes to Michigan (71-66), shot 48.6 percent from the floor (35-of-72) and outrebounded the Crusaders 52-37.

Katie Mount scored a career-high 23 points for MU, which slipped to 1-6 overall.

points and 10 rebounds, while Christie Carrico dished out five assists.

The Crusaders, who trailed 54-40 at the half, shot only 37.5 percent from the floor (21-of-56). CALVIN 64, MADONNA 49: Brook Van Eck poured in 20 points Saturday to lead Calvin College (1-0) to a non-

conference win over host Madonna University (1-5). Marica Harris and Sarah Partridge added 14 and 10 points, respectively, for the Knights, who led 36-21 at

Christie Carrico was the only Crusader to score in double figures with 15, while Katie Mount and Kim Olech (Plymouth) added eight each. Tabatha Wydryck

had a team-high seven rebounds. MU was outrebounded 44-26 and Calvin won despite making 27 turnovers.

The Knights shot 50 percent from the floor (24-of-48), while MU hit only 24.5 percent (13-of-53), including 3-of-19 from three-point range.

## Crusader kickers take the WHAC

BY BRAD EMONS OBSERVER STAFF WRITER

Doron Drai is usually Madonna University's set-up

But the senior midfielder from Kfar-Yona, Isreal also showed he's also adept at putting the ball in the net as the Crusaders advanced to the NAIA men's soccer nationals for the second straight year with a 2-0 victory Saturday afternoon over Aquinas College in the Wolverine-Hoosier Athletic Conference finals held at Livonia Churchill H.S.

MU, now 16-2 overall, advances to the 32-team field and will face Grand View (Ia.), 14-5-1 overall, beginning at 1 p.m. Saturday at Churchill.

Conditions were far from ideal with temperatures in the mid-30s, along with a wet wintry mix of snow flurries and rain. The match was switched from Livonia's Greenmead Field to Churchill's artificial turf, and the Crusaders were up to the elements as they outshot the Saints, 17-8.

Drai, who notched what proved to be the game-winning goal in the 32nd minute, had only scored one other goal all season even though he assisted on nine others en route to WHAC Offensive Player of the Year honors. His shot through traffic was off a header to the left side of the box originally initiated on a play by Dan Pichler (Livonia Stevenson) and Mark Pikula.

MU's Victor Otieno then went top-shelf to score the allimportant insurance goal with 24:21 remaining. Mike Ujkic took the initial shot after a cross through the box by Jacob Rosiek to give the Crusaders a two-goal cushion.

MU goalkeeper Anthony DeMarco, faced only eight shot attempts, made two key stops in the final 20 minutes to preserve the shutout.

"It was a hard game, we knew it would be wet and fast, but we were prepared for that because we practiced on turf all week," Drai said. "Everybody played their best game of the year at the best

"This is a good reward for the second year in a row. Last year we had great players, but this year we play more as a team. We possess the ball and we're able to play real fast."

If the 15th-seeded Crusaders win their first-round match, they will take on the firstround winner of No. 2 seed Rio Grande (Ohio) and Bethel (Ind.) College beginning at 11:30 a.m. (PST) Monday, Dec. 1 at Fresno Pacific University

"We're just not happy to get there this time," MU coach Tino Scicluna said. "Last year we played a competitive game, but this year our goal is to win the play-on game and go to California.

'We've played two of our better games late in the season. We were focused more today on the details. Defensively we've been a sloppy team at times this season. We needed to do a better job of eliminating opportunities, and we did a very good job of that today."

Drai, who played one season at Oakland University before transferring to MU, is making his senior year a special one.

"Big players play in big games," Scicluna said. "He's been rewarded with Offensive Player of the Year and today was a classic example. That's why he's gotten a lot of support from around the conference.

"He was at Oakland University. Gary Parsons (OU's coach) and I have and open exchange and Doron kind of got lost in the shuffle. Madonna is blessed to get a guy like him in the program. He's everything what Madonna wants in a player."

Aquinas, which had shared the WHAC regular season title with MU at 11-1, bowed out at 14-6 overall. Saints goalkeeper Ben Richardson kept it close throughout facing 17 shots and making eight saves.

The finish was marred by a pair of red cards (ejections) handed out in the final minute to Pichler, a junior defender, and Saints forward Erich Jackson.

Pichler, one of three Stevenson High starters on the MU squad (along with Keith Sied and Nick Dordeski), will have to sit out the NAIA Tournament opener.

"It was almost a perfect game," Scicluna said. "There was no reason for that to happen at the end of the game. It was not the best decision to that problem, but none-theless, the players have to pay the consequences for their actions."

■ A bowling related news item hit the front page last week in one of the dailies read: "Detroit teen was saved by his bowling ball."

While riding with friends, the 15-year-old was carrying his ball on his lap when the car was fired upon by a man driving a blue SUV. The bullet went through the rear passenger door and hit the ball,

which was in a bag.

The boy was uninjured and police are investigating.

■ This has been a most eventful week at Taylor Lanes as members of the Pro **Bowlers Association have** been competing for the big dollars in prize money.

The PBA is observing it's 50th year anniversary and many local amateur bowlers have been able to participate by means of the Pro-Am days where amateur bowlers bowl. for cash prizes joining three different professionals as their doubles partner.

Hats off to Taylor Lanes proprietor Erin Dobbins and her staff for again making this a huge success. The ESPN nationally-televised live finals are scheduled for 1 p.m. Sunday, Nov. 16.

This is in direct conflict with the Lions game, but for me, I'll watch the bowling.

The Michigan Junior Masters Association rolled into Eastland Bowl in Kalamazoo for the 20th annual Greater Kalamazoo Open, sponsored by Alro Steel.

This year's field of 92 bowlers were all vying for a title and their share of the \$3,500 in totals scholarship.

The ladies were up first with Brianne Schmansky (Westland) and Samantha Johnson (Wyoming).

Johnson bowled a clean game, but Schmansky closed with five of the last six strikes to win 224-196.

Next for Schmansky was Kayla Blanchard (Livonia) who has already won an Alro Steel MJMA title. A split in the tenth frame for Blanchard let Schmansky take it by three

In the finals, Schmansky faced Felicia Goll (St. Clair Shores), a four-time title winner. The Westland bowler struggled early and Goll threw a four-bagger starting in the fifth frame and earned her fifth MJMA title 194-150.

Kayla Blanchard was the high qualifier in the event,

earning an extra \$50 in scholarship.

In the boys competition Ryan Fuller (Rochester Hills) and Logan Mills (Plymouth) each received \$50 in scholarships for finishing 11th and 12th, respectively. The next MJMA event will

be held on Nov. 15-16 at Royal Scot Lanes in Lansing. Thanks to Alro Steel and the Glick family, the MJMA has been able to award \$13,000.00 in scholarship money so far this season.

■ Livonian Edward Dudek was runner-up in the Metro Detroit U.S. Bowling **Congress Super Senior** Masters event held Nov. 2 at Sterling Lanes in Sterling Heights.

The event was co-sponsored by Turbo 2-N-1 Grips, Turbo Tech and Eastown Printing.

-Dudek fell in the rolloff finals to Doug Evans of Clinton Township, 234-182. Evans had to climb the

ladder with victories over Ken Voodre (Troy), Richard Grange (Clinton Township) Ron LeChevalier (Livonia) and Jim Burton (Novi), while Dudek wound up first in the losers bracket, then beat Evans to force the final match.

Evans, who qualified 14th with a five-game total of 1,018 and averaged 213.73 per game, won first-place prize of

Dudek, who qualified 13th with 1,026, averaged 204.46 and won \$500.

LeChevalier, who was second in the qualifying with a total of 1,098, averaged 218.7 for 10 tournament games and finished fourth to win \$300. Howard Waxer (Farmington Hills) was the last to cash in 20th place, good for \$100, not quite near the top, but still worth the effort.

## Habitat's helpers lauded for their giving ways

BY JULIE BROWN **O&E STAFF WRITER** 

Wayne County Prosecutor Kym Worthy has been front and center on the Kwame Kilpatrick scandal, but her role was different Saturday, Nov. 1, at the VisTaTech Center of Schoolcraft College in Livonia.

Worthy spoke that evening to about 250 people at the sixth annual "Building Houses, Building Hope Gala" of Habitat for Humanity of Western Wayne County.

"It was so thought-provoking, it was very inspiring," said Alice Dent, executive director of HHOWWC. "She just left us feeling that we're doing a great job, but there's more to do." Worthy talked about how people must pull together and brainstorm on how to eliminate poverty housing in Michigan.

"She was very good, very interesting." said Barbara Fichtenberg of Canton, church relations chair for the affiliate. "She talked a lot about how we have to have hope. Hope has to be accompanied by action."

Worthy, mom to a daughter, Anastasia, talked about raising children in a society with instant gratification. That ties into Habitat's work in which families receiving homes pay a mortgage used for additional Habitat building, and also contribute 250 hours of "sweat equity" on their own

"By the time they get the keys they're invested in it," Fichtenberg said. Habitat's focus locally and worldwide is providing affordable, quality homes for residents who work on the home construction themselves.

"The evening was just so spiritfilled," said Dent, who was receiving congratulatory e-mails and phone calls the following Monday. "It was just a great evening.

"People left feeling more motivated to get involved," Dent added, noting many were happy to see how the affiliate has grown in its Christian ministry. "So many people contribute to the success of this operation," including many Honorees at the Nov. 1 gala were:

■ Sponsor of the Year, Thrivent Financial for Lutherans. "Words cannot express how important their contribution is, not only to my affiliate but worldwide," Dent said of Thrivent's major financial contribution. "It's just amazing."

■ Good Neighbor Award, Michael and Janice Mulholland of Inkster. The Mulhollands, who received a Habitat home, have continued with extensive

The Apostles partner family, Alice Dent, executive director of the Habitat affiliate, church representatives, and a Northwest Airlines representative at the April 27 ground breaking. The recent gala was held to celebrate such achievements in the past year.

involvement, she as volunteer coordinator of the Plymouth-based affiliate and he as a construction site supervisor. Dent values the relationship with the partner families, she said.

"She represents our affiliate," Dent said of Janice Mulholland's work. "That's really significant and she's done a great job." Janice coordinated Habitat volunteers for the Chili Cookoff in Plymouth recently, and also brought many members of her family and her friends to that event.

■ Volunteer of the Year Award, Nancy Tabor of Canton. Tabor, a credit union retiree, has volunteered with Habitat more than four years and is primarily responsible for bank deposits, tracking mortgage payments, answering phones and organizing files.

"She's my seasoned volunteer. That speaks to the level of dedication she has to this affiliate. I value her greatly," said Dent, who nominated Tabor. "She is a very good volunteer and she has a lot to give."

Dent likes that there are volunteers of all ages. "Nancy's able to come back and use those skills she used in the credit union.

■ Raymond and Theresa Carbott Service Award, Doug Blake of Dearborn. Blake, a member of Hope Lutheran Church in Dearborn, is a Ford Motor Co. retiree and three-year Habitat volunteer who volunteers three-four days a week, and on "days off" volunteers at Greenfield Village.

"He is a very, very special person,"

Dent said. Blake doesn't allow his cerebral palsy to slow him down. "Rain or shine, he's there," said Dent, who was helped by three partner families with the decision on this award.

■ Positive Image Award, Susan Watson of Canton. Watson, formerly with the Detroit Free Press, has also volunteered with Habitat for **Humanity-Detroit and with Western** Wayne since 2007. She provides clerical and administrative assistance, and uses her writing expertise.

"None of my others volunteers will even touch the computer," Dent said of the terrific thank you letters Watson pens. "You can tell she is an awardwinning journalist." Watson takes Dent's words and puts together good messages. "She's been quite a blessing to our affiliate." Watson is good about following through.

■ Gift in Kind Excellence Award, InfraSource Underground Construction of Ypsilanti, which offers infrastructure construction and support services. Local work has included excavation donation for four Habitat houses in Inkster and Romulus. Roy Howell of that company is the one who contacted Dent about getting involved. "He set up that entire arrangement for us," Dent said. Staffers from his company have also donated their time.

The evening included a fund-raising auction, and Fichtenberg, who chaired the silent auction committee, was pleased with donors' generosity. "It's our largest fund-raiser," she said of the annual event. "It's an opportunity to honor people who have supported the organization."

Dent noted Habitat has begun to rehab existing homes this year in partnership with others. A family should be in a Taylor home by the end of the year. Superior Staffing Innovations helped the affiliate buy the home for the first rehabbed home, JP Properties of Plymouth providing funds for the second home.

Gala sponsors for the Nov. 1 event were: Yazaki North America Inc., diamond: Fifth Third Bank. Ford Motor Credit, platinum; Fed Ex, Comcast, Saturn Printing & Mailing, gold; Down River Association of Realtors Charitable Foundation, Plante & Moran, silver; Citizens Bank, family of Raymond and Theresa Carbott, TCF Bank, bronze; Christ Our Savior Lutheran Church, Coalition on Temporary Shelter, DTE Energy, Geneva Presbyterian Church, Marketing Associates, Moraxis Enterprise LLC, corporate patrons.

The 2008 House Sponsors were: Apostle Churches, Fifth Third Bank, JP Properties, Northwest Airlines, Soil & Materials Engineers Inc., Superior Staffing Innovations, Thrivent Financial for Lutherans, and United Parcel Service.

Construction Gift-in-Kind Donors were: Alexander Trucking, All Brite Reglazing Inc., America's Budget Storage, Best Block, D & R Property Maintenance, GLA Surveyors & Engineers, Heatwave Heating & Cooling, Home Depot (Dearborn Heights), Jason Deherin, Jay's Construction, John Rankin Carpet Installation, John Voyles, Lowe's (Southgate and Westland), Peltz Sodding & Landscaping, Scott Burbank, Target Corp., Whirlpool

Robin Sullivan, host of The Praise Company on WMUZ FM 103.5 radio, was master of ceremonies.

For information on volunteering with or donating to the Western Wayne affiliate, visit www.habitatwwc.org or call (734) 459-7744.

"We're just thankful for all our sponsors. Without them we wouldn't be able to do all we do in the community," said Dent, who's also grateful for all the volunteers and others who contribute. Sponsors are being sought for 2009, with Dent noting it's less expensive to sponsor the rehabbed homes than those built from the ground up.

"Companies can involved in a big way now" regardless of their budgets, Dent said.

## rules on water access

Q: Our township has passed an ordinance which allows township approval to maintain a dock but prohibits overnight boat docking. Some of us have claimed that it is a deprivation of our riparian rights and inhibits our recreational activities. What do you think?

A: Based upon a recent court case of similar facts out the Michigan Court of Appeals, a

**Robert Meisner** 

ordinance that required township approval to

homeowner

association

challenged

township's

the

maintain a dock but prohibited

overnight boat docking. The ordinance, the court said, did not violate the constitutional protection against the taking of property without due process and just compensation. Nor did it inhibit the right of homeowner's access to the lake that their riparian rights did not include the right to dock boats overnight.

Q: Can we sue someone who sold us a home under a fraudulent misrepresentation theory and did not disclose information about a roof leak in the disclosure statement even though there is an "As Is" provision in the purchase agreement?

A: I think the answer would be in the affirmative since the Seller Disclosure Act places no limitation on disclosure of leaks. Obviously, each case depends upon its own facts and the fact that there is an argument that the home was sold "As Is" becomes irrelevant and without merit if it is found that no representations were made in the Seller's Disclosure Statement.

#### **BRIEFS**

#### Real Estate Agents, **Appraising & Staging**

Thinking about a career in real estate? Is working in real estate your dream? Keller Williams Realty is seeking experienced or non-experienced people in the real estate field. The candidates must be hard working and have a passion for learning.

There's a free seminar every week: Tuesday or Saturday, 11 a.m. to noon at 27555 Executive Drive (off West 12 Mile and Halsted), Farmington Hills 48331.

For more details, contact Steve Leibhan, (248) 553-0400, Ext. 2500.

#### Tips for buyers

Realtor Paul Schwartz of **Prudential Cranbrook Realtors** in Birmingham will review the things a buyer needs to know and accepting new buyer clients on a space available basis at a presentation Thursday, Dec. 4, at 7 p.m. at his office, 34122 Woodward Ave. in Birmingham. Reservations are needed.

Topics to be covered: What to look for? What to avoid? Financing red flags. What is the property worth? What to do with it after you own it? How to add value to it? What will it be worth in the future? Condo or house? What is the best area? For reservations, e-mail: paul4realtor@yahoo. com (www.paul4realtor.com).

His phone numbers are direct: (248) 539-7283, office: (248) 647-6400, fax: (248) 258-1024.

### SUDOKU

Level: Beginne

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

## Mercedes-Benz Cls 550 Offers One Smooth Ride

Advertising Feature

### **CAReport**

By Dale Buss

That is, unless you happen to have a Mercedes-Benz CLS 550 parked in your driveway and a client wants you to drive from Detroit to, say, Cincinnati on short notice.

Yes, that was my "challenge" recently that, largely because I was able to drive the CLS 550, turned into a privilege. After a 900-mile, two-day round trip, much of it spent behind the wheel of this car, I can honestly say that the experience - especially the time on the road was a satisfying one.

That's because the 2009 CLS 550 is incredibly stylish, extremely responsive to drive, is very comfortable, and gets respect on the road in subtle ways that enhance the driving experience - and aren't often noticed on a short jaunt or in city trips. More on that

Of course, you would expect all of that from a vehicle whose base price begins at around \$69,000. For the version that I drove, the price tag was a cool \$82,400.

And you'd also expect Mercedes-Benz to get it right with the CLS considering that this basic vehicle type is the company's first really new platform in the U.S. market since the company introduced the M-Class SUV in 1997. It fits very nicely in between the automaker's Eand S-Class cars.

The idea behind the CLS was to create, in essence, a four-door coupe. The obstacles there are obvious: Twodoor coupes are the ones that are supposed to be sporty, to energize sales, and to attract drivers who are passionate about their vehicles. Four-door sedans, of course, are largely a concession to practicalities, to the necessity to fit families into vehicles, and rarely evoke

Truly, the CLS 550 is a perfect hybrid and represents a bulls-eye for Mercedes-Benz.

Start with its styling, because that's what Mercedes-Benz did. The CLS 550 has an intoxicating look, with long, semi-exotic body lines, a strong, wide stance and a curvaceous, flowing roof. The profile really befits the coupe "half" of the car's design heritage.

And yet, going for sleekness and aerodynamic appeal does have its price, even in the CLS 550. The four-door does manage to fit two people in the rear seat, separated by a nice center console. But there's no denying it's a bit tight back there: The rear-seat dimensions are smaller in nearly every direction when compared with more mainstream sedans. And the small rear windows can make occupants feel closed in.

But from the driver's seat, all is right with the CLS 550 - especially when you actually drive it. Despite a government-imposed gas-guzzler tax, the car's awesome 5.5-liter V-8 engine – sporting 382 horsepower and 391 pound-feet of torque - achieves a highway fuel-economy rating of 21 mpg. The upgraded engine is mated with a slick, seven-speed automatic transmission with a manual-shift mode.

The ride is even better because it's atop 18-inch, fivetwin-spoke alloy wheels and high-performance tires. And what a ride it is! The car's smoothness through every speed and gear shift is the first thing that you notice. Mercedes-Benz has perfectly matched every

speed and power mode with the attitude of what

remains a smallish car.

of a sedan.

This kind of performance gave me extreme confidence as a driver, both in city situations and on I-75, that I was in good hands. Also, the CLS 550 must simply reek of ready power, because in subtle but unmistakable ways, I got respect from other motorists in this vehicle that just isn't typical.

The CLS 550 fantastically combines

coupe styling with the practicality

For example, several times when I was in the lefthand lane on the interstate, going slightly over the 65mph speed limit in Ohio and not even feeling the engine, vehicles would begin to position themselves to pass me on the right, maybe trying to squeeze in between me and a slower vehicle in the right lane that would be obstructing them. Not being an obstinate driver, I made no move to block them - but most of them backed off anyway, presumably because they figured I could if I wanted to. Now, that is vehicle presence!

More important is how safe I felt in CLS 550 because of the vehicle's adaptive cruise control, which prevents you from tailgating. This is about the closest thing to true auto-pilot that I can imagine.

One thing, though: Could Mercedes-Benz come up with front-seat cupholders that are deep enough to hold the most common beverage containers, so they don't flip out upon the slightest excuse? For this price tag, I don't think that's too much to ask.

Canton residents Tim Chanko and Meg daPonte star in the Spotlight Player's rendition of the classic play "You Can't Take it With You."

Livonia's Mike Cuba took an unusual approach when vying for the responsibility to direct the Spotlight Player's uplifting fall comedy, You Can't Take it With You. He pointed out all of the potential "problems" the show might pose — everything from the need for snakes on stage, to fireworks, to a xylophone player. But his thoughts resonated with the non-profit Cantonbased community theater company and he's been working toward solving those issues since he took the director's seat earlier this year.

They saw a production of one of their favorite films, Arsenic & Old Lace, in the Northville facility and soon enough the couple was drawn into the fold, earning chorus parts in The Wizard of Oz.

MANDARIN-ORANGE SALAD Mickey Arsneault, Livonia

It is a nice addition for a festive occasion and is a favorite of ours not only at

Thanksgiving but throughout the year.

Dressing: ½ cup salad oil

¼ cup cider vinegar

¼ cup granulated sugar ¼ tablespoon finely grated onion

¼ teaspoon ground dry mustard ½ teaspoon celery seed

Salad:

½ pound washed spinach, torn into

¼ cup purple cabbage, shredded 2 tablespoons slivered almonds,

1 small can Mandarin oranges,

Combine all dressing ingredients in a jar, shake well and refrigerate. Place all salad ingredients in a bowl. Shake the dressing well and pour over salad. Toss together and serve. The dressing should just coat the spinach, so there may be some left over. Remaining dressing will keep in the refrigerator up to one week.

Toasting almonds: Place on a cookie sheet and bake at 350 degrees for 4-5 minutes until lightly browned.

Caramel sauce: combine sugar and water in a heavy mediumsized saucepan. Cook over moderately high heat, without stirring, until mixture turns golden brown. Immediately remove from heat and slowly stir in cream. The sugar will harden, but stirring will smooth it out. Stir in butter until melted.

Pie Filling: Peel and thinly slice the apples. Heat butter in a large skillet over moderate high heat. Sauté apples, turning often, until barely tender (about 5-8 minutes). Remove from heat and sprinkle sugar and flour, stirring until coated. Pour hot apples with their juices into pastrylined pan.

Measure ½ cup of caramel sauce and pour over apples, save the rest of the caramel sauce.

Roll remaining pastry and cut a 12-inch circle. Cut a one-inch circle in the center. Place over apples, press onto rim of pan and trim edges. Brush the top with egg glaze. Take remaining dough and decorate the top if desired. If you do, brush with egg as well.

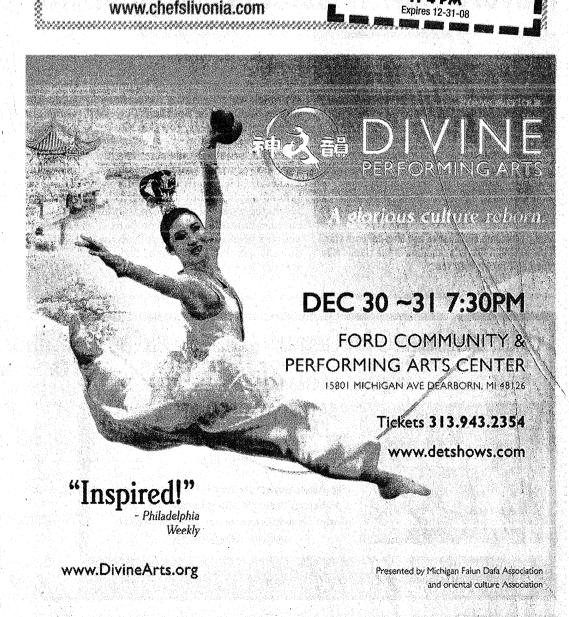

Bake on a cookie sheet, 30-40 minutes until deep golden brown. Let cool 10 minutes. Freeze or serve it the next day. Just reheat for 5-10 minutes and

## Enjoy perfect turkey toasters

Thanksgiving is an American holiday. As such then, we're recommending a host of wines made in the U.S. that will satisfy the array of foods at a classic Thanksgiving

#### **GETTING STARTED**

Even if wine is not a traditional family meal starter beverage, it is quite often at Thanksgiving.

**Focus on Wine** 

Ray & Eleanor Heald

Because of its versatility, Riesling is a perfect aperitif pour. Support Michigan vintners with your purchase. Our favorites in a dry style from the excellent 2007 vintage are made by Brys Estate,

Chateau Fontaine,

Left Foot Charley and Fenn Valley. Chateau Fontaine makes a lovely off-dry style and so does Shady

Lane Cellars. For those who are not fans of red wine, the Rieslings recommended above will make a versatile match with turkey and all the trimmings.

#### **PINOT NOIR**

High-toned red fruit aromas with hints of brown spices and loads of red and black cherry, strawberry and raspberry flavors make pinot noir a delightful and perfect pairing with turkey and its traditional accompaniments. Pinot noir pairs well with just about everything you'll put on the table.

Its only drawback is price. Pinot noir is expensive. Pinots at \$20 and under are a waste of money. They're thin, lacking fruit and the acidity is out of balance on the high side. So drink the good stuff, less perhaps, but you can't miss with the following in a broad range of prices.

- Babcock: 2007 Santa Rita Hills Grand Cuvee, \$45.
- Cambria: 2006 Bench Break Vineyard, \$30.
- Dutton Goldfield: 2006 Dutton Ranch, Freestone Hill Vineyard, \$58 and 2006 Dutton Ranch, Sanchietti Vineyard, \$58.
- Etude: 2006 Carneros, \$42. La Crema: 2006 Anderson
- Valley, \$34; 2006 Los Carneros, \$34; and 2006 Russian River Valley, \$34.

- MacMurray Ranch: 2006 Russian River Valley, \$37.
- MacRostie: 2006 Carneros,
- Marimar Estate: 2006 Don Miguel Vineyard "La Masia," \$45.
- Morgan: 2006 Tondre Grapefield, \$45; 2006 Double L Vineyard, \$62; 2006 Garys' Vineyard, \$62 and 2006 Rosella's Vineyard, \$62.
- Sanford: 2006 Santa Rita Hills, \$34.
- TAZ: 2006 Santa Barbara County, \$25 and 2006 Santa Maria
- Williams Selyem: 2006 Vista Verde Vineyard, \$54; 2006 Flax Vineyard, \$54, 2006 Hirsch Vineyard, \$72; 2006 Rochioli Riverblock Vineyard, \$75; and 2006 Allen Vineyard, \$78.

Not every retailer will have all of these selections, but if you can find at least one, in a comfortable price range, jump on it.

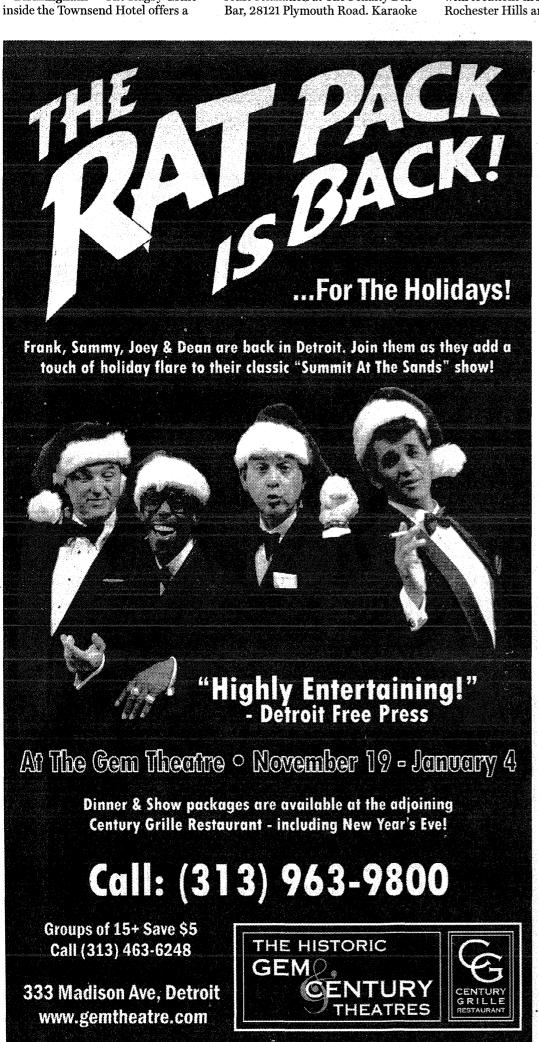

It's bigger, richer and rounder than pinot noir, yet the red and black fruit profile along with brown spiciness, make zinfandel a good bet at a Thanksgiving table.

As you look through the pinot noir list, notice that most of our recommendations are singlevinevard wines. We're following a similar theme with zinfandel, new from Ravenswood, called the 2006 Single Vineyard Designate Zinfandels. They include at \$35 each: Barricia Sonoma Valley, Belloni Russian River Valley, Big River Alexander Valley, Dickerson Napa Valley and Teldeschi Dry Creek Valley.

Ravenswood's 2006 Old Hill Sonoma Zinfandel, is also in the collection at \$60. Zinfandel vines for this wine may be the oldest in Sonoma County and are mixed with 14 other varieties but these are blended by noted winemaker Joel Peterson to be 75 percent zinfandel. Wallet friendly zinfandels include

2006 Simi Sonoma County, \$20 and 2006 Sebastiani Dry Creek Valley, \$24.

## Everyone loves a parade

Holiday parades as big as ever, thanks to support from community, sponsors

BY SUSAN STEINMUELLER **O&E STAFF WRITER** 

Santa will wave to kids from area holiday parades that are as big and festive as ever.

Despite tough economic times and downsizing, sponsors and community involvement are ensuring that parades continue to shine, say organizers. Audiences are expected to be just as big too · perhaps because times are hard.

"You know how people go back to comfort food - this is a comfort event," said Chris Morrisroe of Art Van Furniture, longtime lead sponsor of the 82nd America's Thanksgiving Parade in downtown Detroit. "You know you are going to have a good time."

The two-hour Thanksgiving Day parade is one of the country's oldest. It includes a local and national broadcast.

It's presented by the Parade Co., a division of the The Michigan Thanksgiving Parade Foundation, a nonprofit organization made up of hundreds of local businesses and civic leaders.

Santa, pictured at Rochester's annual Christmas parade, is still the star of any parade at this time of year as he waves and wishes a Merry Christmas to those along the route.

The Rochester Christmas Parade, meanwhile, has a new major sponsor — Chrysler Corp.

"Chrysler's presenting sponsorship of this community-wide endeavor cannot be underestimated," said Sheri Heiney, executive director of the Rochester Regional

Chamber, which organizes the parade. "We are very grateful that they chose to support the greater Rochester area, and the tens of thousands of parade attendees, volunteers and participants.

## New pastor tackles job of rebuilding congregation

O & E STAFF WRITER

Rev. Merlin Pratt has one big task to accomplish as the new pastor of Cherry Hill **United Methodist Church** in Canton — it's his job to rebuild the congregation.

Over the last 175 years the numbers have dwindled to about 40. Pratt thinks many Christians are seeking the comfort of a smaller church but wants to see a few more faces in the pews, especially for the Sunday School for adults at 9 a.m.

Cherry Hill United Methodist is a historic place of worship. Organized in 1834, the first church was built the next year. Pratt says much of the wood from the original structure was used in barns and homes in the area when the present church MARRIED AND MINISTERS was built in 1882.

"My purpose is to help restore the church to its place ing with his wife, Rev. Kay of prominence in the community," said Pratt. "It's a historic place but we have somehow slipped out of sight. It's located in Cherry Hill Village at the corner of Cherry Hill and Ridge roads, but you can see the spire from all over."

In recent years the church has lost members who worked in the auto industry and had to leave to find employment. While Pratt

is not making any major changes to attract church goers, he is adding a 7:30 p.m. Thursday prayer service to bring the faithful together more often. He's also trying to attract younger people by incorporating praise music into the traditional service at 10:30 a.m. Sunday.

"We're starting to see results. The mood is lighter," said Pratt. "The prayer service is a meaningful place to meet in the middle of a busy week. On Sundays we have world class pianist and teacher, Andrew Song, to accompany the services and I play guitar. Because it's small it's really quite interesting. Some people want the anonymity of a huge church, but some people want to be comfortable."

Merlin has been settling into the church since arriv-Pratt, in late summer. Both Merlin and Kay were relocated to make sure area churches survive. She serves as pastor of Denton Faith United Methodist Church in Belleville but shares the parsonage of the Canton house of worship with her husband of 17 years. The unique situation allows the two pastors to exchange and expand upon

Rev. Merlin Pratt recently moved to Canton with his wife, the Rev. Kay Pratt. Merlin is the new pastor at Cherry Hill United Methodist Church, Kay is at Denton Faith United Methodist Church in Belleville.

The Pratt's ministries seem to go hand in hand. In fact it's hard to imagine one without the other as they sit talking about their goals.

The couple originally met in the seminary in Illinois and since then have shepherded churches on the west side of the state. Most recentideas for tending their flocks. ly they completed two years

as missionaries in Jamaica and in the past served in Appalachian missions in southeast Ohio and Indian missions in Oklahoma. He grew up in Jackson County and worked as a structural steel fabricator before God called him into ministry in the late 1980s. Kay grew up in Indiana. The two have five

children and 12 grandchildren.

"Faith doesn't have a parsonage and is only part time, but allows me to go on missions," said Kay Pratt. "Faith partners with a church in Liberia where they're building a church. I'm going on a Jamaica mission trip this summer and am involved with local missions like the food pantry, shoebox and coat drives. It's a mission-oriented church. The youth meet Faith, call (734) 233-4065. during worship, a blended service of contemporary and traditional with praise music. (734) 953-2145

We're getting ready to start Advent Bible Studies, 10 a.m. and 7 p.m. Monday, Dec. 1. Tuesday is the contemporary youth service at 5:30 p.m. to start at Advent and continue on. We have a total of 50 in attendance on Sunday morning.'

"He may play the Blues Brothers, or dueling banjos," Allen said. "It's like Cancun minus the sand."

P.Y. Stix attracts a younger crowd of 20 and 30 somethings at night, but "you might see someone in their 50s or older here and they will have fun too," she said.

At P.Y. Stix in Livonia there's a different party theme every night. Here is a typical crowded Saturday night, with bartenders and the guests dancing and playing games together.

"That's when we have the work people who just come in for a regular business lunch," Allen said. "We serve wraps, salads, wings ..."

There's seven large television screens for sports fans, never a dress code and drink specials here include "gator bombs" which is a drink of Gatorade, rum, sugar and ice and "cherry bombs" which is vodka or rum, grenadine syrup and sometimes cherries.

The martini menu is limited. This is more of a Bud/Bud Light/ Killian's crowd.

"We just started serving Miller on draft and on Sundays during football games we offer Bud Light on draft," Allen said.

awards in Spotlight Player's version of the Oscars — a best supporting actor and a best supporting actress nod respectively.

"I find as my memory goes I enjoy being a director more than being an actor," Cuba joked. "As an actor you shape one character, you tell the story of one character. As a director, you influence the shape of the story of all the characters.

"I do definitely look at community theater as cooperative storytelling."

And the tale his cast of 19 will take on this month requires cooperation to bring two of very different families to life, as it seemed in the 1930s. "I had never heard of the play," Cuba admitted. When the selection committee chose You Can't Take it With You several Spotlight members told him "this is your kind of play."

And it turned out they were right.

The message of the show spoke to Cuba, as he hopes it also will resonate with audiences. And that message was, he said: "If you're not having fun why are you doing it?" It's a sentiment that applies to life, Cuba said, though not without its consequences. "You always have the choice to choose your heart's desire," he said.

#### **TWO FAMILIES**

The production follows three generations of an non-traditional family — one that includes an aspiring ballerina, a xylophone player who enjoys using a printing press, and a playwright who found her calling when a typewriter was accidentally delivered to the house by mistake. When one of the more conservative members of the family, Alice Sycamore, falls for her boss, Tony Kirby, the son of a wealthy tycoon, two worlds collide.

"Tony and Alice are in love," Cuba explained. "Alice is trying to balance two wildly different families." And it won't be easy, as Cuba hinted at an Act II breakup.

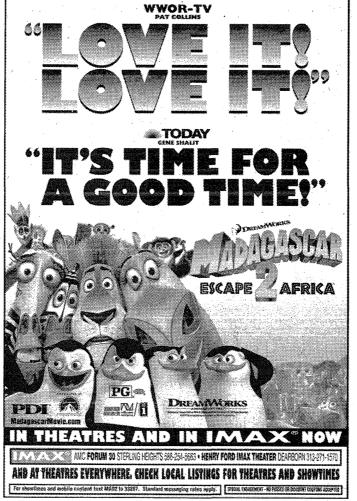

Cuba began casting the roles — many of which require a memorable, eccentric character — in September. "Two-thirds of a director's job is getting the right cast," he said. "So far I've been very lucky." By the end of the month rehearsals were well on their way. The show includes Canton residents Jerry Carney, Dan McKane, Meg DaPonte, Pat McKane, Linda Pohl, Tim Chanko, James Day, Joe Cone and John Chew; Westland residents Reuben Ellman, David Zolotarchuk and Linda Trygg; and Livonia residents Lisa Brawley and Richard Holland; and requires three-hour rehearsals, three nights a week.

And this week, the cast is running through the show almost nightly and working within the constructed set with props and costumes. The set for You Can't Take it With You is an expansive one, according to Cuba. Many of its pieces were borrowed from previous shows, like the recently-wrapped Hello Dolly.

Cuba noted that for those interested in participating in community theatre, Spotlight Players truly does rely on open casting. While he admits the group does have its regular actors who audition show after show, directors remain open-minded and will cast whomever might be best for the part.

## Stand-up comic having good year

BY SUSAN STEINMUELLER STAFF WRITER

It's been a good year for Mike Stanley despite the economy.

Or perhaps because of it. "I've had great crowds the last couple months, even though the market crashed," said Stanley, 30, a stand-up comedian.

Maybe, he speculated, people need humor even more when times are tough.

"Everybody is so down. They need that release."

Stanley, a Redford native who lives in Chicago, Ill., returns to the area for Thanksgiving and Christmas week performances.

He'll be at Joey's Comedy Club Mike Stanley in Livonia at the 8 p.m. show Thanksgiving Eve, Nov. 26, and at Chaplins Comedy Club, Clinton Township, Nov. 28 and

He's also scheduled to be at Mark Ridley's Comedy Castle in Royal Oak on Dec. 26 and 27.

He's looking forward to appearing at Joey's, where he got his start and where he will close the show. At Joey's, comic and comedy teacher Bill Bushart of Redford first encouraged him to try stand-up when he performed during open mic sessions there.

"He's a funny guy," said Bushart, when reached for comment. "He's got good pop culture humor, he has a message, and he's very entertaining on stage.

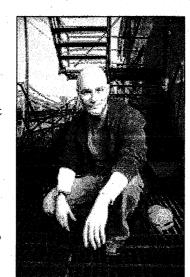

"When you're doing comedy, it's about survival and Mike has stuck with it."

Stanley said his first success with comedy came in a show as a student at Pierce Junior High in Redford, when he told comic Stephen Wright's jokes for a contest and won second place.

Initially he followed his dad, George Stanley, retired Redford **Township Fire Department** Battalion Chief, into fire fight-

While working as an emergency medical technician, he began getting comedy bookings and about six years ago decided to pursue stand-up comedy full

"I started working all the clubs in Michigan, then had the

opportunity to work in Chicago, and around the Midwest," he

Stanley describes 2007 as a "rough year." "I was touring

relentlessly." "In retrospect it afforded me the ability to really craft my act."

This year, "I was just named the 2008 Best Stand-up Comedian in Chicago by the Chicago Reader," an alternative newspaper. "I also just signed a deal with Stand Up! Records."

Stanley said his topics range from his girlfriend to politics.

"It's geared to a more mature audience," he said. He knows his proud mom, Mary Ann, may have a front row seat, however, and his material isn't something he wouldn't want her to hear.

Stanley says reading the newspaper provides fresh material, although he tends to veer away from very topical humor because it has a "shelf life." "We live in such strange times right now," he said. "It's great fodder for comedy.

"I'm just thankful that I get to do it," he said of his act.
